#### ORDINANCE NO. 428

AN ORDINANCE OF THE CITY OF LANSING, MICHIGAN, PROVIDING THAT THE CODE OF ORDINANCES, CITY OF LANSING, MICHIGAN, BE AMENDED BY ADDING NEW SECTIONS TO BE NUMBERED 36-99.1 THROUGH 36-99.24 TO SAID CODE.

The City of Lansing Ordains:

Section 1. That the Code of Ordinances of the City of Lansing, Michigan, be amended by adding new sections to be numbered 36-99.1 through 36-99.24 to read as follows:

#### DEVELOPMENT PLAN FOR COMMUNITY DEVELOPMENT PROJECT KNOWN AS NEIGHBORHOOD DEVELOPMENT AREA NO. 1 WITHIN NEIGHBORHOOD DISTRICT AREA NO. 1

##### Sec. 36-99.1. Plan established.

Pursuant to Act 334, Public Acts of 1945, as amended, a physical development plan has been prepared by the Lansing Planning Board and staff under §2A-28 of the Code of the City Ordinances for the City of Lansing; also pursuant to said Act 344, a public hearing was held on May 3, 1976 prior to: a determination that the development area, hereinafter described, is a blighted area; a determination that there is a feasible method for relocating families and individuals who will be displaced from the area; and the adoption of a physical development plan for said development area. Also, pursuant to said Act 344, the Lansing City Council, subsequent to the public hearing, made certain findings of fact and determination, more fully set forth by a resolution of the city council, dated May 17, 1976, that:

The area described herein is blighted.

There is a feasible method for relocation of families and individuals who will be displaced from the area. The proposed physical development plan is sufficient for the rehabilitation of the blighted area.

##### Sec. 36-99.2. Area encompassed.

The physical development plan for Neighborhood Development Area No. 1, hereinafter also called N.D.A. No. 1, encompasses consideration of the neighborhood district area generally described as:

Citizens' District Area No. 1: Commencing at the intersection of the center lines of St. Joseph Street and West Street, in the City of Lansing, thence northerly on the center line of West Street to Lenawee Street, thence westerly on the center line of Lenawee Street to Everett Drive, thence northeasterly on the center line of Everett Drive to the center line of Kalamazoo Street, thence northwesterly on the center line of Kalamazoo Street to McPherson Avenue, thence northerly on the center line of McPherson Avenue to its intersection with the center line of Michigan Avenue, thence north along the center line of Spencer Street to its intersection with the north line extended on Lot No. 137 of Inverness Subdivision, thence east on said north line to the west line of Lot No. 136 of said subdivision, thence north 35 feet, thence easterly 353.6 feet along the rear lot lines of Lots 140 through 148, inclusive, of said subdivision, thence north to the southwest corner of Lot 127 of said subdivision, thence easterly along the south line of said Lot 127 to the west line of Jenison Street, thence northeasterly to the southwest corner of Lot 121 of said subdivision, thence east 120 feet to the east line of said Inverness Subdivision, thence north to the northwest corner of Lot 8 of Block 4, J. M. French's Subdivision, thence east along the north lines of Lots 8, 7 and 4 of said Block 4 to Lahoma Street, thence south on the center line of Lahoma Street to the north line of Michigan Avenue, thence southeasterly to the northeast corner of Lot 19 of Assessor's Plat No. 8, thence south on the east line of Lot 19, 139.42 feet, thence west to the northwest corner of Lot 25 and said Plat, thence south on the west line of said Lot 25 to the north line of Allegan Street, thence southerly to the northeast corner of Lot 18, Block 2 of Kempf's Addition, thence south to the southeast corner of said Lot 18, thence southeasterly to the northeast corner of Lot 19, Block 1 of Kempf's Addition, thence south to the southeast corner of said Lot 19, thence west to the northwest corner of Lot 15 of Taylor's Addition, thence south 148.5 feet on the west line of said Lot 15, thence south to the southeast corner of said Lot 29 of Assessor's Plat No. 9, thence south to the southeast corner of said Lot 29, thence east on the north line of Foster Court Addition to the northeast corner of Lot No. 1, thereof, thence south on the east line of said Lot No. 1 to Kingsley Court, thence east on the center line of Kingsley Court to Logan Street, thence south on the center line of Logan Street to Hillsdale Street, thence west on the center line of Hillsdale Street

to its intersection with the east line extended of Lot 70 of Assessor's Plat No. 42, thence south on said east line to the southeast corner of said Lot 70, thence east to the northeast corner of Lot 85 of Assessor's Plat No. 42, thence south on the east line of said Lot 85 to St. Joseph Street, thence south to the center line of St. Joseph Street, thence west on the center line of St. Joseph Street to the place of beginning; to such extent, content and particularity as is necessary to coordinate the development area plan with current and future development in the district area.

#### Sec. 36-99.3. Plan designations.

The physical development plan designates, among other things, the location and extent of streets and other public facilities within the development and district areas, the location, character, and extent of the categories of public and private land uses proposed for and within the areas, such as residential, recreational, open spaces and others.

The physical development plan also designates a feasible method and plan for relocation of families who will be displaced from the development area in decent, safe, and sanitary dwelling accommodations and without undue hardship to such families.

The plan further designates the location, extent, character and estimated cost of the improvements contemplated for the area, such as widening, opening, vacating or closing of streets, alleys, and walkways; the location of water mains, sewers, and other public utilities; paving of streets, acquisition and construction of parks, green belts, street tree planting, and other appropriate public improvements.

#### Sec. 36-99.4. Information included in plan.

The physical development plan further includes estimates of the number of persons residing in the development area and the number of families and individuals to be displaced; a survey of their income and racial composition; a statistical description of the housing supply in the community, including the number of private and public units in existence or under construction, the annual rate of turnover of the various types of housing, and the range of rents and sale prices; an estimate of the total demand of housing in the community; and the estimated capacity of private and public housing available for displaced families and individuals.

#### Sec. 36-99.5. Plan for relocation of displaced individuals and designation of local administrative agency.

The physical development plan further includes a feasible plan for relocation of families and individuals who will be displaced by said development plan. The Housing and Redevelopment Department of the City of Lansing is hereby designated as the local administrative agency to provide information concerning private and public housing available to displaced families and

individuals and to advise and assist in their relocation.

#### Sec. 36-99.6. Incorporation of plan.

The physical development plan for Neighborhood Development Area No. 1 is attached hereto and made a part hereof and is hereby approved and adopted pursuant to: the Resolution of Findings of Facts and Determinations approved by the Lansing City Council on May 17, 1976, and Public Act 344 of 1946, as amended, and as filed in the office of the Lansing City Clerk.

#### Sec. 36-99.7. Financial assistance to local units of government authorized under the Housing and Community Development Act of 1974.

Under the provisions of Title I of the Housing and Community Development Act of 1974, as amended, the Secretary of the Department of Housing and Urban Development is authorized to provide financial assistance to local units of governments for undertaking and carrying out housing rehabilitation and community development activities.

#### Sec. 36-99.8. Grant Agreement for financial assistance under act executed between City of Lansing and United States.

The City of Lansing has entered into a grant agreement for financial assistance under the Housing and Community Development Act of 1974 with the United States of America, acting by and through the Secretary of Housing and Urban Development, pursuant to which federal funds were provided for carrying out this physical development plan.

#### Sec. 36-99.9. City's application for additional financial assistance under act.

The City of Lansing is eligible to receive additional financial assistance under the Housing and Community Development Act of 1974 and proposes to enter into future grant agreements with the Department of Housing and Urban Development for the undertaking of, and making available additional financial assistance for, this housing rehabilitation project.

#### Sec. 36-99.10. Community Development Neighborhood Development Area No. 1 identified.

It is desirable and in the public interest that the City of Lansing undertake and carry out the housing and community development activities in Neighborhood Development Area No. 1 (herein also called the "development area") identified as:

**Sec. 36-99.11. Development area studies by city; criteria used; findings.**

The City of Lansing, through its Planning Board and staff, has made detailed studies of the location, physical condition of structures, land use, environmental influences, social, cultural and economic conditions of the development area. The City has determined that the area is a blighted area and that it is detrimental and a menace to the safety, health, and welfare of the inhabitants and users thereof, and of the locality at large, because of the blight as evidenced by the presence of physical and environmental factors and deficiencies.

The City of Lansing, through its planning and building departments, has caused physical inspections to be made of each structure within the neighborhood development area and said physical inspections showed 253 of 255 inspected structures, within a total of 258 structures in the development area, to have deficient elements relating to the City of Lansing Housing Code.

Major building components were examined to determine their respective condition and quality. One or more deficient building component(s) constitutes a structure with deficiencies.

The City of Lansing has also determined that: there exists a conglomerate and incompatible mixture of land uses such as residential and commercial; and that parking and traffic circulation, in the area are additional day-to-day problems to the occupants and the community.

The city council further finds that the proposed physical development plan for said development area, through acquisition, demolition, clearance, rehabilitation, resale of residences and resale or transfer of property, will protect the health, safety, morals and general welfare of the municipality; preserve existing values of other property within or adjacent to such development area; shall preserve the taxable value of the property within such area; and will improve the character of the development area, the surrounding district area and the entire community. The members of this governing body have been fully appraised by the planning board and staff and are aware of these facts and conditions.

**Sec. 36-99.12. Physical development plan prepared.**

There has been prepared and referred to the city council of the City of Lansing (herein also called the governing body) from the Planning Board and its staff for review a physical development plan, also known as the Physical Development Plan for Neighborhood Development Area No. 1, dated March 30, 1976, with revisions of May 3, 1976, and consisting of sixty-three (63) pages and three (3) exhibits.

**Sec. 36-99.13. Development area to be developed for predominantly residential uses.**

The development area, which is predom-

inantly residential in character, is to be redeveloped and rehabilitated for predominantly residential uses under the Neighborhood Development Area No. 1 plan.

**Sec. 36-99.14. Neighborhood Development Area (N.D.A.) No. 1 plan approved by city.**

The Neighborhood Development Area plan, also known as the development plan, is hereby approved by the governing body of the City of Lansing, as further evidenced by the copies of said body's duly certified resolution regarding findings of fact and determinations of blight, feasible methods of relocating families and individuals and sufficiency of the development plan to rehabilitate the blighted area, by the City of Lansing on May 17, 1976, and, also, attached hereto.

**Sec. 36-99.15. General plan prepared; purpose.**

A general plan (master plan) has been prepared by the City and used in the preparation of this development plan and as a guide for the general development of the locality as a whole.

**Sec. 36-99.16. Report of Lansing Planning Board respecting physical development plan.**

The Lansing Planning Board, which is the duly designated and acting official planning body for the locality, has submitted to the governing body its report and recommendations respecting the Neighborhood Development Area No. 1 plan (development plan) for the development area and has certified that the physical development plan conforms to the general plan for the locality as a whole, and the governing body has duly considered the report, recommendations and certifications of the planning body.

**Sec. 36-99.17. Changes in street patterns, etc., will be required under development plan.**

The N.D.A. No. 1 plan (development plan) for the development area prescribes certain land uses for the development area and will require, among other things, changes in vacating and removal of streets, alleys, and other public ways, the establishment of new street patterns, the location and relocation of sewer and water mains and other public facilities, and other public action.

**Sec. 36-99.18. Program prepared for relocation of displaced individuals and families.**

The local administrative agency, the Housing and Redevelopment Department of the City, has prepared and submitted a program for the relocation of individuals and families that may be displaced as a result of carrying out the redevelopment and rehabilitation activities in accordance with the development plan.

**Sec. 36-99.19. Information and data respecting the relocation program submitted.**

There have also been presented to the governing body information and data respecting the relocation program which has been prepared by the local administrative agency as a result of studies, surveys, and inspections in the development area and the assembling and analysis of the data and information obtained from such studies, surveys and inspections.

**Sec. 36-99.20. Governing body's knowledge and consideration of relocation proposals.**

Members of the governing body have general knowledge of the conditions prevailing in the development area and of the availability of proper housing in the locality for the relocation of individuals and families that may be displaced from the development area and, in the light of such knowledge of local housing conditions, have carefully considered and reviewed such proposals for relocation.

**Sec. 36-99.21. Official action respecting relocation program and development plan for the project required.**

It is necessary that the governing body take appropriate official action respecting the relocation program for N.D.A. No. 1 in conformity with the grant agreement for financial assistance between the City of Lansing and the United States of America, acting by and through the Secretary of Housing and Urban Development.

**Sec. 36-99.22. Provision of financial assistance to property owner for rehabilitation of residences.**

The governing body is aware that residents and property owners within the development area may need financial assistance to defray the costs of rehabilitating structures therein. A Residential Rehabilitation Loan Program will be available to residents and property owners to improve the condition of the housing stock of the development area by means of low interest loans, guaranteed loans and grants through the Housing and Redevelopment Department.

**Sec. 36-99.23. Governing body's knowledge of conditions imposed under act.**

The governing body is cognizant of the conditions that are imposed in the undertaking and carrying out of community development projects with federal financial assistance under Title I of the Housing and Community Development Act of 1974, including those prohibiting discrimination because of race, color, creed, or national origin.

**Sec. 36-99.24. Official action of governing body.**

Now therefore, be it further ordained by the city council of the City of Lansing:

- (a) That it is hereby found and determined that the development area is a blighted area and qualifies as an eligible development area under Act 344, Public Acts of 1945, as amended.

- (b) That the Neighborhood Development Area No. 1 plan (development plan) for the development area, having been duly reviewed and considered, is hereby approved, and the city clerk of the City of Lansing be and is hereby directed to file said copy of the N.D.A. No. 1 plan (development plan) with the minutes of this meeting.
- (c) That it is hereby found and determined that the objective of the development plan can be substantially achieved through rehabilitation of most residences in the development area, combined with the acquisition of 32 severely deteriorated structures and construction of public improvements.
- (d) That it is hereby found and determined that the N.D.A. No. 1 plan for the development area conforms to the general plan of the City of Lansing.
- (e) That it is hereby found and determined that the financial aid provided, and to be provided, pursuant to grant agreements of federal financial assistance from the Department of Housing and Urban Development pertaining to this housing rehabilitation project is necessary to enable the project to be undertaken in accordance with the development plan for the development area.
- (f) That the redevelopment and rehabilitation of N.D.A. No. 1 for predominantly residential uses is necessary for the proper development of the community as a whole.
- (g) That it is hereby found and determined that the development plan for the development area will afford the maximum opportunity, consistent with the sound needs of the locality as a whole, for the rehabilitation of the area by private property owners through the Residential Rehabilitation Loan Program administered by the City of Lansing.
- (h) That it is hereby found and determined that the development plan for the N.D.A. No. 1 gives due consideration to the provision of adequate park and recreational areas and facilities, as may be desirable for neighborhood improvement, with special consideration for the health, safety, and welfare of children residing in the general vicinity of the site covered by the area.
- (i) That it is hereby found and determined that the program for the proper relocation of individuals and families displaced in carrying out the development plan in decent, safe, and sanitary dwellings in conformity with acceptable standards is feasible and can be reasonably and timely effected to permit the proper prosecution and completion of the housing rehabilitation project; and that such dwellings

or dwelling units available or to be made available to such displaced individuals and families are at least equal in number to the number of displaced individuals and of the locality as a whole, for the removal of public utilities and facilities than the dwellings of the displaced individuals and families in the development area, are available at rents or prices within the financial means of the displaced individuals and families, and are reasonably accessible to their place of employment.

- (j) That, in order to implement and facilitate the effectuation of the development plan hereby approved, it is found and determined that certain official action must be taken by this body with reference, among other things, to the vacating and removal of streets, alleys, and other public ways, the establishment of new street patterns, the location and relocation of sewer and water mains and other public facilities, and other public action, and accordingly, this body hereby (1) pledges its corporation in helping to carry out the development plan; (2) requests the various officials, departments, boards and agencies of the locality having administrative responsibilities in the premises likewise to cooperate to such end and to exercise their respective functions and powers in a manner consistent with the development plan; and (3) stands ready to consider and take appropriate action upon proposals and measures designed to effectuate the development plan.
- (k) That additional financial assistance under the provision of Title I of the Housing and Community Development Act of 1974, as amended, is necessary to enable the land in the development area to be renewed and rehabilitated in accordance with the physical development plan for Neighborhood Development Area No. 1 and accordingly, the filing by the City of a future application or applications requesting such financial assistance under Title I of the Act is hereby approved.

Section 2. All ordinances or parts of ordinances inconsistent with the provisions hereof are hereby repealed.

Section 3. This ordinance is declared to be effective immediately upon its adoption.

#### REPORTS OF CITY OFFICERS AND BOARDS

June 24, 1976

Honorable Mayor and Members  
of the Lansing City Council

Re: Claim By Mrs. Donald Guthrie in the amount of \$57.00 for private ambulance service summoned by the City

Dear Mayor and Council:

On May 15, 1976 the claimant telephoned the Lansing Fire Department and reported she needed an ambulance as soon as possible in that she had taken her husband to the hospital that afternoon and that he was again very ill. The claimant has also indicated to the Fire Department and in her letter to the Council that her husband was very weak and that she could not move him.

Lansing charter, ch 7, §7.16(e) requires that the Fire Department must furnish lifesaving and emergency ambulance service to the inhabitants of the city.

Although the facts in this case would not support a finding of a life or death situation, the facts would warrant a finding of an emergency type situation. Therefore, it is the recommendation of this office that the claim be allowed in the amount of \$57.00 payable to Lansing Mercy Ambulance Service in behalf of the claimant.

I note that last week another claim of a similar nature was filed. I have previously advised you that I believe that it is in the best interests of the city to establish a flat rate fee for all ambulance runs. The individuals involved in most instances will be reimbursed by medical insurance. Where this is not possible, we should establish a policy for senior citizens and persons of certain economic levels to either pay at a reduced rate or not at all.

Respectfully submitted,

PETER HOUK,  
City Attorney.

By Councilman Blair—

That we concur in the recommendation of the City Attorney and the City Clerk shall make payment to the City Treasurer in the amount of \$57.00 payable to Lansing Mercy Ambulance Service.

Carried.

June 22, 1976

Honorable Mayor and Members

of the Lansing City Council

Dear Mayor and Council:

On September 24, 1975, Thomas H. Vandeboss filed a claim in the amount of \$971.94 with the City for damages allegedly incurred when his vehicle struck a man-hole cover on Grand Avenue on September 19, 1975. Upon my recommendation, the City Council denied the claim.

On October 23, 1975, the City received notice that Mr. Vandeboss had filed suit in District Court against the City in the amount of \$2,800.00 for his alleged damages.

A trial by jury was held June 15, 1976, at which date the jury returned a verdict in favor of the City.

Respectfully submitted,

PETER HOUK,  
City Attorney.

By Councilman Blair—

That we concur in the recommendation of the City Attorney and said claim be denied.

Carried.

June 21, 1976

To the Honorable Mayor  
and Members of the Council  
Gentlemen:

In accordance with your order of May 17, 1976, I am submitting herewith a special assessment Roll No. 257, based on estimated cost, for the purpose of constructing the 1976 Curb and Gutter in the following Streets:

On Woodbury Street from Larch Street to N East Street; on Beaugardin Dr. from E. Plat line Beaugardin Sub. No. 3 East approx. 150 ft. to Oakbrook Dr; on Oakbrook Dr. from Beaugardin Dr. south to existing curb and gutter; on Hughes Rd. (both sides) from Jolly Rd. south to Lot 155 Maple Grove Farms No. 3 except where curb and gutter exists; on Moffitt St. from Hughes Rd. west to Pdeasant Grove Road.

To Be Assessed	\$31,129.80
City Share	1,753.20
Total	\$32,883.80

Respectfully submitted,

PAUL S. CREEVY,  
City Assessor.

Received and placed on file.

June 23, 1976

Honorable Mayor and  
Members of the City Council  
Lansing, Michigan  
Gentlemen:

In accordance with a resolution of the City Council, passed May 19, 1975, it is my intention to proceed with the demolition of 110 S. Logan and 116 S. Logan (Moon House). Based on requests from the 'Save the Moon House Committee,' this action has been deferred by the City Council until July 1, 1976. As a matter of information, the demolition will take place approximately in mid August. Thirty (30) days are normally required for the bidding process and fifteen (15) days for the contractor to complete the work.

It appears that the efforts of the Citizen Group attempting to save the Moon House by relocating and restoring the structure have not materialized. I would recommend that an alternative course of action be considered by this group which involves (1) preparing detailed plans of the existing structure, (2) removing, prior to demolition, portions of the structure which have historical significance, and (3) that when funds and appropriate site are available, that this structure be re-built. This alternative will provide a means of retaining the historical significance of this structure, and will allow its reconstruction when funds are available.

Respectfully submitted,

JAMES W. KZESKI,  
Building Commissioner,  
City of Lansing.

Referred to Committee on Buildings and Properties.

Re: CETA Vacancy  
Ranger Guide II: Z139

Gentlemen:

At their meetings of May 19th and June 16th the Park Board discussed the impact of the resignation of Mr. William Tefft from the staff at Fenner Arboretum. Mr. Tefft was a Ranger Guide funded by CETA Title VI.

Their concern rises from the staff report on the reduction in program activity that his loss has made necessary. Though I had discussed the matter with members of the Manpower staff and informed the Board of the present personnel freeze, the consensus of the discussion was that I should inform the Mayor and Council of their concern and express their hope that a way could be found to fill this vacancy.

It is their feeling that these programs fill a unique need in the community and that all reasonable efforts be made to sustain them. I am asking Council to support the department request to the Manpower Committee for a waiver of the moratorium.

Sincerely,

THEODORE J. HASKELL,  
Director of Parks and  
Recreation.

Dear Mayor Graves, Mayor Pro-Tem  
McKane, and Members of City Council:

I hereby certify that the Contract between the City of Lansing and Community Design Center, Inc., (PN-120) effective from July 1, 1976 through June 30, 1977, has been properly submitted to you in conformance with Section 2A-11 of the Community Development Ordinance.

This Certification is contingent upon approval of this activity in the July 1, 1976 to June 30, 1977 City of Lansing Federal Community Development Application. At the time of such approval by the Department of Housing and Urban Development (HUD) Officials, this Contract will meet with the requirements set forth for certification pursuant to the above cited section.

This Contract is for \$105,131.00. It is recognized that an additional amount of approximately \$16,000.00 will be required to fulfill Contract needs.

This Office has an administrative policy that all residual funds from projects will be transferred to the budget line item "Reserved for contingencies," after the amount has been definitely determined, then reallocated according to need as determined by the City Council.

The Community Development Committee met and discussed the request for additional personnel for the Community Development Management Office and, specifically, the request as presented by Mr. Orrin Sharp in the Citizen Participation and Citizen Coordination areas. Two of the three members concur with the Internal Auditor's amended report to approve the C. D. Management request to increase staff as follows:

1. Fill the VIII position now open.
2. Create a VI-A position and fill as

soon as possible. This person to be assigned to work with John Whitworth in the above listed areas.

3. Create a Clerk Typist II position to expedite the in-house typing.
4. Fill any vacated CETA IB positions with clerk typists to give greater support.
5. When Gary Acker terminates in September, review this position and verify the need with an attempt to eliminate.
6. Request that the Internal Audit Department analyses the two referred specialist positions in the Human Resources Department with the director and jointly determine the need and abilities of these individuals, to determine as to where the most productivity is and where the greatest demand for services must be met.

June 24, 1976

Honorable Mayor and Members  
of the City Council

Gentlemen:

The attached petition of residents in the 600 Block of Vernon Street requests that parking be restricted to only one side of the street in that block. The purpose of this is to permit the safe flow of traffic both east and west on the street. At the present time, parking is permitted on both sides of the street and because many baseball and football games are scheduled at Everett Park, it is virtually impossible for residents to either get to their homes or to get out of their driveways. With the present unlimited parking, it would be impossible also for a fire truck or other emergency vehicle to be able to pass through the street.

I am requesting the Council to invoke its emergency parking power by ordering "No Parking" signs on one side of the 600 Block of this street for a 90-day period. During this 90-day period, I am requesting the Traffic Board to consider placing this parking restriction on a permanent basis. However, due to the fact that this problem is ongoing now and needs to be solved now for both safety and health reasons, I feel it is proper that we invoke this emergency measure until such time as the Traffic Board can act.

Trusting this meets with your approval,  
I remain

Respectfully yours,

RICKARD J. BAKER,  
Councilman-at-Large.

By Councilman Baker—

That the Traffic Director immediately place signs on one side of Vernon St. and that this be referred to the Traffic Board for report back in 90-days.

June 25, 1976

Honorable Mayor Pro-Tem and Members  
of the Lansing City Council

Tenth Floor, City Hall

Lansing, Michigan

Dear Mayor Pro-Tem and Council Members:

As you are probably aware, Lansing will become the world headquarters for Jackson National Life Insurance Company as of approximately mid-September of this year. Although discussions and considerations have taken place for many weeks concerning the move by Jackson National Life

from Jackson to the City of Lansing, it was only this past week that A. J. Pasant, Chairman of the Board and President of Jackson National Life, advised that the decision was final.

Chairman Pasant advised me this past week that he has set mid-September for the move to take place. The offices will be located on Executive Drive in the Southeast part of the City. In preparation for this, more than 40 employees of Jackson National Life, with the fullest cooperation of Raymond Steeb, Executive Director of the Lansing Metropolitan Development Authority, were provided a bus tour of parts of the City and a slide presentation to better acquaint them with what would be their new home.

Jackson National Life was established in 1961 and has more than \$22,000,000 in assets and more than one-half billion dollars of insurance in force. It has major offices in 14 states, and is expected to receive approval within the next year to operate in at least 20 more. Jackson National Life also has major offices in Latin America and South America, with a major thrust in Brazil, Argentina, Uruguay and Paraguay.

Jackson National Life is rated in the top 25 percent of Insurance Companies in the world. 1975 year of business saw a 36 percent increase over that of 1974. Net profits totaled more than three quarters of a million dollars, or 75 cents per share, which equates to a 62 percent increase over 1974.

Final papers for the purchase of the new company headquarters was scheduled to take place Thursday morning.

Our selling points centered around several important facts regarding the City of Lansing, which included:

- The Greater Lansing area is now a three billion dollar effective buying income market, up two billion dollars from 1969.
- The median households estimated buying income in Lansing now exceeds \$14,801.
- Lansing and the immediate area surrounding it, rank 18th in affluency out of several hundred metro-markets in the Nation, but the area ranks only 83rd in population.
- Crime has decreased 18 percent in Lansing for the years 1972 through 1975, while the rest of the Nation saw major increases.
- Good educational facilities, including a highly rated Community College with a student body of 17,000 and the Michigan State University with a student body in excess of 40,000.
- A modern and expanding airport with connections in all parts of the United States.
- A Triple A Credit rating, one of 38, in the United States and a Triple A

rated utility, the only such municipally owned utility in the Nation.

—A City tax rate of just over \$13.00 per one thousand dollars of assessed valuation, relatively low in the State of Michigan.

It is my intent to do everything possible to assist Jackson National Life in its move to the City of Lansing. The move will be of great benefit to the City. We owe a debt of gratitude to Chairman Pasant, to the Board of Directors of Jackson National Life, and to Mr. Steeb for his untiring efforts and his dedication in the City's behalf.

Sincerely,

GERALD W. GRAVES,  
Mayor.

Received and placed on file.

June 28, 1976

Hon. Mayor Pro-Tem and Members  
of the Lansing City Council  
City Hall

Lansing, Michigan 48933

Dear Mayor Pro-Tem and Council Members:

On March 26, 1970, I advised you that the intricate system of railroad tracks, once completely necessary to serve the industrial, and business and passenger needs of the City of Lansing, is now creating bottlenecks which are resulting in numerous and costly traffic tie-ups causing business and industry to lose substantial dollars annually and great delays to passenger vehicles. Complaints regarding these problems are still being received by my office. The citizenry does realize the value of railroads, but they feel "there must be a better way." The citizenry is asking for less congestion to permit free flow of ambulances, police vehicles, general passenger cars and delivery trucks—something which is not now happening.

To this end, since no action has been forthcoming from the City Council in response to my original request of more than six years ago, and in accordance with my letter of June 7, 1976, I am herein advising you of my decision to establish a Mayor's Railroad Transportation Study Committee. These individuals have volunteered to make an in-depth study of the matter and to prepare a report for action similar to the one that was developed by the Mayor's Metropolitan Bus Transportation Study Committee, which led to the authority approach we are now using with the Capital Area Transportation Authority (CATA).

I am sure that we are all aware that adequate railroad service is a necessity. It is recognized that transit problems are considered to be the result of progress and prosperity. However, railroads, like other

transportation systems, must meet the changing times. This has not happened.

For informational reasons, I am advising that the following will be serving on the Mayor's Railroad Transportation Study Committee:

#### Edgerton W. Bailey

Mr. Bailey was graduated from the Detour High School in Detour Village, Michigan. He attended Michigan State University where he obtained his B.A. and M.S. degrees. Mr. Bailey has been with the Michigan Department of State Highways and Transportation for 18 years and for the past year, he has served in the capacity of Assistant Administrator. He served in the United States Air Force for 4 years as a Research Technician and was honorably discharged with the rank of Staff Sergeant. Mr. Bailey is married, a father of three children and resides at 1529 Linden, East Lansing, Michigan.

#### William Barwis

Mr. Barwis was graduated from Abington High School in Abington, Pennsylvania. He attended Pennsylvania State University receiving a B.S. degree and Northwestern University receiving a M.B.A. degree. Hon. Mayor Pro-Tem and Members  
of the Lansing City Council  
City Hall  
Lansing, Michigan 48933

Dear Mayor Pro-Tem and Council Members :

As of recent, my office received a copy of Opinion No. 5047 from Frank J. Kelley, Attorney General for the State of Michigan, regarding the incompatibility of the service by councilman, mayor, county commissioner and elected county officials as active members of a local economic development corporation. In his Opinion, Attorney General Kelley advises that even though the State law permits the aforementioned service by the aforementioned individuals, he is of the opinion that such service could result in incompatibility of public office.

The aforementioned Opinion actually was requested by State Representative Thomas H. Brown in regard to service of certain elected officials in Wayne County. Because the opinion of Attorney General Kelley has not been tested in Court, because of my strong belief in the need for economic development, and because I do not in any way desire to jeopardize the action of the Economic Development Corporation, I herewith tender my resignation from that body.

Regarding the Downtown Development Authority, to which I serve as a member, I am a firm believer too, in the need of that organization. Rather than take a chance on jeopardizing the activities of the DDA, I tender my resignation.

Sincerely,

GERALD W. GRAVES,  
Mayor.

Referred to Committee of the Whole.

Honorable Mayor Pro-Tem and Members  
of the Lansing City Council  
City Hall  
Lansing, Michigan

Dear Mr. Mayor Pro-Tem and  
Council Members:

Please be advised that Ms. Audrey J. Gunn, one of Lansing's three representatives to the Grand River Watershed Council, has found it necessary to resign due to the fact that she is moving out of the State. Therefore, I am submitting to you, for your consideration and confirmation, the name of R. C. Sweeney to fill the vacancy on said Council, for an indefinite period of time.

Mr. Sweeney is a graduate Engineer, Michigan State University, retired after 30 years as Regional Sanitary Engineer with the New York State Health Department. Prior to this, he was employed as a Sanitary Engineer with the Ohio State Health Department and the cities of Toledo and Springfield, Ohio.

Mr. Sweeney is a Licensed Professional Engineer in the states of New York and Ohio. He is a member of the American Academy of Environmental Engineers, American Society of Civil Engineers, American Public Health Association, the New York Water Pollution Control Association and the Waterfront Development Board of the City of Lansing. He is also a retired Colonel of the U.S. Army Reserve.

Mr. Sweeney resides at 316 N. Butler Blvd.

Trusting this recommendation meets your approval, I remain

Sincerely,

GERALD W. GRAVES,  
Mayor.

Referred to Committee on Parks and Recreation.

Honorable Mayor Pro-Tem and Members  
of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem and Council Members:

Robert L. Isenga, a member of the Board of Appeals (Zoning Ordinance) has moved to the second ward of the City of Lansing, making him ineligible to continue to serve as a representative of the fourth ward.

Therefore, I am recommending to you for confirmation the appointment of Bruce Kozlowski for the term ending June 30, 1980.

Bruce Kozlowski was graduated from the University of Wisconsin with a Bachelor of Science degree in Psychology. He also did graduate work at that same institution as well as completing various budgetary courses at the University of Michigan. Mr. Kozlowski has been employed by the State

of Michigan for the past four years and is presently the Fiscal Staff Officer, Bureau of Medical Assistance, Michigan Department of Social Services.

He is a veteran, having served in the U. S. Army, a member of the Civil Air Patrol, Red Cross Emergency Services, the Elks Club, President of the PTO of Verlinden School and participates in various community activities.

Mr. Kozlowski and his wife, Sandy, reside with their three children at 1527 W. Ionia Street.

Trusting this recommendation meets your approval, I remain

Sincerely,

GERALD W. GRAVES,  
Mayor.

Referred to Committee on Planning.

**THE PUBLIC MAY NOW ADDRESS THE CITY COUNCIL ON ANY OF THE FOLLOWING RESOLUTIONS. YOU MAY SPEAK ONLY FOR 3-MINUTES ON ANY ONE RESOLUTION. (1 through 21) with No. 4 being pulled—inasmuch as No. 4 and No. 7 are one and the same.**

No person spoke.

Councilman Baker requested that resolution No. 20 be removed from the agenda for one week.

## RESOLUTIONS

By Committee on Public Service and  
Highways—

Resolved by the City Council of the City  
of Lansing:

That the low bid of Ayala & Noyce Concrete for the 1976 Curb and Gutter Contract, PS 75089, in the amount of \$27,402.50 be accepted.

An additional 15% in the amount of \$4,110.37 is hereby authorized to be encumbered by the Controller for contingencies, making the total encumbered amount under this Contract, \$31,512.87.

After the award, the successful bidder shall be required to execute the contract as specified within ten days after the prescribed forms are presented to him for signature as stipulated in Instruction to Bidders of the Contract.

Be It Further Resolved That the Mayor and City Clerk be directed to execute a contract with the said Ayala & Noyce Concrete on behalf of the City of Lansing according to the said bid presented and the specifications on file, upon approval of the contract, and of the bonds and insurance policies by the City Attorney, and upon certification of the City Controller as to the availability of funds.

Adopted by the following vote:

Unanimously.

By Committee on Public Service and  
Highways—

Resolved by the City Council of the City  
of Lansing:

That the request of Sir Pizza of Michigan Inc., to have a sewer stub installed to the property line to serve their property at 5101 S. Waverly Road (on the W. Jolly Road side), be granted.

And Further, that this sewer stub be ordered constructed as part of the S. Pennsylvania Avenue and Other Sanitary Sewers Contract, PS 67034, and that the cost of the stub be assessed against the benefited property under Assessment Roll No. 254. The entire cost of this stub will be paid by the benefited property owner and there will be no City funds involved.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and  
Properties—

Resolved by the City Council of the City  
of Lansing:

Whereas, Act 223, P.A. 1090 as last

amended by Act 196, P.A. 1970, provides for the conveyance of State-owned tax-reverted lands to municipal units for public purposes, and

Whereas, the following described properties is under the jurisdiction of the State of Michigan, Department of Natural Resources and is available for acquisition under the provisions of the above mentioned Acts,

3301-09-257-211—S 30 ft. of E 79.86 ft.  
Lot 2, Assessor's Plat No. 31 of Block  
6 Orig. Plat.

3301-09-257-221—S 135 ft. of N 234 ft.  
Lot 2, Assessor's Plat No. 31 of Block  
6 Orig. Plat.

and

Whereas, City of Lansing desires to acquire said lands for purposes of public use and street right-of-ways,

Now Therefore Be It Resolved that the City of Lansing is authorized to make application to the State of Michigan, Department of Natural Resources, Land Division, for conveyance of said land to The City of Lansing for a nominal fee, plus the State's maintenance cost, and

Further Be It Resolved that The City of Lansing shall set up necessary procedures and controls to provide for the proper distribution of funds arising from the subsequent sale of the acquired property in conformity with the above mentioned Acts.

Adopted by the following vote:

Unanimously.

By Councilman Blair—

Resolved by the City Council of the City  
of Lansing:

Whereas, the City of Lansing is an active participant and member of the Tri-County Regional Planning Commission; and,

Whereas, being an active participant and member in the TCRPC, any time the by-laws are amended or changed, the Lansing City Council has the right of concurrence with such changes; and,

Whereas, the Commission has been mandated by some Federal Agencies to be more representative of governmental entities within TCRPC jurisdiction; and,

Whereas, the attached by-laws have been amended to reflect this suggested changes;

Now, Therefore, Be It Resolved that the Lansing City Council concurs with these changes.

Adopted by the following vote:

Unanimously.

By Committee on Parks and Recreation—

Resolved by the City Council of the City of Lansing:

Whereas, the Program Coordinator has received notification that certain funds may be available to the City of Lansing through the Land and Water Conservation Act of 1965; and,

Whereas, these funds may be used to develop such items as picnic areas, benches, boat facilities, fishing and hunting facilities, water sport areas, playground, ballfield, tennis courts and so forth; and,

Whereas, the projects outlined in this grant application are in conformance with Lansing's Riverfront Development Plan; and,

Whereas, the total cost of this project will be \$53,700 which is broken down as follows:

Pine Plantings	\$ 3,000
River Bank Clean Up	8,000
Pedestrian/Bike Path	8,000
Landscaping	1,000
Shrubbery Plantings	2,800
Canoe Livery and Dock	20,000
Parking Area	7,000
Engineering and Architectural Fees	3,900
<b>TOTAL</b>	<b>\$53,700</b>

Whereas, this grant application is based on a 50-50 match; and

Whereas, the city's portion of this grant is \$26,850 which will be provided through donated funds, materials and/or labor;

Now Therefore, Be It Resolved that the Program Coordinator is authorized to submit this Preapplication for Land and Water Conservation funds; and,

Be It Further Resolved that the Mayor and City Clerk are authorized and directed to execute all subsequent contractual documents in regard to this grant; and;

Be It Finally Resolved that the Program Coordinator is authorized to submit such documents to the Michigan Department of Natural Resources after approval as to form by the City Attorney and certification as to the availability of funds by the Finance Director.

Adopted by the following vote:

Unanimously.

By Committee on Parks and Recreation—

Resolved by the City Council of the City of Lansing:

Whereas, the Program Coordinator has

received notification that certain funds may be available to the City of Lansing through the Land and Water Conservation Act of 1965; and,

Whereas, these funds may be used to develop such items as picnic areas, benches, boat facilities, fishing and hunting facilities, water sport areas, playground, ballfield, tennis courts and so forth; and,

Whereas, the use of these funds is compatible with the development projects planned for the Riverfront Park; and,

Whereas, the city's master plan for development of the Riverfront Park calls for the construction of tennis courts in the northwest corner of the park; and

Whereas, the total cost of this project will be \$150,000 which is broken down as follows:

Site Work	\$ 41,300
Tennis Courts	60,000
Bleachers	25,000
Landscaping	10,000
Engineering and Architectural Fees	13,700
<b>TOTAL</b>	<b>\$150,000</b>

and;

Whereas, this grant application is based on a 50-50 match; and,

Whereas, the city's portion of this grant or \$75,000 is available through Community Development and Urban Renewal Funds; and,

Whereas, these tennis courts will be public courts with any reservation for the use of these courts to be established by policy as developed by the Parks and Recreation Board; and,

Whereas, the construction of these tennis courts will not interfere with any subsequent construction of retention basins as adequate alternative sites are available within the park;

Now, Therefore, Be It Resolved that the policy of the City Council is that said courts be for the exclusive use of the general public and not to be reserved for the use of any group except the Parks Board may sponsor tournaments or activities at these courts; and,

Be It Further Resolved that the Program Coordinator is authorized to submit this Pre-application for Land and Water Conservation funds; and,

Be It Further Resolved that the Mayor and City Clerk are authorized and directed to execute all subsequent contractual documents in regard to this grant; and,

Be It Finally Resolved that the Program

Coordinator is authorized to submit such documents to the Michigan Department of Natural Resources after approval as to form by the City Attorney and certification as the availability of funds by the Finance Director.

Adopted by the following vote:

Unanimously.

By Committee on Public Safety—

Resolved by the City Council of the City of Lansing:

Whereas, the Program Coordinator's Office has been informed that there is intergovernmental Personnel Act—Department of Civil Service monies available for personnel training programs; and,

Whereas, there has been a sizeable increase in emergency medical service calls over the past three years; and,

Whereas, the demand for emergency medical service calls shall continue to increase; and,

Whereas, the Lansing Fire Department is bound by city charter to provide emergency medical service to the residents of the City of Lansing; and,

Whereas, the training goal of the Lansing Fire Department is to train all personnel in emergency medical service techniques; and,

Whereas, the total amount of the grant will be \$20,254.68; of which \$10,127.34 will be the federal share and \$10,127.34 will be the non-federal share; of the non-federal share \$3,049.42 will be hard match, Lansing's share of the hard match will be \$2,443.42 with neighboring jurisdiction's share providing \$606; and,

Whereas, the Lansing Fire Department has \$2,500 budgeted for testing in their FY77 budget which can be transferred to the fire department training account; and,

Now, Therefore, Be It Resolved that the Lansing City Council approves the submission of a grant to IPA for the training of a total of seventy additional Emergency Medical Technicians; sixty from Lansing, ten from neighboring jurisdictions; and,

Be It Further Resolved that the Mayor and City Clerk be directed to sign the application for this grant and the subsequent contract upon approval by the City Attorney as to form; and,

Be It Further Resolved that the Finance Director is authorized to transfer \$2,500 from the Fire Department's FY77 testing account to a training account; and,

Be It Finally Resolved that the Program Coordinator is authorized to submit this application and subsequent contract to the Department of Civil Service—Bureau of Intergovernmental Personnel Programs.

Councilman Blair asked that this be postponed for one week so that he could study package.

No second to motion.

The resolution was adopted by the following vote:

Yeas: Councilmen Adado, Baker, Brenke, Gunther, Hull, McKane—6.

Nays: Councilman Blair—1.

By Committee on Parks and Recreation—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing has acquired the Dodge property and mansion for public use; and,

Whereas, the Dodge Mansion has been placed on the National Register of Historic Places; and,

Whereas, the Program Coordinator's Office has been notified by the Michigan History Division, Department of State that the City of Lansing will be the recipient of an historic preservation grant in the amount of \$5,000 for this public facility providing the proper application is submitted to the Michigan State History Division of the Department of State; and,

Whereas, this grant will not perpetrate any onerous deed restrictions on the mansion or surrounding property, but acceptance of these funds does require that the Dodge Mansion, being an historic landmark, be maintained and preserved as a landmark for 20 years; and,

Whereas, to continue restoration and rehabilitation that has already commenced, certain repairs to meet code requirements are necessary. The repairs and restoration to be covered by this grant are: wiring \$2,500; plumbing \$1,000; research \$500; restoration of parlor \$3,000 and restoration of foyer-entry \$3,000 for a total of \$10,000; of the \$10,000, \$5,000 will be the federal share, \$5,000 will be the city's share. The City of Lansing's share will be provided from monies budgeted in the FY76-77 Parks and Recreation Department Account No. 101-936-537-976;

Now, Therefore, Be It Resolved that the Program Coordinator is authorized to submit this application and the subsequent contract to the Michigan History Division, Department of State; and,

Be It Finally Resolved that the Mayor and City Clerk be directed to sign the subsequent contract upon approval by the City Attorney as to form.

Adopted by the following vote:

Yeas: Councilmen Adado, Baker, Gunther, Hull, McKane—5.

Nays: Councilmen Blair, Brenke—2.

By Committee on Community Development—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing has been informed by the Department of Housing and Urban Development that the City's Community Development Block Grant Application for the Second Program Year has been approved in the amount of \$7,210,821; and

Whereas, the Department of Housing and Urban Development has submitted Form 7082 with the Standard Grant Agreement to be signed by the City's authorized official; now, therefore be it

Resolved that the Mayor is hereby directed to sign said Contract on behalf of the City of Lansing, after approval as to form by the City Attorney.

Adopted by the following vote:

Yeas: Councilmen Adado, Baker, Brenke, Gunther, Hull, McKane—6.

Nay: Councilman Blair—1.

By Committee on Community Development—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing is involved in preparing and implementing Physical Development and Human Services Plans for specified Census Tracts in the City and allocating Community Development Block Grant funds to support the adopted plans through selected projects

Whereas, after completion and during implementation of the plans, funds may be identified as unexpended, or unnecessary to complete a project

Whereas, the Lansing City Council desires to clarify its policy concerning the use of such funds, Therefore Be It

Resolved that all funds so identified will be returned to the Community Development budget line item "Reserve for Contingencies" for further allocation where needed as determined by the City Council. City Council will consider recommendations from the Citizens' Coordinating Council concerning reallocation of such funds.

Adopted by the following vote:

Unanimously.

By Councilman Gunther—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing and the Board of Water and Light and the Lansing

School District have entered into an agreement to provide for the planning and delivery of manpower services pursuant to the Comprehensive Employment and Training Act of 1973, Title II; and

Whereas, the City has received funding for Public Service Employment, which is to be used to help the Public Service needs of the community; and

Whereas, this action is in conformity with the U.S. Department of Labor directives; and

Whereas, the City of Lansing has agreed to allocate funding not to exceed:

Contract No. 878.1, Board of Water and Light, \$22,565.00 (3 positions)

Whereas, the above listed contracts are to be in full force and effect from July 1, 1976 through January 31, 1977; and

Whereas, the City Attorney has approved these contracts as to form;

Now Therefore Be It Resolved, that the City Council approve said contracts and authorize the Mayor and other City officials to sign said contracts.

By Councilman Gunther—

That this be amended as follows: under Contract No. 878.2, Lansing School District, the amount be changed to \$50,285.00 (9 positions).

Adopted by the following vote:

Unanimously.

This substitute resolution was presented by Councilmen Baker, Hull and McKane—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing and specified agencies listed below have entered into an agreement to provide for the planning and delivery of manpower services pursuant to the Comprehensive Employment and Training Act of 1973, Title II; and,

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

Whereas, on November 19, 1963, Elizabeth E. Webster, Trustee, conveyed to the City of Lansing, a single lot described as: Outlot B of the Plat of Frandora Hills No. 1 of the City of Lansing, Ingham County, Michigan, and stated within that deed as follows:

"To be used for street purposes only. Outlot B is to revert to said party of the first part, or her successor, should party of the second part sell, lease, or put to any other use than for the purpose of a street to serve property to the north,"

and

Whereas, the City of Lansing has never used Outlot B for street purposes; and

Whereas, on April 13, 1976, Frandorson Properties, a Michigan limited Partnership, filed a letter request with the City of Lansing, asking the City to convey the aforementioned Outlot B to Frandorson Properties, said Frandorson Properties being the successor of the aforementioned Elizabeth E. Webster, Trustee; and

Whereas, this letter request received from Frandorson Properties was referred by the Lansing City Council to the Planning Board, the Traffic Board, the Public Service Board, the Parks Board, the Board of Water and Light, and the City Attorney all of which Boards and the City Attorney have reviewed the matter and returned reports to the City Council; and

Whereas, the property involved is not being used nor does it have any prospect of being used for public purposes; and

Whereas, the assessed valuation of the property involved is less than Five Thousand (\$5,000) Dollars, or is so appraised by the Assessor, thereby making it unnecessary to seek the approval of the Electors under Lansing Charter, Chapter 14, Section 14.3(d); now, therefore, be it

Resolved, by the City Council of the City of Lansing, that pursuant to Lansing Charter ch 14, §14.3(d) the attached resolution deeding the property to Frandorson Properties be placed and remain on file in the Clerk's office for public inspection for thirty days beginning June 29, 1976 and that the Clerk place the attached resolution on the agenda for the Council meeting August 2, 1976.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing and the United States of America have entered into an Agreement providing the City of Lansing with a grant to plan and implement a Community Development Program; and

Whereas, the City of Lansing through the Housing and Redevelopment Department desires to engage the Community Design Center to perform various services and activities, and accomplish certain objectives, in connection with said Community Development Program; and

Whereas, a proposed Contract has been developed by and between the City of Lansing, through the Housing and Redevelopment Department, and Community Design Center to provide architectural and design services; (PN-120).

Whereas, said proposed Contract (effective from July 1, 1976 through June 30,

1977) for a total compensation not to exceed One Hundred Five Thousand One Hundred Thirty-one and 00/100 (\$105,131.00) Dollars is hereby approved by the City Council of the City of Lansing; and

Therefore, Be It Resolved that the Mayor and the City Clerk are hereby authorized to sign said proposed Contract on behalf of the City of Lansing, after approval as to form by the City Attorney and after certification as to the availability of funds by the Director of Finance.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing, through the City Demonstration Agency, contracted with Building in Lansing Development Corporation from 1970-1975; and

Whereas, certain tools were purchased for a tool bank during this period (see Attachment 1) with City Demonstration funds pursuant to Title I of the Demonstration Cities and Metropolitan Development Act of 1966; and

Whereas, Building in Lansing Development Corporation Board of Directors has recently determined that the best way to make use of the tool bank is to return the tools to the City for use under the City of Lansing's Community Development program; and

Whereas, it is the recommendation of the City Council's Community Development Committee that the tool bank be transferred to the Community Design Center for loan to residents of the Community Development census tracts; and

Whereas, the City of Lansing, through its Housing and Redevelopment Department, under the City of Lansing's Community Development program, is currently contracting with the Community Design Center; now, therefore, be it

Resolved, that the Lansing City Council agrees to officially transfer from Building in Lansing Development Corporation all such items listed in the tool bank (see Attachment 1) to the Community Design Center, and shall be subject to the terms and conditions of current and all future Contracts between the City of Lansing and the Community Design Center; and be it

Further Resolved, that said tools be used to assist Community Development area residents in various household repairs and maintenance; and be it still

Further Resolved, that a mechanism be developed by the Community Design Center to loan out these tools for a security deposit to Community Development area residents.

Councilman Blair wanted it noted that in his opinion this is the first positive thing BILD has done since being established.

Adopted by the following vote:

Unanimously.

By Community Development Committee—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing, through the Human Resources Department and the County of Ingham entered into a Contract effective from July 1, 1975 through June 30, 1976 for Two Hundred Thousand and 00/100 (\$200,000.00) Dollars to provide a Health Services Program (PN-217); and

Whereas, the City of Lansing, through the Human Resources Department and the County of Ingham on March 1, 1975, amended said Contract; and

Whereas, the City of Lansing, through the Human Resources Department and the County of Ingham, mutually agree to further amend said Contract for the period of July 1, 1975 through June 30, 1976 by revising Part I, Section 2, Scope of Services; and

Whereas, the maximum compensation to be paid shall remain at two hundred thousand (\$200,000.00) Dollars; now therefore, be it

Resolved, that the Mayor and City Clerk are hereby directed to sign proposed Contract Amendment on behalf of the City of Lansing, after approval as to form by the City Attorney.

Adopted by the following vote:

By Community Development Committee—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing and the United States of America have entered into an Agreement to plan and implement a Community Development Program; and

Whereas, the Lansing Community Development Plan provided for recreation services through the Northside Athletic and Recreation Club; and

Whereas, the City of Lansing, through the Human Resources Department, entered into a Contract (PN-121) with the Northside Athletic and Recreation Club, effective from August 1, 1975 through June 30, 1976 in the amount of Thirty-Three Thousand, Eight Hundred Sixty-Nine and 00/100 (\$33,869.00) Dollars; and

Whereas, the City of Lansing, through the Human Resources Department, and the

Northside Athletic and Recreation Club, on March 4, 1976, amended the line budget of said Contract, effective August 1, 1975; and

Whereas, the City of Lansing, through the Human Resources Department, and the Northside Athletic and Recreation Club, mutually agree to further amend said Contract for the period between August 1, 1975 through June 30, 1976 by revising Part I, Section 1. Objectives, as follows:

#### FROM

"1. Objective. The project objective is to provide educational, cultural, recreational, and athletic activities for two thousand (2,000) City of Lansing youth (primarily in the six (6) through nineteen (19) year old age group), during the period from August 1, 1975 through June 30, 1976."

By Community Development Committee—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing, through the Human Resources Department and New Way In, Incorporated entered into a Contract effective from July 1, 1975 through June 30, 1976 to provide a "Young Offender Treatment Residence Program" and, to be funded in the amount of Ten Thousand, Three Hundred Twenty-Seven and 00/100 (\$10,327.00) Dollars from C.D.A. residual funds; and

Whereas, said Contract was amended on September 4, 1975 to reduce the compensation to Nine Thousand Nine Hundred Eighty-Four and 00/100 (\$9,984.00) Dollars, and again amended on June 7, 1976 to further reduce the compensation to Eight Thousand, Five Hundred Fifty-Nine and 00/100 (\$8,559.00) Dollars; and

Whereas, the "Young Offender Treatment Residence" did not begin full operation until January 5, 1976 as a result of difficulty finding a suitable location and problems obtaining a special use permit; and

Whereas, because of these unanticipated difficulties, the goals and objectives of the "Young Offender Treatment Residence" program must now be amended to reflect this slow inception; now, therefore, be it

Resolved, that the Mayor and the City Clerk are hereby directed to sign said proposed Contract Amendment on behalf of the City of Lansing, after approval as to form by the City Attorney.

Adopted by the following vote:

By Committee on Finance—

Resolved by the City Council of the City of Lansing:

That, the Director of Finance is hereby authorized and directed to invest in U.S. Treasury Bills, U.S. Government Agencies, Certificates of Deposit, Bankers Acceptances and Commercial Paper, whichever security provides the highest rate of return, with surplus City funds for the fiscal year ending June 30, 1977.

That, the Director of Finance is further authorized to sell any of these securities at any time to meet current obligations of the City.

By Committee of the Whole—

That the following resolution be submitted as a substitute.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the Board of Governors of the Federal Reserve System have announced the adoption of a new regulation to implement the Home Mortgage Disclosure Act of 1975; and,

Whereas, all lending institutions subject to the Act are required to publicly disclose, by census tracts, where their mortgage loans are made; and;

Whereas, the objectives of all private financial institutions and Lansing City Government are inextricably intertwined because of their common aim for a better community; and,

Whereas, the City of Lansing believes that the lending policies of local financial institutions has a direct connection to the systematic growth and development of the City and these policies can be effectively implemented with public and private cooperation; and,

Whereas, the City of Lansing intends to consider the information which will be contained in all Mortgage Loan Disclosure Statements as one aspect in determining the selection of depositories for its funds; and,

Whereas, the baseline for review will be established by the first disclosure statement by local lending institutions which will be released on or about September 30, 1976 and a review of this statement will be the first opportunity provided the City to analyze local lending institution's mortgage policies in relation to census tracts within the City;

Now, Therefore, Be It Resolved that the Director of Finance is hereby authorized and directed to:

- (1) invest in U. S. Treasury Bills, U. S. Government Agencies, Certificates of Deposit, Bankers Acceptances and Commercial Paper, whichever security provides the highest rate of return, with surplus City funds for the fiscal year ending June 30, 1977; and,
- (2) sell any of these securities at any time to meet current obligations of the City;

And Be It Further Resolved that the Director of Finance is directed to analyze for Council the Annual Mortgage Loan Disclosure Statement issued by each local financial institution with which the city conducts business; and

Be It Finally Resolved that the Finance Director is directed to communicate to all the local financial institutions the depository and investment policies as outlined by this resolution.

Miss Theo Fulton

City Clerk

Ninth Floor, City Hall

Lansing, Michigan

Dear Miss Fulton:

Attached is a copy of my Veto Message as it relates to the approval of the contract between the City of Lansing and the Lansing Model Cities Federal Credit Union, as approved by the City Council on Monday, June 28, 1976. It is submitted to you in accordance with Section 6.8, Chapter 6 of the City Charter.

Sincerely,

GERALD W. GRAVES,  
Mayor.

Referred to Committee of the Whole.

June 30, 1976

Honorable Mayor Pro-Tem and Members  
of the Lansing City Council  
Tenth Floor—City Hall  
Lansing, Michigan

Dear Mayor Pro-Tem and Council Members:

On May 21, 1976, I forwarded to you a communication recommending that no further Community Development funds be allocated to the Lansing Model Cities Federal Credit Union (LMCFCU). As I previously pointed out, the LMCFCU has not been self-sufficient and has only been able to remain in operation because of the thousands upon thousands of Federal dollars pumped into it by Model Cities. Share holder enrollment has actually decreased, the organization has not met its scope of services as evidenced by the attached evaluation by the Office of Community Development and Al Chapman, President of the Board of Directors, has recommended the operation be maintained on a voluntary basis only.

To further illustrate the ineffectiveness of this 518 member organization, the following breakdown of current investments and shares for fiscal year 1976-77, for a minimal existence is presented:

	At 5/31/76	% Return Maximum	Est. Max. Income	% of Investment
Loans outstanding .....	\$134,530	12.0%	\$16,144	92%
Other investments .....	26,317	5.5%	1,447	8%
Estimated Annual Income .....			\$17,591	
Less Member dividends shares .....	79,643	5.5%	(\$ 4,380)	
Net Interest Income .....			\$13,211	

The aforementioned analysis of the LMCFCU operationally applied to the funding request from this agency for the 1976-77 fiscal year could only result in the following:

Council approved allocation: (6/28/76) .....	\$37,212
Less Net Interest Income Earned .....	13,211
Anticipated Loss From Operations .....	(\$24,001)

Working backwards from the minimum income approach necessary to operate LMCFCU on a full-time basis, and further proportioning the known rates of return, the following investments and share statistics would have to be met when applied to this organization's original request of projected expenses of \$37,855 for the contract period of July 1, 1976, to June 30, 1977:

	Estimated Capital	% Return Maximum	Est. Max. Income	% of Investment
Loans Outstanding .....	\$513,666	12.0%	\$61,640	92%
Other investments .....	97,454	5.5%	5,360	8%
Estimated Annual Income .....			\$67,000	
Less: Member dividends current shares .....	79,643			
Plus: New shares to reach capital necessary for loans .....	450,273	5.5%	( 29,145)	
Needed to sustain projected expenses .....			\$37,855	

It must be understood that the above limits would be true only in an ideal situation. Secondly, this picture could only sustain the LMCFCU and provide for no growth or contingency for losses. Further, just to stay alive in terms of meeting projected expenditures,

member shares would have to increase from the listed \$79,643 to \$529,916 or an increase of 665%!!! Additionally, if the average investment for the present 518 members were projected over the total shares needed, 3,463 members would have to be obtained. This would mean an increase of 2,945 over and above current membership enrollment!!!

It should be obvious to everyone concerned that any attempt to rescue this floundering agency by another infusion of capital to cover losses accrued is pure folly. This has been tried over the past five years to the tune of approximately \$300,000 to a point where the President of the Board of Directors, in letter form, on May 18, 1976, recommended that "Before all Credit Union resources are depleted, the Board would consider merger with another credit union and lose the Community Development Identity." In short, the Lansing Model Cities Federal Union has been a loser, and at the taxpayer's expense.

It is with the foregoing in mind, and out of respect for the best interest of the taxpaying public, that I therefore, evoke Section 6.8 of Chapter 6 of the City Charter, that grants veto power to the Mayor over matters adopted by the City Council. In accordance with this provision, I place my veto over the contract in question.

In addition to this veto action, I am recommending that the requested Community Development funding of \$22,178 be returned to the Community Development contingency fund for re-programming into either the target area's Loans and Grants Program or utilized for physical neighborhood improvements.

Sincerely,

GERALD W. GRAVES,  
Mayor.

#### REPORTS OF CITY OFFICERS AND BOARDS

July 1, 1976

Honorable Mayor and Members  
of the Lansing City Council

Re: *Platsis et al v City of Lansing*;  
Docket No. 75-17874-CZ

Dear Mayor and Council:

Plaintiffs instituted the above action against the City of Lansing on July 30, 1975 seeking to recover allegedly excessive and illegal real and personal property taxes and to enjoin the City from collecting such taxes. Plaintiffs brought the suit in the form of a class action and requested in excess of \$2,600,000 in damages.

The gravamen of plaintiffs complaint centered upon the allegation that the City had failed to properly repeal an ordinance imposing a property tax ceiling and that thereafter the City collected property taxes in excess of that limitation.

As I reported to you on December 2, 1975 this office moved to dismiss the suit on the grounds, among others, that named plaintiffs had failed to pay their taxes under protest thus precluding any refund. The Circuit Court agreed but held that plaintiffs could nonetheless attempt to seek an injunction to stop the collection of property taxes.

Subsequently plaintiffs tested the illegality of the property tax rate by means of a Motion for Summary Judgment claiming that they were entitled to a judgment as a matter of law. Plaintiffs asserted that in addition to the alleged improper repeal of the tax limitation ordinance, the City by such action had perpetuated a constructive fraud upon the taxpayers.

Again, after extensive briefs were filed by the parties and oral argument held in open Court, the Honorable Ray C. Hotchkiss by a written opinion and order dated June 30, 1975 held that the property tax limitation ordinance was properly repealed by the City Council and further that there was no basis to support a determination that the plaintiffs were victims of a constructive fraud. Accordingly a judgment was entered by the Court in favor of the City.

In closing it should be noted that the instant litigation stems from a similar action filed by the plaintiffs in 1973 which both the Ingham County Circuit Court and Michigan Court of Appeals found to be without merit. Nevertheless plaintiffs persisted in instituting the suit based on a different tax year and again raised many of the same issues found wanting by Courts in the prior 1973 case. Hundreds of hours of staff time and thousands of taxpayer dollars have been spent in defending the series of cases brought by plaintiffs.

Having knowledge of the past history of these cases and the inclination of the plaintiffs, it would not be unexpected however that plaintiffs will appeal this matter to the Michigan Court of Appeals. It is the opinion of this office that although taxpayers often have legitimate grievances and are entitled to judicial relief, the allegations made by plaintiffs in the instant case are without any substantive merit whatsoever and that any appeal on their part will only result in wasting of more staff time and tax dollars.

Respectfully submitted,

PETER HOUK,  
City Attorney.

Dear Sir:

Re: Amendment No. 11 to the Annual Contributions Contract, C-3007.

The Housing Commission requests the Lansing City Council by resolution to allow an Amendment to the Annual Contributions Contract No. C-3007, projects Michigan 1 through 12, to include the total cost of \$560,000.00 (all Federal money) for the purpose of upgrading buildings, replace-

ment of inventory items and other general work to comply with local code.

Your cooperation in this matter would be most appreciated.

Most cordially yours,

MARCEL B. ELLIOTT,  
Executive Director.

Referred to Committee on Buildings and Properties.

June 29, 1976

Honorable Mayor Gerald W. Graves

and Members of City Council

City of Lansing

Lansing, Michigan 48933

Gentlemen:

Our office has been delegated the responsibility for ensuring compliance with Section 17 B-7 of the Code of the City of Lansing. This section requires contractors and vendors providing goods or services to the City of Lansing to submit annually a statistical breakdown of their work force. The Contract Compliance Report consists of job classifications, sex and race/ethnic data.

On January 26, 1976 a letter was forwarded to Farm Bureau Services, Inc. requesting completion of the enclosed Contract Compliance Report. As of this date, the company has failed to comply with our request.

Since our initial contact two additional letters have been mailed and six subsequent telephone conversations have resulted in our office being notified that Farm Bureau Services, Inc. will not provide us with the required information. Further, the opportunity to meet and discuss the matter with the compliance staff was declined.

Since January 1976, building materials in the amount of \$2,930.13 have been purchased by the City of Lansing from Farm Bureau Services, Inc. Through conversations with the Purchasing Department for the City we have been informed that additional business transactions with Farm Bureau Services, Inc. are anticipated.

The Human Relations Department is requesting that the City Council notify the Purchasing Director to refrain from engaging in further business transactions with Farm Bureau Services, Inc. until such time that the company submits the required information.

Sincerely,

RICHARD D. LETTS,  
Director,  
Equal Opportunity Officer.

By Councilman Baker—

That we concur in the recommendation of the Human Relations Director and this be referred to Mayor Pro-Tem.

Carried.

Honorable Mayor Gerald W. Graves and

Members of Lansing City Council

10th Floor, City Hall

Lansing, Michigan 48933

Dear Mayor Graves and  
City Council Members:

The Community Automotive Co-Op., which has been affiliated with the Youth Development Corporation for some time, has not been able to find adequate facilities to continue to operate. For this reason, all of the non-expendable property items which had been purchased by the Youth Development Corporation for use by the Community Automotive Co-Op. must now be declared surplus.

Attached is a list submitted by the Youth Development Corporation for the Community Automotive Co-Op. of all non-expendable property items they retain and which are surplus due to the discontinuance of their services. This equipment is located at 215 East Kalamazoo Street and must be removed from the premises no later than 5:00 p.m., Wednesday, June 30, 1976, since the lease for the use of the property expires at that time.

It is requested that the City take possession of this property as soon as possible. An up-dated list of the non-expendable property involved will be prepared as soon as asset numbers and acquisition costs are made available from the computer.

Sincerely,

MRS. JACQUELINE WARR,  
Director,  
Human Resources Department.

Referred to Community Development Committee.

Honorable Mayor Gerald W. Graves and

Members of Lansing City Council

Tenth Floor, City Hall

Lansing, Michigan 48933

Dear Mayor Graves and Council Members:

Please be advised that we are, hereby, filing a notice of intent to contract for

the continued use of the Non-Expendable Property with the Lansing Model Cities Federal Credit Union.

Sincerely,

MRS. JACQUELINE WARR,  
Director,  
Human Resources Department.

Referred to Community Development Committee.

July 1, 1976

TO: Mayor Graves and Members of the  
Lansing City Council

Due to the pending status of the Non-Expendable Personal Property Ordinance, we are hereby processing a Letter of Intent for contracting with the following agencies:

1. Lansing School District
  - a) P.R.I.C.E.
  - b) Listen
  - c) Career Education
2. Michigan Indian Benefit Association
3. El Renacimiento
4. Quinto Sol
5. Sol de Atzlan
6. Legal Aid
7. Ingham County—Dental Services
8. Boy Scouts
9. Ingham County Jail

If the effective date for disposition is five (5) days after the passage of the ordinance, we will be able to finalize recommendations for purchase at the depreciated value, contracting and/or declaring as surplus.

Sincerely,

MRS. JACQUELINE WARR,  
Human Resources Director.

July 6, 1976

Honorable Mayor Pro-Tem and Members  
of the Lansing City Council  
City Hall

Lansing, Michigan

Dear Mayor Pro-Tem and  
Council Members:

Attached is a copy of a communication from the Safety Council of Greater Lansing, which was received by my office on July 1, and which pertains to a request for an additional \$10,000 from the General Fund of the City, or anticipated income. This would raise the City's contribution to the Safety Council of Greater Lansing from the \$10,000 provided for in the 1976-77 Fiscal Year Budget to \$20,000, the same as was provided in Fiscal Year 1974-75, or \$5,000 as was appropriated for Fiscal Year 1975-76. In reviewing the request of the Safety Council of Greater Lansing, I recommend to you that you appropriate \$7,000 from the Federal General Revenue Fund from dollars available from anticipated turn-backs to the revenue sharing fund for 1976. This would permit the Safety Council of Greater Lansing to conduct minimal programming.

Hopefully, the day will come when the Lansing School Board will quit taking for granted the many school related activities of the Safety Council of Greater Lansing and make a financial contribution. Thus far, the Lansing School Board has not taken its share of the financial responsibility, but instead let the City of Lansing and private contributors carry the burden. The following is an excerpt from my Budget Message to you of March 24, 1975:

"Budget Hearings revealed that the City, as such, is spending more than \$500,000 annually for school related programs, an amount which equates to more than 65 cents per \$1,000 of assessed valuation in property tax—included are 7 Police Officers, 50 School Crossing Guards, members of the Human Relations staff at basketball and football games, Pedestrian Overpasses, films, Summer Recreation and after school programs, and contributions to the Greater Lansing Safety Council, for which there is no financial contribution from the School System. In fact, in some instances for recreational programs, gym rentals are \$11.00 per hour, plus \$6.00 per hour pay for a member of the School System. I recommend your attention to this, and once

more request that you discuss the possibility of the School System matching some of the increasing costs involved."

From the aforementioned, two things are apparent: ONE, the City of Lansing has for years carried the burden of safety in the schools and the Lansing School Board refuses to financially assist our cause; and, TWO, the biggest contributor to the Safety Council of Greater Lansing has been the City of Lansing, even though most of the programs involved are school related.

Safety for school aged youngsters is an absolute necessity. However, I am still of the opinion that the Lansing School Board has a responsibility to the school aged youngsters and to the Safety Council of Greater Lansing and that responsibility includes financial participation with the City of Lansing and private industry.

Trusting this matter meets your approval, I remain

Sincerely,

GERALD W. GRAVES,  
Mayor.

(2) **Construction Required.** The agency has caused to be redeveloped the Property by the construction of a PUBLIC PARK (hereinafter called the "Improvements") and all plans and specifications and all work by the Agency with respect to such redevelopment of the Property and the construction and making of other improvements thereon, if any, is in conformity with the Urban Renewal Plan, and all applicable State and Local Laws.

(3) **Restrictions on Land Use.** The Agency agrees for itself, its successors and assigns, and every successor in interest to the Property or any part thereof shall contain covenants on the part of the Agency for itself, and successors and assigns, that the Agency, and such successors and assigns shall:

(a) Devote the Property to PUBLIC PARK uses in accordance with the

Urban Renewal Plan, as amended, and as the same may be hereafter amended and extended from time to time;

- (b) Not discriminate upon the basis of race, color, religion, sex or national origin in the use of the Property or any improvements erected or to be erected thereon, or any part thereof.

(4) **Effect of Covenants: Period of Duration.** It is intended and resolved that the conditions and covenants provided in Section 3 hereof, shall be covenants running with the land and that they shall, in any event, and without regard to technical classification or designation, legal or otherwise, and except only as otherwise specifically provided in this Resolution be, to the fullest extent permitted by Law and equity, binding for the benefit and in favor of, and enforceable by, the Agency, its successors and assigns, and the United States (in the case of the covenant provided in subdivision (b) of Section of this Resolution) against the Agency, its successors and assigns, and every successor in interest to the Property or any part thereof or any interest therein, and any party in possession or occupancy of the Property or any part thereof. It is further intended and resolved that the conditions and covenants provided (a) in subdivision (a) of Section 3 of this Resolution shall remain in effect until April 21, 1989, (at which time such condition and covenant shall terminate), and (b) in subdivision (b) of such Section 3 shall remain in effect without limitation as to time.

(5) **Enforceability by the Agency and United States.** In amplification, and not in restriction, of the provisions of Section 4 of this Resolution, it is intended and resolved that the Agency shall be deemed a beneficiary of the conditions and covenants provided in Section 3 herein, and the United States shall be deemed a beneficiary of the covenant provided in subdivision (b) of Section 3, both for and in their or its own right and also for the purposes of protecting the interest of the community and the other parties, public or private, in whose favor or for whose benefit such conditions and covenants have been provided. Such conditions and covenants shall run in favor of the Agency and the United States for the entire period during which such conditions and covenants shall be in force, without regard to whether the Agency or the United States is or has been an owner of any land or interest therein to, or in favor of, which such conditions and covenants relate. The Agency shall have the rights, in the event of any breach of any such conditions or covenants, and the United States shall have the right, in the event of any breach of the covenant provided in said subdivision (b) of Section 3, to exercise all the rights and remedies, and to maintain any actions or suits at law or in equity or other proper proceedings to enforce the curing of such breach of condition or covenant, to which it or any other beneficiaries of such condition or covenant may be entitled.

(6) **Conflict of Interest.** No member, official or employee of the Agency shall have any personal interest, direct or indirect, in any construction contract awarded pursuant to this Resolution, nor shall any such member, official, or employee participate in any contract relating to this Resolution which affects his personal interests or the interests of any corporation, partnership, or association in which he is, directly or indirectly interested.

(7) **Equal Opportunity in Construction Employment.** The Agency, for itself, and its successors and assigns, agrees that it will include the following provisions of this Section 7 in every Contract or purchase order which may hereafter be entered into between the Agency and any party (hereinafter in this Section called "Contractor") for or in connection with the construction of the Improvements, or any part thereof, provided for in this Resolution unless such contract or purchase order is exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order 11246 of September 24, 1965 as amended by Executive Order 11375 dated October 13, 1967;

**Equal Employment Opportunity.** The Redeveloper, for itself and its successors and assigns, agrees that during the construction of the Improvements provided for in the Agreement agrees with the Agency as follows:

(a) The Redeveloper will not discriminate against any employee or applicant for employment because of race, color, religion, sex or national origin. The Redeveloper will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Redeveloper agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Agency, setting forth the provisions of this nondiscrimination clause.

(b) The Redeveloper will, in all solicitations or advertisements for employees placed by or on behalf of the Redeveloper, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex or national origin.

(c) The Redeveloper will send to each labor union or representative of workers with which the Redeveloper has a collective bargaining agreement or other contract or understanding, a notice, to be provided, advising the labor union or workers' representative of the Redeveloper's commitments under Section 202 of executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicu-

ous places available to employees and applicants for employment.

(d) The Redeveloper will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(e) The Redeveloper will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by the rules, regulations, and orders of the Secretary of Labor or the Secretary of Housing and Urban Development pursuant thereto, and will permit access to the Redeveloper's books, records, and accounts by the Agency, the Secretary of Housing and Urban Development, and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(f) In the event of the Redeveloper's noncompliance with the nondiscrimination clauses of this Section, or with any of said rules, regulations, or orders, the Agreement may be canceled, terminated, or suspended in whole or in part and the Redeveloper may be declared ineligible for further Government contracts of federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(g) The Redeveloper will include the provisions of Paragraph (a) through (g) of this Section in every contract or purchase order, and will require the inclusion of these provisions in every subcontract entered into by any of its contractors, of Labor issued pursuant to Section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each such contractor, subcontractor, or vendor, as the case may be. The Redeveloper will take such action with respect to any construction contract, subcontract, or purchase order as the Agency of the Department of Housing and Urban Development may direct as a means of enforcing such provisions, including sanctions for noncompliance: Provided, However, That in the event the Redeveloper becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the Agency or the Department of Housing and Urban Development, the Redeveloper may request the United States to enter into such litigation to protect the interests of the United States. For the purpose of including such provisions in any construction contract, subcontract, or purchase order, as required hereby, the first three lines of this Section shall be changed to read "During the performance of this Contract, the Contractor agrees as follows:," and the term "Redeveloper" shall be changed to "Contractor."

(h) The Redeveloper will include the provisions of Paragraphs (a), (b), and (h)

in every contract, and will require the inclusion of these provisions in every subcontract entered into by any of its contractors, so that such provisions will be binding upon each such contractor or subcontractor, as the case may be. For the purpose of including such provisions in any construction contract or subcontract, as required hereby, the term "Redeveloper" and the term "Agency" may be changed to reflect appropriately the name or designation of the parties to such contract or subcontract.

(1) This Resolution is adopted for the purpose of inducing the Secretary of Housing and Urban Development to issue his approval of the retention of the said Property for the intended purpose and for the purpose of creating the covenants running with the land as set forth in Section 4. The proper officers of the Agency are hereby authorized, empowered and directed to cause a properly certified copy of this Resolution to be recorded among the land records in the office of INGHAM County, and to furnish the Department of Housing and Urban Development with properly certified copies of this Resolution bearing evidence of such recordation.

Resolved by the City Council of the City of Lansing:

Whereas, Dr. Gerald D. Hause, D.D.S., has maintained professional offices at 1101½ South Washington Avenue, Lansing, for a period of years; and

Whereas, Dr. Hause was called late in the evening of June 30, 1976 to render professional services to the principal violin soloist with the Choir and Chamber Orchestras of Youth Music in Bremen, Germany, who was suffering considerable pain from an abscessed tooth; and

Whereas, Dr. Hause immediately left his home to render assistance to a total stranger from a foreign country whom he may never again meet; and

Whereas, Dr. Hause worked until after midnight and refused compensation for services rendered; and

Whereas, Dr. Hause's unselfish and dedicated acts permitted the visiting choir and orchestra to perform Bach's Concerto in D Minor for violin and oboe the following night and Dr. Hause has brought considerable honor and praise to his profession, the City of Lansing, and himself;

Now, Therefore, Be It Resolved that Wednesday, July 7, 1976 be known as Dr. Gerald D. Hause, D.D.S. Day in recognition of this act of mercy and charity performed by Dr. Hause; and

Be It Further Resolved, that a copy of this resolution be transmitted to Dr. Gerald Hause as evidence of the high regard in which he is held by the City of Lansing.

July 1, 1976

Honorable Mayor and

Members of City Council

Gentlemen:

The Department of Parks and Recreation has been notified it will receive (for the 4th consecutive year) grant appropriations from the Department of Labor for Summer Youth Recreation Programs. Allocated in 1976 is \$12,116 which is comparable to that funded in previous years. No local match is required for participation in this grant program.

Approved by the Department of Labor are field trips from neighborhoods playground programs, and the operation of four indoor swimming pools.

Authorization for acceptance of the grant would be appreciated.

Sincerely,

THEODORE J. HASKELL,  
Director,  
Parks and Recreation.

Referred to Committee on Parks and Recreation.

By Committee on Parks and Recreation—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing has been informed by the Department of Labor that \$12,116 has been authorized for the 1976 Summer Youth Recreation Program; and

Whereas, this grant will allow the Department of Parks and Recreation to sponsor field trips and conduct programs at four indoor swimming pools; and

Whereas, this is the fourth year the Summer Youth Recreation Program has been conducted at no cost to the city;

Now, Therefore, Be It Resolved, the City Controller should establish accounts required for implementing the program, and upon approval as to form by the City Attorney, the Mayor and City Clerk are authorized to sign required contracts with the Tri-County Regional Manpower Consortium which is administering the program.

Adopted by the following vote:

Unanimously.

Councilman Baker congratulated Ron Stonehouse and Ted Haskell and Phillip Gannon, President of Lansing Community College on work put forth during the bicentennial celebration.

Councilman McKane spoke on the turnout and work that was put into the Ethnic Festivities.

Lennie Robbins of 431 N. Jenison spoke on the planning of the Capitol Regional Airport.

Wayne Amacher, 718 Cawood St., spoke on closed gas stations and the trash and debris that has built up around the buildings.

Eugene Lloyd, 1412 Case St., spoke and read a statement on the Credit Union Contract that was vetoed by the Mayor.

Lyle Eggelston, 721 Fred St., spoke and congratulated the Mayor, Council and department heads and the Bicentennial Committee on work well done during festivities.

By Councilman Blair—

That this meeting stand adjourned.

Council adjourned at 10:30 p.m.

## REPORTS OF CITY OFFICERS AND BOARDS

July 8, 1976

Honorable Mayor and City Council  
City Hall

Lansing, Michigan

Gentlemen:

Attached are two (2) proposed contracts submitted by the Department of State Highways & Transportation; one deals with replacement of bridge railing on portions of Highway 96, and the other with certain construction safety improvements on portions of Highway 96-BL.

The estimated cost for the two projects is \$35,850, with the City's share \$4,481.00. Funds for the City's share can be made available from our Act 51 Major Street Account.

I would recommend approval of these two projects.

Respectfully submitted,

ROBERT R. BACKUS,  
Director of Public Service.

Referred to Committee on Public Service and Highways.

Mayor and Members of the  
Lansing City Council  
City Hall  
Lansing, Michigan 48933

Dear Mayor and Council Members:

At a regular meeting of the Board of Directors of the Economic Development Corporation of the City of Lansing, duly held on the 2nd day of June at 4:30 P.M. on the 10th floor of the City Hall building, the annexed resolution was duly moved and unanimously approved by a quorum of directors present.

The Board of Directors will designate a representative to confer with you at your convenience should you have any questions concerning the enclosed resolution.

Sincerely,

ECONOMIC DEVELOPMENT  
CORPORATION OF THE  
CITY OF LANSING,  
Arthur J. Clyne,  
Secretary.

Referred to Committee on Public Service and Highways.

July 8, 1976

Honorable Mayor Gerald W. Graves  
and Members of City Council  
Lansing City Hall  
Lansing, MI 48933

Dear Mayor Graves and

Members of City Council:

Attached, please find the proposed draft of the Physical Development Plan for Neighborhood Development Area No. 2 (NDA). The Citizens' District Council (CDC) has spent many, many hours researching the area and determining our particular needs. The CDC is very happy with this draft and convinced that it serves the NDA's needs. We offer this Plan to you for your examination.

The CDC realizes that the primary purpose of the Community Development Program is the rehabilitation of property. We have kept this fact in mind while determining our recommendations for public improvements and acquisition of properties. For example, one alternative for street lighting was to remove all of the high-profile lighting in the Development Area and to replace it with low-profile lighting for a cost of \$117,000.00. Instead of this, we chose to install high-profile lighting on Holmes Street for an expense of \$9,500.00. To improve the street endings, one alternative would have cost \$187,000.00. We chose, however, what we feel is a better alternative which costs \$39,600.00. Our intent has been to leave a greater amount of funds available for the rehabilitation of homes.

Our Citizen's District Council would like to meet with all of the City Council members and with the Mayor as soon as possible to discuss any difficulties obtaining City Council's approval of this Plan. If we all work together in a spirit of cooperation, we will soon "get this show on the road."

Sincerely,

G. RICHARD LUCAS,  
Chairman,  
Citizens' District Council No. 2.

Referred to Committee on Community Development and Committee on Finance.

DATE: July 7, 1976

TO: Mayor Graves and Members  
of the Lansing City Council

FROM: Terry J. McKane, Mayor Pro-Tem

SUBJECT: Bike and Pedestrian Paths

We, as city officials, have over the past years been totally supportive of the planning for bike and pedestrian paths throughout our city; however, the implementation of those plans has been difficult to realize because of the limited amount of money available to us for bike and pedestrian path construction.

The Governor and State Transportation officials have indicated that monies will be made available to the cities of our state who desire to construct lanes and paths for non-motorized transportation. In fact, State Policy, as defined by Act 327, Public Act

1972 recommends that cities receiving funds from the Motor Vehicle Highway Fund known to us as "Act 51 Monies" should attempt to expend reasonable amounts for the establishment of non-motorized transportation routes. The Act goes further and recommends that cities attempt to reserve one half of one percent of the Act 51 monies for bikepath construction and maintenance.

If the City of Lansing were to adopt a policy wherein we were to reserve one half of one percent of the City of Lansing's Act 51 monies that specifically relate to major streets, we could expect to have available to us from \$9,000 to \$10,000 per year to be used as match against other state and federal monies which could be made available to us. The match requirement for bike/pedestrian path construction is an 80-20 match; that is, 20% being provided by the city and 80% by the state or federal government. Under this sort of an arrangement, we could have available some \$45,000-\$50,000 in any given year for bicycle/pedestrian path construction.

As you know, we have developed a master bike plan route for our city, and we have, in some instances, operationalized certain segments of that master bike plan route. We are in the process of constructing the Red Cedar bike route from the MSU Campus to the Bicentennial Park Area. We, as Council, established a policy that construction of that path would start from the center of the city out. I believe that is a good policy and we should continue to enforce that policy in our bike path construction effort; that is, when we construct bike paths, start in the center of the city and move out. We also have ongoing plans to improve the recreational bike/pedestrian routes along the Grand River. Hopefully, some day we shall be able to connect the Red Cedar Bike Path Route from the Bicentennial Park to a planned route along the north and west bank of the Grand River to Waverly Road. As you know, we have recently received certain correspondence from the Citizen Advisory Council to the Tri-County Regional Planning Commission recommending that we should continue with our bike path development, particularly those planned paths that link our recreational areas.

Accordingly, I have attached for your perusal a copy of a resolution which establishes a policy for the City of Lansing to utilize certain Act 51 revenues for the construction of bike/pedestrian paths. I would ask that this resolution be referred to the Public Service Committee, the Parks and Recreation Committee, the Finance Committee and the Planning Committee of Council for study and a recommendation from each of those committees as to the feasibility of adopting such a plan.

I would hope that the respective Council Committees referred to above would take immediate action within the next week to review the intent of this resolution and, if possible, provide a favorable committee report.

The Program Coordinator informs me that there is an appreciable amount of

money available through the state and federal government for bicycle path construction. In many cases the funds available are not being utilized because of the inability of the municipalities within our state to come up with the match requirement. This resolution, if adopted, would provide match funds and make them available for grants as opportunities arise. If we adopt such a plan for reserving funds for bicycle path development, we could expect within the next 10 years, in my opinion, to provide our citizens with one of the better bike path/pedestrian systems within the State of Michigan. I am also aware of the maintenance cost that would be involved with the construction of some routes, specifically those routes along our riverfront, and the routes which are not a part of the street system within Lansing and which would require a special maintenance effort by the Parks and Recreation Department. However, I believe that the opening up of our riverfront will in the long run support the continued residential development of our waterfront lands.

Thank you again for your consideration in this matter.

TERRY J. McKANE,  
Mayor Pro-Tem.

Referred to Committee on Public Service and Highways, Committee on Planning, Committee on Parks and Recreation and Committee on Finance.

July 8, 1976

NDA No. 2 Plan

Honorable Mayor and

Members of City Council:

The Planning Board has completed its review of the Neighborhood Development Plan for Neighborhood Development Area

No. 2. The Plan has been formulated in conjunction with the Citizen District Council No. 2 and included the participation of the Building Department, Housing and Redevelopment Department, Office of Community Development, Board of Water and Light, Traffic Engineer, and the Public Service Department.

The Neighborhood Development Plan contains a description of the rehabilitation activities for 365 structures, acquisition activities for thirty (30) structures, and the provision of various public improvements; such as, separation of storm and sanitary sewers, street resurfacing, sidewalk replacement, upgrading street lighting and provision for pedestrian circulation.

At its meeting of July 6, 1976, the Planning Board unanimously endorsed the Neighborhood Plan for NDA No. 2. It is suggested that the Mayor and City Council set a public hearing on this Plan as required by the State of Michigan Act 344, P.A. of 1945, as amended, for August 16, 1976.

A copy of the Neighborhood Development Plan is attached. If you have any question about the development, please contact the Planning Department.

Sincerely,

ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

Referred to Committee on Community Development.

July 7, 1976

SUP-5-76

Honorable Mayor and

Members of City Council

Dear Mayor Graves and Council Members:

The Planning Board, at its July 6, 1976 meeting, was unable to come to agreement on a recommendation to the City Council on the request to operate an adult foster care facility upon the premises located at 5808-5810 Orchard Court. The following concerns caused a vote of 3-3 on the motion to recommend denial:

1. To the best of our knowledge, there are no other facilities of this type in the immediate vicinity. Negative impact due to concentration of facilities is not anticipated.
2. No negative impact was anticipated from the use, per se, with regards to traffic conditions, public utility facilities, or other matters pertaining to general welfare.
3. Exterior structural alterations which may be required by the licensing agency should the Special Use Permit be granted, such as fire escapes from the

second story, may alter the character of the neighborhood, thus lowering property values.

4. As the property would be leased to the operator of the adult foster care facility, a lack of proper maintenance and/or failure to renew the lease after structural alterations have been made may have detrimental effects on the character of the neighborhood. Anticipated interior and/or exterior structural changes which would convert the dwelling to a six-bedroom, single family home, could limit the opportunities for resale or re-lease and thereby create a long term vacancy.
5. Due to the attitude of the neighbors, as exhibited in negative calls to the Planning staff and statements made to the Planning Board, there was concern that the neighborhood would not provide support and reinforcement to the foster adults and that the neighborhood would constitute a hostile environment to the Community Health staff, should the Special Use Permit be granted.

The attached petition was presented by the area residents.

This issue is therefore being referred back to the City Council without recommendation.

Sincerely,

ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

Referred to Committee on Planning.

SUP-6-76

July 7, 1976

Honorable Mayor and

Members of City Council

Dear Mayor Graves and

Council Members:

The Planning Board, at their meeting of July 6, 1976, recommended that the request to the City Council to operate an adult foster care facility on the premises located at 2726-2728 Teel Avenue be denied.

The following concerns were expressed, leading to the motion for denial:

1. The subject property does not meet the minimum lot size (6,000 square feet) for a single family dwelling unit.
2. The industrial and commercial uses abutting the property to the north and west are not conducive to a residential use.
3. The subject property is a non-conforming use in an "H" Light Indus-

trial District. Granting the Special Use Permit would have the effect of perpetuating a non-conforming use in conflict with the existing zoning.

4. The lack of public facilities in the area.
5. As the property would be leased to the operator of the adult foster care facility, a lack of proper maintenance and/or failure to renew the lease after structural alterations have been made may have detrimental effects on the character of the neighborhood. Anticipated interior and/or exterior structural changes which would convert the dwelling to a six-bedroom, single family home, could limit the opportunities for resale or re-lease and thereby create a long term vacancy.

Three (3) persons spoke in opposition; four (4) persons, unable to attend the public hearing, voiced opposition through telephone and/or written communication to the Planning Board. The attached petition was presented by the area residents.

The motion for denial was carried by a vote of four (4) to two (2).

Sincerely,

ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

Referred to Committee on Planning.

July 8, 1976

SUP-7-76

1614-1616 Lockbridge

Honorable Mayor and

Members of City Council:

The Planning Board, at their meeting of July 6, 1976, recommended to the City Council that the request for a Special Use Permit for the purpose of operating an adult foster care facility for five (5) elderly ladies on the premises located at 1614 and 1616 Lockbridge be approved, subject to the following conditions:

- 1) That the rear yard where it abuts the I-96 freeway be screened against traffic noise and dirt for the protection of the proposed residents. Further, that a screening plan be submitted by the petitioner for approval by the Planning Department prior to the issuance of Occupancy Permits.
- 2) That a maximum of five (5) foster adults reside on the premises. Should more than five foster adults be in residence, the Special Use Permit shall be cancelled.

One person spoke in opposition at the public hearing. This recommendation was made by unanimous (6 yeas, 0 nays) vote.

Sincerely,

DAVID L. PURVIS,  
for Alan E. Tubbs,  
Secretary,  
Lansing Planning Board.

Referred to Committee on Planning.

SUP-8-76

210 South Clemens

Honorable Mayor and

Members of City Council:

The Planning Board, at its meeting of July 6, 1976, recommended to the City Council that the request for a Special Use Permit for the purpose of expanding the operation of an adult foster care facility on the premises located at 210 South Clemens be approved subject to the following condition:

That a maximum of five (5) foster adults may reside on the premises. Should more than five foster adults be in residence, the Special Use Permit shall be cancelled.

The Planning Board received one telephone communication in support of the proposal. No one present at the public hearing spoke in opposition to the proposal. The attached petition was presented by the petitioner.

This recommendation was by a unanimous (6 yeas, 0 nays) vote.

Sincerely,

DAVID L. PURVIS,  
for Alan E. Tubbs,  
Secretary,  
Lansing Planning Board.

July 8, 1976

SUP-11-76

810 West Hillsdale

Honorable Mayor and

Members of City Council:

The Planning Board, at its meeting of July 6, 1976, was unable to reach a consensus on a recommendation to the City Council on a request to obtain a Special Use Permit for the purpose of operating a halfway House for persons returning from incarceration, on the premises located at 810 West Hillsdale.

The following factors led to a tie vote of three to three on the motion to recommend approval. Those members of the Planning Board in opposition to the proposal were concerned with the high concentration of

Halfway Houses and other adult foster care facilities on the northwest side of the City. Approximately sixty percent (60%) of all known residential facilities are located in the River Island area of the City.

In addition, the site in question is located between the Y.M.C.A., known for its transient housing, and an existing New Way In Halfway House. The existing New Way In houses sixteen (16) inmates and parolees and an additional twelve (12) residents are requested. With 28 residents on one site, concern is expressed that a mini-institution would be created.

Those members in favor of the proposal were concerned with those parolees and inmates currently housed at the Y.M.C.A. without adequate supervision. As this Halfway House would be run in conjunction with the existing New Way In Halfway House, and the parolee and inmate population is currently housed in the area at the Y.M.C.A., it was felt that concentration was not a matter of prime concern in this case.

In addition to the concentration issue, the following factors were considered by the Planning Board.

**Lot Size** — The existing house is on a small lot. The petitioner, however, has indicated that the program does not require on-site, outdoor recreational areas.

**Public Facilities** — Being located in the downtown area, all public facilities are readily available within walking distance, or through public transportation. As the men are on site at all times when not in school, actively seeking employment, or attending counseling session, the impact on public utilities is expected to be somewhat greater than that of a family of thirteen.

On-site parking is available for one vehicle. The Seventh Day Adventists have offered a portion of their office parking lot for staff parking. As the residents are not allowed to drive, and staff parking has been arranged, neither parking nor increased traffic generation appear to be a problem.

**Program** — New Way In, Incorporated was established in 1973 under an LEAA/COA grant. "It works with the offenders as they re-enter the community from prison incarceration, jail, or are placed on probation, and has a professional staff that is dedicated to help a problemated type (the offender) become successful; and also, dedicated to help make a safer and healthier community.

There are two facilities involved with the adult ex-offenders:

A Service Center at 720 West Ottawa, purpose:

- 1) Comprehensive intake and referring to justified needs,
- 2) Established linkage with the service agencies of the area,
- 3) Counseling,

- 4) Employment component, supported by a CETA grant, consisting of two specialists who work with the offender on: (a) orientation towards finding and holding jobs, (b) direct placements, (c) "work experience slots" (d) "on-the-job training" positions, and (e) vocational studies.

A Re-Entry House at 312 West Hillsdale to provide;

- 1) Room and Board,
- 2) Counseling and rehabilitation,
- 3) Program of "steps" to graduation and return to the community,
- 4) 24 hours a day, seven days a week supervision.

Two persons spoke in support of this proposal. Two persons spoke in opposition. One telephone communique was received by the Planning Department in opposition to the proposal.

Sincerely,

DAVID L. PURVIS,  
for Alan E. Tubbs,  
Secretary,  
Lansing Planning Board.

Referred to Committee on Planning.

July 8, 1976

Z-25-76

1913 South Logan Street

Honorable Mayor and

Members of City Council:

The Planning Board, at their meeting of July 6, 1976, recommended that the petition by Roger Butterfield to rezone property at 1913 South Logan from B-1 Family Residential District to J Parking District be approved.

The Board's recommendation of approval was subject to the following special conditions:

1. That the existing structures be boarded up within 24 hours of vacancy and remain so until the time of demolition.
2. That a site plan indicating all parking lot improvements including:
  - a. paving
  - b. permanent wheel stops around the perimeter.
  - c. screening and landscaping
3. That the above mentioned site plan be submitted by the petitioner for approval by the Planning Department and the Traffic Engineer prior to the issuance of demolition permits.

This recommendation was made by unanimous vote.

Sincerely,

ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

Referred to Committee on Planning.

July 8, 1976

Z-26-76

400-420 East Frederick Avenue

Honorable Mayor and

Members of City Council:

The Planning Board, at their meeting of July 6, 1976, recommended that the petition by Reverend Glenfred T. Johnson, Pastor of the Walker Memorial Bible Church to rezone property at 400 to 420 East Frederick Avenue from "A-1" Single Family Residential District to "B-1" Family Residential District be approved.

The Board recommendation of approval was subject to the following conditions:

- 1) That the existing parking lot and any additional parking developed be paved and lighted in accord with Section 36-54.3.
- 2) That the parking lots and recreational area be screened for the protection of adjacent residences.
- 3) That prior to the issuance of permits, a site plan be presented for approval by the Planning Department and Traffic Engineer indicating compliance with the above conditions.

This recommendation was made by a unanimous (6 yeas, 0 nays) vote.

Sincerely,

ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

5100 South Pennsylvania Avenue

Honorable Mayor and

Members of City Council:

The Planning Board, at their meeting of July 6, 1976, recommended that the petition by Don Calomeni of Westdale "L" Company to rezone property at 5100 South Pennsylvania Avenue from "E-2" Drive In Shop District to "F" Commercial District be approved.

The Board recommendation of approval is subject to submission of a site plan for approval by the Planning Department and Traffic Engineer indicating parking lot layout; (a) ingress/egress, (b) screening/landscaping, (c) permanent wheel stops, (d) paved areas, and (e) lighting.

This recommendation was made by a unanimous (6 yeas, 0 nays) vote.

Sincerely,

ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

Referred to Committee on Planning.

Oak Park Village

Honorable Mayor and

Members of City Council:

The Planning Board, at their meeting of July 6, 1976, recommended that the petition by Gordon L. Long to amend the Community Unit Plan known as Oak Park Village be approved.

The Planning Board approval is based on recommendations from other agencies who requested the following requirements be met:

- 1) That fire hydrants be placed as indicated by the Fire Marshal.
- 2) That development take place in accord with the site plan as submitted.
- 3) That the complex be serviced with an underground electrical distribution system.

This recommendation was made by a unanimous (6 yeas, 0 nays) vote.

Sincerely,

ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

Referred to Committee on Planning.

**THE PUBLIC MAY NOW ADDRESS THE CITY COUNCIL ON ANY OF THE FOLLOWING RESOLUTIONS. YOU MAY SPEAK ONLY FOR 3-MINUTES ON ANY ONE RESOLUTION. (1 through 16)**

No persons spoke.

## RESOLUTIONS

By Councilmen Blair, Hull & Baker—

Resolved by the City Council of the City of Lansing:

Whereas, the City Council must in the course of any given year make determinations as to the efficacy of grant applications and the subsequent acceptance of funds after approval of said grant applications; and,

Whereas, the acceptance of grant funds may have short and long range fiscal, personnel, maintenance, operational and management consequences; and,

Whereas, programs funded through federal and/or state grants normally impact upon the activities and funding of the various city departments; and,

Whereas, notification for grant monies frequently arrives at the 11th hour requiring immediate policy decisions as to whether or not to apply for a given grant; and,

Whereas, it would appear appropriate that a committee of Council be formed to advise Council on grant applications and subsequent contractual agreements pertaining thereto;

Now, Therefore, Be It Resolved that the Mayor Pro-Tem is directed to appoint a Council Committee of three Councilmen to be identified as the Grant Committee who will be responsible for reviewing all grant applications ensuring that necessary background research, to include, but not limited to, fiscal, personnel and maintenance impact studies are presented to all members of Council in sufficient time for adequate policy determination to be made.

By Councilman Blair—

That this be referred to the Committee on Planning for a report back within two weeks.

Carried.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing is in receipt of a sub-grant contract from the Office of Criminal Justice Programs; and,

Whereas, this contract provides funding for the Young Adult Offenders Treatment Residence during the period July 1, 1976 - September 30, 1977 in the amount of \$120,862 of which \$99,107 or 82% will be provided by the Office of Criminal Justice Programs and \$21,775 or 18% will be provided by the City of Lansing through Community Development Funds; and,

Whereas, the City's share for this sub-grant contract has been provided through a contract between the City of Lansing and

New Way In; said contract having been approved by the City of Lansing on July 6, 1976; and,

Whereas, the funds will be utilized to provide staff and administrative services to support counseling and to support an estimated 62 young offenders from the Tri-County area with 22 of these individuals coming from the Neighborhood Development Areas as defined by the Lansing Community Development Plan;

Now, Therefore, Be It Resolved that the Mayor is directed to sign the sub-grant contract after approval by the City Attorney as to form, and determination by the Finance Director as to the availability of funds; and

Be It Further Resolved that the Program Coordinator is authorized to submit this sub-grant contract to the appropriate state officials;

Be It Finally Resolved that the City Council of the City of Lansing expects New Way In, Inc., to seek and obtain proportional financing from other governmental entities within the Tri-County area for subsequent grant year funding.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, the Department of Housing and Urban Development and the City of Lansing, by and through the Lansing Housing Commission, has a consolidated Annual Contributions Contract for projects one through twelve, and

Whereas, the Department of Housing and Urban Development has made it known that there are certain Modernization funds available to upgrade buildings, replace inventory items, general work to comply with local codes, and/or to enlarge the facilities of the Lansing Housing Commission to allow the Commission to operate more economically, and

Whereas, the Lansing Housing Commission at a Special Meeting, held at 7:30 p.m. on July 1, 1976, by resolution voted to amend the present Annual Contributions Contract for the Modernization Program,

Therefore Let It Be Resolved that the Lansing City Council amend the Consolidated Annual Contributions Contract number C-3007, to include \$360,000.00 in the total development costs of Michigan 2, 3, 4, 5, 6, 7, 8, 10, 11 and 12 in order that the Modernization No. 4 program may be funded.

Adopted by the following vote:

Unanimously.

## By Committee on Planning—

Resolved by the City Council of the City of Lansing:

Whereas, the 1967 Master Plan for the Capital City Airport which proposed numerous improvements has been accomplished, and the urgent need has existed for an in-depth analysis of future facilities requirements at the airport; and

Whereas, the Capital Region Airport along with the consulting firm of Landrum and Brown in association with Peckham Engineering under a Federal Aeronautics Administration grant prepared a twenty year Master Plan dated September, 1975, for the Capital City Airport; and

Whereas, the Master Plan designates a development plan for the airport that will accommodate anticipated air traffic volumes and expected advances in aviation technology through 1995, and will be compatible with the environment and other community development; and

Whereas, the Planning Board has reviewed the findings reported by the consultants and recommends that the City of Lansing endorse the Capital Region Airport Authority's implementation of the preferred development plan in the following manner:

1. Acquire the land to the ultimate boundaries of Capital City Airport as proposed in the Twenty Year Master Plan dated September, 1975, and described as alternative No. 3 as soon as possible. In order to reserve future options, the Capital Region Airport Authority should explore different alternative means to preserve the land required for development of Alternative No. 3 through options, lease purchase agreements or in the end outright acquisition when it becomes available on the local market. Included in the program should be land to the east of the existing airport boundaries to reserve local options for the future alignment of DeWitt Road, which is currently being determined under the Logan Corridor Joint Development Study.
2. Implement the first stage development as described in the Master Plan as soon as possible.
3. Prior to development of Capital City Airport, beyond the land purchase and first phase development of Alternative 3, a study should be undertaken to:
  - a. Re-examine the need and feasibility of the long range development plan as delineated in Alternative 3.
  - b. Examine in a cost/benefit framework the trade-offs between further expansion of Capital City Airport (beyond the first stage development) and development of satellite/general aviation airports elsewhere in the Tri-County Region.
4. Request that the Airport proceed to determine the types and levels of pub-

lic services, utilities and surface transportation required from local jurisdictions.

5. Request that the Authority identify the specific health, environmental and safety factors related to land development which are implied by the Master Plan. Inform appropriate local jurisdictions concerning these factors for incorporation of amendments to local land development codes and ordinances; and

Now, Therefore, Be It Resolved that the Mayor and City Council concur in the recommendation of the Planning Board; and

Further, Be It Resolved that the Mayor notify the Capital Region Airport Authority of this resolution.

Adopted by the following vote:

Unanimously.

## By Councilman Blair—

Resolved by the City Council of the City of Lansing:

Whereas, the seat of government for the State of Michigan is centrally located in the Lansing downtown business district; and,

Whereas, historically, the U. S. Post Office has provided nightly mail pick-up service for governmental units, the business community and citizens surrounding the downtown area; and,

Whereas, nightly mail pick-up services have been discontinued in the downtown area, creating an ever increasing inconvenience to the community;

Now, Therefore, Be It Resolved that the Lansing City Council goes on record expressing its disappointment with the discontinuance of nightly pick-up service in the central business district; and,

Be It Further Resolved that we communicate our views to the Post Master General to encourage the negotiation of and re-establishment of said services either through direct shuttle service or some other workable alternative; and,

Be It Finally Resolved that a copy of this resolution be forwarded to our local legislators, U. S. Senator Philip Hart, Congressman M. Robert Carr and Senator Robert Griffin urging support of our position.

Adopted by the following vote:

Unanimously.

## By Committee on Community Development—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing is considering the rehabilitation of a blighted area within the City of Lansing within the Neighborhood Development Area No. 2.

Whereas, the City of Lansing has prepared a Master Plan which is sufficiently advanced to designate areas in need of rehabilitation; and

Whereas pursuant to Act 344, P.A. 1945, the district area has been designated as the proposed development area and the Citizen's District Council has been organized for the district area; and

Whereas, said Council and the City of Lansing have been acting in accordance with the requirements of Act 344, P.A. of 1945 as amended; and

Whereas, the proposed project may be undertaken in accordance with Act 344, P.A. 1945 and in cooperation with the Federal Government for financial assistance under the Housing and Community Development Act of 1974; and

Whereas, the development plan has been prepared which included programs for the rehabilitation of residential structures, application of rehabilitation standards, acquisition and removal of selected residential structures, the relocation of families and individuals, the availability of loans and grants to property owners and the improvement of public facilities. And further the plan designates the location and extent of streets and other public improvements; designation of the location and character and extent of permitted public and private uses; designation of the location, character and extent and estimated costs of improvements for the areas; includes statistical data relating to numbers of persons residing within the areas, numbers to be displaced, and housing supply in Lansing, and demand for the housing capacities of public and private housing available to displaced persons; and

Whereas, pursuant to Act 344, P.A. 1945, a public hearing must be held on the development plan for the development area:

Now, Therefore, Be It Resolved, that a public hearing will be held on Monday, August 16, 1976, in the City Council Chambers, 10th Floor, Lansing City Hall, 7:30 p.m.; and

Be It Further Resolved, that notice of this hearing be published in local newspapers thirty (30) days prior to said hearing, mailed to the last known owner of each parcel within the District Area No. 2 twenty-five (25) days prior and distributed door-to-door to the residents of the District Area No. 2 twenty-five (25) days prior to said hearing, and that a second notice of the Public Hearing be distributed within District Area No. 2, five (5) days prior to said hearing, and that the Office of Community Development be responsible for all aforementioned public notification.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the Mayor on June 30, 1976 vetoed the contract of Lansing Model Cities Federal Credit Union Contract;

Now, Therefore, Be It Resolved that the Lansing City Council overrides that veto and puts the Lansing Model Cities Federal Credit Union Contract in effect.

Adopted by the following vote:

Yeas: Councilmen Adado, Baker, Belen, Blair, Hull, McKane—6.

Nay: Councilman Brenke—1.

By Councilmen Richard Baker and Robert Hull—

Resolved by the City Council of the City of Lansing:

Whereas, Councilman Richard J. Baker, Councilman at Large, and Councilman Robert Hull, First Ward Councilman, have brought formal written charges against Daniel J. Bodwin, Personnel Director of the City of Lansing and an appointive officer of the City of Lansing; and

Whereas, the charges allege that Mr. Bodwin has committed malfeasance, misfeasance, and nonfeasance in the discharge of his official duties as Personnel Director of the City of Lansing; now, therefore, be it

Resolved, that the City Clerk be and is hereby directed to deliver a copy of said charges to Mr. Bodwin; and be it

Further Resolved, pursuant to Lansing ordinances, ch 2, §2-16, that Mr. Bodwin appear before the City Council in the Council Chambers, 10th Floor City Hall, on July 28, 1976 at 2:00 p.m. at which time this Council shall constitute itself as a Court of Inquiry to investigate, take evidence, and pass upon the charges in question.

By Councilman Baker—

Requested that the following statement be made a part of the minutes before the vote is taken.

Mr. Mayor and Members of the City Council:

Introducing a resolution to call for a Court of inquiry is not an easy or pleasant action for me to take. I do so with great reluctance. However calling for such an inquiry is the only assured way that all the facts of the subject at hand can be fully explored and their veracity determined. Anything, less would leave the situation clouded with unanswered questions, unanswered allegations and unchecked mistrust.

The role and duties of a public official, either elected or appointed, are immense and far-reaching. Although those responsibilities are far ranging, perhaps the most important is that officials are in a position of public trust and are bound to act in a manner which assures that that public trust is will placed.

The concept of public embodies the idea that public officials will be forthcoming in providing lawfully requested information and documents. Further it requires that when such information is in their possession that they deliver it forthwith, without undue or spurious delays.

The situation at hand represents a failure to carry out that public trust. And the questions to be asked and answered are:

1. When were copies of the "Memorandum of Agreement" signed by union officials?
2. How many copies did they sign?
3. Why did they sign so many?
4. What was Mr. Bodwin's response to repeated requests by City Council for copies of that "Memorandum of Agreement"?
5. When did City Council finally receive copies of the "Memorandum of Agreement"?
6. Were these "copies" or were they in fact originals signed by union officials?
7. For what reason or reasons did Mr. Bodwin fail to deliver those agreements to City Council as requested?

The answers to all but the last are clear and generally a part of the public record.

The memorandum of agreement was signed by union officials on or about 3:30 P.M. Friday, July 2, in the presence of Mr. Bodwin.

Approximately 12-20 copies were individually signed by them at the request of Mr. Bodwin, so "there would be enough copies for City Council" or words to that effect. From then until Tuesday, July 6, 1976 at 7:15 P.M. Mr. Bodwin, made repeated excuses as to why he could not respond to City Council requests for copies of the Agreement. When City Council finally received the agreement at 7:15 P.M. on Tuesday they were the same identical agreements signed by the union on Friday, July 2. No one but Mr. Bodwin knows why he refused or neglected to give them to City Council when requested to, only Mr. Bodwin knows.

This is where we're at right now.

Signed:

RICHARD J. BAKER,  
7/12/76.

Roll Call was taken on the resolution.

Lost by the following vote:

Yeas: Councilmen Baker, Blair, Hull—3.

Nays: Councilmen Adado, Belen, Brenke, McKane—4.

By Committee on Personnel—

Resolved by the City Council of the City of Lansing:

July 16, 1976

Honorable Mayor and

Members of City Council

City of Lansing

Gentlemen:

In April 1976, Mr. Richard Fiser, 1909

East Willard requested from the City of Lansing authorization to construct a Flood Protection Dike at Scott Woods park. At this same time Mr. Fiser initiated an application to construct in the Floodplain with the Michigan Department of Natural Resources.

The DNR has notified the city that since the construction of the dike will have an environmental impact on city property Lansing must be the applicant for such permits. The department is currently preparing information, and will request studies in order to obtain cost estimates, details of environmental effect, and maintenance considerations.

Once this information is available a recommended course of action will be forwarded to City Council.

Respectfully submitted,

Newark Avenue and

Pleasant Grove Road

Honorable Mayor and

Members of City Council:

The Planning Board will hold a public hearing on the proposed Community Unit Plan for property located on the south side of Newark Avenue, east of Pleasant Grove Road. The proposed site is further described as:

Lots 9, 10, 11 and 12 of Supervisor's Plat of Webster's Farms No. 2, City of Lansing, Ingham County, Michigan.

This public hearing will be held on August 3, 1976 at 7:30 p.m. in Council Chambers, Tenth Floor, City Hall.

The proposed development consists of eight (8) duplexes on approximately one (1) acre (55,680 square feet) of land for a total of sixteen (16) two-bedroom units. Site access will be provided from Newark Avenue. A gross density of approximately 12.5 dwelling units per acre is proposed.

This notification is made in accord with Section 36-7 of the Zoning Ordinance. Plans

are on file with the Planning Office for review and will be available at the public hearing.

You are cordially invited to attend this public hearing.

Sincerely,

ALAN E. TUBBS,  
Planning Director.

Received and placed on file.

July 14, 1976

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem and

Council Members:

For several months now, my office has been in contact with Thomas F. Shelley, Board Chairman, Diamond Reo Parts & Manufacturing, Inc., regarding a permanent location for the organization. It has been my goal to keep Diamond Reo Parts & Manufacturing, Inc., and its 55 positions of employment, in the City of Lansing. As of two days ago, Board Chairman Shelley, addressed the attached communication of July 12, to my office, and then expanded on his request for space in the John Bean Building in the attached communication of July 14.

Both of the aforementioned communications have been brought to the attention of Ed Vogt, Chairman of the Economic Development Corporation, and to several members we have found available as of this date. Chairman Vogt, and the membership contacted, had no objections to the request for leased space by Diamond Reo Parts & Manufacturing, Inc. He advised that he would be forwarding a communication to you for the regular Council Session of July 19. Too, please be advised that I am in accord and request your support of the proposal dealing with leased space of Diamond Reo Parts & Manufacturing, Inc., for without this space the officials of this organization are considering a move to another city.

In regard to the specifics of the communications of July 12 and 14, as forwarded by Board Chairman Thomas F. Shelley, I am requesting your immediate consideration of approving an immediate lease for up to 100,000 square feet of space, which at this moment seems to be the need of Diamond Reo Parts & Manufacturing, Inc., in addition to the 250,000 square feet now being leased through a private operator. I request, also, your immediate consideration to the request of Board Chairman Shelley that the City repair the roof and buckled floors of the John Bean Building inasmuch as Diamond Reo Parts & Manufacturing, Inc., is desirous of moving on Tuesday, July 20, or Wednesday, July 21, or as soon thereafter as possible.

In regard to the offer to purchase, this part of the request of Diamond Reo Parts & Manufacturing, Inc., should wait until after the primary election vote on the facility takes place and should be considered by the Economic Development Corporation, especially in view of the fact that the contract involved would cover a ten year period.

Be further advised, that Board Chairman Shelley, or his representative, is expected

to be on hand for the Committee of the Whole session on Monday afternoon.

Trusting this meets your approval, I remain

Sincerely,

GERALD W. GRAVES,  
Mayor.

Referred to Committee of the Whole.

By Councilman Adado—

That we recess for 5 minutes to have explanations from the City Attorney relative resolution as to this.

Carried.

The Council recessed at 9:10 p.m.

The Council reconvened at 9:30 p.m.

The Mayor announced that the City Attorney was working on the resolution and we proceed with the balance of the agenda.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, Diamond Reo Parts and Manufacturing, Inc. has offered to lease approximately 100,000 square feet of the John Bean Plant for warehouse purposes; and

Whereas, Diamond Reo Parts may in the near future have need for substantially more space; and

Whereas, the proposed Lessee has offered to lease said premises at a price of 45 cents per square foot per annum; and

Whereas, the proposed Lessee has offered to enter into a lease agreement for an initial period of six (6) months with option to renew said lease for sixty (60) day increments after the initial six (6) months, provided that the initial and any subsequent lease be cancellable by either party upon ninety (90) days written notice; and

Whereas, the proposed Lessee will provide its own contents insurance; and

Whereas, the City would not be required to provide utilities whatsoever during this six (6) month period; and

Whereas, Lessee agrees to accept the premises in their present condition subject to repair of the roof and floor within eight (8) weeks, at City expense, in the areas agreed upon between the Property Manager and Lessee; and

Whereas, all additional provisions regarding start-up costs, heat and other utilities

will be subject to negotiation, and if not mutually agreed upon by the parties prior to October 21, 1976 it is the intention of the City to serve notice of termination, pursuant to the terms of the lease; and

Whereas, Lessee shall pay a pro rata share of all property taxes assessable pursuant to MLCA 211.181 assessed after January 1, 1977; now, therefore, be it

Resolved, that the City Assessor shall provide a certification to the Mayor not later than Wednesday, July 21, 1976 at 5:00 p.m. that the rent to be paid by Lessee is the economic rent equal to the average fair market value of warehouse space for such property leased under such terms. In the event the City Assessor determines that the rent is less than the fair market value of similar property leased under similar terms, he shall establish the fair market value rent and report it to the Council Committee on Buildings and Properties not later than Thursday, July 22, 1976 at 3:00 p.m.; and be it further

Resolved, that the City Council hereby approves in concept the foregoing basic terms for the proposed lease; and be it further

Resolved, that the City Attorney be and is hereby directed to draft said proposed lease embodying the foregoing basic terms and such other terms as will fully protect the City's interests, and present the same to the Committee on Buildings and Properties not later than Thursday, July 22, 1976 at 3:00 p.m.; and be it further

Resolved, that the City Council will entertain an offer from Diamond Reo Parts and Manufacturing for additional space on a negotiated basis; and be it further

Resolved, that Diamond Reo Parts may commence moving inventory on to the premises immediately after executing a temporary agreement in the following form after approval by the City Attorney:

#### TEMPORARY AGREEMENT

Diamond Reo Parts and Manufacturing, Inc. agrees to pay the City of Lansing \$125.00/day for each day it occupies any portion of the John Bean Plant after July 20, 1976 and before August 10, 1976. If Diamond Reo Parts and Manufacturing has not signed a lease with the City of Lansing superseding this agreement by August 10, 1976, the rent shall increase to \$250.00/day. The City may treat inventory on the property as abandoned, seize and sell the same to satisfy arrearages. Diamond Reo Parts and Manufacturing agrees to negotiate the final lease agreement prior to August 1, 1976 or to vacate the premises by August 10, 1976; and be it

Finally Resolved, that, after approval as to form by the City Attorney, the Mayor and City Clerk be authorized and directed to execute the temporary agreement on behalf of the City of Lansing.

Adopted by the following vote:

Unanimously.

July 14, 1976

July 14, 1976

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem and

Council Members:

In the past, the State Building Commission, of which I am a member, and Governor William G. Milliken, have sanctioned legislation for a major bonding issue to meet the building needs of the State of Michigan. The legislation just approved by the Senate and the House of Representatives, with strong efforts put in by Senator Earl Nelson, is now before the Governor for signature. Basically, the package calls for the creation of a State Building Authority, the issuance of up to \$400 million in bonds; and, a request that the Supreme Court rule on the constitutionality of the package no later than September 30. Of this total, \$94 - \$100 million has been sanctioned by both the State Building Commission and the Governor for the construction of two new buildings, plus a chiller and maintenance facility, in the Capitol Complex, adjacent to the Cass and Mason buildings.

The net result, if the approach is found to be constitutional, will be: (a) to provide decent office space for approximately 2,000 State employees; (b) to have excellent facilities on what has long been vacant space in the Downtown Capitol Complex; (c) to provide hundreds of jobs for construction workers, who have had unemployment percentages of 40% - 51%; and, (d) to add to the economy of the Central Business District and the overall City of Lansing.

Overall, we are looking to more than a five year construction program alone in the City of Lansing, and unfortunately when the new buildings are completed, the space needs of the State of Michigan will have increased. This means, that even with the new buildings, the leasing of space by the State of Michigan in the City of Lansing will have necessarily increased rather than decreased. However, the legislation now before the Governor can be considered a step in the right direction and it means that the State of Michigan is facing its responsibility to this City and to the taxpayers throughout our Great State.

I am forwarding this communication to you for informational purposes.

Sincerely,

GERALD W. GRAVES,  
Mayor.

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem and

Council Members:

As I have advised in the past, the operation of the Civic Center is under the direct responsibility of the City Council, according to the Ordinances of the City of Lansing. However, unbeknownst to my office or the Civic Center Board, one Councilman has apparently taken it upon himself to encourage Senior Citizens to rent the Terrance Room of the Civic Center, including the kitchen facilities of the Veteran's Section. As a result, Chairman Mel Herr of the Civic Center Board, has been receiving calls from Veterans questioning the authority of the Councilman in question, and expressing concern that the Veteran's Section strictly reserved for Veteran's organizations in the past, is being considered for use by someone else. I recommend your immediate attention to this matter to avoid conflicts, and to assure that the Veterans' Section is not jeopardized for use by the Veterans of various wars. Too, I recommend that the Veteran's organizations of this community be granted input regarding this overall matter before any final decision is made.

Sincerely,

GERALD W. GRAVES,  
Mayor.

July 15, 1976

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem and

Council Members:

Originally, the Technical Planning Committee recommended that the target area for Community Development activities be located in Census Tract 12. This recommendation provided for \$2,156,000 of C.D. funds to accomplish the plan.

Just prior to the submission of the first year Community Development Block Grant application, City Council took action to change the target area from Census Tract 12 to Census Tract 21. This allowed no time for the Planning Department to prepare an adjusted plan for the new area and a subsequent budget allocation revision.

The Citizens' District Council has now prepared its Physical Development Plan for recommendation to the City Council. The estimated funds required to complete this plan total \$2,457,557 not including gas main relocation expenses, if any. This exceeds the present budget appropriation by \$1,055,490 and exceeds the T.P.C. budget by \$301,557. Further, an additional estimated amount of as much as \$250,000 may be needed for gas main and power pole relocation.

City Council will have to determine appropriate revisions to the Citizens' District Council's recommended plan to approach the Technical Planning Committee's recommended budget and/or provide additional C.D. funds from other resources available.

The Office of Community Development is presently preparing options for the City Council's consideration following the presentation of the Proposed Physical Development Plan for Neighborhood Development Area No. 1 by the Citizens' District Council No. 2.

Sincerely,

GERALD W. GRAVES,  
Mayor.

By Committee on Finance—

Resolved by the City Council of the City of Lansing:

Whereas, the Lansing City Council passed a resolution on March 22, 1976 authorizing the creation of a Contractual Budget Review Board (CBRB) and

Whereas, this Administrative Board was given certain authority under this resolution to revise budgets within prescribed limitations and

Whereas, it has been determined that the limitations of the CBRB did not allow for adequate transfers on many of the Community Development Contracts; and further the desire of the Mayor to increase the membership of the board; now, therefore, be it

Resolved that the City Council hereby expands the membership of the C.B.R.B. and further increases the dollar limitation of the board in the following manner:

1. The administrative board which will continue to be known as the Contractual Budget Review Board, shall be composed of the Mayor; the executive assistant to the Mayor for Community Development, or his designee; the City Controller, or his designee; and the director of the department which is managing the contract agency, or his/her designee.

2. The Board shall have the authority to approve budgetary revisions within the total contract allocation according to the procedures established in Attachment A at regular quarterly meetings, or more often if necessary, pursuant to the limitations defined below:

(a) The Board shall have the power to approve a transfer of funds not to exceed One Thousand and 00/100 Dollars (1,000.00) between detailed line items of an approved and executed contract, but

this power shall not apply to budgetary line items for personnel or equipment.

(b) If increases in the personnel or equipment line items of a contract are proposed, the Board will only make a recommendation to the City Council for a formal Contract Amendment under Case 2 in Attachment A.

3. If any member of the Board disagrees with the proposed budgetary revision proposed in Case 1, it will be necessary for the Lansing City Council to take action under the procedures outlined in Case 2 of Attachment A.

4. No change in the Scopes of Services Section of any contract may be made without approval by the Lansing City Council as outlined in the procedures of Case 2.

5. The Board's power to approve budget revisions for an individual contract shall cease when the aggregate of these transfers reach Five Thousand and 00/100 Dollars (\$5,000.00) during any three month period of the contract from its effective date.

6. The Board shall prepare detailed rules and procedures not inconsistent with this resolution to implement the policy direction contained herein, subject to approval by the City Attorney.

7. After its regular quarterly meeting, the Board shall notify the Clerk, City Council and City Attorney of any approved budget revisions under Case 1.

Adopted by the following vote:

Unanimously.

By Councilman Blair—

Resolved by the City Council of the City of Lansing:

Whereas, Public Transportation is a most essential service to the citizens of Lansing; and,

Whereas, the Capital Area Transportation Authority has done a tremendous job in creating a quality bus transportation program; and,

Whereas, all citizens should be treated equally in both the use of this facility and supporting it in relation to their needs and incomes; and,

Whereas, public officials should be no exception to this;

Now, Therefore, Be It Resolved that no special consideration shall be given to any city employee including elected or appointed officials; and,

Be It Finally Resolved that the V.I.P. passes shall be returned to the Capital Area Transportation Authority.

Councilman Brenke offered the following amendment:

Be It Further Resolved that no City Councilman be reimbursed for gasoline purchases and that the use of a City pool car shall be fully documented by that elected official to the Public Safety Committee.

Much discussion followed.

Signed:

LUCILE BELEN,  
JACK D. GUNTHER,  
Committee on Ordinance and  
Contracts and City Affairs.

By Councilman Belen—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

The Committee on ORDINANCE AND CONTRACTS AND CITY AFFAIRS, to whom was referred the request of First of Lansing, Inc., for transferring all stock interest in a 1975 "B" Hotel licensed business with dance permit located at 125 W. Michigan Ave. thru sale of all stock from existing stockholders to New Holder Index, Inc., reports as follows:

That said request be approved, having received the signature of all the required departments.

Signed:

LUCILE BELEN,  
JACK D. GUNTHER,  
Committee on Ordinance and  
Contracts and City Affairs.

By Councilman Belen—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

The Committee on ORDINANCE AND CONTRACTS AND CITY AFFAIRS, to whom was referred the request of WILS to place a remote broadcast trailer in front of Jury-Rowe Furniture Store on West Michigan Avenue on July 26, 27, and 28, 1976, reports as follows:

The Committee recommends permission be granted and that arrangements be made with the Parking Supervisor to cap three spaces immediately east of the driveway to City Hall basement and for reimbursement to Parking System for the revenue lost from the capped meters. This permission is with the understanding that the trailer will be parked in the second and third space east of the basement driveway and the first space be used to park a com-

pact foreign-make car.

Signed:

LUCILE BELEN,  
JACK D. GUNTHER,  
Committee on Ordinance and  
Contracts and City Affairs.

By Councilman Belen—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

The Committee on PUBLIC SERVICE AND HIGHWAYS, to whom was referred the proposed Resolution from Councilman McKane regarding bike and pedestrian paths, reports as follows:

We do not favor the construction of the proposed bike paths until the following concerns have been resolved: We feel that the safety and welfare of those using the paths, particularly along river banks and in parks, would be jeopardized. Some provisions would be required for patrolling same, which would be an additional and on-going cost for manpower and equipment. Maintenance of the paths, especially in the winter, would also add continuing costs. It should be noted that the required  $\frac{1}{2}$  of 1% of Act 51 monies are and have been expended, as required by law, for facilities for non-motorized transportation. Other provisions of Act 51 might reduce the amount indicated for use. Rather than earmark Act 51 funds, we believe the use of other funds should also be considered when specific plans are formulated, and on a project by project basis, and when all construction and future maintenance costs are known.

Signed:

## REPORTS OF CITY OFFICERS AND BOARDS

July 16, 1976

Honorable Mayor and Members

of the Lansing City Council

Lansing, Michigan

Re: Claim of Mr. and Mrs. Dale E. Main for \$235.00 for damages allegedly caused by negligence of City Inspector

Dear Mayor and Council:

On June 21, 1976, the above referenced claim was referred to my office. Mr. and Mrs. Main submitted a bill to the City for services performed on their building sewer on approximately March 2, 1976. They allege that when their sewer was originally connected to the City sewer system on August 8, 1974, the City Inspector had negligently approved the installation to the stub-in.

There is a factual dispute to the alleged negligence in that when the City Inspector was called to their home on March 1, 1976 to inspect the dig-up, two places were dug up but not in the location of the stub-in.

However, the City itself is immune from tort liability in the exercise of a governmental function unless otherwise excepted. MCLA 691.1407; MSA 3.996 (107). The City is performing a governmental function while making such inspections.

I, therefore, recommend that the claim be denied for the reasons cited above.

Respectfully submitted,

PETER HOUK,  
City Attorney.

By Councilman Blair—

That we concur in the recommendation of the City Attorney and said claim be denied.

Carried.

July 19, 1976

Honorable Mayor and Members  
of the Lansing City Council

Re: Claim of William Croel in the amount of \$200.00 for contact lenses allegedly lost at time of arrest

Dear Mayor and Council:

This claim was referred to the City Attorney on June 30, 1976.

Mr. Croel was stopped, frisked and handcuffed by two Lansing police officers in the early morning of June 29, 1976 on suspicion of carrying a firearm. Although no firearm was discovered, Mr. Croel was arrested on two outstanding arrest warrants. Mr. Croel alleges that he lost two contact lenses worth \$200.00 due to the action of the police.

It appears that the police officers had probable cause to stop, detain and arrest Mr. Croel and that the damage suffered by Mr. Croel if any was incident to a lawful arrest made with reasonable force.

Thus, the officers and the City are immune from liability under the doctrine of governmental immunity.

Therefore, it is the recommendation of this office that the claim be denied.

Respectfully submitted,

PETER HOUK,  
City Attorney.

By Councilman Blair—

That we concur in the recommendation of the City Attorney and said claim be denied.

Re: Claim of Ms. Janice Wideman in the amount of \$191.80 for damage to her auto struck by City police car

Dear Mayor and Council:

The above claim was referred to this office for investigation and recommendation. A review reveals that the claim should be denied on the basis of the principles of no-fault insurance applicable in this state. Thus, claimant is responsible for damage to her own vehicle.

Respectfully submitted,

PETER HOUK,  
City Attorney.

By Councilman Blair—

That we concur in the recommendation of the City Attorney and said claim be denied.

Honorable Mayor and Members  
of the Lansing City Council

Re: Claim of H. R. Marple in the amount of \$107.05 for damages incurred when a rock was thrown by a city lawnmower through the windshield of his vehicle

Dear Mayor and Council:

By letter dated June 8, 1976 Mr. H. R. Marple notified the City of damages incurred to his vehicle. From the information submitted by Mr. Marple and by Thomas Cunningham, a city employee, it appears that on June 3, 1976 Mr. Cunningham was at the corner of Saginaw and Howard Street mowing grass between the curb and the fence on I-496. As Mr. Marple was driving south on Homer onto the ramp for I-496, a rock was thrown by

the mower through the windshield of his vehicle, causing damage in the amount of \$107.05.

Pursuant to MCLA 691.1402; MSA 3.996 (102) a governmental agency is responsible for the maintenance of its highways so that the highways are reasonably safe and convenient for public travel. However, liability does not arise unless the governmental unit knew or should have known of the existence of a defect and had a reasonable time in which to repair the defect. MCLA 691.1403; MSA 3.996 (103).

A city is responsible not only for defects in the road itself but is also responsible for removing obstructions. *Miller v Oakland County Road Commission*, 43 Mich App 215, 204 NW 2d 141 (1972).

The mower used was a 20 in. Commercial, which is a rotary machine. The mower does not have a shield on it to prevent rocks from being thrown, nor was the area cleared of stones prior to the mowing. It was a common event for the mower to throw rocks on occasions prior to June 3. The City therefore had prior notice of rocks being thrown onto the public highways.

It is the recommendation of this office that the claim be allowed because of the above cited reasons. Moreover, this office strongly recommends that shields be placed on the mowers or other steps be taken so as to prevent similar incidents in the future which may have the result of greater damages or personal injury.

Respectfully submitted,

PETER HOUK,  
City Attorney.

By Councilman Blair—

That we concur in the recommendation of the City Attorney and the City Clerk is hereby directed to draw a warrant on the City Treasurer in the amount of \$107.05 payable to H. R. Marple.

Carried.

Re: Claim of Nancy Parks in the amount of \$50.00 for ambulance services for child allegedly injured at Potter Park Zoo.

Dear Mayor and Council:

On June 9, 1976, claimant's son allegedly fell and lacerated his head while at the Potter Park Zoo. The wound required seven stitches to close.

The supervisor at the park did not tele-

phone the Fire Department ambulance, but rather called Mercy Ambulance Service to the scene. As a result, claimant incurred a \$50.00 charge.

Inasmuch as Lansing charter ch 7, §7.16 (e) requires the Fire Department to provide emergency ambulance service to inhabitants of the City, which at the present time is free of any extra charge, and since no attempt was made to utilize this service by the City on behalf of the claimant, it is the recommendation of this office that the claim be allowed.

Respectfully submitted,

PETER HOUK,  
City Attorney.

By Councilman Blair—

That we concur in the recommendation of the City Attorney and the City Clerk be and she is hereby directed to draw a warrant on the City Treasurer in the amount of \$50.00 payable to Lansing Mercy Ambulance Service in behalf of the claimant.

Dear Mayor and Council Members:

B.I.L.D. Corporation has declared as surplus a Dodge Club Cab Pick-up Truck which is a 1973 model rather than 1972 as their letter states. The serial number for this truck is D 178B3S049684.

We in turn are, hereby, declaring it surplus. Please be advised, however, that Mr. Stonehouse of the Housing and Redevelopment Department has expressed an interest in it being transferred to the Community Design Center for transporting of the tools. The truck, by the way, was originally used for that purpose.

A letter requesting its transfer to C.D.C. is hereby accepted from Pat Smith, Director of the Agency.

Honorable Mayor Graves and

Members of City Council

Gentlemen:

The Traffic Board recommends for Coun-  
cil concurrence that the request to remove  
the traffic signals at Olds Avenue and  
Division Street, and at Olds Avenue and  
Pine Street be approved. These signals can  
be removed after Olds Avenue has been  
closed to traffic with no adverse impact on  
traffic safety.

Letter (c)

Honorable Mayor Graves and

Members of City Council

Gentlemen:

The Traffic Board reviewed a request  
from Oldsmobile for a pedestrian signal  
on William Street east of Walnut Street.  
The signal would be pedestrian activated,  
and would remain green for vehicular  
traffic until activated by a pedestrian.

The Board recommends approval of the  
request on the condition that Oldsmobile  
pay all costs associated with the installa-  
tion of the signal, and that Oldsmobile  
pay the energy and maintenance costs of  
the signal. The signal will be maintained  
by the city since it will be located on a  
public street.

Respectfully submitted,

Eastland Subdivision

Honorable Mayor and Members  
of City Council

The Planning Board, at their July 20,  
1976 meeting, approved the recertification  
of the final plat of Eastland Subdivision,  
which was necessary because of the time  
lapse from the Board's initial approval to  
this date, which exceeded twelve (12)  
months.

This recertification was necessary to  
meet the requirements of the Michigan  
State Plat Act, known as Act 288, P.A.  
1967.

This recertification approval was made  
by unanimous vote.

P-3-76

Lancan Village No. 2 and No. 3

Preliminary Plat

Honorable Mayor and Members  
of City Council

The Planning Board, at their meeting of July 20, 1976, recommended that the tentative preliminary plat of Lancen Village No. 2 and No. 3 be approved subject to the following conditions:

- 1) The plat be developed in accord with the plan approved by City Council and with complete public improvements (streets, sewer, water, electricity) as required by the Subdivision Control Ordinance and the Michigan State Plat Act.
- 2) All lots be graded so that surface water drains to the street.
- 3) All requirements of the Soil Erosion and Sedimentation Control Act be followed.
- 4) Residential streets should be only thirty feet (30') curb to curb, and collector streets should be thirty-six (36') curb to curb.
- 5) That street names be cleared with the Tri-County Regional Planning Commission.
- 6) That the developer utilize an underground electrical distribution system, as specified in Section 37-33 of the Lansing Subdivision Regulations.
- 7) That necessary easements be provided for the installation of utilities.
- 8) The storm drainage plan must be approved by the Public Service Department.
- 9) That this is a tentative approval of the preliminary plat for a period of twelve (12) months.

The objection raised at the public hearing on July 6, 1976, was withdrawn following further discussion with the developer.

This recommendation was by unanimous (6 yeas, 0 nays) vote.

Sincerely,

ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

2500 Block East Michigan Avenue

Honorable Mayor and Members  
of City Council

The Planning Board, at their meeting of July 20, 1976 ( recommended that the alley

vacation in the 2500 block of East Michigan Avenue be approved subject to the retention of the necessary public utility easements.

The Board does not believe that the alley right-of-way is needed for future public use, based on the fact that it has never been used for its intended purpose, which was to serve all those properties abutting the public way.

This recommendation was by unanimous (6 yeas, 0 nays) vote.

SUP-9-76

324 Lathrop Street

Honorable Mayor and Members  
of City Council

The Planning Board, at their meeting of July 20, 1976, recommended that the Special Use Permit request for property located at 324 Lathrop Street, for the purpose of operating an adult foster care facility, be approved.

The Board does not believe that the use proposed would be out of character with the existing residential development in the vicinity. Review of this area does not indicate any type of concentration of these types of facilities. In terms of public facilities, the site is located in an area with public transportation, commercial facilities, churches, schools, and medical and recreational facilities all within a short distance.

The applicant has indicated that the residents would not be driving their own vehicles, therefore, off-street parking should not present a problem. Field inspection also indicated that the homes under consideration were undergoing repair so as to comply with the local and State regulations. Based on the fact that these repairs had not been completed, the Board further recommended that the Council take this into consideration and prior to final approval by the City Council that a re-inspection occur to provide assurances that these requirements have been met.

The petitioner initially indicated that he would house three people at this location and further indicated that the Planning Board public hearing that he would reduce this number to one, with the balance of individuals being transferred to the house directly across the street, known as 325 Lathrop Street. The Board addressed this issue and merely indicated their approval either way, providing that not more than a

total of six (6) individuals be housed at the two addresses.

This recommendation was made by a unanimous, 6 yeas, 0 nays, vote.

Sincerely,

ALAN E. TUBBS,  
Secretary,

#### RESOLUTIONS

By Committee on Parks and Recreation—

Resolved by the City Council of the City of Lansing:

Whereas, the City Council has approved the concept and various contracts relating to the development of the Kingsley Place Project, and

Whereas, the Purchasing Director, Director of Parks and Recreation, and Executive Assistant to the Mayor for Community Development have recommended the acceptance of the low bid submitted by Ace Wrecking Company for the demolition of 21 houses, and

Whereas, the low bid is in the amount of \$24,045 and funds are available in project budget accounts,

Now, Therefore, Be It Resolved that the City Council approves this acceptance of the bid of Ace Wrecking Company subject to approval of said bidder by the Equal Opportunity Division of the Detroit Area Office of the Department of Housing and Urban Development (HUD); provided that the failure of HUD to respond to the request for approval within fifteen (15) working days shall be considered approval, and

Be It Further Resolved, that upon approval of the contract by the City Attorney, the Mayor and City Clerk be authorized and directed to sign on behalf of the City.

Adopted by the following vote:

Unanimously.

By Committee on Buildings  
and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing recently acquired the property at 1305 S. Cedar St., Lansing, Michigan, commonly known as the John Bean Plant; and

Whereas, Diamond Reo Parts & Manufacturing, Inc., a Delaware Corporation authorized to do business in Michigan wishes to lease approximately 100,000 square feet on the second and third floors of the John Bean Plant for warehouse purposes; and

Whereas, Diamond Reo Parts may in the near future have need to rent additional space; and

Whereas, the City of Lansing and Diamond Reo Parts entered into a temporary lease July 20, 1976; and

Whereas, the City Assessor has determined that the fair market value rent for warehouse purposes of the John Bean Plant is Fifty (50) cents per square foot per year; and

Whereas, Diamond Reo Parts has offered to lease said premises at a rate of Fifty (50) cents per square foot per year; and

Whereas, Diamond Reo Parts desires to enter into a lease for a period of one year commencing July 20, 1976 with option to renew said lease for sixty (60) day increments after the initial year, provided that the initial and any subsequent lease be cancellable by either party upon ninety (90) days written notice; and

Whereas, Diamond Reo Parts shall pay a pro rata share of all property taxes assessable pursuant to MCLA 211.181 assessed after December 31, 1976; now, therefore, be it

Resolved, that the City Council approves the terms of the proposed lease; and be it

Finally Resolved, that, after approval as to form by the City Attorney, the Mayor and City Clerk be authorized and directed to execute the lease on behalf of the City of Lansing.

By Committee on Buildings  
and Properties—

Resolved by the City Council of the City  
of Lansing:

That the City Assessor be, and he is  
hereby directed to spread on the December,  
1976 Tax Roll (L-10), the cost of cutting  
weeds in the year 1976, in the amount of  
\$690.00, as reported this date by the  
Building Commissioner.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City  
of Lansing:

Whereas, the City of Lansing, through  
the City Demonstration Agency, contracted  
with Building in Lansing Development Cor-  
poration from 1970-75; and

Whereas, a 1973 Dodge Cub Pick-up was  
purchased for transporting tools during  
this period with City Demonstration funds  
pursuant to Title I of the Demonstration  
Cities and Metropolitan Development Act  
of 1966; and

Whereas, it is the desire of the Committee  
of the Whole that the truck be used by the  
Parks and Recreation Department for Title  
X use;

Now, Be It Resolved, that the Lansing  
City Council agrees to officially transfer  
from Building in Lansing Development  
Corporation a 1973 Dodge Cub Pick-Up  
Truck, Serial No. D178B3S049684, to the  
Parks and Recreation Department for use  
in the Title X program for the duration of  
that program.

Adopted by the following vote:

Unanimously.

By Committee on Buildings  
and Properties—

Resolved by the City Council of the City  
of Lansing:

Whereas, the City of Lansing does hold  
title to the property described as:

Commencing 33 ft. north and 33 ft.  
west of the S.E. corner of the N.E.  $\frac{1}{4}$   
of the S.E.  $\frac{1}{4}$  of Section 31 (the inter-  
section of the west right of way line of  
Pleasant Grove Rd. and the north right  
of way line of Reo Rd.), thence north  
62 ft. along said west line of Pleasant  
Grove Rd., thence west 157 ft. parallel  
to the north line of Reo Rd., thence  
south 62 ft., thence east 157 ft. to the  
point of beginning, Section 31, T4N,  
R2W, City of Lansing. (4632 Pleasant  
Grove Rd.)

and

Whereas, the City of Lansing has been  
renting the above described property to pri-  
vate individuals; and

Whereas, the above described property is  
presently not being held for public pur-  
poses; and

Whereas, it has been determined that  
continued ownership of subject property  
by the City of Lansing would serve no valid  
purpose; and

Whereas, a value of Thirteen Thousand  
Seven Hundred Fifty (\$13,750.00) Dollars  
has been established as the fair market  
value of the property; and

Whereas, the proposition to sell said  
property was submitted to the electors of  
the City of Lansing for approval as re-  
quired by Section 14.3 (d) of the Charter  
of the City of Lansing and as required by  
the laws of the State of Michigan at a  
regular City primary election; and

Whereas, the electors of the City of Lan-  
sing did approve the sale of subject prop-  
erty; and

Whereas, the Buildings and Properties  
Committee has an established policy for  
rotating the selection of Real Estate  
Brokers,

Now, Therefore, Be It Resolved that the  
Mayor and City Clerk are hereby authorized  
and directed to execute a ninety (90) day  
listing agreement with the Edward G.  
Hacker Co. at a sale price of not less than  
Thirteen Thousand Seven Hundred Fifty  
(\$13,750.00) Dollars.

Resolved by the City Council of the City  
of Lansing:

Whereas, the Property Management Divi-  
sion of the City of Lansing was directed  
to obtain a proposal from Manson, Jackson,  
Kane, Inc., for the repair of the South  
Grand Avenue Parking Ramp and installa-  
tion of new lighting; and

Whereas, Manson, Jackson, Kane, Inc.,  
Architects, was the firm that originally de-  
signed and supervised construction of the  
South Grand Avenue Parking Ramp; and

Whereas, the Property Management Divi-  
sion is now in receipt of the proposal; and

Whereas, the Buildings and Properties Committee has determined to accept said proposal;

Now, Therefore, Be It Resolved that the Mayor and City Clerk be directed to sign the contract by and between the City of Lansing and Manson, Jackson, Kane, Inc., after approval by the City Attorney as to form; and

Be It Further Resolved that the Finance Director be hereby authorized to make funds available from Account No. 585-571-451-976 in an amount not to exceed ten (10%) percent of the total construction cost to be paid upon completion of services specified in the contract.

By Committees on Planning and Public Service and Highways—

Resolved by the City Council of the City of Lansing:

P-2-74

Eastland Subdivision

Whereas, the final plat of Eastland Subdivision was approved by City Council on August 26, 1974; and

Whereas, following the final plat approval on August 26, 1974, the subdivision plat was forwarded to the Registrar of Deeds and the State of Michigan for recording; and

Whereas, said Subdivision did not get recorded because of changes in the requirements by the Department of Natural Resources and other delays which were caused by property owners; and

Whereas, the Registrar of Deeds and the State of Michigan are now requesting that the municipality recertify this plat to comply with the requirements of Act 288, P.A. 1967; and

Whereas, the Planning Board, at their meeting of July 20, 1976, took action and recertified this plat and forwarded their position to the City Council; and

Whereas, the Planning Committee of Council and the Public Service and Highways Committee of Council have reviewed this matter and recommend that the City Council recertify this plat subject to all the necessary monuments and irons being placed in the ground prior to the City Clerk giving her final endorsement.

Now, Therefore, Be It Resolved that the Council of the City of Lansing gives recertification to this plat subject to all the monuments and irons being placed in the ground prior to the City Clerk applying her signature to the final plat.

By Councilman Hull—

Resolved by the City Council of the City of Lansing:

Whereas, The National Youth Band of the Grand Duchy of Luxembourg is touring the United States of America in the year of our Bicentennial celebration; and

Whereas, The National Youth Band of the Grand Duchy of Luxembourg has included in its tour a visit to the City of Lansing from July 30 to August 2, 1976; and

Whereas, The National Youth Band of the Grand Duchy of Luxembourg has graciously shared its outstanding talents and friendship with the people of the City of Lansing through public concerts and visits in the homes of citizens of Lansing;

Now, Therefore, Be It Resolved that the City of Lansing in grateful recognition of the superior musical abilities and efforts of The National Youth Band of the Grand Duchy of Luxembourg in promoting international goodwill and friendship, does hereby declare Saturday, July 31, 1976 as The National Youth Band of the Grand Duchy of Luxembourg Day, and

Be It Further Resolved that a copy of this resolution be transmitted to The National Youth Band of the Grand Duchy of Luxembourg as evidence of the high regard in which they are held by the City of Lansing.

By Councilman McKane—

Resolved by the City Council of the City of Lansing:

Whereas, In September, 1976, as per court order, the Lansing community will enter an expanded phase of elementary desegregation. Not only will the program expand from 18 to 20 schools and result in the increase of the number of elementary students riding buses for purposes of achieving racial desegregation, but it will also for the first time involve students in the first and second grades.

Whereas, The earlier school desegregation plan was implemented without incident While it is to be hoped that implementation will proceed in as an orderly fashion this time, the expansion of the program—the schools, number of students, and grade levels—will increase the potential for problems, and also make it harder for the School District to cope with them alone, should such arise.

Whereas, Realizing that active, organized, visible community support may be one of the best means for assuring that problems do not develop, a coalition of groups and individuals—"For Kids and Community"

has been formed. Its stated purpose

"to facilitate the orderly and harmonious implementation of the court ordered desegregation process."

Whereas, The coalition "For Kids and Community" takes no position on the courts ruling, or the desegregation plan, or on busing. Its concern is to maintain a positive educational and community climate as school opens this fall. Individual representatives from business and labor sectors; civic organizations—church groups and government; in addition to parents of children who have been or will be involved in elementary school desegregation will be working independently of but in cooperation with the Lansing School Board of Education to provide adequate community back-up for a smooth transition.

Now, Therefore, Be It Resolved, by the Mayor and City Council to concur with the purpose of the coalition "For Kids and Community," and to assist in continuing that climate of good will by indicating our support for community efforts to assure the "orderly harmonious" implementation of the desegregation plan.

By Councilman Blair—

Resolved by the City Council of the City of Lansing:

Whereas, the general wage level in the Lansing area has been continually rising; and

Whereas, the rate paid for election workers in the City of Lansing has not been adjusted since November 5, 1968; and

Whereas, the Lansing election workers rate of pay should be compatible with other governmental units in the greater Lansing area; and

Whereas, the City Clerk has reviewed and endorses this change in rate of compensation to election workers;

Now, Therefore, Be It Resolved that the flat wage rate for precinct chairpersons be raised from a total wage (including election school fee) of \$40.00 per election to a total wage of \$50.00 per election; and the flat wage rate for a precinct worker be raised from a total wage (including election school fee) of \$30.00 per election to a total wage of \$40.00; and

Be It Further Resolved that the City Controller be directed to make the necessary transfer of funds in the amount of \$14,500 to cover this increase.

Adopted by the following vote:

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the City has negotiated a new labor agreement with Local 421 of the International Association of Firefighters which provides a general increase of 6% for bargaining unit members effective July 1, 1976, and

Whereas, the City is engaged in collective bargaining with three other City employee bargaining units, and

Whereas, it is the policy of the City to maintain equity between employees who are bargaining unit members and those who are not, now,

Therefore, Be It Resolved, that effective July 1, 1976, employees in pay levels V through XII who are not members of a recognized bargaining unit and who are permanent full-time employees of the City of Lansing shall receive a 6% general salary increase.

By Councilman McKane—

That the following amendment be added to the resolution:

Be It Further Resolved That: The Purchasing Director is hereby directed to prepare, after the general election in November, requests for proposals for a comprehensive compensation and job function analysis for all City personnel classifications VIII through XII to determine whether the compensation is appropriate for the job actually being performed.

## INTRODUCTION OF ORDINANCE

The following ordinance of the City of Lansing, Michigan, providing that the Code of Ordinances be amended by:

- a. Repealing of Section 4-10 of the Code of Ordinances of the City of Lansing and declaring same to be null and void and of no effect—(Consumption of alcoholic beverages in public or unlicensed places prohibited).
- b. Adding a new section to be numbered 4-10 of the Code (Consumption of alcoholic beverages in public or unlicensed places, prohibition exception).

was introduced by Councilman \_\_\_\_\_, read a first and second time by their title and referred to the Committee on Ordinance and Contracts.

By Councilman McKane—

Resolved by the City Council of the City of Lansing:

That Councilmen Brenke and Baker be excused from the session.

Carried.

By Councilman Belen—

Resolved by the City Council of the City of Lansing:

That the rule prescribed in Sec. 5.5 (g) of the Charter relative to considering business not on the agenda be waived.

Carried.

By Committee on Community Development—

Resolved by the City Council of the City of Lansing:

That the Mayor and City Clerk be and are hereby authorized and directed to execute Agreements for Appraisal Services, for properties to be acquired pursuant to the Physical Development Plan for Neighborhood Development Area No. 1, approved by the Lansing City Council on June 28, 1976, as follows:

# OFFICIAL PROCEEDINGS OF THE CITY COUNCIL OF THE CITY OF LANSING

## Proceedings, August 2, 1976

### CITY COUNCIL ROOMS

Lansing, Michigan  
August 2, 1976

The City Council of the City of Lansing, Michigan, met in regular session and was called to order by Mayor Pro-Tem McKane.

Present: Councilmen Adado, Baker, Belen, Blair, Brenke, Gunther, Hull, McKane—8.

Absent: None.

The Clerk announced that a quorum of the Council was present.

Invocation was given by Councilman Lucile Belen.

Pledge of Allegiance was given by Brian Blair, nephew of Councilman Blair, here from Bakersfield, California.

The record of the Council Proceedings for July 19, 1976, was approved.

By Councilman Hull—

That we suspend the rules for the purpose of considering a resolution No. 12 and presenting same to representatives from our Sister City of Otsu, Shiga Prefecture, Japan.

Carried.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the Sister-State program was established November, 1968, between the State of Michigan, United States of America, and Shiga Prefecture, Japan, to promote interchange in various fields of activities; and

Whereas, the Capital City of Shiga Prefecture, Otsu, has been established as the Sister-City of Lansing, which is the Capital City of the State of Michigan; and

Whereas, the Shiga Goodwill Mission is visiting Michigan and its nine sister cities,

in order to establish greater friendship and understanding between the people of Japan and the people of the United States through the medium of direct personal contact; and

Whereas, the City of Lansing through its Council does extend a welcome to the visitors from the City of Otsu, Shiga Prefecture, Japan, with hope that their visit will lead to a lasting friendship between the people of the City of Lansing and the City of Otsu.

Now, Therefore, Be It Resolved that the Council on behalf of the people of Lansing hereby extends a welcome to the Government and people of the City of Otsu, our Sister-City, upon their visit to the City of Lansing, as part of the Shiga Goodwill Mission for the purpose of creating good will and understanding between the people of two great nations; and

Be It Further Resolved that copies of this resolution are to be sent to the Mayor and Council of the City of Otsu, Shiga Prefecture, Japan. The Town Affiliation Association of the U. S., the United States Department of State, and the American Embassy of Japan as evidence of the affection and respect of the people of the City of Lansing.

Adopted by the following vote:

Unanimously.

The Honorable Mayor Gerald W. Graves  
and Members of the Lansing City Council  
Lansing City Hall  
Lansing, Michigan

Dear Mr. Mayor and Council Members:

Resolution No. 108, Section 281, City of Lansing, requires that the Lansing Housing Commission present an annual report to the Mayor and City Council. The following is an annual report for the year ending June 30, 1976.

#### Management

Under management as of June 30, 1976, the Housing Commission has the following projects:

	Units
Michigan 58-2 Mt. Vernon Park	140
Michigan 58-3 Hildabrandt Park	100
Michigan 58-4 Scattered Sites	15
Michigan 58-5 Scattered Sites	54

Michigan 58-10 South Washington Park	188
Michigan 58-11 Scattered Site Duplexes	46
Michigan 58-12 Forest Road and Hoyt Avenue	52
Michigan 58-1 Leased Housing	25
<b>TOTAL UNITS UNDER MANAGEMENT</b>	<b>921</b>

#### Development

Under Section 8 of the new Community Development Act, proposals from six developers were received by the Lansing Housing Commission to build 100 units of high rise for elderly and handicapped. The Commission sent the proposals to Detroit for evaluation and review, suggesting that the preferred proposal was that of Mr. Budnick with Tempo, Inc.

The proposals have been in review since March 4, 1976. However, no word has been received from the Detroit HUD Office as to whether the proposal is acceptable.

<b>Net Income (loss)</b>	<b>\$ 6,190.51</b>	<b>\$ 62,454.12</b>	<b>\$11,454.53</b>

The above has not yet been audited. An audit is to be conducted on the accounts for the last two years, beginning in August.

The above accounting is forthcoming from our fee accountants, Hawkins, Ashe and Baptie, Inc., of LaCrosse, Wisconsin.

The above operating statement shows a surplus, in all categories, of \$80,099.17. The surplus came as a result of the raising of rents in January and February. However, as it presently appears, the budget which the Commission is operating under, 1976-1977, will be deficit in this fiscal year. It is hoped that the deficit of fiscal year 1976-1977 can be offset by the surplus from 1975 1976.

The Lansing Housing Commission placed an application with Detroit in harmony with the Housing Assistance Plan, City of Lansing, asking for 80 units to be provided with Housing Assistance Payments under Section 8, on June 24, 1975.

At this writing, most of the work had been completed in procurement of ACC

monies necessary to provide Existing Housing units in the following amounts:

- 20 Efficiency units, primarily for elderly and handicapped
- 13 one bedroom for families
- 21 two bedroom for families
- 16 three bedroom for families
- 10 four plus bedroom for families.

The Housing Commission would function as the financial management officer to determine and to pay landlords the difference between the Fair Market Rents and the amount residents would be expected to pay in compliance with the present formula.

Modernization No. 4 allocates \$360,000.00 to the Lansing Housing Commission to upgrade, repair and maintain the properties under the management of the Lansing Housing Commission. Most of the twelve projects are allocated money under this program. The purpose of Modernization is to keep the housing stock under the

management of the Lansing Housing Commission in good, usable condition.

The New Development Act of 1974 requires that public housing be put on a different basis in the community than previously allowed. The Act strongly recommends that the consistency of public housing residents be comparable to the cross section of low, moderate and upper income families in the community. Such a cross section will require the changing of the income limits to reflect a wider economic base for the inclusion of families into public housing.

In compliance with the directive of Detroit HUD, residents who receive ADC support were forced to pay the amount of rent that the Department of Social Services would allow for housing allowance plus heating fuel plus utility allowance. This rent raise caused many families to seek housing elsewhere than in public housing. On a temporary basis, the Housing Commission is experiencing a few more vacancies than in previous years. The Commission is of the opinion that this condition will stabilize, however.

In consequence of the above, the application lists reflect fewer applicants interested in public housing than in prior years.

Our present application lists, on file, reveal the following:

Total family applications = 168

Total elderly applications = 149

The Commission appreciates the working relationship that it has experienced with the Mayor and City Council during the last fiscal year and in prior years.

Most cordially,

MARCEL B. ELLIOTT.

Received and placed on file.

RE: Tower Change for Channels 1 and 3

Presently, the Police Department rents space on the Michigan National Tower Building for our Channel 1 and 3 antenna. Last year Michigan National raised this rent from \$750 per year to \$1,000 per year.

The Board of Water and Light has just constructed a tower at their yard on South Pennsylvania Avenue. This tower has been tested as a possible replacement sight for our Channel 1 and 3 antenna. The tests have proven this location to be an improvement over the Michigan National Tower sight.

The cost to move our antenna to the

Board of Water and Light tower would be \$2,359.30 for transmission lines, \$232 for antennas, \$54 for additional side arm, and \$700 for tower climbing for a total of \$3,345.30. This would be a one-time cost.

Negotiations with the Board of Water and Light have not been accomplished but word-of-mouth indications are there would be no problems.

A move would require an additional expenditure of \$2,345.30 in fiscal year 1976-1977 but would be a \$1,000 savings each year in the future, based on the present rent paid to Michigan National. I therefore would recommend the move.

RICHARD A. GLEASON,  
Chief of Police.

Referred to Committee on Public Safety.

### REPORT OF COMMITTEE

The Committee on PUBLIC SAFETY, to whom was referred the request of the Chief of Police that the Lansing Police Department Channels 1 and 3 antenna be moved to the Board of Water and Light tower in the Board's yard on South Pennsylvania Avenue, reports as follows:

The Committee recommends the moving of the antenna as requested by the Chief of Police and that the matter be referred to the Committee on Finance to make funds available for the additional expenditure of \$2,345.30 to cover this move.

FROM: Carl W. Barratt, Fire Chief

SUBJECT: Additional Funding

Lansing Fire Department has procured a new 100-foot Seagraves "Rear Admiral" Aerial Ladder Truck. The truck has been delivered and is presently being readied for service. The cost of the delivered truck was \$116,622.00.

Past procedures have been to make allowances for any additional equipping

which might have been required to put the apparatus in service. An example of this would be: installing air mask brackets, installation of electrical equipment such as portable lights, generators, etc.; also such hard items as deluge sets, water tower equipment, nozzle, etc., are assigned to the new rig so that the total rig will depreciate over the number of years scheduled.

We have found that considerable savings can be effected for the City by doing the final equipping in our own Fire Garage.

Because of tight budgeting, austerity, etc., only the \$116,622.00 was allowed.

Additional funding of \$1,400.00 is requested to place the rig in service.

CARL W. BARRATT, Chief,  
Lansing Fire Department.

July 29, 1976

Honorable Mayor Gerald W. Graves and  
Members of the Lansing City Council

Gentlemen:

Subject: Vacation of portions of East Ottawa Street and Depot Street

The Urban Renewal Plan for Project No. 2, Michigan A-6, as last approved by the City Council of the City of Lansing on March 24, 1975, calls for the following portions of public streets to be vacated:

1. All of East Ottawa Street west of Cedar Street.
2. Depot Street, from the south right of way line of East Ottawa Street to a point 163.75 feet south thereof.

According to the Urban Renewal Plan, the above property is to be vacated, with title thereof going to the Urban Renewal Project. This property will then be sold as a part of disposition Parcel II, subject to any required utility easements of record.

Inasmuch as this department has installed the new Mill Street to service this general area, please consider this to be our formal request that the above mentioned property be vacated.

Sincerely,

RONALD G. STONEHOUSE,  
Director,  
Department of Housing and  
Redevelopment.

Referred to Committee on Public Service  
and Highways and Committee on Planning.

July 29, 1976

Honorable Mayor Gerald W. Graves and  
Members of the Lansing City Council

Gentlemen:

Subject: Contract for Title Services  
NDA No. 1—Westside

Attached hereto you will find a resolution which, if adopted, would authorize the Mayor and City Clerk to enter into a Contract for Title Services with Transamerica Title Insurance Company for the provision of title searches and insurance commitments, a master title insurance policy, and escrow services required in the acquisition of those properties specified in the Physical Development Plan for Neighborhood Development Area No. 1, as adopted by the Lansing City Council on June 28, 1976.

On July 14, 1976, this office issued a Request for Proposals for title services, with specific instructions that said proposals must be delivered no later than July 28, 1976. The only proposal received was that of Transamerica. Follow up calls with the other firms indicate that their current workloads prevented them from proposing to take on this work.

Based on the above, and based on a review of the Transamerica proposal, it is my recommendation that this proposal be accepted. The terms of the proposal are as follows:

1. Preparation of title insurance commitments—no charge,

2. Master title policy—\$376 for a policy of \$100,000, plus \$1.00 per thousand dollars of insurance over \$100,000.
3. Escrow and closing services—\$35 per closing.

Because it is necessary to have the above title work started immediately so that acquisition activities can be performed in accordance with Federal regulations, I hereby request the City Council to concur in this recommendation by adopting the attached resolution during its meeting to be held on August 2, 1976.

Sincerely,

RONALD G. STONEHOUSE,  
Housing and Redevelopment  
Director.

Letter A

Honorable Mayor Graves and  
Members of City Council  
Gentlemen:

The Lansing Traffic Board reviewed the information requested in the Council resolution which was referred to the Board on March 29, 1976. The resolution requested information relative to five revisions in the operation of the Parking Division of the Traffic Department. After much discussion, the Traffic Board voted unanimously to forward the information to City Council with a resolution stating the Board's policy on the operation of the Parking Division.

The information requested in the Council resolution, and the resolution passed by the Traffic Board are attached.

Respectfully submitted,

LANSING TRAFFIC BOARD  
Raymond O. Severy,  
Secretary.

Referred to Committee on Public Safety.

By Councilman Blair—

That the Committee on Buildings and Properties be added to the referral.

Lost by the following vote:

Yeas: Councilmen Baker, Blair, Hull, McKane—4.

Nays: Councilmen Adado, Belen, Brenke, Gunther—4.

Much discussion was held in regard to this.

By Councilman Belen—

That this be amended—that both Committees meet jointly.

Adopted by the following vote:

Yeas: Councilmen Baker, Belen, Blair, Brenke, Gunther, Hull, McKane—7.

Nays: Councilman Adado—1.

The Committee Report as amended was adopted by the following vote:

Unanimously.

July 30, 1976

Letter B

Honorable Mayor Graves and

Members of City Council

Gentlemen:

The Traffic Board reviewed a request to revise the parking regulations on South Pine Street between Kalamazoo and Hillsdale. The Traffic Code presently prohibits parking from 7 A.M. to 7 P.M. on both sides of Pine Street from Allegan to Lenawee Street, on the west side of Pine Street from Lenawee to St. Joseph Street, and prohibits stopping, standing, or parking 4 P.M. to 6 P.M. on the east side of Pine from Lenawee to St. Joseph Street. The signing on the street does not reflect these regulations, however.

Presently unlimited parking is allowed on the west side of Pine from Kalamazoo to Lenawee. This causes traffic congestion on Pine Street because traffic must merge into three lanes at Kalamazoo to avoid the parked cars. Most vehicles in the left curb lane turn left at Kalamazoo, thus only two lanes are utilized as thru lanes at this intersection.

The Traffic Board recommends that the NO PARKING 7 AM-7 PM regulations on the west side of Pine Street from Kalamazoo to Lenawee be re-established, and that all parking restrictions be removed from the east side of Pine Street from Kalamazoo to Hillsdale. We would then have three thru lanes on Pine Street south of Kalamazoo.

Respectfully submitted,

LANSING TRAFFIC BOARD  
Raymond O. Severy,  
Secretary.

Referred to Committee on Public Safety.

Letter C

Honorable Mayor Graves and

Members of City Council

Gentlemen:

The Traffic Board concurs with the emergency action taken by Council relative to parking on Vernon Street, and recommends that parking be prohibited on the north side of Vernon Street from Cedar Street to Southgate Street on a permanent basis.

Respectfully submitted,

LANSING TRAFFIC BOARD  
Raymond O. Severy,  
Secretary.

Referred to Committee on Public Safety.

July 30, 1976

Letter D

Honorable Mayor Graves and

Members of City Council

Gentlemen:

The Traffic Board reviewed the petitioned request for removing parking from the west side of Hillsdale Street and Heather Lane adjacent to St. Joe Park. City policy has been to remove parking adjacent to all city parks.

The Board recommends that No Standing or Parking be allowed on the west side of Hillsdale Street from Kalamazoo to Heather, and on the west side of Heather from Hillsdale to St. Joseph. Appropriate signs were erected July 23, in accordance with Council's emergency order of July 19, 1976.

Respectfully submitted,

Subject: Election of Officers for the  
Housing and Redevelopment  
Advisory Board.

Please be advised that the Housing and  
Redevelopment Advisory Board, at its meet-  
ing held on July 27, 1976, elected the fol-  
lowing officers:

Irving R. Shaw, Chairman  
Jack G. Griffin, Vice-Chairman

The terms of these officers expire in July,  
1977.

Respectfully submitted,

Honorable Mayor Gerald W. Graves and  
Members of the Lansing City Council  
Gentlemen:

Subject: Board Recommendations

Please be advised that the Housing and  
Redevelopment Advisory Board, at its meet-  
ing held on July 27, 1976, unanimously  
agreed to advise the Lansing City Council  
that the Board desires to have an adequate  
opportunity to formulate recommendations

to the Lansing City Council on matters  
that could impact downtown Lansing.

In making this recommendation, the  
Board was concerned that City Council  
should refer items such as the temporary  
vendors (flowercart and food stand) re-  
cently approved in the downtown area for  
the Board's recommendation. Although  
these items were reviewed by the Washing-  
ton Square Mall Advisory Board, it was the  
opinion of the Housing and Redevelopment  
Advisory Board that its input may have  
been of assistance to the Lansing City  
Council in making a decision on such mat-  
ters. The Board did not formulate a posi-  
tion on these two particular temporary  
operations, after discussion.

Respectfully submitted,

HOUSING AND REDEVELOP-  
MENT ADVISORY BOARD  
Ronald G. Stonehouse,  
Secretary.

Honorable Mayor Gerald W. Graves,  
Mayor Pro-Tem Terry J. McKane, and  
Members of the Lansing City Council  
Tenth Floor, City Hall  
Lansing, Michigan 48933

Dear Mayor Graves, Mayor Pro-Tem  
McKane and Council Members:

The members of Citizens' District Council  
No. 2 met on the evening of Tuesday, July  
27, 1976 to be advised by City staff mem-  
bers of the various options available to the  
Lansing City Council and this Council to  
provide additional unappropriated Com-  
munity Development funds to support the  
Physical Development Plan for Neighbor-  
hood Development Area No. 2 which cur-  
rently exceeds funds available from all  
sources by \$1,055,490. reduce recommended  
Physical Development Plan activities, or a  
combination of both. This amount does not  
include an estimated additional amount re-  
quired of \$165,000 for sewer separation.

The Plan presently exceeds the Planning  
Department Community Development cost  
estimates contained in the Housing Revi-  
talization Booklet by \$301,157.

After considerable deliberation and  
thought, the members of the Citizens' Dis-  
trict Council No. 2 have unanimously agreed  
that the Plan that we have prepared for  
implementation in our neighborhood is  
justifiably within reason; to do less than  
what is planned for would be detrimental  
to the containment strategy of the City of  
Lansing's Community Development Pro-  
gram. It is felt that a complete program  
for neighborhood revitalization and stabili-  
zation must be accomplished in each target  
area, that is to say, an incomplete job

would only produce unidentifiable and insignificant results in any one given area if Community Development funds were spread out throughout the community.

Neighborhood revitalization, with primary emphasis upon housing rehabilitation, appears to us to be the most important part of the Community Development Program. With this in mind, this Council agrees that if sacrifices are to be made, they should be made in other various City activities.

In conclusion, I would like to reaffirm our position that our Plan has been prepared in good faith and felt to be justifiably appropriate to the revitalization of our neighborhood. We request that City Council do whatever possible to appropriate funds for our neighborhood to implement and complete our Physical Development Plan.

Sincerely,

G. RICHARD LUCAS,  
Chairman.

Tenth Floor—City Hall

Lansing, Michigan

Dear Mr. Mayor Pro-Tem and

Council Members:

Please be advised that I will be absent from the Regular Council Session of Monday, August 2, 1976. I have been requested by representatives of the Economic Development Administration of the United States Commerce Department to attend a meeting

in Chicago, Illinois, on this same date, pertaining to the Funding Application of Bellefonte Glass Corporation. Partial funding of Bellefonte Glass Corporation, by the United States Commerce Department could result in 250 to 800 new positions of employment in the City of Lansing.

Respectfully,

Mayor.  
GERALD W. GRAVES,

Received and placed on file.

July 29, 1976

Honorable Mayor Pro-Tem and Members  
of the Lansing City Council

Tenth Floor—City Hall

Lansing, Michigan 48933

Dear Mayor Pro-Tem and  
Council Members:

During this past week, Ronald Stonehouse, Director of the Department of Housing and Redevelopment, and I, met with Mr. Richard Cahill, who has proposed to construct a new building in the 300 block of the Washington Square Mall. Mr. Cahill has expressed his keen desire to proceed as soon as possible. The requested change by the Planning Department is now agreed to, and all needs of the Department of Housing and Redevelopment have been met.

Therefore, I am requesting that the Lansing City Council immediately consider the attached resolution. A copy of the working drawings for this proposed building are on file with the Council Secretary.

Both Mr. Stonehouse and Mr. Cahill have advised they will be available to answer any questions you may have on the matter.

Trusting this meets with your approval,  
I remain

Sincerely,

GERALD W. GRAVES,  
Mayor.

Referred to Committee on Planning and  
Committee on Community Development.

#### RESOLUTIONS

By Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

That the low bid of Rieth-Riley Construction Co., Inc., for the 1976 Blacktop Contract, P.S. 74043, in the amount of \$68,672.86 be accepted.

An additional 15% in the amount of \$10,300.93 is hereby authorized to be encumbered by the Controller for contingencies, making the total encumbered amount under this Contract, \$78,973.79.

After the award, the successful bidder shall be required to execute the contract as specified within ten days after the prescribed forms are presented to him for signature, as stipulated in Instruction to Bidders of the Contract.

Be It Further Resolved, that the Mayor and City Clerk be directed to execute a contract with the said Rieth-Riley Construction Co., Inc., on behalf of the City of Lansing according to the said bid presented and the specifications on file, and upon certification of the City Controller as to the availability of funds.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

That the City Assessor be, and he is hereby directed to spread on the December, 1976 tax rolls, the cost of correcting the hazardous and unsanitary conditions of properties in the year 1976, in the amount of \$579.20, as reported this date by the Building Commissioner, and as per attached list.

That the City Assessor be, and he is hereby directed to spread on the December, 1976 Tax Roll (L-10), the cost of cutting weeds in the year 1976, in the amount of \$605.00, as reported this date by the Building Commissioner.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, the Lansing Building Commissioner determined on June 24, 1976, that the building located at 716 S. Francis Ave., Lansing, Michigan, was an unsafe or dangerous building as denied in Section 9A-13 of the Lansing Uniform Housing Code and the housing law of Michigan, and

Whereas, the Building Commissioner is sued a notice to Mary Ellen Francis, owner, as appears from the last local tax assessment records, requesting her to appear at a hearing to show cause why the building should not be demolished or otherwise made safe; and

Whereas, a hearing before the Hearing Board was held July 8, 1976, at which hearing Mary Ellen Francis DID NOT appear, and the Hearing Officers determined that the building did not meet minimum housing code standards and ordered the building demolished or otherwise made safe; and

Whereas, said Hearing Officers have filed a report of their findings and order with the Lansing City Council, and have requested the City Council to take appropriate action under Section 9A-13 of the Lansing Uniform Housing Code and the housing law of Michigan, to require that said building be demolished or otherwise made safe; now, therefore be it

Resolved, that a hearing be scheduled for August 23, 1976, at 7:30 p.m. o'clock, at the chambers of the Lansing City Council, to review the findings and order of the Hearing Officers, and to approve, disapprove, or modify said order, and that the owner shall have the opportunity to appear at the hearing and show cause why the aforesaid building should not be demolished or otherwise made safe; now, therefore, be it further

Resolved, that written notice of the time and place of said hearing shall be personally served or mailed by certified mail, return receipt requested, to said owner in whose name the property appears according to the last local tax assessment records; and that said notice shall be served or mailed at least ten (10) days prior to said hearing.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, the Lansing Building Commissioner determined on February 17, 1976, that the building located at 424 Dorrance

Place, Lansing, Michigan, was an unsafe or dangerous building as defined in Section 9A-13 of the Lansing Uniform Housing Code and the housing law of Michigan, and

Whereas, the Building Commissioner issued a notice to Mr. and Mrs. Leonard Hodges, owners, as appears from the last local tax assessment records, requesting them to appear at a hearing to show cause why the building should not be demolished or otherwise made safe; and

Whereas, a hearing before the Hearing Board was held July 8, 1976, at which hearing Mr and Mrs. Leonard Hodges DID NOT appear, and the Hearing Officers determined that the building did not meet minimum housing code standards and ordered the building demolished or otherwise made safe; and

Whereas, said Hearing Officers have filed a report of their findings and order with the Lansing City Council, and have requested the City Council to take appropriate action under Section 9A-13 of the Lansing Uniform Housing Code and the housing law of Michigan, to require that said building be demolished or otherwise made safe; now, therefore, be it

Resolved, that a hearing be scheduled for August 23, 1976, at 7:30 p.m. o'clock, at the chambers of the Lansing City Council, to review the findings and order of the Hearing Officers, and to approve, disapprove, or modify said order, and that the owners shall have the opportunity to appear at the hearing and show cause why the aforesaid building should not be demolished or otherwise made safe; now, therefore, be it further

Resolved, that written notice of the time and place of said hearing shall be personally served or mailed by certified mail, return receipt requested, to said owner in whose name the property appears according to the last local tax assessment records; and that said notice shall be served or mailed at least ten (10) days prior to said hearing.

Adopted by the following vote:

Unanimously.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

That the appointment of Bruce Kozlowski to the Board of Appeals (Zoning Ordinance) for a term ending June 30, 1980, be confirmed.

Adopted by the following vote:

Unanimously.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

Whereas, on November 19, 1963, Elizabeth E. Webster, Trustee, conveyed to the City of Lansing a single lot described as: Outlot B of the Plat of Frandora Hills No. 1 of the City of Lansing, Ingham County, Michigan, and stated within that deed as follows:

"To be used for street purposes only. Outlot B is to revert to said party of the first part, or her successor should party of the second part sell, lease, or put to any other use than for the purpose of a street to serve property to the north"; and

Whereas, the City of Lansing has never used Outlot B for street purposes; and

Whereas, on April 13, 1976, Frandorson Properties, a Michigan limited partnership, by and through its attorney Donald Hines, filed a letter request with the City of Lansing asking the City to convey the aforementioned Outlot B to Frandorson Properties, said Frandorson Properties being the successor of the aforementioned Elizabeth E. Webster, Trustee; and

Whereas, this letter request received from Frandorson Properties was referred by the Lansing City Council to the Planning Board, the Traffic Board, the Public Service Board, the Parks Board, the Board of Water and Light, and the City Attorney, all of which Boards and the City Attorney have reviewed the matter and returned reports to the City Council; and

Whereas, the property involved is not being used nor does it have any prospect of being used for public purposes; and

Whereas, the assessed valuation of the property involved is less than Five Thousand Dollars (\$5,000) or is so appraised by the Assessor, thereby making it unnecessary to seek the approval of the electors under Lansing Charter, chapter 14, §14.3(d); and

Whereas, the City of Lansing resolved June 28, 1976, to place an attached resolution concerning the deeding of the property to Frandorson Properties on file in the City Clerk's Office, which resolution was to remain there for a period of thirty (30) days in conformance with Lansing Charter, chapter 14, §14.3(d); and

Whereas, the attached resolution did not authorize and direct the Mayor and City Clerk to execute the deed; and

Whereas, the attached resolution did not direct that the property be deeded to Frandorson Properties, the successor of the original owner; now, therefore, be it

Resolved, by the City Council of the City of Lansing, that pursuant to Lansing Charter, chapter 14, §14.3(d) the resolution attached hereto with the necessary changes therein, be placed and remain on file in the Clerk's Office for public inspection for thirty (30) days beginning August 3, 1976, and that the Clerk place the attached resolution on the agenda for the Council meeting September 7, 1976.

Adopted by the following vote:

Unanimously.

By Committee on Parks and Recreation—

Resolved by the City Council of the City of Lansing:

Whereas, the property owner having been notified by written notice to remove certain female boxelder tree located as follows:

Petition No. 22

No. of Trees—1

Tree Location—815 Banghart

Owner and Address—Robert L. Dixon, 815 Banghart, Lansing, Michigan 48906

and having failed to remove said tree,

Now, Therefore, Be It Resolved that the Department of Parks and Recreation is hereby authorized to have the tree removed by contract bidding and the costs of cutting and removal be assessed against the property owners in accordance with Section 23-23.3 of the Code of the City of Lansing.

Adopted by the following vote:

Unanimously.

By Councilmen Gunther and Belen—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing has received a Redevelopment Proposal for Parcel 7 of Urban Renewal Project No. 1, Mich. R-87, from Telephone Communications, Incorporated, a Michigan corporation, and

Whereas, a Contract for Sale of Land for Private Redevelopment by and between the City of Lansing and Telephone Communications, Incorporated, has been prepared and said agreement is determined to be satisfactory, and

Whereas, the Redevelopment Proposal submitted by Telephone Communications, Incorporated, and the proposed Contract for Sale of Land for Private Redevelopment by and between the City of Lansing and Telephone Communications, Incorporated, were placed on file for public examination for a period of thirty (30) days prior to the Public Hearing held by the City Council of the City of Lansing on June 14, 1976,

Now, Therefore, Be It Resolved by the City Council of the City of Lansing that the Mayor and City Clerk be and are hereby authorized and directed to execute the Contract for Sale of Land for Private Redevelopment by and between the City of

Lansing and Telephone Communications, Incorporated, on behalf of the City of Lansing

Lost by the following vote:

Yeas: Councilmen Adado, Belen, Brenke, Gunther, McKane—5.

Nays: Councilmen Baker, Blair—2.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the City Council of the City of Lansing has established procedures for initiating activities necessary for effective planning and implementation of the Housing and Community Development Act of 1974; and

Whereas, the City of Lansing will be provided an estimated twenty-nine million dollars for the Fiscal Years 1975-80; and

Whereas, the Act requires the City of Lansing to prepare an application and Community Development Plan for Fiscal Year 1978 for submission to the United States Department of Housing and Urban Development no later than April 15, 1977;

Now, Therefore, Be It Resolved that the City Council of the City of Lansing hereby approve the Fiscal Year 1978 Community Development Management and Decision Making Process Schedule, (attached as an enclosure), and that the first public hearing will take place on August 23, 1976, location and time to be announced.

By Councilman Baker—

That the resolution be amended to delete all items after the August 23, 1976 date on the attached enclosure and this be referred to the Committee on Community Development.

The amendment was adopted by the following vote:

Unanimously.

The resolution as amended was adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, the position of Civic Center Manager has been vacant since July 1, 1976; and

Whereas, the Civic Center Board is conducting interviews to fill this position; and

Whereas, it is imperative that there be interim management of the Civic Center; and

Whereas, the Lansing City Council in true spirit of cooperation is willing to temporarily assign a knowledgeable experienced city administrator to the Civic Center Board;

Now, Therefore, Be It Resolved that with the concurrence of the Civic Center Board, Louis Klimecky is appointed temporary Acting Manager of the Civic Center effective August 4, 1976, until such time as the permanent Civic Center Manager is appointed.

Adopted by the following vote:

Unanimously.

By Councilman Blair—

That the letter from the Chairman of the Civic Center Board be made a part of this.

August 2, 1976

Honorable Mayor Pro-Tem and

Members of the Lansing City Council

Tenth Floor, City Hall

Lansing, Michigan

Council Members:

The members of the Civic Center Board agrees that it will be in the interest of the Civic Center and the City of Lansing to have an experienced administrator as interim manager.

We concur with the City Council in the appointment of Louis Klimecky as temporary Acting Manager of the Civic Center, effective August 4, 1976, until such time as the permanent Civic Center Manager is appointed.

For: CIVIC CENTER BOARD  
Melvin Herr, Chairman

By Building and Properties Committee—

Resolved by the City Council of the City of Lansing:

Whereas, the Federal Government has ordered all governmental entities to take appropriate action to inoculate the citizenry against the Swine Flu; and

Whereas, the City/County Liaison Committee met on July 15 to discuss this issue and determine that the City of Lansing and Ingham County should cooperate in a joint effort to co-sponsor two weekends; Saturday and Sunday, October 2/3 and 9/10, respectively, to begin the inoculation process; and

Whereas, the estimated cost of this inoculation process has been established at—\$40,000 (County Funds), with \$10,000 to be reimbursed from the Federal Government; and

Whereas, the City of Lansing supports all programs that provide for health, safety and welfare of all citizens; and

Whereas, the Civic Center is the property of the City of Lansing and the Council, as the legislative body of the City of Lansing has the authority to waive the normal \$1,600 rental cost for utilizing this facility;

Now, Therefore, Be It Resolved that the City Council approves of this joint City/County effort to inoculate the citizens against swine flu, utilizing the Civic Center for such purposes; and

Be It Finally Resolved that the Council directs the Civic Center Board to waive the normal \$1,600 rental cost, and that a copy of this resolution be forwarded to the above stated board.

Adopted by the following vote:

Unanimously.

By Councilmen McKane and Adado—

Resolved by the City Council of the City of Lansing:

Whereas, Harold O. and Julia (Halfmann) Probst of 1726 Abington Place, Lansing, both moved to Lansing in 1921 and have resided here continuously; and

Whereas, Harold and Julia were married August 2, 1926, in St. Mary's Rectory after Harold completed a course in pharmacy at Ferris Institute; and

Whereas, Harold Probst is the founder of the Lansing retail drug chain, Probst Drug Company, which was started in 1928; and

Whereas, Harold has been active in the Kiwanis since 1955 and his church, Grace United Methodist, which he help build in 1952; and

Whereas, Julia is a member of St. Casimer Church and is active in the St. Lawrence Hospital Auxiliary and the Catholic Women's Club; and

Whereas, Harold and Julia Probst now celebrate their 50th wedding anniversary; and

Whereas, The Probsts have been outstanding spouses, parents and community citizens;

Now, Therefore, Be It Resolved that Harold and Julia Probst be congratulated and commended on the occasion of their 50th wedding anniversary; and

Be It Further Resolved, that a copy of

this resolution be transmitted to Harold and Julia Probst as evidence of the high regard in which they are held by the City of Lansing.

Adopted by the following vote:

Unanimously.

#### ZONINGS

By Councilman Gunther—

Whereas, it is deemed desirable to amend  
the Classification provided for in the Zon-  
ing Code of the City of Lansing, passed on  
the 13th day of November, 1958, in the  
following particulars, viz:

That the property described as:

SUP-5-76—5805-5810 Orchard Court

(to be used as an Adult Foster Care Home),  
and the "Map" be changed to indicate such  
transfer;

Therefore, Be It Resolved, that the City  
Clerk shall give at least fifteen days notice  
of a Public Hearing when all persons in-  
terested may attend and make any objec-  
tions they may have to such proposed  
changes in said Zoning Code.

Resolved Further, that such hearing shall

By Committee on Planning—

Whereas, by petition duly filed on the 17th day of May, 1976, this Council was petitioned to change the following described property from "Community Unit Plan" District to "A" One Family Residence District, all as set forth in the Zoning Code of this city, and

Whereas, due notice as required by law has been given for a public hearing on said petition, and

Whereas, at such hearing held on the 19th day of July, 1976, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is described as:

Z-21-76—Woodglen Subdivision No. 1,

more particularly described as:

Lots 1, 3, 6 and 8 of Woodglen Subdivision No. 1, part of the northwest ¼ of Section 8, T8N, R2W, City of Lansing, Ingham County, Michigan,

from "CUP" Community Unit Plan to "A-1" Family Residential District.

Whereas, pursuant to Act 207, P.A. 1921, the Planning Board advised the City Council to approve this request subject to the land being re-subdivided in accord with the Michigan State Plat Act and the Lansing Subdivision Regulations; and that the subdivision of land exclude lots which would have direct access to Edgewood Boulevard and eliminate any further public street access to Edgewood Boulevard, other than Longmeadow Boulevard; and

Whereas, the Planning Committee of Council, to whom was referred the report of the Planning Board, concurs therewith;

Now, Therefore, Be It Resolved that the Council of the City of Lansing ordains that the petition to rezone the above described property from "CUP" Community Unit Plan to "A-1" Family Residential District be approved, subject to the land being re-subdivided in accord with the Michigan State Plat Act and the Lansing Subdivision Regulations; and that the subdivision of land exclude lots which would have direct access to Edgewood Boulevard and eliminate any further public street access to Edgewood Boulevard, other than Longmeadow Boulevard.

Adopted by the following vote:

Unanimously.

By Committee on Planning—

Whereas, by petition duly filed on the 17th day of May, 1976, this Council was petitioned to change the following described property from "A" One Family Residence, "E-2" Drive-In Shop and "D-1" Professional Office Districts to "F" Commercial District, all as set forth in the Zoning Code of this city, and

Whereas, due notice as required by law has been given for a public hearing on said petition, and

Whereas, at such hearing held on the 19th day of July, 1976, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is described as:

Z-22-76—3621 Duncel Road,

more particularly described as:

Beginning on the E-W  $\frac{1}{4}$  line of Section 36, T4N, R2W, South 89° 46' 59" W. 37.62 feet from the N.E. corner of the W.  $\frac{1}{2}$  of the S.W.  $\frac{1}{4}$  of said Section 36; thence continuing south 89° 46' 59" W. 445.10 feet to the I-496 Limited Access Right of Way; thence along the right of way for I-496, south 4° 39' 20" W. 42.22 feet; south 40° 45' 47" E. 210.65 feet, south 86° 09' 45" E. 185.37 ft.; north 47° 24' 45" E. 174.71 feet; and north 1° 31' 45" W. 97.5 feet to the point of beginning,

from "E-2" Drive-In Shop District, "D-1" Professional Office District, and "A-1" Family Residential District to "F" Commercial District.

Whereas, pursuant to Act 207, P.A. 1921, the Planning Board advised the City Council to approve this request, providing that: (1) A landscape and screening plan be submitted for approval to the Planning Department. Said plan should reflect fencing along the north line of this property that would be in keeping with the permanent open space. The Planning Board suggested the possibility of a split rail fence, and (2) the trash bins be located to the northwest corner of the site; and

Whereas, the Planning Committee of Council, to whom was referred the report of the Planning Board, concurs therewith;

Now, Therefore, Be It Resolved that the Council of the City of Lansing ordains that the petition to rezone the above described property from "E-2" Drive-In Shop, "D-1" Professional Office, and "A-1" Family Residential Districts to "F" Commercial District be approved; and providing further that: (1) a landscape and screening plan be submitted for approval to the Planning Department. Said plan should reflect fencing along the north line of this property that would be in keeping with the permanent open space, and (2) the trash bins be located to the northwest corner of the site.

By Councilman Baker—

That the resolution be amended to read "That the location of the trash bins be placed in a location acceptable to the Planning Department.

Carried.

By Committee on Planning—

Whereas, by petition duly filed on the 17th day of May, 1976, this Council was petitioned to change the following described property from "B" One Family Residence District to "J" Parking District, all as set forth in the Zoning Code of this city, and

Whereas, due notice as required by law has been given for a public hearing on said petition, and

Whereas, at such hearing held on the 19th day of July, 1976, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is described as:

Z-23-76—116 Horton Avenue,

more particularly described as:

The west 8 rods of Lot 18, Longyear's Addition, City of Lansing, Ingham County, Michigan,

from "B-1" Family Residential to "J" Parking District.

Whereas, pursuant to Act 207, P.A. 1921, the Planning Board advised the City Council to approve this request, providing that the approval is based on the site plan submitted and designed by the Community Design Center, dated April 1, 1976. It was further recommended that the open space indicated by the plan be landscaped in such a manner that it provides a screen for the adjacent residential homes. Said screening plan shall be subject to the approval of the Planning Department; and

Whereas, the Planning Committee of Council, to whom was referred the report of the Planning Board, concurs therewith;

Now, Therefore, Be It Resolved that the Council of the City of Lansing ordains that the petition to rezone the above described property from "B-1" Family Residential District to "J" Parking District be approved in accord with the site plan submitted and designed by the Community Design Center, dated April 1, 1976; and

Be It Further Resolved, that the open space indicated on the plan provide a screen for the adjacent residential homes; said screening plan shall be subject to the approval of the Planning Department, and shall include low evergreen planting along the Horton Avenue frontage not to exceed 3 feet in height.

Gentlemen:

Attached is a Letter of Intent submitted by Roy Markey, Developer, together with a cover-letter, explaining his proposal and projected schedule for the construction of sanitary sewer, storm sewer and the necessary storm sewer outlet to serve certain streets in Webster Farms No. 2 and No. 3 Subdivisions. Portions of streets to be included in this project are: Webster Road, Pheasant Street, Pollard Road, Selfridge Road, Picardy Street and Newark Avenue.

Respectfully submitted,

ROBERT R. BACKUS,  
Director of Public Service.

Referred to Committee on Public Service and Highways.

## REPORT OF COMMITTEE

The Committee on PUBLIC SERVICE AND HIGHWAYS, to whom was referred the Letter of Intent and attached letter submitted by Roy Markey, Developer, explaining his proposal and projected schedule for the construction of sanitary sewer, storm sewer and the necessary storm sewer outlet to serve certain streets in Webster Farms No. 2 and No. 3 Subdivisions, reports as follows:

That the Letter of Intent be approved subject to the following conditions:

1. A valid petition for the construction of curb and gutter on these streets is to be filed with the City prior to the start of Construction.
2. All sewer construction is to be completed by October 4th, 1976. No sewer construction will be allowed after this date. Any uncompleted work must be coordinated with the Department of Public Service for dates of completion.
3. All streets are to be placed in satisfactory condition for City of Lansing acceptance by October 18th, 1976.

In addition, this Letter of Intent approval is subject to the receipt of the required bonds and insurance certificates and that all work is to be as directed by the Department of Public Service. No City funds are involved as 100% of this cost will be paid by the applicant.

Gentlemen:

Subject: B-76-578  
BOR Project No. 26-00693  
Riverfront Park—Phase II

Attached you will find a tabulation of the three (3) bids received and opened at 3:00 p.m. on June 29, 1976, for Riverfront Park—Phase II. We recommend acceptance of the low bid submitted by Brown Brothers, Incorporated, in the amount of \$156,000.

Acceptance is subject to the approval of said bidder by the Equal Opportunity Divi-

sion of the Detroit Area Office of the U.S. Department of Housing and Urban Development and/or the U.S. Department of the Interior, provided, however, that failure of HUD or the Department of the Interior to respond to the request for approval within fifteen (15) working days shall be considered approval.

Re: Leisure Center Programs

Gentlemen:

The Lansing Parks and Recreation Department is in the process of conducting an ongoing evaluation of the development and acceptance of the Leisure Center Concept. This interim report is based on the combined observations and conclusions of the staff members responsible for the operation of the program. A final report at the completion of the 1976 program will be submitted for your study.

The five basic Regional Leisure Centers are located at Lyons School/Park, Pleasant View School/Park, Gier Community Center, Northwestern Elementary School and Foster Elementary School.

The single most meaningful observation, shared by all, is that Regional Leisure Centers do offer a superior level of activity, in quantity, quality, and variety than those ever provided in a normal "playground" atmosphere. The types of activities offered at the Leisure Centers continues to create interest from all age levels, as most programs for pre-schoolers, youth, teens, adults and senior citizens are growing in attendance. Parental involvement has exceeded that ever experienced in traditional summer programs.

Registration and attendance information accumulated during the first four weeks shows participation at Leisure Centers being far above that documented for "play-ground programs."

Center Site	Registration through 20 days
Foster School	312
Gier Community Center	218

Lyons School/Park	199
Northwestern School	188
Pleasant View School/Park	333

It is our early impression the program is meeting the objectives as we originally defined. Additional staff and facilities would of course allow us to provide further activities which general attendance figures indicate would be well attended. Swimming programs requiring the use of secondary school facilities would be a significant improvement to the Lelsure Center Program.

There is still much to be accomplished and more effort will be required to assure success. Hopefully the favorable early indications will be substantiated by the completion of the 1976 program.

Sincerely,

DOUGLAS FINLEY,  
Assistant Director,  
Parks and Recreation  
Department.

Re: Washington Park Ice Rink

Gentlemen:

The City Council on June 14, 1976, authorized additional soil compaction tests of the Washington Park Ice-Rink site as result of problems detected by the General Contractor. These studies have now been completed and cost estimates prepared on work required to stabilize the soil.

In order to do recommended trenching, filling and diskling of areas for the rink and parking lot an appropriation of \$13,750.00 must be authorized. Without this work it would be a considerable risk to lay the large flat concrete slab for the rink and expect no settling. The parking lot requires a thicker base than originally specified because of the same soil problems.

A change order in the amount of \$286.00 is requested so we may substitute materials and add to the dimensions of an interior wall. These changes were requested by the department.

Prior to discovering the soil problems we received the recommendation of the architect to substitute the specified "dasher boards" with a more durable fiberglass variety. This change would result in a \$10,503.00 increase to the contract.

I encourage your prompt approval of the expenditures for correction of the soil prob-

lems and the small change order. Consideration by City Council should also be given to the fiberglass dasher boards which will have a long-term savings in maintenance and replacement costs.

Thank you.

Sincerely,

DOUGLAS FINLEY,  
Assistant Director,  
Parks and Recreation  
Department.

August 6, 1976

Honorable Mayor and Members

of the Lansing City Council

Dear Mayor and Council:

Attached you will find a resolution adopted by the City of Lansing Economic Development Corporation at its meeting on Wednesday, August 4, 1976. This communication should be considered as our formal designation to the Lansing City Council of an EDC project area known as the Olds Plaza Hotel. The resolution also expresses the intent of the Economic Development Corporation to issue revenue bonds to finance the rehabilitation and improvement of this facility pursuant to the approval process contained within the terms of 1974 PA 338, as amended.

The Board of Directors of the EDC are cognizant of the complexities inherent in

bringing this project to fruition, and they will be working to prepare an acceptable project plan for submission to the City Council and the Lansing Planning Board in the near future. The Board believes this business enterprise is an essential part of the central business district and merits our united efforts to assist it.

Respectfully,

ED VOGT,  
Chairman.

Referred to Committee of the Whole.

Letter E

Honorable Mayor Graves and

Members of City Council

Gentlemen:

In light of the Fire Chief's recommendation that parking be prohibited on one side of streets that are 26 feet or less in width, the Traffic Board reconsidered the request to prohibit parking on one side of Corbett Street. A survey showed the residents are split 50-50 over the issue of whether to prohibit parking on one side of Corbett, and based on that the Board recommended in April, 1976, that there be no change in the parking.

At their July meeting the Board recommended, to ensure access by emergency vehicles on Corbett which is 24 feet wide, that parking be prohibited on the east side of Corbett Street from Boston Boulevard to Pingree Street. The residents on the east side are served by an alley running behind their homes. Also, the fire hydrants are located on the east side of the street.

Respectfully submitted,

LANSING TRAFFIC BOARD,  
Raymond O. Severy,  
Secretary.

Referred to Committee on Public Safety.

#### REPORT OF COMMITTEE

The Committee on PUBLIC SAFETY, to whom was referred the recommendation of the Traffic Board that parking be prohibited on the east side of Corbett Street from Boston Boulevard to Pingree Street, reports as follows:

The Committee concurs in the recommendation of the Traffic Board.

Signed:

LOUIS F. ADADO,  
RICHARD J. BAKER,  
TERRY J. McKANE,

Gentlemen:

The Board of Public Service to whom was referred the requests from Mr. Roy Markey for the following:

That the road right of way for Radford St., the section West of Picardy, be abandoned and given to the adjacent property owner of Lots 164 and 165. The Board recommends approval, subject to the approval of the Traffic Board and Planning Board.

That Pollard Road, at its West end where it is presently ended, be opened up onto Pleasant Grove Road. The Board recommends approval subject to the approval of the Traffic Board and Planning Board.

That the road right of way for Selfridge St., the section northwest of Pollard Road, be abandoned and given to the adjacent property owner of Lots 189 and 190 on Pollard Road and the Northwesterly 436 ft.

of Lot 14 on Selfridge St. The Board recommends approval subject to the approval of the Traffic Board, Planning Board and owners of all abutting property including owner North of Horace, and subject to a satisfactory easement across from Selfridge St. to Valencia.

Respectfully submitted,

BARBARA GARLOCK,  
Secretary.

Referred to Committee on Public Service and Highways and Committee on Planning.

August 5, 1976

Honorable Mayor and

Members of City Council:

The Lansing Planning Board, at its meeting of August 3, 1976, discussed the change of dates that might be necessary for the month of September due to time constraints on some zoning requests and also the Labor Day Holiday.

The Board concurred unanimously to alter the meeting dates to occur on September 14, 1976 and September 28, 1976. Therefore, request will be made for the use of the Council Chambers for the public hearing to be held September 14.

Sincerely,

DAVID L. PURVIS,

P-1-76A

Delaware Park No. 2—Final Plat

Honorable Mayor and

Members of City Council:

The Planning Board, at their August 3, 1976, meeting, recommended that the final plat of Delaware Park No. 2 Subdivision be approved. The proposed plat consists of seventeen (17) lots with an average size of 7,200 square feet. These lots are zoned and will be used for single family dwellings.

This recommendation of approval was subject to the following conditions:

1) That the Deed or Abstract of Title, accompanied by an attorney's opinion as to the marketability of the land, or a Certificate of Title Insurance be submitted to the City Clerk prior to the signing of the plat and the affixing of the Municipal Seal.

2) That final security be posted in the amount specified by the Public Service De-

partment and the Department of Parks and Recreation.

3) That final clearance from the Board of Water and Light for the development be obtained.

This recommendation was made by a unanimous vote.

Sincerely,

DAVID L. PURVIS,  
for Alan E. Tubbs,  
Secretary,  
Lansing Planning Board.

Referred to Committee on Planning and Committee on Public Service and Highways.

August 5, 1976

LS-10-76

Maybel Street

Honorable Mayor and

Members of City Council:

The Planning Board, at their meeting of August 3, 1976, did not recommend approval of the request by Roy Markey to split Lot 9 of the Replat of part of Anderson Subdivision into two lots. The Zoning and Ordinance Committee recommended approval of the lot split, however, the actual vote of the Board was three in favor and four opposed to the lot division.

Those in favor of the request felt that the lots which would be created would allow homes to be developed that would be compatible with the most recent homes in the area which were built on 60 to 65 feet lots.

Those members in opposition to this request felt that it might be more reasonable to allow the development of a duplex on the site, or possibly look at allowing two single family homes on the property using the zero lot line approach, which they felt would preserve more open space.

Sincerely,

DAVID L. PURVIS,  
for Alan E. Tubbs,  
Secretary,  
Lansing Planning Board.

Referred to Committee on Planning and Committee on Public Service and Highways.

The Planning Board, at their meeting of August 3, 1976, recommended to the City

Council that the Proposed Fence Ordinance, to be known as Section 36-1(50), be approved.

This Ordinance is intended to provide for the regulation of fences, walls, and hedges and similar structures on residential properties and those areas that are zoned "D-1" Professional Office District. It also controls barbed wire and electric fences and provides for the maintenance of fences.

The Zoning and Ordinance Committee of the Board recommended approval of this Ordinance and the Ordinance was approved by the Board by a simple majority vote of 4 yeas, 3 nays.

Those members voting in favor of the Ordinance felt that a fence ordinance was needed and that the content of the Ordinance would provide a basis for control of fences, walls and hedges.

Those voting in opposition to the Ordinance did not feel that the Ordinance was enforceable and that the use of it may be arbitrary.

Sincerely,

DAVID L. PURVIS,  
for Alan E. Tubbs,  
Secretary,  
Lansing Planning Board.

Referred to Committee on Ordinance and Contracts and City Affairs and Committee on Planning.

SUP-4-76

Davidson

Honorable Mayor and

Members of City Council:

The Planning Board at their meeting of August 3, 1976, recommended that the request by John and Barb Haslem for a SUP, which would allow the operation of an adult foster care facility for the mentally retarded at 3408-3410 Davidson Drive, be denied.

The basis for this recommended denial was testimony which indicated a previous failure on the part of Tri-County Community Mental Health Board, the proposed lessor of the facility, to comply with fire and building codes in other rental facilities (e.g. Woodhaven) prior to occupancy, and the general lack of yard maintenance of some other homes of this nature. An additional concern of the Planning Board was the failure of the Tri-County Mental Health Board to provide evidence that they have seriously initiated an effort to develop a regional plan for the placement of residential facilities.

Previous experience has shown that once a SUP has been granted, the premises have at times been occupied by the special use

prior to compliance with the building and fire codes. Should the Council see fit to grant this SUP, over the recommendation of the Planning Board, it is strongly recommended that a resolution of intent to grant the SUP be passed; and the SUP be granted only after full certification can be made by Building, Fire, and Planning Departments that all code requirements have been met.

This recommendation was made with a vote of six yeas and one nay. The dissenting minority was concerned that the recommendation for denial was based solely upon an emotional reaction to public sentiment. The one member voting against this denial indicated that he felt the site under consideration would provide adequate housing for the proposed use and, therefore, asserted that the City was obligated to give favorable consideration to the SUP.

Sincerely,

DAVID L. PURVIS,  
for Alan E. Tubbs,  
Secretary,  
Planning Board Secretary.

SUP-12-76

1000 Lincoln

Honorable Mayor and

Members of City Council:

The Planning Board, at their meeting of July 20, 1976, recommended that this request be approved subject to the planning staff working directly with the petitioner to work out the designated play area for the day care center at a location where it will least affect the adjacent residential property owners. This shall include the necessary fencing to prohibit any trespassing on those adjacent residences.

The Board found from reports from the Fire Marshal and Building Department that the building to be used for this purpose was adequate.

The Board does not believe that the proposed use will adversely affect the adjacent residential development, providing the necessary screening is applied around the play area. Parking is more than adequate since there is a large parking area provided for general church services directly to the south of the building.

There were three persons at the July 6, 1976, public hearing expressing concern with the proposal.

This recommendation was made by a 4 yeas, 2 nayes vote.

Sincerely,

DAVID L. PURVIS,  
for Alan E. Tubbs,  
Secretary,  
Lansing Planning Board.

Referred to Committee on Planning.

4312-4314 South Cedar Street

Honorable Mayor and

Members of City Council:

The Planning Board, at their meeting of August 3, 1976, recommended that the petition by Dale and Marie Dyer to change the zoning of 4312 and 4314 South Cedar Street for the purpose of providing storage for their existing store. The Fireplace Shoppe, be approved subject to a site plan being submitted to, and approved by, the Planning Department prior to the issuance of Building Permits. Said site plan shall include the location of existing and proposed buildings, off-street parking, and landscape, screening and fencing adjacent to the residential development. Site plan shall also be subject to the review of the Traffic Engineer, with the thought of improving ingress to and egress from the site.

The Board found, based on testimony and evidence, that the existing and proposed development fell within the boundaries of the existing strip commercial development along South Cedar Street.

The Board believes that the expansion proposed (storage building) will allow reasonable use of the rear of this property without seriously affecting the adjacent residential uses, providing proper screening is installed. The adjacent residences are oriented to the north, toward Cavanaugh Road, with the rear yards of the properties backing up to the expansion of the proposed facility. Therefore, any direct impact is lessened for those living in the existing dwellings adjacent to the site.

It is further pointed out that the rear of this commercial property is isolated because of its narrowness and extreme depth. It is not expected that this property would develop for single family use, which it is now zoned. To allow development for inside storage as proposed would allow reasonable use of the land with little or no impact on the adjacent residents.

This recommendation was made by a unanimous vote.

Sincerely,

DAVID L. PURVIS,  
for Alan E. Tubbs,  
Secretary,  
Lansing Planning Board.

Referred to Committee on Planning.

5124 South Logan Street

Honorable Mayor and

Members of City Council

The Planning Board, at their August 3, 1976, meeting, recommended that the re-

quest by Philip Lower to change the zoning of the property located at 5124 South Logan Street from "A-1" Family Residential to "F" Commercial District be approved subject to a site plan being submitted to and approved by the Planning Department and the Traffic Engineer.

The Board found, based on testimony and evidence, that the existing site was developed with a commercial building and parking area and has been vacant for the last several months. It is further pointed out that the property is located within the strip commercial development along South Logan Street which was well established prior to annexation to the City of Lansing.

The Board believes that rezoning of this property will promote upgrading of the site by encouraging occupancy of the building and general requirements for landscaping and screening adjacent to the residential area. At the present time the site is non-conforming, which does not allow any major alterations or improvements to the property and does not provide for the enforcement of screening to the adjacent residential properties.

This recommendation was made by a unanimous vote.

Sincerely,

DAVID L. PURVIS,  
for Alan E. Tubbs,  
Secretary,  
Lansing Planning Board.

Newark/Pleasant Grove

Honorable Mayor and

Members of City Council:

The Planning Board, at their meeting of August 3, 1976, did not recommend approval of the petition by Roy Markey to rezone property on the southeast corner of Newark and Pleasant Grove Road from "A-1" Family Residential District to "C-2" Family Residential District to "CUP" Community Unit Plan District.

The recommendation of the Zoning and Ordinance Committee was for approval of this request, however, the actual vote of the Board was 4 yeas, 3 nays for approval of the Committee report. Six (6) affirmative votes are required for approval of a zoning change.

Members of the Board voting against this request were not opposed to the density or the number of units, but would take issue to the physical design and did feel that a more imaginative plan could be created for the land under consideration, and indicated that if the plan were approved, that this should be looked into and worked out with the developer and the Planning staff.

Those voting in favor of the Committee report felt that the land use and density would allow for reasonable development of the site and further welcome any redesign that would improve the overall aesthetic quality of the site.

The overall consensus of the Board was that the proposed land use would promote development of a residential nature which would not seriously affect existing or proposed development in this vicinity.

It is further pointed out that development of the area in the future should include the requirements of all public agencies to whom were referred this request and have on file their comments in writing in the Planning Office.

Sincerely,

DAVID L. PURVIS,  
for Alan E. Tubbs,  
Secretary,  
Lansing Planning Board.

Referred to Committee on Planning.

5304 Wise Road

Honorable Mayor and

Members of City Council:

The Planning Board, at their meeting of August 3, 1976, recommended the request by Jerry Fodge to change the zoning of 5304 Wise Road from "A-1" Family Residential to "B-1" Family Residential District be approved subject to:

1) A site plan being submitted indicating the exact location of buildings, parking areas, screening and landscaping and compliance with all other Zoning Code restrictions.

2) Site access being limited to one curb cut on Wise Road.

3) Screening and fencing being required wherever parking areas about residential properties.

The Board believes that the proposed use of this property will be consistent with the overall development of this area. The Board found that the petitioner had made previous contacts with the planning office and had incorporated the conceptual plans for this area into his development plans for the church site, which provides for the extension of future public streets and adequate open space between the proposed church development and the adjacent residential homes. The site plan indicates the bulk of the church development to the east of the site toward Wise Road with vehicular access to Wise Road, which is identified as a minor arterial. This is one of the major criteria for the development of any church or school site.

The Board did suggest that additional parking be provided or designed into the plan over and above the minimum requirements of the Code.

This recommendation is made by a unanimous vote of the Board.

Sincerely,

DAVID L. PURVIS,  
for Alan E. Tubbs,  
Secretary,  
Lansing Planning Board.

Referred to Committee on Planning.

4526 South Logan Street

Honorable Mayor and

Members of City Council:

The Planning Board, at their August 3, 1976, meeting, recommended that the request to change the zoning of 4526 South Logan Street from "A-1" Family Residential District to "F" Commercial District be approved subject to a site plan being submitted by the petitioner showing parking lot layout, number of parking spaces, permanent wheel stops around the perimeter of the parking area, screening and fencing, and ingress and egress. Also, that the curb cuts nearest the intersection of Reo Road and South Logan be eliminated and be subject to review by the Traffic Engineer.

The Board found, based on testimony and evidence, that the site was developed with a commercial use (service station) and has existed as a non-conforming use since annexation to the City of Lansing several years ago. The non-conforming status of this property limits improvements and expansion to any other types of uses.

The Board believes that if the property is rezoned to conform to the use for which it is used or proposed, that the requirements of the Code, which can be applied with any change, will have the affect of upgrading the site and provide for improved screening to the adjacent residential development.

This site is located within the strip commercial development along South Logan Street.

This recommendation was given unanimous approval by the Board.

Sincerely,

DAVID L. PURVIS,  
for Alan E. Tubbs,  
Secretary,  
Lansing Planning Board.

3307 West Holmes Road

Honorable Mayor and

Members of City Council:

The Planning Board, at their meeting of August 3, 1976, recommended that the request by Helen Miller to change the zoning of the property located at 3307 West Holmes Road from "A-1" Family Residential to "C-2" Family Residential District be denied.

The Board believes that a change of zoning would allow development out of character with the existing single family homes in this vicinity. The Board further believes that the size of the existing site and the potential of dividing this property into four individual lots which would allow the existing non-conforming two-family to remain and three additional single family homes to be developed, would allow reasonable use of the property and promote land use development consistent with the area.

This recommendation was made by a 6 years, 1 nay vote.

Sincerely,

DAVID L. PURVIS,  
for Alan E. Tubbs,  
Secretary,  
Lansing Planning Board.

4616 North Grand River Avenue

Honorable Mayor and

Members of City Council:

The Planning Board, at their August 3, 1976, meeting, recommended that the request by Gerald Campbell to change the zoning of 4616 North Grand River Avenue from "A-1" Family Residential and "J" Parking Districts to "H" Light Industrial District be approved.

The Board found that the existing structures which are used for commercial purposes are located within the residential buffer strip that was established by the Planning Board and City Council several years ago. This buffer strip was created to prohibit any direct encroachment on Grand River Avenue if and when the entire area developed for industrial purposes. This action, however, left several small commercial uses which were established prior to the zoning change in a non-conforming status and limited any reasonable expansion or improvements to the property.

Since there are no plans for any intense industrial expansion in this area and it

appears that the commercial uses along this area will continue to exist, the Board believes that a change of zoning to allow for expansion and improvement is reasonable and consistent with the Master Plan, which identifies this area for industrial expansion. It was felt that at such time when any major change is proposed for this area and where there may be a large industrial user coming into the area, that adequate setbacks could be dealt with at that time.

This recommendation was made by unanimous vote.

Sincerely,

DAVID L. PURVIS,  
for Alan E. Tubbs,  
Secretary,  
Lansing Planning Board.

Honorable Mayor Pro-Tem and  
Members of the City Council  
City Hall  
Lansing, Michigan

Dear Mayor Pro-Tem  
and Council Members:

Attached is a communication received by my office from Donald H. Myers, 1931 Kingswood Drive, Lansing, Michigan. Basically, it pertains to a complaint by the aforementioned individual and others in the 1700, 1800, 1900 and 2000 blocks of Vassar Drive, over the installation of upright steel boxes by Continental Cablevision Company, between the sidewalk and the curb.

In the past, representatives of my office were not generally invited to the meetings of the Council's Subcommittee on Cable Television, and therefore, cannot properly speak to the issue. As a result, I am forwarding this matter to you for consideration and reply.

Trusting you, or your Subcommittee on Cable Television, will give this matter your immediate attention, I remain

Sincerely,

GERALD W. GRAVES,  
Mayor.

August 6, 1976

Honorable Mayor Pro-Tem and Members  
of the Lansing City Council  
City Hall  
Lansing, Michigan

Dear Mayor Pro-Tem

and Council Members:

On Monday, August 2, I participated in a meeting in Chicago, Illinois, with representatives of the Economic Development Administration of the U.S. Department of Commerce. The issues in question were: the Pre-Application for a Title IX Economic Adjustment Planning Grant for the City of Lansing; the Loan Guarantee requested by Bellefonte Glass Corporation; and, the John Bean Building.

The following is a summary of that meeting:

#### Pre-Application for a Title IX Economic Adjustment Planning Grant—

In a communication to you, dated February 5, 1976, I advised of the need for the above, and urged you to take the following action:

- "1) Adopt the attached resolution supporting the application and authorizing the Mayor to submit the proposal to the Economic Development Administration at my meeting in Chicago next week.
- 2) Approve a transfer of \$20,000 within the CD budget to provide local match funds for this planning grant. Mr. Orrin Sharp will work out the details for presentation to you.
- 3) Direct the City's Program Coordinator to expedite the letter of intent and clearinghouse procedures for A-95 review."

You abided by my request, and shortly thereafter, an official request was made for \$50,000 to meet the City's share within the CD Budget. Several weeks ago, my office received conflicting reports pertaining to the request of the City of Lansing. During the meeting August 2, the Regional Director of the U.S. Economic Development Administration advised that the City's request was not only "alive," but he ordered two staff members to come to Lansing this Monday, August 9, with an Official Application for Funds, and to assist the City of Lansing in completing that application.

The aforementioned funds will permit us to do the study of industry and business needs, and as I mentioned before, could be the route in the months ahead for the City of Lansing to receive \$2,000,000 - \$3,000,000 in Federal monies to assist the private sector.

#### Bellefonte Glass Corporation—

On May 12, 1976, Bellefonte Glass Corporation officially filed with the Regional Office of the Economic Development Administration a request for a Loan Guarantee in the amount of \$2,650,000, for the purpose of establishing in the City of Lansing a hand-blown and machine pressed crystal and glassware industry. The request was accompanied by a work-force projection of 342 persons in the first year

of operation, and escalating over the following three fiscal operating years. Staff representatives of the Economic Development Administration advised of certain requirements yet to be met by Bellefonte Glass Corporation, including: the need for additional equity, or "up-front money"; the need for a market report; and, the need to cut down the start-up costs. I have since been in contact by telephone with representatives of the Corporation, and I am advised that Knox Development is restructuring, and will be back in communication with the City during the next several weeks. It is imperative that the Federal requirements be met if Bellefonte Glass Corporation is to receive a Loan Guarantee.

#### John Bean Building—

In the past, I requested your approval of the offer of FMC and accept the John Bean Building and that the matter be turned over to the local Economic Development Corporation. You abided by this request and the voters of the City of Lansing overwhelmingly approved the transfer of the building to the Economic Development Corporation. The key of the whole matter is an effort to provide jobs within the City of Lansing. This was recognized on Monday, August 2, and I have been requested to submit the modernization needs of the John Bean Building for the purpose of securing Federal dollars. I have already requested certain personnel of the City to present me with those needs, which in turn will be presented for consideration and approval to the local Economic Development Corporation, and then for submission to the City Council. Conceivably, the Economic Development Corporation could be the recipient of the necessary dollars to modernize some of the John Bean Building, so that it could be turned into a multi-use plant, with "jobs" being the key factor.

Federal officials expressed approval of the City's attempt, through the Economic Development Corporation and the Downtown Development Authority, to improve the job market and the City of Lansing.

Sincerely,

GERALD W. GRAVES,  
Mayor.

Referred to Committee of the Whole.

August 5, 1976

Dear Members of the City Council:

On Thursday, August 5, 1976, the Capital Improvements Program Technical Coordinating Committee (CIPTCC) per the CIP Planning and Budgeting process met, reviewed and unanimously approved the attached document entitled Overall Economic Development Plan (OEDP). Federal guidelines require Ingham County to annually submit an updated Overall Economic Development Plan. Approval of the plan is essential if any unit of government, including the City of Lansing, or any private businesses within the county, are to receive

Economic Development Administration funds. The deadline for submission of the revised OEDP is August 30, 1976. There will be no extension of this deadline.

The attachment is not the entire plan but Lansing's portion of the plan that relates to Public Works projects. (This is not to be confused with the 1976 Public Works legislation recently passed by Congress via an override of the President's veto.) The OEDP is not a commitment of City funds nor a priority listing of Public Works projects. Once the OEDP has been approved by EDA, this City may then submit applications for each and only those projects listed in the plan. The costs associated with each project are estimates.

The CIPTCC recommends that City Council approve the attached document so that this City may submit its portion of the OEDP to the proper authorities in Ingham County.

Respectfully submitted,

GERALD W. GRAVES,  
Mayor.

Referred to Committee of the Whole.

Hon. Mayor Pro-Tem and Members  
of the Lansing City Council  
City Hall

Lansing, Michigan

Dear Mayor Pro-Tem

and Council Members:

On Thursday, August 5, 1976, the Capital Improvements Program Technical Coordinating Committee (CIPTCC) met and reviewed the cash shortage for the Eastside Fire Station that occurred because the original cost estimates were too low, a two year delay due to the State required sign-off on the Marshall Park site, increased costs of construction and other factors.

The CIPTCC, after considerable review and discussion of this issue, formulated the following recommendations for your consideration:

- (1) An additional \$50,000 from Community Development be appropriated for this project (see Office of Community Development document entitled Past, Present and Future Budget Considerations).
- (2) An additional \$93,708 from the Building Reserve Fund currently appropriated and contained in the General Fund be appropriated for this project.
- (3) Total shortfall \$143,708 (see page 2 of attachment).

These recommendations must be considered and a solution resolved no later than Monday, August 16, 1976, in order to initiate construction this summer. Any delay beyond August 16, will prohibit construction until next summer, which will only further increase the cost of construction and materials for the new facility, as well as increase the maintenance costs on the existing buildings.

Your prompt attention on this matter will be appreciated.

Sincerely,

GERALD W. GRAVES,  
Mayor.

JAMES D. BLAIR,  
Committee on Finance.

Adopted by the following vote:

Unanimously.

By Councilman Baker—

Whereas, it is deemed desirable to amend the Classification provided for in the Zoning Code of the City of Lansing, passed on the 13th day of November, 1958, in the following particulars, viz:

That property described as:

SUP-6-76 — 1728 Teel Street,

(To be used as an Adult Foster Care Home) and the "Map" be changed to indicate such transfer;

Therefore, be it resolved, that the City Clerk shall give at least fifteen days notice of a Public Hearing when all persons interested may attend and make any objections they may have to such proposed changes in said Zoning Code.

Resolved further, that such hearing shall be held at the Council Chamber in the City Hall on the 30th day of August, 1976, at 7:30 o'clock p.m., and that notice of such hearing be published in the official publication of said city, as required by law.

Adopted by the following vote:

Unanimously.

#### By Committee on Planning—

Whereas, by petition duly filed on the 17th day of May, 1976, this council was petitioned to change the following described property from "A-1" One Family Residence District to "G-2" Wholesale District all as set forth in the Zoning Code of this city, and

Whereas, due notice as required by law has been given for a public hearing on said petition, and

Whereas, at such hearing held on the 19th day of July, 1976, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is described as:

Z-24-76 — 1100 Ramada Drive,

more particularly described as:

Commencing 672.8 feet west and 330 feet south of the north  $\frac{1}{4}$  post, Section 10; thence east 341.5 feet to center line of Mud Lake Drain; thence along said center line south 2°19' east 191.62 feet, south 25°22' east 437.56 feet, south 0°23' west 437.05 feet, south 41°34' west 148.9 feet, south 0°28' west 130 feet to north line of south 62 rods of the northwest  $\frac{1}{4}$ , north 89°45' west 470.4 feet, north 1,287 feet to beginning, except the land south of the north line of I-96 ramp; Section 10, T3N, R2W;

Commencing southeast corner of Lot 5 of Abood Ramada Subdivision; thence east 182.5 feet south to northerly ROW line of I-96 ramp, westerly along said ROW line to a point south 0°22'34" east 646.69 feet of beginning, northerly to beginning, Section 10, T3N, R2W,

from "A-1" Family Residential District to "G-2" Wholesale District.

Whereas, pursuant to Act 207, P.A. 1921, the Planning Board advised the City Council to approve this request subject to the land being subdivided in accord with the Michigan State Plat Act and the Lansing Subdivision Ordinance; and that an overall site plan being submitted to, and approved by, the Planning Department prior to the issuance of Building Permits.

Said Plan shall also be subject to approval by the Traffic Engineer and Fire Marshal; and

Whereas the Planning Committee of Council, to whom was referred the report of the Planning Board, concurs therewith;

Now, Therefore, Be It Resolved that the Council of the City of Lansing ordains that the petition to rezone the above described property from "A-1" Family Residential District to "G-2" Wholesale District be approved; and

Be It Further Resolved that the land be subdivided in accord with the Michigan State Plat Act and the Lansing Subdivision Ordinance and that an overall site plan be submitted to and approved by the Planning Department, Traffic Engineer and Fire Marshal prior to the issuance of Building Permits, and that occupancy permits be withheld until the project is completed.

#### By Councilman Baker—

That the resolution be amended as follows:

That the site plan shall include the following:

1. Storage areas all be inside buildings on site.
2. All drive-ways and roads will be paved.
3. All trash and waste receptacles will be screened by fencing and plantings.
4. The exterior of the site will be fenced by a chain link fence at least 10 ft. high or similar and will have dense plantings around the perimeter along the fence.
5. Trees to be planted throughout the site.

Adopted by the following vote:

Yeas: Councilmen Adado, Baker, Belen, Blair, Brenke, Gunther, Hull, McKane—8.

Nays: None.

The resolution as amended was adopted by the following vote:

Yeas: Councilmen Adado, Belen, Brenke, Gunther, McKane—5.

Nays: Councilmen Baker, Blair, Hull—3.

#### By Councilman Blair—

My reasons for voting against the resolution are:

1. It is in violation of the Master Plan.
2. It is in violation of the Miller-Marscot Plan.
3. In the past the Miller-Marscot has opposed this.
4. Do not feel there is adequate screening along the free-way.

By Councilman Baker—

Whereas, by petition duly filed on the 19th day of July, 1976, this council was petitioned to change the following described property from "A-1" Family Residential District and "J" Parking District to "H" Light Industrial District all as set forth in the Zoning Code of this City, and

Whereas, due notice as required by law has been given for a public hearing on said petition, and

Whereas, at such hearing held on the 9th day of August, 1976, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is described as:

Z-34-76 — 4616 N. Grand River Ave., more particularly described as:

The south 200 feet of the lot commencing in the center of North Grand River Avenue 278.7 feet NWly of its intersection with North and South ¼ line Section 6, thence N 0 degrees 44 minutes East to North section line, West 75 feet, South 1 degree 27 minutes West to the center of North Grand River Avenue SEly along North Grand River Avenue 93.7 feet to the beginning, Section 6, T4N, R2W, City of Lansing, Ingham County, Michigan;

from "A-1" Family Residential District and "J" Parking District to "H" Light Industrial District.

Whereas, pursuant to Act 207, P.A. 1921, the Planning Board advised the City Council to grant the request; and

Whereas, the Planning Committee of Council, to whom was referred the report of the Planning Board, concurred therewith;

Now, Therefore, Be It Resolved that the Council of the City of Lansing ordains that the petition to rezone the above described property from "A-1" Family Residential District and "J" Parking District to "H" Light Industrial District be approved.

Adopted by the following vote:

Unanimously.

By Councilman McKane—

Resolved by the City Council of the City of Lansing:

That the attached vouchers as presented by the City Controller be allowed and the City Clerk be and she is hereby authorized to draw orders on the City Treasurer for the amount allowed each claimant in the amount of \$4,531,437.28.

Signed:

TERRY J. MCKANE,  
JAMES D. BLAIR,  
WILLIAM A. BRENKE,  
Committee on Finance.

Adopted by the following vote:

Unanimously.

By Councilmen Belen-Hull—

Resolved by the City Council of the City of Lansing:

That the rule prescribed in Sec. 5.5 (g) of the Charter relative to considering business not on the agenda, be waived.

Carried.

Request from WILS to park a mobile studio for a remote broadcast in front of Jury-Rowe furniture store on Tuesday, August 17, 1976.

Referred to Committee on Public Safety and Traffic Engineer with power to act.

Miss Theo Fulton  
City Clerk  
9th Floor, City Hall  
Lansing, Michigan

August 11, 1976

Dear Miss Fulton:

Attached is a copy of my Veto Message as it relates to the approval of the Resolution regarding the contract between the City of Lansing and Holmes & Black, Inc., as adopted by the City Council on Monday, August 9, 1976. It is submitted to you in accordance with Section 6.8 of Chapter 6 of the City Charter.

Sincerely,

GERALD W. GRAVES,  
Mayor.

Referred to Committee of the Whole.

August 11, 1976

Hon. Mayor Pro-Tem and Members  
of the Lansing City Council  
City Hall  
Lansing, Michigan

Dear Mayor Pro-Tem and  
Council Members:

On Monday, August 9, 1976, you approved a Resolution, as submitted by the Committee on Buildings and Properties, which pertained to a contract between the City of Lansing and the architectural firm of Holmes & Black, Inc.

The first resolving clause directed the Property Manager to "negotiate a contract." The second resolving clause then stipulated "that the Mayor and City Clerk are hereby authorized and directed to execute the negotiated contract by and between the City of Lansing and Holmes & Black, Inc., after said contract has been approved as to form by the City Attorney."

I am of the opinion that you cannot delegate this responsibility to the Property Manager by authorizing a "blank check contract" and direct the Mayor and City Clerk to sign same, without you first approving the negotiated contract and knowing the details, including the tax dollar amounts. Too, I am of the opinion that the City Controller must certify to the availability of appropriated funds for the matter in question and that the amount of the expenditure proposed, which was an unknown at the time of your action, be transferred to the appropriate account. I base my opinion on the Resolution in question, and on Section 7.12(2) of the City Charter, which reads as follows:

"Check all proposed expenditures and, before any contract which requires the expenditure of public money shall be effective, certify to the availability of appropriated funds therefor. The appropriation under which it is made shall be charged with the amount of the expenditure proposed to be made under such contract. If any such contract shall not be entered into, the amount so charged against such appropriation shall be reinstated and shall be available for other purposes within the intent of the appropriation.

Therefore, I invoke Section 6.8 of Chapter 6 of the City Charter which grants veto power to the Mayor over matters adopted by the City Council. In accordance with this provision, I place my veto over the Resolution and contract in question.

If it is your desire to hire Holmes & Black, Inc., to "design the utilization" of the space available on the fourth, fifth and sixth floors of City Hall and to "provide specifications for the contractual (sic) bid process," I recommend: (a) that you re-adopt a resolution directing the Property Manager to "negotiate a contract"; and (b) that negotiated contract then be brought before the full Council for approval and authorization for execution by the Mayor and City Clerk.

Sincerely,

GERALD W. GRAVES,  
Mayor.

#### PUBLIC HEARING

**CITY CLERK FULTON:** This is the time set for the public hearing on the proposed physical development plan for the Eastside Neighborhood Development Area No. 2. This hearing is to consider the development plan prepared pursuant to the requirements of Public Act 344 of 1945, as amended. The boundaries of the project are as follows:

**MAYOR GRAVES:** The Chair will entertain a motion to consider the reports read.

**COUNCIL:** Moves that the record be considered read. (Motion passes)

**MAYOR GRAVES:** The Clerk will read.

**CITY CLERK FULTON:** The proposed plan contains provisions for the acquisition of 28 residential structures, and two commercial structures. There will also be approximately 20 families relocated through the development plan. The plan also proposes to rehabilitate 365 homes in the area using a system of loans and grants to the homeowners. Public improvements will be done, and they will include street resurfacing, sidewalk, curb and gutter repair, sewer separation and repair, and tree plantings.

**MAYOR GRAVES:** Mr. Sharp, the Executive Assistant for Community Development will now proceed with the introduction of the Exhibits.

**MR. SHARP:** Mr. Mayor, members of the City Council, ladies and gentlemen: This public hearing is being held in accordance with Act 344, Public Acts of 1945 as amended. It is known as the Blighted

Areas Act. For the purpose of the record, I would like to introduce the following exhibits:

**Exhibit No. 1** is two sworn statements from Mr. Michael J. Smith of the State Journal. These statements indicate that notice of the public hearing was published on Friday, July 16, 1976, and again on Wednesday, August 11, 1976.

**Exhibit No. 2** is two Affidavits from Miss Diane Belgard of the Office of Community Development which state that notice of this public hearing was mailed to the residents and the last known property owners as shown by the records of the City Assessor's Office. The first mailing was accomplished on July 19, 1976, and the second on August 11, 1976.

**Exhibit No. 3** is an Affidavit from Ms. Liane Zimny of the Office of Community Development in which she states she delivered copies of the proposed physical development plan to the office of the City Clerk, both public libraries, the Resurrection Day Care Center and the Potter Park United Methodist Church. This was done to give residents and other interested people a chance to review the plan prior to attending this public hearing.

**Exhibit No. 4** is two Affidavits from Mr. Pat Karslake of the Wheeler Deeler Company, which state that notice of this public hearing was hand delivered, door-to-door, to the residents and structures within the development area and district area of NDA No. 2 on Tuesday, July 20, and on Wednesday, August 11.

**Exhibit No. 5** is the approved minutes of the Citizen's District Council for Neighborhood Development Area No. 2 which are certified as having been on file in the office of the Lansing City Clerk. Attached to the minutes of the meeting held on June 30, 1976, is a letter from the Citizens' District Council to the members of the Lansing City Council in which they gave tentative approval to the proposed development plan.

**Exhibit No. 6** is a certified copy of the boundaries of the district and development areas for Neighborhood Development Area No. 2, that have been on file at the City Clerk's Office. (Mr. Sharp gives exhibits to the Clerk.)

**MR. SHARP:** I would like to introduce Mr. Tubbs, Director of the Planning Department, who will submit Exhibits relating to the plan.

**MR. TUBBS:** Thank you, Mr. Sharp. Mr. Mayor, members of the City Council, I have a number of Exhibits I wish to present with respect to the neighborhood development plan for Neighborhood Development Area No. 2. The Exhibit No. 7 is the neighborhood development plan itself, which contains several items and descriptions which I will proceed to describe.

First of all, it describes the consistency of this plan in terms of land use with the City's master plan. This statement is con-

tained within the development plan and a copy of the City master plan is on file with the City Clerk. The plan further contains land use proposals, proposed rehabilitation plan, which has 393 residential structures in the development area, 93 percent of 365 of them will be rehabilitated. It also contains a description of the rehabilitation proposal. It contains preliminary aspects, one meeting city code requirements and the second one is improving items to meet rehabilitation standards, and a third category which would be making further improvements by selecting from optional lists of improvements possible as proposed in the plans by providing funds to property owners through low interest loans, guaranteed loans, and deferred loans.

Owner-Occupants would be eligible for low interest loans at adjusted interest rates based on the household's adjusted gross income. Households with an adjusted gross income over \$12,000 would be eligible for an adjusted interest rate of three percent. Households with an adjusted gross income between \$8,000 and \$12,000 would pay zero percent interest on the loan.

The deferred loans would be available to those owner-occupant families whose adjusted gross income is under \$8,000, and who are unable to obtain a bank loan to improve their homes, and cannot afford additional indebtedness based upon their financial status.

Guaranteed loans are available to those who do not qualify for a loan due to defects in credit history, and there are combinations of any of these programs.

Non-resident owners would only be eligible for loans at an adjusted interest rate of three percent.

It further contains an acquisition program. (Mr. Tubbs proceeds to give the details of the acquisition program.)

#### Property Acquisition

28 residential and 2 commercial structures are being proposed for acquisition. Twelve of the structures will be acquired for poor physical condition. These structures are deficient in areas of electrical, mechanical, and structural elements or a combination of these conditions and are not feasible to rehabilitate. Fourteen homes and one commercial structure will be acquired because of lot overcrowding as well as poor condition. These homes are located on small lots with inadequate side or backyards, as well as shared driveways and inadequate parking area on the lot. The majority of these homes are in substandard condition, where repair costs would exceed 30% of their appraised value. Since the direction of this plan is to correct the deficiencies in the living environment where feasible, these structures are being recommended for acquisition and removal to correct this situation. Four homes and one commercial structure are being recommended because they do not visually conform to the character of the neighborhood. The vacant furniture store will be acquired because it is not compatible with the resi-

dential neighborhood. It is unlikely that a viable business could operate at that location. The land vacated as a result of acquisition will be used one of the following ways:

1. To provide sites for new housing construction.
2. To be replatted as additions to neighboring parcels to eliminate future overcrowding.

Exhibit No. 8 is the existing land use map, describing the land uses in the Neighborhood Development Area as they currently exist today.

Exhibit No. 9 is the future land use map, to include the disposition of parcels after acquisition.

Exhibit No. 10 are the circulation improvements.

Exhibit No. 11 is the property acquisition as proposed, acquisition for housing condition, and overcrowded parcels.

Exhibit No. 12(A) describes the public improvements for proposed sewer construction.

Exhibit No. 12(B) is proposed street lighting improvements.

Exhibit No. 12(C) is proposed street resurfacing.

Exhibit No. 13 that I have to submit, is a certified copy of the Planning Board minutes of the Planning Board meeting held on July 6, 1976, approving the development plan as proposed.

The plan also contains a relocation plan which describes the program that the City has for relocating residents displaced by

public action as well as a description of the housing stock, to which these people would be relocated. It further describes the various public improvements being proposed for the Neighborhood Development Area No. 2 to include replacement of sidewalks, the separation of storm and sanitary sewers, replacement of curb and gutters, resurfacing of streets, construction of multi-purpose sidewalk ramps, upgrading of street lighting, water services, replacement of street trees, and circulation improvements.

The circulation improvements involve upgrading a pedestrian path created by residents along the Woodman Street right-of-way and improving access to dead end streets. (The pedestrian path will be eight-foot wide, landscaped, and fenced. Fifteen-foot wide all purpose sidewalk ramps along the street intersections will be provided to enable emergency vehicles to back up and turn around. Barricades will be constructed to prevent cars or other motorized vehicles from entering the pedestrian path.) The other circulation improvement involves placing a stop sign at McCullough and Walsh to improve traffic safety at that intersection.

The plan further contains the disposition of property and implementation mechanisms to be employed for carrying out the plan. It also contains estimated costs of which for acquisition its estimated cost would be \$404,550. Relocation is estimated at \$231,000. The rehabilitation of the 365 residential structures is estimated at \$1,614,000, and the public improvement estimated at \$898,392. The total estimated cost described in this proposed neighborhood development plan is \$3,147,942.

I would further like to submit, as Exhibits, several maps which are contained within the plan. We have large maps that should be kept on file in the City Clerk's Office.

Then, Exhibit No. 14 which are modifications of the Physical Development Plan for the Neighborhood Development Area No. 2, proposed by a committee convened by the Mayor consisting of the Community Development Administrative and supportive staff. I would like to elaborate on the major, substantive changes:

1. The deletion of replacement of water services and installation of remote reading devices. The Community Development costs which were allocated for these purposes shall revert to the contingency account within the NDA No. 2 Plan.
2. The deletion of six (6) structures proposed for acquisition for inappropriate structures and/or lot overdevelopment. These structures include:

1122 Dakin	1212 Lathrop
1124 Dakin	1511 Walsh
1225 Lathrop	1041 S. Holmes

The Community Development costs which were allocated for these pur-

poses shall revert to the contingency account within the NDA No. 2 Plan.

3. The inclusion of the above structures as well as those that were not inspected into Rehabilitation Activity I. These structures include:

1035 Lathrop	1225 Lathrop
1231 Lathrop	1041 S. Holmes
1001 McCullough	922 Bensch
1012 Dakin	907 Bensch
929 Dakin	1218 Dakin
1010 S. Holmes	905 Bensch
923 Bensch	1122 Dakin
1249 Climax	1212 Lathrop
1229 Lathrop	1226 Lathrop
1042 McCullough	1031 McCullough
1426 Perkins	928 Dakin
1234 McCullough	911 Bensch
910 Bensch	1124 Dakin
1412 Walsh	1511 Walsh

4. That a portion of contingency funds within the Development Plan for NDA No. 2 will be used to relocate utilities in the development area if that is necessary.
5. The deletion of 1107 Dakin proposed for acquisition under the inappropriate structures category, and the inclusion the same structure for acquisition under the physical condition category.

The other changes are of a technical nature and are included in your packet. This completes the Exhibits I have.

Editorial and grammatical corrections are being made to the plan which are not substantive. The revisions will be available to City Council and the Citizens' District Council prior to the plan adoption date.

**MAYOR GRAVES:** Anyone in the audience who would like to comment on the plan, please step up to the microphone. State your name, address and comments, keeping in mind that there might be other people who are desirous of being heard. So, if there is anyone in the audience that desires to be heard.

**PUBLIC COMMENT—Richard G. Lucas,** 1119 S. Holmes St., Chairman of District Council No. 2 spoke and commented on suggested changes.

**MAYOR GRAVES:** If there are no further comments, Mr. Sharp you are directed by the chair to forward the development plan as modified to the East Side Neighborhood Development Area No. 2 to the Citizens' District Council at your earliest convenience, together with the modifications

and clarifications submitted Mr. Tubbs this evening for that group's review within 10 days.

## REPORTS OF CITY OFFICERS AND BOARDS

August 11, 1976

Honorable Mayor and Members  
of the Lansing City Council

Re: Claim of Glenn K. Schulke for damages incurred when a vehicle he was driving struck a raised manhole (\$334.96)

Dear Mayor and Council:

On May 6, 1976, Glenn K. Schulke filed a claim with the City in the amount of \$334.96 for damages allegedly incurred when a vehicle he was driving struck a manhole on Aurelius Road .35 miles south of Jolly Road on April 5, 1976. Two witnesses for Mr. Schulke have alleged that the manhole was seven to eight inches above the road at the time of the accident and was that way for approximately three months prior to the accident.

A governmental agency is responsible for maintaining its highways in reasonable repair. If it does not and if the agency has notice thereof, such notice being conclusive if the defect has remained for thirty (30) days or longer, the agency loses its governmental immunity. MCLA 691.1402; MSA 3.996(102); MCLA 691.1403; MSA 3.996(103).

Robert Backus, Director of Public Service, acknowledges that the road involved has been bumpy. However, the City was not notified regarding any other similar accidents in the three month period prior to April 5, 1976, thus making it somewhat doubtful that the manhole had been seven to eight inches above the road during that period. However, the report from the work crew itself states that the area surrounding the manhole was four or five inches lower than the manhole so it is probable that the manhole had been in that condition for the three month period.

Mr. Schulke indicated on August 9, 1976, that he would settle for \$167.48 since he recognizes that there is a factual dispute.

In view of Mr. Schulke's two witnesses and the report from the work crew itself, this office recommends that Mr. Schulke be reimbursed \$167.48 for the damages incurred to his vehicle.

Respectfully submitted,

PETER HOUK,  
City Attorney.

By Councilman Gunther—

That we concur in the recommendation of the City Attorney and the City Clerk be and she is hereby authorized to draw an order on the City Treasurer in the amount of \$167.48 payable to Glenn K. Schulke.

Carried.

Chairman Lucile Belen

City Affairs Committee

Lansing City Council

Dear Councilman Belen:

Attached is an application for a parade permit for the Mexican Patriotic Committee, scheduled for 10:00 A.M. on Saturday, September 18, 1976.

You will note this application has been signed by all necessary department heads. Our Traffic Bureau estimates this will cost the City a total of \$44.42, which represents two police officers and two motorcycles, each for 1½ hours.

This is being forwarded to your committee for final action.

Respectfully yours,

RICHARD A. GLEASON,  
Chief of Police.

Referred to Committee on Ordinance and Contracts and City Affairs.

#### REPORT OF COMMITTEE

The Committee on ORDINANCE AND CONTRACTS AND CITY AFFAIRS, to whom was referred the request from Mexican Patriotic Committee for permission to parade, September 18, 1976, set up booths for food and crafts under Shiawassee Bridge at Riverfront Park, set up a carnival on urban renewal land just north of the bridge, and to rent the showmobile and be placed in the amphitheatre on Friday, September 17, 1976, thru September 19, 1976, reports as follows:

The Committee recommends permission be granted for the parade, the application having received the approval of the necessary department heads, and the Committee further recommends that the parade be under supervision of the Lansing Police Department. As far as other requests are concerned, the Committee has no objection, these requests having been cleared with the departments concerned and their approvals have been received.

Signed:

LUCILE BELEN,  
RICHARD J. BAKER,  
JACK D. GUNTHER,

Re: Sycamore Golf Starter House

Gentlemen:

In 1973 the Department of Parks and Recreation recommended a Capital Improvement Project for replacement of the Sycamore Golf Starter House. This recommendation followed receipt of orders by the Ingham County Health Department for compliance with certain code requirements. City Council approved the project for the 1974-75 fiscal year, and plans were prepared.

Bids received on May 15, 1975 exceeded the budget by \$9,755 and after examination of alternatives the project was referred by the City Council. Currently there is \$9,050 available in the Capital Improvement account (originally funded for \$20,000.00).

On August 2, 1976 the attached inspection report was delivered to the department. The repairs needed for compliance will cost as estimated \$2,275.00. This amount should be reappropriated so we may make the required repairs, or be prepared to close the building.

Because of basic structural problems it appears it may be in the best interest of the city to follow the original recommendation and plan to replace the building at this time.

Sincerely,

THEODORE J. HASKELL,  
Director of Parks and  
Recreation.

Referred to Committee on Parks and Recreation.

August 12, 1976

Honorable Mayor Gerald W. Graves and

Members of the Lansing City Council

Gentlemen:

Subject: Up-dated Appraisal for Disposition Parcel 11, Project No. 2, Mich A-6

In 1974, our office contracted with Terrell R. Oetzel and Donald V. Whipp, Jr., ap-

praisers, for the purpose of having them establish a reuse value for the subject property, pursuant to HUD regulations. The reuse value was established at \$1.85 per square foot, for a total minimum offering price of \$233,000, assuming, among other things, that the site was totally buildable.

It has now come to our attention that the Board of Water and Light, pursuant to a license agreement with New York Central Railroad Company dated May 19, 1938, did install a large underground electrical duct line across a portion of this property. We are advised by the Board of Water and Light that it will be necessary for them to obtain a permanent twenty (20) foot wide easement across this property. Of course, one could not build over the easement.

In view of the above, our office has solicited a proposal from Messrs. Oetzel and Whipp to up-date their earlier appraisal for the purpose of determining what effect the issuing of this proposed easement would have on the reuse value of this property. The fee to re-examine Parcel 11 will be \$375.00.

It is my recommendation that the City Council adopt a resolution authorizing the Mayor and City Clerk to execute Amendment No. 1 to the contract with Messrs. Oetzel and Whipp, dated July 5, 1974, increasing the contract price by \$375.00 for the purpose of re-examining Parcel 11, in view of the proposed easement.

Respectfully submitted,

RONALD G. STONEHOUSE,  
Housing and Redevelopment  
Director.

Referred to Committee on Community Development.

August 9, 1976

Honorable Mayor Gerald W. Graves and

Members of Lansing City Council

10th Floor, City Hall

Lansing, Michigan 48933

Dear Mayor Graves and

City Council Members:

Attached is a letter from B.I.L.D. Corporation requesting that certain equipment at that Agency which had been purchased with Department of Housing and Urban Development (H.U.D.) funds be transferred to the Office of Community Development. This letter will serve as official notification that these equipment items have been declared surplus and, within the applicable section of the Lansing City Ordinance, should be disposed of in a manner determined most appropriate by the City Purchasing Director's recommendation as approved by the Lansing City Council.

It is requested that action be taken as soon as possible to effect a transfer of this equipment from B.I.L.D. Corporation.

Sincerely,

(Mrs.) JACQUELINE WARR,  
Director,  
Human Resources Department.

DATE: 8-10-76

At the request of several residents of the area, I would like to request that a "Stop" sign be erected on both the north and south sides of Clifford at the intersection of Elizabeth. Additionally, that the existing "Yield" sign at Elizabeth on Clifford be eliminated.

The purpose of this is to slow down traffic on Clifford. With no Stop signs for about four blocks, the traffic at times is much too fast. The intersection of Clifford and Elizabeth is a major access point to Hunter Park for many children living on the east side of Hunter Park. As a result of traffic which goes too fast, children's lives are endangered. Residents who live on Clifford, have testified many times that close calls are too serious to be ignored, therefore, I am requesting the City Council refer this to the Traffic Board, requesting that they authorize and recommend installation of these two Stop signs on Clifford and that they report their recommendation to the City Council at an early date.

Referred to Traffic Board.

**THE PUBLIC MAY NOW ADDRESS THE CITY COUNCIL ON ANY OF THE FOLLOWING RESOLUTIONS. YOU MAY SPEAK ONLY FOR 3-MINUTES ON ANY ONE RESOLUTION. (1 through 13)**

Lance Lynch, member of Fire Board, spoke relative to building of the new East-side Fire Station (resolution No. 5).

## RESOLUTIONS

By Committee on Parks and Recreation—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing on March 18, 1976, did enter into a Project Agreement with the Michigan Department of Natural Resources, which provided \$60,000 of Land and Water Conservation Funds for the construction of Phase II of Riverfront Park, and

Whereas, on June 29, 1976, bids were opened for Phase II of Riverfront Park, with the bid being \$166,000, and

Whereas, the Michigan Department of Natural Resources has agreed to increase the funds to be provided by \$22,800, from \$60,000 to \$82,800, and

Whereas, the local share of this construction cost is available in the Community Development Urgent Needs budget, and

Whereas, the City Council, at its meeting held on August 9, 1976, did adopt a resolution authorizing the Mayor and City Clerk to execute a construction contract with Brown Brothers, Inc., the low bidder for the construction of Phase II of Riverfront Park,

Therefore Be It Resolved that the Mayor and City Clerk be and are hereby authorized and directed to execute the revised Project Agreement, providing an additional \$22,800 of Land and Water Conservation Funds, with the Michigan Department of Natural Resources, after approval as to form by the City Attorney and certification as to the availability of the Community Development Urgent Needs funds by the Finance Director.

Adopted by the following vote:

Unanimously.

By Committee on Public Safety—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing Police Department has a Helicopter unit; and

Whereas, the Helicopter Unit performs services to safeguard persons and property within the City of Lansing; and

Whereas, governmental units outside the City of Lansing being Eaton County and East Lansing, desire helicopter services for the purpose of safeguarding persons and property outside the City of Lansing; and

Whereas, the City of Lansing is desirous of providing helicopter services to said governmental units at such times the helicopter services are not necessary in the City of Lansing; and

Whereas, the City of Lansing is to be reimbursed by the other governmental units one hundred dollars (\$100.00) for each hour of helicopter service to cover the City of Lansing's costs; and

Whereas, such reimbursement would be received by the City in one lump sum in advance or once a month; and

Whereas, Michigan Const 1963, Art 7, §28 directs the Michigan Legislature to authorize two or more counties, townships, cities, villages or districts, or any combination thereof to enter into contractual undertakings or agreements with one another for

the joint administration of any of the functions each would have the power to perform separately, to share the costs and responsibilities thereof, to transfer functions to one another, and to cooperate with one another; and

Whereas, the Legislature has enacted such legislation in 1951 PA 35 as amended, being MCLA 124.1 et seq; MSA 5.4081 et seq; Now therefore, be it

Resolved, that the Mayor and City Clerk are hereby authorized and directed to execute the attached contracts after approval as to form by the City of Lansing.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

That the City Assessor be, and he is hereby directed to spread on the December, 1976 Tax Roll (U-11), the cost of correcting the hazardous and unsanitary conditions of properties in the year 1976, in the amount of \$799.19, as reported this date by the Building Commissioners, and as per attached list.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

That the City Assessor be, and he is hereby directed to spread on the December, 1976 Tax Rolls (L-10), the cost of cutting weeds in the year 1976, in the amount of \$1,160.00, as reported this date by the Building Commissioner.

Adopted by the following vote:

Unanimously.

By Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

That the request of Leon and Lucile Roberts to reduce an easement on a lot in the 5100 block of South Pennsylvania from 50 ft. width south to 25 ft. width south from the Weigman drain, be approved.

Description of Lot: Commencing in the West line of Pennsylvania Avenue at a point 57.75 ft. West and 198 ft. South of the North  $\frac{1}{8}$  post of the Northwest frac-

tional  $\frac{1}{4}$  section 3, town 3 North, range 2 West, City of Lansing, Ingham County, Michigan, thence West 220 ft., thence South 72 ft. thence east 220 ft., thence north 72 ft. to the place of beginning.

Be It Further Resolved That the City Clerk be directed to have said vacation of that portion of the Weigman drain easement recorded with the Registrar of Deeds upon the approval as to form by the City Attorney.

Adopted by the following vote:

Unanimously.

By Councilman Blair, Councilman Hull, and Councilman Baker—

Resolved by the City Council of the City of Lansing:

Whereas, this Lansing City Council has set aside monies to purchase local works of art for display in our city facilities; and

Whereas, recently a magnificent stained glass window was displayed at the "Day with the Arts" held in our Civic Center; and

Whereas, this stained glass window by a local artist both commemorates the Day with the Arts and our nation's Bicentennial;

Now, Therefore, Be It Resolved that this Lansing City Council shall purchase this work of art at a sum not to exceed \$200.00 and retain it as a living memory of our nation's Two Hundredth Anniversary, and

Be It Further Resolved that it be displayed for thirty days in the lobby of the City Hall and then permanently displayed in the Lansing Civic Center, and

Be It Finally Resolved that this be purchased from the money so designated in the City's Special Expense Account No. 101-930-000-962 after the Controller's certification as to availability of funds.

Adopted by the following vote:

Unanimously.

Councilman Baker asked for a five (5) minute recess to consider a substitute resolution relative to the Eastside Fire Station.

Carried.

Council recessed at 8:55 p.m.

Council reconvened at 9:05 p.m.

Councilman Baker offered the following substitute resolution.

By Committee on Finance—

Resolved by the City Council of the City of Lansing:

Whereas, the Council Committees on Buildings and Properties, Public Safety and Parks and Recreation have reviewed the need and plans for a new fire station to be built on the Eastside and have recommended the building of said station at Marshall Field; and

Whereas, the bids received for construction of the facility were above the allocated funds; and

Whereas, the joint recommendation of the Purchasing Agent, Fire Chief and Executive Assistant to the Mayor for Community Development that the low bid submitted by P.H.I. Construction for the construction of an Eastside Fire Station (B-76-588, PS-27031) be accepted, has been referred to the Committee on Finance for consideration of the possibilities for providing the additional funds required to proceed with the project; and

Whereas, the Committee on Finance has reviewed the proposed plans submitted by Manson, Jackson, and Kane, Inc., Architects, and has reviewed the option and implications of modifying the plans and determined that changes would result in substantial additional cost and delay; and

Whereas, the Finance Director has presented a recommendation for the source of the necessary funds,

Therefore, Be It Resolved, that the low bid of P.H.I. Construction for the Eastside Fire Station Contract, PS 27031, in the amount of \$466,120, including Alternates 1 and 3, be accepted.

An additional 5% of the amount of \$23,306 is hereby authorized to be encumbered by the Controller for contingencies making the total amount encumbered under this contract \$489,426.

Be It Also Resolved, that Alternative 2, costing \$24,500, plus a 5% contingency of \$1,225, be reconsidered within 30 days. Should this reconsideration be favorable, the Mayor and the City Clerk shall be considered hereby authorized to amend the contract accordingly bringing the total contract to \$515,151.00.

Be It Further Resolved, that the additional funds needed shall be drawn from the Building Reserve Fund.

After the award, the successful bidder shall be required to execute the contract as specified within ten days after the prescribed forms are presented to him for signature in the Instruction to Bidders of the Contract.

Be It Further Resolved, that the Mayor and the City Clerk be directed to execute a contract with said P.H.I. Construction, Inc., on behalf of the City of Lansing according to the said bid presented and specifications on file, upon approval of the contract, and of the bonds and insurance policies by the City Attorney, and upon certification of the City Controller as to the availability of funds.

Lost by the following vote:

Yeas: Councilmen Baker, Belen—2.

Nays: Councilmen Blair, Brenke, Gunther, Hull, McKane—5.

The original resolution was then offered.

By Committee on Finance—

Resolved by the City Council of the City of Lansing:

Whereas, the Council Committees on Buildings and Properties, Public Safety and Parks and Recreation have reviewed the need and plans for a new fire station to be built on the Eastside and have recommended the building of said station at Marshall Field; and

Whereas, the bids received for construction of the facility were above the allocated funds; and

Whereas, the Finance Director has presented a recommendation for the source of the necessary funds,

Therefore, Be It Resolved, that the low bid of P.H.I. Construction for the Eastside Fire Station Contract, PS 27031, in the amount \$490,620.00 be accepted.

An additional 5% in the amount of \$24,531.00 is hereby authorized to be encumbered by the Controller for contingencies making the total amount encumbered under this contract \$515,151.00.

Be It Further Resolved, that the additional funds needed shall be drawn from the Building Reserve Fund.

After the award, the successful bidder shall be required to execute the contract as specified within ten days after the prescribed forms are presented to him for signature in the Instruction to Bidders of the Contract.

Be It Further Resolved, that the Mayor and the City Clerk be directed to execute a contract with said P.H.I. Construction, Inc., on behalf of the City of Lansing according to the said bid presented and speci-

fications on file, upon approval of the contract, and of the bonds and insurance policies by the City Attorney, and upon certification of the City Controller as to the availability of funds.

Adopted by the following vote:

Yeas: Councilmen Baker, Belen, Brenke, Gunther, Hull, McKane—6.

Nay: Councilman Blair—1.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the City Council approved submission of a pre-application for a Title IX Economic Adjustment Plan grant request on February 5, 1976, to the United States Economic Development Administration; and

Whereas, the Economic Development Administration has given the City of Lansing permission to submit an application for said grant; and

Whereas, the grant would thereby enable the City to analyze the severe economic dislocation which has occurred in basic manufacturing jobs in Lansing during recent years; and

Whereas, the study would provide policy guidance for the City's recently created Economic Development Corporation, formed under Act 338 of the Public Acts of 1974; and

Whereas, funds are available in the Community Development budget to provide local match to develop this plan; and

Whereas, the Mayor is charged with the responsibility for compliance with the assurances for job opportunities for the unemployed, environmental quality, and the certificate of non-relocation;

Now, Therefore, Be It Resolved, that the Mayor of the City of Lansing is authorized to file the grant application with the Economic Development Administration for a Title IX economic dislocation study; and

Be It Further Resolved that the Mayor and City Clerk be directed to sign the application for this grant after approval by the City Attorney as to form.

Adopted by the following vote:

Unanimously.

By Councilmen McKane, Gunther and Belen—

Resolved by the City Council of the City of Lansing:

Whereas, upon the passage of 1974 PA 338, as amended, commonly known as the Economic Development Corporations Act,

the City of Lansing possesses the ability to provide the means for the encouragement and retention of industrial and commercial enterprises locating or expanding in the City, which provide needed services and facilities for its residents; and

Whereas, the City of Lansing, by and through its City Council, received an application in writing dated December 29, 1975 for authorization to incorporate a non-profit economic development corporation pursuant to Act 228, of the Public Acts of 1974, as amended, and said corporation, known as the Economic Development Corporation of the City of Lansing, was subsequently formed on February 6, 1976; and

Whereas, the City Council finds that there exists in the City of Lansing a continuing need to implement programs designed to alleviate and prevent conditions of unemployment and to assist local industries and commercial enterprises in their attempt to strengthen and revitalize the City's economy; and

Whereas, pursuant to this Act, the Michigan Legislature has prescribed various powers and duties to provide the authority for an Economic Development Corporation to issue notes and other evidences of indebtedness; to provide property tax exemptions; to condemn, lease or purchase real and personal property; and to undertake other projects relative to economic development within a defined "project area" as established through the procedures of this Act; now, therefore, be it

Resolved, that pursuant to Section 8 of Act 338 of the Public Acts of 1974, as amended, the Lansing City Council will conduct a public hearing on the resolution certifying the designation of the project area, known as the Olds Plaza Hotel site, designated by the Economic Development Corporation for the City of Lansing and the establishment of the project district area, more specifically described as follows:

#### PROJECT AND DISTRICT AREA SITE DESCRIPTION

Lots 4 and 5 and the west one-third of Lot 3 of Block 110 of the original plat of the City of Lansing;

and be it

Further Resolved, that this public hearing is hereby set for August 30, 1976, at 7:30 p.m. in the City Council Chambers, 10th Floor, City Hall, Lansing, Michigan, at which time the City Council invites a full and complete discussion of this proposed resolution; and be it

Finally Resolved, that the City Clerk is hereby directed to prepare an appropriate notice stating the time, purpose and location of the public hearing on August 30, 1976, by one publication in a newspaper of general circulation no later than August 19, 1976, together with a mailing to property owners and the posting of notices in at least ten conspicuous places in the proposed project and district area, described

above at least ten days before said public hearing.

Adopted by the following vote:

Unanimously.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

Whereas, the Lansing Planning Board is, by provision of the City Charter, responsible for the administration of the zoning ordinances of the City of Lansing; and

Whereas, the Zoning Code, Section 36:42, allows for the issuance of Special Use Permits; and

Whereas, the Planning, Building and Fire Departments have concurred in a recommended process for the review of Special Use Permit petitions; and

Whereas, the Lansing Planning Board has concurred in the process recommended by the Planning, Building and Fire Departments,

Now, Therefore, Be It Resolved that the City Council adopts the process for reviewing petition for Special Use Permits as follows:

1. Petitioner files with the City Clerk and deposits a non-refundable \$100.00 filing fee.
2. Petition is referred to the Planning Board.
3. Zoning Administrator contacts the petitioner and solicits several dates/times when petitioner can make the premises available for a joint (Fire, Building, Planning) inspection.
4. Zoning Administrator contacts Building and Fire Marshal and all three agree on an inspection date/time.
5. Zoning Administrator contacts petitioner by phone and follows up with a letter, copies to Fire Marshal and Building.
6. Inspection is made based on applicable statutes, ordinances and codes.
7. Fire Marshal and Building submit their detailed reports to Planning (Zoning Administrator) detailing those alterations, if any, which must be made in the structure before it is used for the intended Special Use.
8. Zoning Administrator compiles these reports along with the Zoning report and sends copies, under cover, to the Petitioner, Fire Marshal and Building Commissioner.
9. A public hearing is held before the Planning Board (public notice, as well as written notice to surrounding

property owners will have already been given according to the standard procedure of the Planning Department).

10. Within the number of days specified in the Zoning Code of the original referral, the Planning Board reports to the City Council. The report will address all aspects of Sec. 36:42 of the City Code and will stipulate that if City Council grants the Special Use Permit that granting should be contingent upon the petitioner's compliance with all applicable codes and ordinances as specified in the reports of the Fire Marshal and Building Commissioner.

11. The matter is referred to Council for consideration.

12. If the recommendation is to approve, there will be accompanying Council resolution which stipulates that upon completion of the specified code compliance alterations, certified by the respective departments, a subsequent resolution will be passed which grants the Special Use Permit. (This will assure that a petitioner who invests in a residence in order to bring it into code compliance does not make the investment in vain.)

13. Upon request of the petitioner, the Zoning Administrator will arrange a mutually acceptable date and time when the Planning, Building and Fire Departments will make a reinspection of the subject property. If alterations on the premises have been made in accordance with the written directions of the various departments, a report will be made to the Committee of the Whole by the Planning Department and a resolution will be prepared granting the Special Use Permit.

By Councilman Baker—

That under "1." the filing fee be changed to \$150.00.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

Whereas, on June 10, 1976, Representatives Brown and Holcomb introduced House Bill No. 6432, and

Whereas, House Bill No. 6432 would prohibit cities from annexing portions of charter townships, and

Whereas, the provisions of House Bill 6432 would practically eliminate the possibility of reasonable urban expansion and thereby severely handicap the orderly development of cities in Michigan, now therefore

Be It Resolved, that an appropriate letter will be sent to Lansing area legislators as well as other concerned legislators, urging them to resist passage of House Bill No. 6432.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

Whereas, the Lansing Planning Board has completed the preliminary evaluation of alignment alternatives for the Logan Corridor Study; and

Whereas, the Logan Corridor Study Technical Steering Committee has recommended a list of practical alignment alternatives for further detailed analysis; and

Whereas, these alternatives have been reviewed and accepted by the Logan Corridor Study Interagency Task Force; and

Whereas, these alternatives have been reviewed and accepted by the Logan Corridor Study Community Forums of the City of Lansing and Township of DeWitt; and

Whereas, a public meeting held on July 14, 1976, showed the major part of Logan Corridor residents as accepting these alternatives for further study;

Now, Therefore, Be It Resolved that the City Council formally adopt the Logan Corridor practical alternatives as per attachment for detailed evaluation and preparation of recommendations by the Planning Board.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

## Z-73-72B

Whereas, the Flint Building Company has requested an amendment to the approved Community Plan located off the S.W. corner of Waverly Road and Jolly Road; and

Whereas, said amendment covers only the area known as Warwick Subdivision No. 3; and

Whereas, this requested amendment consists of deleting one (1) apartment building and adding a community building, and swimming pool, with no reduction in living units, as the four apartment buildings proposed for the site will be enlarged to accommodate for those units which were deleted with the reduction of one apartment building; and

Whereas, this request has been reviewed by the Planning Committee of Council who has no objection to the revised layout, but recommended that occupancy permits be withheld on the most northerly building known as Building No. 6, until the swimming pool and community building is complete and ready for occupancy; now, therefore, be it

Resolved, that the Council of the City of Lansing ordains that the requested amendment be approved in accord with the plan submitted, on the condition that the developer post a performance bond with the City Controller, after approval as to form by the City Attorney, in an amount as estimated by the City or its agents to cover the costs and insure the construction and completion of the proposed community building, swimming pool and small children's play area. Said performance bond shall specify the time period in which the subject improvements are to be completed and shall be with an acceptable bonding company authorized to do business in the State of Michigan.

Resolved by the City Council of the City of Lansing:

## P-1-76A

## Delaware Park No. 2, Final Plat

Whereas the Final Plat of Delaware Park No. 2 has been submitted for approval; and

Whereas the Planning Board, pursuant to Act 285, P.A. 1931, as amended, has approved and recommended that the City Council approve the Final Plat subject to the following conditions:

- 1) That the Deed or Abstract of Title, accompanied by an attorney's opinion

as to the marketability of the land, or a certificate of Title Insurance be submitted to the City Clerk prior to the signing of the plat and the affixing of the Municipal Seal.

- 2) That final security be posted in the amount specified by the Public Service Department and the Department of Parks and Recreation.
- 3) That final clearance from the Board of Water and Light for the development be obtained; and

Whereas the Planning Committee of City Council and Public Service and Highways Committee of City Council have reviewed the report of the Planning Board and concur therein;

Now, Therefore, Be It Resolved that the final plat of Delaware Park No. 2 Subdivision is hereby approved subject to the conditions outlined above, and all conditions of previous approvals; and

Be It Further Resolved that the City Clerk is directed to transcribe the certificate of approval on the final plat of Delaware Park No. 2 Subdivision.

By the Committee on Planning—

Resolved by the City Council of the City of Lansing:

## L.S. 10-76

Lot 9, Replat of Andersons Sub.  
Maybell Street

Whereas a request has been made to divide property located in the 3600 Block of Maybell Street, more particularly described as Lot 9, Replat of part of Andersons Subdivision, City of Lansing, Ingham County, Michigan.

Whereas the proposed division will create two residential lots which do not meet the minimum width requirements of the subdivision Ordinance, and

Whereas the Planning Board advised the City Council to deny the lot division, and

Whereas the Planning Committee of Council to whom was referred the report of the Planning Board did not concur therewith, but recommended that the lot division be approved.

Now Therefore Be It Resolved that in accordance with Section 37-27 of the Subdivision Control Ordinance, the above described parcel of land be divided as follows:

Parcel "A" The west 53 ft. of Lot 9, Replat of Part of Anderson's Subdivision, Lansing Township, Ingham County, Michigan.

Parcel "B" Lot 9, except the west 53 ft., Replat of Part of Andersons Sub-division, Lansing Township, Ingham County, Michigan.

Subject to any utility easements as may be required by the Board of Water and Light and the Public Service Department.

The applicant, however, stipulates and understands that the lot split as granted by the City of Lansing does not necessarily mean that the applicant may proceed with the division of the property. The applicant further understands that there may be some private restrictions contained in his deed, or plat restrictions, which may or may not be recorded with the Register of Deeds, which run with the land. The applicant further understands that the City does not have any power or authority over these restrictions.

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing and the United States of America have entered into a grant agreement providing the City of Lansing with funds to plan and implement a Community Development program; and

Whereas, the City of Lansing, through the Planning Department, desires to engage the Downtown Development Authority for the City of Lansing to perform various services and activities, and accomplish certain objectives in connection with said Community Development program; and

Whereas, a proposed contract has been developed between the City of Lansing, through the City Attorney's Office, and the Downtown Development Authority to provide certain planning services for the South Washington Mall project area; and

Whereas, said contract (effective from August 1, 1976 through March 31, 1977) for a total compensation not to exceed thirty-five thousand and 00/100 dollars (\$35,000.00) is hereby approved by the City Council of the City of Lansing; and

Whereas, the approval of this contract is subject to availability of funds through the City of Lansing Community Development program; now, therefore be it

Resolved, that the Mayor and City Clerk are hereby directed to sign said contract on behalf of the City of Lansing, after approval as to form by the City Attorney and after certification as to the availability of funds by the Finance Director.

### HEARINGS ON PROPOSED CHANGES IN ZONING CLASSIFICATIONS

August 23, 1976, at 7:30 o'clock being the time set as the time for holding a hearing on the proposed changes in the Classifications as provided for in the Zoning Code, which was passed by the City Council on November 13, 1958, said proposed amendment being as follows:

That the property described as:

SUP-5-76—5805-5810 Orchard Ct.

(To be used as an Adult Foster Care Home).

The Mayor announced that if there was anyone present who had any suggestions or objections to make to the proposed amendment to the Classifications provided for in the Zoning Code he had the privilege of speaking at this time.

No objections were made to the proposed amendment.

Referred to Committee on Planning.

Councilman Baker presented the following letters to be made a part of the public hearing.

August 19, 1976

Mr. and Mrs. Frank Seyka

880 Onondaga

Holt, Michigan

Dear Mr. and Mrs. Seyka:

I received a letter from Mr. Ronald Smoker, Executive Director, Capital Area Residential Services, Inc. in which he states that your request for a special use permit for the property at 5808 and 5810 Orchard Court be rescinded and that he is making this request with your full knowledge and consent. I understand that to mean that you no longer wish to have a special use permit issued for the property and wish to have the petition cancelled and no longer wish any further consideration by the City of Lansing. If that is your desire, I will, 10 days from now, unless I receive either a phone call or letter from you advising otherwise, cancel said petition SUP-5-76 and the file will be closed.

I am sending copies of this letter to Mr. Smoker as well as Mr. Terry Vollaire and Ms. Rita Charron of the Programs for Mentally Retarded and to Mr. Darald Heath with Hacker Realty. A copy of Mr. Smoker's letter is attached.

If you have any questions or disagreement with the contents of Mr. Smoker's letter or the actions I propose, I urge you to contact me at once.

Respectfully yours,

RICHARD J. BAKER,  
Councilman-At-Large.

August 10, 1976

Councilman Richard Baker

10th Floor City Hall

Michigan Avenue

Lansing, MI 48933

Dear Councilman Baker:

This letter is in reference to the consideration by City Council of a Special Use Permit for 5808-10 Orchard Court on August 23, 1976 at 7:30 p.m. City Hall.

We are requesting on behalf of the petitioner, Mr. & Mrs. Frank Seyka, with their full knowledge and consent that this request be deleted from the City Council agenda for consideration on that date or at any future time. The request is being made since the regulations governing issuance of this permit require a fire and safety inspection by the City Fire Marshal

and the present owner will not permit such an inspection.

Per our conversation on August 5, 1976 in your office, I stand advised that you will honor such a request. Thank you for your considered and prompt attention to this matter.

Respectfully,

RONALD R. SMOKER,  
Executive Director.

August 18, 1976

Councilman Richard Baker

10th Floor—City Hall

Michigan Avenue

Lansing, Michigan 48933

Dear Councilman Baker:

This letter is a follow up to a letter sent to you by Ronald Smoker of the Capital Area Residential Services Board. In his letter to you dated August 10, 1976, he asked that consideration of a Special Use Permit for a home at 5808-10 Orchard Court be deleted from the August 23, 1976, City Council agenda.

As Supervisor for Residential Services of Community Mental Health, Programs for the Mentally Retarded, I am in agreement with Mr. Smoker's request. I do think, however, that when it is asked to be deleted, that the reason for it being deleted also be mentioned for public record. With this in mind, it should be noted that the present owner of the home at 5808-10 Orchard Court, a Mr. Ljubicic, refused to permit a fire and safety inspection by the City Fire Marshal because, by his own personal admission to Mr. Derald Heath, the Real Estate agent involved from the Dennis Schafer Realty, he (Mr. Ljubicic) was afraid for his family's safety because of the Orchard Court neighbors' reactions to his willingness to sell his home for use as a group home for the mentally retarded.

Mr. Ljubicic can legally refuse admission for the inspections necessary for issuing a special use permit. Thus, the home cannot be used as a group home for the mentally handicapped. The reasons that prompted Mr. Ljubicic's change of attitude would seem to call for some comment.

Thanking you for the help and consideration that you have given the cause of Community Placement, I remain,

Sincerely,

TERRY G. VILLAIRE,  
Residential Supervisor.

The Committee on FINANCE, which has been studying methods for funding the construction of bicycle paths, reports as follows:

Inasmuch as the City has adopted a bicycle route master plan and has Act 51 funds which are available as a funding source for this plan, the following implementation program should be adopted:

1) A. Representatives of the Program Co-ordinator's Office, the Parks Department and the Planning Department should meet to expand the existing master plan into an operational plan suitable for phased implementation.

B. The long term schedule thus developed should be referred to the Public Service Director to examine the proposed projects in relation to the street and highway construction program and to identify those projects which might be coordinated with proposed street projects. Subsequent to this review the long-term schedule should be revised as appropriate and adopted by the City Council as policy.

C. The Park Department should then submit specific annual projects within that policy to the Capital Improvements Program Technical Co-ordinating Committee for its review and recommendation.

D. As part of their review the C.I.P.T.C.C. should verify that none of the excluding provisions of the Act 51 law apply to the annual project under consideration. This would require input from the Traffic Engineer, Public Service Director and others.

If a project is eliminated due to an excluding provision, consideration would then be given to the project normally scheduled for the following year.

E. The long-term plan should be reviewed annually, with appropriate revisions to be made based on experience to date.

2) As an interim arrangement, a specific project could be implemented this fiscal year, based on the master plan, through a budget transfer and appropriate consideration of the C.I.P.T.C.C.

We request that this proposal be referred to the Committee of the Whole.

Signed:

TERRY J. McKANE,  
JAMES D. BLAIR,  
WILLIAM A. BRENKE,  
Committee on Finance.

By Councilman McKane—

That the report of the Committee be adopted.

Re: Ingham Medical Center v City of  
Lansing  
MTT Docket #6154

Dear Mayor and Council:

On April 29, 1975, Ingham Medical Center filed a petition with the Michigan Tax Tribunal seeking a review of the 1975 property tax assessments for space leased to and occupied by private physicians at the Center. The tax was assessed pursuant to MCLA 211.181; MSA 7.7(5) which provides that where, as in the case of Ingham Medical Center, any real property which is otherwise exempt from taxation is leased in connection with a business conducted for profit, the lessee is subject to taxation in the same amount and to the same extent as though the lessee were the owner of the property. Pursuant to the terms of the lease with the physicians, however, Ingham Medical Center agreed to pay the taxes assessed against the physicians. Subsequently, during the pendency of the petition, the 1976 taxes were added to the case.

Ingham Medical contended in its petition that: (1) the physicians and thus the real property was exempt from taxation in that the physicians did not conduct a business for profit within the meaning of the statute cited earlier; and (2) that in any event the tax assessment imposed by the City was excessive.

The first issue raised by the petitioner became moot when the Michigan Supreme Court in *Baker v State Tax Commission*, 395 Mich 151; 235 NW2d 352 (1975), a case akin to the present controversy, ruled that the private practice of medicine was the carrying on of a business for profit and that as a result physicians leasing space in a tax exempt hospital were subject to taxation pursuant to MCLA 211.181; MSA 7.7(5).

As to the remaining issue concerning the proper level of assessment, both the petitioner and the City prepared appraisals and valuation reports to determine the true cash value of the subject property.

The opinions expressed in the reports were supported by competent data. Nonetheless, the report prepared by the Assessor's staff reflected a true cash value of approximately \$1,761,000. The petitioner's appraisal found that the property value was approximately \$1,406,000. In view of the relative closeness of the reports considering the amount involved and the quality of supporting data, it would not be unexpected that the Michigan Tax Tribunal upon a trial of the case would determine that the values of the property rested between the values expressed in the appraisals of the parties.

In an effort to resolve the controversy, avoid a long and expensive trial before the Tax Tribunal, and at the same time retain some measure of predictability on the outcome of the case, representatives of Ingham Medical Center, the City Assessor's Office, and this office met to review the evidence and attempt to agree upon a value for the premises acceptable to all concerned. At the conclusion of the meeting, it was agreed, subject to approval by the City Council, that the true cash value of the premises in question should be set at \$1,576,000. This figure is \$185,000 less than the value ascribed by the Assessor, and \$170,000 more than the value determined by the petitioner's appraisal.

Therefore, in order to avoid the expense and uncertainty of litigation coupled with the fact that the parties have agreed upon a value, which is believed fair and equitable to all concerned, it is my recommendation that this office be authorized to enter into a stipulation with Ingham Medical Center establishing a true cash value of the property at \$1,576,000 for the 1975/1976 tax years with the appropriate adjustments being made for taxes already paid by the petitioner.

Respectfully submitted,

PETER HOUK,  
City Attorney.

Tenth Floor, City Hall

Lansing, Michigan 48933

Dear Mayor Graves and Council Members:

This letter is written for a report to you with regard to recent actions taken by the Human Resources Board advising on the non-expendable property contract for Sol de Aztlan as well as amendments to the Health Services Contract, PN-217.

1. The Sol de Aztlan non-expendable property contract was unanimously approved in the Board's regular meeting held on Thursday, August 12, 1976.
2. In considering the Health Services Contract, PN-217, the Board approved the amendments proposed at their regular meeting on August 12, 1976 by a vote of six (6) ayes, and one abstention. However, they wished to convey to the City Council they have some reservations as to the amount of services the Community Development target areas are receiving through Ingham County in this contract.

We hope the above information will assist you in your decision-making process on the above two contracts soon to come before City Council for action.

Sincerely,

MRS. JACQUELINE WARR,  
Director,  
Human Resources Department.

Re: Fees and Charges for Large Picnics

Gentlemen:

The opening of Riverfront Park and the Bicentennial Celebration and Ethnic Festival opened a new era of recreational activity for people in the Lansing area. It was wonderful to see how well the people responded to the concept and design of these riverfront activities.

At least two large events have been planned for September in that same area. While the Park Board and Department of Parks and Recreation staff have been pleased with the response, it has brought with it a new era of concern for increased operation and maintenance costs. The support services (moving tables, chairs, trash barrels, etc., and litter pickup and trash) for the Bicentennial amounted to nearly 550 man hours that had to be diverted from scheduled programs and operations.

The Park Board and Park and Recreation Committee have discussed the best way that these "large picnic" services might be provided.

The Park Board has directed the staff to work with the groups scheduled for this September (Mexican Patriotic Committee, and Community Action Program Council). All costs will be recorded for analysis. It would be necessary to transfer funds to the Riverfront Park account at a later date after costs were determined.

These cost data would serve as basis for

establishing a schedule of fees and charges for various "packaged services" for large scale picnics. This schedule would be forwarded to City Council for study at the time of our annual review of fees and charges.

Sincerely,

THEODORE J. HASKELL,  
 Director of Parks and  
 Recreation.

 Honorable Mayor and  
 Members of City Council  
 City of Lansing  
 Gentlemen:

The Park Board at their August 18, 1976 meeting approved the renegotiation of the lease with the Lansing Boat Club for use of Grand River Park. It is proposed the new lease would cover a five year period as provided for in the Lansing City Charter.

This change was at the request of the Boat Club who currently negotiates the lease with the City on an annual basis.

Sincerely,

THEODORE J. HASKELL,  
 Director of Parks and  
 Recreation.

Referred to Committee on Parks and Recreation.

August 19, 1976  
 Honorable Mayor and  
 Members of City Council  
 Gentlemen:

Following study by the liaison committee the Lansing School District has requested authorization to locate two mobile class rooms on park property on a temporary basis. These are to be used for their high school Re-entry Program until permanent locations can be established.

Property suitable to the School District was located at the east end of Everett Field, and at the August 18, 1976 Park Board meeting authorization was given for the use of this property.

Installation of the units is scheduled to allow for use by mid-September.

Sincerely,

Honorable Mayor and  
Members of City Council  
City of Lansing  
Gentlemen:

The Park Board at the August 18, 1976 meeting reviewed plans for the sale or exchange of the Paulson Street property owned by the City. It was the consensus of the Board to recommend such disposal contingent upon the receipt of benefits in an amount not less than the fair market value of the Paulson property.

Sincerely,

ROW-4-76  
Buffalo Street Vacation

Honorable Mayor and Members of  
City Council:

The Planning Board, at their meeting of August 17, 1976, recommended to the City Council that the request by Industrial Welding, Incorporated, to vacate the west

15 feet of Buffalo Street be approved subject to the requirements and recommendations of the other public agencies to whom were referred this request.

The Board found, based on site plan submission, that the 15 foot right-of-way would be used for expansion of the existing industrial facility located within the block bound by William, Buffalo, and Olds. The vacation of this 15 foot right-of-way will not allow expansion into the existing street right-of-way of Buffalo Street and will, therefore, not affect traffic flow on the street.

Based on the industrial use of the block in question, the Board does not believe it is necessary to retain sidewalk or street lighting along the west side of Buffalo, as these facilities can be provided on the east side adjacent to the existing residential districts.

In summary, the Board believes that this right-of-way vacation will facilitate expansion of an existing industrial use without seriously affecting the existing residential development to the east.

Sincerely,

ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

Referred to Committee on Planning.

August 19, 1976

ROW-5-76

Ottawa/Depot Streets Vacation

Honorable Mayor and Members of  
City Council:

The Planning Board at their meeting of August 17, 1976 recommended that the request by Ronald Stonehouse, Housing and Redevelopment Director, to vacate that portion of Ottawa lying west of Cedar Street and that portion of Depot Street extending south of Ottawa Street a distance of 74.25 feet be approved, subject to the requirements and recommendations of all other public agencies, which will include the retention of public utility easements.

The Board found that the vacation of these streets will allow for implementation of the plans for Urban Renewal No. 2. A new street, known as Mill Street, has been developed north of this property and would allow for access to those properties which will eventually be developed in accord with the Urban Renewal No. 2 Plan.

Sincerely,

ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

Referred to Committee on Planning.

August 19, 1976

Z-17-76

7001 South Cedar Street

Honorable Mayor and Members of  
City Council:

The Planning Board, at their meeting of August 17, 1976, recommended that the petition by Fred E. Smalley to rezone property at 7001 South Cedar Street from "A-1" Family Residential District to "G-2" Wholesale District be approved, providing that a site plan is submitted which will show the required off-street parking located entirely on the property in question. The initial site plan had shown off-street parking within the public right-of-way and the Board did not find this acceptable or in accord with the Zoning Ordinance.

The Board found that the site in question is located within the strip commercial area along South Cedar Street, which has made this property undesirable for residential development.

The Board believes that if this change is allowed that the site improvements required with the zoning change will have the affect of upgrading the site and allow for expansion of a commercial use that is characteristic of this area.

This recommendation was made by a unanimous vote of the Board.

Sincerely,

ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

Referred to Committee on Planning.

August 19, 1976

Z-38-76

2200 Olds Avenue

Honorable Mayor and Members of  
City Council:

The Lansing Planning Board, at their meeting of August 17, 1976, recommended that this request be approved providing that security fencing be provided around those areas that contain any outside storage.

The Board found that the site is located within an area which is identified as industrial development on the Master Land Use Plan. The applicant submitted site plans which indicate adequate parking south of Olds Avenue and south of the block being considered for rezoning. The parking area is zoned Light Industrial and is fenced for security purposes. The plans indicated that expansion would be contained within the block requested for rezoning and would not extend into the existing street (Buffalo Street).

Since no plant expansion is proposed, in terms of consuming additional land

area, the Board does not believe that the change will seriously affect the adjacent residential development. This recommendation was by a unanimous vote of the Board.

There were several people within the immediate residential area that spoke on this proposed rezoning change. Some were in opposition to the change because of what they felt would be a threat on their residential area. Others spoke, not so much in opposition, but of great concern of the traffic problems created in the area by heavy trucking by Industrial Welding, Oldsmobile and Fisher Body.

As a result of this discussion regarding heavy traffic in the area, the Board is forwarding a separate resolution to the City Council requesting that the Traffic Board look into this matter and suggest possible changes to the existing street pattern in the vicinity which will discourage heavy trucking throughout the residential area.

Sincerely,

ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

Referred to Committee on Planning.

August 19, 1976

Honorable Mayor and Members  
of the City Council  
Gentlemen:

It has been rather forcibly brought to my attention that a severe traffic and personal safety hazard exists in the Urban-dale area, specifically, on Harton Street. This is approximately one-half mile long gravel street running east from Clemens to the eastern city limits and further east to Detroit Street. The street has actually only two or three houses that actually face upon it. It is primarily a connector street for the various north-south streets which intersect it and dead end it just south at the I-496 Freeway.

However, it has been brought to my attention and to Mr. Hull's that many people believe this street to be a drag strip, a place where they can test their cars and a place where people ignore all reasonable safe operating speeds for their cars. During the past week, there have been two major personal injury accidents on this street both of which involved cars that were speeding on Harton Street at extremely high rate of speed (estimate by some in excess of 55 miles per hour).

This situation has created anxiety and some anger among the residents of the area and they feel something must be done now to stop this situation.

At the present time, there are no traffic control devices on Harton other than at the intersection of Harton and Clemens,

nor are there any on any of the north-south streets which intersect Harton. This situation as shown by recent events is not only unsafe but it is dangerous to life and limb.

I wish to request on behalf of the residents of the area, the following:

1. That the Lansing Police Department, as it may see fit, devote additional time to traffic patrol on Harton Street including use of radar where appropriate.
2. That the Traffic Board research and report back to the City Council as soon as possible recommendations for traffic control devices on Harton Street.
3. That the Traffic Board specifically address a solution which involves placing Stop signs on Harton every single intersection for its entire length.

This would make all of the north-south streets thru-streets but, of course, they all dead-end one-half block south of Harton and would require persons driving east-west on Harton to stop at each intersection. But since Harton is not a residential collector or arterial, or any other similar vehicular street, but merely a connecting street between various north-south streets, this should create no problem with traffic flows and should increase the safety and well-being of the residents of the area to a considerable extent. Based upon the past week's accidents it is also not unreasonable to see that it could very well save some lives.

I urge the Council to make the referral to the Traffic Board and I urge the Traffic Board to respond to this request. I also urge both the Police Department and the Traffic Department to respond to this request with the greatest urgency.

Respectfully yours,

R. J. BAKER,  
Councilman—at Large.

August 19, 1976

Honorable Mayor and Members

of the City Council  
Gentlemen:

It has been brought to my attention that many handicapped come to City Hall but

have a great deal of difficulty locating a parking space that is adjacent to City Hall. The problem has been especially acute for those having multiple sclerosis. Their driver frequently brings them to City Hall and drops them off so that they can do business in City Hall. Oftentimes because of lack of a parking space, they are forced to unload the van in a traffic lane on either Michigan or Capitol in heavy traffic. This situation seems to be not only unsafe but unnecessary.

The city has taken several steps in the last few years to insure that handicapped are provided barrier free access to public buildings and I think it is time we take one additional step in that direction: I propose and ask the City Council concurrence in the designation of one parking space for handicapped only to be located in the last parking space on West Michigan Avenue at the corner of Capitol in front of City Hall. This space is now utilized for police car parking only. However, as I observe out of my window, the majority of time during the day there are two or more vacant spaces in this reserved area. I urge the City Council to immediately order that a space be reserved for handicapped only, that it be appropriately signed, and that this reservation have immediate effect under City Council's emergency powers. The reason for the immediate effect is to forestall even for 30 days the possibility of a needless or senseless accident from occurring.

Thank you very much for considering this request. Both I and the handicapped appreciate your support of this proposal.

Respectfully yours,

R. J. Baker,  
Councilman—at Large.

Referred to Committee on Public Safety.

By Councilman Baker—

That the Council recess for 3 minutes for amendment to resolution—recessed at 10:05.

Reconvened at 10:10.

By Councilman Baker—

Resolved by the City Council of the City of Lansing:

That the western most parking space on the north side of the 100 block of West Michigan Avenue be and is hereby designated for parking use by handicapped vehicles only, or vehicles that are transporting handicapped, and

Be It Further Resolved that proper signing be placed by the appropriate City Department; and

Be It Further Resolved, that the City Council acting under its emergency powers,

that this be given immediate effect; and

Be It Finally Resolved that the Traffic Board is hereby requested to consider making this parking restriction permanent.

By Councilman Adado—

That the resolution be amended as follows—in the first paragraph after the word “for” in the second line strike out the words “parking use by” and insert “the embarking and disembarking of passengers from vehicles used for the transportation of handicapped persons” and in the first paragraph—line 3—delete the words “vehicles only, or vehicles that are transporting handicappers.”

By Committee on Community Development—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing has received a Redevelopment Proposal for Parcel 7 of Urban Renewal Project No. 1, Mich. R-87, from Telephone Communications, Incorporated, a Michigan corporation, and

Whereas, a Contract for Sale of Land for Private Redevelopment by and between the City of Lansing and Telephone Communications, Incorporated, has been prepared and said agreement is determined to be satisfactory, and

Whereas, the Redevelopment Proposal submitted by Telephone Communications, Incorporated, and the proposed Contract for Sale of Land for Private Redevelopment by and between the City of Lansing and Telephone Communications, Incorporated, were placed on file for public examination for a period of thirty (30) days prior to the Public Hearing held by the City Council of the City of Lansing on June 14, 1976,

Now, Therefore, Be It Resolved by the City Council of the City of Lansing that the Mayor and City Clerk be and are hereby authorized and directed to execute the Contract for Sale of Land for Private Redevelopment by and between the City of Lansing and Telephone Communications, Incorporated, on behalf of the City of Lansing.

Be It Further Resolved, that the City of Lansing reserves the right to review and approve the final working drawings for this building, when said drawings are completed. Such review is to be conducted by the following departments:

1. Building Department and Fire Marshal, as to code requirements.
2. Community Design Center and Housing and Redevelopment Department, as to consistency of facade treatment between the artistic rendering and the working drawings.

By Councilman Baker and Councilman Belen—

Resolved by the City Council of the City of Lansing:

Whereas, many well-known as well as lesser known women struggled for over 100 years for equal rights for women; and

Whereas, in 1920 women finally won the right to vote; and

Whereas, women are today still seeking

to attain full equality of rights and opportunity; and

Whereas, the status of women as equal participants in the American dream is still unfulfilled; and

Whereas, Lansing was the site of the First Annual Women's Festival which celebrated International Women's Day in 1975; and

Whereas, the Second Annual Women's Festival will be held this fall in Lansing;

Now, Therefore, Be It Resolved that in recognition of the 56th anniversary of the right of women to vote, and in recognition of women's continuing work toward attaining equal rights regardless of sex, the City of Lansing hereby declares that Thursday, August 26, 1976, shall be declared "Women's Equality Day."

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing and the United States of America have entered into an Agreement providing the City of Lansing with a grant to plan and implement a Community Development Program; and

Whereas, the City of Lansing, through the Human Resources Department desires to engage the COUNTY OF INGHAM, through the INGHAM COUNTY HEALTH DEPARTMENT, to perform various services and activities, and accomplish certain objectives, in connection with said Community Development Program; and

Whereas, a proposed Contract has been developed by and between the City of Lansing, through the Human Resources Department, and the County of Ingham, through the Ingham County Health Department to provide for community health services (PN-217); and

Whereas, said proposed Contract (effective from July 1, 1976 through June 30, 1977) for a total compensation not to exceed Two Hundred Thousand and 00/100 (\$200,000.00) Dollars is hereby approved by the City Council of the City of Lansing; and

Whereas, approval of this Contract is subject to the Department of Housing and Urban Development (HUD) approval of the proposed activities in the Lansing Community Development application, as well as, the availability of funds; now, therefore, be it

Resolved, that the Mayor and the City Clerk are hereby directed to sign said proposed Contract on behalf of the City of

Lansing, after approval as to form by the City Attorney and after certification as to the availability of funds by the Director of Finance.

By Buildings and Properties Committee—

Resolved by the City Council of the City of Lansing:

Whereas, this Civic Center construction/modernization project will enhance and support the implementation of the comprehensive policy as defined by the Buildings and Properties Committee and permit the:

- a. Staging of events which can be utilized by community organizations as fund raisers;
- b. Provision of a modern acoustically sound auditorium for the presentation of an entertainment series of at least eight events per year by nationally recognized talent. In the development of the entertainment series the Civic Center management shall work with such promoter or promoters as may be necessary to present a varied program but shall not financially encumber the City of Lansing as to the success or failure of the series as a whole or any individual event;
- c. Development of a fair and aggressive booking policy with competitive rates for both private enterprise and community organizations;
- d. Development by the Civic Center manager of a repetitive maintenance schedule to insure that the Civic Center is maintained at the highest standards;
- e. Assurance that the health and safety of the citizens of Lansing and the users of the Civic Center will at all times be protected by the provision of sanitary food service areas which are continuously inspected to insure such health and safety;
- f. Inclusion of food and alcoholic beverage service dispensing areas where service will be provided by approved caterers as established by the Civic Center Board. The Civic Center Board is encouraged to organize a group of caterers as soon as possible who will hold a liquor license and only caterers participating in this group will be permitted to sell alcoholic beverages;
- g. Maximizing the utilization of the Veterans' Wing of the Civic Center without jeopardizing the activities of and commitments to the veterans and their organizations; and

Now, Therefore, Be It Resolved that the City Council and Mayor approve the adop-

tion of the Comprehensive Policy Statements as outlined above; and

Be It Finally Resolved that a copy of this resolution be provided the Civic Center Board for implementation of the policies prescribed.

Adopted by the following vote:

Councilman Blair—

I think, I guess the reason, for the official record why I voted against that. I did not believe that the city policy in regard to approving liquor sales at the Civic Center was handled correctly. I concur it came out of Buildings and Properties Committee. We have been waiting for three years for the caterers to organize and there has been half truths and scare tactics right and left and everything to try to keep the corporation from having to come together and actually help the city bring in added revenue and I cannot support the language that actually endorses the sale of alcoholic beverages at the Civic Center and I think the Council needs some strong language to get that item moving.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, the Congress of the United States has recently enacted the Public Works Employment Act of 1976; and

Whereas, under Title I of this act monies may be made available to the City of Lansing for public facility construction projects; and

Whereas, modernization of the Civic Center is necessary to provide a more adequate community service center for the citizens of Lansing and to improve the economic viability and competitive posture of this center for convention purposes; and

Whereas, the modernization of the Lansing Civic Center will not jeopardize any of the activities and commitments for space utilization authorized by the City of Lansing to specified organizations such as Veterans Associations, Chamber of Commerce, etc.; and

Whereas, the City Council has determined that none of the construction/modernization projects enumerated by this resolution will impact nor impinge upon the current ongoing considerations by Council members and certain task forces for the aging who are currently investigating the possibility of the partial or full use of selected areas of the Civic Center for Senior Citizens; and

Whereas, in regard to the potential use of the Civic Center or a portion of the Civic Center space for the Senior Citizens, it is understood that the City Council must by no later than November 1, 1976, inform the architect as to what area, if any, of the Prudden Wing will be modified for portions of the Senior Citizen Center;

Now, Therefore, Be It Resolved that:

The City Council and Mayor approve the conceptual estimate of the construction modernization cost as submitted by the Warren Holmes Company and Kenneth Black, Associate Architects, Inc., as follows:

	<hr/>
	\$2,641,000

Be It Further Resolved that:

- A. The Finance Director is directed to transfer monies available in the Civic Center Air Conditioning Account No. 101-936-733-976 for the above identified architectural and engineering fee;
- B. The Program Coordinator is directed to prepare and submit to the appropriate federal agency a grant application for the construction modernization of the Civic Center;
- C. The Mayor is directed to sign the grant application after approval by the City Attorney as to form;
- D. All department heads will provide staff support, as requested, to the Program Coordinator in developing the grant application and all subsequent documents pertaining thereto; and

Be It Further Resolved that the acting and/or permanent Civic Center manager is designated as the project director for the construction modernization program as defined above and is granted the authority to negotiate with the architect and the construction contractors on the specific details of the project to be accomplished; and

Be It Further Resolved that the Project Director is directed to coordinate with the City Engineer and Finance Director in all tasks and financial expenses of all phases of this project; and

Be It Finally Resolved that the Project Director is directed to provide weekly status reports to the Buildings and Proper-

tics Committee during the A & E and the construction phase.

By Committee on Personnel—

Resolved by the City Council of the City of Lansing:

That effective August 23, 1976, the City Personnel Director is authorized and directed to effect the following position deletions and additions within the Police Department section of the Classification and Compensation Plan:

I—Delete two (2) Clerk III classifications (vacant positions).

II—Establish two (2) Clerk-Steno IIB classifications.

III—Delete one (1) Clerk IB classification.

IV—Establish one (1) Clerk IIA classification.

No cost increase or decrease involved.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing is the owner and has marketable title to real property described as:

North One-half ( $\frac{1}{2}$ ) of the South part of the Northwest Fractional One-quarter ( $\frac{1}{4}$ ) of Section Three (3), Town Four (4) North, Range Two (2) West, City of Lansing, Ingham County, Michigan, except a parcel now platted as East Street Subdivision, described as commencing on the West line of Section Three (3), Town Four (4) North, Range Two (2) West, Three Thousand Three Hundred Nineteen (3319) feet North of the Southwest corner of said Section, thence North on Section line Six Hundred Sixty and five-tenths (660.5) feet, thence East Nine Hundred Eight (908) feet, thence South Six Hundred Sixty and five-tenths (660.5) feet, and thence West Nine Hundred Eight (908) feet to beginning. Also except a parcel described as beginning at the Northeast corner of Lot Sixteen (16) of said East Street Subdivision, and running thence East Sixteen (16) rods, thence South Six Hundred Twenty-seven and one-half ( $627\frac{1}{2}$ ) feet, thence West Sixteen (16) rods, and thence North to the place of beginning.

Whereas, the above described property is not presently being used for public purposes; and

Whereas, it has been determined that continued ownership of subject property by the City of Lansing would serve no valid purpose; now

Therefore, Be It Resolved, by the City Council of the City of Lansing that the proposition to dispose of said land in return for fair market value as appraised, and to execute a conveyance therefore be submitted to the electors of the City of Lansing for approval as required by Section 14.3(d) of the Charter of the City of Lansing, and as required by the laws of the State of Michigan at a special election in conjunction with the next General Election to be held November 2, 1976; and be it

Further Resolved, that said proposal be submitted to the electors of said city upon the voting devices in manner and form as follows:

## FORM OF BALLOT

Shall the City Council be authorized to dispose of 22 acres of property located at 943 East Paulson Street, commonly known as the Paulson Property, and which is legally described as:

North One-half ( $\frac{1}{2}$ ) of the South part of the Northwest Fractional One-quarter ( $\frac{1}{4}$ ) of Section Three (3), Town Four (4) North, Range Two (2) West, City of Lansing, Ingham County, Michigan, except a parcel now platted as East Street Subdivision, described as commencing on the West line of Section Three (3), Town Four (4) North, Range Two (2) West, Three Thousand Three Hundred Nineteen (3319) Feet North of the Southwest corner of said Section, thence North on Section line Six Hundred Sixty and five-tenths (660.5) feet, thence East Nine Hundred Eight (908) feet, thence South Six Hundred Sixty and five-tenths (660.5) feet, and thence West Nine Hundred Eight (908) feet to beginning. Also except a parcel described as beginning at the Northeast corner of Lot Sixteen (16) of said East Street Subdivision, and running thence East Sixteen (16) rods, thence South Six Hundred Twenty-seven and one-half ( $627\frac{1}{2}$ ) feet, thence West Sixteen (16) rods, and thence North to the place of beginning.

in return for a benefit not less than equal to the fair market value as appraised.

Yes ( ) No ( )

and be it

Further Resolved, that the City Clerk be and is hereby directed to prepare sufficient ballots to supply the demand for absent voters' ballots, as above set forth; and be it

Further Resolved, that this resolution containing the above proposition, together with the full legal description of said property, be posted in a conspicuous place in each polling place in the City of Lansing; and be it

Further Resolved, that the votes cast upon such question shall be counted, canvassed and returned, and the results thereof determined in like manner, and by the same officials as prescribed for in the Special City Election in conjunction with the General Election; and be it

Further Resolved, that the City Clerk give ten (10) days notice of the submission of said proposition to the electors, such notice to conform to the provisions of the City Charter relative to special city election in conjunction with the General Election, and further that she cause a true copy of a daily newspaper published and circulated in this resolution to be published twice in the City of Lansing and that such publication be at least ten (10) days prior to the date upon which said proposal is to be voted upon as herein provided.

ROW-5-76

Ottawa/Depot Streets Vacation

Whereas, the Housing and Redevelopment Director has requested to vacate that portion of Ottawa Street lying east of the Grand River and west of Cedar Street and that portion of Depot Street extending south of Ottawa Street for a distance of 74.25 feet; and

Whereas, the Planning Board, at their meeting of August 17, 1976, reviewed this request and recommended that the above described portions of streets be vacated subject to requirements and recommendations of all other reporting agencies, which includes public utility easements being retained through the area; and

Whereas, the Planning Committee of Council, to whom was referred the report of the Planning Board, concurs therewith;

Now, Therefore, Be It Resolved that the Council of the City of Lansing approves the vacation of that portion of Ottawa Street lying east of the Grand River and west of Cedar Street and that portion of Depot Street extending south of Ottawa Street a distance of 74.25 feet.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

P-3-76

Lancen Village No. 2 and No. 3

Whereas, the Preliminary Plats of Lancen Village No. 2 and No. 3 have been submitted for tentative approval; and

Whereas, the Planning Board, pursuant to Act 285, P.A. 1931, has approved and recommended that the City Council tentatively approve the Preliminary Plats subject to the following conditions:

- 1) The plat being developed in accord with the plan approved by City Council and with complete public improvements (streets, sewer, water, electricity) as required by the Subdivision Control Ordinance and the Michigan State Plat Act.
- 2) All lots being graded so that surface water drains to the street.
- 3) All requirements of the Soil Erosion and Sedimentation Control Act being followed.
- 4) Residential streets shall be only thirty feet (30') curb to curb and collector streets shall be thirty-six feet (36') curb to curb.
- 5) That street names be cleared with the Tri-County Regional Planning Commission.
- 6) That the developer utilize an underground electrical distribution system, as specified in Section 37-33 of the Lansing Subdivision Regulations.
- 7) That necessary easements be provided for the installation of utilities.
- 8) A storm drainage plan must be ap-

proved by the Public Service Department.

- 9) That this is a tentative approval of the Preliminary Plats for a period of twelve (12) months.
- 10) This tentative approval is contingent upon the developer submitting a valid petition for the construction of a storm sewer and curb and gutter on Northrup Street from Hilliard Drain east; and

Whereas, the Planning Committee of Council reviewed the report of the Planning Board and concurs therewith;

Now, Therefore, Be It Resolved that the Preliminary Plat of Lancen Village No. 2 and No. 3 Subdivisions are hereby tentatively approved subject to the conditions number one through ten, as set forth above; and

Be It Further Resolved, that the City Clerk be and she is hereby directed to attach this approval to the Plat and return it to the Proprietor.

Adopted by the following vote:

Unanimously.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

Whereas, fees have been heretofore established to defray the cost of processing zoning appeals and petitions to rezone, and

Whereas, the public cost of processing such appeals and petitions has increased, and

Whereas, the administrative processing of zoning appeals and petitions to rezone is essential to the orderly development of the City; now, therefore,

Be It Resolved, that a filing fee of twenty-five dollars in the case of zoning appeals and a filing fee of one hundred fifty dollars in the case of petitions to rezone is hereby established and the City Clerk in the case of petitions to rezone and the Planning Department in the case of zoning appeals are authorized to collect such fees.

By Councilman Hull—

That the resolution be amended by—adding after the word fees in the last line the words “to become effective September 1, 1976.”

Carried.

The resolution as amended was adopted by the following vote:

Unanimously.

Resolved by the City Council of the City of Lansing:

SUP-7-76

1614-1616 Lockbridge

More particularly described as:

Lot 167, Marscot Meadows No. 3  
Subdivision, City of Lansing, Ingham  
County, Michigan.

Whereas, pursuant to Section 36-42(12) of the Zoning Ordinance, an application was filed by Ada Miller for approval of an Adult Foster Care Home for the above described premises; and

Whereas, the Planning Board held public hearing on July 6, 1976, following which, they recommended approval of the request for the Special Use Permit providing that a screening plan for the rear yard where it abuts the I-96 freeway is submitted to and approved by the Planning Department prior to the issuance of Occupancy Permits; and that a maximum of five (5) foster adults reside on the premises; and

Whereas, the Planning Committee of Council, to whom was referred the report of the Planning Board, concurs therewith;

Now, Therefore, Be It Resolved that the Council of the City of Lansing officially expresses its intent to approve this Special Use Permit No. 7-76 for a maximum of five foster adults, following certification by the Building, Planning, and Fire departments that all necessary Code compliance alterations have been made.

Adopted by the following vote:

Resolved by the City Council of the City of Lansing:

SUP-8-76

210 South Clemens Avenue

More particularly described as:

Lot 17, Leslie Park Subdivision,  
City of Lansing, Ingham County, Michigan.

Whereas, pursuant to Section 36-42(12) of the Zoning Ordinance, a request was made by Arthur Bailey for approval of an Adult Foster Care Home for the above described premises; and

Whereas, the Planning Board on July 6, 1976, held a public hearing and following the public hearing recommended approval of the request for the Special Use Permit, providing that a maximum of five (5) foster adults may reside on the premises; and

Whereas, the Planning Committee of Council, to whom was referred the report of the Planning Board, has concurred

therewith and further recommends that following the completion of the specified Code compliance alterations, specified by the respective departments, a subsequent resolution will be passed which grants approval of this Special Use Permit;

Now, Therefore, Be It Resolved that the Council of the City of Lansing officially expresses its intent to approve this Special Use Permit No. 8-76 for a maximum of five adults, following certification by the Building, Planning, and Fire departments that all necessary Code compliance alterations have been made.

Adopted by the following vote:

By Councilmen Baker, McKane, Hull—

Resolved by the City Council of the City of Lansing:

That the rule prescribed in Sec. 5.5 (g) of the Charter relative to considering business not on the agenda, be waived.

Carried.

By Councilman Baker—

Resolved by the City Council of the City of Lansing:

Whereas, by petition duly filed on the 17th day of June, 1976, this Council was petitioned to change the following described property from "E-2" Drive-In Shop District to "F" Commercial District, all as set forth in the Zoning Code of this City, and

Whereas, due notice as required by law has been given for a public hearing on said petition, and

Whereas, at such hearing held on the 23rd day of August, 1976, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is described as:

Z-27-76—5100 S. Pennsylvania Ave.,

more particularly described as:

A part of the Northwest fractional  $\frac{1}{4}$  of Section 3, Town 3 North, Range 2 West, Delhi Township, Ingham County, Michigan, beginning 57.75 feet West and 33 feet South 0 degrees 30 minutes East from the North  $\frac{1}{4}$  corner of said Northwest fractional  $\frac{1}{4}$  Section, thence South 0 degrees 30 minutes East 165.00 feet along the West line of Pennsylvania Avenue, thence West 125.00 feet, thence North 0 degrees 30 minutes West 165.00 feet to the South line of Jolly Road, and thence East 125.00 feet along Jolly Road to the point of beginning, City of Lansing, Ingham County, Michigan,

from "E-2" Drive-In Shop District to "F" Commercial District.

Whereas, pursuant to Act 207, P.A. 1921, the Planning Board advised the City Council to approve this request; and

Whereas, the Planning Committee of Council, to whom was referred the report of the Planning Board, did concur therewith;

Now, Therefore, Be It Resolved that the Council of the City of Lansing ordains that the petition to rezone the above described property from "E-2" Drive-In Shop District to "F" Commercial District be approved; and

Be It Further Resolved that a site plan be submitted to and approved by the Planning Department and Traffic Engineer prior to issuance of a building permit. Such plan shall indicate the parking lot layout for: ingress/egress; screening/landscaping; permanent wheel stops; paved areas, and lighting.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing entered into a temporary agreement July 20, 1976, with Diamond Reo Parts and Manufacturing, Inc., a Delaware Corporation, for the lease of a portion of certain premises located at 1305 S. Cedar Street, commonly known as the John Bean Plant; and

Whereas, on July 27, 1976, the City of Lansing and Diamond Reo Parts entered into a one year lease from July 20, 1976, for the property; and

Whereas, Thomas Shelley, Chairman of the Board, executed the contract on behalf of Diamond Reo Parts; and

Whereas, Article IX of said lease prohibits Diamond Reo Parts from transferring fifty percent (50%) or more of the stock without the prior written approval of the City; and

Whereas, Coleman, Cable and Wire Company presently hold one hundred percent (100%) of the shares of Diamond Reo Parts; and

Whereas, Thomas Shelley and Duane Eller, President of Diamond Reo Parts, have formed a new corporation, Shelley and Eller, Inc., a Michigan corporation with its home office at 1375 S. Washington Avenue, Lansing; and

Whereas, said new corporation desires to purchase all the stock for Diamond Reo Parts from Coleman, Cable & Wire Company; and

Whereas, said sale and purchase would not affect the position of the city with respect to the lease; now, therefore, be it

Resolved, that the City of Lansing hereby grants its approval pursuant to Article IX of the lease for said transfer upon filing of the articles of incorporation for Shelley and Eller, Inc., with the State of Michigan.

Adopted by the following vote:

Unanimously.

Honorable Mayor and City Council

City Hall

Lansing, Michigan

Gentlemen:

On Monday, August 16, 1976, you referred request of Rocky Farhat, General Manager of Bonnie and Clyde's restaurant, requesting a variance and encroachment for the construction of a wooden canopy to be attached to the building at 316 E. Michigan Ave. We have reviewed the drawings and inspected the site with Mr. Farhat, and would recommend approval subject to the following conditions.

1. The City of Lansing will not be held liable for any claims to damage to the proposed steel columns to be erected in the street right of way.
2. The owner is responsible for contacting all utilities to ascertain the presence or absence of any underground utility lines.
3. The owner will remove the structure at some future date if requested to do so by the City Council, and at no cost to the City.
4. The vestibule shown on the plans extending into the right of way should not be allowed, as this would be a potential pedestrian hazard.
5. A variance from the Building Board of Appeals will be required prior to consideration for issuing a building permit.
6. Permission for the removal of the westerly 2 parking spaces in this area must be processed by the Traffic Engineer.

Respectfully submitted,

ROBERT R. BACKUS,  
Director of Public Service.

Referred to Committee on Public Service and Highways.

#### REPORT OF COMMITTEE

The Committee on PUBLIC SERVICE AND HIGHWAYS, to whom was referred the request of Rocky Farhat, General Manager of Bonnie and Clyde's restaurant for a variance and encroachment for the construction of a wooden canopy attached to the building at 316 E. Michigan Ave., reports as follows:

We concur with the recommendation of the Director of Public Service.

Signed:

LOUIS F. ADADO,

Councilman Lucile Belen

Chairman

City Affairs Committee

Lansing City Council

Dear Councilman Belen:

Attached is an application for a parade permit for the DALMAC Tri-County Bicycle Association, scheduled for the morning of Thursday, September 2, 1976.

You will note this has been approved by all necessary department heads. Our Traffic Bureau estimates this parade will necessitate the use of four officers and four motorcycles for three hours at a total cost to the City of \$177.72.

This is being sent to you for final disposition.

Respectfully yours,

RICHARD A. GLEASON,  
Chief of Police.

Referred to Committee on Ordinance and Contracts and City Affairs.

#### REPORT OF COMMITTEE

The Committee on ORDINANCE AND CONTRACTS AND CITY AFFAIRS, to whom was referred the request of DALMAC Tri-County Bicycle Association for permission to parade on September 2, 1976, 8:30 a.m. to 10:00 a.m., reports as follows:

The Committee recommends permission be granted, the application having received the signatures of the necessary Department heads, and the committee recommends further that the parade be under supervision of the Lansing Police Department.

Signed:

LUCILE BELEN,  
JACK D. GUNTHER,  
R. J. BAKER,  
Committee on Ordinance and  
Contracts and City Affairs.

By Councilman Belen—

That the report of the Committee be adopted.

August 26, 1976

Honorable Mayor and

Members of City Council

City of Lansing

Gentlemen:

The Park Board has received a proposal for a Pontoon Boatride Concession Service at Grand River Park.

This was discussed at the August meeting and it has been recommended that a contract be prepared with Mr. Lester Smith for this service. The agreement shall cover rates, report of income, deposit, hours of operation, insurance, safety standards, site improvements, and rental charges.

The proposed agreement would be for a trial period only and expire at the completion of the 1976 boating season.

Sincerely,

THEODORE J. HASKELL,  
Director of Parks  
and Recreation.

Referred to Committee on Parks and Recreation.

August 26, 1976

Honorable Mayor and

Members of City Council:

Re: Williams Street Traffic

The Planning Board, at their meeting of August 17, 1976, held a public hearing on the rezoning request by Industrial Welding for property at 2200 Olds Avenue, file Z-38-76. At that time several people within the immediate vicinity of this request voiced their concern regarding the amount of heavy truck traffic on Olds, Williams, Buffalo and other residential streets in this vicinity.

The Planning Board, following this public hearing, discussed existing and proposed land use development for this area and felt that a review of traffic patterns in this area should be made by the Traffic Engineer with the thought of eliminating truck traffic through the residential area.

The Planning Board recommends that this matter be referred to the Traffic Engineer and Traffic Board for study and determination of the necessary changes that will improve the overall situation.

Sincerely,

ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

Referred to Traffic Engineer and Traffic Board.

August 26, 1976

Honorable Mayor and

Members of City Council:

A special meeting of the Lansing Planning Board will be held for the purpose of reviewing, under Act 285 Review guidelines, the Lansing School District's proposal for the placement of classroom facilities to be used for alternative education programs. These temporary classroom facilities will be located at Everett Field.

This public hearing will be held on Tuesday August 31, 1976, at 5:30 p.m. in the Planning Department Conference Room, 2nd Floor, Washington Square Annex.

You are cordially invited to attend this special meeting.

Sincerely,

ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

Received and placed on file.

August 25, 1976

Honorable Mayor Pro-Tem and Members  
of the Lansing City Council

City Hall

Lansing, Michigan 48933

Dear Mayor Pro-Tem and  
Council Members:

In accordance with Ordinance No. 389 (Community Development Ordinance), I am submitting to you for your consideration and confirmation to the Citizen's District Council No. 2, Eastside Area, for Community Development, the name of Mrs. Beverly McMillon, to fill the vacancy created by the resignation of Georgella Burks, a representative from the Development Area, whose term expires April, 1979.

Mrs. McMillon was raised and educated in Hastings, Michigan, but has lived in Lansing for the past 19 years. She has been very active in the community through Cub Scouts, Muscular Dystrophy, Holmes Street P.T.A. and even has served as a school crossing guard. She is a member of the Optimisses and the South Baptist Church. Mrs. McMillon and her husband, Vern, have 3 children and reside at 1230 Dakin.

Trusting this recommendation meets your approval, I remain

Sincerely,

GERALD W. GRAVES,  
Mayor.

Referred to Committee on Community Development.

No bids may be withdrawn after the above date and time for receiving bids for a period of forty-five (45) days.

Adopted by the following vote:

Yeas: Councilmen Adado, Baker, Belen, Gunther, Hull—5.

Nay: Councilman Blair—1.

By Councilman Blair—

My reason for voting no was that it has not been shown to me that this is not in violation of the state law. But I am in favor of the location.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

That the City Assessor be, and he is hereby directed to spread on the December, 1976 Tax Roll (U-11), the cost of correcting the hazardous and unsanitary conditions of properties in the year 1976, in the amount of \$950.25, as reported this date by the Building Commissioner and as per the attached list.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, the Lansing Building Commissioner determined that the building located at 424 Dorrance Place (Lot 48, block 2, Assessor's Plat No. 7), owned by: Robert Forsberg; John Johnson; Leonard Hodges; Robert Bloom; and James Melton, as an unsafe or dangerous building as defined in Section 9A-13 of the Lansing Uniform Housing Code and the housing law of Michigan, and

Whereas, a hearing was held by the Hearing Board on July 8, 1976, at which the Hearing Officers determined that said building was an unsafe or dangerous building and ordered the building demolished or otherwise made safe; and

Whereas, said Hearing Officers filed a report of their findings and order with the Lansing City Council, and have requested the City Council to take appropriate action under the Housing Code and the housing law of Michigan; and,

Whereas, the City Council scheduled a hearing on August 23, 1976, to review the findings and order of the Hearing Officers, and the owners were notified in writing of said hearing and had an opportunity to appear and show cause why said building should not be demolished or otherwise made safe; now, therefore be it

Resolved, that the City Council of the City of Lansing hereby approves the order of the Hearing Officers requiring the demolition or making safe of said building; and be it further

Resolved, that the owners are hereby directed to comply with the order of the Hearing Officers to demolish or otherwise

make safe the said building within twenty (20) days from the date of this resolution; and be it further

Resolved, that, should the owner fail to substantially comply with the Hearing Officers' order for demolition or otherwise make safe, the Building Commissioner is hereby directed to proceed with demolition of said building; and be it further

Resolved, that the cost of such demolition shall be a lien against the real property and shall be reported to the City Assessor who shall assess the same against the property upon which the building is presently located; and be it further

Resolved, that the owner in whose name the property appears upon the last local tax assessment record shall be notified of the amount of such cost by first class mail at the address shown on the records. Upon his failure to pay the same within thirty (30) days after mailing by the City Assessor of the notice of the amount thereof, the Assessor shall add the same to the next tax roll of the City of Lansing and the same shall be collected in the same manner in all respects as provided by law for the collection of taxes by the City of Lansing.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, the Lansing Building Commissioner determined that the building located at 716 S. Francis (lots 1 & 2, J. L. Putman Subd.), owned by: Henry Durant and Mary Ellen Francis, was an unsafe or dangerous building as defined in Section 9A-13 of the Lansing Uniform Housing Code and the housing law of Michigan, and

Whereas, a hearing was held by the Hearing Board on July 8, 1976, at which the Hearing Officers determined that said building was an unsafe or dangerous building and ordered the building demolished or otherwise made safe; and

Whereas, said Hearing Officers filed a report of their findings and order with the Lansing City Council, and have requested the City Council to take appropriate action under the Housing Code and the housing law of Michigan; and,

Whereas, the City Council scheduled a hearing on August 23, 1976, to review the findings and order of the Hearing Officers, and the owners were notified in writing of said hearing and had an opportunity to appear and show cause why said building should not be demolished or otherwise made safe; now, therefore be it

Resolved, that the City Council of the City of Lansing hereby approves the order of the Hearing Officers requiring the demo-

lition or making safe of said building; and be it further

Resolved, that the owners are hereby directed to comply with the order of the Hearing Officers to demolish or otherwise make safe the said building within twenty (20) days from the date of this resolution; and be it further

Resolved, that, should the owner fail to substantially comply with the Hearing Officers' order for demolition or otherwise make safe, the Building Commissioner is hereby directed to proceed with demolition of said building; and be it further

Resolved, that the cost of such demolition shall be a lien against the real property and shall be reported to the City Assessor who shall assess the same against the property upon which the building is presently located; and be it further

Resolved, that the owner in whose name the property appears upon the last local tax assessment record shall be notified of the amount of such cost by first class mail at the address shown on the records. Upon his failure to pay the same within thirty (30) days after mailing by the City Assessor of the notice of the amount thereof, the Assessor shall add the same to the next tax roll of the City of Lansing and the same shall be collected in the same manner in all respects as provided by law for the collection of taxes by the City of Lansing.

Adopted by the following vote:

Unanimously.

By Committee on Public Safety—

Resolved by the City Council of the City of Lansing:

That the appointment of Nancy Bigelow to the Traffic Board for a term ending June 30, 1978, be confirmed.

Adopted by the following vote:

Unanimously.

By Committee on Finance—

Resolved by the City Council of the City of Lansing:

Whereas, the last will and testament of Harriet L. Stroud, deceased, was probated July 31, 1950, and provided certain trust funds to the City of Lansing, and

Whereas, on June 30, 1964 the balance of the proceeds of the Stroud Trust funds was used, in part, to purchase a \$3,000 U.S. Treasury Bond due 2/15/95 @ 3.0%, and

Whereas, this yield was acceptable at that time, but has long since been replaced by higher rates, and

Whereas, it is therefore deemed wise and prudent to dispose of this bond and invest the proceeds in higher yielding instruments,

Now, Therefore, Be It Resolved, that the Finance Director dispose of this bond and invest the proceeds in higher yielding securities.

Adopted by the following vote:

Unanimously.

By Councilman Gunther—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing and the Lansing Tri-County Regional Manpower Consortium have entered into an agreement to provide for the planning and delivery of Manpower services pursuant to the Public Works and Economic Development Act of 1965, Title X, Contract No. 896.01; and

Whereas, residual funds have accumulated due to temporary job vacancies; and

Whereas, these residual funds have been reprogrammed to extend eighteen (18) positions an additional 67 weeks, or an average of 3.7 weeks per position; no position, however, being extended beyond the contract termination date, December 31, 1976; and

Whereas, the City of Lansing has modified Contract No. 896.01, Title X, to reflect the extension of the above mentioned eighteen (18) positions, the effective date of this modification being September 1, 1976.

Now Therefore, Be It Resolved that the City Council approve said modification and direct the Mayor and City Clerk to sign said modified contract.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

117 W. South St.

Whereas, the City of Lansing does hold title to the property described as:

The North 65 feet of the West 42 feet of the East 207 feet of Lot 1, Block 194 Original Plat, City of Lansing, and

Whereas, the above described property is presently not being held for public purposes; and

Whereas, it has been determined that continued ownership of subject property by the

City of Lansing would serve no valid purpose; and

Whereas, a value of Seventeen Thousand Five Hundred (\$17,500.00) Dollars has been established as the fair market value of the property and;

Whereas, the proposition to sell said property was submitted to the electors of the City of Lansing for approval as required by Section 14.3(d) of the Charter of the City of Lansing and as required by the laws of the State of Michigan at a regular City primary election; and

Whereas, the electors of the City of Lansing did approve the sale of subject property; and

Whereas, the Buildings and Properties Committee has an established policy for ro-

tating the selection of Real Estate Brokers,

Now, Therefore, Be It Resolved that the Mayor and City Clerk are hereby authorized and directed to execute a ninety (90) day listing agreement with the Wm. G. Martin Co. at a sale price of not less than Seventeen Thousand Five Hundred (\$17,500.00) Dollars.

By Councilman Gunther (Baker)—

Resolved by the City Council of the City  
of Lansing:

**RESOLUTION OF FINDINGS OF FACTS  
AND DETERMINATIONS**

Resolved by the City Council of the City  
of Lansing:

Whereas, the City of Lansing is interested  
in undertaking redevelopment and housing  
rehabilitation projects for the rehabilita-  
tion of blighted areas in cooperation with  
the Federal government for financial assistance  
aid pursuant to Act 344, Public Acts of  
1945, as amended, for a district area  
generally described as:

**Citizen's District Council Area No. 2**

Beginning at the intersection of the east  
line of Holmes Street and the south line of  
the Chesapeake and Ohio Railway right-of-  
way, thence southeasterly along said right-  
of-way to its intersection with the west line  
extended of Leslie Street, thence south on  
the west line of Leslie Street to its inter-  
section, if extended, with the north line  
of the Grand Trunk Western Railroad  
right-of-way, thence west on said north  
right-of-way line to the Lansing Connect-  
ing Railroad, point being 70 feet west of  
the southeast corner of Lot 2, Haco Sub-  
division, thence northwesterly on the north-  
erly right-of-way of said Lansing Con-  
necting Railroad to Pennsylvania Avenue,  
thence north on the east line of Pennsylvania  
Avenue to a point 120 feet north of  
the north line of Climax Street, thence east  
to the northeast corner of Lot 6, Block 7,  
of Manufacturer's Addition No. 2, thence  
north to the northwest corner of Lot 23,  
Block 5, of Manufacturer's Addition No. 1,  
thence east on the south line of Main Street  
to the center line of Parker Street, thence  
north on the center line of Parker Street  
to a point 116.25 feet north of the north  
line of Main Street, thence east along north  
lot lines extended to the east line of Holmes  
Street, thence north to beginning, Section  
22, City of Lansing.

Whereas, the City of Lansing has, pursu-  
ant to Act 344, prepared and adopted a  
Master Plan which is sufficiently advanced  
as to indicate areas in need of rehabilita-  
tion and also has addressed consideration  
of the District Area surrounding the below-  
described development area; and

Whereas, the City of Lansing has also  
prepared a physical Development Plan and  
a plan for Relocating Families and Indi-  
viduals who are to be displaced by develop-  
ment of said area. Further, the City of  
Lansing, acting by and through its Plan-  
ning and Redevelopment Departments, has  
had consultation with the Citizens' District  
Council for District Area No. 2 within  
which the proposed below-described develop-  
ment area is located; and

Whereas, the City of Lansing, on Monday,  
August 16, 1976, conducted a public hearing  
pursuant to 1945 PA 344, as amended,  
concerning:

I. Whether said proposed project area  
is in fact blighted

II. Whether there is a feasible method  
or plan for relocating families and  
individuals to be displaced by the  
development of said project area

III. The adoption of the proposed physical  
Development Plan for said area.

Whereas, at the public hearing persons  
spoke in support and opposition to the pro-  
posed development plan and evidence was  
introduced in support of the determinations  
of blights, relocation, and development plan  
and said testimony, evidence, and plans and  
the proposed plans have been reviewed by  
the legislative body for the City of Lan-  
sing, the City Council.

Now Therefore Be It Resolved that the  
City Council makes the following findings  
of fact and determinations:

I. The prerequisite plans, statements and  
actions for undertaking redevelopment  
projects under Act 344, Public Acts of  
1945, as amended, to-wit: a master plan  
which has been properly prepared and  
adopted by the local legislative body.

II. That the area generally described as:

**Neighborhood Development Area No. 2**

Commencing at the southwest corner  
of Excelsior Land Company Subdivision,  
thence north on the east line of Holmes  
Street to its intersection with the south  
line extended of Lot 11 of Stanley Heights  
Subdivision, thence west to the southwest  
corner of said Lot 11, thence north on the  
west line of Stanley Heights Subdivision to  
the north line extended of Perkins Street,  
thence west to the southwest corner of Lot  
2 of said subdivision, thence north to the  
south line of Huntington Heights Subdi-  
vision, thence east to the southwest corner  
of Lot 89 of said subdivision, thence north  
to the southeast corner of Lot 73 of said  
subdivision, thence west to the southwest  
corner of said Lot 73, thence north to the  
northwest corner of Lot 29, Huntington  
Heights Subdivision, thence east to the  
southwest corner of Lot 29 of J. H. Moore's  
Hazel Street Subdivision, thence north to  
the northwest corner of said Lot 29, thence  
east to the west line of Holmes Street,  
thence north on said west line of the north  
line of Mechanic Street, thence west to the  
southwest corner of Lot 34, Block 10, of  
Manufacturer's Addition No. 2, thence  
north to the northwest corner of Lot 3,  
Block 6, Manufacturer's Addition No. 2,  
thence east to the northwest corner of Lot  
2, Block 6, Manufacturer's Addition No. 2,  
thence north 48 feet, thence east 35 feet  
to the west line of Lot 1, Block 5, of  
Manufacturer's Addition No. 1, thence  
north to the northwest corner of said Lot 1,  
thence east on the south line of Main  
Street to its intersection with the west line  
extended of Lot 8 of Excelsior Land Com-  
pany Subdivision, thence north to the north-  
west Corner of said Lot 8, thence south-  
easterly to the northeast corner of Lot 13  
of said subdivision, thence south on the  
east line extended of said Lot 13 to the

south line of Main Street, thence easterly on the south line of Main Street to the northeast corner of Lot 262, Excelsior Land Company Subdivision, thence southeasterly to the northeast corner, Lot 385, Excelsior Land Company Subdivision, thence south on the east line, Excelsior Land Company Subdivision, to the north line of Gray Street, thence east to the northeast corner of Lot 93 of Parkview Land Company Subdivision, thence south on the east line of Parkview Land Company Subdivision to the southeast corner of Lot 47 of said subdivision, thence west on the south lines of Parkview Land Company Subdivision and Excelsior Land Company Subdivision, being the north line of the Grand Trunk Western Railroad right-of-way, to the place of beginning, City of Lansing.

is blighted as evidenced by the presence of physical and environmental factors and deficiencies; including but not limited to, the following areas:

A. The physical conditions of residential structures in Neighborhood Development Area No. 2 were derived from the housing inspections undertaken by teams of trained inspectors from the City Building Department, the Zoning Division of the Planning Department and the Fire Prevention Bureau from December, 1975, to February, 1976. The housing inspection teams checked the structural (foundation, walls, roof, stairs, chimneys, etc.), mechanical (plumbing, heating, ventilation, etc.) and electrical (electrical service, wiring, lighting, etc.) elements of each residential building and recorded code violations of the "Lansing Uniform Housing Code" and/or deficiencies in each of the elements, 368 of the 383 housing structures were inspected, of which 361 were found to contain deficient elements. The numbers and degrees of deficiencies were used to determine a housing condition rating for the structures. The following criteria were used for rating conditions of the inspected structures:

1. Standard (good)—In order to qualify as a standard structure, the following conditions must apply:

- a. No code violations of hazardous nature in the primary elements.
- b. No code violations with limited deficiencies in the primary elements.
- c. No code violations of hazardous nature in the mechanical or electrical elements.
- d. One code violation of hazardous nature in the secondary element plus two minor deficiencies or any combination of deficiencies in the minor elements not to exceed 12 penalty points (as defined in Lansing's Code Compliance Survey, Housing Inspection Information Booklet, May, 1975).

2. Deteriorating (fair)—The following conditions must apply:

- a. No code violations of hazardous nature in the primary elements.
  - b. Not more than one code violation with limited deficiencies in the primary element plus a combination of minor deficiencies not to exceed 30 penalty points.
  - c. One code violation of hazardous nature in the mechanical and electrical elements plus other deficiencies in the other elements not to exceed 30 penalty points.
  - d. A combination of code violations and minor deficiencies in the secondary and minor elements not to exceed 30 penalty points.
3. Substandard (poor)—The following conditions must apply for masonry or concrete structures:
- a. One code violation of hazardous nature in the primary elements except foundation or load bearing wall plus code violations in the other elements.
  - b. Same criteria as frame structures for the structural elements except primary elements.
4. Substandard (poor)—The following conditions must apply for frame structures:
- a. One code violation of hazardous nature in the primary elements plus limited and minor deficiencies in the primary or other elements.
  - b. Not more than three code violations of hazardous nature in the mechanical or electrical elements plus limited or minor deficiencies in the other elements not to exceed 62 penalty points.
  - c. Any combination of code violations and deficiencies not to exceed 62 penalty points.
5. Critical (very poor)—The following conditions must apply for masonry or concrete structures:
- a. One code violation of hazardous nature in the foundation or load bearing wall (primary elements).
  - b. All other code violations and deficiencies with penalty points exceeding 63 points.
6. Critical (very poor)—The following conditions must apply for frame structures:
- a. Two code violations of hazardous nature in the primary elements.
  - b. All other code violations and deficiencies with penalty points exceeding 63 points.

B. In addition, the housing inspectors

checked the structure, the accessory buildings and their immediate surroundings to determine whether there were existing conditions which constitute fire or health hazards and if immediate corrections were necessary. The types of land uses whether single, multi-family residential or non-residential uses for each structure, accessory structure and parcel were verified to determine their conformance with the City Zoning Ordinance.

The following criteria were used for rating environmental conditions (fire, health and land use):

1. Adequate —

- a. Not to exceed 6 code violations with hazardous nature or 12 code violations with limited deficiencies.
- b. Any combination of deficiencies not to exceed 24 penalty points (as defined in Lansing's Code Compliance Survey, Housing Inspection Information Booklet, May, 1975).

2. Deficient —

- a. Not to exceed 15 code violations with hazardous nature or 30 code violations with limited deficiencies.
- b. Any combination of deficiencies not to exceed 60 penalty points.

3. Hazardous —

- a. All code violations and deficiencies with weights exceeding 60 penalty points.

C. Other information obtained by the housing inspectors included housing characteristics such as the total number of rooms, bedrooms and bathrooms, the number of floors and parking spaces for each residential structure. The housing inspectors also obtained data on the number of persons living in the structure to determine overcrowding conditions. The kind of occupancy, whether owner, renter or vacant, was also recorded for each residential building.

D. The inspection information was evaluated by the Planning Department staff to determine the physical quality of the housing stock and the environmental conditions of the Neighborhood Development Area. All of the residential structures and parcels were evaluated based on assigned weights for every code violation or deficiency in each element. The code violations and deficiencies for each structure and parcel were analyzed to determine the type of activities needed to correct code violations and improve conditions in the Neighborhood Development Area.

III. The City Council further finds that the proposed physical Development Plan for said area will, through rehabilitation, acquisition, demolition, clearance,

resale or replatting, protect the health, safety, morals and general welfare of the municipality; and preserve existing values of other property within such areas and will improve the character of the project area, the surrounding area and the entire community by:

- A. Providing, through public and private efforts, improved housing conditions that are decent, safe and sanitary, as well as desirable for habitation, hereby encouraging investment and maintenance by homeowners.
  - B. Providing community facilities, including open space and recreational facilities where necessary.
  - C. Improving existing utilities, services, and offering additional public improvements as needed for the residents of the development area.
  - D. Rehabilitating those residential structures which are economically feasible and improving the environment within the area by replanning, rezoning, enforcing zoning codes, and by closing and widening streets in the area where needed.
  - E. Improving amenities and accommodations for family living.
  - F. Reducing parking problems.
  - G. Developing a convenient, efficient, and safe circulation system for pedestrians, automobiles and busses, separating pedestrian and motorized vehicles wherever possible.
  - H. Improving the tax base of the area by encouraging private investment on the broadest possible basis.
  - I. Eliminating substandard housing with particular emphasis on the elimination of overcrowding and unsuitable uses which caused the area to become blighted.
  - J. Encouraging active community participation throughout the renewal process.
- IV. The Development Plan designates, among other things, the location and extent of all streets, and other public facilities within the area, and designates the location, character, and extent of the categories of public and private land uses proposed for and within the area, such as residential, recreational, business, open spaces and others and includes a feasible method and plan for relocation of families who will be displaced from the area in decent, safe and sanitary dwelling accommodations and without undue hardship to such families. The plan further designates the location, extent, character and estimated cost of the improvements contemplated for the area, such as widening, opening, vacating or closing of streets, alleys, and walkways; location of water mains, sewers, and other public utilities; paving of

streets; acquisition and construction of parks, green belts and other appropriate public improvements.

- V. The plan further includes estimates of the number of persons residing in the development area and the number of families and individuals to be displaced; a survey of their income and racial composition; a statistical description of the housing supply in the community, including the number of private and public units in existence or under construction, the annual rate of turnover of the various types of housing, and the range of rents and sale prices; an estimate of the total demand of housing in the community; and the estimated capacity of private and public housing available to displaced families and individuals.
- VI. The City Council further finds that the Planning Department of the City of Lansing has compiled the prerequisite statistics and data relating to families and individuals within the project area; racial composition, age, income, present tenancy and relocation preferences. Persons within the project area have been interviewed and a survey of available housing in the community has been made. The Plan for Relocation of Families and Individuals included within the Development Plan appears to be adequate for the relocation of the estimated 21 families and individuals within the proposed project area. Said plan further contains the data, statistics and estimates required by Act 344, Public Acts of 1945, as amended. The plan for relocation of displaced families and individuals demonstrates that standard housing units are and/or will be available to the displaced families and individuals and rents and prices within their financial means in reasonably convenient locations and no less desirable than the development area with respect to utilities and facilities.
- VII. It is further found and recommended that the Redevelopment Department be designated the local agency to provide information concerning private and public housing available to displaced families and individuals and to advise and assist in their relocation.
- VIII. The City Council further finds that the plans, statements and actions made by the City of Lansing with regard to rehabilitating the above-described area shall not have the effect of promoting or perpetuating racial segregation in housing.

Wherefor, it is hereby found and determined:

- I. That the above-described area is a blighted area.
- II. That there is a feasible method for relocating families and individuals who will be displaced from the area.

- III. That the Development Plan is sufficient for the rehabilitation of the blighted area and is in compliance with Act 344, Public Acts of 1945, as amended.

The findings and determinations herein above made are based upon the Master Plan of the City of Lansing; the proposed physical development plan for the area described; the testimony and evidence introduced and received at the public hearing held on Monday, August 16, 1976.

By Committee on Buildings and Properties and Committee on Finance—

Resolved by the City Council of the City of Lansing:

Whereas, the Committee on Buildings and Properties has reviewed the office space requirements and the potential space available at City Hall, the Washington Square Annex (formerly known as the Grants Building), the City Hall Annex (formerly known as the Poxson Building) and Genesee Center for City offices; and

Whereas, the Committee has assessed the various City-owned buildings for office use, for desirability, feasibility and cost; and

Whereas, the Committee, based on this evaluation, has recommended which buildings shall be utilized for City office operations; and

Whereas, the Committee on Finance has evaluated the proposal and the financial implications and supports the recommendation of the Committee on Buildings and Properties; and

Whereas, it has been determined that coordination and plans, for the office relocation, shall be prepared and managed by City staff; and

Whereas, the Finance Director has recommended sources of funds;

Now, Therefore, Be It Resolved, that the City shall utilize the entire Washington Square Annex for offices and shall cease utilization of the City Hall Annex and order it razed when it is determined that there is no need for this space for any city department or agency use, such cessation being in keeping with the City Council Resolutions of March 27, 1967 and April 4, 1967, to acquire the building with an understanding that it would ultimately be razed to provide a landscaped area on the south-side of Michigan Avenue if not needed for additional space for desired expansion of the parking ramp; and

Be It Also Resolved, space allocations shall be made through administrative action under the direction of the Mayor to achieve the most efficient utilization of space and personnel for the conduct of the City's operations; and

Be It Further Resolved, that \$21,773 be transferred from and \$30,000 be retained in the Building Reserve Fund, Account No. 101-936-729-975 and that an additional \$134,227 be appropriated from General Fund Balance, Account No. 101-000-000-930 to provide \$186,000 including \$23,000 for contingencies, to accomplish the office relocation and razing of the City Hall Annex when so directed by the City Council, determination to be made by May 1, 1977, and that every effort shall be made to accomplish these tasks within the funds provided, unless the courts are to be moved at greater expense, in order to provide the most efficient operation on behalf of the taxpayer.

### ZONINGS

By Councilman Baker—

Whereas, by petition duly filed on the 7th day of June, 1976, this council was petitioned to change the following described property from "B" One Family Residence District to "J" Parking District all as set forth in the Zoning Code of this city, and

Whereas, due notice as required by law has been given for a public hearing on said petition, and

Whereas, at such hearing held on the 23rd day of August, 1976, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is described as:

Z-25-76 — 1913 South Logan Street,  
more particularly described as:

Lot 13, Block 2, Elmhurst Subdivision, Ingham County, Michigan,  
from "B-1" Family Residential District to "J" Parking District.

Whereas, pursuant to Act 207, P.A. 1921, the Planning Board advised the City Council to approve this request subject to the following:

- 1) That the existing structure be boarded up within 24 hours of vacancy and remain so until the time of demolition,
- 2) That a site plan indicating all parking lot improvements including paving, permanent wheel stops around the perimeter,
- 3) Landscaping and screening,

be submitted to and approved by the Planning Department and Traffic Engineer prior to the issuance of demolition Permits for the structure on the site, and

Whereas the Planning Committee of Council, to whom was referred the report of the Planning Board, concurs therewith;

Now, Therefore, Be It Resolved that the Council of the City of Lansing ordains that the petition to rezone the above described property from "B-1" Family Residential District to "J" Parking District be approved, and

Be It Further Resolved that a site plan be submitted, including (1) that the existing structures be boarded up within 24 hours of vacancy and remain so until the time of demolition, (2) That a site plan indicating all parking lot improvements including (a) paving, (b) permanent wheel stops around the perimeter, and (c) screening and landscaping, and (3) that the above mentioned site plan be submitted by the petitioner and be approved by the Planning Department and Traffic Engineer prior to the issuance of Demolition Permits for the building on the site.

Adopted by the following vote:

Unanimously.

Honorable Mayor Gerald W. Graves and

Members of the Lansing City Council

Gentlemen:

Subject: Physical Development Plan  
Neighborhood Development Area  
No. 2

The Housing and Development Advisory Board, at its meeting held on August 31,

1976, recommended that the Lansing City Council adopt the Physical Development Plan for Neighborhood Development Area No. 2 (Eastside).

This recommendation was made with the understanding that:

1. The Citizens District Council for this area has approved the subject Physical Development Plan.
2. The City Council has directed the implementers of this plan to utilize funds, other than Community Development funds, for public improvements whenever and wherever possible.

The Board also recognized that the Plan may need amendments in the future.

Sincerely,

HOUSING AND  
REDEVELOPMENT  
ADVISORY BOARD,  
Ronald G. Stonehouse,  
Secretary.

Referred to Committee on Community Development.

Members of Lansing City Council—

Fellow Councilmen:

CWO Devern C. Hulce has brought to the attention of the Bicentennial Office and myself that several of the notable land marks along the Grand River at the present time do not have any plates on them which would permit users of the river to orient themselves as to where they are located on the river.

I would like to request that the Committee on Parks and Recreation look into the feasibility of possible sources of funds for placing signs at various locations on the river such as bridges and parks to assist boaters, etc., to maintain their bearings while on the river.

Your consideration of this request is appreciated.

Respectfully yours,

RICHARD J. BAKER,  
Councilman-at Large.

September 1, 1976

Honorable Mayor and Members

of the City Council—

Gentlemen:

It has been brought to my attention by Mr. Raymond Smith of 2313 Sunnyside that

he is being bombarded by golf balls from Sycamore Golf Course. The problem is that golfers teeing off drive their golf balls into his yard, his windows and/or his car resulting in damage.

The problem is that the present screen is located in such a manner that his property is not protected from these misdirected golf balls. Attached to this letter is a letter I received from Mr. Smith and also the bill for \$10.59 for the repair of a window which was broken on July 25, 1976. He requested that he be reimbursed for the cost of the window and I am requesting that the bill and the letter be referred to the City Attorney for resolution of this claim.

Subsequent to my learning of this problem, I have talked with the Parks and Recreation Department and they have assured that there is a feasible way of alleviating this problem by erecting an additional screen near the tee-off spot for this hole. They agree that it is needed and that it is feasible but the erection of such a screen at the present time is not possible because there are no funds to do this. The estimated cost is approximately \$500.00 and there are no funds in the present budget. I would ask that the Committee on Parks and Recreation look into this matter and if they feel it is needed, that they recommend the screen be erected and the Committee on Finance develop a source of funds to accomplish this.

Your consideration and prompt response to this request will be appreciated by both me and Mr. Smith.

Respectfully yours,

RICHARD J. BAKER,  
Councilman-at Large.

Mayor.

Referred to Planning Board and Economic Development Corporation.

September 3, 1976

Honorable Mayor Pro-Tem and Members  
of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem and

Council Members:

Pursuant to the requirements of Section 4(2) of 1974, P.A. 338, as amended by 1976, P.A. 175, the Economic Development Corporation for the City of Lansing is preparing a Project Plan for the proposed Olds Plaza Hotel Project Area. The provisions of the aforementioned section require that the Chief Executive Officer shall appoint 2 additional directors, at this time, to the Economic Development Corporation who will be representative of persons or businesses likely to be affected by such a plan.

I am, therefore, submitting the following nominations to you:

ROBERT A. FISHER

Mr. Fisher is Assistant Dean for Development and Operations, a member of the Board of Directors and a Professor at the Thomas M. Cooley Law School, 217 S. Capitol Avenue, Lansing. He is a Past President of the Lansing Regional Chamber of Commerce and presently serves as the Chairman of that organization's Downtown Development Committee.

He is a Past President of the Capital Area United Way and Michigan Childrens Aide Society, and still serves on a number of civic and community boards; including the aforementioned, the Michigan Division of the American Cancer Society, the Lansing Council of Churches, Visiting Nurses Association, Junior Achievement and the Ingham County Bar Association. He has served as an Advisor to the League of Women Voters, and is a member of the Lansing Commandery No. 25, Knights Templar, Lansing Lodge No. 3, F & A Masons and the Capitol Chapter No. 9, Royal Arch Masons.

Mr. Fisher is a member of Phi Kappa Phi, an honorary educational fraternity. He is a member of St. Paul's Episcopal Church and is a recent recipient of the Bishop's Layman of the Year Award. Mr. Fisher is a graduate of Harvard College and the University of Michigan Law School. His wife, Marian, and their 2 children, reside at 1780 Walnut Heights Drive, East Lansing.

JOHN A. PETROFF

Mr. Petroff is President of Petroff Realty Company, which is located adjacent to the Project Area, and specifically in the Hollister Building. He is the Manager, also, of the Hollister Building and resides with his wife at 2810 Woodview Drive, Lansing.

He is a Past President of the Building and Managers Association and the Lansing Board of Realtors; he serves as Chairman of the Lansing Metropolitan Development Authority Study Committee; a Past Director of the Michigan Association of Realtors and has served as an Ingham County Supervisor, Chairman of the Zoning Board of Appeals and as a member of the Tri-County Regional Planning Commission.

As an Appraiser, his clients included the City of Lansing, the Probate Courts of the counties of Ingham, Eaton and Clinton, Lansing area attorneys, and the State of Michigan, among others.

He is, or has been, a member of the Shriners and Knights Templar, Michigan State University Development Fund, Lansing Safety Council, Ingham County Conservation Club, to name a few.

These directors shall cease to serve when the project contemplated for this site is either completed or abandoned in accordance with the project plan.

I am requesting your very earliest confirmation of these appointees.

Sincerely,

GERALD W. GRAVES,  
Mayor.

Referred to Committee on Planning.

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem and

Council Members:

In the recent past, you designated me to be the Delegate for the City of Lansing for the 78th Annual Convention of the Michigan Municipal League. In addition, I also serve as a member of the Board of Trustees of that organization. In both capacities, I will be attending meetings throughout the days of September 7, 8, 9 and 10, with the first meeting taking place on Tuesday, September 7, between the hours of 2:30 p.m. and 5:00 p.m. and 7:15 p.m. and 9:30 p.m. Therefore, I am advising that I will not be in attendance at the City Council session, which was postponed to the above-mentioned date because of Labor Day.

Sincerely,

GERALD W. GRAVES,  
Mayor.

and,

That a transfer to the appropriate account will be made to provide for the City's portion, and

Be It Further Resolved that the Mayor and City Clerk be authorized to sign this agreement upon certification of the City Controller as to the availability of funds, and after approval as to form by the City Attorney, subject to the approval of the Department of Natural Resources and the Environmental Protection Agency.

Adopted by the following vote:

Unanimously.

By Committee on Community Development—

Resolved by the City Council of the City of Lansing:

Whereas, the real property acquisition procedures to be followed in the acquisition of property with the use of Community Development funds, as set forth at Section 42.135 of the Federal Register dated February 20, 1975, require that an immovable fixture appraisal be prepared in cases of the acquisition of a property containing a business operation, and

Whereas, the HUD Relocation Handbook, Chapter 6, Section 2, Paragraph 6-23(f), dated February, 1975, requires that business concerns be provided with an immovable fixture appraisal and a listing of movable fixtures, including an estimate of fair market value and salvage value, and

Whereas, the Physical Development Plan for Neighborhood Development Area No. 1, as adopted by the Lansing City Council on June 28, 1976, specifies that the business property located at 1217 W. Kalamazoo shall be acquired by the City of Lansing, and

Whereas, a proposal to provide the above-stated required services has been received from S. M. Dix Associates, Inc., for an amount not to exceed \$575.00,

Now, Therefore, Be It Resolved that the Mayor and City Clerk be and are hereby authorized and directed to execute a contract with S. M. Dix Associates, Inc., for an amount not to exceed \$575.00 for the provision of said services for the business property located at 1217 W. Kalamazoo, after approval as to form by the City Attorney and certification as to the availability of funds, in Account No. 258-839-641-971 by the Finance Director.

Adopted by the following vote:

Unanimously.

By Committee on Community Development—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing, through the Housing and Redevelopment Department, has entered into a contract with the Community Design Center (PN-120) on July 6, 1976, effective July 1, 1976, through June 30, 1977, in the amount of one hundred five thousand one hundred thirty-one dollars (\$105,131.00), and

Whereas, the Finance Department has determined that it is necessary to amend said contract in order to prevent a deficit operation in certain line item accounts under this contract; and

Whereas, the City of Lansing, through the Housing and Redevelopment Department, and the Community Design Center do mutually agree to amend said contract, from September 1, 1976, through June 30, 1977, by providing an additional budget allocation in the amount of thirteen thousand dollars (\$13,000.00),

Now, Therefore, Be It Resolved, that the Mayor and City Clerk be and are hereby authorized and directed to execute said amendment of the contract on behalf of the City of Lansing, after approval as to form by the City Attorney and certification as to the availability of funds in Account No. 252-842-000-806 by the Finance Director.

Adopted by the following vote:

Unanimously.

By Committee on Parks and Recreation—

Resolved by the City Council of the City of Lansing:

Whereas, the City Council authorized, on May 10, 1976, the preparation of the construction drawings and specifications for the Kingsley Park development, and

Whereas, these plans have now been completed and includes work to be done in the first phase to include general grading, parking lot and sidewalk development, a play area, water and utility lines, and lawn development, and

Whereas, the project is funded by Federal funds therefore the specifications include all provisions of the Davis-Bacon Act and other provisions as required by the U.S. Department of Housing and Urban Development, and

Whereas, a pre-bid conference will be held to explain the bid and contract documents, and answer bidders' questions, now

Therefore Be It Resolved, the Purchasing Director be and hereby is directed to advertise, as provided by law, for sealed bids for the Phase I Kingsley Park development in accordance with the plans and specifications on file in the office of Grable Mills

and Young, 711 Barnes Avenue, Lansing, Michigan.

Adopted by the following vote:

Unanimously.

Councilman Brenke left the session.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing is the owner and has marketable title to real property described as:

The North half ( $\frac{1}{2}$ ) of the Northwest Fractional Quarter ( $\frac{1}{4}$ ) of Section Thirty-one (31) to the middle of the highway, containing Eighty-seven and seventy-four one hundredths (87.74) acres more or less, all in Township Five (5) North, Range Two (2) West in Michigan. (Located adjacent to the Capital City Airport on the North.)

and

Whereas, the above described property is presently being used for public purposes; and

Whereas, it has been determined that continued ownership of subject property by the City of Lansing would serve no valid purpose; now, therefore, be it

Resolved, by the City Council of the City of Lansing that the proposition to dispose of said land for not less than its fair market value as determined by the City Assessor and to execute a conveyance therefor be submitted to the electors of the City of Lansing for approval as required by Section 14.3 (d) of the Charter of the City of Lansing, and as required by the laws of the State of Michigan, at a special city election in conjunction with the next General Election to be held November 2, 1976; and be it

Further Resolved, that said proposal be submitted to the electors of said city upon the voting devices in manner and form as follows:

#### FORM OF BALLOT

Shall the City Council be authorized to dispose of the property located adjacent to the Capital City Airport on the North and which is legally described as

The North half ( $\frac{1}{2}$ ) of the Northwest Fractional Quarter ( $\frac{1}{4}$ ) of Section Thirty-One (31) to the middle of the highway, containing Eighty-seven and seventy-four one hundredths (87.74) acres more or less, all in Township Five (5) North, Range Two (2) West in Michigan.

for consideration not less than the fair market value as determined by the City Assessor.

Yes ( ) No ( )

and be it

Further Resolved, that the City Clerk be and is hereby directed to prepare sufficient ballots to supply the demand for absent voters' ballots, as above set forth; and be it

Further Resolved, that this resolution containing the above proposition, together with the full legal description of said property, be posted in a conspicuous place in each polling place in the City of Lansing; and be it

Further Resolved, that the votes cast upon such question shall be counted, canvassed and returned, and the results thereof determined in like manner, and by the same officials as prescribed for in special city election in conjunction with a regular city general; and be it

Further Resolved, that the City Clerk give ten (10) days notice of the submission of said proposition to the electors, such notice to conform to the provisions of the City Charter relative to special city election in conjunction with a regular city general, and further that she cause a true copy of this resolution to be published twice in a daily newspaper published and circulated in the City of Lansing and that such publication be at least ten (10) days prior to the date upon which said proposal is to be voted upon as herein provided.

By Councilman Baker—

That the resolution be amended under "Form of Ballot" to read as follows:

"Shall the City Council be authorized to dispose of approximately 87.74 acres of property located adjacent to the Capital City Airport on the North and which is legally described as,"

Adopted by the following vote:

Unanimously.

The resolution as amended was adopted by the following vote:

Unanimously.

Councilman Brenke returned to session.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the Lansing City Council finds that there exists in the City of Lansing a continuing need to implement programs

designed to alleviate and prevent conditions of unemployment and to assist local industries and commercial enterprises in their attempt to strengthen and revitalize the City's economy; and

Whereas, the Economic Development Corporation of the City of Lansing (EDC) is incorporated under the provisions of the Economic Development Corporation Act of 1974, Act No. 338 of the Public Acts of 1974, as amended, (hereinafter called the "Act") to assist and retain local industries and commercial enterprises, to strengthen and revitalize the economy of the State of Michigan and particularly the City of Lansing, to provide the means and methods for the encouragement and assistance of industrial and commercial enterprises in locating and expanding in the State of Michigan and particularly in the City of Lansing, to encourage the relocation and expansion of commercial enterprises to more conveniently provide needed services and facilities of these commercial enterprises to the City of Lansing and the residents thereof; and

Whereas, pursuant to this Act, the Michigan Legislature has prescribed various powers and duties to provide the authority for an Economic Development Corporation to issue notes and other evidences of indebtedness; to provide property tax exemptions; to condemn, lease or purchase real and personal property; and to undertake other projects relative to economic development within a defined "project area" as established through the procedures of this Act; and

Whereas, pursuant to Section 8 of the Act, the Lansing City Council has conducted a public hearing on August 30, 1976 to consider and discuss certifying the designation of the project area, known as the Olds Plaza Hotel site, designated by the Economic Development Corporation for the City of Lansing to the City Council by its resolution of August 4, 1976, and the establishment of the project district area, more specifically described as follows:

#### PROJECT AND DISTRICT AREA DESCRIPTION

Lots 4 and 5 and the west one-third of Lot 3 of Block 110 of the original plat of the City of Lansing;

Whereas, the City Council's certification of the Project and District Areas designated by the EDC would constitute a proper public purpose by assisting in the retention and revitalization of a valuable economic asset within the City of Lansing; now, therefore, be it

Resolved, that the City Council of the City of Lansing, pursuant to Act No. 338 of the Public Acts of 1974, as amended, of the State of Michigan [that being MCLA 125.1601; MSA 5.3520(1)] does hereby create EDC Project Area No. 2 and EDC District Area No. 2, the boundaries of which are certified below; and, be it

Further Resolved, that the boundaries of EDC Project Area No. 2 and District Area

No. 2 shall be generally described as follows:

**PROJECT AND  
DISTRICT AREA DESCRIPTION**

Lots 4 and 5 and the west one-third of Lot 3 of Block 110 of the original plat of the City of Lansing;

and be it

Further Resolved, that EDC Project Area No. 2 is hereby certified pursuant to Section 8(1) of 1974 PA 338, as amended, for the purpose of the preparation of a project plan for this project area by the Economic Development Corporation of the City of Lansing; and be it

Finally Resolved, that EDC Project Area No. 2 shall hereby be determined and declared to be exempt from the provisions of Section 12-15 of 1974 PA 338, as amended, requiring the formation of a project citizen district council because, pursuant to Section 20(d) of 1974 PA 338, the Lansing City Council, as the local legislative body for the City of Lansing, has determined the above named project to be exempt from the requirement of forming a project citizen district council because there are less than eighteen residents, real property owners, or representatives of establishments located in the project district area eligible to serve on the project citizen district council.

Adopted by the following vote:

Unanimously.

Whereas the City of Lansing's projects are as follows:

Miller Rd. Widening (Marywood to Logan)  
Edgewood Blvd. Extension  
Kalamazoo St. Bridge Replacement

These projects are within the 1977-82 Six-Year Capital Improvements Program.

Whereas the City of Lansing has allocated funds for the replacement of the Kalamazoo Street Bridge Replacement, and has Act 51 Major Street funds available for Miller Rd. Widening (Marywood to Logan) and for Edgewood Blvd. Extension for their local match.

Whereas the FAUS projects must receive approval by the FAUS Task Force, CARTS, GCC, and Tri-County Regional Planning Commission of which the City of Lansing has representatives on all four committees.

Therefore Be It Resolved, that the City of Lansing projects as recommended for funding by the FAUS Task Force Priority Committee, be approved, and

That the City of Lansing's members on the FAUS Task Force, CARTS, GCC and the Tri-County Regional Planning Commission Committee's be directed to support and approve said recommendations.

By Councilman Adado—

That the City's portion on the Miller Rd. Widening and the Edgewood Blvd. extension be voted on separately from the Kalamazoo St. Bridge replacement.

Carried.

The following vote was taken on the Miller Rd. Widening and the Edgewood Blvd. extension.

Whereas, the Committee, based on this evaluation, has recommended which buildings shall be utilized for City office operations; and

Whereas, the Committee on Finance has

evaluated the proposal and the financial implications and supports the recommendation of the Committee on Buildings and Properties; and

Whereas, it has been determined that coordination and plans, for the office relocation, shall be prepared and managed by City staff; and

Whereas, the Finance Director has recommended sources of funds;

Now, Therefore, Be It Resolved, that the City shall utilize the entire Washington Square Annex for offices and shall cease utilization of the City Hall Annex and order it razed when it is determined that there is no need for this space for any city department or agency use, such cessation being in keeping with the City Council Resolutions of March 27, 1967 and April 4, 1967, to acquire the building with an understanding that it would ultimately be razed to provide a landscaped area on the southside of Michigan Avenue if not needed for additional space for desired expansion of the parking ramp, and

Be It Also Resolved, space allocations shall be made through administrative action under the direction of the Mayor to achieve the most efficient utilization of space and personnel for the conduct of the City's operations; and

Be It Further Resolved, that if so directed by the City Council, the City Hall Annex shall be razed and that determination with regard to such razing be made by May 1, 1977; and

Be It Also Resolved that \$21,773 be transferred from the Building Reserve Fund account No. 101-936-729-975 and that an additional \$134,227 be appropriated from General Fund Balance account No. 101-000-000-390 and that these amounts be transferred in account No. 101-936-760-976, City Department Relocation so that a total of \$156,000 be available for this project. This total includes \$23,000 for contingencies; and

Be It Also Resolved, that \$30,000 be retained in the Building Reserve Fund, account No. 101-936-729-975 and that these funds be provided for the razing of the City Hall Annex, should such razing be ordered; and

Be It Finally Resolved, that every effort shall be made to accomplish these tasks within the funds provided, unless the courts are to be moved at greater expense, in order to provide the most efficient operation on behalf of the taxpayer.

Resolved by the City Council of the City of Lansing:

BP-1-76 — Frandora Hills No. 1

More particularly described as:

Outlot B of Frandora Hills No. 1, Lansing, Ingham County, Michigan.

Whereas Donald Hines, Attorney for Frandorson Properties, a Michigan limited partnership, who are the owners of certain lands located in Frandora Hills Subdivision, have requested that Outlot B of the plat of Frandora Hills No. 1, City of Lansing, Ingham County, Michigan, be conveyed back to it so that the parcel of land can be effectively developed and used in such a way that will put it back on the tax rolls; and

Whereas, the Planning Board has reviewed this request and has determined that this parcel of land, which was originally set aside for street purposes, is no longer necessary because of the land development that has occurred to the north in the City of East Lansing, which has effectively blocked any future street extensions; and

Whereas the Planning Committee of Council, to whom was referred the report of the Planning Board, concurs therewith;

Now, Therefore, Be It Resolved that the Council of the City of Lansing approves of this request and directs the City Attorney and the City Clerk to prepare the necessary documents so that the land may be deeded back to the original owners; to be developed in accord with the zoning of the property. [which is "A-1" Family Residential.]

## ORDINANCES

By Councilman Belen—

The Committee reported that it had considered an ordinance providing, that the Code of Ordinances, City of Lansing, Michigan, be amended by adding new sections to be numbered 36-99.25 through 36-99.48 to Code—(Development Plan for Community Development Project known as Neighborhood Development Area No. 2 within Neighborhood District Area No. 2), and recommended that the ordinance be passed.

Carried.

## ORDINANCE NO. 431

(Development Plan for Community Development Project known as Neighborhood Development Area No. 2 within Neighborhood District Area No. 2).

By Councilman Belen—

Resolved by the City Council of the City of Lansing, that the Ordinance providing that the Code of Ordinances, City of Lansing, Michigan, be amended by adding new sections to be numbered 36-99.25 through 36-99.48 to Code, be placed on order of immediate passage.

By Councilman Belen—

Resolved by the City Council of the City of Lansing, that the Ordinance providing that the Code of Ordinances, City of Lansing, Michigan, be amended by adding new sections to be numbered 36-99.25 through 36-99.48 to Code, be now passed.

Adopted by the following vote:

Unanimously.

## ORDINANCE NO. 431

AN ORDINANCE OF THE CITY OF LANSING, MICHIGAN, PROVIDING THAT THE CODE OF ORDINANCES, CITY OF LANSING, MICHIGAN, BE AMENDED BY ADDING NEW SECTIONS TO BE NUMBERED 36-99.25 THROUGH 36-99.48 TO SAID CODE.

The City of Lansing Ordains:

Section 1. That the Code of Ordinances of the City of Lansing, Michigan, be amended by adding new sections to be numbered 36-99.25 through 36-99.48 to read as follows:

**DEVELOPMENT PLAN FOR COMMUNITY DEVELOPMENT PROJECT KNOWN AS NEIGHBORHOOD DEVELOPMENT AREA NO. 2 WITHIN NEIGHBORHOOD DISTRICT AREA NO. 2.**

Sec. 36-99.25 Plan established.

Pursuant to Act 334, Public Acts of 1945, as amended, a physical development plan

has been prepared by the Lansing Planning Board and staff under §2A-28 of the Code of City Ordinances for the City of Lansing; also pursuant to said Act 344, a public hearing was held on August 16, 1976 prior to: a determination that the development area, hereinafter described, is a blighted area; a determination that there is a feasible method for relocating families and individuals who will be displaced from the area; and the adoption of a physical development plan for said development area. Also, pursuant to said Act 344, the Lansing city council, subsequent to the public hearing, made certain findings of fact and determination, more fully set forth by a resolution of the city council, dated August 30, 1976, that:

The area described herein is blighted.

There is a feasible method for relocation of families and individuals who will be displaced from the area.

The proposed physical development plan is sufficient for the rehabilitation of the blighted area.

Sec. 36-99.26 Area encompassed.

The physical development plan for Neighborhood Development Area No. 2, hereinafter also called N.D.A. No. 2, encompasses consideration of the neighborhood district area generally described as:

**Citizen's District Council Area No. 2**

Beginning at the intersection of the east line of Holmes Street and the south line of the Chesapeake and Ohio Railway right-of-way, thence southeasterly along said right-of-way to its intersection with the west line extended of Leslie Street, thence south on the west line of Leslie Street to its intersection, if extended, with the north line of the Grand Trunk Western Railroad right-of-way, thence west on said north right-of-way line to the Lansing Connecting Railroad, point being 70 feet west of the southeast corner of Lot 2, Haco Subdivision, thence northwesterly on the northerly right-of-way of said Lansing Connecting Railroad to Pennsylvania Avenue, thence north on the east line of Pennsylvania Avenue to a point 120 feet north of the north line of Climax Street, thence east to the northeast corner of Lot 6, Block 7, of Manufacturer's Addition No. 2, thence north to the northwest corner of Lot 23, Block 5, of Manufacturer's Addition No. 1, thence east on the south line of Main Street to the center line of Parker Street, thence north on the center line of Parker Street to a point 116.25 feet north of the north line of Main Street, thence east along north lot lines extended to the east line of Holmes Street, thence north to beginning, Section 22, City of Lansing.

to such extent, content and particularity as is necessary to coordinate the development area plan with current and future development in the district area.

Sec. 36-99.27 Plan designations.

The physical development plan designates,

among other things, the location and extent of streets and other public facilities within the development and district areas, the location, character, and extent of the categories of public and private land uses proposed for and within the areas, such as residential, recreational, open spaces and others.

The physical development plan also designates a feasible method and plan for relocation of families who will be displaced from the development area in decent, safe, and sanitary dwelling accommodations and without undue hardship to such families.

The plan further designates the location, extent, character and estimated cost of the improvements contemplated for the area, such as widening, opening, vacating or closing of streets, alleys, and walkways; the location of water mains, sewers, and other public utilities; paving of streets, acquisition and construction of parks, green belts, street tree planting, and other appropriate public improvements.

**Sec. 36-99.28 Information included in plan.**

The physical development plan further includes estimates of the number of persons residing in the development area and the number of families and individuals to be displaced; a survey of their income and racial composition; a statistical description of the housing supply in the community, including the number of private and public units in existence or under construction, the annual rate of turnover of the various types of housing, and the range of rents and sale prices; an estimate of the total demand of housing in the community; and the estimated capacity of private and public housing available for displaced families and individuals.

**Sec. 36-99.29 Plan for relocation of displaced individuals and designation of local administrative agency.**

The physical development plan further includes a feasible plan for relocation of families and individuals who will be displaced by said development plan. The Housing and Redevelopment Department of the City of Lansing is hereby designated as the local administrative agency to provide information concerning private and public housing available to displaced families and individuals and to advise and assist in their relocation.

**Sec. 36-99.30 Incorporation of plan.**

The physical development plan for Neighborhood Development Area No. 2, as amended, is attached hereto and made a part hereof and is hereby approved and adopted pursuant to the Resolution of Findings of Fact and Determinations approved by the Lansing City Clerk on August 30, 1976 and Public Act 344 of 1945, as amended, and as filed with the City Clerk.

**Sec. 36-99.31 Financial assistance to local units of government authorized under the Housing and Community Development Act of 1974.**

Under the provisions of Title I of the Housing and Community Development Act of 1974, as amended, the Secretary of the Department of Housing and Urban Development is authorized to provide financial assistance to local units of government for undertaking and carrying out housing rehabilitation and community development activities.

**Sec. 36-99.32 Grant Agreement for financial assistance under act executed between City of Lansing and United States.**

The City of Lansing has entered into a grant agreement for financial assistance under the Housing and Community Development Act of 1974 with the United States of America, acting by and through the Secretary of Housing and Urban Development, pursuant to which federal funds were provided for carrying out this physical development plan.

**Sec. 36-99.33 City's application for additional financial assistance under act.**

The City of Lansing is eligible to receive additional financial assistance under the Housing and Community Development Act of 1974 and proposes to enter into future grant agreements with the Department of Housing and Urban Development for the undertaking of, and making available additional financial assistance for, this housing rehabilitation project.

**Sec. 36-99.34 Community Development Neighborhood Development Area No. 2 identified.**

It is desirable and in the public interest that the City of Lansing undertake and carry out the housing and community development activities in Neighborhood Development Area No. 2 (herein also called the "development area") identified as:

**Neighborhood Development Area No. 2**

Commencing at the southwest corner of Excelsior Land Company Subdivision, thence north on the east line of Holmes Street to its intersection with the south line extended of Lot 11 of Stanley Heights Subdivision, thence west to the southwest corner of said Lot 11, thence north on the west line of Stanley Heights Subdivision to the north line extended of Perkins Street, thence west to the southwest corner of Lot 2 of said subdivision, thence north to the south line of Huntington Heights Subdivision, thence east to the southwest corner of Lot 89 of said subdivision, thence north to the southeast corner of Lot 73 of said subdivision, thence west to the southwest corner of said Lot 73, thence north to the northwest corner of Lot 29, Huntington Heights Subdivision, thence east to the southwest corner of Lot 29 of J. H. Moore's Hazel Street Subdivision, thence north to the northwest corner of said Lot 29, thence east to the west line of Holmes Street, thence north on said west line to the north line of Mechanic Street, thence west to the southwest corner of

Lot 34, Block 10, of Manufacturer's Addition No. 2, thence north to the northwest corner of Lot 3, Block 6, Manufacturer's Addition No. 2, thence east to the northwest corner of Lot 2, Block 6, Manufacturer's Addition No. 2, thence north 48 feet, thence east 35 feet to the west line of Lot 1, Block 5, of Manufacturer's Addition No. 1, thence north to the northwest corner of said Lot 1, thence east on the south line of Main Street to its intersection with the west line extended of Lot 8 of Excelsior Land Company Subdivision, thence north to the northwest corner of said Lot 8, thence southeasterly to the northeast corner of Lot 13 of said subdivision, thence south on the east line extended of said Lot 13 to the south line of Main Street, thence easterly on the south line of Main Street to the northeast corner of Lot 262, Excelsior Land Company Subdivision, thence southeasterly to the northeast corner, Lot 385, Excelsior Land Company Subdivision, thence south on the east line, Excelsior Land Company Subdivision, to the north line of Gray Street, thence east to the northeast corner of Lot 93 of Parkview Land Company Subdivision, thence south on the east line of Parkview Land Company Subdivision to the southeast corner of Lot 47 of said subdivision, thence west on the south lines of Parkview Land Company Subdivision and Excelsior Land Company Subdivision, being the north line of the Grand Trunk Western Railroad right-of-way, to the place of beginning, City of Lansing.

**Sec. 36.99.35 Development area studies by city; criteria used; findings.**

The City of Lansing, through its Planning Board and staff, has made detailed studies of the location, physical condition of structures, land use, environmental influences, social, cultural and economic conditions of the development area. The City has determined that the area is a blighted area and that it is detrimental and a menace to the safety, health, and welfare of the inhabitants and users thereof, and of the locality at large, because of the blight as evidenced by the presence of physical and environmental factors and deficiencies.

The City of Lansing, through its planning and building departments, has caused physical inspections to be made of each structure within the neighborhood development area and said physical inspections showed 361 of 368 inspected structures, within a total of 393 structures in the development area, to have deficient elements relating to the City of Lansing Housing Code.

Major building components were examined to determine their respective condition and quality. One or more deficient building component(s) constitutes a structure with deficiencies.

The City of Lansing has also determined that: there exists a conglomerate and incompatible mixture of land uses such as residential and commercial; and that parking and traffic circulation, in the area are

additional day-to-day problems to the occupants and the community.

The city council further finds that the proposed physical development plan for said development area, through acquisition, demolition, clearance, rehabilitation, resale of residences and resale or transfer of property, will protect the health, safety, morals and general welfare of the municipality; preserve existing values of other property within or adjacent to such development area; shall preserve the taxable value of the property within such area; and will improve the character of the development area, the surrounding district area and the entire community. The members of this governing body have been fully appraised by the planning board and staff and are aware of these facts and conditions.

**Sec. 36-99.36. Physical development plan prepared.**

There has been prepared and referred to the city council of the City of Lansing (herein also called the governing body) from the Planning Board and its staff for review a physical development plan, also known as the Physical Development Plan for Neighborhood Development Area No. 2, dated August 26, 1976, and consisting of seventy-two (72) pages and four (4) exhibits.

**Sec. 36-99.37. Development area to be redeveloped for predominantly residential uses.**

The development area, which is predominantly residential in character, is to be redeveloped and rehabilitated for predominantly residential uses under the Neighborhood Development Area No. 2 plan.

**Sec. 36-99.38. Neighborhood Development Area (N.D.A.) No. 2 plan approved by City.**

The Neighborhood Development Area plan, also known as the development plan, is hereby approved by the governing body of the City of Lansing, as further evidenced by the copies of said body's duly certified resolution regarding findings of fact and determinations of blight, feasible methods of relocating families and individuals and sufficiency of the development plan to rehabilitate the blighted area, by the City of Lansing on August 30, 1976, and, also, attached hereto.

**Sec. 36-99.39. General plan prepared; purpose.**

A general plan (master plan) has been prepared by the City and used in the preparation of this development plan and as a guide for the general development of the locality as a whole.

**Sec. 36-99.40. Report of Lansing Planning Board respecting physical development plan.**

The Lansing Planning Board, which is the duly designated and acting official planning body for the locality, has submitted to the governing body its report and recom-

mendations respecting the Neighborhood Development Area No. 2 plan (development plan) for the development area and has certified that the physical development plan conforms to the general plan for the locality as a whole, and the governing body has duly considered the report, recommendations and certifications of the planning body.

**Sec. 36-99.41. Changes in street patterns, etc., will be required under development plan.**

The N.D.A. No. 2 plan (development plan) for the development area prescribes certain land uses for the development area and will require, among other things, changes in vacating and removal of streets, alleys, and other public ways, the establishment of new street patterns, the location and relocation of sewer and water mains and other public facilities, and other public action.

**Sec. 36-99.42. Program prepared for relocation of displaced individuals and families.**

The local administrative agency, the Housing and Redevelopment Department of the City, has prepared and submitted a program for the relocation of individuals and families that may be displaced as a result of carrying out the redevelopment and rehabilitation activities in accordance with the development plan.

**Sec. 36-99.43. Information and data respecting the relocation program submitted.**

There have also been presented to the governing body information and data respecting the relocation program which has been prepared by the local administrative agency as a result of studies, surveys, and inspections in the development area and the assembling and analysis of the data and information obtained from such studies, surveys and inspections.

**Sec. 36-99.44. Governing body's knowledge and consideration of relocation proposals.**

Members of the governing body have general knowledge of the conditions prevailing in the development area and of the availability of proper housing in the locality for the relocation of individuals and families that may be displaced from the development area and, in the light of such knowledge of local housing conditions, have carefully considered and reviewed such proposals for relocation.

**Sec. 36-99.45. Official action respecting relocation program and development plan for the project required.**

It is necessary that the governing body take appropriate official action respecting the relocation program for N.D.A. No. 2 in conformity with the grant agreement for financial assistance between the City of Lansing and the United States of America, acting by and through the Secretary of Housing and Urban Development.

**Sec. 36-99.46. Provision of financial assistance to property owner for rehabilitation of residences.**

The governing body is aware that residents and property owners within the development area may need financial assistance to defray the costs of rehabilitating structures therein. A Residential Rehabilitation Loan Program will be available to residents and property owners to improve the condition of the housing stock of the development area by means of low interest loans, guaranteed loans and grants through the Housing and Redevelopment Department.

**Sec. 36-99.47. Governing body's knowledge of conditions imposed under act.**

The governing body is cognizant of the conditions that are imposed in the undertaking and carrying out of community development projects with federal financial assistance under Title I of the Housing and Community Development Act of 1974, including those prohibiting discrimination because of race, color, creed, or national origin.

**Sec. 36-99.48. Official action of governing body.**

Now therefore, be it further ordained by the city council of the City of Lansing:

- (a) That it is hereby found and determined that the development area is a blighted area and qualifies as an eligible development area under Act 344, Public Acts of 1945, as amended.
- (b) That the Neighborhood Development Area No. 2 plan (development plan) for the development area, having been duly reviewed and considered, is hereby approved, and the city clerk of the City of Lansing be and is hereby directed to file said copy of the N.D.A. No. 2 plan (development plan) with the minutes of this meeting.
- (c) That it is hereby found and determined that the objective of the development plan can be substantially achieved through rehabilitation of most residences in the development area, combined with the acquisition of 28 severely deteriorated structures and construction of public improvements.
- (d) That it is hereby found and determined that the N.I.A. No. 2 plan for the development area conforms to the general plan of the City of Lansing.
- (e) That it is hereby found and determined that the financial aid provided, and to be provided, pursuant to grant agreements for federal financial assistance from the Department of Housing and Urban Development pertaining to this housing rehabilitation project is necessary to enable the project to be undertaken in accordance with the development plan for the development area.

(f) That the redevelopment and rehabilitation of N.D.A. No. 2 for predominantly residential uses is necessary for the proper development of the community as a whole.

(g) That it is hereby found and determined that the development plan for the development area will afford the maximum opportunity, consistent with the sound needs of the locality as a whole, for the rehabilitation of the area by private property owners through the Residential Rehabilitation Loan Program administered by the City of Lansing.

(h) That it is hereby found and determined that the development plan for the N.D.A. No. 2 gives due consideration to the provision of adequate park and recreational areas and facilities, as may be desirable for neighborhood improvement, with special consideration for the health, safety, and welfare of children residing in the general vicinity of the site covered by the area.

(i) That it is hereby found and determined that the program for the proper relocation of individuals and families displaced in carrying out the development plan in decent, safe, and sanitary dwellings in conformity with acceptable standards is feasible and can be reasonably and timely effected to permit the proper prosecution and completion of the housing rehabilitation project; and that such dwellings or dwelling units available or to be made available to such displaced individuals and families are at least equal in number to the number of displaced individuals and of the locality as a whole, for the removal of public utilities and facilities than the dwellings of the displaced individuals and families in the development area, are available at rents or prices within the financial means of the displaced individuals and families, and are reasonably accessible to their place of employment.

(j) That, in order to implement and facilitate the effectuation of the development plan hereby approved, it is found and determined that certain official action must be taken by this body with reference, among other things, to the vacating and removal of streets, alleys, and other public ways, the establishment of new street patterns, the location and relocation of sewer and water mains and other public facilities, and other public action, and accordingly, this body hereby (1) pledges its corporation in helping to carry out the development plan; (2) requests the various officials, departments, boards and agencies of the locality having administrative responsibilities in the premises likewise to cooperate to such end and to exercise their respective functions and powers in a manner consistent with the development plan; and (3)

stands ready to consider and take appropriate action upon proposals and measures designed to effectuate the development plan.

(k) That additional financial assistance under the provision of Title I of the Housing and Community Development Act of 1974, as amended, is necessary to enable the land in the development area to be renewed and rehabilitated in accordance with the physical development plan for Neighborhood Development Area No. 2 and accordingly, the filing by the City of a future application or applications requesting such financial assistance under Title I of the Act is hereby approved.

Section 2. All ordinances or parts of ordinances inconsistent with the provisions hereof are hereby repealed.

By Councilman Belen—

Resolved by the City Council of the City of Lansing:

This ordinance being for the immediate preservation for the public peace, health or safety shall take effect upon its passage.

Carried.

By Councilman Baker—

Resolved by the City Council of the City of Lansing:

That the rule prescribed in Sec. 5.5 (g) of the Charter relative to considering business not on the agenda, be waived.

September 8, 1976

Honorable Mayor and

City Council Members:

The City Police have recently been enforcing a City Ordinance regarding bicycleriding in Washington Mall. I have also received two (2) phone calls reporting instances where persons riding bikes in the South Washington parking mall have received \$15 tickets for riding there. One was an 8-year-old boy and the other was a 17-year-old boy. It seems to me that this is a waste of manpower in the extreme. To utilize a well-trained police officer to chase bicyclists in the parking lot seems to achieve no reasonable objective in terms of cutting down crime in the City.

I have repeatedly requested of the Police Department at Public Safety Committee meetings and at Committee-of-the-Whole meetings that additional police personnel be assigned into various parts of the Westside. The answer has always been that we do not have sufficient manpower to provide walking patrols or additional driving pa-

trols in the area. But since the "Great Bike Menace" has struck Downtown Lansing, we have somehow found a way to break an officer loose to save the populace from this pestilence.

I would offer the following suggestions that would deal with the "Great Bike Menace" in a much more constructive manner and also not require the diversion of well-trained police officers from crime-fighting to bike-chasing:

- 1) That bike path striping be painted on the east side of Washington Mall from Michigan to Shiawassee, with appropriate signs being erected requiring bicycles going north-south to utilize that path;
- 2) That bicycles riding in the South Washington Mall parking area be either permitted and bike path striping be placed there; or that signs be erected which state no bicycles are allowed in that area, and that bicycle parking racks be provided in the entrance to those malls.

Both of these suggestions seem to me to be reasonable answers to relatively minor problems. I would hope that the City Council would give due consideration to them and act expeditiously to implement them.

I feel that the present situation where handing out tickets to children for riding their bikes in what appears to be a very apropos area, where no signs prohibit such riding, is ridiculous and ought to be stopped immediately—beginning tonight!

Respectfully yours,

RICHARD J. BAKER,  
Councilman-At-Large.

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem and  
Council Members:

In the recent past, I forwarded to you the nomination of Robert A. Fisher for confirmation to the Economic Development Corporation for the proposed Olds Plaza Hotel Project Area (Plan). Mr. Fisher has advised he will not now accept the nomination or confirmation.

I am, therefore, forwarding to you the name of Philip J. Gannon, President of the Lansing Community College. A resume of his background and qualifications is attached.

I am requesting that you suspend the rules for the purpose of receiving this communication and that you act upon the recommendation as soon as possible.

Sincerely,

GERALD W. GRAVES,  
Mayor.

Referred to Committee on Planning.

#### REPORTS OF CITY OFFICERS AND BOARDS

September 9, 1976

Honorable Mayor and Members

of the Lansing City Council

Lansing, Michigan

Re: Claim of Mrs. Gladys Wright for damaged mailbox caused by a construction machine

Dear Mayor and Council:

Mrs. Gladys Wright recently filed a claim against the City, in the amount of \$16.00, for damages incurred when construction machinery struck her mailbox.

The contractor has since replaced the mailbox so there is no need for the City to reimburse Mrs. Wright for the damage.

Respectfully submitted,

PETER HOUK,  
City Attorney.

By Councilman Baker—

That this letter be received and placed on file.

Carried.

September 9, 1976

September 9, 1976

Honorable Mayor and  
Members of City Council  
Gentlemen:

The Scott Center, 915 Townsend, serves as a Senior Citizen Center as well as a meeting place for numerous club and civic organizations. Since the late 1940's there has been a series of resident care-takers who live on the second floor which was maintained as a home.

The home has been vacated during the summer and I have since secured a tenant who is now ready for occupancy. Along with Sam Clay and the City Attorney I have updated the lease which covers duties of the caretaker and responsibility of the city.

I would appreciate authorization to proceed with having the Mayor and City Clerk execute the lease.

Sincerely,  
THEODORE J. HASKELL,  
Director,  
Parks and Recreation.

Referred to Committee on Parks and Recreation.

Subject: S-76-595 Sale of Earthmoving  
and Compaction Equipment

Gentlemen:

We recently offered for sale several pieces of compaction and earthmoving equipment that have become surplus with the closing of our land fill operation. Aeschliman Equipment Co. of Whitmore Lake was the high bidder in the amount of \$20,111.00.

We recommend acceptance of their offer, the market for used equipment is in a depressed state at the present time and we feel if we continue holding this equipment it will deteriorate and become of less value.

Respectfully submitted,  
VAUGHAN L. MCKINCH, C.P.M.,  
Purchasing Director,  
ROBERT R. BACKUS,  
Director of Public Service.

Referred to Committee on Public Service and Highways.

September 9, 1976

Letter (a)

Honorable Mayor Graves and

Members of City Council

Gentlemen:

The Traffic Board reviewed several parking revisions at their Sept. 8, 1976 meeting. The Board unanimously recommended the following parking revisions for consideration by City Council:

1. No Stopping, Standing or Parking Holmes St. west side from Hazel St. to Mechanic St.
2. No Stopping, Standing or Parking Walnut St. west side from Main St. to William St.
3. No Parking At Any Time Post Oak Lane east side from Darien St. to Sommercraft St.
4. No Parking At Any Time Vivian Riddle Court both sides Kalamazoo St. to Allegan St.

Presently no parking at any time exists on the west side of Holmes St. in the block in question. The principal of the Holmes School has requested a change to No Stopping, Standing or Parking to prohibit parents from using this area as a passenger load zone. When vehicles are parked in this area visibility for the school safeties is severely limited.

Oldsmobile has just completed widening of Walnut St. from Main to William. We will re-stripe this street to provide one lane of southbound traffic and retain the three lanes of northbound traffic. Since there will be only one lane of southbound traffic we must prohibit parking, standing or stopping on the west side of Walnut St., so that this lane will always be available for thru traffic.

Presently there are no parking restrictions on the east side of Post Oak Lane adjacent to Post Oak Elementary School. In keeping with the city policy of prohibiting parking adjacent to all schools and parks in the city, parking should be prohibited on the east side of Post Oak Lane in this section. Presently parents use this area to park when they are visiting and it does cause problems for students when they leave the school at noon and in the evening.

Vivian Riddle Court has been substantially completed from Allegan St. south to

Washtenaw St. The school district will use Vivian Riddle Court as a bus drop off temporarily until Huron St. construction is completed. Vivian Riddle Court is 30 feet wide and it was the intention at the time plans were drawn to prohibit parking on both sides of Vivian Riddle Court.

Respectfully submitted,

LANSING TRAFFIC BOARD  
Raymond O. Severy,  
Secretary.

Referred to Committee on Public Safety.

#### REPORT OF COMMITTEE

The Committee on PUBLIC SAFETY, to whom was referred the recommendation of the Traffic Board that Stopping, Standing, or Parking be prohibited on the west side of Holmes St. from Hazel St. to Mechanic St., reports as follows:

The Committee concurs in the recommendation of the Traffic Board.

Signed:

LOUIS F. ADADO,  
TERRY J. McKANNE,  
RICHARD J. BAKER,  
Committee on Public Safety.

By Councilman Adado—

That the report of the Committee be adopted.

Adopted by the following vote:

Letter (b)

Hoonrable Mayor Graves and

Members of City Council

Gentlemen:

The Traffic Board reviewed a request to change the traffic control at the intersection of Walsh St. and McCullough St. Presently there are yield signs on Walsh at McCullough. The request is to change these signs to Yield on McCullough at Walsh. The intersection lies at the bottom of a steep grade on Walsh, and in the winter months it is difficult for traffic coming down this steep grade approaching the intersection to stop safely. Revising the yield control so that McCullough would yield to traffic on Walsh would alleviate this situation.

The Traffic Board recommended unanimously, to re-locate the yield signs as follows: from "on Walsh at McCullough" to "on McCullough at Walsh."

Respectfully submitted,

LANSING TRAFFIC BOARD  
Raymond O. Severy,  
Secretary.

Referred to Committee on Public Safety.

Letter (c)

Honorable Mayor Graves and

Members of City Council

Gentlemen:

On Wednesday, Sept. 8, 1976, Washtenaw St. and Kalamazoo St. were changed to two-way traffic west of Logan St. Since Kalamazoo St. previously was one-way eastbound, no left turns are allowed from northbound Logan to westbound Kalamazoo. Now that Kalamazoo St. is two-way west of Logan there is no need to prohibit this left turn at all times. The restriction at other signalized intersections on Logan St., between St. Joseph and Saginaw St. is No Left Turn northbound to westbound from 7 A.M.-9 A.M. and from 3 P.M.-6 P.M.

The Traffic Board recommended unanimously that the left turn restrictions at Kalamazoo and Logan St. be revised to No Left Turn northbound to westbound from 7 A.M.-9 A.M. and from 3 P.M.-6 P.M.

Respectfully submitted,

LANSING TRAFFIC BOARD  
Raymond O. Severy,  
Secretary.

Referred to Committee on Public Safety.

Councilman Baker returned to the session.

September 9, 1976

Letter (d)

Honorable Mayor Graves and

Members of City Council

Gentlemen:

At its Sept. 8, 1976 meeting the Traffic Board recommended that the traffic signal at the intersection of Townsend and Elm St. be removed. An engineering survey at the intersection shows that the signal is no longer warranted.

Traffic counts at the intersection show that traffic volume falls well below the established warrants for a traffic signal. Two legs of the intersection are entrances into the Oldsmobile plant. The majority of traffic travels eastbound to northbound from Elm to Townsend and southbound to westbound from Townsend to Elm. There have been only five accidents at this intersection in the past four years.

The Traffic Board also recommended that when the signal is removed thru westbound traffic on Elm St. must stop at Townsend allowing the southbound to eastbound movement to be a thru movement. The westbound to northbound movement would also

be a thru movement. There would be stop signs erected at the exits from the Oldsmobile Plant.

Respectfully submitted,

LANSGING TRAFFIC BOARD  
Raymond O. Severy,  
Secretary.

Referred to Committee on Public Safety.

### RESOLUTIONS

By Committee on Public Service  
and Highways—

Resolved by the City Council of the City of Lansing:

That the proposed Cost Agreement between the Michigan State Highway Commission and the City of Lansing for the modernization of the Traffic Signal Control at the intersection of BL-96 (Cedar St.) at Mt. Hope Ave., be approved.

This project will be funded 50% by the State of Michigan and 50% (\$1,426.50) by the City of Lansing. Funds for the City portion will be drawn from account number 202-477-000-818, Signs and Signals, Electric, and

That the Mayor and City Clerk be authorized to sign these Cost Agreements upon certification of the City Controller as to the availability of funds, and after approval as to form by the City Attorney.

Adopted by the following vote:

Unanimously.

By Committee on Public Service  
and Highways—

Resolved by the City Council of the City of Lansing:

That it is hereby determined to be a matter of public safety and necessity to construct all required sidewalk remaining in Glen Eden Estates, and that the construction of this improvement is hereby ordered.

And Further, that the cost of this construction is to be taken from the A.B.T. Certificate of Deposit No. 052894, which covers improvements to be installed in Glen Eden Estates as required in the subdivision ordinance.

The Department of Public Service is hereby directed to prepare as far as necessary, plans and specifications for the project, and it is further directed to estimate in detail, the cost of said project and to furnish said information to the City Council.

Adopted by the following vote:

Unanimously.

By Committee on Buildings  
and Properties—

### APPLICATION TO WITHHOLD FROM SALE

Whereas, the following described land in Ingham County:

Lot 19, Maple Grove Farms No. 1  
(5434 Wexford Rd.), City of Lansing,

were deeded to the State of Michigan on the 4th day of May, 1976, through non-redemption from the county treasurer Oct. 7, 1975 tax sale.

Whereas, said lands are now under the jurisdiction of the Department of Natural Resources and may be withheld from the first sale at which they are scheduled to be offered for the purpose of redemption on behalf of the former owner as provided for in Section 131c of Act 206, Public Acts of 1893, as amended.

Now, Therefore, Be It Resolved by the City of Lansing that application is hereby made to the Department of Natural Resources to withhold said lands from sale, and

Be It Further Resolved that said City of Lansing does hereby authorize the county treasurer to collect all delinquent taxes on said lands if application is made by the owner thereof during the period for which said lands are withheld from sale by this application.

### CERTIFICATION

I hereby certify that the above is a true and correct copy of a resolution offered and adopted by the City of Lansing on the 13th day of September, 1976.

Clerk of City of Lansing

THEO FULTON,  
9th Floor—City Hall  
124 W. Michigan Avenue

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the City Council of the City of Lansing has established procedures for

initiating activities necessary for effective planning and implementation of the Housing and Community Development Act of 1974; and

Whereas, the City of Lansing will be provided an estimated twenty-nine million dollars for the Fiscal Years 1975-80; and

Whereas, the Act requires the City of Lansing to prepare an application and Community Development Plan for Fiscal Year 1978 for submission to the United States Department of Housing and Urban Development no later than April 15, 1977, to include revision of the Three Year Program objectives;

Now, Therefore, Be It Resolved that the City Council of the City of Lansing hereby approve the Fiscal Year 1978 Community Development Management and Decision Making Process Schedule attached as an enclosure.

Adopted by the following vote:

Unanimously.

By Committee on Finance—

Resolved by the City Council of the City of Lansing:

Whereas, the Charter of the City of Lansing specifies in Chapter 8, Section 8.6(a) that no "obligation for any expenditure of money be incurred without an appropriation covering all payments which will be due under such obligation in the fiscal year," and

Whereas, Section 2-27, Article II of the City Ordinance delineates the purchasing authority for the City and states that "any purchase ordered or contract made contrary to the provisions hereof shall not be approved by city officials, and the city shall not be bound thereby," and

Whereas, the City Council has mandated the compilation and maintenance of a manual of policies established by the Council, and

Whereas, the City Council wishes to clarify its budget policy to insure departmental adherence to Charter and ordinance,

Now, Therefore, Be It Resolved, that no person employed by the City may obligate the City without proper authorization. Any person or department making or allowing purchases or contracting services in excess of those for which an appropriation has been made (including expenditures against accounts for which the purchase is not eligible or appropriate) is acting without authorization. Such obligations are not binding on the City and the City may elect to not pay and/or to take disciplinary action in such cases. Consequently, in strict compliance with the City Charter, unauthorized purchases can be ordered returned or, if not returnable, become the personal financial responsibility of the person making the purchase.

The City Council of Lansing annually adopts a line item budget to establish spending limits for each function or item within each department. These line item budgets are the maximum authorized expenditures for each account. Departments are expected to adhere to these spending limits for each account unless there is a duly authorized transfer into the accounts. Budgets reflect dollar limits as well as a level and scope of service which cannot be changed without prior approval.

Departments which overrun line items or make unauthorized purchases will be required to explain such actions in writing. Explanations will be reviewed by the Finance Department and appropriate action taken.

The Finance Director shall periodically report to the City Council's Finance Committee on the above subject and actions taken or recommended.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, Section 3.1. (b) (1) of the City Charter provides for the abatement of conditions which may be dangerous to the health, safety, morals, and welfare of the inhabitants of the City, and;

Whereas, the Charter also provides that all costs for the abatement of such conditions shall be charged as a special assessment against the real property on which the hazard or nuisance is located, and;

Whereas, there is a significant cost incurred by the City to administer this responsibility, to include conducting inspections, researching property records, sending notifications, conducting public hearings, maintenance of records, applying costs to tax rolls;

Now, Therefore, Be It Resolved that effective January 1, 1977, the following fees be established:

Weed Cutting and Trash Removal—Sixty Dollars (\$60.00) Service Charge per each effected property,

Removal of a Dangerous Building—Two Hundred Dollars (\$200) for each effected property, and;

Be It Further Resolved, that such fees shall be added to all other costs incurred for the removal of dangerous conditions, and that the total cost shall be assessed against the real property on which the hazard or nuisance was located, and;

Be It Further Resolved, that such administrative charges be reviewed annually

to insure they reflect the actual cost for administering this work.

Adopted by the following vote:

Unanimously.

By Planning Committee and Public Service and Highways Committee—

Resolved by the City Council of the City of Lansing:

P-3-73

Span-Mar Subdivision—

Deletion of Sidewalks

Whereas, the request has been made to delete curb, gutter, and sidewalk requirements from the preliminary approval of Span-Mar Subdivision; and

Whereas, the Planning Committee of Council and the Public Service and Highways Committee of City Council have reviewed this request and concur therewith;

Now, Therefore, Be It Resolved that the Preliminary Plat of Span-Mar Subdivision as approved by City Council on September 8, 1976, be amended to include the following:

1. That the curb, gutter, and sidewalk requirements be waived for the subdivision property abutting Aurelius Road.
2. Also, that the internal sidewalk system requirements for the subdivision be waived.

Further, Be It Resolved that if these improvements are deemed necessary at some future date, the construction will be ordered by City Council and the property owners will pay their share of the costs.

Adopted by the following vote:

Yeas: Councilmen Adado, Baker, Belen, Brenke, Gunther, Hull, McKane—7.

Nays: Councilman Blair—1.

By Councilman Gunther—

Resolved by the City Council of the City of Lansing:

Whereas, the "Famous Grill" was a well-known and highly-accepted restaurant at 539 East Michigan Avenue; and

Whereas, the Famous Taco Restaurant with the Casa Blanca Lounge is now continuing with this tradition; and

Whereas, Frank and Rose DeLaCruz having faith in this area and confidence in the future of Downtown Lansing in creating this business; and

Whereas, Frank and Rose procured their own Liquor License, obtained additional parking and are remodeling the facility; and

Whereas, this initiative and foresight is what makes a city grow and retain its vitality; and

Now, Therefore, Be It Resolved, that with this citation the Mayor and City Council for the Citizens of Lansing do congratulate Frank and Rose DeLaCruz and wish them the greatest possible success for the Famous Taco Restaurant and Casa Blanca Lounge.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

That the action of the Charter Commission in setting the election on the adoption of the proposed charter for November 2, 1976, is hereby confirmed; and

Be It Further Resolved that such election is hereby ordered to be held on said date and the question submitted at such election in the manner stated in sections 9-401 and 9-402 of the proposed charter.

Adopted by the following vote:

Unanimously.

By Committee on Personnel—

Resolved by the City Council of the City of Lansing:

That we concur with the recommendations of the Job Moratorium Appeals Committee made at their meeting held on September 3, 1976, as follows:

Assessor Division:

Approve the filling of one Clerk IB vacancy.

Deny the filling of one Clerk IB vacancy.

Police Department:

Approve the filling of one Police Technician IIIA vacancy.

Deny the filling of one Clerk IB vacancy.

Treasurer Division:

Deny the filling of one Cashier III vacancy.

Parks Department:

Deny the filling of one Landscape Architect V vacancy.

Approve the filling of one Custodian IIB vacancy.

Approve the filling of one Groupleader IIIB vacancy.

Approve the filling of one Laborer IIB vacancy.

Public Service:

Deny the filling of one Draftsman IIIA vacancy.

District Court:

Deny the filling of one Clerk IB vacancy.

Adopted by the following vote:

Unanimously.

Councilman Blair left the session.

By Committee on Community Development—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing, as the recipient of an entitlement of Block Grant funds pursuant to the terms of the Housing and Community Development Act of 1974, that being PL 93-383, 88 STAT 633 (1974), has the authority to use its Block Grant funds to finance the rehabilitation of privately owned properties through activities such as the direct use of funds by qualified recipients for grants, loans, loan guarantees, interest supplements, pledge of grant funds, and refinancing of existing indebtedness; and

Whereas, the City of Lansing is comprised of some neighborhoods of substandard residential structures which have been identified in the annual Community Development application on file in the Office of the City Clerk and approved by the Department of Housing and Urban Development; and

Whereas, by letter dated July 28, 1976, the Department of Housing and Urban Development has approved the release of \$228,000 for draw down from its Letter of Credit by the City of Lansing for the Residential Rehabilitation Loan Program during the initial year of operation for the purpose of guaranteeing loans, from Account No. 258-842-641-846; and

Whereas, this \$228,000 will be deposited in, and pledged to, the four banks located in Lansing because the City has determined this is necessary to achieve the objectives of the Residential Rehabilitation Loan Program

and will result in an increase in the volume of residential rehabilitation loans, an extension of credit at lowered interest rates, and the enhanced opportunity for rehabilitation loans to be secured by borrower's of low and moderate income; and

Whereas, the banks and the City of Lansing believe that the implementation of a loan program which has as its objective the making of low-interest loans and principal reduction payments to qualified applicants, who may otherwise be unable to carry out reasonable rehabilitation activities on their home, would be a substantial benefit to the community by encouraging upgraded neighborhoods and homeowner improvements by low and moderate income persons; and

Whereas, this jointly developed Residential Rehabilitation Loan Program will provide a supplement to other means of financing home improvements in the City and assure that all properties rehabilitated are raised at least to the minimum level of safe, decent and sanitary housing as prescribed by the City of Lansing Housing Code; and

Whereas, because the banks are engaged in the business of furnishing residential and consumer loans, the City of Lansing desires to obtain its assistance in providing additional loan funds and services to increase the total financial resources available for rehabilitation loans under the Residential Rehabilitation Loan Program, and

Whereas, Section 2A-22(f) of the Code of Ordinances of the City of Lansing authorizes the Housing and Redevelopment Director to administer a loan and grant program to aid residents in rehabilitation activities, and

Whereas, the Lansing City Council on June 28, 1976, adopted an ordinance approving the Physical Development Plan for Neighborhood Development Area No. 1, with said Physical Development Plan providing for the rehabilitation of some 229 structures, and

Whereas, a contract providing for the participation of all four Lansing banks has now been negotiated and is found satisfactory, and

Whereas, an administrative manual setting forth the administrative procedures of both the banks and the City has now been prepared and is found to be consistent with Chapter 2A of the Code of Ordinances of the City of Lansing,

Now, Therefore, Be It Resolved that the Mayor and City Clerk be and are hereby authorized and directed to execute a separate agreement, in the form attached hereto, with each of the following parties:

- a. American Bank and Trust Company, in which the City shall deposit \$64,000 to obtain \$170,000 in bank participation.
- b. Bank of Commerce of Lansing, in which the City shall deposit \$5,000 to obtain \$10,000 in bank participation.

c. Bank of Lansing, in which the City shall deposit \$50,000 to obtain \$130,000 in bank participation.

d. Michigan National Bank, in which the City shall deposit \$109,000 to obtain \$290,000 in bank participation,

after approval as to form by the City Attorney and certification as to the availability of funds by the Finance Director, and

Be It Further Resolved that the Housing and Redevelopment Director be and is hereby authorized and directed to administer the Residential Rehabilitation Loan Program in accordance with the attached extract from the administrative manual pursuant to Section 2A-22(f) of the Code of Ordinances of the City of Lansing.

Adopted by the following vote:

Yeas: Councilmen Adado, Baker, Belen, Brenke, Gunther, Hull, McKane—7.

Nays: None.

Councilman Blair returned to session.

By Councilman Baker—

Resolved by the City Council of the City of Lansing:

That the rule prescribed in Sec. 5.5 (g) of the Charter relative to considering business not on the agenda, be waived.

Carried.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

Whereas, on November 19, 1963, Elizabeth E. Webster, Trustee, conveyed to the City of Lansing a single lot described as: Outlot B of the Plat of Frandora Hills No. 1 of the City of Lansing, Ingham County, Michigan, and stated within that deed as follows:

"To be used for street purposes only. Outlot B is to revert to said party of the first part, or her successor should party of the second part sell, lease, or put to any other use than for the purposes of a street to serve property to the north"; and

Whereas, the City of Lansing has never used Outlot B for street purposes; and

Whereas, on April 13, 1976, Frandorson Properties, a Michigan limited partnership, by and through its attorney Donald Hines, filed a letter request with the City of Lansing asking the City to convey the aforementioned Outlot B to Frandorson Properties, said Frandorson Properties being the successor of the aforementioned Elizabeth E. Webster, Trustee; and

Whereas, this letter request received from Frandorson Properties was referred by the Lansing City Council to the Planning Board, the Traffic Board, the Public Service Board, the Parks Board, the Board of Water and Light, and the City Attorney, all of which Boards and the City Attorney have reviewed the matter and returned reports to the City Council; and

Whereas, the property involved is not being used nor does it have any prospect of being used for public purposes; and

Whereas, the assessed valuation of the property involved is less than Five Thousand Dollars (\$5,000.00) or is so appraised by the Assessor thereby making it unnecessary to seek the approval of the electors under Lansing Charter, chapter 14, §14.3 (d); and

Whereas, the City of Lansing resolved June 28, 1976, to place an attached resolution concerning the deeding of the property to Frandorson Properties on file in the City Clerk's Office, which resolution was to remain there for a period of thirty (30) days in conformance with Lansing Charter, chapter 14, §14.3 (d); and

Whereas, the attached resolution did not authorize and direct the Mayor and City Clerk to execute the deed; and

Whereas, the attached resolution did not direct that the property be deeded to Frandorson Properties, the successor of the original owner; and

Whereas, the City of Lansing resolved August 2, 1976, to place the revised attached resolution on file in the City Clerk's Office until September 7, 1976; and

Whereas, on September 7, 1976, the City Council passed the original resolution which did not authorize and direct the Mayor and City Clerk to execute the deed and which did not direct that the property be deeded to the successor in title; now, therefore, be it

Resolved, by the City Council of the City of Lansing, that the resolution passed September 7, 1976, regarding the conveyance of Outlot B is hereby rescinded; and be it

Further Resolved, by the City Council, that pursuant to Lansing Charter, chapter 14, §14.3 (d), the resolution attached hereto with the necessary changes therein, be placed and remain on file in the City Clerk's Office for public inspection for thirty (30) days beginning September 14, 1976, and that the Clerk place the attached resolution on the agenda for the Council meeting October 18, 1976.

## REPORTS OF CITY OFFICERS AND BOARDS

September 10, 1976

Honorable Mayor and Members

of the Lansing City Council

Lansing, Michigan

Re: Claim of Stanley E. Bowen for damaged tire when his vehicle struck a raised manhole cover

Dear Mayor and Council:

Mr. Stanley Bowen recently filed claim against the City, in the amount of \$61.07, for a tire that was ruined when his vehicle struck a raised manhole cover on Cedar Street between Elm and Baker Streets.

Pursuant to its governmental immunity, a municipality is not liable for defective highway conditions unless it has had actual notice of, or if the condition has existed for a period of thirty days. In the situation Mr. Bowen has presented, the City did not have notice of the defective condition and, therefore, the City is not liable for the damages.

We have been advised by the Director of Public Service that the Spartan Asphalt Paving Company, were the contractors working for the State Highway Department resurfacing Cedar Street at the time of Mr. Bowen's mishap and that the claim should be referred to that company. Therefore, this office will forward the claim to the Spartan Asphalt Paving Company, for their attention, and will advise Mr. Bowen of this action.

Respectfully submitted,

PETER HOUK,  
City Attorney.

Received and placed on file.

Re: Claim of A. G. Alvarado for damages incurred when his son injured himself and ruined his bicycle when

he rode his bicycle into a caved-in section of sidewalk

Dear Mayor and Council:

On June 28, 1976, Michael Alvarado, son of A. G. Alvarado, injured himself and destroyed his bicycle as he was riding his bicycle on the sidewalk in the 3000 block of West Jolly Road. His father is now seeking a settlement. Apparently there had been new construction of homes at 3001 and 3003 West Jolly Road and one of the contractor's trucks had damaged the sidewalk. The damaged sidewalk was repaired by the contractor after the accident.

There has not been any showing by Mr. Alvarado that the City either had constructive notice or actual notice of the damaged sidewalk. Therefore, the City is not liable for the injuries to the son or the bicycle pursuant to MCLA 691.1401 et seq; MSA 3.996(101) et seq, and this office recommends that the claim be denied.

Mr. Alvarado should submit his claim to the contractor, George Orton, 1771 Waverly Road, Holt, Michigan.

Respectfully submitted,

PETER HOUK,  
City Attorney.

By Councilman McKane—

That we concur in the recommendation of the City Attorney.

Carried.

Re: Claim of Rodger LaLonde for damages incurred when his vehicle struck an open manhole

Dear Mayor and Council:

On August 10, 1976, Mr. Rodger LaLonde struck an open manhole on Cedar Street thus incurring damages in the amount of \$177.58 to his vehicle, \$10.00 for towing, and \$2.00 for a copy of the accident report.

The Spartan Asphalt Paving Company was working on Cedar Street for the Michigan Department of Highways at the time of the accident. Therefore, the claim should be denied because the City itself did not have notice of the defect as required by statute to be liable. MCLA 691.1401 et seq; MSA 3.996(101) et seq.

However, I have referred the claim to Spartan Asphalt.

Respectfully submitted,

PETER HOUK,  
City Attorney.

Received and placed on file.

Re: Claim of Raymond Smith for window broken by golf ball driven from Sycamore Golf Course

Dear Mayor and Council:

The above captioned claim was referred to this office by Council action on Tuesday, September 7. It concerns damages caused by "misdirected golf balls" breaking the window of Mr. Raymond Smith of 2313 Sunnyside. The instant claim is for repairs totaling \$10.59. Mr. Smith further relates that, over the past year, several hundred golf balls have plummeted onto his property.

The rule of governmental immunity does not apply to the operation of our municipal golf courses. In the past we have uniformly paid such claims. It is my recommendation that this matter be paid.

Without question, steps should be taken immediately to erect the additional screening near the tee-off spot to insure that further degradation of Mr. Smith's property rights do not occur by the intrusion of unwanted golf balls.

Respectfully submitted,

PETER HOUK,  
City Attorney.

By Councilman McKane—

That we concur in the recommendation of the City Attorney and the City Clerk be and she is hereby directed to draw a warrant on the City Treasurer in the amount of \$10.59 payable to Raymond Smith.

Carried.

Re: Claim of Mrs. Gaylen Johnson for replacement of purse

Dear Mayor and Council:

Mrs. Gaylen Johnson recently filed a claim with the City Council in the amount of \$66.56 for damages incurred when she tripped over a garden hose and damaged her purse and shoe. The hose had been laid on the sidewalk by employees of the Parks and Recreation Department.

Pursuant to MCLA 691.1401 et seq; MSA 3.996(101) et seq, a municipality is liable for defects in its streets and sidewalks if

it has the proper notice as to any defects. There can be no question of lack of notice in this situation in which the City itself created the condition.

Therefore, it is the recommendation of this office that Mrs. Johnson be reimbursed \$66.56 upon signing a release of liability form.

Respectfully submitted,

PETER HOUK,  
City Attorney.

By Councilman McKane—

That we concur in the recommendation of the City Attorney and the City Clerk be and she is hereby directed to draw a warrant on the City Treasurer in the amount of \$66.56 payable to Mrs. Gaylen Johnson.

Carried.

September 14, 1976

Honorable Mayor Graves and

Members of City Council

Gentlemen:

The Traffic Board reviewed a request from the Lansing School District to move the traffic signal from Cedar at Pacific to Cedar at Riley. Modernization at Walter French Jr. High School has resulted in moving the bus stop zone to a new drive at the southeast corner of the property. The buses enter school property from Cedar Street and exit onto Riley Street and then turn either north or south on Cedar Street. Moving the traffic light from Pacific to Riley Street will make this exit much safer.

The traffic light at Cedar & Pacific was installed prior to the installation of the

pedestrian overpass. When the overpass was constructed the light was no longer necessary for assisting children across the street. Access into the residential area will be improved when the light is moved to Riley Street.

This request has been reviewed by the Michigan Department of State Highways and Transportation and they have agreed that the light should be moved. They have initiated action necessary for the moving of this signal.

The Traffic Board recommended unanimously for the City Council consideration that the traffic signal at Cedar and Pacific Streets be moved to Cedar and Riley Streets.

Respectfully submitted,

ACT-5-76

Temporary Classrooms

Honorable Mayor and

Members of City Council:

On Tuesday, August 31, 1976, the Planning Board held a public hearing to review a request by the Lansing School District for temporary classroom space in Everett Park. The Board approved this request based on an environmental review under Public Act 285. There were, however, comments made by citizens at this meeting that the Board wishes to bring to your attention. These comments were in regard to the present traffic circulation and parking in the area of Everett Park.

Everett Park, as you know, is used for City League softball games in the summer, Pee Wee football games in the fall and ice skating in the winter. These activities bring with them a large amount of traffic. Automobiles are parked along the streets surrounding the park. Many of them park in areas where parking is prohibited and, in many instances, block driveways of the residents. In addition, children living in the area are subjected to the hazards of the heavy traffic generated by these athletic activities.

The Planning Board approved the School District request because there will be a minimum of traffic generated by such activities and because the times the temporary classrooms will be used are at low traffic times of the day. The major objections of the citizens were to present activities carried on on the field.

The Planning Board feels the City Council, the City Parks and Recreation Department and the City Traffic Department are in a position to alleviate the problems in the Everett Park area. That is, there are alternatives to parking on the streets surrounding the park for athletic events. For instance, there is a large parking lot at the Junior High School at Holmes and Cedar Street.

In order to determine the full extent of the problem, the City Council and the affected departments may want to contact the interested citizens in the area. Those citizens that attended the Planning Board public hearing are:

#### REPORT OF COMMITTEE

The Committee on PARKS AND RECREATION, to whom was referred the recommendation of the Planning Board to approve the request of the Lansing School District to place temporary school buildings at the west end of Everett Field Park, reports as follows:

That the Committee concurs in the recommendation and that the City Attorney be directed to draw up a lease for such use.

Signed:

ROBERT J. HULL,  
TERRY J. McKANE,  
Committee on Parks and  
Recreation.

By Councilman Hull—

That the report of the Committee be adopted.

Adopted by the following vote:

Yeas: Councilmen Adado, Baker, Belen, Gunther, Hull, McKane—6.

Nay: Councilman Blair—1.

September 16, 1976

Honorable Mayor and

Members of City Council:

The Planning Board, at their September 14, 1976 meeting, recommended to the City Council the attached Community Development perceived Needs Statement. This Needs Statement reflects a summarization of the results of the Community Development survey as advertised in the State Journal, public input obtained at the public hearing held on August 23, 1976, and technical recommendations devised by City staff during August 1976. Each specific need

has a corresponding rationale explaining its inclusion in the Statement.

The Board basically concurred with each of the individual needs statements and their corresponding rationales. This does not imply, however, that the needs listed under the citizens' perceived need category should necessarily be funded out of Community Development resources. It does imply a definite requirement for coordinating the delivery of existing resources and agency programs to satisfy the stated needs.

The Board's position on each need statement is accompanied by an explanation as to why they made the particular recommendation.

If the Board can provide further information on these needs statements, please contact me.

Sincerely,

DAVID L. PURVES,  
for Alan E. Tubbs,  
Secretary,  
Lansing Planning Board.

Referred to Committee on Community Development.

Selfridge Boulevard Vacation

Honorable Mayor and

Members of City Council:

The Planning Board, at their meeting of September 14, 1976, recommended to the City Council that the request by Mr. Roy C. Markey, to vacate Selfridge, north of Pollard Road, be denied.

The Board of Water and Light indicated that the location of future electrical lines and a 24 inch water transmission line in the right-of-way are such that the City should retain that right-of-way to assure access for future utility needs.

The Board further recommends that the City Council encourage the Board of Water and Light to locate new or additional utilities on the northern side of the right-of-way. This will reserve the options for the future improvement of the roadway or the possible vacation of a portion of the right-of-way to create better lotting patterns in the vicinity.

Sincerely,

ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

Radford Road Vacation

Honorable Mayor and

Members of City Council:

The Planning Board, at their meeting of September 14, 1976, recommended to the City Council that the request by Roy C. Markey to vacate Radford Road between Picardy and Pleasant Grove Road be denied.

The Board agrees with the petitioner that an additional access to Pleasant Grove Road is needed for this area. Considering the circulation of this residential area, it is apparent that if Pollard Street is not opened to Pleasant Grove Road, Radford Road (located one block south of Pollard) would offer a good alternative to permit local access to this arterial and preserve the residential character of the neighborhood. Connecting Radford Road to Pleasant Grove will allow local access but discourage the non-local through traffic from utilizing the neighborhood road network to cut through to Logan Street or through the residential area to the east of Logan.

It is further recommended that Radford Road be extended and improved to Pleasant Grove Road. The Board noted that sewers and curbs are currently being installed in the area. Therefore, the location and installation of four (4) rather than three (3) catch basins should be included with current improvements in the area. Mr. Markey, the developer, has indicated a willingness to install the additional catch basin if the Radford extension is approved.

Sincerely,

ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

Pollard Road Opening

Honorable Mayor and

Members of City Council:

The Planning Board, at their meeting of September 14, 1976, recommended to the City Council that the request by Mr. Roy C. Markey, to open Pollard Road to Pleasant Grove Road be denied.

The Board determined that opening Pollard Road as requested would encourage non-local traffic to cut through the neighborhood via the Selfridge/Pollard route to gain access to Pleasant Grove Road. The increased traffic volume created by the non-local traffic moving through the neighbor-

hood would have a negative effect on the residential character of the area.

The Board believes that the existing cul-de-sac at the west end of Pollard Road should be maintained to discourage non-local use of the residential road network.

Sincerely,

ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

ROW-6-76

Washtenaw Street Vacation

Honorable Mayor and

Members of City Council:

The Planning Board, at their September 14, 1976 meeting, reviewed the request to vacate that portion of Washtenaw Street lying west of Vivian Riddle Court and east of Huron Street.

It was found that the new improvements of this area relating to the Kingsley Place project had not been completed. Therefore, the Board recommended that action be tabled until such time as the overall project has progressed to the point where the overall street system can be changed without having to retain the section of street for a public way.

This recommendation received unanimous vote by the Board.

Sincerely,

DAVID L. PURVES,  
for ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

Referred to Committee on Planning and Committee on Public Service and Highways.

ROW-3-76

2120-2124 South Cedar Street

Honorable Mayor and

Members of City Council:

The Planning Board, at their meeting of September 14, 1976, recommended that this request by E. L. Schultz Enterprises to vacate the alley at the rear of 2120 to 2124 South Cedar Street be approved subject to retaining the necessary easements requested by the Board of Water and Light for the overhead pole line.

The Board found, based on testimony and evidence, that it was no longer necessary to

retain this as a public alley since it served no other parcels of land other than those owned by the petitioner.

The Board felt that the land could return to the property owner and be used for either the expansion of existing buildings or off street parking for those uses that front on South Cedar Street.

The Board made this recommendation with a unanimous vote.

Sincerely,

DAVID L. PURVES,  
for ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

SUP-15-76

423 Astor

Honorable Mayor and

Members of City Council:

The Planning Board, at their meeting of September 14, 1976, recommended that the request for Special Use Permit at 423 Astor Street to be used as a home for four senior citizens be denied.

The Planning Board discussed this request extensively in two areas. One, the Board found, based on testimony and evidence, there was not a concentration of the type of use proposed in this vicinity and they felt the site size and the home on the site would lend itself to the type of use proposed providing the necessary structural improvements were made.

The second issue the Board discussed related to the absence of the petitioner, the realtor, and the property owner at the public hearing. Since none of these individuals appeared and did not afford the Planning Board an opportunity to form an impression of their general character or their overall intent to carry out the program proposed, the Board did not believe that it would be in the public interest to approve a change of land use with the possibilities of creating personal neighborhood conflicts.

This recommendation was made by the Board by a 6 yeas, 1 abstention vote.

Sincerely,

DAVID L. PURVES,  
for ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

SUP-14-76

718 Banghart

Honorable Mayor and

Members of City Council:

The Planning Board, at their meeting of September 14, 1976, recommended that the Special Use Permit request by Ruth F. Martinez to expand the operation of her adult foster care facility to a maximum of three (3) adults on the premises of 718 Banghart be approved subject to the following:

- 1) Installation of handrails in the stairway to the basement,
- 2) Removal of combustible tape from all heat duct pipes in the basement,
- 3) Installation of automatic closer to kitchen door leading to the basement.

It was further recommended that prior to final approval that the Lansing City Council receive written confirmation from the State Licensing Division that the square footage of the room in which these individuals would be housed either meets their minimum requirements or that the amount provided is adequate.

It is noted that the amount available is six square feet less than the minimum requirements by the State of Michigan. The Board recommends that if the square footage requirements cannot be satisfied, that this application for an additional person should be denied.

The Board found that the site is located in an area that does not support a concentration of the types of uses proposed. The Board felt that the property in question was of sufficient size to provide the necessary open space for both active and passive recreation.

The Board did not believe that the total number of people housed in this dwelling would promote any more impact than an average family. It was further noted that the site is located within walking distance of public facilities such as Gier Park, public transportation and small neighborhood shopping facilities along North East Street.

There is available off-street parking on the site for at least three automobiles, which is felt would be adequate since the senior citizens would not be driving.

There was one person present at the public hearing speaking in favor of this request.

This recommendation received unanimous Board support.

Sincerely,

DAVID L. PURVES,

Secretary,  
Lansing Planning Board.

Z-35-76

615 South Capitol Avenue

Honorable Mayor and

Members of City Council:

The Planning Board, at their meeting of September 14, 1976, recommended that the request by Herbert Shinburg to change the zoning of 615 South Capitol Avenue from "D" Apartment District to "D-1" Professional Office District be approved.

The Board found based on testimony and evidence that the requested change is in conformance with the Central City Development Plan, which indicates this entire block for office and service type uses.

It was further found that on site parking is provided in accord with the Code and that additional spaces were rented across the street to the west for employees.

This change will remove the non-conforming status of the existing development and allow for general improvements and expansion.

This recommendation was made by a unanimous vote of the Board.

Sincerely,  
ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

Referred to Committee on Planning.

September 16, 1976

Z-36-76

3904, 3912, 3916 South Logan Street

Honorable Mayor and

Members of City Council:

The Planning Board, at their September 14, 1976 meeting, recommended that the request by Michael Holmes to change the zoning of 3904, 3912 and 3916 South Logan

Street from "J" Parking and "A-1" Family Residential districts to "F" Commercial District be denied as filed.

The Board further recommended that that portion of the land described as the west 55 feet of Lot 6, Supervisor's Plat, Hillcrest Farms, and the west 60 feet of the east 126 feet of Supervisor's Plat, Hillcrest Farms, City of Lansing, Ingham County, Michigan be rezoned from "J" Parking District to "F" Commercial District, and that portion of the land described as the north 34 feet of the south 51 feet of the east 121 feet of Lot 5, Supervisor's plat of Hillcrest Farms, City of Lansing, Ingham County, Michigan be rezoned from "A-1" Family Residential District to "F" Commercial and that the balance of the property be included in this request, more particularly described as: The west 79 feet of the east 205 feet, except the south 40 feet of the east 30 feet thereof, Lot 4, Supervisor's Plat of Hillcrest Farms, City of Lansing, Ingham County, Michigan remain in its present zoning classification, which is "A-1" Family Residential District.

And further, that the parcel of land described as the west 30 feet of the east 156 feet of the south 40 feet of the east 205 feet, Lot 4 of Supervisor's Plat of Hillcrest Farms, City of Lansing, Ingham County, Michigan, which is now zoned "F" Commercial District be rezoned back to "A-1" Family Residential District.

The Board found that the property is located within the strip commercial development along South Logan Street and the request to change those properties which are presently zoned "A-1" Family Residential, located on the northwest corner of Logan Street and Eaton Court and that portion zoned "J" Parking, directly to the rear of the commercial frontage, is reasonable since they both fall within the established strip commercial development.

However, the Board does not feel that the vacant parcel fronting on Hillcrest should be included in this request for commercial zoning because of its penetration into the existing residential area.

The Board believes that any type of commercial development on this particular lot would subject the residents of the vicinity to increased traffic and activity, which would not be in the best interests of the residential community.

It was further recommended that with approval on that portion fronting on Logan Street that: (1) A 20 foot sewer easement be retained as requested by the Public Service Department, and (2) That a site plan be submitted by the petitioner for approval by Planning and Public Service Departments and the Traffic Engineer prior to the issuance of permit(s), including (a) ingress/egress, (b) location of buildings, (c) parking lot layout and number of spaces, (d) landscaping, screening and fencing, (e) lighting and permanent wheel stops, and (f) drainage plan.

Two persons at the public hearing spoke in opposition to this request.

The recommendation was made by a unanimous vote of the Board.

Sincerely,

DAVID L. PURVES,  
for ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

Z-37-76

1127 Alsdorf

Honorable Mayor and

Members of City Council:

The Planning Board, at their September 14, 1976 meeting, recommended that the request to change the zoning of 1127 Alsdorf from "B-1" Family Residential District to "C-2" Family Residential District be approved.

The site measures 66 feet by 132 feet and contains 8,712 square feet, which is adequate land area for a duplex dwelling. The dwelling on this site was removed from a previous location with the thought of eventually using the dwelling as a two-family home.

The Board found, based on testimony and evidence, that the site was located within an area zoned for single family homes. However, it was further found that several of the homes within the vicinity had been converted for two-family use and exist as non-conforming uses.

The Board believes that if this site is zoned two family, it will promote development compatible with the area and will further regulate the land development so as to provide for the required off-street parking and open space.

This recommendation received unanimous support of the Board.

Sincerely,

ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

116 Bingham Street

Honorable Mayor and

Members of City Council:

The Planning Board, at their September 14, 1976 meeting, recommended that the request of Linn Camera Shop to change the zoning of 116 Bingham from a "DM" Multiple Dwelling District to a "J" Parking

District be approved subject to the following:

- 1) That screening be provided to the north and west, where the property abuts residential uses.
- 2) That a site plan be submitted by the petitioner for approval by the Planning Department, Public Service Department, and Traffic Engineer prior to the issuance of a permit therefore.
- 3) That the site plan include at least the following; a) ingress and egress, b) parking lot layout, c) number of spaces, d) drainage to Bingham Street, e) screening, fencing and landscaping, and f) lighting.

The Board found that the site in question contains a two-family home and is adjacent to an existing church parking lot on the south. The Board further found that one duplex would remain between the subject property and the strip commercial development along East Michigan Avenue.

The Board believes that off-street parking on this property would help to alleviate the parking problem for the business on East Michigan Avenue. It was further felt that based on existing land uses in the vicinity, that this type of development would not seriously affect adjacent properties.

This recommendation was with unanimous support of the Board.

Sincerely,

ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

Z-40-76

838 North Pennsylvania

Honorable Mayor and

Members of City Council:

The Lansing Planning Board, at their meeting of September 14, 1976, recommended approval of the request by Stepovich Brothers' Market to change the zoning of 838 North Pennsylvania Avenue from "J" Parking and "C-2" Family Residential districts to "F" Commercial District subject to the following:

- 1) The parking lot on the south side shall be drained toward Pennsylvania Avenue and the catch basin constructed to catch the water before it crosses the sidewalk.
- 2) That a detailed site plan be submitted by the petitioner indicating screening, lighting, landscaping, building location, and parking lot design. This site plan is to be submitted to the Planning Department and Traffic Engineer for ap-

proval prior to issuance of permits and construction.

- 3) That a permit be obtained from the Michigan Department of State Highways and Transportation for ingress and egress off Oakland Avenue.
- 4) The parking area along the north side of the building be eliminated and that the area be improved as a service drive for service vehicles.

The Board found, based on testimony and evidence, that the site is developed with a small grocery store and graveled parking area.

The Board believes that the change of zoning will facilitate the overall improvement of this site and allow the property owner the necessary flexibility in which to make improvements.

This recommendation was made by a unanimous vote of the Board.

Sincerely,

ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

Referred to Committee on Planning.

Z-41-76

4215 North Grand River Avenue

Honorable Mayor and

Members of City Council:

The Planning Board, at their September 14, 1976 meeting, recommended that the petition to rezone property at 4215 North Grand River Avenue from "D-1" Professional Office District to "F" Commercial District be denied, and further recommended that the property be approved as a Special Use Permit under Section 36-42(1), which allows the Council to approve the use of this land for State governmental purposes.

This approval is subject to the following:

- 1) The site should be graded to prevent drainage or impoundment of storm water onto the adjacent property,
- 2) A catch basin should be built in the proposed parking area and connected to the 12 inch drain in Grand River,
- 3) Standard curb cut, drive approach and thickened sidewalk across the drive will be required, and
- 4) Permit for work on Grand River right-of-way must be obtained from the Michigan Department of State Highways and Transportation.

The Board found, based on testimony and evidence, that the site is developed

with a small office building with off-street parking to the rear. The off-street parking area is completely finished and is not directly exposed to the adjacent residential uses.

It was further found that the land on either side of this property was developed as multi-family to the west and a neighborhood commercial service to the east. The Board does not believe that the office function and the light repair of electronic equipment proposed by the State Department of Natural Resources for this site will produce any serious detrimental affects.

The Board further believes that the Special Use Permit approach for allowing a change of land use on this site will provide the necessary safeguards so the land does not develop in a more intense commercial use, which they feel could adversely affect the adjacent residential development.

One person appeared in opposition to the commercial zoning to this property and felt that if the property were rezoned to "F" Commercial classification as requested, that it could encourage the types of uses that would not complement the residential area. This individual also expressed her concern over the repair of electronic equipment and wondered if it might interfere with television reception within the area.

This recommendation received unanimous support of the Board.

Sincerely,

ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

Z-42-76

Mt. Hope/Pleasant Grove Road

Honorable Mayor and

Members of City Council:

The Planning Board, at their September 14, 1976 meeting, recommended that the request of the AJS Corporation to change the zoning of Lots 21 and 22 of Country Club Park Subdivision No. 1 from "A-1" Family Residential District to "D-1" Professional Office District be denied.

The Board found that the site is located within an area that is developed entirely with single family residential homes with the exception of one three-family immediately to the west. The Board could not find where there have been any land use changes within this vicinity that would justify a change of zoning which would promote the development of non-residential uses.

The Board believes that there is adequate land zoned and available within the southwest part of the City that would accommo-

date the type of use proposed (doctor's office). It was felt that a change of zoning at this location could foster uncontrolled development on other vacant parcels in the vicinity which could have the affect of changing the residential character.

It was further found that there are deed restrictions on the subject property that prevent any use other than single family residential dwellings.

One resident in the vicinity spoke in regard to the deed restrictions and indicated that they were in effect until 1980. A petition was presented in opposition to the request containing 43 signatures of area residents. There were three persons present at the public hearing who spoke in opposition also.

This recommendation was made by a unanimous vote of the Board.

Sincerely,

ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

The Planning Board, at their meeting of September 14, 1976, recommended that the request by the AJS Corporation to change the zoning of 2928 Pleasant Grove Road from "A-1" Family Residential District to "D-1" Professional Office District be denied.

The Board found that the site is located within an area that is developed entirely with single family residential homes with the exception of the one three-family immediately to the west. The Board could not find where there have been any land use change within this vicinity that would justify a change of zoning which would promote the development of non-residential uses.

The Board believes that there is adequate land zoned and available within the southwest part of the City that would accommodate the type of use proposed (doctor's office). It was felt that a change of zoning at this location could foster uncontrolled development on other vacant parcels in the vicinity which could have the effect of changing the residential character.

Three persons at the public hearing expressed opposition to this request, in addition to the presentation of a petition signed by area residents, and containing 73 signatures, also expressing opposition.

This recommendation received unanimous vote of the Board.

1500 Block Olds Avenue

Honorable Mayor and

Members of City Council:

The Planning Board, at their September 14, 1976 meeting, recommended that the request by General Motors Corporation to rezone Lots 2, 3, and 4 of Taylor's Riverview Subdivision located in the 1500 block of Olds Avenue be approved.

The Board found that the site was located within the area described for industrial expansion on the Comprehensive Master Land Use Plan. The Board found that the site in question was isolated on the south side of Olds and completely surrounded by industrial zoning, which is presently developed as a large parking lot by the Oldsmobile Division of General Motors.

The Board believes that the approval of this request will facilitate logical expansion for the General Motors Corporation without seriously affecting the adjacent properties.

There were eight persons present at the public hearing expressing their opposition to this request, and also to Z-45-76.

This recommendation is made by a unanimous vote of the Board.

Honorable Mayor and

Members of City Council:

The Planning Board, at their September 14, 1976 meeting, recommended that the request by General Motors Corporation to rezone the property at the southeast corner of Olds Avenue and West Street from "B" One Family Residential District to "T" Heavy Industrial District be tabled.

This request was tabled by the Planning Board with the directive to the Planning

staff to conduct a special study of this area to determine the overall industrial expansion programs that may be occurring in the future. The study would include such factors as the owner/renter breakdown of properties in the vicinity, traffic circulation, types of vehicular traffic, alternatives to traffic circulation, property values, et cetera.

The overall purpose of this study is to afford protection to the existing residential development as industrial expansion occurs to determine the overall impact that has presently occurred in this area and what may occur as industrial expansion continues.

There were eight persons present at the public hearing expressing their opposition to this request, and also to Z-44-76.

Honorable Mayor and Members of  
the Lansing City Council  
City Hall

Lansing, Michigan 48933

Gentlemen:

On Wednesday, September 15, Chief Barratt and Fire Board Member Russell Sheathelm appeared before the Finance Committee to discuss the pending need for additional funds for overtime in the Fire Suppression Division. The account, budgeted for \$3,000, currently has less than \$500 left. This has occurred because of the high cost of call-back overtime pay. According to Chief Barratt, a Deputy Chief called back for an additional 24 hour shift is paid \$372.96 and a Captain \$319.18 or Drivers \$281. Call backs occur whenever the number of personnel present on duty drops below 61. This is the result of a Fire Board policy adopted late in 1975.

This policy was originally brought to the attention of Council during the budget hearings. We did not, however, endorse it or allow additional funds to pay for such call backs. Currently, the Fire Department is short 4 men out of their authorized 261 and they have two other individuals out on extended leave. With regular vacations and other absences, the Department has fallen below the 61 figure on several occasions and has consequently called men back. On one day, according to the Chief, one captain and two drivers were called back for a cost of approximately \$900. The absence of these men would have resulted in not having one piece of first line equipment in service for that 24 hour period.

As any additional appropriation of funds would be inappropriate until the Council

reviewed the policy and made a determination of its own policy on this matter, I am seeking guidance from the Council on this matter.

Respectfully,

TERRY J. McKANE,  
Chairman,  
Finance Committee.

Dear Mayor Pro-Tem and

Council Members:

Attached is a letter addressed to me by our Planning Director, Mr. Alan Tubbs, concerning the recent Dayton-Hudson proposal to develop a regional shopping mall at the northeast corner of Lake Lansing Road and US 27.

Mr. Tubbs, with input from Mr. Raymond Severy, Director of Traffic, have raised a number of questions regarding the economic and environmental impacts of this proposed mall on the Lansing Urban area. They are recommending that the City of Lansing immediately ask the Tri-County Regional Planning Commission to conduct a study to assess the impact of this development on the Lansing urban area.

I concur with the questions they have raised, and particularly those that have a direct effect on the City of Lansing. I am recommending that you immediately request the Tri-County Regional Planning Commission to allocate resources to address this top priority issue.

Thank you for your immediate attention to this request.

Sincerely,

GERALD W. GRAVES,  
Mayor.

Honorable Mayor Pro-Tem and Members  
of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem and

Council Members:

During the Council meeting of Monday, June 14, 1976, considerable discussion was

directed in both support and opposition to a Resolution of the Committee of the Whole dealing with a grant application to be submitted to the State Office of Criminal Justice Planning in behalf of the Youth Development Corporation. The Resolution, in question, is as follows:

Whereas: the Youth Development Corporation has prepared a grant application requesting funds to establish a bureau for youth; and

Whereas: the Comprehensive Criminal Justice Plan for 1977 of Region VI, indicates that youth through age 24 account for 81% of all Part I arrests; and

Whereas: the Region VI Criminal Justice Coordinating Council has recommended that priority be given to the funding of a regional youth service bureau; and

Whereas: the grant application submitted by the Youth Development Corporation indicates the funding request totaling \$129,400, of which 90% or \$116,460 is Federal funding, 5% or \$6,470 is local cash funding from Community Development funds currently budgeted for YDC in FY 77; and

Whereas: the funding requested is for the period October 1, 1976, through September 30, 1977; and

Whereas: the City Council of the City of Lansing supports any and all efforts which attack the problem of juvenile crime in the City and the Tri-County region;

Now, Therefore, Be It Resolved, the Mayor of Lansing is directed to sign the grant application and all subsequent contractual documents relating to this grant request after approval by the City Attorney as to form; and

Be It Finally Resolved, that the Program Coordinator is authorized to transmit this application to the State Office of Criminal Justice Planning.

Prior to the matter being approved by you, Program Coordinator George Lokken, referred to this as a "pilot program for Region VI," and he advised that the grant application was for a period of one year effective 1 October. Furthermore, he advised that YDC "is making contract with Eaton, Clinton and Ingham counties to determine what percentage, or what financial participation, they would agree to participate in on this grant."

Please be advised, that despite all the verbiage, the Department of Management and Budget of the State of Michigan has requested the Youth Development Corporation to withdraw the application. Some of the rationale for the Department making the withdrawal request is as follows:

1. To date, none of the three counties which will receive services have indicated support for the program. We have received a copy of an Ingham

County report indicating its reasons for withholding support. We have also heard verbal reports on Clinton County's action to not fund the program.

2. The application does not contain a specific plan for continuation of services without the support of counties. Given the counties failure to back the program, the application in effect does not contain a continuation strategy.

The aforementioned is forwarded to you for informational purposes.

Sincerely,

GERALD W. GRAVES,  
Mayor.

Received and placed on file.

Councilman Baker returned to session.

By Committee on Community Development—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing has entered into a Grant Agreement with the United States of America to plan and implement a Community Development Program pursuant to Title I of the Housing and Community Development Act of 1974; and

Whereas, the City of Lansing, through the Human Resources Department desires to engage the Tri-County Aging Consortium (The Contractor) to perform certain services and activities in connection with said Community Development Program through Community Development funds; and

Whereas, the Lansing Community Development Plan provides for Senior Citizen programming and services through the Tri-County Aging Consortium; and

Whereas, the City of Lansing, through the Human Resources Department, desires to engage the Contractor (PN-198) to perform certain services and activities in connection with said Community Development Program for the period between October 1, 1976 and September 30, 1977 in the amount of Sixty-Three Thousand, Three Hundred Eighty and 00/100 (\$63,380.00) Dollars.

Whereas, the City of Lansing, through the Human Resources Department, desires to engage the Tri-County Aging Consortium to sub-contract for these services, as provided herein: Retired Senior Volunteer Program in the amount of Five Thousand and 00/100 (\$5,000.00) Dollars; The Northside Nutrition Program in the amount of Forty-Eight Thousand and 00/100 (\$48,000.00) Dollars; and Lansing Senior Citizens, Incorporated, in the amount of Ten Thousand, Three Hundred Eighty and 00/100 (\$10,380.00) Dollars; now, therefore be it

Resolved, that Sixty-Three Thousand, Three Hundred Eighty and 00/100 (\$63,380.00) Dollars is hereby allocated for said Contract with the Tri-County Aging Consortium; and be it

Further Resolved, that the Mayor and City Clerk are hereby directed to sign said proposed contract on behalf of the City of Lansing after approval as to form by the City Attorney and after certification as to the availability of funds by the Director of Finance of the City of Lansing.

Adopted by the following vote:

Unanimously.

By Community Development Committee—

Resolved by the City Council of the City of Lansing:

Whereas, pursuant to Title 45, Chapter II, Code of Federal Regulations, Section 22 provides that the single state administrative agency may provide social services di-

rectly or through contract with other public or private agencies for clients eligible for services as authorized by Titles IV and XX of the Social Security Act, and in accord with policies established by the Michigan Department of Social Services; and

Whereas, the Department of Social Services is the authorized single state administrative agency for the development and dispensing of services under Title IV and XX of the Social Security Act for the State of Michigan; and

Whereas, the City of Lansing has the authority to enter into a contract with the Department of Social Services, through its Human Resources Department, to provide certain social services as part of its Community Development Program; and

Whereas, the Lansing City Council anticipates that said donated funds shall be used by the Department of Social Services to provide information and referral services, education and training services, health related services, homemaking services, individual and family counseling, and money management services to all eligible senior citizens and to assist current and potential social service recipients residing in the Lansing Community Development target areas; and

Whereas, the City of Lansing, through the Human Resources Department, does hereby transfer and allocate Thirty-Six Thousand, Six Hundred Twenty and 00/100 (\$36,620.00) Dollars for the attached Donation Agreement as the twenty-five per cent (25%) local share to purchase social services; and

Whereas, said Donation Agreement for Public Entities shall be effective for the period from October 1, 1976 through September 30, 1977; now, therefore be it

Resolved, that City Council does now reappropriate the Thirty-Six Thousand, Six Hundred Twenty and 00/100 (\$36,620.00) Dollars of previously reserved Community Development Block Grant funds for the Senior Citizen programming to constitute the local share requirement for said Donation Agreement by the City: leaving Sixty-Three Thousand, Three Hundred Eighty and 00/100 (\$63,380.00) Dollars of Community Development funds to be used as balance available for Senior Citizens program funding; and be it

Finally Resolved, that the Mayor and City Clerk are hereby directed to sign said Donation Agreement for Public Entities on behalf of the City of Lansing after approval as to form by the City Attorney and after certification by the Director of Finance as to the availability of funds.

Adopted by the following vote:

Unanimously.

By Community Development Committee—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing has, from time to time, entered into Contracts with the Contractor for services through the Human Resources Department; and

Whereas, the City of Lansing has entered into a Grant Agreement with the United States of America to plan and implement a Community Development Act of 1974; and

Whereas, the City of Lansing, through the Human Resources Department desires to engage the Contractor to perform certain services and activities in connection with said Community Development Program through Community Development funds; and

Whereas, a proposed contract has been developed by and between the City of Lansing, through the Human Resources Department and Housing Assistance Foundation/Community Resources Center to provide a comprehensive consumer program; and

Whereas, said new Contract will be effective from October 1, 1976 through September 30, 1977; and

Whereas, the City of Lansing does hereby appropriate Sixty-One Thousand Five Hundred and 00/100 (\$61,500.00) Dollars of previously reserved Community Development Block grant funds, with Twenty-Two Thousand, Five Hundred and 00/100 (\$22,500.00) of that amount to be used as the local share for a Donation Agreement for Public Entities with the Michigan Department of Social Services and Thirty-Nine Thousand and 00/100 (\$39,000.00) Dollars of that amount along with Nineteen Thousand and 00/100 (\$19,000.00) Dollars of Housing Assistance Foundation/Community Resources Center Revolved Funds (CDA) to be used as the balance of H.A.F./C.R.C. funding; now, therefore be it

Resolved, that the City of Lansing does now appropriate to Housing Assistance Foundation/Community Resources Center Sixty-One Thousand, Five Hundred and 00/100 (\$61,500.00) Dollars of previously reserved Community Development Block Grant funds as stated above; and be it

Further Resolved, that the Mayor and City Clerk are hereby directed to sign the attached Contract on behalf of the City of Lansing, after approval as to form by the City Attorney and after certification by the Director of Finance as to the availability of funds.

By Committee of the Whole—

Resolved by the City Council of the City  
of Lansing:

Whereas, the Lansing City Council's  
Committee of the Whole met on September  
16, 1976 to discuss the question of a loca-  
tion for the proposed Senior Citizen Center;  
and

Whereas, the Civic Center has been pro-  
posed as a possible location for such a fa-  
cility; and

Whereas, the Senior Citizen Center Task  
Force has indicated guarded support for  
use of a portion of the Civic Center but  
now needs to know the City's position on  
the subject; and

Whereas, the City Council feels the need  
for more staff work prior to making a de-  
cision as to whether or not the Civic Center  
is a viable location for the Senior Citizen  
Center;

Now, Therefore, Be It Resolved that the  
Lansing City Council requests that the  
Mayor appoint a staff advisory committee  
to study the feasibility of using portions of  
the Civic Center as the Senior Citizen Cen-  
ter; and

Be It Further Resolved that the Mayor's  
Senior Citizen Center Location Staff Ad-  
visory Committee study comparative costs  
and all physical aspects regarding the pro-  
posed Civic Center location as well as  
studying other possible locations as the  
Mayor deems appropriate; and

Be It Further Resolved that the Mayor  
is advised to use any and all appropriate

City Hall personnel, Senior Citizen Center  
Task Force representatives and Civic Cen-  
ter user representatives as he deems ap-  
propriate; and

Be It Further Resolved that the City  
Council requests that the Mayor make spe-  
cific recommendation; and

Be It Finally Resolved that the City  
Council requests that the Mayor present his  
recommendations in the City Clerk's Office  
no later than Thursday, October 14, 1976  
for inclusion in the Council Agenda for  
October 18, 1976.

Adopted by the following ovte:

By Committee on Planning—

Resolved by the City Council of the City  
of Lansing:

SUP-6-76

1726-28 Teel Avenue

more particularly described as:

Lots 151 and 152, Reo Park Addition,  
City of Lansing, Ingham County, Michi-  
gan.

Whereas, pursuant to Section 36-42 (12)  
of the Zoning Ordinance a request was  
made by Harold Lemon for approval of an  
adult foster care home for the above de-  
scribed premises; and

Whereas, the Planning Board on July 6,  
1976 held a public hearing and following  
the public hearing recommended denial of  
the special use permit; and

Whereas, the Planning Committee of  
Council, to whom the report of the Plan-  
ning Board was referred, does not concur  
therewith; and recommends that following  
the completion of required code alterations,  
as specified by the respective departments,  
a subsequent resolution will be passed which  
grants approval of this special use for a  
maximum of six foster adults;

Now, Therefore Be It Resolved that the  
Council of the City of Lansing officially  
expresses its intent to approve this Special  
Use Permit SUP-6-76, for a maximum of  
six foster adults, following certification by  
the Building, Fire and Planning Depart-  
ment that all necessary Code compliance  
alterations have been made.

Adopted by the following vote:

Yeas: Councilmen Baker, Belen, Blair,  
Gunther, Hull, McKane—6.

Nay: Councilman Adado—1.

By Councilman Baker—

Whereas, by petition duly filed on the  
28th day of June, 1976, this council was

petitioned to change the following described property from "A-1" Family Residence and "C-2" Family Residence Districts to "Community Unit Plan" District all as set forth in the Zoning Code of this city, and

Whereas, due notice as required by law has been given for a public hearing on said petition, and

Whereas, at such hearing held on the 7th day of September, 1976, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is described as:

Southwest corner of Newark Street and Pleasant Grove Avenue,

more particularly described as:

Z-30-76 — Lots 9, 10, 11, and 12 of Supervisor's Plat of Webster Farms Subdivision No. 2, City of Lansing, Ingham County, Michigan,

Whereas, pursuant to Act 207, P.A. 1921 the Planning Board advised City Council to deny this request. The recommendation of the Zoning and Ordinance Committee was for approval of this request, however, the actual vote of the Board was 4 yeas and 3 nays for approval of the Committee report. Six affirmative votes are required for approval of a zoning change. The Zoning and Ordinance Committee recommendation was subject to the following conditions:

1. That a Soil Erosion and Sedimentation Control Plan be submitted by the petitioner for approval by the director of Public Service prior to issuance of building permits;
2. That all drive approaches be built to City of Lansing standards;
3. That storm sewers be installed with a catch basin at the southwest corner of the site;
4. That the center drive be reserved as a fire lane;
5. That adequate, suitable and accessible arrangements be made for the storage and collection of solid waste;
6. That the four duplexes located in the southerly portion of the property be served with an underground distribution system for telephone, electricity, etc.;
7. That a blanket easement for buried cable and utility service to the southerly four duplexes be required;
8. That dwelling units be served by public water, public sewer, with adequate surface water drainage facilities;
9. That the entire site is to be graded so that all surface water will drain to the street or storm sewer system; and

10. That permanent grades be established and maintained throughout the routes of the utility lines and services, all duplexes be prewired and terminated at one designated area in proximity to electric service, a joint random lay method of construction be coordinated with power facilities underground, and the coordination of all utilities and the removal of obstructions to be scheduled by the developer, to meet service demands and eliminate costly damages to the plant.

Whereas, the Planning Committee of Council, to whom was referred the report of the Planning Board, does not concur therewith but recommends that the request be approved.

Now, Therefore, Be It Resolved that the Council of the City of Lansing ordains the petition to rezone the above property from "A-1" Family Residential and "C-2" Family Residential District to a Community Unit Plan District be approved in accord with the site plan submitted by the petitioner August 31, 1976; and

#### Be It Further Resolved

1. That a Soil Erosion and Sedimentation Control Plan be submitted by the petitioner for approval by the direction of Public Service prior to issuance of building permits;
2. That all drive approaches be built to City of Lansing standards;
3. That storm sewers be installed with a catch basin at the southwest corner of the site;
4. That the center drive be reserved as a fire lane;
5. That adequate, suitable and accessible arrangements be made for the storage and collection of solid waste;
6. That the four duplexes located in the southerly portion of the property be served with an underground distribution system for telephone, electricity, etc.;
7. That a blanket easement for buried cable and utility service to the southerly four duplexes be required;
8. That dwelling units be served by public water, public sewer, with adequate surface drainage facilities;
9. That the entire site is to be graded so that all surface water will drain to street or storm sewer system;
10. That permanent grades be established and maintained throughout the routes of the utility lines and services, all duplexes be prewired and terminated at one designated area in proximity to electric service, a joint random lay method of construction be coordinated with power facilities underground, and the coordination of all utilities and the removal of obstructions to be scheduled

by the developer, to meet service demands and eliminate costly damages to the plant; and

11. That a landscape, screening and/or fencing plan be submitted to and approved by the Planning Department prior to the issuance of building permits, and that a final occupancy permit be issued upon satisfactory installation of the landscape, screening and/or fencing plan. A temporary occupancy permit may be issued until weather permits installation of said landscaping, screening, and/or fencing plan.

Adopted by the following vote:

Unanimously.

By Councilman Baker—

Whereas, by petition duly filed on the 12th day of April, 1976, this council was petitioned to change the following described property from "A-1" Family Residence District to "G-2" Wholesale District all as set forth in the Zoning Code of this city, and

Whereas, due notice as required by law has been given for a public hearing on said petition, and

Whereas, at such hearing held on the 13th day of September, 1976, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is described as:

Z-17-76 — 7001 South Cedar Street, more particularly described as:

Lots 91 and 92 of Justamere Farms No. 1, part of Section 10, T3N, R2W, Delhi Township, Ingham County, Lansing, Michigan,

from an "A-1" Family Residence District to "G-2" Wholesale District.

Whereas, pursuant to Act 207, P.A. 1921, the Planning Board advised City Council to approve this request, providing the required off street parking be located entirely upon the property in question; and

Whereas, the Planning Committee of Council, to whom was referred this report, the Planning Board concurs therewith;

Now, Therefore, Be It Resolved that the Council of the City of Lansing ordains that the petition to rezone the above described property from an "A-1" Family Residence District to a "G-2" Wholesale District be approved, with required off street parking being located entirely on the property in question; and

Be It Further Resolved, that the parking areas be fenced and screened as approved by the Planning Department on the site plan submitted August 18, 1976.

Adopted by the following vote:

Unanimously.

By Councilman McKane—

Resolved by the City Council of the City of Lansing:

That the attached vouchers as presented by the City Controller be allowed and the City Clerk be and she is hereby authorized to draw orders on the City Treasurer for the amount allowed each claimant in the amount of \$13,417,191.49.

## ORDINANCE NO. 432

AN ORDINANCE OF THE CITY OF LANSING, MICHIGAN, PROVIDING THAT THE CODE OF ORDINANCES, CITY OF LANSING, MICHIGAN, BE AMENDED BY ADDING AN ARTICLE TO BE NUMBERED IX AND BY ADDING SECTIONS NUMBERED 2-89 TO 2-92.2 INCLUSIVE, TO CHAPTER 2.

The City of Lansing Ordains:

Section 1. That the Code of Ordinances of the City of Lansing, Michigan, be amended by adding an Article to be numbered IX and by adding sections numbered 2-89 to 2-92.2 inclusive, to Chapter 2, to read as follows:

ARTICLE IX. PROPERTY MANAGEMENT PROCEDURES FOR THE MODEL CITIES GRANT.

Sec. 2-89. Declaration of Purpose.

The purpose of this Article is to establish the procedures to be followed in the management, cataloging and disposition of all real and non-expendable personal property acquired by the City of Lansing or any contractual agency, herein also known as the Contractor, with Model Cities grant funds provided pursuant to the Demonstration Cities and Metropolitan Development Act of 1966, that being 80 STAT 1255 et seq. (1966); 42 USC 3301 et seq.

Sec. 2-90. Real Property; Defined.

Real property shall mean any interest in land, land improvements, structures, and appurtenances thereto, excluding movable machinery and equipment, held, managed or controlled by any contractual agency under current or past contract with the City of Lansing.

Sec. 2-90.1. Same, Reversion to the City of Lansing.

All real property and leasehold interests exceeding one (1) year shall, in all cases, revert to the City of Lansing upon the termination or expiration of the Contractor's contract with the City of Lansing, except that the final disposition of such real property and/or leasehold interest shall be made pursuant to City Council resolution.

Sec. 2-91. Revolving Funds, Reversion to the City of Lansing.

(1) When a Model Cities grant funded contractual agency concludes its operations, all revolving funds, in the amount designated in the Contractor's budget, and acquired or accumulated by or pursuant to any contract(s) with the City of Lansing, shall revert to the City of Lansing and be deposited to the credit of the City of Lansing.

(2) When a Model Cities grant funded contractual agency is about to be terminated or will cease its operations and the terminating or expiring contractual agency desires to continue using the revolving funds

for substantially the same purposes as set forth in its previous contract, the Contractor shall, at least 60 days before the expiration or termination of its contract with the City of Lansing, send written notification of such desire to the Housing and Redevelopment or Human Resources Departments, herein also called the H.R.D.

(a) If the H.R.D. does not receive such notification from the Contractor prior to the expiration or termination of the contract, all revolving funds acquired or accumulated by or pursuant to said contract shall: (i) revert to the City of Lansing and (ii) be deposited to the credit of the City of Lansing.

(b) If the H.R.D. does receive such notification prior to the termination or expiration of the contract, the H.R.D. director shall review such request and may send to the City Council written notification of the contractual agency's desire to continue using said revolving funds.

(c) If the City Council, in its sole discretion, determines that the terminating or expiring contractual agency shall not continue using said revolving funds, said funds shall: (i) revert to the City of Lansing and (ii) be deposited to the credit of the City of Lansing.

(d) If the City Council determines that the terminating or expiring contractual agency may continue using said revolving funds, the City of Lansing and the contractual agency shall enter into a contract to provide for that purpose.

#### **Sec. 2-92. Non Expendable Personal Property, Defined.**

Non-expendable property is any personal property purchased or acquired by the City of Lansing or any contractual agency pursuant to, by or with Model Cities grant funds having a useful life of more than (1) year and has not lost its identity through incorporation into other property, and which:

(1) Costs more than one hundred and 00/100 dollars (\$100.00) or more per unit; or

(2) Any grouping of like items which has an aggregate cost of one hundred and 00/100 dollars (\$100.00) or more even though the cost of a single item is less than one hundred and 00/100 dollars (\$100.00) provided, however, that the expected useful life of these items is one year or more.

#### **Sec. 2-92.1 Same, Inventory maintained.**

It shall be the responsibility of the H.R.D. director, pursuant to §2A-18(g) of the City Code of Ordinances, to prepare and maintain an accurate inventory of all real and non-expendable personal property purchased or acquired with Model Cities grant funds, and assigned, controlled or managed by a contractual agency under past or current contract, unless said property has reverted to the City of Lansing.

It shall be the responsibility of the City of Lansing's purchasing director to prepare and maintain an accurate inventory of all real and non-expendable personal property purchased or acquired with Model Cities grant funds, and currently assigned, controlled or managed by the City of Lansing.

#### **Sec. 2-92.2 Same, reversion and disposition.**

The use and disposition of all non-expendable personal property acquired by or purchased with the Model Cities grant funds shall be pursuant to all applicable Federal law and regulations, and in particular the Model Cities Transition Procedures Handbook (HUD 3135.2), as it may be amended, reincorporated or superceded by further issuances from the U.S. Department of Housing and Urban Development, notwithstanding any other specific provision of this Ordinance.

(1) When a Contractor's contract terminates or expires with the City of Lansing, all non-expendable personal property acquired pursuant to said Contract shall: (i) revert to the City of Lansing; (ii) be inventoried and recorded by the purchasing director, and (iii) be placed under the control of the purchasing director as "surplus stock," pursuant to §2-39 of the Code of Ordinances unless the procedure specified in Subsections (2) and (3) below are followed.

(a) A Contractor holding, controlling or using any Model Cities grant funded non-expendable personal property which is not held, controlled or used pursuant to a currently enforceable contract with the City of Lansing, shall be considered a terminated contractual agency upon the effective date of this Ordinance, and subject to the procedures stated herein.

(2) When a contractual agency will cease to receive any funding from the City of Lansing, or has its contract terminated, or will receive funding under the City's Community Development Block Grant, and the contractor desires to use the non-expendable personal property for substantially the same purposes as provided in its previous or future contract with the City, the Contractor shall send written notification of such desire to the H.R.D. at least 30 days before the expiration or termination of its current contract.

(a) If the H.R.D. does receive such notification prior to the termination of the contract, the H.R.D. director shall review such request and may send to the City Council written notification of said terminating or expiring contractual agency's desire to continue using said non-expendable property.

(b) If the City Council, in its sole discretion, determines that the terminating or expiring contractual agency shall not continue using said non-expendable property, it shall: (i) revert to the City of Lansing; (ii) be inventoried and recorded by the pur-

chasing director; (iii) be placed under the control of the purchasing director as "surplus stock," pursuant to §2-89 of the Code of Ordinances.

(c) If the City Council determines that the terminating or expiring contractual agency may continue using said non-expendable property, the City of Lansing and the operating agency shall enter into a Contract to provide for that purpose.

(3) Notwithstanding the provisions of Subsections (1) and (2) above and upon a finding that a public purpose will be served, the City Council may sell said non-expendable property to a Contractor at its depreciated value calculated pursuant to §1.167(a)-1(b) of the Internal Revenue Service Code, as it may be modified, amended or superseded by subsequent issuances, or donating the non-expendable property to the Contractor if said non-expendable property will be used for substantially the same purposes as provided in its previous Contracts with the City.

(4) The H.R.D. Director shall from time to time prepare appropriate recommendations to the City Council to effectuate the procedures set forth within this Article of the Code of Ordinances.

Section 2. All ordinances or parts of ordinances inconsistent with the provisions hereof are hereby declared null and void and of no effect.

 % of Total Collected ..... 92.1%

Attached herewith is a listing of 198 businesses delinquent in the payment of July 1976 Personal Property taxes as of this date. This compares with 140 delinquent businesses at the same time a year ago. The Personal Property delinquency of \$61,277.19 represents an increase of \$46,753.55 or 321% over the year ago delinquency of \$14,523.64, however, it should be noted that for the first time, the July billing this year included one half of the annual school tax. The Personal Property delinquency is made up of \$23,156.18 in City taxes; \$5,513.37 in Community College taxes; and \$32,607.64 in School taxes. Additionally, the delinquency figure includes \$7,900.00 in taxes involved in Michigan Tax Tribunal decisions, which will result in removal of the taxes by the December Board of Review, or which have delayed payment dates because of revised billings. The largest Personal Property delinquency is attributable to the Olds Plaza Hotel in the amount of \$8,927.55, representing 14.5% of the total delinquency.

The attached listing is being submitted to you and to all department heads to accommodate Charter provisions which prevent the City from making a contract with anyone in default to the City.

Updated listings will be submitted to you from time to time. Please feel free to contact this office at any time relative to the delinquency status of any of the businesses appearing in the listing.

The July 1976 Real Property delinquency of \$1,888,979.52 represents an increase of 142% over the \$778,970.92 Real Property delinquency of a year ago. Here again the dollar increase is directly attributable to inclusion of one-half of the school levy in the July billing, for the first time this year. Of the total Real Property delinquency, \$713,831.05 is due to the City; \$169,959.41 to the Community College; and \$1,005,189.06 to the Lansing School District. Two of the ten largest taxpayers in the City remain delinquent for taxes in excess of \$327,000.00, included in the above total. Also contributing to the increased number of unpaid taxpayers are the 198 eligible senior citizens, veterans, etc., who filed affidavits with this office permitting them to defer payment (without penalty) of their July taxes until December, at which time they will be included in that billing.

Sincerely,

HUGO J. HUFNAGEL,  
 Lansing City Treasurer.

Re: Claim of Daniel J. Marvin for damages incurred when sewer backed up into basement (\$514.65)

Dear Mayor and Council:

Mr. Daniel J. Marvin recently filed a claim in the amount of \$514.65 for damages incurred when the sewer backed up into the basement of his home.

It is the recommendation of this office that the claim be denied for the reasons cited herein.

First, the city is protected from such claims by governmental immunity. MCLA 691.1401 et seq; MSA 3.996(101) et seq.

Second, there has not been any showing of negligence on the part of the city. On July 28, 1976, a rainstorm deluged parts of Lansing within a short expanse of time, causing flooding of roads and sewers to back up. As such, the condition that existed was caused by acts outside the control of the city. Mr. Marvin does state in his claim that the city had not cleaned the sewer for a period of ten (10) years. This does not show negligence on the part of the city.

Therefore, this office recommends that the claim be denied.

Respectfully submitted,

PETER HOUK,  
 City Attorney.

By Councilman McKane—

That we concur in the recommendation of the City Attorney.

By Councilman Baker (Hull)—

Re: Claim of James R. Riley for damages incurred when a City truck backed into his wall at 616 S. Chestnut

Dear Mayor and Council:

On November 25, 1975, a City truck backed into a wall at 616 South Chestnut Street, Lansing, Michigan, damaging said wall. Mr. Riley is claiming \$1,350.00 in actual damages. On July 16, 1976, he filed a claim with the City Council. Pursuant to the City's insurance policy, this office referred the claim to our insurance carrier for investigation since the policy covers the City fully with respect to such claims. Attached please find a copy of the carrier's findings and conclusions.

It is the recommendation of this office that our insurance carrier be free to continue handling the claim since the city is fully protected.

Respectfully submitted,

PETER HOUK,  
City Attorney.

Re: Claim of Howard Berry, Jr., for damages when a sewer backed up into his basement (\$500.00)

Dear Mayor and Council:

Mr. Howard Berry, Jr., recently filed a claim for damages in the amount of \$500.00 when the sewer backed up into his basement on July 21, 1976 and again on July 27, 1976.

The city is protected by its governmental immunity. MCLA 691.1401 et seq; MSA 3.996(101) et seq.

Moreover, Mr. Berry has not shown negligence on the part of the city. The backing up of the sewer on July 21, 1976 was caused by a plugging up of the storm pumps. The pumping station was in good condition before the plugging, therefore, the city did not have prior notice of the condition. The problem was remedied approximately within half an hour after notice.

Mr. Berry has not stated the cause for the backup a week later. Presumably, this was caused by the rainstorm which dropped a large quantity of water in a short period of time causing severe problems in scattered parts of lower Michigan. The downpour was beyond the control of the city.

For the reasons stated herein, this office recommends that the claim be denied.

Respectfully submitted,

PETER HOUK,  
City Attorney.

Re: Claim of Seymour H. Riggs for damage to underside of his Pick-up truck which hit raised manhole cover on Cedar Street

Dear Mayor and Council:

Mr. Riggs recently filed a claim against the City, in the amount of \$135.80, for damage to his pick-up truck when the vehicle hit flipped up manhole cover on Cedar Street.

Pursuant to its governmental immunity, a municipality is not liable for defective highway conditions unless it has had actual notice of, or if the condition has existed for a period of thirty days. In the situation Mr. Riggs has presented, the City did not have notice of the defective condition and, therefore, the City is not liable for the damages.

We have been advised by the Director of Public Service that the Spartan Asphalt Paving Company, were the contractors working for the State Highway Department resurfacing Cedar Street at the time of Mr. Riggs' mishap and that the claim should be referred to that company. Therefore, this office will forward the claim to the Spartan Asphalt Paving Company, for their attention, and will advise Mr. Riggs of this action.

Respectfully submitted,

PETER HOUK,  
City Attorney.

Re: Claim of Morris Kinsey

Dear Mayor and Council:

As the indirect result of a recently concluded investigation by the Internal Revenue Service into the federal tax returns of Mr. Morris Kinsey, a former City of Lansing employee, Mr. James Dowsett, Director of Finance for the City of Lansing, received documentation pointing to an ineligible purchase transaction paid for with Model Cities grant funds in 1971. Mr. Kinsey, under the authority of his position as Director of Program Management for the Model Cities Program, initiated payment from these federal grant funds for an invoice from Hall Manufacturing Company No. 2831 dated July 14, 1971. This disbursement was allegedly for the procurement of signs and book racks for the Model Cities Program, but in actuality it purchased furnishing for a church in Lisbon, Louisiana.

On February 17, 1976, Mr. Dowsett referred the matter to this office and efforts to recover on a civil claim available to the City of Lansing were initiated. As a result of our actions, I can report to you that we have received full reimbursement from our insurance carrier in the amount of \$2,272.00 (a copy of the check is attached hereto). This recovery alleviates the possibility that the City's general fund would be forced to bear the cost of reimbursing the Department of Housing and Urban Development for the ineligible grant expenditure.

This communication is submitted for your information.

Respectfully submitted,

PETER HOUK,  
City Attorney.

Re: Great Lakes Real Estate Trust v  
City of Lansing; Michigan Tax Tribunal Docket No. 6086

Dear Mayor and Council:

On March 13, 1972 Great Lakes Real Estate Trust Company filed suit against the City in Ingham County Circuit Court seeking to recover 1970 through 1972 real property taxes it had paid under protest on the Logan Shopping Center owned by the Trust. Plaintiff alleged inter alia that the assessment placed on the property was unlawful in that it was in excess of fifty

(50) percent of the true cash value. The City filed an answer to the complaint alleging that the assessment was not unlawful. Subsequently the question of the 1973 real property taxes was added to— the Circuit Court action.

Thereafter on April 15, 1975 the case was, by agreement of the parties, transferred to the Michigan Tax Tribunal pursuant 1973 PA 186 as amended which vested the Tribunal with jurisdiction over tax refund cases. During the pendency of the case before the Tribunal the 1974 through 1976 real property taxes assessed to the Trust were included in the case which brought to seven (7) the number of years in which real property taxes were disputed.

Recently members of this office, the assessor's office and representatives of the Trust met in an effort to resolve this long-standing litigation. Valuation reports, appraisals, income and expense statements were reviewed by both sides. At the conclusion of the meeting and based upon the data presented it was agreed, subject to approval by the City Council, that: (1) the Trust would not dispute the assessments or taxes it paid for the years 1970 through 1973; (2) the true cash value for the 1974 tax year would be reduced on the subject property from \$2,506,046 to \$2,395,000 which is \$465,000 more than claimed by the Trust and \$111,046 less than originally appraised; (3) the true cash value for the 1975 tax year would be reduced on the subject property from \$2,703,000 to \$2,506,000 a reduction of \$197,000, the amount claimed by the Trust; (4) the true cash value for the 1976 tax year on the subject property would be reduced from \$3,289,000 to \$2,922,400 which is \$416,400 more than claimed by the Trust and \$366,600 less than originally appraised. Of course, the taxpayer is to be credited for all taxes paid in excess of the proposed adjusted true cash value.

The foregoing settlement appears reasonable in that the parties retain a measure of predictability over the outcome of the suit thereby avoiding the likelihood of a substantial reduction the Tax Tribunal has ordered in cases involving similar property such as the recent Meijers case in Eaton County and the Meridian Mall case where the true cash value was reduced by the Tribunal from \$10,000,000 to approximately \$7,000,000; the amounts agreed upon appear to be a fair and reasonable value and supported by the appraisals and valuation reports and a long and expensive litigation can be terminated on favorable terms, thus allowing both sides to return to their respective affairs. It should also be noted that the assessor concurs in this proposed settlement.

Therefore, it is my recommendation that this office be authorized to enter into a stipulation effectuating the settlement outlined in this letter.

Respectfully submitted,

PETER HOUK,  
City Attorney.

Re: Preparation of John Bean Building  
For Winter Months

Gentlemen:

This letter is to advise that it is necessary that a determination be made within thirty (30) days of this date as to the preparations necessary regarding the John Bean Building for the coming winter months.

At this time 80% of the facility is wet sprinkled, which of course means that one of three things must be determined, which are as follows:

1. Total system must be drained at an approximate cost of \$2,000.00. (Note: Finance Department advises that the insurance premium would jump from 90¢ per thousand to approximately \$3.00 per thousand on \$25,000 deductible policy if facility is not occupied or sprinkled.)
2. The building must be heated at an approximate cost of \$60,000.00.
3. Wet system must be converted to dry system at an approximate cost of \$45,000.00.

If the system were to be converted as in Item 3, it is necessary that the decision be made in the very near future to allow for the time to contract for the work and perform the service.

ACT-3-76

Pleasant Grove/Jolly Road Intersection

Honorable Mayor and

Members of city Council:

On July 20, 1976, the Planning Board held a public hearing on the City's proposal to purchase the Perna property located at the northeast corner of Jolly and Pleasant Grove roads for the purpose of providing a clear vision intersection. This public hearing was well attended for residents who live in the vicinity of the property, with the resident comments being equally divided between those who favored the acquisition and those opposed.

At their August 3, 1976 meeting, the Planning Board unanimously recommended to the City Council that the Perna property be purchased. However, the Board was concerned about the acquisition price and the procedures used to determine the fair market value. Therefore, the Board also recommended that the property not be purchased until the appropriate appraisals had been undertaken to determine the fair market value. These recommendations were by unanimous vote of the Planning Board.

Sincerely,

DAVID L. PURVIS,  
for ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

Gentlemen:

Recently I introduced an ordinance regarding the zoning of pornographic businesses in relation to each other and to residential dwellings. This ordinance was subsequently referred to the Planning Board.

After discussions with Mr. Purvis of the Planning Department and our attorney, Mr. Houk, I request that the ordinance first be referred to the Committee on Ordinance and Contracts and City Affairs for the purpose of redrafting portions of the ordinance which will make it a more effective tool. Your concurrence with this request would be appreciated.

September 24, 1976

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

Tenth Floor—City Hall

Lansing, Michigan 48933

Dear Mayor Pro-Tem and Council Members:

On Wednesday, September 2, 1976, Assistant City Attorney Joan McAllister, Planning Director Alan Tubbs and Program Coordinator George Lokken attended a Special Conference in Chicago relative to the Public Works Employment Act of 1976. This important conference, centered on a major piece of legislation which could be of great benefit to the City of Lansing, was sponsored by the Economic Development Administration of the United States Commerce Department and the National League of Cities. At that conference, the City's representatives were informed that Michigan could expect to receive an allocation of 157 million dollars for public works construction projects, if the U.S. Congress acts upon financing of the program shortly. In consideration of the fact that the monies to be allocated within our State are now estimated to be 70 million dollars greater than originally anticipated, I secured necessary application forms and directed the staff to consider proposals for additional public works construction projects. Accordingly, the staff determined that the City should, without delay, prepare additional applications for funds under the Public Works Act of 1976.

Recommendations have been made. It should be noted that they are not prioritized at this time. However, we may subsequently have to do so, if EDA subsequently determines that one or more of the projects is approved for funding; they may, in certain instances, allow us to substitute one project for another. The projects are:

Civic Center Construction/Modernization

Aurelius Road Storm Outlet Construction

Aurelius Road Bridge Replacement

100 Block Site Improvement

South Washington Avenue Commercial District Development

East Michigan Avenue Commercial District Development

North Lansing Commercial District Development

Waterfront Development

Parks Development

The finite details and the specifications of the developmental projects enumerated have not been determined. However, the staff will proceed to develop them in detail so that the projects will meet the criteria as required under the guidelines published by the Economic Development Administra-

tion of the United States Department of Commerce for these funds.

The competition for these funds throughout the state is going to be very keen. The projects that we develop must be as job oriented as possible, should provide useful public facilities, advance our local plans, provide long-term benefits and stimulate and fund projects that we are unable to fund because of the lack of local resources.

Projects will be selected by EDA upon a basic, ranking formula, which is outlined briefly as follows:

Number of unemployed workers in Lansing average over the three most consecutive months	30 points
Severity and duration of unemployment	25 points
Cost of the project in relation to the person—months of employment generated	30 points
Prevailing level of income	15 points
Potential for providing long-term benefits	10 points
Projects sponsored by general purpose unit government	5 points
Relates to existing plans and programs	5 points

The City of Lansing projects will be ranked and assessed relative to the projects submitted State-wide. For your information, as far as the most recent unemployment percentages are concerned, I provide the following:

For 4th Quarter, 1975, Lansing's unemployment rate was	9.77%
For 1st Quarter, 1976, Lansing's unemployment rate was	10.61%
For 2nd Quarter, 1976, Lansing's unemployment rate was	8.51%

I recommend that you approve the attached resolution directing the Program Coordinator to immediately proceed with the preparation of grant applications in coordination with other City Departments and such other outside agencies and/or individuals that may be appropriate.

However, be advised that, at this time, we do not know when the Economic Development Administration will accept the applications. The acceptance of our applications will not be authorized until Congress appropriates the money and the President approves the funding appropriation. The current status of Congressional action, as related to this office, is that the House and Senate Conference Committees have now approved the Appropriation Bill and have submitted it to the President for signature. The President may or may not veto this legislation. He did make mention of it during the Debate of Thursday evening. If he does not place his veto over it, it may be possible that authorization will be

granted to submit applications early in October; however, if the President vetoes and an override is required, the submission date could slip to early November. The foregoing fact not withstanding, it is imperative that the Program Coordinator and the staff give the preparation of these grant applications their immediate attention.

Sincerely,

GERALD W. GRAVES,  
Mayor.

Dear Mayor Pro-Tem and Council Members:

Attached is a copy of a communication forwarded to you more than one year ago and which deals with a 100 unit housing facility for the elderly and handicapped individuals.

I wish to advise now that the U. S. Department of Housing and Urban Development has finally approved the developer for this project, that being Tempo, Inc., Ada, Michigan. Tempo, Inc., has 10 days to respond affirmatively to the U. S. Department of Housing and Urban Development and 30 days to present the final proposal. Therefore, if Tempo, Inc., deems that the costs will remain relatively stable, and economically feasible, to develop the project in compliance with their preliminary proposal, and if the matter meets final approval by the Housing and Redevelopment Board, the 100 unit Senior Citizen/Handicapped Persons High Rise will be under construction in the approximate vicinity of East Shiawassee Street and North Cedar, directly North of the present City Market.

The aforementioned is forwarded to you for informational purposes and I will update you with the passing of time.

September 25, 1976

Honorable Mayor Pro-Tem and Members  
of the Lansing City Council  
City Hall  
Lansing, Michigan

Dear Mayor Pro-Tem and Council Members:

This is to advise that the most recent Uniform Crime Report of the U.S. Federal Bureau of Investigation for the Six Month Period January through June, 1976, that violent Crimes in the City of Lansing decreased 3%, while Property Crimes increased 11%. Violent Crimes are those involving murder/homicide, armed robbery, kidnapping, rape, aggravated assault, etc., while Property Crimes are those involving larceny/theft, breaking and entering, auto theft, etc. Police Chief Richard Gleason advises that the bulk of the increase under Property Crimes are due to thefts of CB radios and bicycles. Both of these products have become tremendously popular items and purchases, during the past year, have reached record numbers.

Unfortunately, purchasers of the last two named items have, in many instances, failed to take even basic precautions to protect their property. In fact, in many instances owners of such items have encouraged theft by (a) leaving CB radios in unlocked vehicles and in open sight, and (b) by leaving bicycles out in the open and unchained or unlocked, in garages with doors wide open even during the night, etc.

It is our recommendation that owners of CB radios take the greatest of care to insure that their actions do not encourage theft, but in fact take such actions, including the removal of such an item from the vehicle whenever possible when the vehicle is not occupied. In regard to bicycles, it is our recommendation:

—That parents of children with bicycles personally deliver such items to our local Fire stations so that the identification numbers can be embedded in the frame; a 100% registration would be the ideal and would aid local law enforcement agencies throughout the Greater Lansing Area in returning such stolen items when discovered, and this would be contrary to the present situation which shows only a limited number of bicycles registered;

—That parents of children who own bicycles purchase plastic-covered, strong-linked chains, now easily acquired on the market, and accompanying strong locks, and that those parents personally instruct their children to secure said bicycles when left at a location away from home, i.e., stores, friend's homes, parks, etc.;

—That parents of children who own bicycles personally take time to go to a concrete block manufacturer and purchase 1 or 2 concrete blocks, with center holes, such blocks to then be placed in the family garage or storage shed; parents should then instruct each of their youngsters with bicycles to place their bicycle along side such block or blocks, when the bicycle is not being used, and to run the plastic-covered chain through the block holes, then around the frame of the bicycle and lock it for security;

—That parents take a few seconds, at the day's end to make certain that the family garage is locked.

The aforementioned may sound preliminary, but with the "morality breakdown," being witnessed by many people, thefts of CB radios, bicycles, and household property, unfortunately is not going to "just stop." In addition to some individuals having the opinion of "what is mine is mine, and what is yours is mine," law enforcement people are well aware that such items are being "ripped off" in organized fashion. Such items are then being actually transported by vans to different parts of the Nation where large scale sales take place.

Other items being stolen and unfortunately finding easy markets, are television sets, radios, stereo units, etc. When discovered by law enforcement officials, the items repeatedly cannot be returned to the proper owner for the lack of an identification number. So, once again, I am begging property owners not only in Lansing, but throughout the Greater Lansing Area, to pick up, at their local law enforcement agencies, at no charge, available electronic stencils or invisible marking pens, and mark all items in the household. Though Operation Identification has been underway in this City, and in others, very few people have availed themselves to protect their own hard-earned property in a positive manner.

Too, the City of Lansing has a well recognized and outstanding Crime Prevention Bureau. Members of the Crime Prevention Bureau will personally visit homes and businesses, inspect same, and make definite recommendations to make homes and businesses secure. Though some homeowners and businesses have availed themselves to this service, most have not. I urge everyone to do so.

Therefore, it behooves each of us to assist law enforcement agencies by having a sense of responsibility and using basic common sense to stop theft wherever possible. In short, it is everybody's job to protect each other and to put thieves out of business.

Sincerely,

GERALD W. GRAVES,  
Mayor.

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem and Council Members:

Attached is a communication from one of our citizens, Willard Springer, 558 Riley Street, who, like a number of others, expresses a concern of interest. As Mr. Springer points out, Halloween will fall on

Sunday, October 31 — this is similar to what happened several years ago, and as it happened at that time "little trick or treaters" will be out several nights in a row.

In order to avoid Seniors, the ill, the handicapped and others being interrupted several nights in a row on one hand, while permitting "little trick or treaters" to enjoy a "once-a-year" fun outing, I feel we should let Halloween take its normal course and be celebrated on October 31.

I have talked to Police Chief Gleason regarding this matter. He advises that Sunday evening would permit "greater protection" of youngsters by the Police Department, "because the Department finds it is especially busy on Friday and Saturday nights with all types of calls."

Therefore, I am recommending that Sunday, October 31, early evening, be designated as "Meet and Treat Night," rather than "Trick or Treat Night." Further, I am urging parents to abide by the following recommendations:

—That children only be allowed to participate in small groups and only go out when accompanied by adults;

—That those homeowners interested in participating in "Meet and Treat Night" turn on their porch lights and that the adults accompanying children permit the youngsters to knock only on those doors where porch lights are showing;

—That the time element for children to participate be restricted between the hours of 6:00 p.m. to 8:00 p.m.;

—That everyone concerned (a) wear light colored costumes decorated with some reflectorized tape, (b) use flashlights after dark, (c) light pumpkins with a flashlight, (d) stay off of lawns and out of bushes, (e) make a personal introduction at each door and be certain that "new community residents" are welcomed during "Meet and Treat Night" rounds, (f) restrict "Meet and Treat Night" to immediate neighborhoods, (g) observe the basic pedestrian safety rules, and (h) respect the fact that "Meet and Treat Night" will also be an evening of religious services for many people.

If everyone closely abides by the aforementioned, we can put family fun into Halloween by making this traditional event a time which our citizens get to know each other in a true spirit of neighborliness. At the same time, children can have innocent fun by masquerading and visiting neighbors for treats. Coupled with this, the Lansing Police Department can provide patrols to assure safety.

Sincerely,

GERALD W. GRAVES,  
Mayor.

Honorable Mayor Pro-Tem and Members  
of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem and Council Members:

In early July, 1976, you approved a contract between the City of Lansing and the Tri-County Regional Manpower Consortium, whereby the City would be compensated for certain programs and in the amount of \$12,116. Overall, the contract was commendable in that it provided for additional swimming, for additional lifeguards, supplements to playground activities and certain craft and recreational supplies. The Summer Youth Recreation Program was specifically designated for youngsters between the age of 8 and 13 and to the extent possible that they come from low income families.

However, one portion of the contract approved by you provided for "recreation field trips," such trips not to exceed a 100 mile radius without prior written authorization. This is the portion which very much concerns me, and one of your members has stated, "taxpayers have a right to be upset when their hard-earned tax dollars are used in this manner." And, just how are the taxpayer's dollars being used under that contract? Well, on Sunday, September 26, 59 youngsters between the ages of 6 and 17 were taken on a chartered bus to the Pontiac Stadium to see a professional football game — tickets at \$10, per individual, were purchased as well as food, involving a total cost of approximately \$1,000.

I am hard pressed to believe that this type of expenditure is in the best interest of everyone concerned. I doubt that youngsters at 6, 7, 8 and 9 years of age truly understand professional football and if it was the Council's desire to have 59 children and 9 adults see a football game, I ask: (a) why not have hundreds of youngsters, taken in different groups, see an Eastern High School game, or a Sexton game, or a Lansing Catholic Central game, or one at Hill or Everett, or the Pigs v. Freaks game, the latter being held to raise funds which are used to fight catastrophic diseases? Or, (b) why weren't more than 300 youngsters selected to see the recent game at Michigan State University which also involved numerous bands from around the State? Personally, I am not in accord with taxpayer's dollars being expended to send a few youngsters to see a professional game, especially at \$10 per ticket. In fact, I am of the opinion that such funds could have been better used right here in the City of Lansing in general recreational programs. Too, if this was the intent of the U. S. Congress, that youngsters should be sent to a professional football game, then members of Congress should talk to those who "foot the bill," and especially to those on limited and retirement incomes. As an observation, also, I would venture to say that 999 persons out of 1,000 in the City of

Lansing have not seen a professional football game at the Pontiac Stadium.

Therefore, I am recommending to you that you give more attention to such contracts approved, and that such provisions be deleted, because once such funds are provided to "government spenders" those funds are going to be spent come the end of a fiscal year.

Sincerely,

GERALD W. GRAVES,  
Mayor.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

SUP-11-76  
310 West Hillsdale

More particularly described as:

The west two rods of the east seven rods of Lot 6, Block 147, Original Plat, City of Lansing, Ingham County, Michigan.

Whereas, pursuant to Section 36-42(12) of the Zoning Ordinance, a request was made by Raymond Kacirk, Director of New Way In, for approval of a Halfway House at 310 West Hillsdale for the purpose of housing residents returning from incarceration, and

Whereas the Planning Board, at their meeting of July 6, 1976, held a public hearing and, following the public hearing, voted on the matter but did not recommend its approval. The recommendation of the Zoning and Ordinance Committee on this matter was for approval, however, the actual vote of the Board ended up a 3-3 tie on the motion for approval, and

Whereas the Planning Committee of Council, to whom was referred the report of the Planning Board, does not concur therewith but recommends that the request be approved for a Halfway House at 310 West Hillsdale for not more than twelve (12) persons; and further recommends that following the completion of the specified code compliance alterations, specified by each respective department, a resolution will be passed that grants approval to this request.

Now, Therefore, Be It Resolved that the Council of the City of Lansing expresses its intent to approve this Special Use Permit (SUP-11-76) for a maximum of twelve (12) persons following certification by the Planning, Building and Fire Departments that all necessary code compliance alterations have been made.

Adopted by the following vote:

Yeas: Councilmen Adado, Baker, Belen, Brenke, Gunther, Hull, McKane—7.

Nay: Councilman Blair—1.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

Sup-12-76  
1000 Lincoln

More particularly described as:

Com. 50 ft. S. of SW Cor. Lot 204, Hollywood Subd., Th SE LY to E & W ¼ Line Sec. 27 at Pt 1379.5 ft. E of W ¼ Post Sec. 27 ft. east of said ¼ line to southwest corner Lot 56, Sycamore Heights Subdivision, north to northwest corner Lot 40, Sycamore Heights Subdivision westerly to beginning, Section 27, T4N, R2W; and also Lots 44, 45 and 47 of Sycamore Heights Subdivision, City of Lansing, Ingham County, Michigan.

Whereas, pursuant to Section 36-42(11) of the Zoning Ordinance, a request was made by Reverend Richard Rogers, Bethany Baptist Church, located at 1000 Lincoln Avenue for approval of a Day Care Center in the existing church building for not more than twelve (12) children per session, and

Whereas the Planning Board, at their meeting of July 20, 1976, following the public hearing, recommended that this request be approved subject to the staff working directly with the petitioner to work out the designated play area for the Day Care Center at a location where it will least affect the residential property owners. This shall include the necessary fencing to prohibit any trespassing on the adjacent residential properties, and

Whereas the Planning Committee of Council, to whom was referred the report of the Planning Board, concurs therewith and further recommends that following the completion of the specified code compliance alterations, specified by the respective departments, subsequent approval will be given,

Now, Therefore, Be It Resolved that the Council of the City of Lansing officially expresses its intent to approve this permit (SUP-12-76) for a maximum of twelve (12) children at any one session, following certification by the Building, Planning and Fire Departments that all necessary code compliance alterations have been made.

By Committees on Planning, and Public Service and Highways—

Resolved by the City Council of the City of Lansing:

ROW-7-8-9-76

Whereas the City Council of the City of Lansing has received from Roy C. Markey a request to: 1) Open the section of Pollard Road, between Picardy and Pleasant Grove Road, 2) Vacate the section of Radford Road between Picardy and Pleasant Grove; and 3) Vacate the section of Selfridge Road, north of Pollard; and

Whereas the request is intended to provide the adjacent residential neighborhood with additional access to Pleasant Grove Road as well as to permit better lotting patterns for future development; and

Whereas it has been determined that opening Pollard Road, as requested, could encourage the increase of non-local traffic to cut through the neighborhood via the Selfridge/Pollard route to gain access to Pleasant Grove Road; and

Whereas an increase in traffic volume created by the non-local traffic moving through the neighborhood would have a negative effect on the residential character of the area; and

Whereas the opening of Radford Road to Pleasant Grove Road would be an alternative to Pollard Road, as it is located one block south of Pollard, Radford Road would provide convenient local access to Pleasant Grove Road for area residents while preserving the residential character of the neighborhood; and

Whereas the Board of Water and Light has indicated a need to maintain access to utilities located in the portion of the Selfridge right-of-way requested for vacation; and

Whereas the request was referred to the Planning Board who reviewed the request and recommended after consultation with the developer, traffic engineer and Public Service Department, that the request, as stated above, be denied; and

Whereas the Planning Committee of the Council reviewed the report of the Planning Board and concurs therewith;

Now, Therefore, Be It Resolved that Pollard Road at its west end be retained as a cul-de-sac and that Radford Road be extended and improved from Picardy to Pleasant Grove Road to provide access to Pleasant Grove Road.

Be It Further Resolved that Selfridge Street be retained as an unimproved public right-of-way.

Adopted by the following vote:

Unanimously.

By Committees on Planning, and Public Service and Highways—

Resolved by the City Council of the City of Lansing:

ROW-3-76

Whereas a request by E. L. Schultz was made to vacate the public alley right-of-way behind the property located at 2120-2124 South Cedar Street, more particularly described as:

The west 16 feet of Lots 14 and 15, Assessor's Plat No. 46, City of Lansing, Ingham County, Michigan.

Whereas the request was referred to the Planning Board and Public Service Board who reviewed and approved the request subject to retaining the necessary easement requested by the Board of Water and Light for the existing overhead pole line; and

Whereas the Planning Committee of Council and the Public Service and Highways Committee of Council reviewed the report of the Planning Board and Public Service Board;

Now, Therefore, Be It Resolved that the above described property be, and the same is completely and fully discontinued and vacated, subject to the necessary easements being retained as requested by the Board of Water and Light for the existing overhead pole line, and

Be It Further Resolved that the City Clerk of the City of Lansing, within thirty (30) days hereafter, will forward a certified copy to the Register of Deeds of Ingham County for recording.

Adopted by the following vote:

Unanimously.

Whereas, by petition duly filed on the 19th day of July, 1976, this council was petitioned to change the following described

property from "A" One Family Residence District to "C" Two Family Residence District all as set forth in the Zoning Code of this city, and

Whereas, due notice as required by law has been given for a public hearing on said petition, and

Whereas, at such hearing held on the 13th day of September, 1976, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is described as:

Z-33-76 — 3307 West Holmes Road, more particularly described as:

Lot 402 of Churchill Downs No. 2, a subdivision on part of the west  $\frac{1}{2}$  of Section 31, T4N, R2W, City of Lansing, Ingham County, Michigan,

from "A-1" Family Residential District to "C-2" Family Residential District.

Whereas, pursuant to Act 207, P.A. 1921, the Planning Board advised the City Council to deny this request; and

Whereas the Planning Committee of Council, to whom was referred the report of the Planning Board, did concur therewith;

Now, Therefore, Be It Resolved that the Council of the City of Lansing ordains that the petition to rezone the above described property from "A-1" Single Family Residential District to "C-2" Family Residential District be denied.

Whereas, by petition duly filed on the 17th day of November, 1975, this council was petitioned to change the following described property from Community Unit Plan District to Revised Community Unit Plan District all as set forth in the Zoning Code of this city, and

Whereas, due notice as required by law has been given for a public hearing on said petition, and

Whereas, at such hearing held on the 19th day of July, 1976, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is described as:

Z-59-75 — 3124 Forest Road, more particularly described as:

Phase 3 of the Tammany Hills Development, to be known as Tammany Hills No. 3 Subdivision, as portrayed

on the revised site plan on file in the Planning Department, dated March 11, 1976.

This is a revision to the Community Unit Plan, as approved by Council Feb. 26, 1973. This site consists of approximately 12.6 acres and is located at 3124 Forest Road.

Whereas, pursuant to Act 207, P.A. 1921, the Planning Board advised the City Council to approve the revision to the Community Unit Plan, which would allow for the development of 20 fourplex units, totaling 80 units in the place of sixteen (16) fiveplex units and two fourplex units, totaling 88 units.

The Board recommendation of approval was subject to the following:

- 1) That a landscape, screening and fencing plan be submitted to the Planning Board for approval with a schedule for installation prior to the issuance of Occupancy Permits.
- 2) That the entire area be subdivided in accord with the Subdivision Control Ordinance and the Michigan State Plat Act.
- 3) All improvements are to be built to City of Lansing standards, including drive openings.
- 4) All lots are to be graded so that surface water will drain therefrom so as not to affect adjacent properties.
- 5) That the development be served with underground utilities.
- 6) That the development be constructed in accordance with the approved plan, and

Whereas the Planning Committee of Council, to whom was referred the report of the Planning Board, concurs therein,

Now, Therefore, Be It Resolved that the Council of the City of Lansing ordains that the request to amend the Community Unit Plan, as approved by the City Council on February 26, 1973, be approved subject to the following:

- 1) That a landscape, screening and fencing plan be submitted to the Planning Board for approval with a schedule for installation prior to the issuance of Occupancy Permits.
- 2) That the entire area be subdivided in accord with the Subdivision Control Ordinance and the Michigan State Plat Act.
- 3) All improvements are to be built to City of Lansing standards, including drive openings.
- 4) All lots are to be graded so that surface water will drain therefrom so as not to affect adjacent properties.
- 5) That the development be served with underground utilities.

- 3) The west 49 feet of Lot 18 of Supervisor's Plat No. 2, a replat of Cavanaugh Road Plat, City of Lansing, Ingham County, Michigan, remain in its present zoning classification "A-1" Family Residential.

and further:

- 1) A site plan being submitted to and approved by the Planning Department prior to the issuance of Building Permits.
- 2) Said site plan shall include:
  - a) the location of existing and proposed buildings
  - b) off-street parking
  - c) landscape, screening and fencing adjacent to the residential development.
- 3) Said site plan shall be subject to the review of the Traffic Engineer, with the thought of improving egress and ingress of the site.

#### ORDINANCE NO. 434

AN ORDINANCE OF THE CITY OF LANSING, MICHIGAN, PROVIDING THAT THE CODE OF ORDINANCES, CITY OF LANSING, MICHIGAN, BE AMENDED BY ADDING A NEW CHAPTER TO BE NUMBERED 9E AND BY ADDING SECTIONS NUMBERED 9E-1 THROUGH 9E-14, INCLUSIVE OF SAID CODE.

The City of Lansing Ordains:

Section 1. That the Code of Ordinances of the City of Lansing, Michigan, be amended by adding a new chapter to be

numbered 9E-1 through 9E-14, inclusive, to read as follows:

##### Sec. 9E-1. Adoption of Electrical Code.

That certain document or booklets accompanying this ordinance, an official copy of which is on file in the office of the City Clerk of the City of Lansing, being marked and designated as the National Electrical Code, 1975 Edition, published by the National Fire Protection Association, is hereby adopted and made part of the "Lansing Uniform Electrical Code" pursuant to the authority vested in the City of Lansing by the Home Rule Act, being MCL 117.1 et seq; MSA 5.2071 et seq.

This Code provides regulations for the erection, installation, alteration, repair, relocation, replacement, addition to, use or maintenance of electrical systems.

##### Sec. 9E-2. Violations.

No person, firm or corporation shall erect, install, alter, repair, relocate, replace, add to, use, or maintain any electrical systems or cause or permit the same to be done in violation of any of the provisions of this Code. A violation shall include any act of commission or omission contrary to any section of this Code and the failure to meet any required standard as set forth in this Code.

Any person, firm or corporation violating any of the provisions of this Code, shall be deemed guilty of a misdemeanor and shall be deemed guilty of a separate offense for each and every day or portion thereof during which any violation of any of the provisions of this Code is committed, continued, or permitted, and upon conviction, such person shall be punished for each offense by a fine of not more than \$500.00 or by imprisonment for not more than 90 days, or by both such fine and imprisonment.

##### Sec. 9E-3. Definitions.

As used in this ordinance:

(1) "Electrical wiring" means all wiring, generating equipment, fixtures, appliances and appurtenances in connection with the generation, distribution and utilization of electrical energy, within or on a building, residence, structure or properties, and including service entrance wiring as defined by the 1975 edition of the National Electrical Code, as amended by this ordinance.

(2) "Electrical contractor" means any person, firm or corporation engaged in the business of erecting, installing, altering, repairing, servicing or maintaining electrical wiring devices, appliances or equipment.

(3) "Master electrician" means a person having the necessary qualifications, training, experience and technical knowledge to supervise the installation of wiring and equipment in accordance with the standard rules and regulations governing such work. A master electrician desiring to enter into

the contracting business as his own supervisor may obtain an electrical contractor's license by making application and paying the fee for an electrical contractor's license in lieu of the fee prescribed for the master electrician's license.

(4) "Electrical journeyman" means any person other than an "electrical contractor" who, as his principal occupation, is engaged in the practical installation or alteration of electrical wiring. An "electrical contractor" or "master electrician" may also be an "electrical journeyman."

(5) "Municipality" means any city, village or township.

#### Sec. 9E-4. Electrical Board.

There is hereby created an Electrical Board, hereinafter known as the Board, composed of five (5) members appointed by the Mayor with the advice and consent of the City Council. One member of the Board shall be an electrical contractor, one shall be an electrical journeyman, and one shall be a representative of an electrical utility, each said aforementioned members shall have had a minimum of five (5) years of electrical experience in the group he represents; furthermore, one member shall be a representative of a manufacturing industry employing electrical journeyman and the fifth member shall be any resident of the City of Lansing. All members shall serve for a term of four (4) years. Said terms shall commence on July 1 of the calendar year appointed. The electrical contractor and resident representatives shall be appointed in 1977. The electrical journeyman and manufacturing representative shall be appointed in 1979. The electrical utility representative shall be appointed in 1980. All vacancies are to be filled by the Mayor with the advice and consent of the City Council. The Chief Electrical Inspector shall serve as the secretary of the Board. The initial membership of the Board shall be comprised of the members of the Board of Electrical Examiners at the time of the adoption of this ordinance. The terms of the initial members shall expire as follows: the terms of the electrical contractor and of the resident representative shall expire June 30, 1977; the terms of the electrical journeyman and of the manufacturing representative shall expire June 30, 1979; and the term of the electrical utility representative shall expire June 30, 1980.

#### Sec. 9E-5. Authority of Board.

(1) The Board shall consider all proposed amendments of the National Electrical Code, adopted pursuant to Sec. 9E-1 herein, promulgated to safeguard the standards of electrical construction within the City of Lansing, and shall submit its recommendations to the City Council.

(2) If a vacancy occurs in the office of the Chief Electrical Inspector, the Electrical Board shall submit the name(s) of a person(s) to the Building Commissioner for his consideration, but he may appoint a qualified person whose name was not on the list submitted to him by the Electrical

Board. The Chief Electrical Inspector shall have a Master Journeyman's electrical license and shall be certified by the International Conference of Building Officials as an electrical inspector.

(3) The Electrical Board shall make all necessary rules, regulations and interpretations and applications of the National Electrical Code and shall direct the Chief Electrical Inspector to implement and enforce the same. The Board shall direct the electrical inspectors in the area of its technical expertise, leaving administrative direction to the Building Commissioner. Appeals from its decisions, rules, regulations, interpretations, and applications shall be submitted to the Board of Appeals established pursuant to Section 204 of the Uniform Building Code as amended by Chapter 9, Section 9-3 herein and as it may be amended from time to time.

#### Sec. 9E-6. Registration of License.

(1) No person, firm or corporation shall engage in the business of or perform the work of electrical contracting unless the person, firm or corporation has first registered his electrical contracting license with the Building Department, nor shall any person, other than a licensed electrical journeyman registered with the City, except a person duly licensed and employed by and working under the direction of a holder of an electrical contractor's license registered in the City, in any manner undertake to execute any electrical wiring. Except that no registration shall be required for:

(A) Owner's Constitutional Privilege. Nothing herein contained shall prohibit any bona fide owner from personally installing in his own home or on his own premises at which he presently resides or is about to reside provided that said owner shall:

1. Furnish a signed affidavit stating that the work is to be done by himself in accordance with this Code in his own home in which he and his family resides, or are about to reside.

2. Apply for and secure a permit.

3. Pay the required fees.

4. Apply for inspections.

5. Receive the approval of the inspector.

Homeowners privileges shall extend to single family residences only and shall not apply to any residence or structure from which any monetary gain is being received or which is being used for commercial purposes.

(B) The manufacture, including test or repair of new electrical equipment.

(C) Work involved in the operation of signals or the transmission of intelligence by a utility providing that service, but not including an A.C. power supply or distribution panels.

(D) Electrical installation or repair for a public utility specifically exempted by

this Code when performed by employees of said utility.

(E) The installation of elevators or dumbwaiters or the erection of signs but not including the connection to a current supply.

(2) The registration forms shall be approved by the Board. A licensed electrical contractor shall be registered with the Building Department only after the payment of a fee of \$20.00. A licensed master electrician shall be registered with the Building Department only after the payment of a fee of \$2.00.

(3) The Building Department shall allow to be registered pursuant to this section only those persons with a current electrical contractor's license or a master electrician's license issued by the Electrical Administrative Board of the State or an electrical contractor's license or a master electrician's license issued by any municipality within the State of Michigan having standards for licensing not less than those established by the Electrical Administrative Board of the State.

(4) All registrations shall expire on the date the applicable license expires.

#### Sec. 9E-7. Insurance Required.

Every person, firm or corporation engaged in the business of or performing the work of electrical contracting or performing the work of a master electrician shall file with the City Clerk proof of a public liability policy insuring said person, firm or corporation and the City of Lansing against any liability imposed upon such person, firm or corporation and the City of Lansing arising out of the performance of said work. Such policy shall provide for the payment up to one hundred thousand dollars (\$100,000.00) in the event of injury to or death of any one (1) person and for the payment of up to three hundred thousand dollars (\$300,000.00) in the event of injury to or death of more than one (1) person and for payment up to one hundred thousand dollars (\$100,000.00) for property damage. Such policy shall bear an endorsement to the effect that the insurance company shall notify the City Clerk a minimum of ten (10) days prior to the cancellation or expiration of such policy.

#### Sec. 9E-8. Permit Required.

(1) Except as exempted by this Code, no person shall install, erect, or alter any wiring cable, apparatus, or equipment for conducting or using electrical energy within or on any building, structure or premises unless he shall have first obtained a permit therefor from the Chief Electrical Inspector.

(2) Application for said permit shall be made to the Chief Electrical Inspector, and shall be accompanied by any required plans and specifications covering work to be performed under the permit. No such permit

shall be granted unless said plans and specifications comply with the provisions of this Code and unless the required fee has been paid.

(3) If any such application covers work to be performed by an unlicensed person on any building, structure, or premises owned by said person, the Chief Electrical Inspector may examine such person as to his qualifications and ability to properly perform said work. Said permit shall not be granted unless the Chief Electrical Inspector finds said person qualified and able to perform said work properly.

(4) Work covered by such permit shall be started within six (6) months after date of issuance or such permit shall be null and void.

(5) An electrical inspection shall be required for all electrically operated signs, which inspection is to be completed before the sign is hung. The electrical connection to said sign shall only be made by a licensed contractor registered with the Building Department and with a separate permit and inspection.

(6) The installation of electrical wiring by an electrical contractor under a permit issued to him, shall be performed by a licensed journeyman electrician in his direct employ. Proof of this is required upon request by the office of the Building Commissioner. Permits issued for use by other than applicant is prohibited.

#### Sec. 9E-9. When Permit Not Required.

(1) Any person properly registered hereunder who, in the conduct of his business, regularly employs an electrical supervisor shall not be required to secure permits for maintenance work or for connecting appliances or other current consuming equipment to properly installed feeders, panels or busways for which permits were secured for original installations; provided, said feeders are adequate for the equipment and also provided that the work is installed on property owned or occupied by the person so registered.

(2) No permit shall be required for the manufacture of electrical equipment, including the required testing or repair of the same.

(3) No permit shall be required for the placing of distribution wires on the exterior of buildings or structures or inside transformer vaults provided such wires and equipment are the property of an electrical utility company and are installed by employees of that company according to City rules and regulations.

(4) No permit shall be required for the installation, alteration or repair of electrical equipment used for the operation of signals or the transmission of intelligence when installed, serviced and owned by a recognized public utility, except for the A.C. power supply and distribution panel.

**Sec. 9E-10. Permit, Inspection Fees.**

(1) All fees for permits and inspection shall be paid in advance and shall be the same as those fees approved by the Electrical Administrative Board of the State as adopted by the State Construction Code Commission, as may be amended from time to time. Copies of the electrical permit fee schedule shall be on file in the office of the City Clerk and in the Building Department.

(2) Double Fee. Where work for which a permit is required by this Code is started or proceeded with, prior to obtaining said permit, the fees above specified shall be doubled, but the payment of such double fee shall not relieve any persons from fully complying with the requirements of this Code in the execution of the work nor from any other penalties prescribed herein.

**Sec. 9E-11. Inspection of Work Covered by Permit.**

(1) No person, conducting or performing work covered by a permit required by this chapter, shall fail to notify the Chief Electrical Inspector when said work has been completed, nor shall any person conceal any portion of said work until it has been inspected and approved by said Chief Electrical Inspector. If the work is found to be properly performed and safe, a Certificate of Inspection shall, if requested, be issued. The Chief Electrical Inspector shall have the authority to order any correction of work he may find necessary to comply with this Code.

**Sec. 9E-12. Right of Entry; Correction of Unsafe Electrical Work; Vacant Buildings.**

(1) Whenever necessary to make an inspection to enforce any of the provisions of this Code, or whenever the Chief Electrical Inspector or his authorized representative has reasonable cause to believe that there exists in any building or upon any premises, any condition which makes such building or premises unsafe as defined in Lansing ordinances, Chapter 9, Section 9-3, the Chief Electrical Inspector or his authorized representative may enter such building or premises at all reasonable times to inspect the same or to perform any duty imposed upon the Chief Electrical Inspector or his authorized representative by this Code; provided that if such building or premises is occupied, he shall first present proper credentials and demand entry; and if such building or premises is unoccupied, he shall first make a reasonable effort to locate the owner or other persons having charge or control of the building or premises and demand entry. If such entry is refused or if the owner or other persons having charge or control of the building or premises cannot be located, the Chief Electrical Inspector or his authorized representative shall have recourse to every remedy provided by law to secure entry.

(2) If any electrical wiring, cable, appliance or equipment shall be found to be unsafe to life and property, the Chief Electrical Inspector shall give written notice to the owner or occupant of the building,

structure or premises upon or in which unsafe condition was found, to correct the same within a time deemed reasonable by said Chief Electrical Inspector, but such time shall not exceed thirty (30) days from the date of written notice. If the correction is not made, the utility company supplying current shall discontinue service upon receipt of written request from the Chief Electrical Inspector.

(3) Upon final inspection and determination that the electrical installation has been completed to comply with this Code, and the rules adopted pursuant thereof, The Chief Electrical Inspector shall issue his permit to the utilities to make a connection to the installation.

(4) Current Supply. It shall be unlawful for any power company or person furnishing electric current to make connection to and furnish electrical current to any new or altered installation or electrical wiring, cable, appliance or equipment until said company or person is given permission to do so by the Chief Electrical Inspector. Said Chief Electrical Inspector is hereby empowered to order the discontinuance of any electrical service connected to any unsafe wiring, cable, appliance or equipment.

(5) The Chief Electrical Inspector may permit a temporary electrical connection to unfinished installation where electricity is needed for operation of power tools used in construction if safe to do so in his opinion.

(6) No building shall remain connected to an electrical supply when vacated and not secured so as to prevent entrance of trespassers or unauthorized personnel.

**Sec. 9E-13. Changes to National Electrical Code.**

The National Electrical Code, adopted by Sec. 9E-1 of this chapter, is hereby amended to read as follows:

(1) Article 210-19. CONDUCTORS — MINIMUM AMPACITY AND SIZE, is hereby amended by adding new subparagraph (d), as follows:

"(d) Individual Branch Circuits. Individual branch circuits shall be required for the following appliances and other similar individual loads: ranges, dishwashers, disposals, heating plants, water heaters, washing machines, air conditioners and water pumps."

(2) Article 21-22 (b). INDUCTIVE LIGHTING LOADS, is hereby amended by adding the following:

"All lighting fixtures, which are ballast or transformer operated, shall have each such ballast or transformer individually protected by an approved over-current device."

(3) Article 210-23(a). 15- AND 20- AMPERE BRANCH CIRCUITS, is hereby amended by adding the following:

"Convenience Outlets are, for the purposes of this Code, duplex receptacles."

"Branch circuits that supply appliances or other convenience outlets shall not supply fixed lighting and shall be 20 amp. rated, with not more than 10 convenience outlets on any one branch circuit."

(4) Article 210-25(b). DWELLING TYPE OCCUPANCIES, is hereby amended by adding the following:

"All convenience outlets in kitchens, dining rooms, and breakfast rooms shall be rated at five (5) amperes per outlet and circuits shall be installed accordingly."

"At least one outlet for each four (4) linear feet of work surface with at least one outlet to serve each work surface kitchen counter top area, these outlets to be 3 wire, 115/230 volt, 20 ampere branch circuit, equipped with split-wired receptacles. These receptacles (devices) shall be 20 ampere rated."

"A separate 115 volt appliance circuit supplying only one outlet rated at twenty (20) amperes shall be installed in each laundry area. Such outlet shall be not more than three (3) feet from the hot and cold water supply installed for the laundry machine."

"All new basements shall have two (2) general purpose duplex receptacles installed on opposite walls."

(5) Article 210-25(c). GUEST ROOMS, is hereby amended by adding the following:

"Multiple dwelling occupancies of wood frame construction used as dwellings and the feeders for those units may be wired by any approved method stipulated in the National Electrical Code."

(6) Article 210-26(a). DWELLING TYPE OCCUPANCIES, is hereby amended by adding new subsection (a) to Exception No. 1, as follows:

"(a) In habitable rooms where Exception No. 1 is applied, all closets shall have an approved light, wall switch control."

(7) Article 210-26. LIGHTING OUTLETS REQUIRED, is hereby amended by adding new subparagraph (c) as follows:

"(c) Stairway Lighting. All stairways shall have adequate lighting with multiple switch control."

(8) Article 220-2(d). LOADS FOR ADDITIONS TO EXISTING INSTALLATIONS, is hereby amended by adding new subparagraph (3) as follows:

"(3) Existing residential buildings. Any addition or remodeled or rebuilt parts of existing residential buildings shall be wired in accordance with the electrical ordinance."

(9) Article 230-31. SIZE AND RATING, is hereby amended by adding the following:

"Service conductors shall have ampacity not less than the rating of the main service switch or the combined ratings when

more than one service switch is permitted.

(10) Article 230-50(a). SERVICE ENTRANCE CABLES, is hereby amended by adding the following:

"Service conductors for any commercial or industrial buildings shall be enclosed in heavy wall, galvanized or aluminum conduit, or approved PVC and intermediate conduit, or may be a bus-duct assembly approved for service installation."

"Service conductors for any residential installation shall be enclosed in rigid galvanized, aluminum conduit, electrical metallic tubing, intermediate conduit or approved PVC."

(11) Article 230-71. MAXIMUM NUMBER OF DISCONNECTS, is hereby amended by adding new subparagraph (c) as follows:

"(c) Service Entrance Conductors. A single set of overcurrent protective devices and a disconnecting means shall be installed for each set of service entrance conductors for single family dwellings."

(12) Article 230-72(c). LOCATION, is hereby amended by adding the following:

"Service equipment shall be located not less than thirty-six (36) inches from any inside gas meter."

(13) Article 230-77. INDICATING, is hereby amended by adding a new paragraph as follows:

"All electrical installations shall have the installer's or contractor's name permanently attached to the service entrance panel. The above shall be completed before a final inspection is called for."

(14) Article 240-24(b). OCCUPANT TO HAVE READY ACCESS, is hereby amended by adding a new paragraph as follows:

"Any building used for more than one (1) occupancy shall have each occupancy wired with separate circuits and the circuit protection shall be accessible at all times to the occupant it serves."

(15) Article 300-1. SCOPE, is hereby amended by adding a new subparagraph (c) as follows:

"(c) Permanent Wiring in Commercial and Industrial Buildings. In commercial and industrial buildings, all permanent wiring shall be in rigid conduit or electrical metallic tubing, intermediate conduit, approved PVC, except buildings of wooden frame construction may be wired with flexible metallic conduit when a separate grounding conductor is installed with the conduit or feeder conductors."

(16) Article 422-8. FLEXIBLE CORDS, is hereby amended by adding a new subparagraph (d) as follows:

"(d) Under-sink Garbage Disposal Units. Under-sink garbage disposal units shall

be wired with a separate circuit terminating with an overcurrent running protective device of the proper rating and a plug-in receptacle. The disposal unit shall be connected through a three-wire cord and grounding type plug cap."

(17) Article 424-2. **OTHER ARTICLES**, is hereby amended by adding a new subparagraph (a) as follows:

"(a) Mechanical Equipment Wiring. Motors on mechanical equipment shall be individually protected, controlled by externally operated switches and independently of other circuits. Disconnecting means shall be accessible external to the unit. Exposed wiring shall be protected in conduit within seven (7) feet of floor. Flexibility where essential is limitedly permitted to controls. The fuseholder and switch shall be within five (5) feet of unit and floor."

"A permanently energized 120 volt receptacle shall be located within twenty-five (25) feet of the equipment for service and maintenance purposes."

"Low voltage wiring of 50 volts or less within a structure, shall be installed in a manner to prevent physical damage. Such wiring, exposed to weather, shall be installed in conduit approved for exterior use."

(18) Article 700-6. **SYSTEMS**, is hereby amended by adding a new subparagraph (f) as follows:

"(f) Auxiliary Lighting System. The owner or operator of every theater, motion picture house, night club, private club, dance hall, restaurant, department store, school, hotel, motel, multiple dwelling or any other place of assembly with a rated capacity of fifty (50) or more people when occupied after sunset or requiring electrical lighting during daylight hours, shall provide and maintain an auxiliary lighting system, separate from the regular system and adequate to provide illumination for orderly evacuation of the premises in the event of interruption of the normal lighting system, and shall maintain such system as set forth in this Article 700, except that paragraphs 700-6(c) and (d) shall not be considered as meeting the requirements of this Code for the purposes of this paragraph."

#### Sec. 9E-14. Savings Clause.

(1) Should any portion of this ordinance or any portion of the Lansing Uniform Electrical Code adopted hereby be declared unconstitutional or illegal, such holding shall not be deemed to effect the validity of any other part or portion thereof.

Section 2. All ordinances or parts of ordinances inconsistent with the provisions hereof are hereby repealed.

The Committee on FINANCE, to whom was referred the Letter from the Mayor Re: Trip to Pontiac Stadium, reports as follows:

The trip in question was not one originally planned or approved by the Council.

However, due to timing involved in actually obtaining authorization to use these funds, the Parks Department substituted the program in question. It is the feeling of the Committee that the point made by the Mayor is well taken in that the costs involved in this trip were probably not the best use of available funds. We therefore concur with need for policy direction and administrative review that assures most appropriate use of public monies.

Re: Jimmie Porter

Dear Mayor and Council:

Earlier this year Murray Vinnik, D.C., filed a claim with the City of Lansing regarding alleged injuries sustained by one Jimmie Porter on December 28, 1975. Doctor Vinnik claims to have rendered services in the amount of \$383.00 for treating Mr. Porter's back, as a result of an alleged accident when Mr. Porter stepped into a manhole at the corner of Kalamazoo and Logan. This matter was promptly referred to Auto-Owners Insurance Company, which subsequently denied the claim. I have reviewed the file and concur with the recommendation made by Auto-Owners Insurance Company and recommend your denial of this claim.

Respectfully submitted,

PETER HOUK,  
City Attorney.

By Councilman McKane—

That we concur in the recommendation of the City Attorney.

Re: Reduction of Financial Security  
Moore Park Subdivision

Gentlemen:

As required by Section 37-35 (1) of Chapter 37 of the Code of Ordinances of the City of Lansing, I request permission to release financial security in the amount of \$532.00 payable to the Michigan State Housing Development Authority for the planting of street trees.

Per the attached letter from the Supervisor of Forestry, the City has approved the tree planting and grading and seeding of the boulevards, and is correcting the financial security release to retain \$152 of the original security for these items.

We will retain a financial security balance of \$2,727.00 for the completion of this development as follows:

Sidewalks .....	\$2,425
Monuments .....	150
Street Trees .....	152
	<hr/> \$2,727

Respectfully submitted,

Subject: B-76-612 Janitorial Service

Gentlemen:

Seven bids were received at 3:00 P.M., E.D.T. on Tuesday, September 14, 1976, for janitorial services in five (5) City Owned Buildings. The low bidder for the total combination of the five buildings was Allied Maintenance in the amount of

\$1,631.95 per month. Allied Maintenance has been servicing some of these buildings since 1969, but this last year has seen a steady decline in the quality of their work which prompted this bid request.

We would like to recommend that instead of awarding the total bid to one company, which was our original intent, we split the service between the next two low bidders which would result in a savings to the City of \$578.70 per month. We justify this action under Purchasing Ordinance 2-32, Section 5, Sub-section B-4. If you concur with this recommendation, we would award the janitorial service for the North Grand Ramp, North Capitol Ramp and the Washington Square Annex to Bol Chem in the amount of \$650.00 per month. The Foxson Building and the Traffic Department Computer Room to J & M Janitorial Company in the amount of \$446.30 per month, thereby effecting a savings to the City of \$578.70 per month.

Dear Mayor Pro-Tem and  
Council Members:

This is to advise that Penn Central Properties, a Division of Penn Central Transportation Company, has opened a new office, as of this past week, in the City of Lansing. Penn Central Properties will be handling sales of excess railroad owned properties in Michigan.

Penn Central properties is now located in Suite 8, 1000 Long Blvd., and is being managed by Mr. Ken MacDonald.

It is my sincere hope, that with the opening of this office, the Housing and Redevelopment Department of the City of Lansing will be able to finalize, through purchase or lease, the long, unused railroad bed at the southwest corner of Saginaw and Cedar. Following your decision, and that of the Planning Department, that FSB, Inc., rearrange its \$850,000 proposal adjacent to the aforementioned intersection, it is now imperative that the long, unused railroad right of way be secured. Otherwise, the major proposal of FSB, Inc., will be abandoned by those developers.

For some months now, the Housing and Redevelopment Department has been directed to the Chicago Office, by railroad representatives, to finalize acquiring the long abandoned railroad right of way. In turn, the Chicago Office has directed us to Cincinnati, Ohio, which in turn, has directed us to Harrisburg, Pennsylvania, etc. Hopefully, the matter will now be resolved by the new Penn Central Properties Office, which has just opened here in the City of Lansing.

Sincerely,

GERALD W. GRAVES,  
Mayor.

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem and  
Council Members:

This office has been recently advised by John Hannah that due to the fact that he has moved his residence within the City of Lansing, he is no longer eligible to serve as the Third Ward representative to the Lansing Fire Board. Therefore, I am submitting to you for your consideration and confirmation the name of Richard E. Paulson, to fill the vacancy for the term ending June 30, 1979.

Mr. Paulson was graduated from Eastern High School, Lansing Business University

in general business courses, and also the Dale Carnegie Course. He is a veteran, having served with the United States Air Force for 4 years. Mr. Paulson has been employed by the Oldsmobile Division of General Motors for the past 22 years and is currently Supervisor of the Production Scheduling Department.

He is an active volunteer in the community, having served in the past on various citizen education committees, as P.T.A. President and board member at Wainwright School, Community Chest Speakers Bureau, Chairman of both the Shelter and Disaster Committees of the American Red Cross, and instructor of the Multi-Media Course of the Red Cross. He has also served on the Emergency Operations Advisory Board; has been a Scout Master, District Committeeman and Scout Fair Committeeman for the Chief Okemos Council of the Boy Scouts of America; and, is an expert at Moulage presentation in the EMT classes at Lansing Community College.

Mr. Paulson and his wife, Jean, have 3 children and reside at 3800 Stratford in the City of Lansing.

Trusting this recommendation meets your approval, I remain

Sincerely,

GERALD W. GRAVES,  
Mayor.

October 4, 1976

Honorable Mayor Pro-Tem and Members  
of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem and  
Council Members:

In a communication dated September 16, 1976, Councilman Terry J. McKane, Chairman of the Finance Committee, advised the balance of the Council:

—That the Overtime Account of the Fire Suppression Division of the Fire Department was already below a \$500 level from the \$3,000 budgeted for Fiscal Year 1976-77.

—That call-backs of 3 men, for an additional 24 hour shift, cost the Fire Department approximately \$1,000, and that such call-backs occurred whenever the number of personnel, present and on duty, dropped below 61.

—That the requirement of having 61 men on duty, at any given time, results from a Fire Board policy, not that established by the City Council.

—That the call-backs have been necessitated by the fact that the Fire Department is short 4 men out of their authorized strength of 261.

Councilman McKane further advised that any additional appropriation of funds would be inappropriate until the Council reviewed the policy and made a determination of its own policy on the matter. With ease, you referred the matter to the Mayor's Office (see attached):

In an effort to provide you with basic information for the purpose of making a policy decision, I met on September 22, with the Chairman of the Fire Board, Ralph E. Kauffman, and Fire Chief Carl Barratt. Then on October 1, I met with Fire Chief Barratt, Finance Director James Dowsett, Personnel Director Daniel Bodwin, Jan Lazar of the Finance Department and Robert Black, Executive Assistant to the Mayor. As a result of those meetings, I concluded that the communication forwarded to you by Councilman McKane is essentially correct, but it did lack in some detail. Therefore, be advised:

—That the Fire Department currently does have 4 vacant positions, but this is not unusual. This has repeatedly occurred during past years. I have found that in December, 1973, the Department had 6 vacancies and, in August, 1974, it had at least 7 vacant positions frozen under the hiring moratorium. The total overtime expenditure for these 2 Fiscal Years, in which the vacancies existed, were \$9,868 and \$9,948. Yet, for the first 3 months of Fiscal Year 1976-77, the Department has spent more than \$8,300 for overtime. At the current trend, according to the Finance Department, the Fire Department could expend an estimated \$40,000, above that already spent, in addition to another \$1,800, which I will detail later.

—That the reasons cited for the excessive amount expended in overtime in the present Fiscal Year were:

- (a) That neither the Chief, nor the Board, desired to put any equipment out of service; and
- (b) The 4 vacant positions, were due to an Injunction being issued by Circuit Judge Thomas Brown, which has prohibited the Fire Department from hiring.

—That because of the Injunction issued by Circuit Judge Brown, the Fire Department has been calling back personnel at time and one-half pay, whereby a Deputy Chief was receiving \$371.96, for a 24-hour shift, a Captain \$319.18, and a Driver \$281, thereby, exhausting all allocated overtime funds basically.

In regard to the aforementioned reason of not wanting to put rigs out of service, you should be advised that city after city puts rigs out of service, depending upon the manpower and financing available and,

such practice is not unusual for the City of Lansing either, such practice historically being followed. Regarding the Injunction imposed by Circuit Judge Brown, you should be advised that such action stems from a law suit, which seeks to abolish the Department's height requirement of 5 ft. 8 in. for all firefighters; an initial Injunction was issued on July 2, 1976, but on August 6, 1976, at the Show Cause Hearing, Circuit Judge Brown ruled from the bench to continue the Injunction against hiring, even though the plaintiff in the case had requested relief of the height requirement, **NOT an Injunction against all hiring.**

Because of Circuit Judge Brown's odd ruling in the aforementioned law suit, which prohibited the Fire Department from hiring 3 individuals, with the remaining 1 position being left open until a final determination was made in the case, and because of the decision made on the part of the Fire Chief and the Board, that the past practice of taking equipment out of service would not be followed, the Overtime Account of the Fire Suppression Division has been depleted. Because of this unfortunate situation, James W. Dowsett, Director of Finance, in a communication to Fire Chief Carl Barratt, dated September 29, 1976, has advised that incurring expenses beyond funds appropriated, without Council permission, is contrary to the formal policy recently adopted by you. Therefore, failure on your part to act should result in the Chief returning to the long used practice of taking equipment out of service. However, if it is your policy decision to concur with the policy decision adopted by the Fire Board to have 61 personnel present, and on duty at all times, then you will necessarily have to appropriate funds from the Emergency Account or the proper Salary Account of the Fire Department to cover the overtime, the amount being undeterminable because of the failure of Circuit Judge Brown to set a specific date for the case decision on the matter earlier mentioned. In short, your choice is to do nothing, or to appropriate several thousand dollars for the specific overtime in question and, if that amount is also expended before Circuit Judge Brown hands down his decision, several more thousand dollars will have to be appropriated.

In addition to the aforementioned, and because the Overtime Account for the Fire Suppression Division has been depleted, it is important that you do make one appropriation, as soon as possible. Fire Department shift hours do not coincide with the ending of a fire run—if a fire run takes place at the end of a shift, a firefighter cannot be expected to walk off the job. On the other hand, the Union Contract requires overtime payment. Therefore, I advise that you appropriate approximately \$3,000 for such situations, for the balance of the Fiscal Year. This amount may be slightly high or low depending on what fires take place during the next nine months. I, also, request that you advise the City Attorney to pursue whatever course is necessary to have the Injunction lifted,

so as to permit 3 of the 4 vacancies to be filled. Too, that he seek to expedite the legal case involving the fourth position.

I will, and I am certain that the Fire Board will, also, abide by whatever policy decision you hand down.

Sincerely,

GERALD W. GRAVES,  
Mayor.

With regards to the Lansing City Council's Committee of the Whole Resolution adopted on September 20, 1976, I am herein advising you of the appointees to my Staff Advisory Committee to study and develop recommendations for a viable Senior Citizen Center.

The Staff Advisory Committee members are as follows:

Alan Tubbs

James Dowsett

Rick Porter

Robert Black

William Lewis

Louis Klimecky

Orrin Sharp

Roxanna O'Conner

J. Revell Hopkins

Robert Murray

Corb Johnson

The above named Committee is in the process of studying comparative costs and all physical aspects regarding the various possible locations within the City for a Senior Citizen Center. My final recommendations will be presented in the City Clerk's Office in compliance with your Resolution request, no later than Thursday, October 14, 1976, for inclusion in the October 18, 1976, Lansing City Council Agenda.

Sincerely,

GERALD W. GRAVES,  
Mayor.

Referred to Committee of the Whole.

September 27, 1976

Honorable Mayor Pro-Tem and Members  
of the Lansing City Council

Tenth Floor, City Hall

Lansing, Michigan 48933

Dear Mayor Pro-Tem and  
Council Members:

On Tuesday, September 7, 1976, members of the Community Development Advisory Committee met at my request to discuss matters pertaining to the revision of the City Ordinance on Community Development.

During the discussion that took place, it was agreed by all those in attendance that it is essential to the successful and rapid implementation of the Community Development Program that coordination of activities become better focused and that direct communications between departments and the Office of Community Development be improved.

In the case of the Community Development Program, the Office of Community Development has been charged by City Ordinance to manage, administer and coordinate the program. This can only be effectively accomplished through a cooperative effort by all City staff and City Council members. If any problems arise, information is desired, or recommendations need be made, it is felt by this office and the Community Development Advisory Committee that this should all be accomplished by working through the Office of Community Development.

City departments must not be forced into a position of competition with each other, they should be part of a team working in the best interests of the City as a whole. Every effort must be made to keep separated those matters which pertain to "administration and management," and those which pertain to the "establishment of policy." In this vein, it is requested that City Council and its members not either publicly or privately give orders to, or deal with, City officers and employees who are administratively responsible for the implementation of the Community Development Program. This request is in line with Charter Commission's proposed change to the City Charter (Article 3, Chapter 2, Paragraph 3-207).

Members of City Council, by working through this office will make the Community Development Program a joint cooperative effort which will improve coordination and implementation of the program.

Members of the Community Development Advisory Committee have indicated their intent to join together in a united effort to achieve successful execution of the City's Community Development Program and have affixed their signatures to this letter.

Sincerely,

GERALD W. GRAVES,  
Mayor.

Referred to Committee of the Whole.

## RESOLUTIONS

By Committee on Public Service  
and Highways—

Resolved by the City Council of the City  
of Lansing:

That the second low bid of Charles J. Rogers Construction Co. for the Pedestrian Overpass Relocation, PS 35030, in the amount of \$25,777.00 be accepted.

An additional 15% in the amount of \$3,866.55 is hereby authorized to be encumbered by the Controller for contingencies, making the total encumbered amount under this contract, \$29,643.55, and

That, funds are available for this purpose in Account No. 249-936-742-974.

After the award, the successful bidder shall be required to execute the contract as specified, within ten days after the prescribed forms are presented to him for signature as stipulated in "Instruction to Bidders" of the contract.

Be It Further Resolved that the Mayor and City Clerk be directed to execute a contract with the said Charles J. Rogers Construction Co. on behalf of the City of Lansing according to the said bid presented and the specifications on file, upon approval of the contract, and of the bonds and insurance policies by the City Attorney, and upon certification of the City Controller as to the availability of funds.

By Councilman Blair—

That this is a good idea to relocate this but it is still in violation of the State Law.

Adopted by the following vote:

Yeas: Councilmen Adado, Belen, Brenke, Gunther, Hull, McKane—6.

Nays: Councilmen Baker, Blair—2.

By Councilman Baker—

That we recess for 3-minutes to permit Councilman McKane to prepare a resolution he presented orally.

Council recessed at 8:23 p.m.

Council reconvened at 8:26 p.m.

By Councilman McKane—

Whereas, the Council is perplexed by the difficulties which state law places on the further planning and construction of pedestrian overpasses;

Now, Therefore, Be It Resolved that the Council directs the Committee on Public Safety to investigate, with the staff support of the City Attorney, the possibility of initiating appropriate legal action and to make a recommendation to the Council pertaining to this matter by November 1, 1976.

Carried.

By Parks and Recreation Committee—

Resolved by the City Council of the City of Lansing:

Whereas, the City Council has approved the Title X program including the Davis Park Development, and

Whereas, the Purchasing Agent and Director of Parks and Recreation have recommended acceptance of the low bid of Kiefer Blacktop Service, Inc., in the amount of \$26,750 for construction of two tennis courts and one basketball court at Davis Park, and

Whereas, funds are appropriated and available for these projects in A/C 270-936-649-974,

Now, Therefore, Be It Resolved, that the City Council approve the recommendation and accept the low bid of Kiefer Blacktop Service, Inc., in the amount of \$26,750, and

Be It Further Resolved that upon approval of the contract by the City Attorney, that the Mayor and City Clerk be authorized and directed to sign on behalf of the City.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing Negotiating Committee and the Negotiating Committee of the Supervisory Unit, Lodge 141, the Fraternal Order of Police, have completed good faith collective bargaining; and,

Whereas, the fruits of such collective bargaining are specifically encompassed within the terms of a new two year contract between the parties, said contract having been ratified by a majority vote of the membership of the Supervisory Unit on September 20, 1976.

Now, Therefore, Be It Resolved, that the Mayor and City Clerk of the City of Lansing, Michigan, be authorized, and they are hereby directed to affix their signatures to three copies of said contract in the manner prescribed by provisions of the City Charter, as soon as printed documents are available.

Adopted by the following vote:

Unanimously.

By Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

That it is hereby determined to be a matter of public health and necessity to construct storm sewer on S. Washington Avenue from Edgewood Road to Miller Road, and that the construction of this improvement is hereby ordered.

And Further, that the cost of this construction is to be assessed to the benefited property owners and that the City's portion to be financed from Storm Sewer Account 101-936-617-978-000.

The Department of Public Service is hereby directed to prepare as far as necessary, plans and specifications for this project and it is further directed to estimate in detail the cost of said project and fur-

nish said information to the City Council.

Adopted by the following vote:

Unanimously.

By Committee on Public Service  
and Highways—

Resolved by the City Council of the City  
of Lansing:

That the request for the Board of Water  
& Light to vacate an easement on the fol-  
lowing described property,

The East  $\frac{1}{2}$  of the Southeast  $\frac{1}{4}$  of  
Section 9, Township 3 North, Range 2  
West, described as follows:

North of and not more than three  
hundred (300) feet from the center line  
of the highway on the South side of  
said above described land; also con-  
veying the right to erect and maintain  
lines and poles and wires leading later-  
ally from said route to the South line  
of said land, be approved, and

That the Board of Water & Light have  
said vacation recorded with the Ingham  
County Registrar of Deeds office.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and  
Properties—

Resolved by the City Council of the City  
of Lansing:

That the City Assessor be, and he is  
hereby directed to spread on the Decem-  
ber, 1976 tax roll (L-10), the cost of cut-  
ting weeds in the year 1976, in the amount  
of \$1,805.00, as reported this date by the  
Building Commissioner.

Adopted by the following vote:

Unanimously.

By Councilman Hull—

Resolved by the City Council of the City  
of Lansing:

Whereas, the City of Lansing invited  
touring European youth musical organiza-  
tions to visit Lansing during the summer  
of 1976; and

Whereas, The Blue Lake Fine Arts Camp  
of Twin Lake, Michigan, arranged for  
and coordinated the visits of groups from  
Germany, Denmark, Norway, and Luxem-  
burg, and the 1976 Blue Lake Fine Arts  
Camp International Band visited the Lan-  
sing area; and

Whereas, the visits of the touring Euro-  
pean musical organizations was enthusias-  
tically received by Lansing area citizens  
and many individuals have expressed the  
desire to receive visiting musical organiza-  
tions as an annual summer event;

Now, Therefore, Be It Resolved that the  
City of Lansing extends, through the Blue  
Lake Fine Arts Camp, its invitation to  
visit Lansing during the summer of 1977 to  
any and all touring musical groups, and  
the 1977 Blue Lake Fine Arts Camp Inter-  
national Band, Orchestra and Choir; and

Be It Further Resolved that the City of  
Lansing extends to the Blue Lake Fine  
Arts Camp greetings of congratulations  
and appreciation for its superior program  
of international musical exchange and the  
opportunity to participate in the program.

Adopted by the following vote:

Unanimously.

By Committee on Finance—

Resolved by the City Council of the City  
of Lansing:

Whereas, the 1954 Grade Separation  
Bond proceeds has a remaining unspent  
balance of \$20,975.16, and

Whereas, there are no proposed projects  
for the use of these proceeds, and

Whereas, on November 1, 1976, the last  
bond and interest payments will be made  
on the above bond issue, and

Whereas, Section 8.10 (c) (1) of the  
Lansing City Charter states that the Coun-  
cil may authorize the use of unspent pro-  
ceeds of a bond issue for retirement of  
such bond issue;

Now, Therefore, Be It Resolved, that the  
Lansing City Council hereby authorizes the  
use of the unspent 1954 Grade Separation  
Bond proceeds for payment of the out-  
standing 1954 Grade Separation Bonds due  
November 1, 1976.

Discussion was held.

By Councilman McKane—

That this be taken up at the Committee  
of the Whole meeting on Thursday after-  
noon.

Carried.

By Councilmen Blair and Adado—

Resolved by the City Council of the City  
of Lansing:

Whereas, all law enforcement agencies,  
fire departments and most emergency ser-  
vice agencies in Ingham County are par-

ticipating in the development of a county-wide 911 emergency telephone and centralized police and emergency service dispatch system; and,

Whereas, they have determined that the Michigan State University Department of Public Safety had indicated that they do not desire to participate in said system; and,

Whereas, it is the policy of the federal government to encourage local authorities to adopt and establish 911 emergency telephone services in all metropolitan areas and throughout the United States;

Now, Therefore, Be It Resolved that the Mayor and Mayor Pro-Tem are requested to prepare and forward a letter to Dr. Clifton Wharton, Jr., President of Michigan State University, requesting that he take what steps are necessary to assure that Michigan State University gives timely and serious consideration to participation in the 911 Emergency Telephone and Centralized Emergency Dispatching System.

Adopted by the following vote:

Unanimously.

Councilman Hull left the session.

By Community Development Committee—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing and the United States of America entered into Agreements providing the City with a Grant to plan and implement a City Demonstration Agency Program; and

Whereas, the City of Lansing, through the City Demonstration Agency, has from time to time, entered into Contracts with Boy Scouts of America (PN-66) to provide recreational services from funds provided pursuant to Title I of the Demonstration Cities and Metropolitan Development Act of 1966; and

Whereas, the Model Cities Transition Procedures Handbook (HUD 3135.2) and §2-92.2 (3) of the Code of Ordinances of the City of Lansing, permit the City of Lansing to donate the non-expendable personal property purchased under this Grant provided it is used to carry out a public purpose as contemplated by the terms of the Federal Grant; and

Whereas, the City of Lansing desires to donate certain non-expendable personal property to Boy Scouts of America purchased under the Grant so long as the Boy Scouts of America use this equipment to provide substantially the same services as were extended under its previous contracts between the Boy Scouts of America and the City of Lansing; and

Whereas, the Lansing City Attorney shall prepare a Donation Agreement to effectuate the donation of the non-expendable personal property, which is described in the listing attached to this Resolution; now, therefore, be it

Resolved, that the City Attorney is hereby directed to undertake negotiations with the Boy Scouts of America and prepare said Donation Agreement; and be it

Further Resolved, that the Mayor and the City Clerk are hereby directed to sign said Donation Agreement on behalf of the City of Lansing, after approval as to form by the City Attorney.

Councilman Hull returned to the session.

Adopted by the following vote:

Unanimously.

By Community Development Committee—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing and the United States of America entered into Agreements providing the City with a Grant to plan and implement a City Demonstration Agency Program; and

Whereas, the City of Lansing, through the City Demonstration Agency, has from time to time, entered into Contracts with the County of Ingham through the Ingham County Sheriff Department to provide jail rehabilitation services (Jail Rehabilitation —PN 39) from funds provided pursuant to Title I of the Demonstration Cities and Metropolitan Development Act of 1966; and

Whereas, the Model Cities Transition Procedures Handbook (HUD 3135.2) and §2-92.2 (3) of the Code of Ordinances of the City of Lansing, permit the City of Lansing to donate the non-expendable personal property purchased under this Grant provided it is used to carry out a public purpose as contemplated by the terms of the Federal Grant; and

Whereas, the City of Lansing desires to donate certain non-expendable personal property to the County of Ingham purchased under the Grant so long as the County of Ingham uses this equipment to provide substantially the same services as were extended under its previous contracts between Jail Rehabilitation and the City of Lansing; and

Whereas, the Lansing City Attorney shall prepare a Donation Agreement to effectuate the donation of the non-expendable personal property, which is described in the listing attached to this Resolution; now, therefore, be it

Resolved, that the City Attorney is hereby directed to prepare said Donation

Agreement to contain the following stipulations:

1. That the terms of the Donation Agreement shall continue for a five (5) year period; and
2. That the Ingham County Sheriff's Department shall file a copy of its Annual Report with the City of Lansing Internal Auditor concurrent with its submission to the Ingham County Board of Commissioners; and
3. That the equipment covered in this Donation Agreement shall return to the possession and ownership of the City of Lansing, if the provision of jail rehabilitation services should be discontinued by the Ingham County Sheriff's Department within the five (5) year time frame of this Donation Agreement; and
4. That the equipment in the possession of the Ingham County Sheriff's Department after the expiration of the five (5) year Donation Agreement shall be owned solely by the Ingham County Sheriff's Department without any further or continuing claim by the City of Lansing.

and be it

Further Resolved, that the Mayor and the City Clerk are hereby directed to sign said Donation Agreement on behalf of the City of Lansing, after approval as to form by the City Attorney.

By Councilman Baker—

That in the first resolved paragraph—under No. "2" after the words "Annual Reports" add "and any evaluations required by the Ingham County Board of Commissioners"

Discussion was held.

By Councilman McKane—

That this be referred to the Committee of the Whole to be placed on the agenda for the meeting on Thursday.

Carried.

By Community Development Committee—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing and the United States of America entered into Agreements providing the City with a Grant to plan and implement a City Demonstration Agency Program; and

Whereas, the City of Lansing, through the City Demonstration Agency, has from time to time, entered into Contracts with the County of Ingham to provide dental services (Dental Services—PN 117) from funds provided pursuant to Title I of the

Demonstration Cities and Metropolitan Development Act of 1966; and

Whereas, the Model Cities Transition Procedures Handbook (HUD 3135.2) and §2-92.2 (3) of the Code of Ordinances of the City of Lansing, permit the City of Lansing to donate the non-expendable personal property purchased under this Grant provided it is used to carry out a public purpose as contemplated by the terms of the Federal Grant; and

Whereas, the Lansing City Attorney shall prepare a Donation Agreement to effectuate the donation of the non-expendable personal property, which is described in the listing attached to this Resolution; now, therefore, be it

Resolved, that the City Attorney is hereby directed to prepare said Donation Agreement to contain the following stipulations:

1. That the terms of the Donation Agreement shall continue for a five (5) year period; and
2. That the Ingham County Health Department shall file a copy of its Annual Report with the City of Lansing Internal Auditor concurrent with its submission to the Ingham County Board of Commissioners; and
3. That the equipment covered in this Donation Agreement shall return to the possession and ownership of the City of Lansing, if the provision of dental services should be discontinued by the Ingham County Health Department within the five (5) year time frame of this Donation Agreement; and
4. That the equipment in the possession of the Ingham County Health Department after the expiration of the five (5) year Donation Agreement shall be owned solely by the Ingham County Health Department without any further or continuing claims by the City of Lansing,

and be it

Further Resolved, that the Mayor and the City Clerk are hereby directed to sign said Donation Agreement on behalf of the City of Lansing, after approval as to form by the City Attorney.

By Councilman Baker—

That this be referred back to the Committee on Community Development.

Carried.

By Committee on Public Safety—

Resolved by the City Council of the City of Lansing:

Whereas, the Program Coordinator's Office has been informed that there is Intergovernmental Personnel Act—Department of Civil Service monies available for personnel training programs; and

Whereas, the Lansing Fire Department Chief, Carl Barratt, has stated that a need exists to improve the managerial and leadership qualities of the officers and potential officers of the Lansing Fire Department; and

Whereas, the promotional system of the Fire Department within the City of Lansing is based upon seniority, thereby promoting firemen into officer's positions without any formal management or leadership training; and

Whereas, the Fire Department of the City of Lansing consumes \$4.5 million each year in budgeted tax dollars, the Committee on Public Safety believes that the tax dollar should be judiciously managed by formally trained officers; and

Whereas, this education/training program will be scheduled during normal duty hours over a 12-month period, with only minimal cost to the City;

Now, Therefore, Be It Resolved that the Lansing City Council approves the submission of a grant to IPA for the training of 40 officers and potential officers; 33 from Lansing, and seven from other jurisdictions; and

Be It Further Resolved that the City Council approves the transfer of \$660.00 from the General Fund to the Fire Department for the training of forty officers and potential officers; and

Be It Further Resolved that the Mayor and the City Clerk of the City of Lansing be directed to sign the application for the grant and the subsequent contracts with Lansing Community College upon approval by the City Attorney; and

Be It Finally Resolved that the Program Coordinator is authorized to submit this application and subsequent contracts to the Department of Civil Service—Bureau of Intergovernmental Personnel Programs as deemed necessary in the fulfillment of this grant.

The Mayor questioned the Program Coordinator and the Fire Chief on the Grant application for the training of the officers and stated that he had not been advised of this matter before his reply that is on the agenda in regard to expenditures for firemen, and overtime.

Much discussion was held and Councilman Baker questioned the Mayor in re-

gard to his being able to speak when acting as a presiding officer.

City Attorney Houk was asked for a ruling on this.

The Attorney asked for a recess so that he might be able to check into the Manual of Legislative Procedure.

Lost by the following vote:

Yeas: Councilmen Baker, Blair, Hull—3.

Nays: Councilmen Adado, Belen, Brenke, Gunther, McKane—5.

By Councilman Adado—

That we proceed with the rest of the agenda until the Attorney has looked into this matter.

Carried.

By Councilman Jack Gunther—

Resolved by the City Council of the City of Lansing:

Whereas, upon the passage of 1974 PA 338, commonly known as the Economic Development Corporation Act, the City of Lansing possesses the ability to provide the means for the encouragement and retention of industrial and commercial enterprises locating or expanding in the City, which provide needed services and facilities for its residents; and

Whereas, the City Council finds that there exists in the City of Lansing a continuing need to implement projects under said Act 338 designed to alleviate and prevent conditions of unemployment and to assist local industries and commercial enterprises in their attempt to strengthen and revitalize the City's economy; and

Whereas, on February 5, 1976, FMC Corporation, a Delaware corporation, offered to donate to the City of Lansing the John Bean plant and premises located on South Cedar Street, Lansing, Michigan, more particularly described as:

**PARCEL A.** That part of the Southeast  $\frac{1}{4}$  of Section 21 and the Southeast  $\frac{1}{4}$  of Section 22, T4N, R2W, City of Lansing, Ingham County, commencing at the East  $\frac{1}{4}$  corner of said Section 21, thence along the  $\frac{1}{4}$  line West 678.81 feet to the Easterly right of way line of Cedar Street, thence along said Easterly line S  $12^{\circ} 12' W$  14.98 feet to the point of beginning, said point being 8.5 feet Southerly of the centerline of a Michigan Central Railroad Company side track, running thence on a line 8.5 feet southerly of and parallel with the centerline of said side track the following three courses, N  $89^{\circ} 44' E$  540.51 feet to a point of curvature, thence Southeast-ly 30.88 feet on the arc of a 1584.47

foot radius curve to the right whose chord bears S 89° 42' 30" E 30.88 feet to a point of compound curvature, thence Southeasterly 6.33 feet on the arc of a 480.62 foot radius curve to the right whose chord bears S 88° 46' 21" E 6.33 feet to a point on the Northerly projection of a building wall line, thence S 0° 16' E 0.53 feet to a point on said wall line 9 feet South-erly of the centerline of said side track, thence on a line 9 feet South-esterly of and parallel with the centerline of said side track the following three courses, Southeasterly 176.89 feet on the arc of a 480.12 foot radius curve to the right whose chord bears S 77° 50' 17" E 175.89 feet to a point of compound curvature, thence Southeasterly 122.35 feet on the arc of a 472.61 foot radius curve to the right whose chord bears S 59° 52' E 122.01 feet to a point of compound curvature, thence Southeasterly 132.67 feet on the arc of a 337.86 foot radius curve to the right whose chord bears S 41° 12' 03" E 131.82 feet to the Westerly right of way line of the Michigan Central Railroad Company right of way, thence South-esterly along said right of way line to the North line of Assessor's Plat No. 20, thence Westerly along the North line of Assessor's Plat No. 20 and Rollin H. Person Addition, to the Northeast corner of Lot 47 of Rollin H. Person Addition, thence Southerly along the East line of said Lot 47 to the North line of Christianity Street, thence Westerly along the North line of Christianity Street to the Easterly line of Cedar Street, thence Northerly along the Easterly line of Cedar Street to the point of beginning.

**PARCEL B.** Lot Numbers 28 through 33, Block 1, Assessor's Plat No. 20, on the Southwest  $\frac{1}{4}$  of Section 22, T4N, R2W, City of Lansing, Ingham County, Michigan; AND ALSO, the entire vacated North 132 feet of Bailey Street, as platted, adjacent to the West side of Block 1, Assessor's Plat No. 20, on the Southwest  $\frac{1}{4}$  of Section 22, T4N, R2W, City of Lansing, Ingham County, Michigan.

All of the foregoing parcels are conveyed subject to any and all easements, restrictions and rights of way of record; and

Whereas, the acquisition of these premises has provided the City of Lansing with a valuable industrial asset to hold, assign, sell, lease, transfer or otherwise utilize, subject to applicable City Charter provisions, either directly or through the City of Lansing Economic Development Corporation to encourage local industries and commerce; and

Whereas, the City of Lansing has received marketable title to the above described premises from the F.M.C. Corporation, a Delaware corporation, on June 9, 1976 pursuant to the authorization ex-

pressed in the City Council resolution of June 7, 1976; and

Whereas, the City Council finds it in the best interest of the City of Lansing to engage in the transfer of the John Bean property to the City of Lansing Economic Development Corporation (E.D.C.) because a public purpose will be effected pursuant to 1974 PA 338, through the implementation of the E.D.C.'s project plan for the site, by alleviating and preventing conditions of unemployment, strengthening and retaining local industries and commercial enterprises, and revitalizing the economy of the City of Lansing; and

Whereas, the proposition to sell, deed, lease assign, or transfer the John Bean property to the City of Lansing Economic Development Corporation or any other public or private firm, corporation or agency to carry out the aforementioned purpose, and to execute a conveyance therefor, was submitted to the electors of the City of Lansing and approved pursuant to Section 14.3 (d) of the Charter of the City of Lansing, and as required by the laws of the State of Michigan, at a special City election in conjunction with the regular City primary held on August 3, 1976; now, therefore, be it

Resolved, that the City Attorney or his representative is hereby directed and authorized to prepare, execute and deliver a quit claim deed donating the above described premises, received by the City of Lansing from F.M.C. Corporation, to the City of Lansing Economic Development Corporation; and be it

Further Resolved, that upon the sale, lease, transfer, exchange or purchase of the above described premises by the E.D.C., the E.D.C. shall prepare and submit to the City of Lansing a repayment plan to reimburse the City from the proceeds, if any, of such sale, lease, transfer, exchange or purchase, for the costs it has incurred in receiving, holding and operating the John Bean property since June 9, 1976, which are currently estimated to be approximately \$66,000; and be it

Finally Resolved, that the City of Lansing will be reimbursed by the E.D.C. for all "start-up" costs, beyond the above stated amount, which may be incurred by the City to maintain the viability of the structure as an industrial facility and to make it ready for disposition by the E.D.C.

Much discussion was held.

By Councilman Hull—

That this be referred to the Committee on Buildings and Properties.

Carried.

Ed. Vogt, Chr. of the EDC, residing at 1729 Cadillac Dr., spoke.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

ROW-4-76

Buffalo Street

Whereas, a request by Industrial Welding, Incorporated, was made to vacate the west fifteen feet (15') of Buffalo Street from the north right-of-way line of Olds Avenue to the south right-of-way line of William Street; and

Whereas, the request was referred to the Planning Board and Public Service Board who reviewed and approved the request subject to the approval and satisfactory relocation of any and all other utilities; and

Whereas, the Planning Committee and Public Service and Highways Committee, of Council, reviewed the report of the Planning Board and Public Service Board and concur therewith;

Now, Therefore, Be It Resolved that all of the above described part of Buffalo Street be, and the same is hereby completely and fully discontinued and vacated, subject to the approval and satisfactory relocation of any and all utilities, and the retention of any necessary easements.

Be It Further Resolved that the City Clerk of the City of Lansing, within thirty (30) days hereafter, shall forward a certified copy of this resolution to the State Treasurer of the State of Michigan and a certified copy of this resolution to the Register of Deeds of Ingham County, Michigan, for recording.

Adopted by the following vote:

Unanimously.

Attorney Houk reported on the request that the Mayor be allowed to speak when acting as a presiding officer.

He read from the City Charter sections 7.1 and from Mason Manual of Legislative Procedure, Section 583 and Section 54.

## REPORTS OF CITY OFFICERS AND BOARDS

City Treasurer submits report on the condition of funds in the Treasury as of September 30, 1976.

Received and Placed on file.

September 29, 1976

Honorable Mayor and Members  
of the Lansing City Council

Re: Claim of Roger Sheets for broken windshield (\$68.66)

Dear Mayor and Council:

This claim arises out of an incident wherein it is alleged that a stone thrown by a Parks Department truck broke the windshield of a vehicle driven by Mr. Sheets.

There is no evidence of negligence on the part of the City in this matter and further it would appear that the principles of no fault would control, MCLA 500.3121.

Therefore, I recommend that the claim be denied.

Respectfully submitted,

PETER HOUK,  
City Attorney.

By Councilman McKane—

That we concur in the recommendation of the City Attorney.

Carried.

October 7, 1976

Honorable Mayor and City Council

City Hall

Lansing, Michigan

Gentlemen:

In accordance with your directive and the request of Mr. Daniel J. Marvin, 519 N. Hayford, I have checked our records regarding the cleaning of sewers in the 500 block of N. Hayford, and I would report the following.

The sewers were cleaned on Sept. 22, 1975 and again in August of 1976. In addition, the catch basins in this area were cleaned on August 7, 1974, November 19,

1975 and June 4, 1976. As a normal part of catch basin cleaning operations, the pertinent manholes and flow in the sewers are checked for any maintenance or cleaning that may be required.

Our record also indicates that we had received 3 complaints regarding basement flooding in the 500 block of N. Hayford in the last two years. Two of these complaints were found to be in the property owners own line. The third complaint was on July 29, 1976 when we had 3½ inches of rain in a very short period of time. All of the sewers in this area were over-loaded due to this rainfall, and basement flooding was experienced in many areas of the city due to overloaded combination sewers.

Respectfully submitted,

ROBERT R. BACKUS,  
Director of Public Service.

Received and placed on file.

October 7, 1976

Honorable Mayor Gerald W. Graves

and Members of the Lansing City Council

Gentlemen:

Subject: Proposed 100 unit Housing Facility for the Elderly and Handicapped on Urban Renewal Land

As you were advised in a letter dated September 25, 1976, by Mayor Graves, the U. S. Department of Housing and Urban Development (HUD) has now approved the preliminary proposal submitted by Tempo, Inc. of Ada, Michigan on December 5, 1975, for the above project. This office has met with representatives of Tempo, Inc. on two occasions, and we have also met with representatives of the Grand Rapids FHA office, who will be insuring the mortgage that must be obtained to finance this proposed project.

At this point, it is necessary for this office to obtain from Tempo, Inc., a full and complete proposal to purchase and redevelop a portion of Parcel 7 of Project No. 2, Mich. A-6. Tempo proposes to utilize a site 360 feet square, immediately north of Shiawassee Street and west of Cedar Street. The Urban Renewal Plan for this property, as last approved by the Lansing City Council, calls for this property to be redeveloped with a residential reuse.

On several occasions in the recent past, redevelopment proposals which were determined by this office to be consistent with the Urban Renewal Plan, have been subjected to criticism and challenge by members of the Lansing City Council. Because this particular proposal by Tempo, Inc., will require a commitment of staff time and resources, I am hereby requesting the Lansing City Council to establish up-front policy guidance. Specifically, I am requesting that you advise this office whether or not you desire us to pursue a proposal from Tempo,

Inc. for this proposed facility, and if so, what specific criteria you expect this developer to satisfy in obtaining your approval.

This request is made in order to eliminate the waste of staff time and allow us to communicate your wants and desires to the proposed developer before he has spent time and money on a proposal which must then be re-done as your policy is established. Your cooperation in this matter will be appreciated.

Sincerely,

RONALD G. STONEHOUSE,  
Housing and Redevelopment  
Director.

Re: Camping Equipment for Chief  
Okemos Council B.S.A.

Honorable Sirs:

Upon review with staff I find that the department presently has sufficient camping equipment available for the programs and camping trips we conduct.

The continued use of the camping equipment on the current basis by the Boy Scouts of America would seem to be very much in the community interest.

Re: Change Order for McKinch Sanitary  
Sewer

Gentlemen:

On September 7, 1976, Gary McNamara was approved by Council to install the McKinch sanitary sewer. The contractor encountered an abandoned septic tank blocking the trench. The Parks Department staff and the contractor had no way of determining the existence of a septic tank or its location. Therefore, I am respectfully requesting approval of a change order in

the amount of \$195.00 to cover additional cost incurred by the contractor to remove the septic tank.

Sincerely,

THEODORE J. HASKELL,  
Director,  
Parks and Recreation.

Referred to Committee on Parks and Recreation.

#### REPORT OF COMMITTEE

The Committee on PARKS AND RECREATION, to whom was referred the recommendation of the Director of Parks and Recreation for approval of a change order in the amount of \$195.00 to the Gary MacNamara contract for McKinch sanitary sewer, reports as follows:

That the Committee concurs in the recommendation and approves the change order in the amount of \$195.00. Funds are available in account No. A/C 101-936-705-975.

Signed:

JAMES D. BLAIR,  
ROBERT J. HULL,

Re: Washington Park Ice-Tennis  
Complex

Gentlemen:

Construction has been proceeding through the summer on the Washington Park Ice-Tennis Complex. Although soil borings had been made during the design phases, certain soil problems developed on the site of the parking lot. After additional soil testing, approved by City Council in June, the architect has recommended a change in the construction of the lot which will solve the problems. (See Bulletin No. 4 Proposal B-75-436)

The difference in the construction methods of the project: deleting a portion of the 22A gravel base, adding a thicker coat of black base, saving \$565, then finishing in the spring with a 1½" wearing surface at

\$7,500, results in a more durable and superior parking lot surface for a net cost of \$7,135 + \$365.75 Contractor's fee for a total additional cost of \$7,491.75. Funds have been transferred to account No. 101-936-767-974 to cover this work.

I am requesting approval of a change order to cover the modifications to the contract as listed above.

Respectfully submitted,

THEODORE J. HASKELL,  
Director,  
Parks and Recreation.

Referred to Committee on Parks and Recreation.

#### REPORT OF COMMITTEE

The Committee on PARKS AND RECREATION, to whom was referred the request of the Director of Parks and Recreation for a change order in the contract for Washington Park Ice Rink-Tennis Complex, reports as follows:

That the Committee concurs in the request and approves the change order to delete a portion of the gravel base and substitute a more durable black base and finish coat for an addition to the contract in the amount of \$7,491.75. Funds are available in Account No. 101-936-767-974 to cover this work, and that the Director of Parks and Recreation and Purchasing Agent proceed promptly with the change of the contract.

October 6, 1976

Honorable Mayor and

Members of City Council

Gentlemen:

In 1974 City Council authorized the creation of a Special Events account from which new trial programs were funded. This system included the creation of a revenue account and City Council direction to charge fees sufficient to make the activities fully self-supporting. After two years of operation, revenues continue to exceed expenditures.

This system allows for providing activities for adults, with the department serving as a coordinating agent rather than financially subsidizing the programs. I am requesting similar accounts now be established (from anticipated revenue) for the Gier and Kingsley Centers. This balance of revenue and expenditure accounts will allow the department to provide self-supporting programs to users requesting such service without reducing general program operating accounts.

I am also asking approval to establish budget account to allow for the independent operation of concession services at Gier and Kingsley. Currently, the city receives a small percentage from vending machine profits which are now operated under the supervision of our program personnel. When the facilities were designed provision was made for operation similar to the Golf Concession we now conduct. Equipment and utilities are available and Health Department requirements met. By operating independently we project both an increase in general service; and a revenue in excess of operating costs.

In both the program and concession accounts our staff will work closely with the Finance Department on procedures for receipt and control of revenue.

Thank you.

Sincerely,  
THEODORE J. HASKELL,  
Director,  
Parks and Recreation.

Re: Gifts of Park Land

Gentlemen:

The City of Lansing is well known for its extensive and varied system of parks and recreation facilities. The present park system is the result of years of acquisition and development.

Many of these parks were made possible through the generosity of Lansing residents. Over the years, many people have shared their land and money with the community through donations to the Department of Parks and Recreation.

As a result of public interest we have prepared the attached list of gifts and wish to recognize their contributions to the amenities of our city.

Sincerely,  
THEODORE J. HASKELL,  
Director of Parks and  
Recreation Department.

Referred to Committee on Parks and Recreation.

October 11, 1976

Honorable Mayor and  
Members of City Council  
Gentlemen:

Enclosed is a copy of the recently updated Lansing Recreation Plan of the Parks and Recreation Department.

Five years have gone by since the first plan was prepared in connection with the State Recreation Bond Program. The plan has since served as a reference and guide to the long range operations of the Department. Special emphasis has been placed on the plan as a departmental guide with the Six-Year Capital Improvements Program (C.I.P.) of the City of Lansing. It also serves as a basis for approval of funds by the State of Michigan and certain Federal funds administered through the State of Michigan.

In updating the plan the Park and Recreation staff has added all newly completed projects to the inventory, revised the maps, projected a program of park and recreation needs based on recent C.I.P. proposals, and outlined our professional view of problems, guidelines, and concerns of Parks and Recreation in Lansing.

If it meets with your approval the Parks and Recreation Department would appreciate a resolution indicating review of the plan.

Sincerely,  
THEODORE J. HASKELL,  
Director,  
Parks and Recreation.

Honorable Mayor and

Members of City Council:

The Planning Board will hold a public hearing on November 9, 1976 at 7:30 p.m. in the City Council Chambers, Tenth Floor,

City Hall on a proposed subdivision known as Smokler Lansing. This is not a matter or rezoning.

The property under consideration consists of approximately 22.12 acres and is located east of Grovenburg Road between Miller Road and Edgewood Boulevard, City of Lansing. The subdivision proposed by Bert L. Smokler and Company consists of ninety-seven (97) lots, average size being approximately 7,186 square feet. The proposed use of these lots is for single family homes. Present zoning of the site is "A-1" Family Residential District. Access to the proposed subdivision will be from Edgewood Boulevard and Longmeadow Road.

This notification is in accord with Section 37-8 of the Lansing Subdivision Regulations. Plans are on file in the Planning Department office for your review.

You are cordially invited to attend this hearing.

Sincerely,

ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

Received and placed on file.

1001 South Pennsylvania Ave.

Honorable Mayor and

Members of City Council:

The Planning Board at their meeting of October 5, 1976 recommended that the petition by Roy Taylor to change the zoning at 1001 South Pennsylvania Avenue from "C-2" Family Residential District to "E" Apartment Shop District be denied.

The Board found, based on testimony and evidence, that the block in which the property is located is made up of residential homes, which appear to be well maintained and do not show signs of deterioration. The Board believes that the change of zoning will have a tendency to change the residential character of this area and threaten the stability of the residential living environment.

It was found that the proposed use would require blacktopping of the front yard on Climax Street in order to meet the minimum requirements for the proposed barber shop and residence on the upper floor.

There was one communication received by the Department stating no opposition to the request.

This decision was by a unanimous vote of the Board.

Sincerely,

ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

Referred to Committee on Planning.

October 7, 1976

Z-48-76

3400 West Holmes Road

Honorable Mayor and

Members of City Council:

The Planning Board, at their meeting of October 5, 1976, recommended that the petition by Mark Soderberg to rezone property at 3400 West Holmes Road from "A-1" Single Family Residential District to "C-2" Family Residential District be approved in accord with the site plan, known as Exhibit "A" (please find attached).

The Board found, based on testimony and evidence, that land development in this vicinity of Holmes Road and along the north side was made up of several duplex dwellings, extending from the subject property east to Deerfield. It was further found that the land lying west of this site was vacant, with the exception of a church developed on the westerly edge of the vacant land.

The Board believes that the proposed two family development will be consistent with existing residential development in the vicinity and should not deter the development of the vacant land immediately to the west or adversely affect the surrounding single family to the north and two family homes to the east.

The Board further believes that the site plan submitted (Exhibit "A") allows for the most efficient use of the site in question with the least amount of ingress and egress points to Holmes Road. Ingress and egress of the site was of utmost importance and concern by both the Planning Board and the applicant because of the bad experiences of the duplex development to the east where automobiles are forced to back directly into the high speed traffic along Holmes Road. It is noted that on-site turn-arounds are provided for automobiles, allowing them the safety and convenience to approach Holmes Road in a forward direction.

One communication was received by the Department expressing no opposition to the request provided that fencing was erected. This recommendation was made by a unanimous vote of the Board.

Sincerely,

ALAN E. TUBBS,

Secretary,

Lansing Planning Board.

Referred to Committee on Planning.

Honorable Mayor and Members

of Lansing City Council

City Hall

Lansing, Michigan 48933

Dear Mayor and Council Members:

The Lansing Planning Board at the October 5, 1976 meeting recommended the approval of the boundary selection for

Neighborhood Development Area No. 3, a Community Development Target Neighborhood for major rehabilitation activities in the Housing and Community Development Act of 1974. Neighborhood Development Area No. 3 represents the third area scheduled for housing activities under the program. The objectives of the program are enumerated as follows:

1. To prevent the spread of blight and blighting influences in the Neighborhood Development Area (NDA) through the rehabilitation of existing housing with a minimum of acquisition of substandard housing.
2. To enforce the Lansing Housing Code which will eliminate health and safety problems in the neighborhood.
3. To develop neighborhood housing standards in coordination with the Citizen District Council which will upgrade living conditions in the area.
4. To improve and expand community facilities and services in the area.

Neighborhood Development Area No. 3 is a generally deteriorating residential area located in the northeastern section of the City, in the vicinity of the Motor Wheel Plant. This neighborhood development area is bound by East Grand River Avenue to south; by all parcels with frontages on Whyte Street, between High Etreet and Massachusetts Avenue to the north; by all parcels with frontages on High Street and Massachusetts Avenue between Whyte Street and East Grand River Avenue to the east west. The accompanying map shows the boundaries of the area.

The size of this proposed neighborhood development area is approximately 62 acres. It contains an estimated total of 330 housing units. This neighborhood is similar in size to NDA No. 2 on the east side, which has a land area of 64 acres. Housing is generally a mix of single family and converted two to four unit apartment structures. There are two churches within this development area; the North Street Church of the Nazarene and the Love Temple Church of God and Christ. There is one commercial establishment within the NDA. High Street and Grand River Elementary Schools represent the only schools in the area and surroundings.

The residential environment in this neighborhood is adversely affected by the deteriorating industrial and residential structures in the Motor Wheel area. Blighted housing exists in the immediate vicinity of the industrial complex and is spreading towards the eastern sections, especially along Case, Ballard, and High Streets. Overcrowded lots also occur in most of the blocks in the NDA and the surrounding area contributing to the deterioration of the residential environment. Several block length alleys exist within the NDA which present maintenance problems during the winter season. East of the NDA to Bancroft Park are generally sound housing units.

The Planning Board presents the following justification for the area boundary selection:

1. NDA No. 3 is located within the target area census tracts which were established by the Technical Planning Committee and City Council.
2. This neighborhood development area is within census tract 8 which has a large number of minority population and a high count of low income households according to the U.S. Census of 1970.
3. Based on an exterior survey of the area, about 245 (74%) housing units require rehabilitation treatment.
4. Residential rehabilitation activities in this deteriorating neighborhood will arrest the spread of blight occurring to the west in the vicinity of the Motor Wheel Plant which has been recommended for redevelopment in the Lansing Community Renewal Program prepared in 1968.
5. The NDA's proximity to the sound residential area to the east is in line with the City's containment strategy for arresting deterioration and urban blight.
6. Within the NDA boundaries, there are 22 residential structures on very inadequate lots.
7. The area needs improvement of public facilities and services such as expansion of school grounds, street and sewer improvements and others.
8. This NDA is located within a half mile of the proposed North Lansing Commercial Development area. Development activities in these two areas will promote the stability of the northeast section of the City.

This recommendation was approved unanimously.

Sincerely,

ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

Referred to Committee on Community Development and the Housing and Redevelopment Director.

Honorable Mayor Pro-Tem and Members

Re: Preparation of John Bean Building  
For Winter Months

Dear Mr. Mayor Pro-Tem and

Council Members:

In regard to a communication, dated September 22, 1976, from Property Manager, Sam R. Clay (see attached), the Council Committee on Buildings and Properties forwarded to you a Committee Report on Monday, October 4, 1976, referring the matter "to the Mayor's Office for necessary action." The aforementioned Committee Report was approved by you with a vote of 8-0.

As a result, I have held meetings on the matter with appropriate representatives of City Departments, consulted with members of the Economic Development Corporation and the Lansing Metropolitan Development Authority. Please be advised of the following:

—Approximately 100,000 sq. ft. of the John Bean Building is presently under lease for parts storage with Diamond Reo Parts, Incorporated.

—Allied Data, formerly of Atlanta, Georgia, has advised my office of its desire to lease some space in the John Bean Building (heated), that corporation's intention being to move here to Lansing, with employment anticipated at 12 to 26 employees.

—Raymond Steeb, Lansing Metropolitan Development Authority, has recently shown the John Bean Building to a firm interested in leasing space, such space being needed immediately, but if such is not available, that firm has advised that it will locate in Grand Rapids or Owosso.

—Diamond Reo Parts, Incorporated, has expressed its desire to take over the whole John Bean Building, with lease space being made available for other manufacturers, and for warehousing, their intent being to place 40 employees, alone, in the Building.

Because of the aforementioned reasons, and others, I deem it necessary that the John Bean Building be started up for operation. Since the John Bean Building has been vacant for approximately two years,

an exact determination of start-up costs is an impossibility. However, from the information I have been provided, I estimate the need to be \$42,000, of which \$4,000 is necessary for boiler repairs, \$18,000 for new watermain (8" or 14" and to be installed by the Board of Water and Light) and major pump if needed, \$9,660 for overall plumbing, \$10,000 for the heating of the Building for approximately one month, or slightly more, with the balance being for unanticipated emergencies, or minor replacements.

Further, I requested the Finance Director to place before you Transfers in the amount of \$42,000, of which \$13,000 should come from estimated balance of unexpected funds in the Current Budget for maintaining the John Bean property, and \$29,000 come from Estimated Revenues to be received from future disposition of the property, lease, etc.

My goal, that of the Economic Development Corporation and the Lansing Metropolitan Development Authority, is to retain and encourage expansion of local industry and business, to bring in new business and industry, with new positions of employment being the end result.

Trusting this matter meets with your approval, I remain

Sincerely,

GERALD W. GRAVES,  
Mayor.

Referred to Committee on Buildings and Properties and Committee on Finance.

### RESOLUTIONS

By Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

That the proposed Cost Agreement between the Michigan State Highway Commission and the City of Lansing for the installation of a new traffic signal installation at M-99 (Logan) at Miller Road, permit No. 38011-01-008, be approved.

This project will be funded 50% by the State of Michigan and 50% (\$3285.00) by the City of Lansing. Funds for the City portion will be drawn from account number 202-477-000-818, and

That the Mayor and City Clerk be authorized to sign this Cost Agreement upon certification of the City Controller as to the availability of funds, and after approval as to form by the City Attorney.

Adopted by the following vote:

Unanimously.

By Committee on Parks and Recreation—

Resolved by the City Council of the City of Lansing:

Whereas, the City Council has approved the concept and various contracts relating to the development of the Kingsley Place Project, and

Whereas, the Purchasing Director and the Director of Parks and Recreation have recommended the acceptance of the low bid including alternates numbered 1 through 6 as submitted by Brown Brothers for Phase I park development, and

Whereas, the low bid is in the amount of \$124,947.75 and funds are available in project budget account No. 155-720-000-974,

Now, Therefore Be It Resolved that the City Council approves acceptance of the bid of Brown Brothers subject to approval of said bidder by the Equal Opportunity Division of the Detroit Area Office of the Department of Housing and Urban Development (HUD); provided that the failure of HUD to respond to the request for approval within fifteen (15) working days shall be considered approval, and

Be It Further Resolved, that upon approval of the contract by the City Attorney, the Mayor and City Clerk be authorized and directed to sign on behalf of the City.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, the Purchasing Agent of the City of Lansing did advertise for proposals for janitorial services to be provided in five (5) City-owned and occupied facilities; and

Whereas, the Purchasing Agent did receive seven (7) proposals; and

Whereas, the Buildings and Properties Committee has determined to split the service between two companies which would result in a savings to the City of \$578.70 per month; and

Whereas, by this action, a contract is to be executed with Bol Chem for janitorial service for the North Grand Parking Ramp, account no. 585-571-453-813, the North Capitol Parking Ramp, account no. 585-571-454-813, and the Washington Square Annex, account no. 101-271-000-931 in the amount of Six Hundred Fifty and no/100 (650.00) Dollars per month. A contract would be awarded J & M Janitorial Co. for the Foxson Building, account no. 101-270-000-931 and the Traffic Dept. Computer Room, account no. 585-571-453-813 in the amount

of Four Hundred Forty Six and 30/100 (\$446.30) Dollars per month.

Now, Therefore, Be It Resolved that the Mayor and City Clerk be authorized and directed to sign the contract by and between the City of Lansing and Bol Chem in the amount of \$650.00 per month, and J & M Janitorial Co. in the amount of \$446.30 per month.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

That, the City Assessor be, and he is hereby authorized, to spread on the December, 1976 tax roll (L-10) the cost of cutting weeds in the year 1976, in the amount of \$1,160.00, as reported this date by the Building Commissioner.

Adopted by the following vote:

Unanimously.

By Committee on Public Safety—

Resolved by the City Council of the City of Lansing:

That the appointment of Richard E. Paulson to the Lansing Fire Board for a term ending June 30, 1979, be confirmed.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing is owner and has marketable title to real property described as:

S 30 ft of E 79.86 ft Lot 2 Assessors Plat No 31 of Block 6 Original Plat

and

Whereas, the above described property is not necessary for use for a public purpose; and

Whereas, it has been determined that the continued ownership of said property by the City of Lansing would serve no valid purpose; and

Whereas, the City Assessor has recently determined the fair market value of said property to be approximately \$14,000 less the cost of demolishing the substandard and dangerous buildings on the property; and

Whereas, the cost of demolishing said structure has been estimated by the Building Commissioner after consultation with demolition firms to exceed \$5,000; and

Whereas, it therefore appears that the true cash value of the property is less than \$10,000 and its assessed value less than \$5,000; now, therefore, be it

Resolved, by the City Council of the City of Lansing that the sale of the property commonly known as 1217 Center Street, the American Dry Cleaners Building, be and is hereby approved and be it further

Resolved, that the Purchasing Agent be and is hereby directed to advertise in the State Journal for sealed bids for the purchase of said property on the following conditions:

1. The structure located thereon is to be razed to the Building Department specifications within 90 days of closing;

2. 50% of the purchase price to be paid at closing;

3. Warranty deed to be transferred to purchaser upon completion of demolition and requirements stated in paragraph 5 and payment of balance of purchase price;

4. Site to be cleared and appropriately lighted, screened and/or landscaped by June 1, 1977;

5. Contract is to be voidable at the city's option if terms 3 and 4 are not complied with and payment to be returned to the purchaser and property rebid.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, upon the passage of 1974 PA 333, commonly known as the Economic Development Corporation Act, the City of Lansing possesses the ability to provide the means for the encouragement and retention of industrial and commercial enterprises locating or expanding in the City, which provide needed services and facilities for its residents; and

Whereas, the City Council finds that there exists in the City of Lansing a continuing need to implement projects under said Act 333 designed to alleviate and prevent conditions of unemployment and to assist local industries and commercial enterprises in their attempt to strengthen and revitalize the City's economy; and

Whereas, on February 5, 1976, FMC Corporation, a Delaware corporation, offered to donate to the City of Lansing the John Bean plant and premises located on South Cedar Street, Lansing, Michigan, more particularly described as:

PARCEL A. That part of the Southeast  $\frac{1}{4}$  of Section 21 and the Southwest  $\frac{1}{4}$  of Section 22, T4N, R2W, City of Lansing, Ingham County, commencing at the East  $\frac{1}{4}$  corner of said Section 21, thence along the  $\frac{1}{4}$  line West 678.81 feet to the Easterly right of way line of Cedar Street, thence along said Easterly line S12°12'W 14.98 feet to the point of beginning, said point being 8.5 feet Southerly of the centerline of a Michigan Central Railroad Company side track, running thence on a line 8.5 feet Southerly of and parallel with the centerline of said side track the following three courses N89°44'E 540.51 feet to a point of curvature, thence southeasterly 30.88 feet on the arc of a 1584.47 foot radius curve to the right whose chord bears S89°42'30"E 30.88 feet to a point of compound curvature, thence Southeasterly 6.33 feet on the arc of a 480.62 foot radius curve to the right whose chord bears S88°46'21"E 6.33 feet to a point on the Northerly projection of a building wall line, thence S0°16'E 0.53 feet to a point on said wall line 9 feet Southerly of the centerline of said side track, thence on a line 9 feet Southwesterly of and parallel with the centerline of said side track the following three courses, Southeasterly 176.89 feet on the arc of a 480.12 feet radius curve to the right whose chord bears S77°50'17"E 176.89 feet to a point of compound curvature, thence Southeasterly 122.35 feet on the arc of a 472.61 foot radius curve to the right whose chord bears S59°52'E 122.01 feet to a point of compound curvature, thence Southeasterly 132.67 feet on the arc of a 337.86 foot radius curve to the right whose chord bears S41°12'03"E 131.82 feet to the Westerly right of way line of the Michigan Central Railroad Company right of way, thence Southeasterly along said right of way line to the North line of Assessor's Plat No. 20, thence Westerly along the North line of Assessor's Plat No. 20 and Rollin H. Person Addition, to the Northeast corner of Lot 47 of Rollin H. Person Addition, thence Southerly along the East line of said Lot 47 to the North line of Christianity Street, thence Westerly along the North line of Christianity Street to the Easterly line of Cedar Street, thence Northerly along the Easterly line of Cedar Street to the point of beginning.

PARCEL B. Lot Numbers 28 through 33, Block 1, Assessor's Plat No. 20, on the Southwest  $\frac{1}{4}$  of Section 22, T4N, R2W, City of Lansing, Ingham County, Michigan; AND ALSO, the entire vacated North 132 feet of Bailey Street, as platted, adjacent to the West side of Block 1, Assessor's Plat No. 20, on the Southwest  $\frac{1}{4}$  of Section 22, T4N, R2W, City of Lansing, Ingham County, Michigan.

All of the foregoing parcels are conveyed subject to any and all easements, restrictions and rights of way of record; and

Whereas, the acquisition of these premises has provided the City of Lansing with a valuable industrial asset to hold, assign, sell, lease, transfer or otherwise utilize, subject to applicable City Charter provisions,, either directly or through the City of Lansing Economic Development Corporation to encourage local industries and commerce; and

Whereas, the City of Lansing has received marketable title to the above described premises from the F.M.C. Corporation, a Delaware corporation, on June 9, 1976 pursuant to the authorization expressed in the City Council resolution of June 7, 1976; and

Whereas, the City Council finds it in the best interest of the City of Lansing to engage in the transfer of the John Bean property to the City of Lansing Economic Development Corporation (E.D.C.) because a public purpose will be effectuated pursuant to 1974 PA 338, through the implementation of the E.D.C.'s project plan for the site, by alleviating and preventing conditions of unemployment, strengthening and retaining local industries and commercial enterprises, and revitalizing the economy of the City of Lansing; and

Whereas, the proposition to sell, deed, lease, assign, or transfer the John Bean property to the City of Lansing Economic Development Corporation or any other public or private firm, corporation or agency to carry out the aforementioned purpose, and to execute a conveyance therefor, was submitted to the electors of the City of Lansing and approved pursuant to Section 14.3(d) of the Charter of the City of Lansing, and as required by the laws of the State of Michigan, at a special City election in conjunction with the regular City primary held on August 3, 1976; now, therefore, be it

Resolved, that the City Attorney or his representative is hereby directed and authorized to prepare, execute and deliver a quit claim deed donating the above described premises, received by the City of Lansing from F.M.C. Corporation, to the City of Lansing Economic Development Corporation; and be it

Further Resolved, that upon the sale, lease, transfer, exchange or purchase of the above described premises by the E.D.C., the E.D.C. shall prepare and submit to the City of Lansing a repayment plan to reimburse the City from the proceeds, if any, of such sale, lease, transfer, exchange or purchase, for the costs it has incurred in receiving, holding and operating the John Bean property since June 9, 1976, which are currently estimated to be approximately \$66,000; and be it

Finally Resolved, that the City of Lansing will be reimbursed by the E.D.C. for all "start-up" costs, beyond the above stated amount, which may be incurred by the City to maintain the viability of the structure as an industrial facility and to make it ready for disposition by the E.D.C.

Councilman Baker asked questions relative to the sale and occupancy of same.

Mr. Edward Vogt, Chairman of the EDC was called upon to answer questions relative John Bean Property.

Councilman Blair wanted it noted that he was voting for this but he has reservations on the sale to Diamond Reo Parts, and will take the questions up with the Economic Development Corporation.

Adopted by the following vote:

Unanimously.

By Committee on Community Development—

Resolved by the City Council of the City of Lansing:

Whereas, it is necessary for the Lansing City Council to establish policy in order for programs to be implemented under the City's Community Development Block Grant Program, and

Whereas, the Community Development Block Grant Program as approved by both the City of Lansing and the U. S. Department of Housing and Urban Development for the first two program years provides for a commercial development program on the city's north, east, and west commercial areas, and

Whereas, after consultation with the East Side Commercial Club, the East Side Neighborhood Organization, and independent business owners located along East Michigan Avenue, both program priorities and a policy statement have been developed for the east side commercial area,

Now, Therefore, Be It Resolved that the Lansing City Council does hereby adopt the attached policy statement and program priorities for utilization in implementing the revitalization of the east side commercial area.

Adopted by the following vote:

Unanimously.

By Committee on Community Development—

Resolved by the City Council of the City of Lansing:

Whereas, the matter of non-expendable property from the Community Mental Health Board and Ingham County has been referred to the Committee.

Now, Therefore, Be It Resolved, that the Committee concurs with the recommendation of the Human Resources Director that:

- (1) Certain items of equipment be declared surplus from the Community Mental Health Board (Substance Abuse Program) and the Ingham County (Dental Program) and

- (2) that these certain items, as detailed by the attached request forms and incorporated by reference, be transferred to the City of Lansing and
- (3) That these items be placed under the control of the City of Lansing Purchasing Director for distribution to various City Departments as he so determines.

Adopted by the following vote:

Unanimously.

By Community Development Committee—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing and the United States of America entered into Agreements providing the City with a Grant to plan and implement a City Demonstration Agency Program; and

Whereas, the City of Lansing, through the City Demonstration Agency, has from time to time, entered into Contracts with the County of Ingham to provide dental services (Dental Services—PN-117) from funds provided pursuant to Title I of the Demonstration Cities and Metropolitan Development Act of 1966; and

Whereas, the Model Cities Transition Procedures Handbook (HUD 3135.2) and §2-92.2(3) of the Code of Ordinance of the City of Lansing, permit the City of Lansing to donate the non-expendable personal property purchased under this Grant provided it is used to carry out a public purpose as contemplated by the terms of the Federal Grant; and

By Community Development Committee—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing and the United States of America entered into Agreements providing the City of Lansing with a Grant to plan and implement a City Demonstration Agency Program; and

Whereas, the City of Lansing has from time to time, entered into Contracts with Lansing School District (Project Listen PN 10) to provide individualized instructions in the area of General Equivalency Test (GED) preparation through its City Demonstration Agency from funds provided pursuant to Title I of the Demonstration Cities and Metropolitan Development Act of 1966; and

Whereas, Federal Management Circular 74-7, Attachment N, and the Model Cities Transition Procedures Handbook (HUD 3135.2), and §2-92.2 of the Code of Ordinances of the City of Lansing permit the City of Lansing to sell non-expendable

property to a Contractor at its depreciated value calculated pursuant to §1.167(a)-1(b) of the Internal Revenue Service Code, as it may be modified, amended or superseded by subsequent issuances; and

Whereas, the City of Lansing, through the Human Resources Department (successor to the City Demonstration Agency) finds that a public purpose will be served by assisting Project Listen in performing certain services and activities which are substantially the same as in prior Contracts with the City of Lansing; and

Whereas, the City of Lansing, through the Human Resources Department, desires to enter into a Sales Agreement with the Lansing School District (Project Listen PN 10) for the purchase of certain non-expendable property at its depreciated value as calculated pursuant to §1.167(a)-1(b) of the Internal Revenue Service Code; now, therefore, be it

Resolved, that the Mayor and the City Clerk are hereby directed to sign said proposed Agreement on behalf of the City of Lansing, after approval as to form by the City Attorney; and be it

Further Resolved, that the Finance Director of the City of Lansing is hereby directed to deposit the funds received pursuant to this Sales Agreement into a special account in the City of Lansing for the purpose of purchasing equipment for City of Lansing Departments.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the 1954 Grade Separation Bond proceeds has a remaining unspent balance of \$20,975.16, and

Whereas, there are no proposed projects for the use of these proceeds, and

Whereas, on November 1, 1976 the last bond and interest payments will be made on the above bond issue, and

Whereas, Section 8.10(c)(1) of the Lansing City Charter states that the Council may authorize the use of unspent proceeds of a bond issue for retirement of such bond issue.

Now, Therefore, Be It Resolved, that the Lansing City Council hereby authorizes the use of the unspent 1954 Grade Separation Bond proceeds for payment of the outstanding 1954 Grade Separation Bonds due November 1, 1976.

Adopted by the following vote:

By Committee on Public Safety—

Resolved by the City Council of the City of Lansing:

Whereas, the Program Coordinator's Office has been informed that there is Intergovernmental Personnel Act — Department of Civil Service monies available for personnel training programs; and,

Whereas, the Lansing Fire Department Chief, Carl Barratt, has stated that a need exists to improve the managerial and leadership qualities of the officers and potential officers of the Lansing Fire Department; and,

Whereas, the promotional system of the Fire Department within the City of Lansing is based upon seniority, thereby promoting firemen into officer's positions without any formal management or leadership training; and,

Whereas, the Fire Department of the City of Lansing consumes \$4.5 million each year in budgeted tax dollars, the Committee on Public Safety believes that the tax dollar should be judiciously managed by formally trained officers; and,

Whereas, this education/training program will be scheduled during normal duty hours over a 12-month period, with only minimal cost to the City;

Now, Therefore, Be It Resolved that the Lansing City Council approves the submission of a grant to IPA for the training of 40 officers and potential officers; 33 from Lansing, and seven from other jurisdictions; and,

Be It Further Resolved that subsequent acceptance of the grant agreement is contingent upon the transfer of \$660.00 to the Fire Department budget as representing the City of Lansing share of the grant program; and,

Be It Further Resolved that the Mayor and the City Clerk of the City of Lansing be directed to sign the application for the grant and the subsequent contracts with Lansing Community College upon approval by the City Attorney; and

Be It Finally Resolved that the Program Coordinator is authorized to submit this application and subsequent contracts to the Department of Civil Service—Bureau of Intergovernmental Personnel Programs as deemed necessary in the fulfillment of this grant.

By Councilman Baker—

That the following paragraph be inserted after the last "Be It Further Resolved."

"Be It Further Resolved, that the Fire Board shall insure that no fire stations are left unattended or closed while fire fighters are attending these classes."

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, again in 1976 and for the third time, the Oldsmobile Division of General Motors Corporation has retained third place in Domestic Automobile Sales in a model year; and

Whereas, the selling name Cutlass has for the first time gained the Number One position in the industry; and

Whereas, the 1976 model year end shows both leadership in Cutlass deliveries of 486,845 units, 35,706 over its nearest rival, and in total delivery of 851,433 units 145,184 ahead of its nearest rival; and

Whereas, the 1976 model year surpasses the 1975 model year by 275,793; and

Whereas, Oldsmobile, with this outstanding record, has also been Number One in improving the Lansing area economy;

Now, Therefore, Be It Resolved that the City Council and the Mayor of the City of Lansing commend and congratulate the Oldsmobile team for both the strong third place in the automobile industry and gaining the Number One position in individual sales of the Cutlass which together contribute so much to the City of Lansing and its citizens.

By Committee on Community Development—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing Code of Ordinances, Page 14.69, Section 2A-5 states that after City Council considers the Mayor's and the Planning Board's recommendations, they direct the Planning Board to prepare program recommendations in conjunction with appropriate city departments/offices, to meet the stated needs.

Now Therefore Be It Resolved, that the Committee of the Whole hereby directs the Planning Board to prepare Community Development Block Grant program recommendations in conjunction with these herein attached.

By Councilman Baker—

That the attached recommendations be amended as follows:

On page 2—under "E" read as follows:

"Facility planning or constructing of any community centers be eliminated from the first three years of the Community Development Program; and that such planning and possible construction in the second three years shall be undertaken. Alternate funding will be sought for this purpose in addition to CD funding."

### REPORTS OF CITY OFFICERS AND BOARDS

October 14, 1976

Honorable Mayor and Members  
of the Lansing City Council

Re: Claim of Daniel J. Marvin for  
damages incurred when sewer  
backed up into basement (\$514.65)

Dear Mayor and Council:

By letter dated September 20, 1976 my office recommended that the claim of Mr. Daniel J. Marvin be denied. The prior recommendation is herein reiterated.

The city is protected by its governmental immunity from such claims, regardless of negligence. Furthermore, there does not appear to be any negligence by the city as indicated by the report of Robert Backus, Director of Public Service dated October 7, 1976. The records of the Public Service Department indicate roots were a source of trouble when it cleaned the sewer in the 500 block July 30, 1976. However, the roots were not found in the September 22, 1976 cleaning.

In conclusion this office recommends denial of Mr. Marvin's claim.

Respectfully submitted,

PETER HOUK,  
City Attorney.

Received and placed on file.

October 13, 1976

To the Honorable Mayor  
and Members of the Council

Gentlemen:

I am hereby submitting special assessment Roll No. 250, corrected to actual cost, for the purpose of constructing storm and sanitary sewers in the following streets.

#### Sanitary Sewer:

In Newark Street from S. Logan Street southeasterly to serve 2025 and 2031 Newark Street;

In S. Waverly Road to serve 6048 and 6050 S. Waverly Road and on Stabler Street (west side) from Fenton South to serve 4200 Stabler Street.

#### Storm and Sanitary Sewer:

In Aurelius Road from Jolly Road south to serve 5500 Aurelius Road.

To Be Assessed .....	\$ 47,370.83
City Share .....	97,491.01
Total .....	\$144,861.84

Respectfully submitted,

PAUL S. CREEVY,  
City Assessor.

Received and placed on file.

October 7, 1976

Honorable Mayor and City Council

City Hall

Lansing, Michigan

Gentlemen:

Attached is a proposed contract between the Michigan State Highway Commission and the City of Lansing for the resurfacing of the structure carrying Aurelius Rd. over I-96, and for the structure carrying I-96 over the I-96BL ramps between Pennsylvania and Aurelius Road.

The total cost for these projects is \$184,000.00, with the estimated City's share \$3,450.00, which would be charged to our Act 51 Trunkline Improvement Account No. 202-458-612-974.

I would recommend approval of this contract, and that the Mayor and City Clerk be authorized to sign same after approval as to form by the City Attorney, and after certification by the Director of Finance as to the availability of funds.

Respectfully submitted,

ROBERT R. BACKUS,  
Director of Public Service.

Referred to Committee on Public Service and Highways.

October 14, 1976

Honorable Mayor and City Council

City Hall

Lansing, Michigan

Gentlemen:

Attached is a proposed contractual Agreement with Wilbur Smith and Associates, Consulting Engineers, and Planners, for the engineering and related work for the proposed Edgewood Blvd. project.

I would recommend approval of this Agreement.

Respectfully submitted,

ROBERT R. BACKUS,  
Director of Public Service.

Referred to Committee on Public Service and Highways.

October 14, 1976

Honorable Mayor and

Members of City Council

Gentlemen:

On October 11, 1976 the Kingsley Community Center was inspected by our staff and the architect and at that time was determined to have reached the point of substantial completion. Most items on the "punch list" have been corrected and the city has assumed responsibility for utilities and insurance.

Haussman Construction Company, the prime contractor, has submitted their final billing including a request to reduce the retained amount from 5% to \$5,000.00. The architect has recommended approval of the request which has been concurred in by Mr. McKinch and myself.

I would appreciate authorization to process a change order approving the request of Haussman Construction.

Sincerely,

THEODORE J. HASKELL,  
Director,  
Parks and Recreation.

Referred to Committee on Parks and Recreation.

October 6, 1976.

Councilman Lucile Belen

Chairman

City Affairs Committee

Lansing City Council

Dear Councilman Belen:

Attached is an application for a parade permit for the Mayor's Parade Committee, scheduled for 8:00 P.M. on Thursday, November 11, 1976, which has been approved by all necessary department heads.

Our Traffic Bureau estimates this will cost the City a total of \$44.48, which represents three officers, one motorcycle and one automobile for one hour.

This is being forwarded to you for final action.

Respectfully yours,

RICHARD A. GLEASON,  
Chief of Police,

ROBERT W. TUCKER,  
Assistant Chief of Police.

Referred to Committee on Ordinance and Contracts and City Affairs.

## REPORT OF COMMITTEE

The Committee on ORDINANCE AND CONTRACTS AND CITY AFFAIRS, to whom was referred the request of the Mayor's Parade Committee for permission to hold a Veteran's Day Parade on November 11, 1976, at 8:00 p.m., reports as follows:

The Committee recommends permission be granted, the permit having received the signatures of the necessary department heads, and the Committee further recommends the parade be under supervision of the Lansing Police Department.

Signed:

LUCILE BELEN,  
R. J. BAKER,  
JACK D. GUNTHER,  
Committee on Ordinance and  
Contracts and City Affairs.

By Councilman Belen—

That the report of the Committee be adopted.

#### REPORT OF COMMITTEE

The Committee on PUBLIC SERVICE AND HIGHWAYS, to whom was referred the recommendation of the Purchasing Director and the Director of Public Service that the low bid submitted by Jack Doheny Supplies, Inc., for the purchase of one Tilt Cab and Chassis Truck with a Hydraulic Sewer Cleaner, for a total delivered price of \$66,325.50 be accepted, reports as follows:

The Committee concurs in the recommendation of the Purchasing Director and the Director of Public Service, Account No. 590-536-000-985.

Signed:

WILLIAM A. BRENKE,  
LOUIS F. ADADO,  
ROBERT J. HULL,  
Committee on Public Service  
and Highways.

By Councilman Brenke—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

October 18, 1976

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem and  
Council Members:

On September 16, 1976, the Committee of the Whole of the City Council met to discuss the question of a location for the proposed Senior Citizen Center, one of the locations among several being the Terrace Room and Kitchen, including portions of the Prudden Lounge, in the Lansing Civic Center. On September 20, 1976, by a vote of 7-0, you approved a Resolution of the Committee of the Whole (see attached) requesting that I:

—Assist in making a decision as to whether or not the Civic Center is a viable location for the Senior Citizen Center;

—Appoint a Staff Advisory Committee to study the feasibility of using portions of the Civic Center as the Senior Citizen Center;

—Provide, through the aforementioned group, a comparative cost and physical aspects study regarding the proposed Civic Center location, as well as studying other possible locations;

—Make specific recommendations not later than October 18.

Be advised, that in keeping with your request, I named not only a Staff Advisory Committee, but included Senior Citizen representatives, as well. The Mayor's Senior Citizen Center Location Staff Advisory Committee consisted of the following: Robert Black, Executive Assistant to the Mayor; William Lewis, Administrative Assistant to the Mayor; Alan Tubbs, Planning Director; Louis Klimecky, Auditor and Acting Civic Center Manager; Roxanne O'Connor and Dorothy Payne, Tri-County Senior Citizen Consortium; in addition to Corb Johnson, Robert Murray, John F. Flood and J. Revell Hopkins, the latter four being direct members of the Senior Citizen community.

The Mayor's Senior Citizen Center Location Staff Advisory Committee recommends the use of the Civic Center for a Senior Citizen Center, BUT NOT in the same vein as considered by the City Council. Instead, the Mayor's Advisory Committee recommends that an addition be constructed to the southeast corner of the facility, with the addition extending to the East. All members of the Mayor's Advisory Committee signed the report, which I also support (see attached). The proposals were then refined by Duncan M. Black, AIA, of the Warren Holmes Company and Kenneth Black, Associate Architects, Inc. Basically, the new facility, including the remodeling of the present Lounge at the

southeast corner and the construction proposed, approximates \$270,000, add or subtract a limited number of dollars either way (see attached). Such an expenditure would not be out of line, inasmuch as the unspent funds for such a purpose total \$477,662, the balance to be retained and used for furniture, future programming costs, etc.

Regarding this overall matter, I have, also, attached a communication of October 15, from the Convention Bureau of Greater Lansing, in which the organization expresses great concern over the use of the Lansing Civic Center by Senior Citizens. Please note the second, third and fourth paragraphs of that communication—these are based on information provided by Councilman James Blair, which are basically different from the proposals I am submitting to you. Though it is true that the Prudden Lounge area would be used for Seniors, it is also true that this would be opened up for conventioners. It is not true that the office space currently rented by the Ingham County Veterans Affairs Office and space formerly occupied by the Michigan Department of Natural Resources would be used for Senior Citizens. It is not true that the Terrace Room would be utilized. The Mayor's Advisory Committee recommends that the kitchen and Prudden Hall be made available for Senior Citizen use, providing that scheduling be coordinated with convention bookings, so as not to interfere with conventions.

In the Mayor's Recommended Budget of 1973-74, dated March 26, 1973, I recommended to you, and provided funds, for the establishment of an Office of Senior Citizen Affairs. You accepted that recommendation and the City of Lansing had the first such office in the State of Michigan and one of only a handful in the United States. This office then expanded into the Tri-County Senior Citizen Consortium—Senior Citizens now feel that government cares.

I am now of the opinion that the report of the Mayor's Advisory Committee has great merit. It will provide a central meeting place and general center for the many Senior Citizen organizations now scattered throughout the City—each of those organizations can keep their own autonomy, but we can provide the very hub for their activities.

Trusting this meets your approval, I remain

Sincerely,

GERALD W. GRAVES,  
Mayor.

Referred to Committee of the Whole.

October 15, 1976

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem and  
Council Members:

This office has been recently advised by Bud Schmidt that due to the fact that he is no longer a resident of the City of Lansing, he is no longer eligible to serve as a member of the Lansing Board of Police Commissioners. Therefore, I am submitting to you for your consideration and confirmation the name of John L. Lynch, to fill the vacancy for the term ending June 30, 1979.

Mr. Lynch attended Michigan State University in the field of Criminal Justice and has just recently completed degree requirements for a Bachelor of Science Degree. He also is presently a student at that institution taking business management courses. Mr. Lynch was a Lansing Police Officer for almost 7 years and was the first college-trained officer in our department. He received a commendation for valor while with the police force.

After leaving City employment, Mr. Lynch became associated with Farm Bureau Insurance Group and presently holds the position of District Sales Manager. He has received the Distinguished Salesman's Award from Sales Marketing Executives International, and in 1975, was named top District Sales Manager for Farm Bureau Insurance.

Mr. Lynch is a member and past treasurer of Lansing General Agents and Manager's Association, past member of R.O.T.C. and Army Reserve guest lecturer at Michigan State University in Criminal Justice, licensed aircraft pilot, and licensed charter boat captain.

He is 44 years of age, is the father of 4 children, and resides in the Park Manor Apartments at 1415 E. Kalamazoo Street in the City of Lansing.

Trusting this recommendation meets your approval, I remain

Sincerely,

GERALD W. GRAVES,  
Mayor.

Referred to Committee on Public Safety.

#### RESOLUTIONS

By Committee on Public Service  
and Highways—

Resolved by the City Council of the City  
of Lansing:

That the proposed Contract between the Michigan State Highway Commission and the City of Lansing for the resurfacing of the structure carrying Aurelius Rd. over I-96, and for the structure carrying I-96 over the I-96BL ramps between Pennsylvania and Aurelius Road, be approved.

The total cost for these projects is \$184,000.00, with the estimated City's share \$3,450.00, which would be charged

to our Act 51 Trunkline Improvement Account No. 202-453-612-974, and

That the Mayor and City Clerk be authorized to sign this Contract upon certification of the City Controller as to the availability of funds, and after approval as to form by the City Attorney.

Adopted by the following vote:

Unanimously.

By Committee on Community  
Development—

Resolved by the City Council of the City  
of Lansing:

Whereas, the Lansing City Council, on September 27, 1976, did adopt a resolution which provided that a grant application for Central Area Riverfront Development shall be prepared and submitted to the U. S. Department of Commerce for its Local Public Works Capital Development and Investment Program, and

Whereas, the application regulations require that applicants submit an Architect/Engineer report containing, among other things, materials to be used, site plans, detailed construction cost estimates, including unit prices for material and labor, and

Whereas, the application regulations also require that an Architect/Engineer submit a certification that all plans and specifications are sufficient to allow on-site labor to begin within 90 days of grant approval, and

Whereas, a proposal has been received from Robert L. O'Boyle Associates, Inc., to provide these pre-application services, and other services upon receipt of grant approval,

Now, Therefore, Be It Resolved, that the Mayor and City Clerk be and are hereby authorized and directed to execute a Contract for Professional Services with Robert L. O'Boyle Associates, Inc., for an amount not to exceed \$4,500 for pre-application services, after approval as to form by the City Attorney and certification as to the availability of funds in Account No. 261-822-001-974 and Account No. 251-930-000-818 by the Finance Director.

Adopted by the following vote:

Unanimously.

By Committee on Public Service  
and Highways—

Resolved by the City Council of the City  
of Lansing:

That the attached Agreement between the City of Lansing and Wilbur Smith and Associates for the design and related work for the extension of Edgewood Blvd.

from Cedar Street to Logan Street is hereby approved, and

That the Mayor and City Clerk be authorized to sign same after approval as to form by the City Attorney, and after certification by the Director of Finance as to the availability of funds.

Be It Further Resolved, that no work under this Agreement, as detailed under Phase III—Final Design, shall be done until specifically authorized and funds appropriated by Resolution of the City Council.

Funds for this work are available in Account No. 202-453-765-974.

Councilman Baker stated that he had not seen the revised contract.

By Councilman Adado—

That we recess for 10 minutes for review of contract on changes made that were asked to be made at meeting held Thursday, October 14, 1976.

Council recessed at 8:30 p.m.

Council reconvened at 8:40 p.m.

Councilman Baker asked Mrs. Lazar about the \$75,000.00 set up for this account; she said she would have to look at the account.

By Councilman Baker—

That the resolution be amended by adding in the last paragraph after the word work "in the amount of \$63,430.00."

Lost by the following vote:

Yeas: Councilmen Baker, Blair, Hull, McKane—4.

Nays: Councilmen Adado, Belen, Brenke, Gunther—4.

The resolution was then adopted by the following vote:

Yeas: Councilmen Adado, Belen, Blair, Brenke, Gunther, McKane—6.

Nays: Councilmen Baker, Hull—2.

By Committee on Buildings and Properties—

#### APPLICATION TO WITHHOLD FROM SALE

(Under Provision of Sec. 131c, Act 206, P.A. 1893, As Amended)

Whereas, the following described land(s) in Ingham County: E  $\frac{1}{2}$  Lot 1, Block 35, Orig. Plat; more commonly known as: 201 W. Grand River Avenue, Lansing, Michigan; and W  $\frac{1}{2}$  Lots 1 and 2, Block 35, Orig. Plat; more commonly known

as: 207 W. Grand River Avenue, Lansing, Michigan, were deeded to the State of Michigan on the 4th day of May, 1976, through nonredemption from the county treasurer tax sale, and

Whereas, said lands are now under the jurisdiction of the Department of Natural Resources and may be withheld from sale for the purpose of redemption on behalf of the former owner, as provided for in Section 131c of Act 206, Public Acts of 1893, as amended (211.131c Compiled Laws) [M.S.A. 7.190 (1)]; Now, therefore, be it

Resolved, by the City of Lansing that application is hereby made to the Department of Natural Resources to withhold said lands from sale; and be it further

Resolved, that said City of Lansing does hereby authorize the county treasurer to collect all delinquent taxes on said lands if application is made by the owner thereof during the period for which said lands are withheld from sale by this application.

#### CERTIFICATION

I hereby certify that the above is a true and correct copy of a resolution offered and adopted by the City Council of the City of Lansing on the 18th day of October, 1976.

THEO FULTON,  
Clerk of Lansing,  
9th Floor—City Hall,  
Lansing, Michigan.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

That the City Assessor be, and he is hereby directed to spread on the December, 1976 Tax Roll (L-10), the cost of cutting weeds in the year 1976, in the amount of \$1,180.00, as reported this date by the Building Commissioner.

Adopted by the following vote:

Unanimously.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

Whereas, on November 19, 1963, Elizabeth E. Webster, Trustee, conveyed to the City of Lansing, a single lot described as: Outlot B of the Plat of Frandora Hills No. 1 of the City of Lansing, Ingham County, Michigan, and stated within that deed as follows:

"To be used for street purposes only, Outlot B is to revert to said party of the first part, or her successor, should party of the second part sell, lease, or put to any other use than for the purpose of a street to serve property to the north; and

Whereas, the City of Lansing has never used Outlot B for street purposes; and

Whereas, on April 13, 1976, Frandorson Properties, a Michigan limited partnership, by and through its attorney Donald Hines, filed a letter request with the City of Lansing asking the City to convey the aforementioned Outlot B to Frandorson Properties, said Frandorson Properties being the successor of the aforementioned Elizabeth E. Webster, Trustee, so that the parcel of land may be effectively developed and used in such a way so that it may be placed on the tax rolls; and

Whereas, this letter request received from Frandorson Properties was referred by the Lansing City Council to the Planning Board, the Traffic Board, the Public Service Board, the Parks Board, the Board of Water and Light, and the City Attorney, all of which Boards and the City Attorney have reviewed the matter and returned reports to the City Council; and

Whereas, the property involved is not being used nor does it have any prospect of being used for public purposes because of the land development that has occurred to the north in the City of East Lansing; and

Whereas, the assessed valuation of the property involved is less than Five Thousand Dollars (\$5,000) or is so appraised by the Assessor, thereby making it unnecessary to seek the approval of the electors under Lansing Charter, Chapter 14, §14.3 (d); now, therefore, be it

Resolved, by the Council of the City of Lansing, that the Mayor and City Clerk are hereby directed to execute a warranty deed conveying the property to Frandorson Properties, the successor of the original owner, after approval as to form by the City Attorney so that the land may be developed in accord with the zoning of the property.

Adopted by the following vote:

Unanimously.

Councilman Baker stated that Mrs. Lazar had informed him that the amount of \$75,000.00 was the amount in the account for the related work on the extension of Edgewood Blvd.

He wanted it noted by the Clerk that had he known this at the time the vote was taken on the resolution he would have voted Yea.

By Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

Whereas, by Warranty Deed, the Board of Trustees of the Corporation known as Pleasant Grove Church of the Nazarene, did convey title to the City of Lansing of the following described property:

A part of Lot 35 Supervisor's Plat of Glendale Subdivision described as beginning at the northeast corner of Lot 21 Coachlight Estate Subdivision; thence north along the east line of said lot extended 30 ft.; thence east 66 ft.; thence south 30 ft. to the northwest corner of Lot 20 of said Plat; thence west to point of beginning being a part of Section 6, T3N, R2W, Delhi Township, and

Whereas, the City of Lansing has indicated a desire to utilize the above described property for a turn-around at the north end of Foxpointe South,

Now, Therefore, Be It Resolved that the City of Lansing accept said deed and that the City Clerk is directed to record same with the Registrar of Deeds.

Adopted by the following vote:

Unanimously.

By Community Development Committee—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing and the United States of America have entered into an Agreement providing the City of Lansing with a grant to plan and implement a Community Development Program; and

Whereas, the City of Lansing through the Housing and Redevelopment Department desires to engage the Community Design Center to perform various services and activities, and accomplish certain objectives, in connection with said Community Development Program; and

Whereas, a proposed contract has been developed by and between the City of Lansing through the Housing and Redevelopment Department and Community Design Center to lease and be responsible for, maintenance for the building at 935 N. Washington Avenue, Lansing.

Whereas, said proposed contract (effective November 1, 1976 through October 30, 1977) for a total amount of Nineteen thousand, five hundred and thirty dollars (\$19,530.00) is hereby approved by the City Council of the City of Lansing.

Therefore, Be It Resolved, that the Mayor and the City Clerk are hereby authorized to sign said proposed contract on behalf of the City of Lansing, after approval as to form by the City Attorney and after cer-

tification as to the availability of funds in Account No. 252-842-000-806 by the Finance Director.

Adopted by the following vote:

Unanimously.

By Councilman Gunther—

Resolved by the City Council of the City of Lansing:

Whereas, Sunday, October 24, 1976, is the 31st anniversary of the United Nations Charter adopted to prevent war and develop a more peaceful and progressive economic and social existence for all nations; and

Whereas, the entire world has benefited greatly from the vital contributions made by the organization for the maintenance of world peace; and

Whereas, other areas of concern in the world such as human rights, health, education and hunger have also been concentrated on by the United Nations; and

Whereas, we are remembering our nation's and our city's heritage in this Bicentennial Year as the blend of all the nations of the world;

Now, Therefore, Be It Resolved that Friday, October 22, 1976, be proclaimed United Nations Day in the City of Lansing, and

Be It Further Resolved that the City Council shall affix its signature to this proclamation making it official that the United Nations be so honored.

Adopted by the following vote:

Unanimously.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

That the appointment to Jane Weirman to the Capitol City Airport Authority for a term expiring October 14, 1980, be confirmed.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

That the appointment of Laska Bingham to Elected Officers Compensation Commission for a term expiring October 1, 1983, be confirmed.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

That one membership from the First Ward on the Civic Center Board for a term expiring June, 1977, is hereby declared vacant.

Adopted by the following vote:

Unanimously.

By Committee on Finance—

Resolved by the City Council of the City of Lansing:

Whereas, on October 11, 1976, the City Council appropriated funds for the lease of a Burroughs L6500 for the balance of this fiscal year,

Now, Therefore, Be It Resolved, that the Mayor and City Clerk are authorized and are hereby directed to sign the lease for the Burroughs L6500, subject to certification as to the availability of funds and subject to the approval of the City Attorney. Funds are available in account number 101-201-000-943.

By Councilman Baker—

That the resolution be amended as follows: in paragraph 2—line 4—after the word available the words "in the amount of \$4,760.00" be added.

Carried.

The resolution as amended was adopted by the following vote:

Unanimously.

By Committee on Finance—

Resolved by the City Council of the City of Lansing:

Whereas, the City Council of the City of Lansing currently adopts a line item budget for each operating department, and

Whereas, minor adjustments within a department's or division's budget are necessary in order to efficiently administer operations, and

Whereas, such adjustments are made in conformance with authorized level and scope of services and are an administrative matter, and

Whereas, the Council is attempting to facilitate efforts to increase administrative efficiency and flexibility,

Therefore, Be It Resolved, that the City Council hereby authorizes and directs the Mayor to establish an administrative procedure within the parameters described below to dispose of requests for transfers of funds.

The Mayor shall be responsible for administratively approving transfers of funds in accordance with the following guidelines.

Such transfers shall include those which do not significantly alter level or scope of authorized operations and which do not exceed \$5,000 within an activity code or program. No transfers of funds between activities or programs within a department or between departments shall be authorized in this manner.

The Finance Department shall report all such transfers to the Finance Committee of the City Council on a monthly basis.

Requests for transfers under this procedure shall be submitted to the Finance Department in the usual manner and will be reviewed and acted upon by a committee consisting of the Mayor, or designee, Finance Director, Deputy Finance Director for Management and Budget and Deputy Controller.

By Councilman Belen—

That this be tabled—and the City Attorney research this matter.

Carried.

By Committee on Personnel—

Resolved by the City Council of the City of Lansing:

That effective October 18, 1976, the City Personnel Director is authorized and directed to reclassify one vacant Clerk IIIAB position within the Assessor Division to Clerk IIA. A salary cost reduction of \$835.00 per fiscal year.

Adopted by the following vote:

Unanimously.

By Councilman Gunther—

That the portion of the resolution of July 19, 1976—page 686 relative:

“That the denial of the filling of one Program Leader IIIA position” that was tabled be taken from the table.

By Councilman Gunther—

That the above position be denied.

Carried.

By Committee on Personnel—

Resolved by the City Council of the City of Lansing:

That we concur with the recommendations of the Job Moratorium Appeals Committee made at their meeting held on October 12, 1976, as follows:

Public Service Department: Approve the filling of one Draftsman IIIA vacancy. Approve the filling of one Custodian II vacancy.

District Court: Approve the filling of one Clerk IB vacancy.

#### PUBLIC IMPROVEMENT V

By Committee on Public Service  
and Highways—

Resolved by the City Council of the City  
of Lansing:

That the supplementary special assessment roll for the purpose of constructing storm and sanitary sewer as follows:

Assessment Roll No. 250—

Newark Street—From S. Logan Street southeasterly to serve 2025 and 2031 Newark Street.

S. Waverly Road—To serve 6048 and 6050 S. Waverly Road.

Stabler Street (West Side)—From Fenton south to serve 4200 Stabler Street.

In Aurelius Road—From Jolly Road south to 5500 Aurelius Road.

as returned by the City Assessor be and the same is hereby ratified and confirmed, and that the Mayor be and hereby is directed to affix within ten days, his warrant directing the City Treasurer to refund to all persons who have paid said tax as originally assessed the pro rata amount of difference as shown in said supplementary roll, and collect all unpaid tax as shown on said roll on or before January 18, 1977.

Adopted by the following vote:

Unanimously.

By Committee on Planning—

Resolved by the City Council of the City  
of Lansing:

Whereas, Mr. Earl Pierson, who resides at 3811 Lochmoor Drive in Lansing, has requested permission to construct a five foot (5') high open chain link fence extending ten feet (10') into the right-of-way along Waverly Road, and adjacent to his west property line; and

Whereas, said encroachment will still leave approximately twenty feet (20') from the proposed fence line to the curb face along Waverly Road; and

Whereas, it has been found that the proposed location of the fence will not interfere with existing pedestrian foot path along Waverly Road; and

Whereas, Mr. Pierson has testified in his letter of September 22, 1976, that if at any time in the future the City finds it necessary to remove this fence for any reason, he will take the responsibility for its removal at no expense to the City of Lansing; and

Whereas, the Planning Department has reviewed this request and cannot find where the proposed fence location will be in conflict with any of the public utilities or facilities; and

Whereas, the Planning Committee of Council has reviewed this request and recommend that Mr. Pierson be allowed to construct the fence ten feet (10') west of his west property line and within the right-of-way of Waverly Road, providing that at any time in the future the City finds it necessary to remove this fence for any reason that Mr. Pierson will be required on thirty days notice and will take the responsibility of its removal at no expense to the City of Lansing; and further, that the above conditions of this agreement be recorded with the Deed to this property in the office of the County Registrar of Deeds and City Assessor prior to the erection of any fence;

Now, Therefore, Be It Resolved that the Council grants permission for Mr. Pierson to erect a five foot (5') high open, chain link fence which will extend not more than ten feet (10') into the right-of-way of Waverly Road and adjacent to his west property line; and that if at any time in the future, the City finds it necessary to remove this fence for any reason, that the property owner at 3811 Lochmoor, upon thirty (30) days notice, will take the responsibility for its removal at no expense to the City of Lansing.

Adopted by the following vote:

Unanimously.

By Councilman Baker—

Whereas, by petition duly filed on the 22nd day of May, 1972, this Council was petitioned to change the following described property from "A" One Family Residence and "T" Commercial Districts to "Community Unit Plan" District, all as set forth in the Zoning Code of this city, and

Whereas, due notice as required by law has been given for a public hearing on said petition, and

Whereas, at such hearing held on the 19th day of July, 1976, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is described as:

Z-33-72C—Oak Park Village.

This is an amendment to the amendment to the Community Unit Plan as approved by the City Council July 19, 1976, Ordinance No. 1600.

Whereas, Gordon Long, the developer and owner of Oak Park Village, has requested an amendment to the plan as approved by the City Council on July 19, 1976; and

Whereas, the amendment consists of allowing the development of two-bedroom apartments rather than the townhouse and apartment mix, as approved on July 19, 1976; and

Whereas, the Planning Department has reviewed this request following the input from other City Departments; and

Whereas, none of the other City Department requirements vary in detail from what was originally requested on the plan as approved on July 19, 1976; and

Whereas, the Planning Department believes that the requirements by other agencies can be complied with and have further found that the development is in accord with the general intent of the Zoning Code; and

Whereas, the Planning Committee of Council, to whom was referred the report of the Planning Department, concurs therewith;

Now, Therefore, Be It Resolved that the amendment to the Community Unit Plan be approved subject to the following:

- 1) That fire hydrants be placed as required by the Fire Marshal.
- 2) That the development take place in accord with the site plan as submitted.
- 3) That the complex be served with underground electrical distribution system.
- 4) Submission of a landscape, screening and fencing plan being submitted to the Planning Department for review and approval prior to the issuance of Occupancy Permits.
- 5) That the requirements and recommendations of all other public agencies be complied with.

Adopted by the following vote:

Unanimously.

By Councilman Baker—

Whereas, by petition duly filed on the 8th day of August, 1976, this Council was petitioned to change the following described property from "D-1" Professional Office District to "F" Commercial District, all as set forth in the Zoning Code of this city, and

Whereas, due notice as required by law has been given for a public hearing on said petition, and

Whereas, at such hearing held on the 18th day of October, 1976, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is described as:

Z-41-76—4215 North Grand River Avenue,

more particularly described as:

Lot 99, plat of Northwestern Subdivision No. 3, City of Lansing, Ingham County, Michigan,

from "D-1" Professional Office District to "F" Commercial District.

Whereas, pursuant to Act 207, P.A. 1921, the Planning Board advised the City Council to deny this request as filed; and further recommended that the above described property be approved as a Special Use Permit under Section 36-42 (1), which allows the Council to approve the use of this land for state governmental purposes.

The recommendations to approve a Special Use Permit for this property was subject to a catch basin being built in the existing parking lot area and connected to a 12-inch drain in Grand River, which would prohibit storm water from draining on adjacent properties; and

Whereas, the Planning Committee of Council, to whom was referred the report of the Planning Board, concurred therein;

Now, Therefore, Be It Resolved that the Council of the City of Lansing ordains that the petition to rezone the above described property from "D-1" Professional Office District to "F" Commercial District be denied; and

Be It Further Resolved, that a Special Use Permit for this property be approved in accord with Section 36-42 (1) of the Zoning Code and that this Special Use Permit shall carry the number of SUP-16-76; and further, that the Special Use Permit approval is subject to a catch basin being built in the existing parking lot area and connected to the 12-inch drain in Grand River for the purpose of diverting storm water from the adjacent properties.

### INTRODUCTION OF ORDINANCE

The following ordinance of the City of Lansing, Michigan, providing that the Code of Ordinances be amended by:

A. Repealing of Section 33-24 of Code and declaring same to be null and void and of no effect—(Vehicle for Hire—Hauling household goods, trunks or personal effects report to police chief, record).

was introduced by Councilman Belen, read a first and second time by its title and referred to the Committee on Ordinance and Contracts and City Affairs.

By Councilman Adado—

That the matters tabled on September 27, 1976, be taken from the table.

Re: Claim of Daniel J. Marvin for damages incurred when sewer backed up into basement (\$514.65)

Dear Mayor and Council:

Mr. Daniel J. Marvin recently filed a claim in the amount of \$514.65 for damages incurred when the sewer backed up into the basement of his home.

It is the recommendation of this office that the claim be denied for the reasons cited herein.

First, the city is protected from such claims by governmental immunity. MCLA 691.1401 et seq; MSA 8.996(101) et seq.

Second, there has not been any showing of negligence on the part of the city. On

July 28, 1976, a rainstorm deluged parts of Lansing within a short expanse of time, causing flooding of roads and sewers to back up. As such, the condition that existed was caused by acts outside the control of the city. Mr. Marvin does state in his claim that the city had not cleaned the sewer for a period of ten (10) years. This does not show negligence on the part of the city.

Therefore, this office recommends that the claim be denied.

Respectfully submitted,

PETER HOUK,  
City Attorney.

By Councilman Adado—

That we concur with the Attorney's opinion.

Re: Claim of Howard Berry, Jr., for damages when a sewer backed up into his basement (\$500.00)

Dear Mayor and Council:

Mr. Howard Berry, Jr., recently filed a claim for damages in the amount of \$500.00 when the sewer backed up into his basement on July 21, 1976 and again on July 27, 1976.

The city is protected by its governmental immunity. MCLA 691.1401 et seq; MSA 3.996(101) et seq.

Moreover, Mr. Berry has not shown negligence on the part of the city. The backing up of the sewer on July 21, 1976 was caused by a plugging up of the storm

pumps. The pumping station was in good condition before the plugging, therefore, the city did not have prior notice of the condition. The problem was remedied approximately within half an hour after notice.

Mr. Berry has not stated the cause for the backup a week later. Presumably, this was caused by the rainstorm which dropped a large quantity of water in a short period of time causing severe problems in scattered parts of lower Michigan. The downpour was beyond the control of the city.

For the reasons stated herein, this office recommends that the claim be denied.

Respectfully submitted,

PETER HOUK,  
City Attorney.

#### REPORTS OF CITY OFFICERS AND BOARDS

October 15, 1976

Honorable Mayor and Members  
of the Lansing City Council

Re: Ivy Henderson (deceased)/Mary Henderson v City of Lansing Workmens Compensation

Dear Mayor and Council:

On October 14, 1975 Mary Henderson filed a petition against the City seeking workmen's compensation benefits as a result of a fatal heart attack suffered by her husband in October, 1973.

The record in this case disclosed that Mr. Henderson worked as a sewer inspector for the City and retired from City employment in 1967 at the age of 65 years. Six years later at the age of 71 he suffered a fatal heart attack. Prior to his retirement and

while in the employ of the City, Mr. Henderson allegedly contracted pneumonia and was hospitalized on at least one occasion. During the pending case, counsel for the petitioner offered to settle the matter upon payment of \$5,000 by the City to Mary Henderson. In light of the facts and circumstances of the case, however, this office rejected that offer and proceeded to trial.

At the hearing it was the petitioner's position that the pneumonia and resultant lung disorder allegedly incurred while in the employ of the City contributed to the subsequent heart attack and as a result appreciably shortened the deceased's life. On the other hand it was the City's position that the petitioner was not entitled to benefits in that there was no connection between the pneumonia and the heart attack and that as a result the cause of death did not arise out of the course of the deceased's employment with the city.

After both parties presented their respective witnesses and medical depositions and other documentary evidence, the hearing officer by an order dated October 13, 1976, found that the evidence supported the city's position and denied benefits to the petitioner accordingly.

Respectfully submitted,

PETER HOUK,  
City Attorney.

Received and placed on file.

October 21, 1976

Honorable Mayor and Members  
of the Lansing City Council

Lansing, Michigan

Re: Resolution regarding administrative procedures for transfers of funds

Dear Mayor and Council:

At the evening session of the City Council on October 18, 1976, a question was raised as to whether or not the resolution regarding establishing an administrative committee for approval of the transfer of funds, Resolution 12 on the agenda, was contrary to §8.6(a) of the Charter which governs the transfer of funds.

For the reasons set forth below, it is the opinion of this office that §8.6(a) of the Charter does not permit the creation of an administrative committee to approve the transfer of funds.

The resolution in question would create an administrative committee composed of the Mayor, or his designee, and three members of the Finance Department which would be authorized to transfer funds in amounts of up to \$5,000 between line item accounts within the same activity or program. The committee would in addition be required to report all such transfers to the Finance Committee of the City Council on a monthly basis.

Lansing Charter, ch 8, §8.6(a) provides in pertinent part that:

"The Council only, by resolution adopted by the affirmative vote of not less than six of its members, may . . . transfer any unencumbered appropriation balance . . . from any account, department or agency to another." (emphasis added)

When interpreting the provisions of a municipal charter, the primary question centers upon ascertaining the intentions of the framers and electorate in adopting the charter from the language utilized therein which, of course, must be given its plain obvious meaning. Brady v Detroit, 353 Mich 243; 91 NW2d 274 (1958). 2 McQuillin, Municipal Corporations (3d ed) §9.22 p683.

From a reading of the plain unambiguous language contained in §8.6 of the Charter quoted earlier, it is readily apparent that irrespective of whether transfers of funds between line item accounts are kept within the same activity or program, it is the City Council alone and not an administrative committee or agency which is vested with the authority to effectuate such transfers. Further, inasmuch as the power to transfer funds is vested by the Charter only in the Council and in no other agency, that power may not be delegated to a lesser body. 17 Michigan Law and Practice, Municipal Corporations, §18, pp180-182. Although the present procedure may be cumbersome and time consuming, it is nonetheless mandated by the present Charter.

A question has also risen regarding the administrative committee established to approve transfers for Community Development funded contractual agencies. That procedure is permissible because the changes are made within a contract, without changing the maximum compensation amount approved by the City Council.

Respectfully submitted,

TIMOTHY W. SANDERSON,  
Chief Assistant City Attorney.

Referred to Committee on Finance.

October 21, 1976

Honorable Mayor and Members  
of the Lansing City Council

Lansing, Michigan

Re: Creation and funding of Deputy Finance Director IX position and two Operations Analyst VI positions

Dear Mayor and Council:

This office was requested by the Committee on Personnel and subsequently at the evening session of the City Council on October 18, 1976 to investigate which, if any, of the above captioned positions in the Finance Department were established and/or financed by Council action of June 28, 1976 and September 20, 1976.

Based upon a review of the printed minutes and the tape recordings of the Council proceedings, including the Committees of the Whole and the regular evening sessions of Council for the dates in question, coupled with the applicable legal principles discussed below, it is the opinion of this office that all of the positions at issue were established by the Council on June 28, 1976, the Deputy Director's position was funded June 28, 1976 and that the Operations Analyst positions were subsequently funded on September 20, 1976.

The threshold question in reaching the conclusion set forth in the preceding paragraph was whether or not the positions at issue were established by the City Council in a resolution appearing at page 624 of the June 28th Council Proceedings.

Resolutions of a municipal legislative body are to be interpreted in light of the language utilized and in view of the situation presented by the record. 5 McQuillin, Municipal Corporations, (3d ed), §14.07, p19.

The language of the June 28th resolution authorizes and directs the Personnel Director to establish the three positions in question and also delineates the salary and fringe benefit levels for the respective positions. The afternoon Committee of the Whole session on June 28th was adjourned prior to the consideration of the resolution and no discussion was held concerning it at that time. However, both the Council minutes and the tape recording of the regular evening session disclose that there were five (5) votes in favor of the resolution and two (2) votes against. The minutes indicate that the resolution lost by that vote. The tape recording however reveals that the Mayor, as presiding officer, ruled that the matter was approved and the transfer made.

Taking into account the circumstances presented by the Council minutes and the tape recordings of the proceedings, along with the language of the resolution itself, it is the conclusion of this office that the resolution by the Committee on Personnel did not operate as a transfer of funds requiring six (6) votes, Lansing Charter, ch 8, §8.6(a), but instead created the three positions in the Finance Department, including the salary and fringe benefit figures for informational purposes, and as such was a matter requiring only five (5) votes for passage. Lansing Charter, ch 5, §5.5(j). Consequently, the Mayor's ruling, insofar as approval of the resolution is concerned, was correct.

The foregoing determinations are based upon the following factors disclosed by the printed and tape recorded record of the regular evening Council session of June 28, 1976. First, during the debate on the resolution, the Finance Director was asked whether there were sufficient funds in his departmental budget to cover the three position. He indicated that there were not sufficient funds, but that the monies were to be provided by transfer of funds to be discussed later in the meeting. These statements imply that the resolution was intended to create the positions with the

actual funding to be determined later. Second, the resolution itself provides for no transfer of funds from one account to another as in the case of regular transfer resolutions. Third, during the subsequent and separate considerations of the transfer of funds resolution, a debate ensued between members of the Council concerning which of the three positions in question should be funded. At the conclusion of the discussion, monies were appropriated to keep the Deputy Director for the 1976-1977 fiscal year. No funds, however, were appropriated for the two Analyst VI positions. The funding discussion with the resultant partial funding strongly supports the conclusion that the Council apparently considered that the positions had been created by the prior resolution and that the remaining question was whether or not all or a portion of the positions were to be funded.

Parenthetically, it should be noted that the tape recording of the June 28th evening session of the Council discloses a procedural oversight in the passage of the transfer of funds resolution in that the resolution concerning the funding of the Deputy Director's position was amended unanimously, however, the resolution as amended was never formally voted upon by the Council. The tapes reveal beyond doubt that it was the clear intent of the Council to fund the Deputy Director's position and that the Council in fact thought it had done so. Where, as here, the local legislative body is properly convened and its intent is clear, its intent is not to be overturned by procedural irregularities. Mason's Manual of Legislative Procedure (1962), §40, pp55-56; 17 Michigan Law and Practice Municipal Corporations, §41, pp40-41. Therefore, it would not be inappropriate for the Council to clarify its original intent by formally voting upon the matter.

Turning to the funding of the two Analyst VI positions, the tape recording of the Council's afternoon Committee of the Whole session on September 20, 1976 discloses that the Mayor Pro-Tem explained the Finance Committee's resolution on the agenda regarding the transfer of funds. The Mayor Pro-Tem related to the Council that \$22,338.00 was to be transferred from Estimated Revenues to the Finance Department to provide nine months funding for the two Operations Analyst VI positions that the Council approved on June 28, 1976, and that such a transfer of funds was commensurate with the Council's policy concerning a budget work program. The Council minutes and tape recording of the evening session disclose that the foregoing transfer was approved unanimously.

Referred to Committee on Parks and  
Recreation.

October 21, 1976

Honorable Mayor and  
Members of City Council

City of Lansing

Gentlemen:

In 1975-76 the city offered nine neighborhood ice skating rinks which operated for 33 days at a cost of \$31,010.41. This was an average daily cost of 104.50 per rink.

The 1976-77 budget allocation for the Ice Skating program is \$17,433.00. This will permit the establishment of eight rinks, to be operated 20 days if the rate of expenditures continues at the same level experienced in 1976.

Based on last year's attendance figures and on geographical location the Park Board has directed staff to prepare for rinks at the following locations.

Location	1976 Attendance
Sycamore	6,676
Everett	6,142
Quentin	4,691
Comstock	4,656
Pleasant View	3,610
Bancroft	2,893
Tecumseh	Did not open
Foster	Did not open

This action will eliminate rinks at Wainwright, St. Joe and Gier Parks. The attendance was extremely poor at Gier and St. Joe, whereas participants in the Wainwright area will be able to use the Pleasant View rink and the new artificial ice facility.

Rinks operations will be terminated at any location where attendance does not justify continued operation. If warm weather limits our ability to hold and/or rebuild ice on neighborhood rinks priority will first be placed on those rinks the greatest distance from the new Washington Park facility.

Sincerely,

THEODORE J. HASKELL,  
Director of Parks and  
Recreation Department.

Referred to Committee on Finance.

October 22, 1976

Honorable Mayor and  
Members of City Council  
Gentlemen:

The Park Board at their October meeting took action recommending a fee schedule for various types of uses of the new Washington Park Artificial Ice Rink. This recommendation followed staff analysis of the projected operation costs as well as study of program fees charged at similar municipal facilities. In accordance with general guidelines from the Bureau of Outdoor Recreation (a funding agent) the rink will principally be programed for open public skating.

Current plans include Open Skating sessions scheduled for afternoon, evening and weekend periods. Time for Rental of the Rink by agencies has been provided during daytime, late evening and scattered hours between Open sessions. Tentative schedules specifically detailing these hours have been set.

Additional revenue is anticipated from concessions (skate rental, sharpening, and food items) and from days of operation beyond the 90 now projected as the minimum skating season. The budget figure was based on 120 days of operation but the entire amount may not be used for ice services if personnel are reassigned to golf duties before the completion of the 120 days.

#### RECOMMENDED FEES AND CHARGES

##### Open Skating

Youth—50¢ per two hour open session  
Adult—75¢ per two hour open session

##### Rentals

Rink per hour—\$35.00  
Half Rink/hour—\$20.00

Sincerely,

THEODORE J. HASKELL,  
Director,  
Parks and Recreation.

Referred to Committee on Parks and Recreation.

October 22, 1976

Honorable Mayor and  
Members of City Council  
Gentlemen:

The Park Board at their October 1976 meeting took the following action relative to the referral by City Council of two offers to sell property to the city for park purposes.

The parcel at the north end of Coulson poses.

Court was a low area that has recently been filled as result of road construction along Miller. The site has no unique recreational value, nor is its location or current access suited for immediate use.

The second property, a ten acre plot lying south of Northrup Street, does have outstanding characteristics for park development. It is a gently rolling parcel with half the site wooded with mature trees. Trails show it is currently heavily used for recreational purposes. Access off of Rolfe, Doris and Northrup Streets make it available for immediate use.

Currently, the area bordered by Aurelius on the East, Washington on the West, Jolly on the North, and 196 on the South has a small park development at Bluebell, the Miller Road Community Hall, North Cemetery, and the undeveloped Kahres property. Additional land should be acquired for neighborhood park purposes in this area.

There are presently no budget appropriations for land acquisition. The Park Board has recommended the Samuel and Rebecca Beck Park Trust be considered as a source so the Northrup Street property may be acquired. This estate provided \$20,250 in 1963 for park purchase and development. The invested amount, along with interest, now totals \$38,000.00. Purchase price of the Northrup parcel is \$22,000 plus related costs.

It is the further recommendation of the Board that the property be named for the Beck family (in accordance with the Will), and the amount remaining in the trust after the purchase be reinvested with revenue used for future development of the site.

Sincerely,

THEODORE J. HASKELL,  
Director,  
Parks and Recreation.

Honorable Mayor and  
Members of the City Council

Dear Mayor Graves and

Members of the City Council:

Please be informed that the Board of Zoning Appeals will meet on Wednesday, November 10, 1976, at 7:30 p.m., in Court Room No. 1, 6th Floor, City Hall, instead of their regular scheduled meeting on the second Thursday of the month. This change being necessitated by Veterans Day falling on the second Thursday of the month.

Sincerely,

VERNON C. FOUNTAIN,  
Secretary,  
Board of Zoning Appeals.

Received and placed on file.

October 13, 1976

Honorable Mayor and

Members of City Council

Gentlemen:

The Waterfront Development Board reviewed the communication referred to them by the City Council regarding the signing and the marking of bridges and landmarks along the waterfront to promote public awareness and orientation.

The Waterfront Development Board once again reiterates its concern regarding this issue and expresses its support for such a proposal. On numerous occasions in the past, the Board has verbally and literally requested City Council to consider installing street names on the bridges throughout the City to promote orientation for those using the river system. These street names could be indicated on wood signs similar to those used in the numerous parks throughout the City. The Board recommends that signs be installed on both upstream and downstream sides of the bridge as it is felt that both signs are necessary. The

Board further recommends that any future bridge construction and/or reconstruction incorporate the installation of such signing into the project cost.

If this Board can be of any further assistance in this matter, please inform accordingly.

Respectfully submitted,

LAWRENCE DROLETT,  
Chairman,  
Waterfront Development  
Board.

Referred to Committee on Finance and  
Committee on Parks and Recreation.

October 21, 1976

Honorable Mayor Graves and

Members of City Council

Gentlemen:

On September 7, 1976, the parking regulations on the west side of Walnut Street from Ottawa to Ionia Street were changed from 2-hour metered parking 8 A.M.-3 P.M. and No Stopping, Standing or Parking 3-6 P.M. to 2-hour metered parking 8 A.M.-6 P.M. Since that time we have received no complaints concerning hazards or congestion. No accidents have occurred on this section of Walnut Street since the change in parking regulations.

The Traffic Board, on October 13, 1976 voted unanimously to recommend for Council's consideration making the changes permanent.

Respectfully submitted,

LANSING TRAFFIC BOARD,  
Raymond O. Severy,  
Secretary.

Referred to Committee on Public Safety.

October 21, 1976

Honorable Mayor Graves and

Members of City Council

Gentlemen:

Since the Michigan Department of Highways and Transportation has completed the reconstruction of S. Cedar Street from Christiancy to south of Mt. Hope Avenue, it is no longer necessary to prohibit left turns from Cedar St. along this section. The reconstruction provided a two-way left turn lane the entire length from Christiancy to Mt. Hope.

The Traffic Board recommended unanimously to delete the regulations prohibiting left turns from Cedar St. to Norman Street, Avon Street, Wilson Street, and Christiancy Street.

Respectfully submitted,

LANSING TRAFFIC BOARD,  
Raymond O. Severy,  
Secretary.

Referred to Committee on Public Safety.

P-5-76

Honorable Mayor and

Members of City Council:

The Lansing Planning Board will hold a public hearing on November 9, 1976 at 7:30 p.m. in City Council Chambers, Tenth Floor, City Hall, Lansing, Michigan, on the proposed subdivision plat known as Bradford-Scott Park. This is not a matter of rezoning.

The proposed plat includes eleven (11) acres of land to be subdivided into four (4) lots, ranging from approximately 40,000 square feet to 300,000 square feet. The site is presently zoned "G-2" Wholesale District and the proposed use would be office and warehouse development. Access would be gained via Ramada Drive. Plans are on file in the Planning Department for your review.

This notification is in accordance with Section 37-8(2) of the Lansing Subdivision Regulations. You are cordially invited to attend this hearing.

Sincerely,

ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

Received and placed on file.

TWP-1-76

Delta Township Development Review

Honorable Mayor and

Members of City Council:

The Planning Board, at their meeting of October 19, 1976, considered the rezoning in Delta Township requested by the F/S Development Company involving approximately 100 acres of land contiguous with Waverly Road, the Grand River and the westerly City limits of Lansing. This request was referred to the City of Lansing for review, comment and recommendations in accord with the Agreement for construction and maintenance of sanitary sewer systems, made and entered into June 18, 1975, between the Charter Township of Delta and the City of Lansing.

The request before the Delta Township Planning Commission is for rezoning of this 100 acre parcel from its present "A-2" Limited Agricultural District to an "R-4" Medium Density Residential District, which would allow a maximum of eleven (11) dwelling units per acre under a conditional use permit for planned unit development.

Following two separate meetings with the developer and citizens in the area; one, a Committee of the Whole meeting of the Planning Board, and a subsequent meeting

held on October 19, 1976 which was the regular mid-month meeting of the Planning Board, the Planning Board recommended denial of the requested "R-4" Medium Density Residential District, as described in the Zoning Ordinance of the Charter Township of Delta. The Board also concurred in the content of the attached report prepared by the Lansing Planning Department, dated October 19, 1976.

In addition, the Board voted to convey to the Mayor and City Council the following concerns of the citizens which were raised at the meetings. Specifically, the Board recommends that these concerns be forwarded to the Delta Township Board with a recommendation that they receive further examination by the Township:

- (1) Projected traffic flows on Waverly Road in the vicinity of the proposed edvelopment.
- (2) Expansion of Waverly Road to include more movement lanes, and
- (3) The possibility of additional development to the north of the proposal area.

Sincerely,

ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

Honorable Mayor Gerald W. Graves

and Members of City Council

City Hall

Lansing, Michigan 48933

Dear Mayor Graves and

Council Members:

On July 6, 1976, the City Council adopted some general city-wide Goals and Development Objectives and directed the Planning Board to prepare specific recommendations relative to these goals.

Recent events in Lansing regarding renovation of the Civic Center, the financial difficulties of the Olds Plaza Hotel, the desire of senior citizens to locate in the Civic Center and the lack of activity on the 100 Block in downtown Lansing, prompted the Planning Board to develop a response to one of the objectives which stated that Lansing will become the outstate regional convention center for the State of Michigan by 1980.

At the October 19, 1976 meeting of the Planning Board, the attached position paper relative to making Lansing a convention city by 1980 was unanimously adopted. It is our hope that this position paper will become the basis for establishing a clear policy direction for the City to accomplish this objective.

As stated in the report, the Planning Board believes that Lansing is a Frontier City in terms of convention business. We believe the enclosed strategy makes good economic sense, that there exists significant support from the private sector for such an approach and that funding methods are available to make it happen. We urge that Lansing act now to make this a reality.

Sincerely,

GORDON CORNWELL,  
Chairman,  
Lansing Planning Board.

Referred to Committee on Planning and  
Committee on Buildings and Properties.

City Hall

Lansing, Michigan 48933

Dear Mayor Graves and

Council Members:

The Planning Board, at their October 19, 1976 meeting, recommended to the Mayor and City Council that the Lansing Civic Center be used as the Lansing Senior Center. The Planning Board reviewed the findings and recommendations of the Mayor's Senior Citizen Center Advisory Committee "Site Selection Report," dated October 15, 1976, and unanimously concurred with the committee's recommendations.

In addition, the Board recommended that consideration be given to strengthening the foundations for the addition to enable the construction of a second floor in the future.

Sincerely,

ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

Referred to Committee on Buildings and  
Properties.

October 21, 1976

LS-14-76

617 East Cavanaugh

Honorable Mayor and

Members of City Council:

The Planning Board, at their meeting of October 19, 1976, recommended that the request by Glenna Whipp to divide Lot No. 163 of Maple Hills Subdivision by reducing its width four feet and allowing the four feet to be attached to Lot No. 162 of Maple Hills Subdivision adjacent to the west, be approved.

The Board found that the area was annexed to the City of Lansing in 1949 and that the lots within the area were subdivided prior to that time and became official lots of record at the time of annexation. Even though they are less than the 60 foot minimum.

The Board found that Lot 162 is developed with a single family home and detached garage. The detached garage on Lot 162 extends one foot over the east property line. The lot division of four feet is to provide a three feet side yard for the existing detached garage, located on Lot 162, and the division of land will create a buildable lot out of the balance of Lot 163, leaving it with a width of 43 feet and a depth of 104.60 feet for a total land area of 4,597 square feet.

The Board does believe that the slight variation in lot width will be compatible with the area and will give reasonable relief to an unusual situation.

This recommendation received unanimous support of the Board.

Sincerely,

DAVID L. PURVIS,  
for Alan E. Tubbs,  
Secretary,  
Lansing Planning Board.

Referred to Committee on Planning.

LS-15-76

3130 North East Street

Honorable Mayor and

Members of City Council:

The Planning Board, at their meeting of October 19, 1976, recommended that the request by David M. Lick, Attorney for Clare and Maria Vandecar to divide Lot 4 of East Street Subdivision be approved. This request is being made in accord with the Subdivision Control Ordinance.

The Board found, based on testimony and evidence, that the entire lot is now developed with a commercial structure on the North East Street frontage, and a residential structure to the rear on Community Street. The development has existed in this manner since it was annexed to the City of Lansing.

The Board believes that the lot division would be in the best interests of the community since it will separate two unrelated uses, and allow for their separate sale and discourage encroachment of commercial facilities toward the east and into the established residential district.

It is further pointed out that when the City Council rezoned this property on February 5, 1973, the change of zoning ad-

ressed these issues since zoning was not granted for the entire depth of Lot 4.

Sincerely,

DAVID L. PURVIS,  
for Alan E. Tubbs,  
Secretary,  
Lansing Planning Board.

CD Program Recommendations

Third Year

Honorable Mayor and

Members of City Council:

The Planning Board, at their October 19, 1976 meeting, recommended to the Mayor and City Council the attached overall Community Development Program recommendations for both the three year and the third program year. The program recommendations have been prepared in conjunction with appropriate city departments and offices to meet the stated needs. Each recommended program has a corresponding rationale explaining its inclusion in the Statement.

The C.D. program continues to emphasize the revitalization of residential neighborhoods. Therefore, by completing the housing and public improvement activities in the three neighborhood development areas within the first three program years, the intent will be realized in the shortest possible program period.

It is further recommended that the residual funds and deferred project fund allocations (e.g., Eastside Center, Westside fire station) beyond the first three year program be reallocated to projects having increased cost demands for completion. The recommended third year budget needs are illustrated in the tables (pages 9 and 10) of the attached recommended program.

If the Board can provide further information on these program recommendations, please contact me.

Sincerely,

JAMES R. SPACKMAN,  
for Alan E. Tubbs,  
Secretary,  
Lansing Planning Board.

ACT 285 Review Guidelines

Honorable Mayor and

Members of City Council

The Planning Board has amended the document entitled "Department Guidelines for Act 285 Review Process" and desires to inform you accordingly. The Board approved

the amendment at their meeting of October 19, 1976. A copy is attached for your information and file. (Please discard the copy on file that was submitted to you in June of 1975.)

The amendment was made basically to allow for public hearings on all Act 285 review projects which would provide a broader base from which to evaluate all projects.

Sincerely,

JAMES R. SPACKMAN,  
for Alan E. Tubbs,  
Secretary,  
Lansing Planning Board.

October 13, 1976

Honorable Mayor Gerald W. Graves and

Lansing City Council Members

10th Floor—City Hall

Lansing, Michigan 48933

Dear Mayor Graves and

City Council Members:

During the past year it was brought to the attention of the Mayor and Council that the City of Lansing's Affirmative Action Plan was not totally in compliance with the affirmative action policies and guidelines outlined in current state and federal legislation. The Committee of the Whole held discussions on this matter on March 10 and May 11, 1976. As a result of these discussions, I made some observations as follows:

1. The alleged discrepancies in our existing Affirmative Action Plan could not be readily identified and Council could not meet frequently enough to resolve the alleged discrepancies through the Committee of the Whole process;
2. It appeared that the most effective method to use in identifying discrepancies and working out acceptable solutions would be to establish an ad hoc committee composed of appropriate staff, citizens and representatives of groups who had expressed a concern about the current Affirmative Action Plan.

I request that Richard Letts, Human Relations Director, chair an Ad Hoc Affirmative Action Advisory Committee. This committee was charged with developing specific and concise changes, if any, to me no later than August 2, pertaining to Lansing's Affirmative Action Plan. In addition, I requested that the committee also review the administrative procedures required to execute their recommendations. I also recommended that the committee investigate new employment testing procedures as a possible replacement for the Pressey Test which we have used for a number of years.

The Ad Hoc Affirmative Action Advisory Committee was established and consisted of representatives from the Ingham County Equal Opportunity Committee, NAACP, Cristo Rey Community Center, Quinto Sol, United Migrants, Urban League, Commission on Handicapped, Michigan Women's Commission, Civil Rights Commission, Oldsmobile, select City Department heads, and others.

After two months of intensive meetings and after making an in-depth study of federal and state guidelines relative to employment practices, etc., the Ad Hoc Affirmative Action Advisory Committee submitted a number of comprehensive recommendations and have proposed a revision to Part I of Lansing's Affirmative Action Plan. Further, the committee submitted an Affirmative Action Plan Outline which details the responsibilities of all implementing individuals, agencies and/or offices within the City of Lansing. A summary of the recommendations is found at Tab A. At Tab B is the recommended revision to Part I of Lansing's Affirmative Action Plan. At Tab C is the recommended Affirmative Action Plan Outline. I have also included at Tab D the members of the Ad Hoc Affirmative Action Advisory Committee. For your information, a comparison sheet of the existing and proposed revised language to Part I of the Affirmative Action Plan is at Tab E.

I have made a detailed study and analysis of the committee's recommendations and it is my considered opinion that their recommendations should be accepted in total. Accordingly, as Mayor Pro-Tem, I wish to schedule a special Committee of the Whole Meeting for 4:00 p.m. on Thursday, October 21, 1976 in the Council Conference Room. It is respectfully requested that you review the attached papers prior to that meeting. I would propose, with your concurrence, and if our discussion so indicates, to place the Resolution found at Tab F on the Council Agenda for Monday, October 25. This Resolution resolves that the City Council reaffirms the City's amended Affirmative Action Plan of November, 1972 and adopts the revised language to Part I of Lansing's Affirmative Action Plan and the Affirmative Action Plan Outline, as proposed by the Ad Hoc Affirmative Action Advisory Committee.

I would like to express my heartfelt thanks to the Ad Hoc Affirmative Action Advisory Committee for their participation and the professionalism of their report.

Respectfully,

TERRY J. McKANE,  
Mayor Pro-Tem.

Referred to Committee of the Whole.

October 18, 1976

Honorable Mayor and  
Members of the City Council

Gentlemen:

It has been brought to my attention that neither the east side nor the west side of Cedar Street from Willoughby Road north to Miller has adequate sidewalks for pedestrians.

trians or bike riders. Some businesses have built sidewalks while others simply have grassy lawn areas and still others actually have placed large stones and rocks where sidewalks are to be located. This creates a hardship for many people including the following: 1) Pedestrians who are walking from or to Long's Convention Center or any of the neighboring motels; 2) senior citizens who ride their bikes to various shopping areas, and 3) pedestrians and bike riders passing in the area who find Cedar Street hazardous to their health.

For these reasons, I am requesting that the Public Service Department be directed by the Council to survey the area to determine the cost for installing such sidewalks, the method of payment and to recommend a contract back to the City Council for installation of the remaining sidewalks this coming spring construction season.

Your expeditious consideration of this request would be appreciated by the residents who use this area.

Respectfully yours,

RICHARD J. BAKER,  
Councilman-at-Large.

Referred to Department of Public Service.

October 18, 1976

Honorable Mayor and  
Members of City Council

Lansing, Michigan

Gentlemen:

I have received the attached letter from Mr. Ephraim Sorrells, who is a resident and owner of property located at 1024 W. Kalamazoo Street (corner of Kalamazoo and Logan). Mr. Sorrells is an elderly man who has lived at this location for a number of years. Due to his age and the environmental conditions in this area, he is experiencing a great amount of respiratory problems resulting from automobile exhaust fumes from Logan and Kalamazoo Streets. Mr. Sorrells is interested in offering to sell his property to the City of Lansing if the city has interest in purchasing it.

I would appreciate this letter referred to the Committee on Buildings and Properties and to have the committee make a recommendation to City Council regarding the possibility of the City to purchase this property.

Respectfully,

RICHARD J. BAKER,  
Councilman-at-Large,

Referred to Committee on Buildings and Properties.

October 21, 1976

Honorable Mayor Pro-Tem and  
Members of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem and  
Council Members:

The following is a Resolution which I proposed before the Building Commission of the State of Michigan on October 12, 1976, and which was unanimously approved:

"Whereas, The State Building Commission has on several occasions requested the Joint Capital Outlay Subcommittee to approve the schematics, now completed, for the Kalamazoo Street Office Building and the Ottawa Street Office Building, to be located in Lansing, Michigan's Capital City; and

Whereas, The Joint Capital Outlay Subcommittee has advised in the past that such schematics have not been approved, even though completed, because the possibility of funding such capital outlay was not readily available; and

Whereas, the Michigan Legislature, upon the urging of the Governor and the State Building Commission, has approved a bonding proposal and the establishment of a State Building Authority, to implement construction, contingent upon a favorable decision of the State Supreme Court; and

Whereas, The aforementioned clearly indicates the availability of funding for said major construction in Michigan's Capital City, with time being of essence; and

Whereas, In conjunction, the United States Congress has approved the Public Works Act of 1976, funds which can be used for design purposes, but which must be utilized within 90 days after applications are approved by the Economic Development Administration of the Department of Commerce; and

Now, Therefore, Be It Resolved, The State Building Commission urges the Joint Capital Outlay Subcommittee to approve the schematic plans and the release of funds to complete the preliminary plans for the Kalamazoo Street Office Building and the Ottawa Street Office Building as soon as possible so that planning can proceed to allow construction of the buildings under the recently enacted Building Authority Act."

The aforementioned buildings, and central chiller system, are mammoth in size, with estimated costs ranging around \$90 million. Governor William G. Milliken and the State Building Commission have proposed both as being necessary, especially in view of the fact that State offices are scattered throughout the Greater Lansing Area. The shortage of space is approximately 600,000 to 700,000 square feet—with space needs of the State of Michigan growing at approximately 10% per year, it is obvious that during the 5-6 years necessary for architectural planning, bid letting and construction, the problem of space needs in the City of Lansing proper are only being partially met. At this time, several departments are seeking lease space in the Central Business District, but such is not now available.

Therefore, I am asking your formal support through the adoption of a Resolution at an early a date as possible, so that such

Resolution can be forwarded to the members of the Michigan Legislature.

Sincerely,

GERALD W. GRAVES,  
Mayor.

Referred to Committee of the Whole.

Councilman Baker left the session.

### RESOLUTIONS

By Committee on Community  
Development—

Resolved by the City Council of the City of Lansing:

That, the Mayor and City Clerk are hereby authorized and directed to execute Amendment No. 1, to the contract dated August 6, 1976, for appraisal services by and between the City of Lansing and Terrell R. Oetzel pertaining to property acquisition in Neighborhood Development Area No. 1—West Side, increasing the contract price by Two-hundred fifty and 00/100 dollars (\$250.00) due to additional work, from a total of Four thousand, one-hundred and 00/100 dollars (\$4,100.00) to a maximum not to exceed amount of Four thousand, three-hundred fifty and 00/100 dollars (\$4,350.00).

This amendment is subject to approval as to form by the City Attorney, and certification as to the availability of funds in Account No. 258-839-641-971 by the Finance Director.

Adopted by the following vote:

Unanimously.

Councilman Baker returned to session.

By Committee on Community  
Development—

Resolved by the City Council of the City of Lansing:

That the Mayor and City Clerk be and are hereby authorized and directed to execute appropriate contract amendments pertaining to Title Services with Transamerica Title Insurance Company as follows:

1. Neighborhood Development Area No. 1 contract dated August 6, 1976

Add to: **Scope of Services** (Item 1)

6. Contractor shall prepare adequate warranty deed to support the change of property ownership.

Add to: **Compensation** (Item 3)

5. For preparation of warranty deed, 28 parcels at \$15.00 each—\$420.00 (Account 258-839-641-971)

2. Neighborhood Development Area No. 2 contract dated October 6, 1976.

Add to: **Scope of Services** (Item 1)

6. Contractor shall prepare adequate warranty deed to support the change of property ownership.

Add to: **Compensation** (Item 3)

5. For preparation of warranty deed, 26 parcels at \$15.00 each—\$390.00 (Account 258-839-642-971)

The above amendments are subject to approval as to form by the City Attorney and certification as to availability of funds by the Finance Director.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and  
Properties—

Resolved by the City Council of the City of Lansing:

That the City Assessor be, and he is hereby directed to spread on the July, 1977 tax roll (L-11), the cost of cutting weeds in the year 1976, in the amount of \$1,620.00, as reported this date by the Building Commissioner.

Adopted by the following vote:

Unanimously.

By Councilman Gunther—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing and the Lansing Tri-County Regional Manpower Consortium have entered into an agreement to provide for the planning and delivery of manpower services pursuant to the Public Works and Economic Development Act of 1965, Title X, Contract No. 896.01; and

Whereas, residual funds have accumulated due to temporary job vacancies; and

Whereas, These residual funds have been reprogrammed to extend ten (10) positions an additional thirty-nine (39) weeks, or an average of 3.9 weeks per position, no position, however, being extended beyond the contract termination date, December 31, 1976; and

Whereas, the City of Lansing has modified Contract No. 896.01, Title X, to reflect the extension of the above mentioned ten (10) positions, the effective date of this modification being November 1, 1976;

Now Therefore Be It Resolved, that the City Council approved said modification and direct the Mayor and City Clerk to sign said modified contract.

Adopted by the following vote:

Unanimously.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

SUP-17-76

208 W. Miller Road

Whereas, Richard A. Berry, President of the Berry Construction Company Incorporated, desires to use the house constructed at 208 W. Miller Road as a model home and sales office in conjunction with Delaware Park No. 2 Subdivision, for a period of not to exceed three years, as outlined in Zoning Ordinance Section 36-17(7) and

Whereas, the property is described as:

Beginning on the south section line 405.59 ft. west of the south  $\frac{1}{4}$  corner of section 4, T3N, R2W, City of Lansing, Ingham County, Michigan; thence N00° 04'E 151 ft.; thence west 85.95 ft.; thence S00°04'W 151 ft.; thence east 85.95 ft. to the point of beginning, and

Whereas, this request is an allowable land use as set forth in Section 36-17(7) of the Lansing City Code; and

Whereas the Planning Committee of Council to whom was referred this request and recommends approval in accord with Section 36-17(7) of the Zoning Code.

Now, Therefore Be It Resolved that effective with the date of passage of this resolution by the City Council, the developer and the builder, Mr. Richard A. Berry, is permitted to use the model home as a sales office only, at 208 W. Miller Road for a period not to exceed three years in conjunction with the development of Delaware Park No. 2 pursuant to Section 36-17(7) of the Lansing Zoning Code, and that a bond of \$3,000 be filed with the City Clerk prior to occupancy.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, Proposal "C" on November 2nd ballot would limit state taxes and spending to 8.3 percent of the combined personal income of all residents of the State of Michigan; and

Whereas, Proposal "C" would thus limit the revenues available from the Gasoline and Weight Tax; and

Whereas, the City of Lansing utilizes these revenues for 100% of all street maintenance and for the majority of the street construction within the City, in the amount of \$2,990,000 in fiscal 1976; and

Whereas, limiting the Gas and Weight Tax would not allow the City of Lansing to pay the rising costs of street mainten-

ance and construction from this source, thus forcing the City to levy property taxes for streets; and

Whereas, the City of Lansing received \$3,727,000 in other State Shared Revenues in fiscal 1976, which accounted for 15.4% of the total cost of general governmental operations; and

Whereas, the limitation of state revenues may cause a decline in the proportion of this source of funds for general governmental operations, thus forcing the City to levy additional property taxes to finance rising costs; and

Whereas, the inequities of the property tax, particularly in the case of persons forced to live on fixed income, makes this shift in taxation unfair and unacceptable;

Now, Therefore, Be It Resolved that the Lansing City Council is in opposition to Proposal "C" from the standpoint of our own local financial capabilities and urges the citizens of Lansing to give serious consideration to the possible negative financial effects of Proposal "C".

Adopted by the following vote:

Yeas: Councilmen Baker, Blair, Gunther, Hull, McKane—5.

Nays: Councilmen Adado, Belen, Brenke—3.

By Councilman Baker—

That the council recess for 5-minutes to change the tape.

Councilman McKane asked if the time could be extended under Council rules section 47—Executive Session (3) so the Council could go into Executive Session for discussion on Compulsory Arbitration procedures relative to Lodge 141, Fraternal Order of Police.

By Councilman Belen—

That Councilman Baker's motion for a 5-minute recess be amended to a 15-minute recess.

Adopted by the following vote:

Unanimously.

Councilman McKane asked Mayor Graves, Chief Asst. City Attorney Sanderson, Daniel Bodwin, Personnel Director and City Clerk, Theo Fulton to be present.

The Council recessed at 9:05 p.m.

Councilman McKane presented a resolution relative to the appointment of Daniel J. Bodwin as the City's member of an Arbitration Panel as required under the provisions of Public Act 312 relative contract with Lodge 141, the Fraternal Order of

Police and authorized and directed to contract for the services of such qualified Labor Law Legal Counsel as is deemed to be in the best interest of the city.

Mr. Bodwin made explanation and was asked questions.

The Council reconvened at 9:20 p.m.

Chief Asst. City Attorney Sanderson ruled on the legality of the Executive Session.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas: Some concerns have been expressed that the City of Lansing's existing Affirmative Action Plan should be reviewed and brought into conformance with new state and federal regulations; and

Whereas: An Ad Hoc Affirmative Action Advisory Committee was established for the expressed purpose of preparing specific and concise recommendations relative to Lansing's Affirmative Action Plan, policies, and practices, to include suggested forms and administrative procedures; and

Whereas: The Committee was also advised to investigate new employment testing procedures as a possible replacement for the Pressey Test that has been utilized by the City's Personnel Department for testing purposes; and

Whereas: The Ad Hoc Affirmative Action Advisory Committee has completed their committee deliberations and incorporated their findings in Part I of Lansing's Affirmative Action Plan and enumerated the implementation procedures in an Affirmative Action Plan Outline;

Now, Therefore, Be It Resolved that the Lansing City Council reaffirms the City's amended Affirmative Action Plan, dated November, 1972; and

Be It Further Resolved that the Lansing City Council adopts the revised language to Part I of Lansing's Affirmative Action Plan and the Affirmative Action Plan Outline, appended hereto; and

Be It Finally Resolved that the guidelines for implementation of the revised Affirmative Action Plan be adopted in accordance with the Affirmative Action Plan Outline.

Adopted by the following vote:

Unanimously.

By Parks and Recreation Committee—

Resolved by the City Council of the City of Lansing:

Whereas, the Program Coordinator's Office has been authorized by Resolution to submit a grant application with the Michigan History Division for the preservation and restoration of Dodge Mansion for \$5,000.

Now, Therefore, Be It Resolved that that resolution be amended so that the grant monies can be spent on painting and preserving the exterior rather than the interior of the Dodge Mansion and the City of Lansing's share will be provided from monies budgeted in the FY76-77 Parks and Recreation Department Account No. 101-936-730-976.

Adopted by the following vote:

Yeas: Councilmen Adado, Baker, Belen, Blair, Gunther, Hull, McKane—7.

Nay: Councilman Brenke—1.

By Councilman Baker, Chairman, Planning Committee—

Resolved by the City Council of the City of Lansing:

Whereas, the City Council directed the Planning Committee to develop procedures to process industrial development and plant rehabilitation applications in the City of Lansing, and

Whereas, the committee, composed of the City Attorney, the City Assessor, Councilman Gunther, Ray Steeb, Metropolitan Development Authority, and the City Planner have drawn up such procedures on behalf of the Planning Committee, and

Whereas, the Planning Committee has reviewed these procedures and concurs therein,

Now, Therefore, Be It Resolved that the Council of the City of Lansing hereby adopts the attached procedures to be used in processing industrial development and plant rehabilitation district applications in the City of Lansing.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

That John T. Turnquist be and he is hereby appointed as the citizen representative to Tri-County Regional Planning Commission for a term expiring April 30, 1977.

By Councilman Blair—

That the resolution be amended by adding the following:

That Councilman Robert Hull be appointed as the City's Third Elected Official on the Tri-County Regional Planning Board.

Carried.

The resolution as amended was adopted by the following vote:

Unanimously.

By Committee on Personnel—

Resolved by the City Council of the City of Lansing:

That effective October 25, 1976 the City Personnel Director is authorized and directed to effect the following changes, in Classification Title only, within the Human Resources Department section of the Classification and compensation Plan:

- I—Project Development Specialist VIIA to Information and Referral Coordinator VIIA.
- II—Project Management Supervisor VIII to Contract Management Supervisor VIII.
- III—Project Development Coordinator VI to Project Manager VI.

Adopted by the following vote:

Unanimously.

By Committee on Personnel—

Resolved by the City Council of the City of Lansing:

That effective July 1, 1976 the City Personnel Director is authorized and directed to effect the following changes to the City's Personnel Rule Book and to have the same amended and reprinted within a suitable format:

#### Rule IA Hours (Salaried Personnel)

Section B delete reference to "F.L.S.A. exempt personnel."

**ZONIGS**

## By Councilman Baker—

Whereas, it is deemed desirable to amend the Classification provided for in the Zoning Code of the City of Lansing, passed on the 13th day of November, 1958, in the following particulars, viz:

That property described as:

Z-47-76—1001 So. Pennsylvania Ave.

be re-zoned from "C" Two Family Residence District to "E" Apartment-Shop District and the "Map" be changed to indicate such transfer;

Therefore, be it resolved, that the City Clerk shall give at least fifteen days notice of a Public Hearing when all persons interested may attend and make any objections they may have to such proposed changes in said Zoning Code.

Resolved further, that such hearing shall be held at the Council Chamber in the City Hall on the 15th day of November, 1976, at 7:30 o'clock p.m., and that notice of such hearing be published in the official publication of said city, as required by law.

Adopted by the following vote:

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

SUP-15-76 — 423 Astor Street

More particularly described as:

Lot 26 and Lots 168 and 169, Homedale Subdivision.

Whereas, pursuant to Section 36-42(12) of the Zoning Ordinance, a request was made to operate an adult foster care home upon the premises known as 423 Astor Street; and

Whereas the Planning Board, on September 14, 1976, held a public hearing and following the public hearing recommended denial of the request for a Special Use Permit; and

Whereas the Planning Committee of Council, to whom this report was referred, concurred therewith;

Now, Therefore, Be It Resolved that the request for a Special Use Permit on the above described property be denied.

By Councilman Adado—

That Councilman Blair be excused from voting on this resolution.

Carried.

Adopted by the following vote:

Unanimously.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

SUP-14-76 — 718 Banghart

More particularly described as:

Lots 32 and 33 and the east  $\frac{1}{2}$  of Lot 34, Northlawn Subdivision, City of Lansing, Ingham County, Michigan.

Whereas, pursuant to Section 36-42 (12) of the Zoning Ordinance, a request was made by Ruth M. Martinez to expand her present adult foster care facility from two (2) to three (3) female, ambulatory, elderly residents on the above described premises; and

Whereas the Planning Board, on September 14, 1976, held a public hearing, and following that public hearing recommended approval of the request; and

Whereas the Planning Committee of Council, to whom the report of the Planning Board was referred, concurred therewith;

Now, Therefore, Be It Resolved that the Council of the City of Lansing officially expresses its intent to approve this Special Use Permit, SUP-14-76, as recommended by the Planning Committee for a maximum of three (3) adults following certification by the Building, Planning and Fire Departments that the following necessary code compliance alterations have been completed on the above described property, located at 718 Banghart:

- (1) Installation of handrails in the stairway to the basement,
- (2) Removal of combustible tape from all heat duct pipes in the basement, and
- (3) Installation of automatic closer to the kitchen door leading to the basement, and

the receipt by the City of Lansing Council of written confirmation from the State Licensing Division that the square footage of the room in which these individuals would be housed either meets their minimum requirements or that the amount provided is adequate.

Adopted by the following vote:

Unanimously.

By Councilman Baker—

Whereas, by petition duly filed on the 23rd day of August, 1976, this council was petitioned to change the following described property from "A" One Family Residence District to "D-1" Professional Office District all as set forth in the Zoning Code of this city, and

Whereas, due notice as required by law has been given for a public hearing on said petition, and

Whereas, at such hearing held on the 18th day of October, 1976, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is described as:

Honorable Mayor and Members  
of the City Council

City Hall

Lansing, Michigan  
Gentlemen:

Re: City of Lansing, Michigan  
\$12,000,000 City Utilities System  
Revenue Bonds, Series 1976

Please be advised that pursuant to Ordinance No. 26A, adopted by City Council, December 29, 1975, our Board having complied with the provisions thereof, did receive bids for the purchase of the above bonds on Monday, October 25, 1976, at 2:00 p.m. Five bids were received at that time.

The bonds were awarded to the bidder whose bid produced the lowest interest cost, Bache Halsey Stuart, Inc. and Associates, and a resolution was adopted by our Board at its regular meeting last evening accepting their bid. (Copy of the resolution is attached.)

We are pleased to report that these bonds dated March 1, 1976, were given a Triple A investment rating by both Moody's and Standard & Poors, thus continuing our AAA status.

We wish to thank you for your cooperation and assistance in adopting the neces-

sary legislation authorizing the sale of these bonds to provide the necessary funds to finance certain improvements and additions to the city's electric, water and steam system.

Respectfully submitted,

ROLAND F. RHEAD,  
Chairman.

Lansing, Michigan

November 1, 1976

The City Council of the City of Lansing, Michigan, met in regular session and was called to order by Mayor Graves.

Present: Councilmen Adado, Baker, Belen, Blair, Brenke, Gunther, Hull, McKane—8.

Absent: None.

The Clerk announced that a quorum of the Council was present.

Invocation was given by Councilman Gunther.

Pledge of Allegiance was given by Scott Cote.

By Councilman McKane—

That the Council Proceedings of October 18, 1976, be approved.

Carried.

By Councilman Hull—

Presented Demetrios A. Sazani, the New Civic Center Manager.

By Councilman McKane—

Resolved by the City Council of the City of Lansing:

That the rule prescribed in Sec. 5.5 (g) of the Charter relative to considering business not on the agenda be waived to present Resolution No. 4 to Mr. Harry Froehlich.

Carried.

Councilman McKane read the following and presented Mr. Froehlich with the resolution.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, Harry Froehlich has been determined to be the best Public Transportation Bus Driver in the Nation; and

Whereas, this determination was made by Mr. Froehlich's participation in a North American Roaddeo which was sponsored by the American Public Transportation Association in San Francisco; and,

Whereas, the winner of this roaddeo was to be a driver who best exemplified safety and driving skills; and,

Whereas, Harry Froehlich had been previously declared the Capital Area Transportation Authority's best driver as a result of a locally sponsored roaddeo which was to select Lansing's member to the National Roaddeo; and,

Whereas, Harry Froehlich competed with the best drivers in North America at the San Francisco Roaddeo; and,

Whereas, the awarding of the title "Best Bus Driver in North America" brings great credit to the Capital Area Transportation Authority, the City of Lansing and Mr. Froehlich;

Now, Therefore, Be It Resolved that the Mayor and City Council commends the Capital Area Transportation Authority and Mr. Froehlich for bringing such recognition to this community; and,

Be It Finally Resolved that this resolution be signed by the Mayor and the members of the City Council and presented to Mr. Froehlich with appreciation for his exemplary abilities as a Public Transit driver.

By Councilman McKane—

That the following amendment be made:

That Tuesday, November 2, 1976, be declared "Harry Froehlich Day" in Lansing.

Adopted by the following vote:

Unanimously.

Mayor Graves introduced V. K. Arora, Superintending Engineer (Roads), Ministry of Shipping and Transport (equivalent of Regional Engineer, Federal Highway Administration) of New Delhi, India, who is in the United States to study the transportation planning process. Mayor Graves presented him with a proclamation, proclaiming November 1, 1976, as "V. K. Arora Day."

**THE PUBLIC MAY NOW ADDRESS THE CITY COUNCIL ON ANY NON-AGENDA ITEM. YOU MAY SPEAK ONLY FOR 3-MINUTES ON ANY ITEM.**

October 28, 1976

Honorable Mayor and  
Members of City Council  
Gentlemen:

As part of our series of final inspections on the Kingsley Center we have identified five items which will require correction before we open the building. All five are minor items which were not specified, but should be changed at this time to avoid future problems.

I am recommending a Change Order on the Haussman contract be authorized for the following items:

1. Add acoustic ceiling tile in the Nursery .....	\$1,155.00
2. Replace laminated glass with 1/4 in. wire glass .....	298.00
3. Add locking mechanism to two interior corridor doors .....	405.65
4. Change restroom light switches to key type units .....	106.00
5. Change water faucets to tempered water-timed units .....	400.00
<b>TOTAL COST .....</b>	<b>\$2,364.65</b>

Funds are available for these changes in the Kingsley Development Account No. 261-936-664-971. I would be glad to inspect the Center with anyone having a question on these items.

Sincerely,  
THEODORE J. HASKELL,  
Director,  
Parks and Recreation  
Department.

Re: Artificial Ice Rink Equipment

Gentlemen:

As a part of the 1975-76 Artificial Ice Rink Equipment Account budget we were funded for the purchase of Zamboni Ice Machine, sound equipment, a snow plow blade, and for the installation of Sonitrol. A total appropriation was \$16,300.00.

Because of bankruptcy we were able to purchase from the Metro Ice Arena a used Zamboni as well as a spare tire and wheel, an ice edger, a spare Zamboni blade, coin lockers, concession equipment, and ten pairs of rental skates. The sound equipment and snow plow blade as well as Sonitrol installation were purchased as budgeted.

Following examination of similar municipal ice operations in Flint, Kalamazoo, and Ann Arbor, we are recommending the purchase of two items not previously requested.

We are seeking authorization to purchase a Skate Sharpener at an estimated cost of \$425.00. People wishing to have sharpening done will leave skates for 24 hours, therefore allowing us to do the work with existing personnel as time is available. Cost for sharpening will be \$1.00. Examination of both municipal and private rink operations indicate the sharpener will be paid for within one operating season.

We are also requesting authorization to purchase an additional 40 pair of new rental-style ice skates. These are currently available at \$20.00 per pair from the attorney handling the Metro Ice Arena liquidation. These skates would be rented at a charge of 50¢ per pair for each general two-hour open skating session. All pairs are marked for easy identification.

We do have the facilities and the manpower to operate such a rental service. The rental of this number of skates would not increase our labor or other related operating costs.

Currently there is \$1,300.00 remaining in the Artificial Ice Rink Equipment Account. I am requesting authorization to use this appropriation for the purchase of Skate Sharpener and 40 pair of rental skates. Both would generate revenue sufficient to cover the cost of original investment, and beyond that to offset the cost of rink operation. No additional operating costs will be experienced as a result of either purchase.

Sincerely,  
THEODORE J. HASKELL,  
Director,  
Parks and Recreation  
Department.

Referred to Committee on Parks and Recreation.

## REPORT OF COMMITTEE

The Committee on PARKS AND RECREATION and the Committee on FINANCE, to whom was referred the recommendation of the Parks and Recreation Director relative to the purchase of a skate sharpener and rental skates for the concession operation at the Washington Park Ice Rink, reports as follows:

The Committee on Parks and Recreation, and the Committee on Finance concur with the recommendation to purchase the sharpener and skates from the budgeted 101-699-000-977 Washington Park Artificial Ice Rink Equipment account.

Honorable Mayor Gerald W. Graves and  
Members of Lansing City Council  
Tenth Floor, City Hall  
Lansing, Michigan 48933

Subject: HR 12455, Day Care Legislation  
Dear Mayor and Council Members:

HR 12455, a bill which would suspend the Federal Interagency Day Care Requirements' staffing standards and provide additional Federal Day Care funds has been signed by President Ford.

In addition to suspending the F.I.D.C.R. staffing standards until October 1, 1977, the bill appropriates two hundred million dollars (\$200,000,000.00) without a match requirement from October 1, 1976 to September 30, 1977. Day Care providers will be able to receive up to \$5,000.00 on grants and/or tax credits for hiring welfare recipients.

However, due to the omission of the "Maintenance of Effort" clause in Bill HR 12455, the state of Michigan can supplement the 8.6 million dollars from the federal government for State monies already budgeted for Day Care. This is not the intent of the bill, and the federally-certified Day Care centers need more money. The new federal certification is being increased from an adult ratio of one to every five children to one to every four children.

The City of Lansing, through the Human Resources Department, has committed by contracts to federally-certified centers two hundred thousand dollars (\$200,000.00) for 1976-77, and are aware that this is to supplement centers who are serving 74% of low income families.

Our recommendation is for the City Council to send a letter to Senator Earl E. Nelson with copies to Representative Caris, Representative Larsen and C. Patrick Babcock, special advisor to the Governor, stating that the 8.6 million dollars coming into the state of Michigan be used to further assist federally-certified centers as is the intent of the bill, HR 12455.

Sincerely,

JOSEPH POPEVICH,  
Chairman,  
Human Resources Advisory  
Board.

Referred to Committee of the Whole.

October 28, 1976

Honorable Mayor Graves and  
Members of City Council  
Gentlemen:

At the request of the Lansing Community College, the Traffic Board reviewed

the availability of and necessity for passenger loading on Capitol Avenue. The Board recommended that a loading zone be established on the west side of Capitol Avenue immediately south of Genesee Street, the length to be determined by the Traffic Engineer. A portion of this passenger loading zone would also be utilized as a bus stop.

A field inspection by the Traffic Department revealed that the loading zone should extend 118 feet south of Genesee Street. This will involve removing three parking meters and erecting appropriate No Parking signs.

Respectively submitted,

LANSING TRAFFIC BOARD  
Raymond O. Severy,  
Secretary.

Referred to Committee on Public Safety.

October 28, 1976

Honorable Mayor and Members of  
Lansing City Council  
Gentlemen:

During this past summer, I had reason to request copies of some reports prepared by a city department for that department's citizen board. I was told it would not be available to me until the board had seen the report and had acted on it.

I felt at that time that it wasn't a correct interpretation of the state law; that documents prepared at public expense for making public policy certainly should be available to not only general public but to elected officials.

Subsequently, I requested an opinion by the City Attorney in regard to confidentiality of department reports. A copy of the City Attorney's reply is attached.

The major finding on this opinion is that in fact such reports are public record that "once the report in question was prepared and kept in the Traffic Department, it became a public document open to public inspection and that it is immaterial whether or not the report had been formally submitted to the Traffic Board." The City Attorney goes on to say that as the report was thus open to public inspection generally, it was certainly open to members of the City Council.

I would ask that a copy of this opinion by the City Attorney be distributed to all city departments who may have reason to have contact with the public or with elected officials so that in the future they may have this as a basis to determine what is the proper response to make when requests are made to them for public documents.

Finally, I think the City Attorney's opinion makes clear that the public does have a right to have access to public documents and I would expect the city officials would act accordingly. However,

if it is found in the future that such is not the case, then I would feel that City Council should actively consider introducing a public records ordinance for the City of Lansing which would clarify to greater extent the right of the general public and public officials to have access to all public documents. Your consideration and comments in the distribution of this letter would be appreciated.

Respectfully yours,

RICHARD J. BAKER,  
Councilman-at-Large.

Referred to all departments and all City Boards.

Honorable Mayor Pro-Tem and Members  
of the Lansing City Council  
City Hall

Lansing, Michigan

Dear Mayor Pro-Tem and  
Council Members:

On October 18, 1976, the Committee on Buildings and Properties passed the following Resolution:

"That the one membership from the First Ward on the Civic Center Board for a term expiring June, 1977, is hereby declared vacant."

Said Resolution passed by a vote of 8-0, and in accordance with same, I am herewith submitting to you for your confirmation the name of Mrs. Anna Hulbert to fill the vacancy, previously held by William O'Donnell, for the term ending June 30, 1977.

Mrs. Hulbert, 65 years of age, came to Lansing from Manistee 46 years ago. She was employed at Fisher Body for 16 years and has been active in volunteer work in the community. She is Chairperson of the U.A.W., Local 602 (Fisher Body), Retirees Chapter and the Financial Secretary of the KEENAGERS of the Penway Church of God. She is a member of that Church and resides at 431 S. Francis Street. She, also, served on the original Advisory Committee to the Senior Citizen's Coordinating and Information Department.

Because of the recent discussion in regard to placing a Senior Citizen Center as an addition to the present Lansing Civic Center, I am nominating a Senior Citizen to this Board in an effort to work with the other members of the Board in relaying the feelings and needs of this segment of our community.

Trusting this recommendation meets your approval, I remain

Sincerely,

GERALD W. GRAVES,  
Mayor.

Referred to Committee on Buildings and Properties.

## RESOLUTIONS

By Committee on Parks and Recreation—

Resolved by the City Council of the City of Lansing:

Whereas, the City Council has approved certain improvements in Davis Park as part of the Title X project, and

Whereas, a restroom building was among these improvements and has now been designed and bids received, and

Whereas, the low bid including Alternate No. 1 was received from Charles Featherly Construction Company in the amount of \$25,710.00, and

Whereas, this amount has been budgeted in account No. 712-936-649-975.

Now, Therefore, Be It Resolved that the Purchasing Director and the Director of Parks and Recreation prepare a contract with Featherly Construction Company and upon approval of the contract by the City Attorney, and the certification as to availability of funds, the Mayor and Clerk be authorized and directed to sign on behalf of the City.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

That the City Assessor be, and he is hereby directed to spread on the July, 1977 Tax Roll (L-11), the cost of cutting weeds in the year 1976, in the amount of \$1,240.00, as reported this date by the Building Commissioner.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

## APPLICATION TO WITHHOLD FROM SALE

Whereas, the following described land(s) in Ingham County:

E. 33 ft. of Lot 12, Block 45, Original Plat, City of Lansing (215 W. Kilborn St.)

were deeded to the State of Michigan on the 5th day of May, 1976, through non-redemption from the county treasurer October 7, 1975 tax sale.

Whereas, said lands are now under the jurisdiction of the Department of Natural Resources and may be withheld from the

first sale at which they are scheduled to be offered for the purpose of redemption on behalf of the former owner as provided for in Section 131c of Act 206, Public Acts of 1893, as amended.

Now, Therefore, Be It Resolved by the City of Lansing that application is hereby made to the Department of Natural Resources to withhold said lands from sale, and,

Be It Further Resolved that said City of Lansing does hereby authorize the county treasurer to collect all delinquent taxes on said lands if application is made by the owner thereof during the period for which said lands are withheld from sale by this application.

## CERTIFICATION

I hereby certify that the above is a true and correct copy of a resolution offered and adopted by the City of Lansing on the 1st day of November, 1976.

THEO FULTON,  
Clerk of Lansing.

Adopted by the following vote:

Unanimously.

By Committee on Public Safety—

Resolved by the City Council of the City of Lansing:

That the appointment of John L. Lynch to the Lansing Board of Police Commissioners for a term expiring June 30, 1979, be confirmed.

Adopted by the following vote:

Unanimously.

By Committee on Parks and Recreation—

Resolved by the City Council of the City of Lansing:

Whereas, the City Council approved the concept of construction of the Red Cedar Bike Path Link and directed the Purchasing Director to proceed with bidding such construction, and

Whereas, the low bid including deductive alternate 1 and 2 for development from the Riverfront Park to the Kalamazoo Street Bridge were received from Brown Brothers in the total amount of \$211,000 plus \$23,550 for contingencies, and

Whereas, funds are available in accounts:

207-936-647-974	(\$65,000)
261-936-665-974	(\$56,900)
261-822-001-974	(\$ 3,900)
101-936-761-974	(\$22,350)
270-936-648-974	(\$51,400)
401-452-010-974-686	(\$35,000)

Now, Therefore, Be It Resolved, that the City Council approves acceptance of the bid of Brown Brothers subject to approval of said bidder by the Federal Labor Standards Department, and by the Equal Opportunity Division of the Detroit Area Office of the Department of Housing and Urban Development (HUD); providing that the failure of HUD to respond to the request for approval within fifteen (15) working days shall be considered approval, and

Be It Further Resolved, that upon approval of the contract by the City Attorney, and the certification as to availability of funds by the Finance Director, the Mayor and City Clerk be authorized and directed to sign on behalf of the City.

Adopted by the following vote:

Unanimously.

By Committee on Parks and Recreation—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing has been offered, and the Park Board has recommended the purchase of a ten-acre parcel of land in the Southern part of the City for park purposes (Northrup St.), and

Whereas, there is a need for a neighborhood park in that area of the City, and

Whereas, the Park Board has recommended the use of a portion of funds now available in the Samuel and Rebecca Beck Trust fund account, the balance to be left in trust and the income to be used for future development of the park,

Now, Therefore, Be It Resolved that the City Council approve an option to purchase this property, subject to review of two appraisals and review by the Planning Board,

And Be It Further Resolved that the Property Manager be authorized and directed to obtain a six-month option to purchase this property, and to arrange for appraisals by the City Assessor and a qualified independent appraiser,

And Be It Finally Resolved, that the Finance Director be authorized and directed to set up an account and transfer funds from the Samuel and Rebecca Beck Trust Fund Account No. 712-000-000-396.04 for this purchase.

Adopted by the following vote:

Unanimously.

By Committee on Parks and Recreation—

Resolved by the City Council of the City of Lansing:

Whereas, the property owner having been notified by written notice to remove certain female boxelder trees located as follows:

Petition No. 23

No. of Trees—23

Tree Location—5624 Haag Road

Owner and Address—Park Dale Homes  
Bert L. Smokler & Co.  
17515 W. 9 Mile Road  
Southfield, Mich. 48075

and having failed to remove said trees,

Now, Therefore, Be It Resolved the Department of Parks and Recreation is hereby authorized to have the trees removed by contract bidding and the costs of cutting and removal be assessed against the property owners in accordance with Section 23-23.3 of the Code of the City of Lansing.

Adopted by the following vote:

Unanimously.

By Community Development Committee—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing and the United States of America have entered into an Agreement providing the City of Lansing with a grant to plan and implement a Community Development Program; and

Whereas, the City of Lansing, through the Human Resources Department (H.R.D.) entered into a Contract with Small Folks Development Center, Incorporated (PN-172), on July 1, 1976 through June 30, 1977 for a total compensation not to exceed Thirty-Eight Thousand, Three Hundred Eighty-Three and 00/100 (\$38,383.00) Dollars; and

Whereas, the City of Lansing, through the Human Resources Department and Small Folks Development Center, Incorporated (PN-172), do mutually agree to amend said Contract as follows:

FROM:	TO:
C.D. Residuals	9427—Renovations
\$1,150.00	\$1,150.00

now, therefore, be it

Resolved, that the Mayor and City Clerk are hereby directed to sign said Contract Amendment on behalf of the City of Lansing, after approval as to form by the City Attorney of the City of Lansing, and certification by the Fiscal Director as to availability of funds.

Adopted by the following vote:

Unanimously.

By Community Development Committee—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing through the Human Resources Department, and the "Lansing North American Indian Cen-

ter, Inc.," entered into a nonexpendable property contract, effective from July 1, 1976 through June 30, 1977; and

Whereas, the appropriate legal name of the contracting agency is the Michigan Indian Benefit Association rather than the "Lansing North American Indian Center, Inc."; and

Whereas, the City of Lansing, through the Human Resources Department and the Michigan Indian Benefit Association do mutually agree to amend said Contract to reflect the appropriate legal name of the contracting agency; now, therefore, be it

Resolved, that the Mayor and City Clerk are hereby directed to sign the amendment to the Contract after approval as to form by the City Attorney.

Adopted by the following vote:

Unanimously.

By Community Development Committee—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing and the United States of America entered into Agreements providing the City with a Grant to plan and implement a City Demonstration Program; and

Whereas, the City of Lansing, through the City Demonstration Agency, has from time to time, entered into Contracts with the Lansing School District to provide educational services and related services from funds provided pursuant to Title I of the Demonstration Cities and Metropolitan Development Act of 1966; and

Whereas, the Model Cities Transition Procedures Handbook (HUD 3135.2) and §2-92.2(3) of the Code of Ordinances of the City of Lansing, permit the City of Lansing to donate the non-expendable personal property purchased under this Grant provided it is used to carry out a public purpose as contemplated by the terms of the Federal Grant; and

Whereas, the City of Lansing desires to donate certain non-expendable personal property to the Lansing School District purchased under the Grant so long as the Lansing School District uses this equipment to provide substantially the same services as were extended under its previous contracts between the Lansing School District and the City of Lansing; and

Whereas, the Lansing City Attorney shall prepare a Donation Agreement to effectuate the donation of the non-expendable personal property, which is described in the listing attached to this Resolution; now, therefore, be it

Resolved, that the City Attorney is hereby directed to prepare said Donation Agreement to contain the following stipulations:

1. That the terms of the Donation Agreement shall continue for a five (5) year period; and
2. That the Lansing School District shall file a copy of its Annual Report and any evaluations that may be required by the Board of Education with the City of Lansing Internal Auditor concurrent with its submission to the Board of Education; and
3. That the equipment covered in this Donation Agreement shall return to the possession and ownership of the City of Lansing, if the provision of services should be discontinued by the Lansing School District within the five (5) year time frame of this Donation Agreement; and
4. That the equipment in the possession of the Lansing School District after the expiration of the five (5) year Donation Agreement shall be owned solely by the Lansing School District without any further or continuing claims by the City of Lansing;

and be it

Further Resolved, that the Mayor and the City Clerk are hereby directed to sign said Donation Agreement on behalf of the City of Lansing, after approval as to form by the City Attorney.

By Councilman Belen—

That this be on the agenda for the next meeting between the Council Committee and the Board of Education.

Carried.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

LS-14-76

617 East Cavanaugh

Whereas, a request has been made to divide the property located at 617 East Cavanaugh, more particularly described as:

Lot 163 of Maplehills Subdivision, City of Lansing, Ingham County, Michigan;

and

Whereas, the proposed division will reduce Lot 163, a lot of record, from 47 feet to 43 feet. The four feet being attached

to Lot 162 of Maple Hills Subdivision, lying west and adjacent to Lot 163, for the purpose of providing adequate side yard for the existing detached garage; and

Whereas, the Planning Board advised the City Council to approve this request; and

Whereas, the Planning Committee of Council, to whom was referred the report of the Planning Board, concurs therewith;

Now, Therefore, Be It Resolved that in accordance with Section 37-27 of the Subdivision Control Ordinance, Lots 162 and 163 of Maple Hills Subdivision, City of Lansing, Ingham County, Michigan, are redefined as follows:

Parcel A—Lot 163, except the west 4 feet thereof, Maple Hills Subdivision, City of Lansing, Ingham County, Michigan.

Parcel B—Lot 162 and the west four (4) feet of Lot 163, Maple Hills Subdivision, City of Lansing, Ingham County, Michigan.

The above land descriptions are subject to any utility easements, as may be required by the Board of Water and Light and the Public Service Department. The applicant, however, stipulates and understands that if the Lot Split is granted by the City of Lansing, it does not necessarily mean that the applicant may proceed with the division of property. The applicant further understands that there may be some private restriction contained in his Deed or Plat Restrictions, which may or may not be recorded with the Registrar of Deeds, which run with the land. The applicant further understands that the City does not have any power or authority over these restrictions.

Adopted by the following vote:

Unanimously.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

SJ-3-76

3422 Pleasant Grove Road

More particularly described as:

Commencing at the northeast corner of Section 31; thence west 206 feet, south 163 feet, west 107 feet, north 163 feet, west to point 988 feet east of north  $\frac{1}{4}$  post of northeast  $\frac{1}{4}$ , south to northerly line; Former NYC RR ROW, northeasterly along ROW to east section line, north to the point of beginning; Section 31, T4N, R2W.

Whereas, the applicant has indicated that the sign will be located approximately forty-five (45) feet back from the curb line on Pleasant Grove Road and adjacent to an existing sign pole which is located between the two ingress and egress points off Pleasant Grove Road, in an area that is not used for off-street parking; and

Whereas, the Planning Department has reviewed this request and has found that the proposed location will not obstruct traffic flow or be hazardous to the adjacent property owners; and

Whereas, the Planning Committee of Council, to whom was referred the report of the Planning Department, concurs therewith;

Now, Therefore, Be It Resolved that the Council of the City of Lansing approves and allows the erection of a temporary sign on the above described property, for a period not to exceed forty-five (45) days, and that said sign shall be established in accord with the Mobile Sign Ordinance, Section 9-54.1; and

Be It Further Resolved, that the sign shall be located in such a manner so as not to obstruct the sight distance for vehicles moving in and out of the shopping center.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the Senior Citizens' Task Force and staff technical committee has submitted a proposal concerning the location and concept of a Senior Citizen Center; and

Whereas, this task force has subsequently reviewed this proposal in cooperation with the Civic Center Board for their further suggestions and revisions; and

Whereas, both the task force and the Civic Center Board have met with the Buildings and Properties Committee and the project architects for further refinement and improvement of the proposal; and

Whereas, the proposal which has been considered best by all the participating groups is one which:

- a. Locates the Senior Citizen Center on the premises of the Lansing Civic Center.
- b. Supports the construction of a Senior Citizen wing to the Civic Center as conceptualized by the contracted architects.
- c. Utilizes Suites E and F as kitchen and storeroom for Senior Citizens Nutrition Program.
- d. Incorporates the concept of partitioning the Prudden Auditorium Lobby as part of the Senior Citizen Center.
- e. Supports the attempt to provide 30 permanent parking spaces and 70 additional parking spaces on a "as needed and as available" basis for the use of senior citizens parking as part of an overall future plan which will make senior citizen access to the center as feasible as possible.

- f. Utilizes the majority of office space in the corridor "C" wing as lobby for the Prudden Auditorium.
- g. Proposes as an alternate the concept of excavating a lower level under the Senior Citizen Center wing if the economics of the proposal prove attractive.
- h. Consider the use of a portion of the south office wing to replace parlor space lost in "C" corridor.

Now, Therefore, Be It Resolved that the Lansing City Council approves this revised proposal, as stated, to be the basic plan of project development in regard to the Senior Citizen Center, and

Be It Further Resolved, that the architects contracted for completing the working drawings for this project be directed to present this concept in the engineering drawings for the construction of the Senior Citizen Center.

By Committee on Personnel—

Resolved by the City Council of the City of Lansing:

That effective November 1, 1976, the City Personnel Director is authorized and directed to establish one Dispatcher II position at an annual salary of \$16,354 within the Fire Department section of the Classification and Compensation Plan. This action being deemed necessary to provide a safe level of continuous coverage for the Fire Department Dispatch functions and to eliminate the existing regular scheduling of costly over-time within that Division. This action does not increase the total strength of the Fire Department nor require additional appropriations of funds for the current fiscal year.

#### PROPOSAL "C" TAXING LIMIT UNFAIR

Nov. 2, we the taxpayers should go to the polls and defeat this tax limitation amendment by voting NO.

This proposed tax law was not a dream of the average wage earner, or written for their benefit. Volunteer taxpayers were not the ones who obtained the necessary signatures to get Proposal "C" on the ballot. Instead, Taxpayers United hired local workers to do the task. Circulators were paid \$2.50 per hour.

Voters don't know the contents of the proposal and it's 7 sections, with all its loopholes that favor the heavy propertied people because petition signers didn't read before signing, and the amendments are not on the ballot.

Another key provision does not allow the legislature to define the terms required to implement this law until after it has been passed by the voters. Therefore, specific definitions of key terms that can greatly alter the implied intent of this article, will be subject to political maneuvering, and pressure from special interest groups.

Proposal "C" as stated on the ballot is an over simplification of a complex shift in the tax structure. It's apparent appeal is in the seeming tax ceiling imposed on the legislature to halt never ending and increased government spending. The over simplification has resulted in the deception of the voting public and has undermined the democratic process. Voters have not been informed, hearings were not held, and studies were not made on the impact it would have on the shifting tax burden, quality education, property taxes, college tuition, etc.

We need to achieve tax reform that will move us forward in this tide of uncertain recovery, but this is not tax reform, but the continuing process of "conning the public" by attempting to gain a tax shelter for the high income brackets. Everyone knows we need hope for tax reform for the large majority of our patriotic working class citizens, but "C" would just shift the tax burden.

Dr. George Roch, campaign chairman for Taxpayers United, an organization formed for the purpose of the constitutional tax limitation, was in Lansing recently. Dr. Roch called proposal "C" a "boon to the State business climate." We should ask why? It's clear the article is full of loopholes which would shift our State tax burden more toward the average wage earner. Section No. 25, 26, 27, 28,

29, 30 and 31 are not on the ballot. Demand true copies, read them, see for yourself, and we are sure a tax lawyer will not be needed to point out the loopholes.

Benefits from this proposal would be channeled to the rich and heavily propertied people, and is supported by the sweet smelling Real Estate interest.

Notice that a major backer of this bill is the Real Estate Interest Groups, such as (RPAC), Realtors Political Action Comm. The rich have traditionally received many tax benefits thereby reducing their taxable income to a level where a growing number of them pay little or no taxes. It has become clearly apparent that the greater the income—the greater the legal tax deduction—up to 100 per cent.

These same people would use their computed Federal personal income tax as the basis for computing their State Income Tax. Because of the many favorable federal tax deductions already gained, the net result would be little or no State income tax, plus a refund of all other State taxes—excess of the 8.3 lid. "Tax pie in the sky," but someone must pay.

Congress deals continuing tax advantages such as depreciation, depletion, allowance expense accounts, tax exempt bonds, interest, gifts to charities, capital gains, etc. All these obtain a tremendous tax advantage over the rank and file working class citizens. Yes—there are examples where some people make millions of dollars—yet they pay not one penny of income tax.

It's very interesting to find our tax system is a mass turnaround. I used to think the rich paid most of the taxes, but not any more—truly a case of turning the tables on us working people.

In the book "THE RICH AND THE SUPER RICH," by Ferdinand Lundberg, he states, nearly all the revenue, move-over—86 per cent of it comes from the

lower brackets—so called progressive rates leading into the high brackets contribute only 14 percent. Differently put, less than one percent of the individuals who own 70 percent of the property throw only 14 percent into the tax caldron as their distinctive, differentiated contribution.

I support the recommendation by the "League of Women Voters," and by "Common Cause."

Subject: B-76-617 Fire Hose

Attached is the tabulation of nine bids received for the purchase of fire hose, which were opened at 3:00 P.M., E.D.T. on Tuesday, September 21, 1976.

Samples of fire hose were requested of the two lowest bidders that met our specifications. During the test the couplings of the lowest bidder, Badger-Powhatan, failed. Therefore, we recommend the second low bidder meeting our specifications, Orsco, Inc., for Item A—1,100 ft. of 1½ in. polyester fire hose for a total delivered price of \$1,243.00, Item B—4,050 ft. of 2½ in. polyester fire hose for a total delivered price of \$6,804.00, and Item C—200 ft. of 3 in. polyester fire hose for a total delivered price of \$488.00 making the total amount authorized \$8,535.00. Terms are "1%—10th Prox."

Items D and E were bid for the Meridian Township Fire Department and they will determine the successful bidder for their hose and place their own order.

Respectfully submitted,

VAUGHAN L. MCKINCH,  
Purchasing Director,

CARL W. BARRATT,  
Lansing Fire Chief.

Referred to Committee on Public Safety.

**REPORT OF COMMITTEE**

The Committee on PUBLIC SAFETY, to whom was referred the recommendation of the Purchasing Director and the Lansing Fire Chief that the second low bidder meeting our specifications be approved as follows: Orsco, Inc., for Item A—1,100 ft. of 1½ in. polyester fire hose for a total delivered price of \$1,243.00, Item B—4,050 ft.

of 2½ in. polyester fire hose for a total delivered price of \$6,804.00, and Item C—200 ft. of 3 in. polyester fire hose for a total delivered price of \$488.00 making the total amount authorized \$8,535.00, reports as follows:

ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

Referred to Committee of the Whole.

November 5, 1976

Honorable Mayor Pro-Tem and

Members of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem and

Council Members:

After lengthy deliberation by the City Council, and some disagreements, on the question of space allocation for departments, and building utilization, you did on September 7, 1976, approve a Resolution (copy attached), which.

—Resolved that actual space allocation planning, and execution, be done, through administrative action, under the direction of the Mayor;

—Appropriated \$156,000 to accomplish the aforementioned;

—Resolved to utilize the City Hall and the Washington Square Annex for departmental offices;

—Resolved to cease utilization of the old City Hall Annex and order it razed when it is determined that there is no need for this space for any City department, or agency use;

—Retained \$30,000 for the razing of the old City Hall Annex, and that determination with regard to such razing be made by May 1, 1977.

In keeping with the aforementioned responsibility granted to me by the City Council, I am now submitting to you the following, so that you may be apprised of the finalized plans for departmental relocation, which is expected to be undertaken shortly:

The clear need to reallocate space has resulted in an intensive effort on the part of the Office of the Mayor and City staff to evaluate current space allocations and needs and potential reallocation plans. During the review of potential plans for space utilization in City Hall and the Washington Square Annex, it was clear that a critical decision point centered on the location of the District Court operations. Several factors were evaluated in deciding this pivotal issue. First, the congestion of the Courts and other City operations is severe. The location and utilization of the Courts currently present serious security and traffic flow problems. But after assessing all available space in City Hall and the Washington Square Annex, and the cost of various relocation plans, it is my determination that, despite the congestion this causes in City Hall, it is necessary to maintain the Court operation within City Hall until such time as the State of Michigan makes provisions for its operations, or until the City is able to provide a Hall of Justice for the police and Courts. Although this is not a desirable alternative, it does meet the basic space requirements of the Courts, and achieves the most efficient utilization of space and personnel for the conduct of the City's operations.

Affected departments have been consulted on their space requirements and all have indicated that the proposed locations present no insurmountable problems. Each department will work closely with staff assigned to finalize layouts in order to assure most effective use of space for accomplishment of their operations and to minimize costs involved in relocation. Locations assigned to the various departments are as follows:

#### CITY HALL

##### Floor

- 10 — Council and Staff, Program Coordinator
- 9 — Mayor, Clerk, Manpower, Conference, Office (Unassigned)
- 8 — Finance, (Accounting, Budget & C.D. Accounting), Conference Rooms, Auditors
- 7 — Public Service, Income Tax

- 6 — Courts & Probation
- 5 — Courts (Admin.), City Attorney, Police (Police Bldg.)
- 4 — Parks
- 3 — Assessor and Internal Audit
- 2 — Circuit Court
- 1 — Treasurer, Parking, Public Meeting & Lounge (Bicentennial Office)

#### WASHINGTON SQUARE ANNEX

1st Floor — Personnel, Purchasing, Property Management, Safety, Human Relations

##### Lower Level:

South Half — Micro-film, Stores, Rapid Copy, Inventory Control, Election Warehouse

North Half — Weights & Measures

#### CIVIC CENTER

Senior Citizens and Office on Aging

Additionally, space has been reserved on the ninth and tenth floors for utilization by the Mayor and the Council respectively. This allows expansion, if Charter changes are approved sometime in the future, which may require additional space for either elected branch. This is done in order to preclude disruption of operations if such changes occur. Such space would otherwise be available for assignment by the Council, or the Mayor, for temporary usage, conferences or such other purposes as they might deem appropriate.

Actual movement of departments will be undertaken as soon as floor plans can be finalized and renovation completed. Effective dates of each move will be reported to the Council as they are determined.

This plan eliminates all City use of the City Hall Annex (Poxson Building). Negotiations are currently being conducted through the Mayor's Office for possible sale of this property for extensive restoration. If such sale is not possible, demolition of this building and site improvement can be expected to be accomplished at the earliest pleasure of the Council.

Sincerely,

GERALD W. GRAVES,  
Mayor.

Received and placed on file with copy to Councilman Baker.

November 5, 1976

Honorable Mayor Pro-Tem and Members  
of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem and  
Council Members:

This is to officially advise that the City of Lansing will receive an estimated \$870,000 from the United States Office of Revenue Sharing, such dollars being termed "anti-recession funds." These funds are being made available to the City of Lansing on a short-term basis, and should be expended before July 1, 1978.

A prerequisite to receiving the aforementioned funds, required that I sign a Statement of Assurances for the United States Office of Revenue Sharing, guaranteeing that present City services to the taxpayers would not be lowered, basically. This action took place following conversations with Federal officials the week of October 25.

The so-called "anti-recession funds" can only be used to maintain basic City services. These funds can be used to provide for the maintenance and repair of local streets, within the corporate limits of the City, including the replacement of broken curbs and gutters, and the replacement of broken sidewalks due to tree damage. I expect that the City will receive the first allotment in an approximate amount of \$300,000, within days, the balance to be received on a quarterly basis through September 30, 1977. Within the next eight weeks, I will provide to you a detailed analysis of the regulations involved, along with specific recommendations for using the funds within these regulations.

As you are aware, the Local Street Fund of the City of Lansing, like just about every other City in the State of Michigan, is extremely short of meeting the needs on hand. Though major streets are being resurfaced in various communities, the shortage of funds in the Local Street Fund generally does not permit such to be done on local streets — such monies are derived under Act 51 of 1951, as amended, and the increases are minimal because of the energy crunch, while the cost of doing the necessary work involved has sky-rocketed due to inflation, putting the local street needs several millions of dollars in the arrears. Therefore, and in order to maintain a level of services, I have requested the Public Service Department to provide me with priorities in each of the four wards, on a basis of engineering need and not political whim. This will assure that improvements will be spread throughout the City and on a priority basis.

Sincerely,  
GERALD W. GRAVES,  
Mayor.

Received and placed on file with copy to Councilman Baker.

Dear Mayor Pro-Tem and  
Council Members:

Attached is a copy of my most recent communication, from J. W. Eden, Assistant

Secretary for Economic Development, U. S. Department of Commerce, in which I am advised of the approval of an Economic Adjustment Assistance Grant in response to our application for funding under Title IX of the Public Works And Economic Development Act of 1965, as amended. It is in response to my communication to you of February 5, 1976, a copy of which is attached, and to your response in the affirmative.

I am once again requesting your response in the affirmative so that I may proceed immediately to execute the grant contract.

GERALD W. GRAVES,  
Mayor.

Referred to Committee on Planning.

Sunday, November 7, 1976

Honorable Mayor Pro-Tem and Members  
of the Lansing City Council  
City Hall  
Lansing, Michigan

Dear Mayor Pro-Tem and  
Council Members:

Last Monday, November 1, you had before you a Resolution to transfer a Liquor License from First of Lansing, Inc., to Index Corporation. That Resolution was tabled, "pending a report from the Mayor."

In an effort to provide you with a total report, a meeting was held in my office and the following were in attendance, in addition to myself: Robert Black, Executive Assistant to the Mayor; Roy Murphy, Office of the Treasurer; Detmer Smith, Income Tax Office; John Knarr, Olds Plaza Hotel representing Index Corporation; John Ruskin and Mary Woods, Ingham County Health Department; Herman Dallman, Parking Division; Jim Kzeski, Building Commissioner; Tim Sanderson, Department of Law; W. Peter Doren, Ingham County Prosecutor's Office; Richard Gleason, Lansing Police Chief; Rex Burt, Lansing Police Department, and Gordon Adsit, Fire Marshal. The following is my report on the matter:

It was determined that PRD, Inc., had in the past turned possession of the property located at 125 W. Michigan Avenue, also known as the Olds Plaza Hotel, to First of Lansing, Inc., and that because of rent arrearage of \$996,905, PRD, Inc., was legally attempting to transfer possession of the property to Index Corporation. In an effort to accomplish this, Index Corporation, as you are aware, had filed with the Economic Development Administration of the U.S. Commerce Department for a Loan Guarantee, in the amount of \$850,000 to be supported by an additional \$1,375,000. The \$1,375,000 has been committed for a loan to Index

Corporation, the President of which is Arthur J. Clyne, by Manley, Bennett, McDonald and Company, as shown in the attached communication of October 8, 1976.

In order to accomplish the transfer of the property located at 125 W. Michigan Avenue from PRD, Inc., to Index Corporation, a Complaint for Possession of Premises was submitted in the District Court, 54-A Judicial District of the State of Michigan (6th floor, City Hall, Lansing, Michigan), that being Case No. 13-200, PRD, Inc., a Michigan Corporation v. First of Lansing, Inc., a Michigan Corporation (see attached). You will note that the Attorney for PRD, in this instance, is Arthur J. Clyne. Further, I have in my possession a Federal Income Tax filing for First of Lansing, Inc., which lists Arthur J. Clyne as President. This supports my statement that Arthur J. Clyne was the attorney for PRD, Inc., in the aforementioned legal action, which was aimed at regaining property from First of Lansing, Inc., of which he was listed as President, to sell the property to Index Corporation, of which he is President.

It was determined that on September 22, 1976, the Ingham County Health Department suspended the Food License of the Olds Plaza Hotel, by an Official Notice (see attached), which in part states:

"There shall be no further service of food or beverage until or unless the license shall have been reinstated."

But as of November 3, 1976, and following substantial renovation in the kitchen facilities, the Ingham County Health Department reinstated the right of the Olds Plaza Hotel to once again serve food effective November 4. However, it was also established that contrary to the Notice of the Ingham County Health Department, and the suspension of serving food and beverage, the Olds Plaza Hotel did have beverage sold on one or more occasions, one occasion specifically being October 19, (see attached Police Report).

It was established that the Personal Property Tax (stock and fixtures) of First of Lansing, Inc., were paid. However, it was, also, established that (a) the Olds Plaza Hotel is delinquent in payment of parking fees in the amount of \$1,661.51; (b) the Olds Plaza Hotel owes the Withholding Taxes to the Income Tax Department for Third Quarter 1976; and, (c) the Olds Plaza Hotel (PRD, Inc.) is delinquent to the City of Lansing for the most part of other Personal Property Taxes in the amount of \$17,094.85, the accounts being No. 51490 and No. 51491.

It was determined that approximately \$100,000 for emergency lighting units and fire alarm system must necessarily be installed for the safety of those within the Hotel, and that this renovation is now long over-due. The Building Department, also, has some concern.

It was determined by the Department of Law and the Liquor Control Commission of the State of Michigan, that the license is transferable from First of Lansing, Inc., to Index Corporation, without jeopardizing the position of the City of Lansing, BUT, that such transfer should be conditioned to (a) meeting the requirements of the Fire Marshal and the Building Department; (b) a clearing up of the Police Department report; and, (c) meeting all requirements of the Ingham County Health Department. The actual use of such license would be subject to Final Inspections and the normal approvals, or rejections, of the aforementioned.

In regard to the final determination above, two points are of importance, one being that the transfer is a necessity for Index Corporation, to be granted a Loan Guarantee in the amount of \$850,000, and two, if such Loan Guarantee does take place, and the Olds Plaza Hotel does not meet the specific requirements of the agencies earlier mentioned, the Liquor Control Commission of the State of Michigan will hold up the Final Approval until the conditions set by the City Council are met. Under point two, you are looked upon as acting as an arm of the State of Michigan for purposes of investigation, requiring license holders to meet conditions of health, safety, etc. Therefore, to accomplish what has to be done, I do recommend your preliminary approval of the transfer, but subject to the conditions already mentioned.

Immediately before the Olds Plaza Hotel, and all those involved, including the City of Lansing, is the fact that there are large tax delinquencies, and other debts due and owing the City of Lansing. In keeping with the law, and with his Oath of Office, and for which I openly commend him, City Treasurer Hugo Hufnagel, has officially scheduled a sale of certain personal property of the Olds Plaza Hotel for Tuesday, November 9, 1976, at 10:00 a.m. Originally, this sale was set for Tuesday, October 12, 1976, but due to the refinancing possibilities of the Olds Plaza Hotel, such was postponed temporarily (see attached). Before us is the question of another postponement, or not — in my conversation with Larry Wiedock, Economic Development Administration, which was held on Wednesday, November 3, at 4:30 p.m., I was advised: (a) that the six major items required to be submitted by representatives of Index Corporation, to the Economic Development Administration, as a prerequisite to the official closing for the Loan Guarantee, none had been submitted, including the Final Appraisal by a member of the Appraisal Institute; (b) that no date was established for the official closing of the Loan Guarantee, if such was to take place, because of what was termed "a communications breakdown" on the part of Index Corporation; and, (c) that if the requirements of the Economic Development Administration were met by Index Corporation, I would be advised so that the Personal Property Tax Sale scheduled for Tuesday, November 9, could be postponed, with the City being guaranteed of its monies due and owing as an official part of that aforementioned clos-

ing. Therefore, be advised that unless the City Treasurer is the recipient of the monies due and owing, or proof is received that Index Corporation, has, or is about to, submit the necessary required papers and a closing is imminent, I will not interfere in the responsibilities of the City Treasurer.

It is still my intent to do everything possible to keep the Olds Plaza Hotel in existence. I have worked on this matter for many long hours, including a number of weekends. I have been in contact with Federal officials and local officials. I will continue in those efforts, but in the process I expect that the operators of the Olds Plaza Hotel should do likewise. It is my personal opinion that such has not been the case.

Sincerely,  
GERALD W. GRAVES,  
Mayor.

Referred to Committee of the Whole.

Properties—

Resolved by the City Council of the City of Lansing:

That the City Assessor be, and he is hereby directed to spread on the July, 1977 Tax Roll (L-11), the cost of cutting weeds in the year 1976, in the amount of \$995.00, as reported this date by the Building Commissioner.

Adopted by the following vote:

Unanimously.

By Buildings and Properties Committee—

Resolved by the City Council of the City of Lansing:

That the City Assessor be, and he is hereby directed to spread on the July, 1977 tax rolls, the cost of correcting the hazardous and unsanitary conditions of properties in the year 1976, as reported this date by the Building Commissioner, and as per attached list.

By Councilman Hull—

That the resolution be amended as follows: in line 4 after 1976 add "in the amount of \$1,281.00."

Carried.

The resolution as amended was adopted by the following vote:

Unanimously.

By Committee on Buildings and  
Properties—

Resolved by the City Council of the City of Lansing:

Whereas, the Lansing Building Commissioner determined on April 13, 1976, that the building located at 621 Barnard (Lot 5, block 1 Barnard's Sub), Lansing, Michigan, was an unsafe or dangerous building as defined in Section 9A-13 of the Lansing Uniform Housing Code and the housing law of Michigan, and

Whereas, the Building Commissioner issued a notice to Mrs. H. Newell, and Mr. Harry Newell, owners, as appears from the last local tax assessment records, requesting him to appear at a hearing to show cause why the building should not be demolished or otherwise made safe; and

Whereas, a hearing before the Hearing Board was held October 14, 1976, at which hearing Mrs. H. Newell, Mr. Harry Newell, did not appear, and the Hearing Officers determined that the building did not meet minimum housing code standards and ordered the building demolished or otherwise made safe; and

Whereas, said Hearing Officers have filed a report of their findings and order with the Lansing City Council, and have requested the City Council to take appropriate action under Section 9A-13 of the Lansing Uniform Housing Code and the housing law of Michigan, to require that said building be demolished or otherwise made safe; now, therefore be it

Resolved, that a hearing be scheduled for November 29, 1976, at 7:00 p.m. o'clock, at the chambers of the Lansing City Council, to review the findings and order of the Hearing Officers, and to approve, disapprove, or modify said order, and that the owner shall have the opportunity to appear at the hearing and show cause why the aforesaid building should not be demolished or otherwise made safe; now, therefore be it further

Resolved, that written notice of the time and place of said hearing shall be personally served or mailed by certified mail, return receipt requested, to said owner in whose name the property appears according to the last local tax assessment records; and that said notice shall be served or mailed at least ten (10) days prior to said hearing.

Resolved by the City Council of the City of Lansing:

That the appointment of Anna Hulbert to the Civic Center Board for a term expiring June 30, 1977, be confirmed.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, Richard D. Letts is City of Lansing Human Relations Director by appointment of the Human Relations Committee; and

Whereas, Richard D. Letts is also Equal Opportunity Officer for the City by approval of the Affirmative Action Plan on November 13, 1972; and

Whereas, the Lansing City Council approved a revised Affirmative Action Plan and an Affirmative Action Implementation Guidelines on October 25, 1976, which assigns a number of duties to the Affirmative Action Officer; and

Whereas, Lansing City Council has never appointed an Affirmative Action Officer for the City;

Now, Therefore, Be It Resolved that the Lansing City Council appoints Richard D. Letts as the Affirmative Action Officer for the City of Lansing and authorizes and directs him to carry out all of the duties of that office as described in the Affirmative Action Implementation Guidelines.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing is owner and has marketable title to real property described as:

Assessor's Plat No. 31 of Block 6,  
Original Plat S135 ft of N 234 ft Lot  
2 and S 30 ft of E 79.86 ft Lot 2  
and

Whereas, the above described property is not necessary for use as a public purpose; and

Whereas, it has been determined that the continued ownership of said property by the City of Lansing would serve no valid purpose; and

Whereas, the City Assessor has recently determined the fair market value of said property to be approximately \$14,000 less the cost of demolishing the substandard and dangerous buildings on the property; and

Whereas, the cost of demolishing said structure has been estimated by the Building Commissioner after consultation with demolition firms to exceed \$5,000; and

Whereas, it therefore appears that the true cash value of the property is less than \$10,000 and its assessed value less than \$5,000; and

Whereas, the resolution dated October 11, 1976, regarding the sale of 1217 Center Street was in error; now, therefore, be it

Resolved, that the resolution dated October 11, 1976, relating to sale of 1217 Center Street is hereby declared null and void; and be it further

Resolved, by the City Council of the City of Lansing that the sale of the property commonly known at 1217 Center Street and 1225 Center Street, the American Dry Cleaners Building, be and is hereby approved; and be it further

Resolved, that the Purchasing Agent be and is hereby directed to advertise in the State Journal for sealed bids for the purchase of said property on the following conditions:

1. The structure located thereon is to be razed to the Building Department specifications within 90 days of closing;
2. 50% of the purchase price to be paid at closing;
3. Quit Claim deed to be transferred to purchaser upon completion of demolition and requirements stated in paragraph 5 and payment of balance of purchase price;
4. Site to be cleared and appropriately lighted, screened and/or landscaped by June 1, 1977;
5. Contract is to be voidable at the City's option if terms 3 and 4 are not complied with and payment to be returned to the purchaser and property rebid.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, the Property Management Division of the City of Lansing was directed to obtain proposals from appraisers which are incidental to the acquisition of a ten acre parcel of land in the southern part of the City for park purposes; and

Whereas, the Property Management Division is now in receipt of these specific proposals; and

Whereas, the Buildings and Properties Committee has determined to accept in all instances the low bid submissions,

Now, Therefore, Be It Resolved that the Mayor and City Clerk are hereby authorized and directed to sign the following contracts after approval by the City Attorney as to form:

Charles R. Green—Appraisal—\$700.00.

Transamerica Title Insurance Corporation — Services pertinent to transfer of title—Cost not to exceed \$191.00.

Resolved by the City Council of the City of Lansing:

Whereas, the Property Management Division of the City of Lansing was requested to obtain proposals from appraisers which are incidental to the acquisition of 627 S. Holmes St., for Hunter Park Improvement; and

Whereas, the Property Management Division is now in receipt of these specific proposals; and

Whereas, the Buildings and Properties Committee has determined to accept in all instances the low bid submissions,

Now, Therefore, Be It Resolved that the Mayor and City Clerk are hereby authorized and directed to sign the following contracts after approval by the City Attorney as to form:

Donald V. Whipp, Jr., and Hannibal Abood — Appraisal — Total — \$750.00.

Transamerica Title Insurance Corporation — Services pertinent to Transfer of Title — Cost not to exceed \$171.00.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing does hold title to the property described as:

The North 65 feet of the West 42 feet of the East 207 feet of Lot 1, Block 194, Original Plat, City of Lansing. (117 W. South St.)

and

Whereas, a value of Seventeen Thousand Five Hundred (\$17,500.00) Dollars has been

established as the fair market value of the property; and

Whereas, the proposition to sell said property was submitted to the electors of the City of Lansing for approval as required by Section 14.3(d) of the Charter of the City of Lansing and as required by the laws of the State of Michigan at a regular City primary election; and

Whereas, the electors of the City of Lansing did approve the sale of subject property; and

Whereas, the Buildings and Properties Committee has an established policy for rotating the selection of Real Estate Brokers; and

Whereas, on behalf of the City of Lansing, the Mayor and City Clerk did execute a ninety (90) day listing agreement with the William G. Martin Co. at a sale price of not less than Seventeen Thousand Five Hundred (\$17,500.00) Dollars; and

Whereas, the William G. Martin Co. has presented to the City of Lansing an Offer to Purchase subject property at a sale price of \$17,500.00, which offer is deemed to be acceptable,

Now, Therefore, Be It Resolved that the Mayor and City Clerk are hereby authorized and directed to execute a contract for the sale of subject property in accordance to the terms and conditions of the Offer to Purchase agreement after approval as to form by the City Attorney.

Adopted by the following vote:

By Committee on Community Development—

Resolved by the City Council of the City of Lansing:

Whereas, on October 11, 1976, it was resolved by the City Council of the City of Lansing that the Planning Board prepare the Housing and Community Development Act (HCDA) Block Grant program recommendations, and

Whereas, City Council recommended that, "Facility planning or construction of any community centers be eliminated from the first three years of the Community Development program . . .," and,

Whereas, on November 3, 1976, a Public Hearing was held to assess the Planning Board's program recommendations,

Now Therefore Be It Resolved, that the Council of the City of Lansing hereby directs the Executive Assistant for Community Development to notify the Department of Housing and Urban Development that the planning for a Southwest Community Center and the constructing of an Eastside Community Center be eliminated from the first year HCDA Block Grant activities, and

that the constructing of a Community Center be eliminated from the second year HCDA Block Grant activities.

Much discussion was held in regard to Community Centers in all areas of the city.

By Councilman Hull—

That this be referred back to the Committee.

Adopted by the following vote:

Yeas: Councilmen Baker, Blair, Brenke, Hull, McKane—5.

Nays: Councilmen Adado, Belen, Gunther—3.

By Councilman Belen—

That this be referred to the Committee of the Whole because all areas are involved.

By Councilman Baker (Adado)—

That the motion by Councilman Hull to refer it back to the Committee on Community Development be rescinded.

Carried.

Councilman Belen's motion to refer this to the Committee of the Whole was adopted.

By Committee on Community

Development—

Resolved by the City Council of the City of Lansing:

Whereas, the Housing and Community Development Act of 1974 requires that the City of Lansing provide assurances to the U.S. Department of Housing and Urban Development that adequate citizen participation is being undertaken locally in the preparation and execution of the Community Development Program; and

Whereas, on March 17, 1975 (C. P. p. 195) the Mayor and City Council of the City of Lansing resolved to concur in the use of Michigan Act 344 P.A. 1945, as amended, as the appropriate statute to govern the establishment of citizen participation; and

Whereas, said law stipulates that "No District Area shall be designated unless the local legislative body shall first hold a public hearing thereon," and that the method of selection of the Citizens' District Council, and any appointments to the Citizens' District Council by the Chief Executive Officer, shall be determined with the approval of the local legislative body after a public hearing has been held; and

Whereas, on March 17, 1975 (C. P. p. 195) the City of Lansing resolved "to formulate a policy position for presentation to

citizens at the public hearings required by this law" (Michigan Act 344 P.A., 1945, as amended) "to formulate Citizens' District Councils"; and

Whereas, on March 17, 1975 (C. P. p. 195) the City Council of the City of Lansing resolved that the proposed Citizens' District Councils consist of fifteen (15) members and that the proposed representation on each Citizens' District Council will be a combination of elected and appointed as follows:

Members	Areas
6	Elected from the Development Area
2	Appointed from the Development Area
4	Elected from the peripheral of the Development Area
3	Appointed from the peripheral of the Development Area

Now, Therefore, Be It

Resolved that the geographic boundaries of the Citizen's District Council No. 3 depicted graphically by attachment A (map of proposed Citizens' District Council area No. 3) and described legally by attachments B (District Area No. 3) and C (Development Area No. 3) be adopted as the proposed geographic boundaries of Citizens' District Council area 3; and

Be It Further

Resolved that a public hearing will be held at 7:30 p.m., December 13, 1976, before Lansing City Council, in the 10th Floor City Council Chambers, regarding the proposed method of selection of the representatives to Citizens' District Council; and regarding the proposed Development Area and District Area boundaries of Citizens' District Council area No. 3; and

Be It Finally

Resolved that public notices of these hearings be distributed door-to-door to the residents of the proposed District Area, mailed to known property owners of the proposed District Area, and that the Office of Community Development be, and is hereby directed to advertise same through local media.

TWP-1-76

Delta Township

Property west of Waverly Road between the Grand River and Delta River Drive. More particularly described as (on attached

legal description) from "A-2" Limited Agricultural to "R-4" Medium Density Residential District.

Whereas the Charter Township of Delta is in receipt of a rezoning petition from F/S Development Company involving approximately 100 acres of land contiguous with Waverly Road and our City boundaries; the property in question lying generally north of the Grand River, running the entire distance northerly to Delta River Drive along Waverly Road; and

Whereas the request is to rezone the property from "A-2" Limited Agricultural to "R-4" Medium Density Residential and to authorize a planned unit development as a conditional use and also to allow three acres of office and commercial use; and

Whereas this proposal has been referred to the City of Lansing, pursuant to Section 4 of the Agreement for construction and maintenance of sanitary sewer systems, made and entered into June 18, 1975, by the Charter Township of Delta and the City of Lansing; and

Whereas under this Agreement the City of Lansing reserves the right to review and comment within sixty (60) days of receipt of the request from Charter Township of Delta; and

Whereas this proposal was referred to the City of Lansing Planning Board for their review and recommendation; and

Whereas at their meeting of October 19, 1976, the Planning Board considered the rezoning in Delta Township and recommended denial of the request for "R-4" Medium Density Residential, including the professional-commercial uses, as described in the Zoning Ordinance of the Charter Township of Delta, and further, concurred in the intent of the report prepared by the Lansing Planning Department, dated October 19, 1976; and

Whereas the Planning Committee of Council, to whom was referred the report of the Planning Board, concurred in the denial of the requested "R-4" Medium Density Residential District;

Now, Therefore, Be It Resolved that the Council of the City of Lansing recommends to the Charter Township of Delta denial of the request by the F/S Development Company for rezoning of the above described property from "A-2" Limited Agricultural to "R-4" Medium Density Residential District.

By Councilman Adado (Gunther)—

That in paragraph 7—in lines 4-5 and 6 the following be deleted "further concurred in the intent of the report prepared by the Lansing Planning Department, dated October 19, 1976;"

The following vote was taken:

Yeas: Councilmen Baker, Belen, Gunther, McKane—4.

Nays: Councilmen Adado, Blair, Brenke, Hull—4.

By Councilman Blair—

That after paragraph 5—the following amendment be inserted.

Whereas, the citizens of Lansing living in the northwest area, which is adjacent to and contiguous with that area proposed for rezoning, have, both by petition and appearances before the Lansing City Council, voiced their unanimous objection to this zoning; and

And that the following amendment be added at the end of the resolution.

Be It Further Resolved that full consideration must be given to all construction and use of sanitary sewers for the entire area so that all the area can be properly served without extensive reconstruction of the sewer system, and

Be It Finally Resolved that prior to any expansion of this sanitary sewer system, the entire area of both Waverly-Delta River Drive and Waverly-Grand River Avenue must remain with its master plan, thus providing a complete sanitary system to the entire area.

By Councilman Baker—

That Councilman Blair's amendments be voted on separately.

Carried.

The first amendment lost by the following vote:

Yeas: Councilman Adado, Blair, Brenke—3.

Nays: Councilmen Baker, Belen, Gunther, Hull, McKane—5.

The second amendment lost by the following vote:

Yeas: Councilmen Baker, Blair, Gunther, Hull—4.

Nays: Councilmen Adado, Belen, Brenke, McKane—4.

By Councilman Baker—

That the last paragraph of the resolution be deleted and the following amendment be substituted.

‘Now, Therefore, Be It Resolved that the Delta Township Board of Supervisors is urged to undertake such studies as may be necessary to establish the fiscal impact upon the township relating to this development and also the long-range effect upon schools, transportation facilities, utilities, removal of open space by residential development and such other studies as may be felt ap-

propriate by the Township to determine the best use for this land. The City recommends denial of this petition to rezone from A-2 to R-4 because it was unable to complete such studies in the allotted time period of 60 days permitted under the “Agreement for Construction and Maintenance of Sanitary Sewer System” between City of Lansing and Delta Township and thus cannot determine the total merits and liabilities of this proposal.”

By Councilman Blair—

That the Clerk ask the Council Secretary to type Councilman Baker's amendment and furnish each councilman with a copy of same. And that this resolution be tabled until the end of the agenda when copies will be available.

Carried.

By Committee on Personnel—

Resolved by the City Council of the City of Lansing:

November 10, 1976

P-4-76

Smokler Lansing—Preliminary

Honorable Mayor and Members  
of City Council:

The Planning Board, at their meeting of November 9, 1976, recommended approval of the tentative preliminary plat of Smokler Lansing Subdivision subject to the following:

1) That Beacon Hill be redesigned as a cul-de-sac or loop street, having no access to Edgewood Boulevard.

2) That the plat be developed according to the plan approved by the City Council and with complete public improvements (streets, sidewalks, sewer, water, and electricity) as required by the Subdivision Control Ordinance and the Michigan State Plat Act.

3) That the developer formally deed Lots 2 and 7 of Woodglen Subdivision No. 1 to the City before final plat approval.

4) All lots be graded so that surface water drains to the street.

5) All requirements of the Soil Erosion and Sedimentation Control Act be followed.

6) Residential streets should be only thirty feet (30') curb to curb and Collector streets should be thirty-six (36') curb to curb.

7) That the developer utilize an underground electrical distribution system, as specified in Section 37-33 of the Lansing Subdivision Regulations.

8) That necessary easements be provided for the installation of utilities.

9) The storm drainage plan must be approved by the Public Service Department.

10) That the Traffic Engineer and Planning Department approve of a submitted buffer plan for residences along Edgewood Boulevard.

11) That this is a tentative approval of the preliminary plat for a period of twelve (12) months.

The Board has found that the proposed subdivision plat will promote residential development consistent with the land and in accord with the Lansing Subdivision Regulations and the Michigan State Plat Act.

One person in the audience expressed concerns to the Board, that were responded to.

This recommendation received unanimous vote support of the Board.

Sincerely,

ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

Referred to Committee on Planning.

November 10, 1976

P-5-76

Bradford-Scott Park—Preliminary

Honorable Mayor and Members

of City Council:

The Planning Board, at their November 9, 1976 meeting, recommended approval of the tentative preliminary plat of Bradford-Scott Subdivision subject to the following conditions:

1) That the final plat be developed with all public improvements as required by the Lansing Subdivision Regulations and the Michigan State Plat Act.

2) That the proprietor submit a final grading plan which indicates that: (a) no storm water is pocketed on any lot, and

(b) surface water will drain therefrom so as not to adversely affect adjacent properties.

3) That a Soil Erosion and Sedimentation Control Plan be submitted for approval by the Director of Public Service and Ingham County Drain Commission.

4) That fire hydrants be provided as required by the Fire Marshal.

5) That two sealed copies of the plat be submitted to the Department of Natural Resources, in order that a Flood Plain for the Pawlowski (Mud Creek) Drain may be established in accord with Section 116 and 117 of Act 288, P.A. 1967.

6) That access to Highway I-96, Ramp "A" at Pennsylvania Avenue Interchange be prohibited.

7) That thirty foot (30') easements for the storm and sanitary outlet sewers are to be shown on the plat.

8) That an easement of 65 feet from the centerline of Pawlowski (Mud Creek) Drain be shown on the plat.

9) That the developer utilize an underground electrical distribution system, with the necessary easement provided.

10) That inconsistencies in the proposed plat and the recorded plat of Abood-Ramada and the Michigan Department of State Highways and Transportation right-of-way be resolved prior to final approval.

11) That the plat be submitted to the Department of State Highways and Transportation for their approval.

12) That this tentative approval of the preliminary plat is effective for a period of twelve (12) months.

The Board found based on testimony and evidence that the proposed subdivision plat will promote development consistent with the zoning district applied to this property, which is "G-2" Wholesale district and is also in conformance with the Lansing Subdivision Regulations and the Michigan State Plat Act.

This recommendation received a 7 yeas, 1 nay vote of approval from the Board.

Sincerely,

ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

Referred to Committee on Planning.

November 10, 1976

ROW-11-76

3104 South Cedar Street

Honorable Mayor and Members

of City Council:

The Planning Board, at their meeting of November 9, 1976, recommended that the north/south alley, located adjacent to the west of 3104 South Cedar Street be vacated.

The Board found, based on testimony and evidence, that the alley's right-of-way has never been improved and further found that there is no longer a need for public alley access to the rear of the property.

This recommendation is made by unanimous vote of the Board.

Sincerely,

ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

Referred to Committee on Planning.

November 10, 1976

Z-50-76

3010 South Washington Avenue

Honorable Mayor and Members

of City Council:

The Planning Board, at their meeting for November 9, 1976, recommended that the petition to rezone property located at 3010 South Washington Avenue from "C-2" Family Residential District to "D-1" Professional Office District be approved subject to: (1) the parking lot being fully screened for the protection of the adjacent residences, (2) the parking being re-evaluated should the use of the building change, and (3) surface drainage being evaluated by the City Engineer.

The Board found, based on testimony and evidence, that this property was zoned "C-2" Family in 1958 to allow a doctor's office to be constructed on the site. A subsequent amendment excluded doctor's offices in the "C-2" district, and since that time, the professional office use on this site has a non-conforming status.

The Board also found that the development of this site is professional office in nature since the building was used for office and there is a large blacktopped parking area to the rear. The Board believes that the proposed use of this property (toxicology laboratory) will actually be a less intense use than a doctor's office since the patient traffic will be much less.

A petition was submitted (attached) signed by 23 residents of the area expressing no opposition to the laboratory being placed on this site.

This recommendation received a 7 yeas, 1 nay vote of the Board.

Sincerely,

ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

Referred to Committee on Planning.

November 10, 1976

Z-52-76

Concord Village, Bridgeport Drive

Honorable Mayor and Members

of City Council:

The Planning Board, at their November 9, 1976 meeting, recommended that the request to change the zoning of Concord Village, located on Bridgeport Drive, from "CUP" to "A-1" Single Family and "C-2" Family Residential districts be approved subject to the land being subdivided in accord with the Lansing Subdivision Ordinance and the Michigan State Plat Act.

The Board believes that the change of zoning will promote development in keeping with the established residential area, and will also promote development that can be properly served by public utilities and facilities.

This recommendation received unanimous support of the Board.

Sincerely,

ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

Referred to Committee on Planning.

November 10, 1976

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem and  
Council Members:

On Monday, October 4, 1976, you did by a vote of 8-0, refer the matter of the Preparation of the John Bean Building for Winter Months "to the Mayor's Office for necessary action." My reply, regarding the aforementioned was forwarded to you in a communication dated October 7, recommendations which you approved.

In my communication to you I advised that:

"Allied Data, formerly of Atlanta, Georgia, has advised my office of its desire to lease some space in the John Bean Building (heated), that corporation's intention being to move here to Lansing, with employment anticipated at 12 to 26 employees."

I am now pleased to advise that an official lease Agreement between the Lansing Economic Development Corporation and Allied Data Corporation has been negotiated for a period of one (1) year, effective November 15, 1976. Allied Data Corporation will use a portion of the John Bean Building for the manufacturing and processing of medical history cards. Representatives of Allied Data Corporation advise that the location will be the home office for 12-28 employees and that a much larger number of sales oriented and technical employees will be working throughout the State of Michigan.

Sincerely,

GERALD W. GRAVES,  
Mayor.

Received and placed on file.

## RESOLUTIONS

By Community Development Committee—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing through the City Demonstration Agency have entered into a Grant agreement (74-P-25187/5-01 through 03) with the Department of Health, Education, and Welfare in June of 1971 to provide Youth Service Systems through the Youth Development Corporation; and,

Whereas, the City of Lansing through the City Demonstration Agency continued to provide those services through December 31, 1974; and,

Whereas, the period of this Grant had been adjusted; and,

Whereas, in order to finalize the closing of this grant it is necessary to execute and submit to the Department of Health, Education, and Welfare the following documents:

1. Grantee's Release
2. Grantee's Assignment of Refunds

Now, Therefore, Be It Resolved that the Mayor and Clerk are hereby directed to sign the above mentioned documents and forward same to the Department of Health, Education, and Welfare.

Adopted by the following vote:

Unanimously.

By Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

Whereas, the Michigan State Highway Commission and the City of Lansing have previously entered into an agreement regarding the reconstruction of Highway M-99 to provide dual 1-way roadways from intersecting centerline of Alsdorf Street southerly to 515 feet southerly of the intersecting centerline of Victor Street, and

Whereas, the Commission may, by virtue of Section 675 of the Michigan Vehicle Code (M.S.A. 9.2375) place signs on State trunkline highways prohibiting or restricting the stopping, standing or parking of vehicles on any highway where in its opinion, as determined by an engineering survey, such stopping, standing or parking is dangerous to those using the highway or where the stopping, standing or parking of vehicles would unduly interfere with the free movement of traffic thereon.

Now, Therefore, Be It Resolved that the Mayor and City Clerk be authorized to sign the attached Parking Restriction Agreement "B," wherein the City agrees upon completion of the project to enact an ordinance which will prohibit stopping,

standing and parking at all times when the right-of-way of that part of Highway M-99 is being reconstructed.

Adopted by the following vote:

Unanimously.

By Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

That the revised Agreement between the Consolidated Rail Corporation and the City of Lansing regarding an annual rental increase from \$5.00 to \$50.00 for a sewer crossing under their right-of-way, be approved, and

That the Mayor and City Clerk be authorized to sign said Agreement upon certification as to funds by the City Controller, and upon approval as to form by the City Attorney.

The Account Number for this Agreement will be 101-269-000-945.

Adopted by the following vote:

Unanimously.

By Committee on Finance—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing, in creating the Tri-County Office on Aging is responsible for the accounting of said office; and

Whereas, the City of Lansing has negotiated through the City Controller's Office to provide accounting services to the Tri-County Office on Aging; and

Whereas, it has been determined that it would be desirable to contract with said office through a cooperative agreement;

Now, Therefore, Be It Resolved, that the Controller is hereby directed to develop the above cooperative agreement; and

Be It Further Resolved, that the Mayor and City Clerk are hereby directed to sign said cooperative agreement after the approval of the City Attorney as to form.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

That the City Assessor be, and he is hereby directed to spread on the July, 1977 tax roll (L-11), the cost of cutting weeds in the year 1976, in the amount of \$860.00, as reported this date by the Building Commissioner.

Adopted by the following vote:

Unanimously.

By Committees on Planning and Public Service and Highways—

Resolved by the City Council of the City of Lansing:

ROW-3-76

2120-2124 South Cedar Street

Whereas, the City Council, on September 27, 1976, passed a resolution vacating the public alley right-of-way behind the property located at 2120 and 2124 South Cedar Street; more particularly described as:

The west 16 feet of Lots 14 and 15 of Assessor's Plat No. 46, City of Lansing, Ingham County, Michigan; and

Whereas, the legal description of this property should read:

The west 16 feet of Lots 14 and 15, and also the east four feet of Lot 16, Assessor's Plat No. 46, City of Lansing, Ingham County, Michigan; and

Whereas, the request was referred to the Planning Board and Public Service Board, who have reviewed and approved the request subject to retaining the necessary easements requested by the Board of Water and Light for existing overhead pole line; and

Whereas, the Planning Committee of Council and Public Service and Highways Committee of Council reviewed the report of the Planning Board and Public Service Board;

Now, Therefore, Be It Resolved that the property described as the west 16 feet of Lots 14 and 15 and also the east 4 feet of Lot 16, Assessor's Plat No. 46, City of Lansing, Ingham County, Michigan, be and the same is completely and fully discontinued and vacated subject to the necessary easements being retained as requested by the Board of Water and Light for existing overhead pole line; and

Be It Further Resolved, that the City Clerk of the City of Lansing, within thirty (30) days hereafter, shall forward a certified copy to the Registrar of Deeds for recording.

Adopted by the following vote:

Unanimously.

By Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

That in accordance with the Agreement by the City of Lansing to abandon the original 100 ft. drain easement of the Weigman Drain across Lots 7, 8, 9 and 12 of Assessors Plat No. 58,

Be It Resolved, that this abandonment be approved, and

Be It Further Resolved, that the City Clerk have said abandonment recorded with the Registrar of Deeds.

Adopted by the following vote:

By Community Development Committee—

Resolved by the City Council of the City of Lansing:

Whereas, the Community Development Management and Decision Making Process was adopted by City Council on September 13, 1976, and according to this schedule on November 15, 1976, "the Council directs the C.D. Executive Assistant to prepare projects and budgets," and

Whereas, two public hearings have been held (August 23, 1976 and November 3, 1976) to assess citizen needs and recommendations for the third year and three year Community Development Programs, and

Whereas, the Mayor's staff committee, the Planning Board, and citizens have made their recommendations concerning the third and three year Community Development Programs,

Now, Therefore, Be It Resolved, that "The City Council selects the third year program priorities after consideration of all recommendations and directs the Executive Assistants for C.D. to recommend projects and budgets to implement those programs approved by the City Council, in consultation with implementing departments and the Planning Board."

By Councilman Hull (Baker)—

That the following amendments be made to the Third Year Community Development Program:

AMENDMENT on page 2-C. (1) Community Center. Delete paragraph. Substitute following paragraph—

Facility planning shall proceed during the third program year and will include an evaluation of the use of free standing community/recreation centers and joint use of school facilities.

Substitute on page 2 RATIONALE, paragraphs 1 thru 3 the following:

1) The City of Lansing is committed to providing community and recreational services in facilities located conveniently for all geographical areas of the city. Planning and Research will have as its purpose to determine the appropriateness of free standing buildings or the joint use of an existing public school facility.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, the parking rate at the Civic center parking lot after 5 p.m. and on week-ends is lowered from \$.50 to \$.25; and

Whereas, the \$.25 fee established in 1963 no longer sufficiently covers even the maintenance costs contributed to evening and week-end parking; and

Whereas, it is recommended by the Civic Center Manager and approved by the Civic Center Board that the \$.25 fee be raised to \$.50 per evenings and week-ends; and

Whereas, this rate increase has been submitted to and approved by the Committee on Buildings and Properties;

Now, Therefore, Be It Resolved that beginning on Tuesday, November 16, 1976, at 5. a.m., the Civic Center parking lot rate will be a flat unchanging rate of \$.50 at all times.

#### REPORTS OF CITY OFFICERS AND BOARDS

City Treasurer submits report on condition of funds in the Treasury as of October 31, 1976.

Received and placed on file.

November 16, 1976

Honorable Mayor and Members  
of the Lansing City Council

Re: Claim filed by Larry Schmunster, for damages as a result of sewer backup (\$142.48)

Dear Mayor and Council:

On November 4, 1976 a claim filed by Larry Schmunster was referred to this office for damages caused by a sewer backing up.

1964 PA 170; MCLA 691-1407 states:

"Except as in this act otherwise provided, all governmental agencies shall be immune from tort liability in all cases wherein said government agency is engaged in the exercise and discharge of a governmental function. Except as otherwise provided herein, this act shall not be construed as modifying or restricting the immunity of the state from tort liability as it existed heretofore, which immunity is hereby affirmed."

Mr. Backus, Director of Public Service, indicated in a letter to this office that the sewers referred to by Mr. Schmunster had been cleaned in April of 1976. In light of this there does not appear to be any negligence by the city.

Therefore, it is the recommendation of this office that Mr. Schmunster's claim be disallowed.

Respectfully submitted,

PETER HOUK,  
City Attorney.

By Councilman Adado—

That we concur in the recommendation of the City Attorney.

Carried.

November 16, 1976

Honorable Mayor and Members  
of the Lansing City Council

Re: Claim of Margaret H. Davis for towing charge (\$20.00)

Dear Mayor and Council:

On September 1, 1976 a ticket was issued by the Lansing Police Department for parking illegally on private property. Section 31-77.1 of the Code of the City of Lansing states:

"It shall be unlawful for any person to park or stand a vehicle, whether occupied or not, in a private driveway or on private property without the express or implied consent of the owners or person in lawful possession or control of such driveway or property."

Subsequently, the owner of the property, Dorothy Rhodes had the car towed by Shroyers Central Towing, a city licensee. Section 33-38 places the following duties and responsibilities on a towing licensee:

"The licensee shall notify the Lansing Police Department of all cars towed from private property at the request of the property owner or persons lawfully in possession or control of such property, when the car owner has no knowledge of the vehicle being towed.

Furthermore, the licensee shall notify the registered owner of each vehicle towed, by certified mail, within forty-eight (48) hours, that he has the vehicle and the location where it is being held. The owner of the vehicle may be charged by the licensee for the cost of this mailing. The licensee may charge for the first forty-eight (48) hours of storage, but shall make no charge thereafter until he has a receipt of certification showing the certified letter has been sent to the registered owner of the motor vehicle. A period of seventy-two (72) hours after the licensee has sent the certified letter, the Lansing Police Department may process the unclaimed vehicle under the Abandoned Vehicle Act."

Additionally, Section 33-42 requires the licensee notify the Lansing Police Department periodically of unclaimed vehicles on

its lot. The evidence shows that Shroyers failed to notify the owner of the vehicle or the Lansing Police Department.

As a result, Mrs. Davis, through no negligence of the city, was without her vehicle for over a month.

It is the opinion of this office that an action should lie, if at all, against the licensee or the property owner, but not against the city. Therefore, it is the recommendation of this office that the claim of Margaret H. Davis be denied.

Respectfully submitted,

PETER HOUK,  
City Attorney.

By Councilman Adado—

That we concur in the recommendation of the City Attorney.

Carried.

November 15, 1976

Honorable Mayor and Members  
of the Lansing City Council

Re: Claim of Robert Watson for damages suffered when his vehicle struck a bump in a street (\$37.34+)

Dear Mayor and Council:

Recently Mr. Robert Watson filed a claim for damages allegedly incurred when the vehicle he was driving struck a bump while approaching the intersection of Grand Avenue and East Saginaw. The mishap occurred September 27, 1976. He is requesting the city to reimburse him for the actual damages to the car and for his inconvenience.

The city is immune from liability in the circumstances as outlined in Mr. Watson's claim since the city did not have advance notice of the bump.

Therefore, it is the recommendation of this office that Mr. Watson's claim be denied.

Respectfully submitted,

PETER HOUK,  
City Attorney.

By Councilman Adado—

That we concur in the recommendation of the City Attorney.

City Affairs Committee

Lansing City Council

Dear Councilman Belen:

Attached is an application for a parade permit for the Old Newsboys Association,

scheduled for 10:00 A.M. on Friday, December 10, 1976, with an alternate date of Friday, December 17, 1976.

You will note this application as been signed by all necessary department heads. Our Traffic Bureau estimates this will cost the City a total of \$29.62, which represents two officers and two vehicles for one hour.

This is being forwarded to your Committee for final action.

Respectfully yours,

RICHARD A. GLEASON,  
Chief of Police.

Referred to Committee on Ordinance and Contracts and City Affairs.

### REPORT OF COMMITTEE

The Committee on ORDINANCE AND CONTRACTS AND CITY AFFAIRS, to whom was referred the request of Old Newsboys Association for permission to parade at 10 a.m. on Friday, December 10, 1976 (alternate date of Friday, December 17, 1976), reports as follows:

The Committee recommends permission be granted, the parade permit having received the approval of the necessary department heads. The committee further recommends that the parade be under supervision of the Lansing Police Department.

Signed:

LUCILE BELEN,  
R. J. BAKER,  
JACK D. GUNTHER,

November 12, 1976

The Honorable Mayor Gerald W. Graves

and Members of the City Council

Ninth Floor

City Hall

Lansing, Michigan

Dear Mr. Mayor:

Pursuant to your request regarding the activities engaged in by the Lansing Housing Commission, I submit the following information.

As you are aware, the Lansing Housing Commission was developed under Resolution

No. 108 of the City Charter in 1965, and is confined by law to operate within the Municipal City Limits. In 1965 and 1966, the Department of Housing and Urban Development provided a program reservation of 1,000 units of low income housing for the City of Lansing. At present, the Lansing Housing Commission has built approximately 898 units out of the 1,000 originally allocated in the program reservation.

The New Development Act of 1974 requires that all new housing units be developed through what is known as Section 8. Under Section 8, the Lansing Housing Commission has an application for MI28-8023-001 which is 100 units of Senior Citizen housing and is at present being considered by the Regional Office. It is my understanding that the developer has asked for a raise of rents that exceeded his original application and the Regional Office is attempting to get special dispensation from Ms. Carla Hills, Secretary of Housing and Urban Development, to allow the same.

The Section 8 ACC is being processed in the Housing Office presently and will shortly be sent to the Mayor and City Council for approval. The first part of the Section 8 ACC involves Existing Housing and will require an ACC for \$190,668.00 per year to permit Housing Assistance Payments to potential landlords to make up the difference between what the residents can pay and the maximum rents allowed.

By way of report, the Lansing Housing Commission is in the process of making repairs and upgrading buildings through a Modernization program. Within this program, among other things, South Washington Park is being waterproofed with a new coping being installed to eliminate some roof leaks, and a utility building is being constructed to house equipment used at the project.

An addition to the Maintenance Garage is under way which will allow the Commission to maintain its own vehicles and be able to steam clean stoves, refrigerators, etc. This method of steam cleaning allows a much more sanitary and less expensive way of handling the rehabing of stoves and refrigerators, etc.

The budget for this fiscal year is over a million dollars with only some \$80,000.00 subsidy. This is a new experience for the Housing Commission to receive so little subsidy from the Federal Government for general operations. To operate successfully under these conditions, emphasis is needed to collect the rents from the residents as it is the main source of income for the paying of all bills, including utilities, staff and maintenance costs.

Under Section 8, it is apparent that Housing Commissions in the future will not be building buildings and managing the same as it has been done in the past. Instead, Housing Commissions will continue to manage the units that have been assigned to them and to manage in some instances monies to pay the Housing Assistance Payments for developers who do build build-

ings that fall within the responsibility of the Housing Commission.

Most cordially yours,

MARCEL B. ELLIOTT,  
Executive Director.

Referred to Committee on Planning.

ROBERT R. BACKUS,  
Director of Public Service.

Referred to Committee on Public Service and Highways.

November 18, 1976

Honorable Mayor and City Council

City Hall

Lansing, Michigan

Gentlemen:

In accordance with your request of October 25, 1976 regarding the costs of pertinent details for the construction of sidewalks on South Cedar Street, I would report the following.

Total estimated cost for constructing sidewalk on both sides of South Cedar between Willoughby Rd. and Miller Rd. is \$182,800.00. Of this amount, \$72,650.00 would be the City share; \$69,150.00 would be assessed, and \$41,000.00 would be the share for the Michigan State Highway Department. I doubt very much if the Highway Department would participate in this project, and if not, the City share would be increased to \$113,600.00. It should be noted that due to existing drainage ditches in this area, we have included costs for the construction of storm sewers which will be required prior to the sidewalk construction.

A detailed cost breakdown is attached.

Respectfully submitted,

ROBERT R. BACKUS,  
Director of Public Service.

Referred to Committee on Public Service and Highways with copy to Councilman Baker.

November 18, 1976

Honorable Mayor and City Council

City Hall

Lansing, Michigan

Gentlemen:

Attached for your consideration is a request from Sparrow Hospital to utilize the west side of the 100 block of N. Holmes St. during construction of an addition to their building. This request involves closing of the sidewalk, and using the West side of

the street for the parking of construction trailers.

I would recommend approval of this request, subject to approval of the Traffic Engineer.

Respectfully submitted,

ROBERT R. BACKUS,  
Director of Public Service.

Referred to Committee on Public Safety.

Honorable Mayor and City Council

City Hall

Lansing, Michigan

Gentlemen:

Attached are two (2) proposed cost agreements between the Michigan State Highway Commission and the City of Lansing for traffic signal system modernization on Logan and Birch Streets from Woodbine to St. Joseph, and for relocation of the traffic signal at Cedar and Pacific to Cedar and Riley.

The City's share for the relocation of the traffic signal at Cedar and Pacific will be \$4,091.50, using account number 203-477-000-818.

The City's share for the traffic signal system modernization on Logan and Birch Streets is \$6,841.44, using account number 202-477-000-818, and \$3,224.16, using account number 203-477-000-818.

I would recommend approval of these proposed cost agreements.

Respectfully submitted,

ROBERT R. BACKUS,  
Director of Public Service.

P-6-76

Concord Village No. 4

Honorable Mayor and

Members of City Council:

The Lansing Planning Board will hold a public hearing on December 7, 1976 at 7:30 p.m. in the City Council Chambers, Tenth Floor, City Hall, Lansing, Michigan, on the proposed subdivision plat known as Concord Village No. 4. This is not a matter of rezoning.

The proposed plat includes approximately twenty (20) acres of land, to be subdivided into seventy-eight (78) lots ranging from

approximately 6,000 square feet to 9,800 square feet in area. The property is presently zoned "CUP" Community Unit Plan District. A petition to change the zoning of thirteen (13) of the lots to "C-2" Family Residential District, with the remaining sixty-five (65) lots to be changed to "A-1" Single Family Residential, is presently under Council's consideration. Current plans for development include only single family detached dwelling units, however, should market conditions change, duplexes may be developed on the proposed "C-2" lots. A net density of 5.6 dwelling units per acre is anticipated. Access would be gained via Bridgeport Drive. Plans are on file in the Planning Department for your review.

This notification is in accord with Section 37-8(2) of the Lansing Subdivision Regulations. You are cordially invited to attend this hearing.

Sincerely,

ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

Received and placed on file.

November 18, 1976

Honorable Mayor Gerald W. Graves and

Members of the Lansing City Council

Gentlemen:

Subject: Liquor Licenses

The Housing and Redevelopment Advisory Board, at its meeting held on October 26, 1976, unanimously recommended that the Lansing City Council consider the fact that any new liquor licenses that become available for issuance by the City of Lansing could be a valuable marketing tool that could be utilized in attempting to encourage new development on urban renewal land. In making this recommendation, the Board felt that it would be opportune to point out to the City Council that seven (7) licensed liquor establishments operated within the renewal area prior to acquisition, while only two such establishments are now located in the same area, and one license is held in escrow for the eventual 100 block development.

Your consideration of this matter is appreciated.

Sincerely,

HOUSING AND  
REDEVELOPMENT  
ADVISORY BOARD,  
Ronald G. Stonehouse,  
Secretary.

Honorable Mayor and

Members of City Council

Gentlemen:

The Lansing Park Board at their October and November, 1976 meetings reviewed the attached report on this past summer's Leisure Center Program. It was the decision of the Board to forward this report along with its recommendations to the Mayor and City Council, as well as to the Lansing Board of Education.

It is the recommendation of the Park Board to further develop the Leisure Center Concept in 1977; and that the City should work with the Lansing School District on utilization of additional locations (including secondary school facilities with indoor pools) for next summer's activities.

The staffing recommendations mentioned in the report will be given consideration by the Park Board during the development of the 1977-78 operational budget.

Thank you.

Sincerely,

THEODORE J. HASKELL,  
Director,  
Parks and Recreation..

Letter (a)

Honorable Mayor Graves and

Members of City Council

Gentlemen:

The Traffic Board at its November 10, 1976 meeting reviewed the request to lower

the speed limit on Waverly Road to 35 mph. Presently the speed limit is 45 mph from Jolly Road north to N. Grand River Avenue; south of Jolly Road the speed limit is 50 mph. A speed survey on Waverly Road north of Jolly Road shows that the average speed is approximately 45 mph and the 85th percentile speed is approximately 49 mph with the range of speeds from 35 mph to 60 mph.

The predominant type of accident occurring on Waverly Road north of Jolly involves vehicles making turns from Waverly onto side streets. Persons making left turns must stop in the center thru lane and wait for opposing traffic to clear. Vehicles traveling in the same direction as the turning car must either stop behind the car that is turning or weave into the curb lane. Most of the accidents on Waverly are rear-end accidents or side-swipe accidents caused by the weaving movement. Construction of a fifth lane along appropriate sections of Waverly Road, and construction of separate left turn lanes at isolated intersections would do much to alleviate this hazardous situation. The accident rate on Waverly is between 7 and 8 accidents per million vehicle miles. This compares with an accident rate of 11.3 on Cedar St., 14 on Logan St., and 16.3 on N. Grand River Ave.

Speed surveys obtained on Holmes Road and on Jolly Road east of Waverly where the speed limit is 35 mph reveals an average speed of 39 mph and an 85th percentile speed of 43 mph on Holmes Road, and an average speed of 40 mph and an 85th percentile speed of 44 mph on Jolly Road. Because of the type of development along Waverly Road as compared to that along Holmes and Jolly Roads, lowering the speed limit on Waverly to 35 mph could not be expected to lower traffic speed as low as that on Holmes and Jolly. Without rigorous enforcement very little change in the speed of traffic would be expected from a reduction of the speed limit to 35 mph.

A motion to recommend to City Council lowering the speed limit on Waverly Road to 35 mph from Miller Road to Moores River Drive failed by a vote of 3 Yeas and 2 Nays. It takes 5 affirmative votes to approve a motion.

Respectfully submitted,

LANSING TRAFFIC BOARD,  
Raymond O. Severy,  
Secretary.

Letter (b)

Honorable Mayor Graves and

Members of City Council

Gentlemen:

The Lansing Traffic Board reviewed a request for a total prohibition of turns at

the intersection of Pleasant Grove Road and Holmes Road during the times when school children are present. Heavy traffic volumes, high turning movements, and large numbers of elementary school children combine to make accident potential at this intersection high.

Thru the end of September, 1976 there have been twenty-four accidents at this intersection, one involving a pedestrian. Of these twenty-four accidents approximately 80% involve or are the result of cars making left turns. The predominant type of accidents are rear end accidents, and left turn accidents with opposing cars. The residents' concern is to completely eliminate any vehicular-pedestrian conflicts. In addition to the residents' request to prohibit all turns at the intersection, a second alternative would be to provide an all red phase when children can cross in all directions. The Traffic Board directed the Traffic Engineer to investigate these two possibilities and determine which would be the better solution.

The Traffic Engineer reported that because of the high incidence of accidents involving left turning vehicles, a four-phase traffic light would be installed at this intersection. The operation of this signal would then be such that each direction of traffic would have a separate movement. Left turning cars would be able to turn left with no opposing traffic. In conjunction with the four-phase operation of the traffic signal right turns on red should be prohibited to eliminate conflicts between left turning and right turning vehicles. The Traffic Board recommended for City Council consideration that right turns on red be prohibited at the intersection of Pleasant Grove and Holmes. City Council concurred in this recommendation Monday, November 15, 1976.

Installation of the four-phase operation at the intersection of Pleasant Grove Road and Holmes was completed Wednesday morning November 17, 1976.

Respectfully submitted,

LANSING TRAFFIC BOARD,  
Raymond O. Severy,  
Secretary.

Letter (c)

Honorable Mayor Graves and

Members of City Council

Gentlemen:

On August 23, 1976, City Council ordered stop signs erected on Harton St. at Magnolia and at Foster. The stop signs were ordered erected to control speed on Harton St.

An engineering analysis by the Traffic Department reveals that traffic control is

not necessary or warranted at these intersections. The accidents which occurred on Harton St. prior to the installation of the stop signs involved single high speed vehicles running off the road. Before and after speed surveys revealed that the speed of vehicles during afternoon hours showed no significant change after the installation of stop signs. The observance of the stop signs is poor. Less than half of the vehicle stopped at the stop signs and approximately 1/3 of the vehicles proceeded thru the stop signs at faster than 6 mph.

The Traffic Board recommended by a 5-0 vote that the emergency order for these stop signs be extended 90 days to allow the Traffic Board members to observe the operation of these stop signs for an extended period. At the end of the 90 days period the Traffic Board will make a recommendation relative to permanent traffic control at these intersections.

Respectfully submitted,

LANSING TRAFFIC BOARD,  
Raymond O. Severy,  
Secretary.

Letter (d)

Honorable Mayor Graves and

Member of City Council

Gentlemen:

When Oldsmobile closed Olds Avenue from Logan to Pine Streets on September 1st, operation of the traffic light at the intersection of Pine Street and Olds Avenue was discontinued. After observing the operation of this intersection with no traffic control for southbound traffic on Pine St., officials at Oldsmobile requested that a stop sign be erected for southbound traffic. During times of shift change heavy pedestrian traffic utilizes this intersection.

With no stop sign, southbound traffic on Pine St. does not have to stop at Olds, thereby increasing accident potential between pedestrians and vehicles on the east side of Pine Street at Olds. In addition some confusion exists between traffic exiting the plant and traffic southbound on Pine Street because traffic exiting has a stop sign and they are not sure as to whether southbound traffic on Pine will stop.

The Traffic Board recommended by a 5-0 vote that City Council consider the erection of a stop sign on Pine Street for southbound traffic at Olds Avenue. This Stop sign was erected under section 81-12(b) of the Traffic Code on Friday, October 29, 1976.

Respectfully submitted,

LANSING TRAFFIC BOARD,  
Raymond O. Severy,  
Secretary.

## Letter (e)

Honorable Mayor Graves and

Members of City Council

Gentlemen:

A request from the Eagle Restaurant to allow parking after 6 p.m. on the east side of Capitol Avenue from Washtenaw St. to Kalamazoo St. was referred to the Traffic Board for consideration. The Traffic Board reviewed the request and voted 5-0 to recommend that the request be denied.

Investigation revealed that only approximately twelve to fifteen spaces could be provided on the east side of Capitol Avenue in this block. Since the restaurant is in mid-block, allowing parking on the east side of Capitol Avenue would create a tendency for persons to jaywalk across Capitol Avenue, creating conflicts with southbound vehicles. The traffic volume on Capitol Avenue during the evening hours is approximately 400 vehicles per hour.

The City of Lansing provides free parking during the evening in the South Capitol Ramp which is immediately adjacent to the Eagle Restaurant. The ramp is lighted during the evening hours for the safety and convenience of those persons wishing to utilize the parking. The Board recommended denial of the request because of the limited number of spaces that would be gained, the increase in accident potential that would result, and because lighted free parking is provided by the City immediately adjacent to the Eagle Restaurant.

Respectfully submitted,

LANSING TRAFFIC BOARD,  
Raymond O. Severy,  
Secretary.

Referred to Committee on Public Safety.

## Letter (f)

Honorable Mayor Graves and

Members of City Council

Gentlemen:

Because of the traffic patterns on Grand Avenue between Washtenaw Street and Allegan St., metered parking can safely be allowed on the west side of Grand Avenue in this block. The west curb lane of Grand Avenue south of Washtenaw St. is a left turn only lane, therefore no vehicles would be continuing straight thru in this curb lane. The curb lane on the west side of Grand Avenue south of Allegan Street is not utilized by vehicles because Allegan is one-way eastbound. Nine metered parking spaces can be provided in this block. A loading zone would be provided at approximately mid-block.

The Traffic Board voted to recommend for City Council's consideration the establishment of one hour metered parking on the west side of Grand Avenue from Washtenaw St. to Allegan St. The Parking Division has the one hour meters available.

Respectfully submitted,

LANSING TRAFFIC BOARD,  
Raymond O. Severy,  
Secretary.

Honorable Gerald Graves, Mayor

and City Council Members

City of Lansing

Lansing City Hall

Dear Mayor and

Members of City Council:

In reviewing its possible course of action following the 54-46 defeat of the proposed

Lansing Charter at the November 2nd election, the Lansing Charter Commission has now determined that it will proceed to submit a new charter proposal to the public next year and that the proposal it will submit will be based on a careful review and appropriate modification of the Charter presented on November 2nd.

The text of our resolution, adopted at the meeting of November 16th is as follows:

Moved by Commissioner Baker that the Charter Commission will completely review the November 2nd Charter proposal. Then based on careful consideration of public testimony, a new charter proposal will be submitted to the electorate in 1977.

Adopted: 9 Yes Votes — 0 No Votes — 0 Abstained.

With the decision to proceed with the submission of a new Charter Proposal, there arises a need for additional funds for the Commission's expenses.

All members of the Charter Commission have attended more than the ninety meetings for which the statute permits payment and accordingly all Commissioners will be serving in a purely voluntary and unpaid capacity for the remainder of the Commission's existence.

There remains, however, a continuing need for the services of the Commission's legal consultant, secretarial services, incidental office expenses, including the reproduction of proposed changes in the November 2nd draft, and finally the rather sizable expense of the publication of the draft to be submitted to the public for a vote next year.

While we have not finalized and itemized our budget, my colleagues have asked that I transmit to you our expectations that the expenses involved will approximate \$15,000.00 and to request that you act to authorize our disbursement up to that amount.

The largest single portion of the budget will be the publication of the charter proposal next year, which will be something in excess of \$4,500.00.

We would hope that it will not be necessary to use the full amount above requested. This will depend in good measure, the number of meetings required to complete a review of the November 2nd proposal and give appropriate consideration to the several changes in that document which have been suggested.

If there are any questions regarding the above, I would be pleased to review them with you or your representatives. The Commission's next meeting will be Tuesday, November 30, 1976, at 7:30 p.m.

Sincerely yours,

for the Charter Commission:  
THOMAS C. WALSH,  
Chairman.

Referred to Committee on Finance and Committee of the Whole.

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem and

Council Members:

This office has recently been advised by Ms. Helen Dunn that she finds it necessary to resign as a member of the Board of Appeals (Zoning Ordinance). Therefore, to fill this vacancy, I am herewith submitting the name of Ms. Barbara Martin for your consideration and confirmation, which term expires, June, 1979.

Ms. Martin is a lifelong resident of Lansing and graduated from Eastern High School. She has been employed at Michigan Bell Telephone Company for the past 3½ years and serves as a Clerk in the Marketing Department. She is a member of the Calvary Baptist Church and a volunteer in all the youth programs of that Church; she is also a member of various Bell Telephone recreational leagues.

Ms. Martin is 23 years old and resides with her parents, Mr. and Mrs. Robert Martin at 1519 Congress Street in the First Ward.

Trusting this recommendation meets your approval, I remain

Sincerely,

GERALD W. GRAVES,  
Mayor.

Referred to Committee on Planning.

## RESOLUTIONS

By Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

That the proposed Cost Agreement between the Michigan State Highway Commission and the City of Lansing for the removal of the traffic signal at BL-96 (Cedar Street) and Pacific Avenue, and installation of a new traffic signal at BL-96 (Cedar Street) and Riley Street, permit No. 33032-01-035, be approved with the stipulation that pedestrian walk-don't walk signals be provided for pedestrians crossing Cedar Street on the north side of Riley Street.

This project will be funded 50% by the State of Michigan and 50% (\$4091.50) by the City of Lansing. Funds for the City

portion will be drawn from account number 203-477-000-818, and

That the Mayor and City Clerk be authorized to sign this Cost Agreement upon certification of the City Controller as to the availability of funds, and after approval as to form by the City Attorney, and

Be It Further Resolved that left turns from BL-96 (Cedar Street) to Riley Street be prohibited after the new signal is installed.

By Councilman Hull (Brenke)—

That this be referred back to the Committee on Public Service and Highways.

Carried.

The reconstruction of the traffic signal system is in conjunction with the reconstruction of Logan Street from Victor Street to Kalamazoo Street, and will be partially funded by the State of Michigan, the Federal Highway Administration, and the City of Lansing (\$10,065.60). Funds for the City portion will be drawn from account number 202-477-000-818 (\$6,841.44), and from account number 203-477-000-818 (\$3,224.16), and

That the Mayor and City Clerk be authorized to sign these Cost Agreements upon certification of the City Controller as to the availability of funds, and after approval as to form by the City Attorney.

By Councilman Hull (Brenke)—

That this be referred back to the Committee on Public Service and Highways.

Carried.

By Buildings and Properties Committee—

Resolved by the City Council of the City of Lansing:

That the City Assessor be, and he is hereby directed to spread on the July 1977 tax rolls (U-12), the cost of correcting the hazardous and unsanitary conditions of properties in the Year 1976, in the amount of \$1,143.54, as reported this date by the

Building Commissioner, and as per attached list.

Adopted by the following vote:

Unanimously.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

Whereas on June 7, 1976 Lansing City Council approved an Industrial Facility Exemption Certificate under Act 198, 1974 for Cutler Plastics Corporation of 5511 Enterprise Drive,

And Whereas amendments to the original Act in the form of Act 247 and Act 302, 1975 requires that the legislative body of the local governmental unit in its resolution approving an application shall set forth a finding that the aggregate amount of exemptions shall not impede the operation of the local government,

And Whereas on June 1, 1976, a hearing was held in Council Chambers affording representatives of all taxing units within the City an opportunity to be heard on the effect of this and aggregate exemptions, but no objections were made,

Now Therefore Be It Resolved that the resolution of June 7, 1976, be amended to read, that the granting of this certificate together with the aggregate amount of previous exemptions shall not impede the operation of the local government or impair the financial soundness of taxing units within the City.

Adopted by the following vote:

Unanimously.

By Community Development Committee—

Resolved by the City Council of the City of Lansing:

Whereas, certain monies may be available to the Capital Area Office of Economic Opportunity as the grantee and the City of Lansing as the subgrantee, to establish a Womens Center; and,

Whereas, this Womens Center would provide and coordinate such services as:

1. Assist individual women to recognize and attain their full potential;
2. Coordinate comprehensive counseling services on an individual basis to adult women to include personal, educational and vocational counseling to assist women in determining their individual needs and clarifying their personal life goals and be available for crisis intervention in areas to include divorce, battering, finances, widows, social security, public assistance and employment readiness;

3. Maintain a data bank containing registrants names, personal data and job listings obtained from area employers;

4. Develop an out-reach program for displaced homemakers and women in crisis to include counseling, vocational testing and skill development;

and;

Whereas, the total amount of monies being requested under this grant is \$45,941 with the state share being \$29,788, the City hard match share being \$9,128 and the city soft match share being \$7,025; and,

Whereas, this Womens Center would be staffed by a Coordinator and one secretary; and,

Whereas, the location of this center would be as determined by the Human Resources Director after consultation with the appropriate community agencies throughout the area; and,

Whereas, the supervision of the Women's Referral Center would be under the direction of the Human Resources Department; and,

Whereas, the city's local cash share of the program would come from residual monies currently existing within the Human Resources Department's Women's Center Account No. 254-611-187-969;

Now, Therefore, Be It Resolved that the Program Coordinator and the Human Resources Department are authorized to submit an application as sub-grantee to the Capital Area Office of Economic Opportunity

Be It Finally Resolved that should this application be accepted, the Mayor and City Clerk are authorized to sign any subsequent contractual agreements after approval by the City Attorney as to form.

By Councilman Baker—

That a period be placed after the word "Opportunity" in the 8th paragraph and that the 9th paragraph be deleted.

Carried.

The resolution as amended was adopted by the following vote:

Unanimously.

By Committee on Community Development—

Resolved by the City Council of the City of Lansing:

That Change Order No. 1 to the Contract (B-76-578) between Brown Brothers, Inc., and the City of Lansing, Michigan dated August 24, 1976, changing the contract com-

pletion date to June 15, 1977, due to delays imposed by the City in issuing a Notice to Proceed, be approved, and

That the Mayor and City Clerk be and are hereby authorized and directed to execute said Change Order No. 1, upon its approval as to form by the City Attorney and certification as to availability of funds by the Finance Director.

Adopted by the following vote:

Unanimously.

By Committee on Community Development—

Resolved by the City Council of the City of Lansing:

That the attached guidelines for the Peripheral Area Housing Rehabilitation Program are hereby approved and adopted as policy by the Lansing City Council, and

That the Housing and Redevelopment Director, pursuant to Section 2A-22(f) of the Code of Ordinances of the City of Lansing, is hereby authorized and directed to implement this program in accordance with the attached guidelines.

Adopted by the following vote:

Unanimously.

By Mayor Pro-Tem McKane—

Resolved by the City Council of the City of Lansing:

Whereas, the Lansing City Council has built two community and recreation centers within the city; and

Whereas, the Council has officially supported the concept of such centers on an as-needed basis for the remaining portions of the city; and

Whereas, the Council has not yet received adequate data to provide a balanced recreation program, including city-funded and city-maintained community and recreation centers as well as the city use of school facilities; and

Whereas, the Council has not seen fit to use monies from the first three years of the Community Development Program for the planning and building of new community and recreation centers;

Now, Therefore, Be It Resolved that the Lansing City Council reaffirms its intent to provide a balanced recreational program to the citizens of Lansing; and

Be It Further Resolved that the Council appoints a committee to compile all available information and to make specific short-range and long-range recommendations to the Council pertaining to a balanced recreational program throughout the city; and

Be It Finally Resolved that the Council designates the Program Coordinator as the chairman of the committee and the Parks and Recreation Director, the Planning Director, and the Finance Director as members of the Committee.

By Councilman Hull (Baker)—

That resolution No. 11 on the agenda by Councilman Hull and Baker be substituted for Resolution No. 8.

Lost by the following vote:

Yeas: Councilmen Baker, Hull—2.

Nays: Councilmen Adado, Belen, Blair, Brenke, Gunther, McKane—6.

By Councilman Hull—

That the following amendment be made to paragraph 6—place a coma after the word "City" and add the following—"including but not limited to the possible planning, locating, building, and financing of community and recreation centers; and"

Adopted by the following vote:

Yeas: Councilmen Baker, Belen, Blair, Gunther, Hull, McKane—6.

Nays: Councilmen Adado, Brenke—2.

The resolution as amended was adopted by the following vote:

Yeas: Councilmen Baker, Blair, Gunther, Hull, McKane—5.

Nays: Councilmen Adado, Belen, Brenke—3.

By Committee on Finance—

Resolved by the City Council of the City of Lansing:

Whereas, on October 11, 1976, the City Council authorized the one year lease of one additional Burroughs L6000 to handle the increased workload in the Accounting Division, with the understanding that this machine would be turned back and the current Burroughs L5000, which is owned by the City would be released for sale (estimated \$6,000) simultaneously with the successful implementation of the computerized on-line accounting system, and

Whereas, after extensive investigation and trial of various machinery by the Finance Dept., they have identified a machine manufactured by Prime Computer, Inc., which will satisfy the requirements for implementing the on-line accounting system, and

Whereas, the Finance Committee has reviewed the history and need for this machine, and unanimously recommends it, and

Whereas, this machine will also serve as an aid to other operations which go on-line, including income tax and the assessor, and has the capability to run other programs in languages not compatible with the main computer, and

Whereas, funds exist for this purpose in account number 101-937-727-976 to cover the monthly lease of \$1,874 for this machine,

Now, Therefore Be It Resolved, that the Mayor and the City Clerk are directed to sign the lease agreement covering a three year period with Prime Computer, Inc., for the P300 system, subject to approval by the City Attorney as to form and certification of availability of funds by the Controller.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

That the attached contract between the City of Lansing and the Flint Building Company regarding the construction and maintenance of certain sewer appurtenances located on Warwick Subdivision No. 3 be approved, subject to the filing of the required Bond and Maintenance Agreement.

Be It Further Resolved that the Mayor and City Clerk be authorized to sign said agreement.

Adopted by the following vote:

Yeas: Councilmen Baker, Belen, Blair, Brenke, Gunther, McKane—6.

Nays: Councilmen Adado, Hull—2.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

P-5-76

Bradford-Scott

Preliminary Plat

Whereas the preliminary plat of Bradford-Scott Park, P-5-76, has been submitted for tentative approval; and

Whereas the Planning Board, pursuant to Act 285, P.A. 1931, has reviewed the Preliminary Plat and recommended that the City Council tentatively approve the preliminary plat, subject to conditions; and

Whereas the Planning Committee of Council reviewed the report of the Planning Board and concurred therewith;

Now, Therefore, Be It Resolved that the preliminary plat of Provincial House is

hereby tentatively approved subject to the following conditions:

- 1) That the final plat be developed with all public improvements as required by the Lansing Subdivision Regulations and the Michigan State Plat Act;
- 2) That the Proprietor submit a final grading plan which indicates that; a) no storm water is pocketed on any lot, and b) surface water will drain therefrom so as not to adversely affect adjacent properties,
- 3) That a Soil Erosion and Sedimentation Control Plan be submitted for approval by the Director of Public Service and Ingham County Drain Commission,
- 4) That fire hydrants be provided as required by the Fire Marshal.
- 5) That two sealed copies of the plat be submitted to the Department of Natural Resources in order that a Flood Plain for the Powlowski (Mud Creek) Drain may be established in accord with Section 116 and 117 of Act 288, P.A. 1967;
- 6) That access to Highway I-96, Ramp "A" at Pennsylvania Avenue interchange be prohibited,
- 7) That thirty foot (30') easements for the storm and sanitary outlet sewers are to be shown on the plat,
- 8) That an easement of 65 feet from the centerline of Powlowski (Mud Creek) Drain be shown on the plat,
- 9) That the developer utilize an underground electrical distribution system, with the necessary easement provided,
- 10) That inconsistencies in the proposed plat and the recorded plat of Abood-Ramada and the Michigan Department of State Highways and Transportation right-of-way be resolved prior to final approval,
- 11) That the plat be submitted to the Department of State Highways and Transportation for their approval, and
- 12) That this tentative approval of the preliminary plat is effective for a period of twelve (12) months and will expire on November 22, 1977; and

Be It Further Resolved that the City Clerk is hereby directed to attach this approval to the Plat and return it to the Proprietor.

By Councilman Baker—

That under 2) add (c) "that a 6 to 8 foot earth burms be developed on the eastern edge of the property."

By Councilman Adado—

That this be referred back to the Planning Committee and that a map be furnished with the proposed amendment.

Carried.

By Committees on Planning and Public Service and Highways—

Resolved by the City Council of the City of Lansing:

P-4-76

Smokler Lansing

Whereas the Preliminary Plat of Smokler Lansing has been submitted for tentative approval; and

Whereas the Planning Board, pursuant to Act 285, P.A. 1931, has approved and recommended that the City Council tentatively approve the Preliminary Plat subject to the following conditions:

- 1) That the plat be developed according to the plan approved by the City Council and with complete public improvements (streets, sidewalks, sewer, water and electricity) as required by the Subdivision Control Ordinance and the Michigan State Plat Act.
- 2) That the developer formally deed lots 2 and 7 of Woodglen Subdivision No. 1 to the City upon final plat approval.
- 3) That the property known as Lots No. 2 and No. 7 of Woodglen Subdivision No. 1 be included as part of the replat.
- 4) All lots be graded so that surface water drains to the street.
- 5) All requirements of the Soil Erosion and Sedimentation Control Act be followed.
- 6) Residential streets should be only thirty feet (30') curb to curb and Collector Streets should be thirty-six feet (36') curb to curb.
- 7) That the developer utilize an underground electrical distribution system, as specified in Section 37-33 of the Lansing Subdivision Regulations.
- 8) That necessary easements be provided for the installation of utilities.
- 9) The storm drainage plan must be approved by the Public Service Department.
- 10) That the Traffic Engineer and Planning Department approve of a submitted buffer plan for residences along Edgewood Boulevard.
- 11) That this is a tentative approval of the preliminary plat for a period of twelve (12) months.

Whereas the Planning Committee of Council reviewed the Planning Board and concur therewith;

Now, Therefore, Be It Resolved that the Preliminary Plat of Smokler Lansing Subdivision is hereby tentatively approved subject to conditions one through eleven, as set forth above, and

Be It Further Resolved that the City Clerk be and she is hereby directed to attach this approval to the plat and return it to the proprietor.

Adopted by the following vote:

Unanimously.

By Committees on Planning and Public Service and Highways—

Resolved by the City Council of the City of Lansing:

P-8-73C

Warwick Subdivision No. 3

Final Plat

Whereas the final plat of Warwick Subdivision No. 3 has been submitted for approval; and

Whereas the Planning Board, pursuant to Act 285 of Public Acts of 1931, as amended, has approved and recommended that the City Council approve the final plat subject to the following conditions:

- 1) That either an abstract of title holds or the attorneys opinion as to the marketability of the land or a certificate of title insurance be submitted to the City Clerk prior to the signing of Plat and the affixing of the Municipal Seal.
- 2) That financial security be posted in the amount specified by the Public Service Department prior to the signing of the plat and the affixing of the Municipal Seal.
- 3) That final approval be considered by the City Council only after the satisfactory arrangements are made for sanitary sewers for the plat; and

Whereas the Planning Committee of City Council and the Public Service and Highways Committee of City Council have reviewed the report of the Planning Board and concur therewith;

Now, Therefore, Be It Resolved that the final plat of Warwick Subdivision No. 3 is hereby approved subject to the conditions outlined above and all conditions of previous approvals; and

Be It Further Resolved that the City Clerk is directed to transcribe the Certificate of Approval of the Final Plat of Warwick Subdivision No. 3.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

SJ-4-76

Oldsmobile Division of  
General Motors Corporation

More particularly described as:

The area bound by West Main Street, Logan Street, the Grand River, and Townsend Street extending south to the Grand River.

Whereas Oldsmobile Division of the General Motors Corporation has requested permission to erect information signs in the above described area, and more specifically to be located as follows:

- 1) At the Olds Avenue gate, Logan and Olds,
- 2) Pine Street Gate, Main and Pine,
- 3) Administration Building, Main and Townsend (replacing existing sign).

The location of the above signs will be within the "J" Parking zoning district, and

Whereas, pursuant to Chapter 36, Section 36-41(9) of the Code of Ordinances of the City of Lansing, the Planning Department has reviewed this request; and

Whereas the Planning Department believes that the types of signs proposed are in keeping with the general intent of Section 36-41(9), which is intended to allow advertising signs within the "J" Parking District for industrial establishments, providing the signs do not overhang the public right-of-way; and

Whereas the Planning Committee of Council, to whom was referred the report of the Planning Department, concurs therewith;

Now, Therefore, Be It Resolved that the Council of the City of Lansing approves and allows the erection of the above described advertising sign on the above described property, subject to the issuance of the proper sign permits in accord with the Sign Ordinance.

Re: Claim of Stephen Bruhn for damages incurred when parking lot gate at Civic Center came down on top of his vehicle

Dear Mayor and Council:

In a recent conversation with Darryl Askie, Assistant Manager of the Lansing Civic Center, he confirmed that Mr. Bruhn's automobile was damaged by a defective parking lot gate.

Mr. Askie indicated that the parking lot gate was continuously malfunctioning during the first week in October.

As a result, I am recommending that this claim be paid in the amount of \$40.40.

Respectfully submitted,

PETER HOUK,  
City Attorney.

By Councilman Blair—

That we concur in the recommendation of the City Attorney and the City Clerk be and she is hereby directed to draw a warrant on the City Treasurer in the amount of \$40.40 payable to Stephen Bruhn.

Carried.

Re: Clevenger v City of Lansing and  
Lansing Fire Board

Dear Mayor and Council:

The Lansing Fire Department has been unable to fill vacant fire fighter positions since July 2, 1976 due to an injunction arising out of the above referenced civil action. Mr. Clevenger's suit concerns the propriety of the 5'8" minimum height requirement imposed by the Fire Department.

On October 7, 1976, the Board of Fire Commissioners, without consultation with this office, deleted the minimum height requirement from its Rules and Regulations. As a result, Judge Brown has lifted the injunction effective November 19, 1976. Thus, the Fire Department may now act to fill vacant fire fighter positions.

The dissolution of the injunction, however, neither ends Mr. Clevenger's suit nor requires the Fire Department to offer employment to Mr. Clevenger. Mr. Clevenger continues to seek three years back wages and benefits. The Fire Department is merely obligated to hire without regard to height of applicants.

Respectfully submitted,

PETER HOUK,  
City Attorney.

SUBJECT: Free Saturday Parking

In reviewing the recommendation to the Board of Directors from the Downtown Development Committee on the subject of "Free Parking on Saturday"; the following comments are in order:

1. Free parking does not necessarily stimulate business in the CBD. In fact, it provides employees, merchant and the all day parker free parking with no turn-over with a loss of shopper parking and loss of business. This effect has been experienced by Hagerstown, Maryland.
2. If free parking was allowed, it would be a factual statement to say that City parking is free, unequivocally.
3. The City of Lansing would not save money by the recommended action plan because if the built-in overtime factor for 5 people equals \$6,462.00, and income

normally \$20,124.52; the actual loss of income to the City is \$13,662.52; say \$14,000.00.

4. The taxpayer in the City of Lansing would be paying for a service rendered, not taxed as intimated in said communication and in many instances, the shopper lives outside the City limits, whom are State of Michigan, City of Lansing and other employees of professional offices or banks.
5. Proposed number of employees and related work schedule is unacceptable and in conflict with the Union contract.

In summary our monthly statement of receipts of the Parking System indicates that this October, 1976, revenues are down \$14,000.00, compared to October, 1975.

Additional free parking will increase the Parking System deficit. In this regard, we quote from the February, 1976, Bi-Annual Inspection of Parking System, page 23 and 24 performed by Ramp Consulting Services, Inc., 1615 Northern Boulevard, Manhasset, N.Y., 11030, quote: "Any future action to provide free parking or preferential fees in Parking System facilities will simply increase the size of the annual deficit. If the deficits are unacceptable, parking fee increases will be necessary."

Also, your attention is once again directed to Sec. 20k of the Revenue Bond Ordinance of May 31, 1966, which states that "No free service of system shall be furnished any person, firm, corporation, public or private, etc.

November 24, 1976

Honorable Mayor and City Council

Lansing, Michigan

Gentlemen:

The residents of the Averill School neighborhood have for a number of years felt that there was a need to control the speed and operation of vehicles in their neighborhood. The City Council last week addressed one of the most pressing of those when it lowered the Waverly Road limit from 45 MPH to 35 MPH.

There remain, however, several other concerns. One of those is the addition of several Stop signs at intersections within the residential area. The most crucial of these is at the intersection of Brisbane and Sunderland; Stop signs to be on Brisbane. A resolution and accompanying petitions requesting immediate effect under the Council's Emergency powers is on tonight's agenda. We urge approval.

Three other intersections are also of concern. The neighborhood requests that the Traffic Board make affirmative recommendations to City Council to have Stop signs erected at the following intersections (Stop signs to be erected on the first named streets):

1. Kilberry at Lawder
2. Glenbrook at Churchill
3. Norwich at Brisbane

The Traffic Board's and Council's prompt and positive consideration of these requests would be appreciated.

Respectfully,

TERRY J. McKANE,  
Councilman—Third Ward,

RICHARD J. BAKER,  
Councilman-at-Large.

Referred to Traffic Board for affirmative action.

The reconstruction of the traffic signal system is in conjunction with the reconstruction of Logan Street from Victor Street to Kalamazoo Street, and will be partially funded by the State of Michigan, the Federal Highway Administration, and the City of Lansing (\$10,065.60). Funds for the City portion will be drawn from account number 202-477-000-818 (\$6,841.44), and from account number 203-477-000-818 (\$3,224.16), and

That the Mayor and City Clerk be authorized to sign these Cost Agreements upon certification of the City Controller as to the availability of funds, and after approval as to form by the City Attorney.

Adopted by the following vote:

Unanimously.

By Councilmen McKane and Hull—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing desires to enter into a Lease Agreement with the Lansing School District; and

Whereas, the Lansing School District desires to lease the west 25 feet of Everett Field Park for the erection of school classrooms; and

Whereas, it has been agreed that this Lease will not exceed \$1.00 paid for the period running from September 20, 1976 to September 20, 1977; and

Whereas, the Lansing City Attorney's Office has drafted a Lease which embodies all the covenants requested; and

Whereas, said document has been approved as to form by the City Attorney's Office; now, therefore, be it

Resolved, that the Mayor and City Clerk are hereby directed to sign said Lease Agreement on behalf of the City of Lansing.

Adopted by the following vote:

Yeas: Councilmen Adado, Baker, Belen, Brenke, Gunther, Hull, McKane—7.

Nay: Councilman Blair—1.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing does hold title to the property described as:

Commencing 33 ft. north and 33 ft. west of the S.E. corner of the N.E.  $\frac{1}{4}$  of the S.E.  $\frac{1}{4}$  of Section 31 (the intersection of the west right of way line of Pleasant Grove Rd. and the north right of way line of Reo Rd.), thence north 62 ft. along said west line of Pleasant Grove Rd., thence west 157 ft. parallel to the north line of Reo Rd., thence south 62 ft., thence east 157 ft. to the point of beginning. Section 31, T4N, R2W, City of Lansing.

and

Whereas, a value of Thirteen Thousand Five Hundred (\$13,500.00) Dollars has been established as the fair market value of the property; and

Whereas, the proposition to sell said property was submitted to the electors of the City of Lansing for approval as required by Section 14.3(d) of the Charter of the City of Lansing and as required by the laws of the State of Michigan at a regular City primary election; and

Whereas, the electors of the City of Lansing did approve the sale of subject property; and

Whereas, the Buildings and Properties Committee has an established policy for rotating the selection of Real Estate Brokers; and

Whereas, on behalf of the City of Lansing, the Mayor and City Clerk did execute a ninety (90) day listing agreement with the Edward G. Hacker Co. at a sale price of not less than Thirteen Thousand Five Hundred (\$13,500.00) Dollars; and

Whereas, the Edward G. Hacker Co. has presented to the City of Lansing an Offer to Purchase subject property at a sale price of \$13,500.00, which offer is deemed to be acceptable,

Now, Therefore, Be It Resolved that the Mayor and City Clerk are hereby authorized and directed to execute a contract for the sale of subject property in accordance to the terms and conditions of the Offer to Purchase agreement after approval as to form by the City Attorney.

By Councilman Baker—

That the resolution be amended to insert after the legal description the following: "More commonly known as 4632 Pleasant Grove Road."

Carried.

The resolution as amended was adopted by the following vote:

Unanimously.

By Committee on Public Safety—

Resolved by the City Council of the City of Lansing:

Whereas, the City Council of the City of Lansing on November 15, 1976 resolved to decrease the speed on Waverly Road between Moores River Drive and Miller from 45 miles per hour to 35 miles per hour; and

Whereas, under 1951 PA 51, Ingham County has certified control and maintenance over Waverly Road from Jolly Road to Miller Road; now, therefore, be it

Resolved, that the resolution be corrected to decrease the speed on Waverly Road from 45 miles per hour to 35 miles per hour between Moores River Drive and Jolly Road, pursuant to 1951 PA 51; and be it

Further Resolved, that the Traffic Engineer, by and with the concurrence of the Chief of Police, be and is hereby directed to take the necessary action to reduce the speed limit on said portion of Waverly Road; and be it

Further Resolved, that the Traffic Engineer be and is hereby directed to erect the appropriate signs reflecting the change in the speed limit.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the 1976 Christmas shopping season is now at hand; and

Whereas, the merchants of downtown Lansing are providing longer shopping hours for the convenience of residents of Lansing to do their Christmas shopping; and

Whereas, the City Council encourages citizens of Lansing to do their Christmas shopping in downtown Lansing; now, therefore, be it

Resolved, that free parking be provided in the South Washington Malls on Saturday for the balance of 1976; and be it further

Resolved, that the Traffic Department is hereby requested to reschedule its parking employee working hours to eliminate overtime thereby providing a savings to offset revenue lost on Saturdays; and be it finally

Resolved, that the merchants on Washington Avenue be encouraged to request their

employees not to park in the Mall thereby relieving the parking for the shoppers.

Adopted by the following vote:

Unanimously.

By Councilman Baker—

That the Council recess for five (5) minutes to review the resolution relative to the conceptual plan for development of the 100 block of S. Washington Avenue as there was some language change.

Carried.

The Council recessed at 8:23 p.m.

The Council reconvened at 8:30 p.m.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the City Council of the City of Lansing has accepted and reviewed the conceptual Plan for Development dated November 18, 1976 for the site known as the 100 Block, Parcel 15 in Urban Renewal Project No. 1; and

Whereas, the redevelopment of this site has been a long-term objective of the City of Lansing through its Urban Redevelopment Program; and

Whereas, the future redevelopment of this site in substantial conformance with the attached conceptual Plan for Development will greatly enhance the economic vitality of the central business district of Lansing and the entire Lansing community; and

Whereas, the construction of a hotel, retail mall, convention floor and supportive parking facilities will bring to fruition this long sought development goal for the City of Lansing; and

Whereas, it is estimated that approximately 590 jobs will be directly created by the hotel and retail mall portion of this facility and another 260 jobs will be created and maintained by the "spin off" effect of this Washington Square Center; and

Whereas, a total of \$12,227,000 in both direct and indirect income to the Lansing area will be generated as a result of those staying in the hotel, and of the total direct income of \$6,869,000 to the community, \$3,219,000 is expected to be income to business other than the hotel in the downtown area of Lansing, now, therefore, be it

Resolved, that the Lansing City Council does hereby approve the proposed conceptual Plan for Development of the 100 Block, Parcel 15 as set forth in the document entitled "Plan for Development—Washington Square Center"; and be it

Further Resolved, that the following administrative actions will be necessary to implement this Plan for Development:

1. The Federal Program Coordinator is authorized and directed to prepare and submit a grant application for funding of the convention floor and parking ramp facilities of this proposed Washington Square Center project under the Local Public Works Act of 1976; and
2. The Finance Director, together with the City Attorney and Public Service Director in their capacity as City officers and directors of the City of Lansing Building Authority, are authorized and directed to take all steps necessary prior to the final issuance of a full faith and credit revenue bond issue by the City of Lansing Building Authority to construct the parking ramp portion of the Washington Square Center which will be used as the funding source for the parking ramp construction if the aforementioned grant application is not approved; and
3. The Finance Director is hereby authorized and directed to transfer \$40,000 from unappropriated fund balance of the Revenue Sharing, Account No. 249-000-000-390, and an additional \$1,295,000 from estimated revenues to be received for the first half of calendar year 1977 entitlement of Federal Revenue Sharing Funds, Account No. 249-000-000-160, to Account No. 249-936-805-974 for the construction of the convention floor with said total transfer to total \$1,335,000, which shall be used for the construction of the convention floor if the aforementioned grant is not approved; and
4. If the application for Local Public Works Act funding is not approved by the Federal Government, the Finance Director is hereby authorized and directed to transfer these Federal Revenue Sharing Funds in the amount of \$1,335,000 to The City of Lansing Economic Development Corporation for that corporation's construction of the convention floor pursuant to applicable Federal regulations; and
5. The Finance Director is authorized and directed to transfer \$4,000 from the Emergency Fund, Account No. 101-941-000-963 to Account No. 101-936-805-974, and such funds are to be used to cover the costs of an architectural and engineering contract with Ellis-Naeyaert Associates, Inc. for their services required in the preparation of the grant application for Local Public Works Act funding of the project specified above for the 100 Block site, and the Mayor and Clerk are authorized to sign said contract after approval as to form by the City Attorney; and be it

Further Resolved, that the City Council does expressly approve the concept and plan for tax exemption as stated on Page VIII-2 of the Plan for Development of Washington Square Center and hereby authorizes an exemption from taxation for Washington Square Center in accordance with §24

of 1974 PA 338, as amended, in the manner stated therein for the hotel and mall facilities upon the time of their construction and transfer of fee simple title to the E.D.C. by a developer pursuant to the procedures required by the aforementioned Act, with the following modifications:

While the eight (8) year total tax exemption period is in effect, the following guidelines are established:

1. That the investors are entitled to be given a cumulative return on their investments equal to 15% per year.
2. That in the event that cumulative return on investment exceeds 15% per year, the partnership shall increase rent payments to the E.D.C. by 60% of such excess for payments in lieu of taxes not to exceed the total of taxes which would have been levied by the taxing authorities for the given year.
3. Return on investment is to be defined as profits of the partnership, as determined by generally accepted accounting principles, after deducting an annual replacement reserve of \$100,000 not to exceed a total of \$500,000.
4. All rent payments in lieu of taxes paid to E.D.C. and transferred to the City of Lansing shall be disbursed to the taxing authorities in proportion to the share of the total tax rate represented by that authority's individual levy. (i.e., The City of Lansing's tax for 1976 is approximately 20% of the total 1976 tax levy. Therefore, 20% of any payments made in lieu of taxes under this formula would be paid to the City of Lansing, and the balance to the other taxing authorities in proportion.)

For the last four (4) years of the tax exemption period, the developers shall make payments to the E.D.C. in lieu of taxes pursuant to the above-defined method or the absolute amount specified on Page VIII-1 of the Plan for Development, whichever is greater; and be it

Further Resolved, that it is the intention of City Council to issue a liquor license for the Washington Square Center upon the submission of all proper documents and the initiation of the construction of the hotel and mall facilities; and be it

Further Resolved, that the City Council hereby accepts the attached offer from the developers, Spira Mart of Lansing, establishing time limitations for its actions in the redevelopment of this site, in consideration for the developer's waiver of all rights, claims and legal interests of ownership it may have in Parcel 15; and be it

Further Resolved, that the Mayor, City Clerk or the City Attorney are hereby authorized and directed to execute the appropriate documents necessary to accept this offer from the developers after approval as to form by the City Attorney; and be it

Finally Resolved, that the Ad Hoc Committee composed of the following: Messrs.

Lokken, Tubbs, Houk, Lewis, Cascarilla and Stonehouse, are authorized and directed to work with the current and potential developers of this site in accordance with the statement of policy contained within this resolution and the Plan for Development.

Adopted by the following vote:

Unanimously.

By Councilman Hull, Councilman Baker, Councilman Blair, Councilman Adado, Councilman Belen, Councilman Brenke, Councilman Gunther and Councilman McKane—

Whereas, the City of Lansing found it necessary, based upon the best available responsible estimates of anticipated revenue, to increase the property tax in order to balance the Fiscal Year 1976 Budget; and

Whereas, it now appears that actual revenues exceed estimated revenues; and

Whereas, the Federal government has reenacted Federal Revenue Sharing after the adoption of the City of Lansing FY 1977 budget which budget did not count upon the receipt of further Federal Revenue Sharing funds; and

Whereas, the City of Lansing has been exceedingly successful in securing Federal and state grants to accomplish projects that would otherwise have required the expenditure of General Fund monies; and

Whereas, the current fund balance appears to be in excess of \$8,000,000; and

Whereas, the City Council has traditionally and historically recognized a substantial responsibility to the citizens to levy only those taxes necessary to meet the reasonable goals and objectives of the City of Lansing;

Now, Therefore, Be It Resolved that the City Council hereby appoints a special Committee on Taxation consisting of:

Terry McKane as chairperson, Mayor Pro Tem and chairperson of Council Committee on Finance

Program Coordinator, George Lokken

Finance Director, James Dowsett or his designee, and such other additional staff as may be required from time to time;

and

Be It Further Resolved, the above Committee shall undertake a thorough and extensive study of the City's financial status and prepare a report for City Council to include:

1. An analysis of the stability, sources, and amounts of revenue received by the City;
2. Accurately determine the current fiscal status of the City's budget and specifically the amount of the fund balance;

3. Compare the above information against anticipated expenses and long-range budgetary commitments;

and

Be It Further Resolved, the Committee shall consider the following alternatives in its recommendations to the Council:

1. Rebate or reduction of personal income taxes (City Income Tax);
2. Rebate of a portion of current fiscal year's property tax payments;
3. Reduction of the real property tax rate for the upcoming fiscal year;
4. Increasing the personal and dependency exemption amount allowed under the City Income Tax ordinance;
5. Combination of the above or other feasible alternatives developed by this committee;

and

Be It Further Resolved that the special committee shall also examine the establishment of a stabilization fund to be used to prevent unnecessary fluctuations in the tax rate and shall, further, recommend the amount to be included in said fund and the guidelines for its use; and

Be It Further Resolved that the special committee shall recommend proposed procedures for establishing an annual council review of actual budget experience prior to the development of the City Council's budget policy statement to the Mayor for the forthcoming fiscal year, and the objectives that such a committee could accomplish; and

Be It Finally Resolved that the special committee shall report back to the Council its findings and recommendations prior to January 1, 1977.

By Councilman Belen (Adado)—

That the resolution be amended as follows:

That we amend by substituting Lester Hopkins, the Internal Auditor and the Council's representative on the Budget Committee for The Program Coordinator, George Lokken whose main responsibility is to secure funds from outside city sources.

Discussion followed.

By Councilman Hull—

That the amendment be amended by striking the word "substituting" in the first line and insert the word "adding" and deleting the last two (2) lines as Mr. Lokken has been named in the resolution.

The amendment to the amendment lost by the following vote:

Yeas: Councilmen Baker, Blair, Hull, McKane—4.

Nays: Councilmen Adado, Belen, Brenke, Gunther, Mayor—5.

Councilman Belen's amendment was then adopted by the following vote:

Yeas: Councilmen Adado, Belen, Brenke, Gunther, Mayor—5.

Nays: Councilmen Baker, Blair, Hull, McKane—4.

The resolution as amended was adopted by the following vote:

Unanimously.

By Councilmen McKane, Baker, Adado and Blair—

Resolved by the City Council of the City of Lansing:

That under the City Council Emergency powers, the Traffic Department is hereby directed to erect STOP signs on Brisbane Drive at Sunderland Road and a YIELD sign on Brisbane at Deerfield effective immediately.

Adopted by the following vote:

Unanimously.

Councilman Baker presented petitions with 229 signatures for stop signs on Brisbane at Snuderland, stopping traffic on Brisbane.

These petitions be referred to the Traffic Board.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

P-5-76

Bradford-Scott Park

1100 Ramada Drive

Whereas the preliminary plat of Bradford-Scott Park, P-5-76, has been submitted for tentative approval; and

Whereas the Planning Board, pursuant to act 285, P.A. 1931, has reviewed the preliminary plat and recommended that the City Council tentatively approve the preliminary plat, subject to conditions; and

Whereas the Planning Committee of Council reviewed the report of the Planning Board and concurred therewith;

Now, Therefore, Be It Resolved that the preliminary plat of Bradford-Scott Park is

hereby tentatively approved subject to the following conditions:

- 1) That the final plat be developed with all public improvements as required by the Lansing Subdivision Regulations and the Michigan State Plat Act,
- 2) That the Proprietor submit a final grading plan which indicates that; (a) no storm water is pocketed on any lot, and (b) surface water will drain therefrom so as not to adversely affect adjacent properties,
- 3) That a Soil Erosion and Sedimentation Control Plan be submitted for approval by the Director of Public Service and Ingham County Drain Commission,
- 4) That fire hydrants be provided as required by the Fire Marshal.
- 5) That two sealed copies of the plat be submitted to the Department of Natural Resources in order that a Flood Plain for the Powlowski (Mud Creek) Drain may be established in accord with Section 116 and 117 of Act 288, P.A. 1967;
- 6) That access to Highway I-96, Ramp "A" at Pennsylvania Avenue interchange be prohibited.
- 7) That thirty foot (30') easements for the storm and sanitary outlet sewers are to be shown on the plat,
- 8) That an easement of 65 feet from the centerline of Powlowski (Mud Creek) Drain be shown on the plat,
- 9) That the developer utilize an underground electrical distribution system, with the necessary easement provided,
- 10) That inconsistencies in the proposed plat and the recorded plat of Abood-Ramada and the Michigan Department of State Highways and Transportation right-of-way be resolved prior to final approval,
- 11) That the plat be submitted to the Department of State Highways and Transportation for their approval,
- 12) It is further called to the attention of both the land owner and the developer that extensive screening along the east boundary of this plat shall be required and shall consist of a combination of earth berms and vegetation, as required by the Planning Department. This requirement relates directly to condition No. 2 contained within this resolution, and
- 13) That this tentative approval of the preliminary plat is effective for a period of twelve (12) months and will expire on November 22, 1977; and

Be It Further Resolved that the City Clerk is hereby directed to attach this approval to the Plat and return it to the Proprietor.

Adopted by the following vote:

Yeas: Councilmen Adado, Baker, Belen, Brenke, Gunther, McKane—6.

Nays: Councilmen Blair, Hull—2.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

Whereas Phyllis Maner has requested the use of a portion of the public right-of-way at 212 North Chestnut Street to create off-street parking for one vehicle in conjunction with the residence at 212 North Chestnut Street. This request is being made because of the limited size of the subject property; and

Whereas the Planning Committee of City Council and the Public Service and Highways Committee of City Council have reviewed this request and recommended that the request be denied;

Now, Therefore, Be It Resolved that the Council of the City of Lansing denies any utilization of the public right-of-way for off-street parking in conjunction with the above described property.

Adopted by the following vote:

Unanimously.

By Committee on Finance—

**ZONING**

By Councilman Baker—

Whereas, by petition duly filed on the 20th day of September, 1976, this council was petitioned to change the following described property from "A" One Family Residence District to "C" Two Family Residence District all as set forth in the Zoning Code of this city, and

Whereas, due notice as required by law has been given for a public hearing on said petition, and

Whereas, at such hearing held on the 15th day of November, 1976, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is described as:

Z-48-76 — 3400 West Holmes Road,  
more particularly described as:

Commencing at the south  $\frac{1}{4}$  post of the southwest  $\frac{1}{4}$ ; thence east 261.5 feet; north 212.19 feet, west 261.5 feet, south 212.19 feet; to place of beginning, all in Section 30, Town 4 North, Range 2 West, City of Lansing, Ingham County, Michigan

from "A-1" Single Family Residential District to "C-2" Family Residential District.

Whereas, pursuant to Act 207, P.A. 1921, the Planning Board advised the City Council to approve this request in accord with the site plan submitted, known as Exhibit 'A' (on file in the Planning office); and

Whereas the Planning Committee of Council, to whom was referred the report of the Planning Board, concurs therewith and further recommends that vehicular access be limited to three (3) curb cuts from the entire site, in accord with the site plan submitted or with any redevelopment that may occur;

Now, Therefore, Be It Resolved that the Council of the City of Lansing ordains that the petition to rezone the above described property from "A-1" Single Family Residential District to "C-2" Family Residential District be approved in accord with the site plan submitted known as Exhibit 'A' and further, that not more than three (3) curb cuts be issued for this entire site, based on the site plan submitted and with any new redevelopment that may occur.

Adopted by the following vote:

Unanimously.

By Councilman McKane—

Resolved by the City Council of the City of Lansing:

That the attached vouchers as presented by the City Controller be allowed and the

City Clerk be and she is hereby authorized to draw orders on the City Treasurer for the amount allowed each claimant in the amount of \$3,866,646.60.

November 29, 1976

Honorable Mayor Pro-Tem McKane and  
Members of the Lansing City Council

Tenth Floor—City Hall

Lansing, Michigan

Dear Mayor Pro-Tem and

Council Members:

This is to advise you that pursuant to the requirements of Section 8 (2) of 1974, P.A. 338, as amended by 1976, P.A. 175, the Economic Development Corporation for the City of Lansing, may be considering the designation of a project area and preparation of the construction of the proposed Washington Square Center.

Further, you will recall that on September 3, 1976, and September 13, 1976, in accordance with Section 4 (2) of 1974, P.A. 338, I submitted to you for nomination to the Economic Development Corporation Board of Directors, the names of Mr. John A. Petroff, President of Petroff Realty and Mr. Philip J. Gannon, President of Lansing Community College.

These individuals, subsequently confirmed by you, have actively participated in the Project Plan activities for the Olds Plaza Hotel project area. It is therefore my recommendation that these same individuals be transitioned over to meet the provisions of the aforementioned Sections which require that the Chief Executive Officer shall appoint two additional Directors to the Economic Development Corporation who will be representatives of persons or businesses likely to be affected by the Project Plan. This step would forestall the possibility of any delay.

As noted in my prior communication to you, these individuals shall cease to serve when the project contemplated for this site is either completed or abandoned in accordance with the Project Plan.

I am requesting your very earliest re-confirmation of these appointees.

Respectfully,

GERALD W. GRAVES,  
Mayor.

By Councilman Blair—

That we concur in the recommendation of Mayor Graves.

Carried.

By Committee on Finance—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing Data Processing Division currently leases eight cathode ray tube terminals, a printer, and supporting equipment for the operation in the Police Department of the L.A.L.E.S. system, and

Whereas, the Data Processing Division has determined that it is possible to lease equivalent equipment from the Hazeltine Leasing Corporation at a net savings of \$467.00 per month, and

Whereas, the funds for this lease are budgeted in account 101-221-000-943,

Now, Therefore, Be It Resolved that the Mayor and City Clerk are directed to sign a lease with Hazeltine Leasing Corporation for eight terminals, a printer and supporting equipment for a period covering three years, subject to approval as to form by the City Attorney and certification of availability of funds.

Adopted by the following vote:

Unanimously.

By Councilman Gunther—

That this meeting stand adjourned.

Carried.

Council adjourned at 9:45 P.M.

## REPORTS OF CITY OFFICERS AND BOARDS

December 1, 1976

Honorable Mayor and Members  
of the Lansing City Council

Re: Michael D. Holmes; Easement on  
Eaton Court

Dear Mayor and Council:

DATE: 11/24/76

You referred the above captioned matter to my office on November 15, 1976. I have reviewed it with Mr. Robert Backus, Director of Public Service. It appears to us that the appropriate action to take is the granting of an easement for the maintenance of the encroaching wall. I have prepared for your consideration and attached hereto an easement for that parcel and a proposed resolution.

Respectfully submitted,

PETER HOUK,  
City Attorney.Referred to Committee on Public Service  
and Highways.

December 1, 1976

Honorable Mayor and Members  
of the Lansing City Council  
10th Floor, City Hall  
Lansing, Michigan

Dear Mayor and Council:

It is with both regret and satisfaction that I tender to you my resignation, effective December 31, 1976, to assume my new responsibilities as Ingham County Prosecutor.

My regrets stem only from that fact that, as a City, many exciting and challenging tasks remain to be accomplished, and my role will be diminished to that of an interested observer.

My satisfaction comes to me, not only in the belief that I have performed a valuable service to the City, but also in anticipating the new challenges and the opportunities to serve the entire County.

As you are aware, Mayor Graves appointed me to the Lansing Downtown Development Authority for a one-year term which expires in March of 1977. I look forward to continuing my association with that organization and serving the City in that capacity.

I also look forward to continuing my friendships with my fellow administrators, the members of the City Council, and, of course, the City Clerk.

Thank you for your assistance and for the opportunity to serve.

Respectfully,

PETER HOUK,  
City Attorney.

Received and paced on file.

TO: Councilman Robert Hull,  
Chairman of Buildings and PropertiesFROM: Robert B. Black,  
Executive Assistant

SUBJECT: Old Timer's Family Night

Attached is a communication received from George C. Baer, President of the subject organization.

Hopefully, this request will meet with your committee's approval. If you have any further questions, please advise.

Referred to Committee on Buildings and  
Properties.

## REPORT OF COMMITTEE

The Committee on BUILDING AND PROPERTIES, to whom was referred the request of Central Michigan Old-Timer's Baseball Association that the Main Auditorium of the Civic Center be made available for an Annual Family Night on January 11, 1977, reports as follows:

The Committee recommends this request be granted.

Signed:

ROBERT J. HULL,  
JAMES D. BLAIR,  
LOUIS F. ADADO,  
Committee on Buildings and  
Properties.

By Councilman Hull—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

December 2, 1976

Honorable Mayor  
and Members of City Council  
Gentlemen:

Granger Construction Company, general contractor on the Washington Park Artificial Rink project, has substantially completed their work. Minor items of finished grading and seeding, as well as the finish coat on the parking lot are being deferred until spring because of weather conditions.

Soil compaction problems encountered early in the project resulted in a several month construction delay. Therefore, Granger was not able to complete their work this fall. Consequently, they have requested the amount retained by the City until completion of the project be reduced from 10% to \$1000. Currently the City is retaining

\$14,644.00 in addition to \$11,309.00 to complete the work mentioned above. After reviewing the matter I am recommending that the City retain the \$11,309.00 for the work still remaining, but reduce the 10% retainage down to \$1000. This action will protect the City while not penalizing the contractor for a delay which was not their responsibility.

Thank you.

Sincerely,

DOUGLAS FINLEY,  
Acting Director,  
Parks and Recreation Dept.

Referred to Committee on Parks and Recreation.

#### REPORT OF COMMITTEE

Mayor Gerald W. Graves

and Members of City Council

City of Lansing

Lansing, Michigan 48933

Honorable Mayor Graves and

City Council Members:

This letter is written on behalf of Willie B. Rodgers, 818 W. Willow, Lansing, Michigan who filed a complaint against the Lansing Police Department for destruction of personal property.

Mr. Rodgers was arrested on April 23, 1976 for assault and battery. At that time the following items of clothing were confiscated from him to be held as evidence: 1 green jacket, 1 pair of plaid slacks, 1 pair of black shoes, 1 tan shirt, 1 pair of socks and 1 pair of shorts. Mr. Rodgers was sentenced to 6 months at the Ingham County Jail, and released on November 11, 1976. On November 12, he went to the police department to pick up his clothing. He was told these had been destroyed as of November 1, 1976. A Lansing police officer signed the order. Since his clothes have been destroyed, Mr. Rodgers wants to be reimbursed for them. He feels they are worth the following:

Jacket	\$6.00
Slacks	14.00
Shoes	11.00
Shirt	4.00
Socks	.80
Shorts	1.30
<b>TOTAL</b>	<b>\$37.10</b>

The Human Relations office has jointly investigated this complaint with the Lansing Police Department. The findings can be made available to the appropriate body designated by Council.

Your prompt attention to this request is appreciated.

Sincerely,

WILLIE B. RODGERS.  
PAULINE L. SANDOVAL,  
Staff Representative,  
Lansing Human Relations  
Department.

Referred to City Attorney for opinion.

Councilman Terry J. McKane, Chairman

City Council Budget Committee

10th Floor—City Hall

Lansing, Michigan 48933

Dear Mr. McKane:

I enclose for your consideration the proposed budget for the Lansing Charter Commission as approved at our regular meeting held on November 30, 1976.

Each item is explained briefly as to the estimated need for the amount being requested.

If you desire further information please do not hesitate to contact me or Commissioner Zimmerman.

If you feel that it will be necessary for one of the Charter Commissioners to attend the budget hearings, please advise.

Sincerely,

For the Commission:  
THOMAS C. WALSH,  
Chairman.

Referred to Committee on Finance.

The Honorable Mayor and

Members of City Council

City of Lansing

City Hall

Lansing, Michigan 48933

Gentlemen:

It is with mixed emotions that I submit my resignation as Special Assistant City Attorney to you and the Housing and Redevelopment Board. After approximately twelve years as your Special Assistant City

Attorney, it is difficult to express my appreciation for having had the opportunity to represent you.

The reason for my resignation is that I have accepted an appointment as Administrative Law Judge with the Department of Health, Education and Welfare. The effective date must be December 10, 1976, or such earlier date that is desired by you.

The two active files remaining are (1) Indiana Mortgage v the City of Lansing, et al and (2) the City of Lansing v Spira Mart of Lansing, and I will work with your new attorney in the transfer of responsibilities.

Respectfully submitted,

BRUCE S. KING.

Received and placed on file.

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan 48933

Dear Mayor Pro-Tem and Council Members:

This office has been recently notified by Sally A. Carroll, a member of the Human Relations Committee, that she is not eligible to serve on said Committee, due to the fact that she is no longer a resident of this City. Therefore, I am submitting to you, for your consideration and confirmation, the name of Mrs. Jane Tibbetts, to fill the vacancy, which term expires June, 1980.

Mrs. Tibbetts was graduated from Sienna Heights College in Adrian, Michigan, with a B.A. Degree; she was graduated from Michigan State University with a Master of Arts Degree in Urban Education, and is continuing her education at the present time with classes at MSU.

She has been a teacher for the past 15 years, five of the most recent being spent as a kindergarten teacher at Wainwright School. She is a member of the LSEA, MEA, NEA, Gardner Athletic Booster Club, Gardner and North School PTA, Conservation Club, and Immaculate Heart of Mary Church.

Mrs. Tibbetts and her husband, Don, have three children and reside at 6401 Coulson Court.

Trusting this recommendation meets your approval, I remain

Sincerely,

GERALD W. GRAVES,  
Mayor.

Referred to Committee on Personnel.

Honorable Mayor Pro-Tem and Members  
of the Lansing City Council  
City Hall

Lansing, Michigan 48933

Dear Mayor Pro-Tem and Council Members:

In September, 1976, Mrs. Esther Gonzales advised this office that she wished to resign from the Eastside Citizen's District Council for Community Development (NDA No. 2), due to ill health. Therefore, as a replacement for Mrs. Gonzales, I am submitting to you for your consideration and confirmation, the name of Mrs. Betty Cowan.

Mrs. Cowan was raised and educated in Columbus, Nebraska, and also spent some time in nurses training in that State. She is presently a Teacher's Aide at Holmes Street School and has served in that capacity for six years. She is a member of the Walter French PTA, Potter Park Methodist Church, and a past Girl Scout leader and Den Mother.

Mrs. Cowan and her husband, Chester, have four children and reside at 1032 McCullough.

Trusting this recommendation meets your approval, I remain

Sincerely,

GERALD W. GRAVES,  
Mayor.

Referred to Committee on Community Development.

December 8, 1976

Honorable Mayor and Members  
of the Lansing City Council

Dear Mayor and Council:

Pursuant to the requirements of Section 8(1) of 1974 PA 388, as amended by 1976 PA 175, the City of Lansing Economic Development Corporation does hereby notify you that the Corporation has designated a "Project Area," consisting of the following:

Block 100 of the Original Plat of the City of Lansing, Section 16, T4N, R2W, Ingham County, Michigan; containing Lots 1 through 10, inclusive according to the Original Plat thereof, (also known as Urban Renewal Project No. 1, Parcel 15)

The Economic Development Corporation approved this designation by a unanimous vote of the members present at its regular meeting of December 1, 1976. The text of the resolution fully explains the Corporation's affirmative position regarding the plan for development of Washington Square Center.

The Board of Directors of the City of Lansing Economic Development Corporation stand ready to assist you in any manner you may deem appropriate.

Respectfully submitted,

ED VOGT,  
Chairman,  
Economic Development  
Corporation.

B: Ralph Cascarilla.

Referred to Committee of the Whole.

## RESOLUTIONS

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing does own the property legally described as follows, to-wit:

The west 85 feet of Lots 26 and 27 as measured along the lot line common to Lots 26 and 27, being that portion of Lots 26 and 27 lying west of an old existing fence, Ranney Subdivision, Lot 1, Block 241, City of Lansing, more commonly known as 111 South Cedar St.

Whereas, the Calkins Paint Co., Inc., and the City of Lansing did enter into a Lease Agreement on subject property, and

Whereas, said Lease Agreement has expired, and

Whereas, a Lease Agreement by and between the City of Lansing and Calkins Paint Co., Inc., has been prepared and said Agreement is determined to be satisfactory, and

Whereas, the Calkins Paint Co., Inc., agrees to pay to the City of Lansing \$175.00 per month as rent for subject property,

Now, Therefore, Be It Resolved, that upon approval of the Lease Agreement by the City Attorney, the Mayor and City Clerk will be authorized and directed to sign the Lease Agreement by and between the City of Lansing and Calkins Paint Co., Inc.

Adopted by the following vote:

Unanimously.

By Councilman Baker and Councilman Gunther—

Resolved by the City Council of the City of Lansing:

Whereas, 1972 PA 382 as amended requires that a local community organization not affiliated with any state or national organization be recognized by the city where-

in it conducts its principal activities as a non-profit community organization prior to the issuance of a bingo license;

Now, Therefore, Be It Resolved that for the purpose of the issuance of a bingo license the City of Lansing hereby recognizes Michigan Association of Concerned Veterans, Inc., as a non-profit community organization.

By Committee on Parks and Recreation—

Resolved by the City Council of the City of Lansing:

Whereas, the City Council of Lansing has approved the development of neighborhood Ice Rinks and Quentin, Bancroft, Foster, Tecumseh, Comstock, Pleasant View, Everett and Sycamore, and

Whereas, in previous years rinks have been operated at certain additional locations, and

Whereas, requests for providing rinks at three of these sites in 1976-77 have been made through the Department and through the Committee on Parks and Recreation, and

Whereas, in order to provide these additional rinks an appropriation totaling \$2,500 for each rink is required to operate a twenty day skating program, and

Therefore Be It Resolved, that the City of Lansing will develop additional rinks at Wainwright, Kendon and Gier Park and that a transfer from the Emergency Fund, in the amount of \$7,500, be prepared for this purpose.

Adopted by the following vote:

By Councilman Adado—

That this be held until the balance of the council agenda is completed.

Carried.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, the Lansing City Council by resolution dated November 1, 1976, authorized the construction of an addition to the Civic Center and remodeling of the Prudden Lobby, suites E and F, for the purpose of providing a center for Lansing's senior citizens, and

Whereas, the construction of the Senior Center will require cooperation and coordination with other efforts to remodel the Civic Center, and

Whereas, it is the desire of the Buildings and Properties Committee to insure that construction of the senior center proceeds in an efficient and orderly manner, and

Whereas, it is necessary to establish certain procedures and affix responsibility to get the job done,

Now, Therefore, Be It Resolved that the Lansing City Council directs that the following actions be taken to execute the Senior Center project:

1. That the Office of Community Development work with the firm of Warren, Holmes and Black to develop a contract for architectural services consistent with the Council resolution of November 1, 1976.
2. That an Ad-Hoc Committee consisting of D. Sazani, James Dowsett, Howard McCaffery and Roxanne O'Conner be established and charged with the responsibility of working directly with the architect and coordinating all technical aspects of the project.
3. That Roxanne O'Conner will serve as the project coordinator.
4. That the Ad-Hoc Committee will keep the Senior Citizens Center Task Force and the City Council Buildings and Properties Committee fully informed regarding all aspects of the project.

5. That all changes, problems pertaining to the project will be handled through the Buildings and Properties Committee of the City Council.

6. Therein, all original documents pertaining to this project shall be forwarded to and maintained by H. McCaffery, City Engineer.

By Councilman Baker—

Resolved by the City Council of the City of Lansing:

Whereas, the Constitution of the United States guarantees the rights and not the privilege of every American to cast their ballot for the candidates of their choice; and

Whereas, Lansing population has been estimated, according to the 1970 census, that at least 1/10 of the population is handicapped in some way; and

Whereas, until this time, many of the polling places have been located in an inaccessible building; and

Whereas, both the Federal and State law mandates that all buildings for public use must be accessible to, and usable by the physically handicapped;

Now, Therefore, Be It Resolved that the City Council of Lansing, Michigan, shall pass an ordinance guaranteeing, forthwith, that any and all public facilities used as polling places be accessible to and used by the physically handicapped; and

Be It Further Resolved that these said polling places reserve at least one polling booth, at a height of no more than 40 inches for use by a wheelchair user, and

Be It Resolved that the City Council of Lansing Michigan requests the City Clerk, her designates, along with a person qualified in deciding issues regarding Barrier Free Design, to inspect and make recommendations concerning suitable locations for voting for the handicapped to the City Clerk and City Council by February 15, 1977.

By Councilman Gunther—

That paragraphs 5 and 6 be removed and in paragraph 7 the word "Finally" be re-

moved and in paragraph 7 after the words "City Clerk" insert the word "or".

By Councilman Baker—

That we recess for 5 minutes.

Carried.

The Council recessed at 10:00 p.m. and reconvened at 10:05 p.m.

By Community Development Committee—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing is investing \$3.1 million in performing neighborhood rehabilitation activities in the area known as Neighborhood Development Area No. 1; and

Whereas, vector (pest) control is included as part of that program; and

Whereas, NDA No. 1 borders on the area known as the Logan/Birch triangle, which is being vacated for highway construction; and

Whereas, the Michigan Department of State Highways and Transportation's contract does not provide for vector control; and

Whereas, cost estimates for vector control for NDA No. 1 believes that if vector control within the NDA is to be effective, then similar activities must be undertaken simultaneously within the Logan/Birch triangle; and

Whereas, the Citizen's District Council for NDA No. 1 believes that if vector control within the NDA is to be effective, then similar activities must be undertaken simultaneously within the Logan/Birch triangle; and

Whereas, funds allocated for NDA No. 1 cannot be spent outside the boundaries of NDA No. 1;

Now, Therefore, Be It Resolved that \$500.00 will be committed to implementation of vector control in the Logan/Birch triangle from the public improvements NDA No. 1 peripheral project, account No. 252-844-118-974; and that the Parks and Recreation Department is hereby directed to implement vector control activities in the Logan/Birch triangle as soon as possible.

By Committee on Community Development—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing, through the Lansing City Demonstration Agency, and the Ingham County Health Department entered into a Contract dated July 29, 1974 through September 30, 1974 for Health Services; and

Whereas, the City of Lansing, through the Lansing City Demonstration Agency, and the Ingham County Health Department did mutually agree to extend said Contract through October 31, 1974; and

Whereas, the City of Lansing, through the Lansing City Demonstration Agency, and the Ingham County Health Department did mutually agree to amend and again extend said Contract through June 30, 1975; and

Whereas, the City of Lansing, through the Lansing City Demonstration Agency,

and the Ingham County Health Department did mutually agree to again amend said Contract on April 8, 1975; and

Whereas, equipment which was purchased under this amended Contract in the amount of \$1,525.00 was not received until after the completion of said Contract; and

Whereas, the auditors, Layton & Richardson P.C., C.P.A.'s have determined that said purchase was intelligible under the amended Contract; and

Whereas, it is desired by the City to allow the County to receive and use this equipment under the current Community Development Contract with the Health Department; now, herefore, be it

Resolved that the Controller is hereby directed to allow this expense under the City Demonstration Agency Account No. 9501-902099.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing this day joins in an expression of appreciation to Theodore (Ted) J. Haskell for twenty-seven (27) years of dedicated service to the City of Lansing; and

Whereas, during the period from 1949 to 1962 he performed duties of Tree Maintenance Man (Tree Climber), Forestry Foreman, Assistant City Forester, finally City Forester from 1959 to 1962; and

Whereas, in 1962 he was promoted to Assistant Director of Parks and Recreation, and in 1973 the Park Board appointed him Director of Parks and Recreation which involved the direction of a \$3 million dollar operation that provides parks, recreation and burial facilities to thousands of people, young and old, from every walk of life in the Greater Lansing area; and

Whereas he is a member of numerous professional organizations such as the National Recreation and Park Association, the Michigan Park and Recreation Association, the Michigan Forestry and Park Association, and the Michigan Park and Recreation Association, just to mention a few; and

Whereas, he served on the Mayor's River Improvement Committee from 1963 to 1972 and on the Michigan Grand River Watershed Council a chairman from 1966 to 1971, these being among his many community service contributions;

Now, Therefore, Be It Resolved that we, the members of the Lansing City Council,

in regular session assembled express our appreciation and thanks to Theodore J. Haskell for the distinguished service he has given to this community over these many years and wishes him every good fortune in the years ahead.

Resolved by the City Council of the City of Lansing:

Whereas, the Program Coordinator and the Manpower Director have been informed that certain funds may be made available through Title I of the CETA Program; and

Whereas, these funds could be utilized for the funding of Work Experience and Innovative Projects of 8 months of duration and OJT projects of 12 months duration; and

Whereas, the monies provided under the aforementioned CETA programs are 100% funded; and

Whereas, the Departments of the City of Lansing have been requested to submit recommendations as to how these funds, if received, could be best utilized; and

Whereas, the Program Coordinator and the Manpower Director have analyzed the recommendations submitted by the respective departments and have concluded that the projects best suited to meet the criteria outlined for funding relate to labor intensive projects which would permit the utilization of manpower teams to be placed under the Parks and Recreation Department for selected parks improvements and a special project team to undertake certain clean-up and renovation work within City Hall, this latter project to be under the control of the Manpower Director's Office in coordination with the Public Service Department; and

Whereas, funds to support improvement projects for the parks with funds available indicated are as follows:

Park Identification	Account No.	Total Funded	Total Non-Funded
Dodge	101-936-730-976 249-936-730-976	\$ 15,421 50,243	
Moores	249-936-749-976 249-936-750-974	5,164 5,361	
Detrich	To be identified	53,800 (DNR grant)	
Potter	To be identified		3,500
Bancroft	To be identified		2,500
Cemetery Rehab.	To be identified		9,200
Miscellaneous Parks:			
Regent, Glen Eden, Willoughby			
Parcel B, Sheffield, Washington,			
West Side, Miller/Marscott,			
Crego, Tecumseh	To be identified		35,000
Total		\$129,989	\$49,700
GRAND TOTAL			\$179,689

and

Whereas, the funds available for a request for proposal for work experience projects equals \$80,000 for the 8 month period and these funds will be allocated to the City of Lansing upon submission of a request for proposal; and

Whereas, all or a portion of \$272,441 may be available after submission of a request for proposal for innovative projects of 8 months' duration and these monies would be used to support the parks development improvement projects as outlined above;

Now, Therefore, Be It Resolved that should the City of Lansing receive approval of an innovative projects grant for parks improvement, the City Council will transfer \$49,700 from the Emergency Fund or such other accounts as the Finance Committee may determine to the Parks and Recreation Department for support of material and equipment necessary to execute the clean-up projects for the above listed parks—Potter to Tecumseh inclusive; and

Be It Further Resolved that the Program Coordinator and Manpower Director are authorized to prepare reuests for proposals for funding of a work experience project in coordination with the Public Service Department and an innovative project in coordination with the Parks and Recreation Department; and

Be It Finally Resolved that the Mayor is authorized to sign the requests for proposals after approval by the Parks and Recreation Committee and the Public Service Committee as to details of the projects to be developed.

Adopted by the following vote:

Unanimously.

Mayor Pro-Tem McKane asked Councilman Gunther—Mayor Pro-Tem of last year

to take the chair so he could speak on this project.

Councilman McKane explained the CETA request proposals as listed in the resolution.

Mayor Pro-Tem McKane resumed the chair.

Miss Theo Fulton  
City Clerk  
9th Floor, City Hall  
Lansing, Michigan

Dear Miss Fulton:

Attached is a copy of my Veto Message as it relates to the approval of a resolution regarding the authorization and establishment of three positions within the District Court, as adopted by the City Council on Monday, December 6, 1976. It is submitted to you in accordance with Section 6.8 of Chapter 6 of the City Charter.

Sincerely,  
GERALD W. GRAVES,  
Mayor.

December 8, 1976  
Honorable Mayor Pro-Tem and Members  
of the Lansing City Council  
City Hall  
Lansing, Michigan

Dear Mayor Pro-Tem and Council Members :

On Monday, December 6, 1976, you approved a resolution, as submitted by the Committee on Personnel, which authorized and directed the City Personnel Director to establish three positions within the District Court Section of the Classification and Compensation Plan. The resolution was approved by a vote of 8-0.

Please be advised that in accordance with Section 6.8 of Chapter 6 of the City Charter, I place my veto over the resolution and for the following reasons:

During the Mayor's Budget Hearings, held prior to the submission of the Mayor's Recommended Budget for Fiscal Year 1976-77, District Court representatives advised that fines would be increased to meet the differences between Court Operating Costs and Revenues. The theory here was that the regular taxpayers of the City of Lansing should not be required to meet the ever increasing costs of the Courts, whose revenues were substantially decreasing, but that those costs should be met by those who in fact violate the laws.

On March 25, 1976, during the review by the City Council of the Mayor's Recommended Budget for the District Court/ Probation, District Judge Cherry advised that the judges were already considering raising all fines to cut deficits and to increase the "pick-up" on warrants. Regarding this commitment, and the promise made to the Mayor's Budget Committee, the District Court made no changes with the start of the Fiscal Year 1976-77, or specifically, July 1. In my Budget Message of March 20, 1976, addressed to you, I very specifically pointed the following out to you, and I quote:

"Regarding the Lansing District Court increase of \$13,179, I once again plead with you to meet with the District Judges in an effort to resolve the problems within that court level. One of the problems is the apparent disbursing of revenues, which is having a detrimental effect upon the City's General Fund. The following operating costs and revenues are provided for your information.

Fiscal Year	Operating Expenses	Revenues
1971-72	\$874,638	\$686,982
1972-73	459,210	657,613
1973-74	526,654	600,474
1974-75	591,628	521,633
1975-76	627,916*	546,500*
1976-77	641,095	?

Herein lies a major problem which must be resolved. Fines for tickets 'gone to warrant' are levied, but apparently the costs are not—as a result, the City taxpayers are subsidizing the costs of violators. The City Auditor advises:

'At the time of computerized parking tickets, warrants and complaints were designed, the scheduled fines were reviewed. It was agreed that the greater length of time before the violation was paid, the greater the cost to the City. The unit price of tickets, final notices, warrants, complaints, data processing, labor and machine costs, plus court costs were all determined and justified before the judges were asked to approve the fine schedule.

One of the most important concepts was that every parking ticket that progressed to the warrant and complaint stage was very costly to the City. Because of this accumulation of expenses, the judges agreed to levy a cost of \$10.00 for each individual warrant charged against a violator. Currently this procedure is not being followed by judges.'

In short, violators should finance the costs incurred by the City due to the negligence on their own part, not the reverse."

Regarding the above, the closing of the books at the end of Fiscal Year 1976-76, showed the City's income from the Courts to be \$647,090, while the expenditures of the Court were \$641,003. Another loser, by any standard, on the part of the District Court. This loss does not include approximately \$90,000 for space, and other thousands of dollars for supportive services, i.e., assistance from the Finance Department, Personnel Department, space cost study, etc.

Presently the District Court has approximately 40 employees. Approximately one-half of the employees are eligible for, and are, receiving, longevity payments. It is obvious from these records that the Court operation should be excellent, something which it is not.

Maner, Costerisan and Ellis, Certified Public Accountants, in a communication dated September 23, 1976, very vividly points this out:

"We noted that bond money has not been returned for cases that have been completed or dismissed as much as four years ago. Efforts should be continued to return these monies to the appropriate parties.

We also noted that bonds are returned in cash. To strengthen internal control over cash disbursed and to provide a better record of bonds returned, bond monies should be returned by check or warrant that can be cashed at the City Treasurer's Office.

The detail records of trial and interim bonds deposited in the 'City of Lansing and Bond Trust and Agency Fund' did not agree with the general ledger at June 30, 1976. We urge continuation of the efforts to bring the detail records into agreement with the general ledger and the performance of monthly reconciliations to keep these records in agreement.

The Court has obtained a new cash register, but it is not being used to the fullest extent of its capabilities and is one of three registers being used in the Court by more than a dozen employees. Thus, the daily reconciliation of cash transactions is difficult, time consuming and possibly inaccurate as may be indicated by the \$3,400 balance in the cash short account. Also, because of the number of people using the cash registers, it is generally impossible to fix responsibility for cash shortages, mis-rings on the register, etc. We again recommend that a central cashier function be established and that the new cash register be the only one utilized.

We noted that personal checks of Court employees have been cashed with the Court funds and that, on at least one occasion, an employee's check had to be re-deposited due to insufficient funds in the employee's personal account. A good system of internal control would prohibit the cashing of personal checks with the Court funds and we recommend that this practice be terminated immediately.

The Court has custody of a \$7,100 imprest cash fund which is used as a change fund for the cash registers and a fund from which bond payouts are made. Due to the non-reporting of cash shortages on a daily basis throughout the year, the imprest fund decreased by amounts accumulating to approximately \$2,600 at year end. Though adjusted for upon discovery, this non-reporting of shortages withheld important information from the accounting records during the year. It also resulted in a reduction of imprest cash sufficient enough to cause occasional delays in making bank deposits. We recommend that cash shortages/overages be reported daily and deposits adjusted accordingly so that the imprest cash fund remains intact.

We also noted that part of the imprest fund balance is composed of approximately \$1,300 in NSF checks, some over two years old. As these checks represent a loss of revenue to the Court and a reduction of available cash in the imprest fund, we recommend that efforts be renewed to collect on these checks or, if deemed uncollectible, write them off and reimburse the imprest cash fund accordingly."

Regarding the aforementioned, the Finance Department advises that the matter is so bad in the District Court it will take three man-months to correct the problems. And, on top of all this, you have agreed to provide the District Court with three more employees at an annual cost of \$43,292, the club again being "that the District Court will revamp the fee structures."

Too, I am concerned about the way the overall matter of providing three additional employees came about. The resolution in question, was championed by Councilman Richard Baker, the same individual who demands that all transactions "be in the open." If such be the case, I think it behoves Mr. Baker to fully explain the meeting of August 25, 1976, at the White Spot

at 7:00 a.m. with District Judges Cherry and Giddings.

I for one will not be subjected to pressures on one hand and broken promises on the other. The Courts did not fulfill their original promise to increase the fee schedule effective July 1. Now we are back to another commitment in exchange for three employees.

For these and other reasons, I place my veto over the resolution.

Sincerely,

GERALD W. GRAVES,  
Mayor.

## REPORTS OF CITY OFFICERS AND BOARDS

December 9, 1976

Honorable Mayor and Members

of the Lansing City Council

10th Floor, City Hall

Lansing, Michigan

Re: Brown Brothers, Inc., v. City of  
Lansing

Dear Mayor and Council:

On July 2, 1974, Brown Brothers Construction Company instituted the above suit to restrain the City from entering into a contract with Ken Roberts Construction Company for the Pleasant Grove Road Extension Project.

The underlying facts of the case are complex, but must be fully detailed for an understanding of the case.

On April 15, 1974, the City of Lansing advertised for bids for the Pleasant Grove Road Extension. Several bids were received. The Purchasing Director refused to open two of the bids received due to lack of compliance with the terms of the bid. One of the unopened bids was that of Ken Roberts Construction Company. The Purchasing Director recommended that the low bid of Brown Brothers Construction Company be accepted.

This office, however, advised the Council that all bids, including that of Ken Roberts Construction Company should be considered inasmuch as the alleged lack of compliance with the terms of the bid did not as a matter of law merit its rejection. The City Council chose not to follow the advice of this office and considered only the bids forwarded by the Purchasing Director. Thereafter, on June 3, 1974, the Council passed a resolution directing the Mayor and City Clerk to execute a contract with Brown Brothers upon approval of the contract, bids and insurance by the City Council and upon certification of funds by the City Controller.

Before approval of the contract and certification as to funds, Ken Roberts Construction Company on June 14, 1974 brought an action directing the City to show cause why the Roberts' bid should not be ordered opened.

Meanwhile, the City Council retained special outside counsel to review its previous action regarding the bid. Acting upon the advice of the special counsel, the City Council ordered the Purchasing Director to open the two remaining bids. The bids were opened and it was discovered that the bid of Ken Roberts Construction Company was \$7,000 lower than that of Brown Brothers Construction Company.

In light of the Roberts' bid, coupled with the advice of the Public Service Director that Roberts was a qualified bidder, together with the advice of special counsel that the irregularities in the Roberts bid were not legally sufficient to reject the bid; the City Council on July 1, 1974 after the time had passed by its own rules for reconsidering business, rescinded its previous action awarding the Pleasant Grove Extension contract to Brown Brothers, and awarded the contract instead to Roberts.

Prior to the execution of the contract with Roberts, however, the Ingham County Circuit Court issued an Order restraining the City from entering into a contract with Roberts. After Briefs were filed by the parties and arguments had in open court,

the Restraining Order was dissolved. However, the Court permitted Brown Brothers to amend its Complaint seeking monetary damages in the amount of \$125,000 for lost profits and administrative staff time.

Recently this office received an offer to settle this matter for \$8,500. This amount represents only \$1,500 more than the amount of the original bid initially awarded to Brown Brothers.

As disclosed by the facts set forth in the preceding paragraphs, the issues in the case center upon whether or not a contractual relationship arose between Brown Brothers and the City when the bid was initially awarded to Brown Brothers, whether the City Council had the authority to rescind its initial action and award the bid to Roberts, and whether Brown Brothers was damaged in the amount claimed.

We believe that the City's action in the case was proper. However, the case law in this state is conflicting and as a result, it would not be unexpected that a Court could find that a contractual relationship arose between the City and Brown Brothers upon the initial award of the bid, particularly where as here the time for reconsidering business by the Council had passed, that the Council was without authority to rescind its action at that time and award the bid to Roberts, and that as a result, Brown Brothers was monetarily damaged. Further, it appears that the amount of the proposed settlement is well within the proofs that could be adduced regarding damages.

Therefore, to avoid further protracted litigation and the uncertainty of the outcome which could very well result in a judgment far in excess of the proposed settlement, and since the proposed settlement reflects only a \$1,500 increase over the original bid of Brown Brothers which was initially accepted by the City, it is my recommendation that this office be authorized to enter into an appropriate Stipulation for Dismissal of the case in accordance with the proposed offer of settlement tendered by the plaintiff.

Respectfully submitted,

PETER HOUK,  
City Attorney.

Referred to Committee on Finance for determination.

Board of Police Commissioners

City of Lansing

Lansing, Michigan

Dear Commissioners:

I am pleased to submit the annual summary of departmental activities and achievements for the calendar year of 1976.

It should be recognized that this report is not all inclusive of the department's

achievements or problems. It does, however, reflect the general state of the department and utilization of its resources.

The results of our year's efforts to reduce crime is gratifying, in that the City not only reduced Part I crimes by 8 percent from the previous year; but that unfortunately the crime rate on both the state and national level continued to rise.

In addition to this accomplishment, our department members acted commendably from the period of April 18 through the 27 in aiding the victims of the City's worst flood in twenty years.

Thus, even with the efforts of our department being taxed near the maximum, I believe this report will reflect an excellent record for our department in 1975.

Sincerely,

RICHARD A. GLEASON,  
Chief of Police.

Received and placed on file.

December 9, 1976

Mayor Gerald Graves and

Lansing City Council

Lansing, Michigan

Dear Mayor Graves and

Members of the Council:

The Lansing Housing Commission requests authorization and approval of the "Resolution Authorizing Execution of Annual Contributions Contract for Section 8 Leased Housing." Further, the Lansing Housing Commission requests necessary processing by the Council, including signing and sealing by the City Clerk. The Section 8, Existing Housing Program is a rent supplement program developed under the Housing and Community Development Act of 1974.

The total Housing Assistance funding made available by the United States Government to the City of Lansing, by and through the Lansing Housing Commission for one year is \$190,688.00 for 80 units distributed as shown:

Size of Units	Number of Units
Efficiency	20 (Elderly)
1 BR	13*
2 BR	21
3 BR	16
4 BR	10

\*8 units specially designed for the use and occupancy of elderly persons, and/or handicapped.

The following is a chronological explanation of the development of this program.

1. The 80 units were a part of the first year, fiscal 1975/76, Housing Assistance Plan. The first year's Housing Assistance Plan was submitted to the Department of Housing and Urban Development with the Community Development Application package in early 1975. The Resolution which authorized the submittal was by the Committee of the Whole on February 24, 1975.
2. The Detroit HUD Office determined that the Lansing Housing Commission should be the agency to apply for the units requested by the City of Lansing in the Housing Assistance Plan.
3. The Lansing Housing Commission developed the application and sent it to the Detroit Area Office of the Department of Housing and Urban Development on June 24, 1975. The application complied with the terms of the Housing Assistance Plan developed by the Planning Department and approved by the Mayor and City Council on February 24, 1975.
4. On October 7, 1976, the final approval of Section 8, Existing Housing, MI28-E058-001, was received.
5. Upon approval of the Annual Contributions Contract, the Lansing Housing Commission will begin advertising for interested landlords and qualified applicants to participate in the program.

Enclosed you will find the documents to be processed in order to receive the Annual Contributions for the amount of \$198,688.00 for the year.

The Lansing Housing Commission at its last meeting, December 7, using Resolution No. 355, resolved that the Director be authorized to carry out the processing of the development of the Annual Contributions Contract No. C-3118, and requested approval of the same from the Mayor and City Council.

Most cordially yours,

MARCEL B. ELLIOTT,  
Executive Director.

Referred to Committee of the Whole.

December 9, 1976

Honorable Mayor and

Members of City Council

City of Lansing

Gentlemen:

During the period which the Kingsley site improvements were out for bid, the Public Service Department advised the Architects

of a required change in the style of drive approach (from the street to the sidewalk).

Because of the shortness in time before bids were due an addendum to the specifications was not issued. Once the bid was awarded to Brown Brothers they were informed of the required change. The increased cost for the different type of approaches is \$2,518.50.

Please be advised the quotation for this work was dated December 2, 1976, but the Architect advised the contractor to proceed with the change prior to their installing the style originally specified.

Respectfully submitted,

DOUGLAS FINLEY,  
Acting Director of Parks and  
Recreation.

Referred to Committee on Parks and Recreation.

#### REPORT OF COMMITTEE

The Committee on PARKS AND RECREATION, to whom was referred the recommendation of the Acting Parks and Recreation Director for a Change Order in the Kingsley site improvement contract with Brown Brothers, reports as follows:

The Committee concurs in the recommendation with the \$2,518.50 required for this change being currently available in Kingsley Site Improvement Account 155-720-000-974.

Signed:

ROBERT J. HULL,  
TERRY J. McKANE,

Chairman of Buildings and Properties

Tenth Floor—City Hall

Lansing, Michigan 48938

Dear Councilman Hull:

Attached is a letter, Offer to Purchase and a check in the amount of \$500.00 I received from Gary L. Johnson, President of Johnson and Associates, submitted on behalf of his client, Mr. Harvey T. Chad-

well, for the purchase of parking lot No. 10 on Factory Street.

Additionally, I have attached for your information, an opinion of value on this property from Mr. Marion K. Hahn, Deputy Assessor. Please note that in Mr. Hahn's opinion he states "With a little vision the property could draw a small commercial service business."

Inasmuch as the decision on this matter rests with you and your Committee, please feel free to contact either Mr. Johnson or myself for any further details you may require.

Respectfully,

ROBERT B. BLACK,  
Executive Assistant.

Referred to Committee on Buildings and Properties.

December 9, 1976

Honorable Mayor Graves and

Members of City Council

Gentlemen:

The Traffic Board recommended unanimously for City Council concurrence the prohibition of Stopping, Standing, and Parking on the east side of Grand Avenue from Saginaw Street to 465 feet south of Saginaw Street, and on the west side of Grand Avenue from Saginaw Street to 670 feet south of Saginaw Street. Now that the Lansing Community College parking ramp is open both of these curb lanes are utilized for thru traffic movement.

Respectfully submitted,

LANSING TRAFFIC BOARD,  
Raymond O. Severy,  
Secretary.

Referred to Committee on Public Safety.

ROW-12-76

1200 West Willow

Honorable Mayor and

Members of City Council:

The Planning Board, at their meeting of December 7, 1976, considered the request by Marvin Stump, Jr., and recommended that the developed public alley to the rear of the properties in the 1200 block of West Willow Street (north side) be vacated subject to the following:

- 1) That written consent of all adjacent property owners is obtained and duly notarized.
- 2) An attorney's opinion is obtained with regard to the claims of the property owners to the north.

- 3) An attorney's opinion is obtained with regard to deeding the west 66.5 feet to the property owners at 1218 West Willow, as their property is only 50 feet in width, and
- 4) An easement be recorded for Consumers Power Company in the west 75 feet of the alley to allow maintenance of existing facilities.

The Board found that the public right-of-way was never developed for alley purposes, nor is there any need to retain a public right-of-way at this location other than the necessary easements for public utilities. It was also found that the commercial properties fronting on Willow Street and the residential properties to the rear are separated by the alley and a concrete retaining wall, with said wall being located along the south right-of-way line of the alley, which leaves the alley right-of-way physically oriented to the residential properties to the north.

This recommendation received unanimous Board support.

Sincerely,

ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

Referred to Committee on Planning and Committee on Public Service and Highways.

December 9, 1976

ROW-13-76

Main/Logan Streets

Honorable Mayor and

Members of City Council:

The Planning Board, at their December 7, 1976 meeting, recommended that the request by the Michigan Department of State Highways and Transportation, Harold Pinksa, District Acquisition Agent representing, to vacate a ten (10) foot alley and a seven (7) foot street right-of-way adjacent to Lots 1, 2 and 3 of Sparrow's Subdivision (southwest corner of Logan and Main streets) be approved.

The Board can find no reason for holding this in public ownership by the City of Lansing and further found that the vacation of the right-of-way will facilitate trunk line improvements in conjunction with the Logan Street project.

This recommendation is made with a unanimous vote of the Board.

Sincerely,

ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

Referred to Committee on Planning and Committee on Public Service and Highways.

Concord Village No. 4

Preliminary Plat

Honorable Mayor and

Members of City Council:

The Planning Board, at its meeting of December 7, 1976, considered the request by the Challenge Company for the property located off of South Waverly Road on Bridgeport Drive and recommended approval of the tentative preliminary plat of Concord Village No. 4 subject to the following:

- 1) That the final plat be developed with all public improvements as required by the Lansing Subdivision Regulations and the Michigan State Plat Act.
- 2) That all lots shall be graded so surface water will drain therefrom so as not to adversely affect adjacent properties.
- 3) That the developer utilize an underground electrical distribution system as specified in Section 37-33.1 of the Lansing Subdivision Regulations.
- 4) That the necessary easements be shown on the plat in accord with the requirements of the Board of Water and Light and other public utilities.
- 5) That vehicular access from all lots with frontage on the proposed Miller Road extension (Lots 49 through 63) be prohibited and that a restriction be placed on the face of the final plat.
- 6) That a three feet (3') high rolling earth berm be constructed in the southerly ten feet (10') of all lots with frontage on the proposed Miller Road extension (Lots 49 through 63).
- 7) That street trees be planted on all public streets and a permit therefor be obtained from the Department of Parks and Recreation prior to the planting.
- 8) That the 50 feet between the southerly lot lines of the plat and the center line of the proposed Miller Road extension be included in the plat and dedicated for street purposes.
- 9) That fire hydrants be placed as directed by the Fire Marshal.
- 10) That all structures constructed on all lots with frontage on the proposed Miller Road extension (49-63) be oriented to Truxton Lane.
- 11) That the joint lot line between lots 85 and 72 be altered to reflect a direct line from the east property line of Lot 72 to the west property line of Lot 72, and
- 12) That cul-de-sacs be paved to a minimum radius of 45 feet.

- 13) That this is tentative approval and shall expire after a period of twelve (12) months.

This recommendation is made by unanimous support of the Board.

Sincerely,

ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

Referred to Committee on Planning.

P-2-76

Provincial House

Final Plat

Honorable Mayor and

Members of City Council:

The Planning Board, at its December 7, 1976 meeting, recommended that the final plat known as Provincial House Subdivision be approved subject to the following:

- 1) That the Deed or Abstract of Title, accompanied by an attorney's opinion as to the marketability of the land, or a Certificate of Title Insurance be submitted to the City Clerk prior to the signing of the plat and the affixing of the Municipal Seal.
- 2) That final security be posted in the amount specified by the Public Service Department and the Parks and Recreation Department.
- 3) That final clearance from the Board of Water and Light for the development be obtained.
- 4) That the requirements of the Soil Erosion and Sedimentation Control Act be followed.
- 5) All lots be graded so that surface water drains therefrom, as required by the Public Service Department.
- 6) That there be recorded on the face of the final plat a restriction prohibiting vehicular access to Aurelius Road from Lot 1.
- 7) That the developer adhere to the conditions set forth by the City Council at the time of tentative preliminary approval.

The Board found that the final plat was in substantial conformance with the preliminary plat as approved by the Planning Board and Lansing City Council. Approval is recommended with unanimous Board support.

Sincerely,

ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

Referred to Committee on Planning.

114 Bingham

Honorable Mayor and

Members of City Council:

The Planning Board, at their December 7, 1976 meeting, recommended that the request by Linn Camera Shop, Incorporated, to rezone the property located at 114 Bingham from "D-M" Multiple Dwelling District to "J" Parking District be approved subject to a site plan being submitted to, and approved by, the Planning Department and Traffic Engineer and the Public Service Department prior to the development of the site for off-street parking. Said site plan for 116 and 114 Bingham Street shall address itself to the following:

- 1) ingress and egress,
- 2) parking lot layout, indicating the number of spaces,
- 3) a drainage plan, and
- 4) necessary screening, fencing, landscaping and lighting.

The Board believes that the proposed change will allow development consistent with development in the vicinity which consists of both commercial uses to the north, which front on Michigan Avenue, and a church facility to the south, fronting on Pennsylvania Avenue but has its off-street parking to the rear and directly south of the property in question.

This recommendation is made by unanimous support of the Board.

Sincerely,

ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

Referred to Committee on Planning.

December 9, 1976

Z-56-76

930 West Holmes Road

Honorable Mayor and

Members of City Council:

The Planning Board, at their meeting of December 7, 1976, recommended that the petition by Linn Camera Shop to rezone the property located at 930 West Holmes Road from "J" Parking District to "F" Commercial District be approved subject to a site plan being submitted to and approved by the Traffic Engineer and Planning Department prior to the issuance of any building permits for the film exchange booth. It is further understood that relief from Section 36-5.1(5) must be obtained from the Board of Zoning Appeals, which would allow this second structure to be placed on the parcel in question.

The Board does not believe that the change will have any adverse affect on development in the vicinity providing adequate site plans are submitted. It was further found that the "J" Parking district applied to this site is no longer necessary since the Zoning Code provides for complete parking requirements for any type of development.

The Board unanimously supports this recommendation.

Sincerely,

ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

Referred to Committee on Planning.

December 9, 1976

Z-57-76

3409 South Logan Street

Honorable Mayor and

Members of City Council:

The Planning Board, at their meeting of December 7, 1976, recommended that the petition by D. J. Neilson to rezone property at 3409 South Logan Street from "E-2" Drive In Shop District to "F" Commercial District be approved; (1) with the thought that the existing building will no longer be utilized for commercial purposes and will be removed, (2) that prior to any final action on this zoning case by the City Council the City of Lansing shall either be deeded the necessary right-of-way for widening Holmes Road at this intersection or gain title to the necessary right-of-way by acquisition, (3) prior to final action by City Council that a letter shall be submitted which indicates that both the owner of the property and the lessee are in full agreement of this zoning request, and (4) that a site plan be submitted to and approved by the Planning Department and Traffic Engineer prior to issuance of building permits.

Said site plan shall reflect the location of proposed buildings, off-street parking and points of ingress to and egress from the site.

The Board believes that the proposed change of zoning is in conformance with the established commercial districts in this vicinity and will not have any serious impact on adjacent properties.

This recommendation received a 7 yeas, 1 nay vote of the Board.

Sincerely,

ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

Referred to Committee on Planning.

December 9, 1976

Z-54-76

404 South Pennsylvania Avenue

Honorable Mayor and

Members of City Council

The Planning Board, at their meeting of December 7, 1976, recommended that the petition by the Quality Dairy Company to rezone property at 404 South Pennsylvania Avenue from "E-2" Drive In Shop District to "F" Commercial District be approved subject to a site plan being submitted to and approved by the Planning Department and Traffic Engineer prior to the issuance of building permits. Said site plan shall reflect: (1) the location of the existing building, (2) points of ingress and egress, (3) off-street parking, and (4) landscape, screening and fencing. Screening and fencing shall address itself to the adjacent residential areas and the trash receptacles to be placed on the site.

The Board found that the proposed use would provide a neighborhood service and would promote the use of a commercial building that has been vacant much of the time since it was built. The Board does not believe that the type of use proposed will adversely affect the adjacent residential properties providing that adequate screening and fencing is established.

This recommendation is made by a unanimous vote of the Board.

Sincerely,

ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

Referred to Committee on Planning.

December 9, 1976

Z-51-76

407 and 411 Fenton Street

Honorable Mayor and

Members of City Council:

The Planning Board at their meeting of December 7, 1976 recommended that the request by the BEC Land Company, represented by Mark Eytcheson, to rezone property at 407 and 411 Fenton Street from "A-1" Single Family Residential District to "F" Commercial District be denied as filed and further recommended that the west 60 feet of Lots 24 and 25 and the west 60 feet of the south one half of Lot 23 of Jessop's Home Gardens Subdivision, City of Lansing, Ingham County, Michigan, be rezoned from "A-1" Single Family Residential District to "F" Commercial District; and the balance of the property to the west, more particularly described as Lot 82 and the south eight feet (8') of Lot 105, Jessop's Home Gardens Subdivision, City of Lansing, Ingham County, Michigan, remain in its present zoning classification.

This recommendation of approval is subject to the following conditions:

- 1) That the change in zoning be granted only for the west 60 feet of Lots 24 and 25 and the west 60 feet of the south one half of Lot 23, Jessop's Home Gardens Subdivision, City of Lansing, Ingham County, Michigan.
- 2) That access be limited to two curb cuts on South Cedar Street.
- 3) That screening be provided for the protection of the residential uses to the west.
- 4) That a site plan be submitted by the petitioner for approval by the Planning Department, Public Service Department, and Traffic Engineer prior to the issuance of building permits, which includes: (a) location of buildings, (b) parking lot layout, traffic circulation patterns, number of parking spaces, and lighting, (c) screening, fencing and landscaping, and (d) location of proposed curb cuts.

The Board believes that this recommended change in zoning will allow reasonable expansion of the strip commercial district along South Cedar Street without further encroaching into the established residential area to the west.

The Board further believes that the elimination of vehicular ingress and egress to Fenton Street will further afford the residents in this area the added protection from traffic and activity.

This recommendation received unanimous Board approval.

Attached is a copy of a petition from resident of this area submitted to the Board at their meeting of November 9, 1976 containing ten signatures with objections to this rezoning request.

Sincerely

ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

Referred to Committee on Planning.

Honorable Gerald W. Graves

Mayor—City of Lansing

City Hall

Lansing, Michigan 48933

Dear Mayor Graves:

In light of the Attorney General's ruling on Monday, I am herewith submitting my resignation as a member of the Downtown Development Authority. I have enjoyed serving on this board and feel they can contribute much to the upgrading of the downtown area.

I would hope that since I was the only female member of the Board, my replacement might be another lady. I might suggest that two outstanding businesswomen in the downtown area are Mrs. June Johnston of J. W. Knapp and Mrs. Beverly Price of Liebermann's.

Thank you for the opportunity of serving on this Board.

Sincerely,

LUCILE E. BELEN,  
Councilman-at-Large.

Referred to Mayor's Office.

December 13, 1976

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem and Council Members:

Effective January 1, 1977, the City of Lansing will once again face the prospect of having to have a new City Attorney, in view of the fact that the present City Attorney, Peter Houk, will take office as Prosecuting Attorney for Ingham County.

To meet the aforementioned, I am submitting to you for the position of City Attorney the name of Kenneth B. Williams, who presently serves as the Senior Assistant Prosecuting Attorney, and Attorney-Director, Consumer and Business Affairs Division for the County of Ingham. During the past 3 years, Mr. Williams has tried well over 100 cases, both jury and non-jury, before District Courts and Circuits, with an excellent success record. Overall, he has appeared in all the Circuit Courts of Ingham County, all the District Courts of Lansing, and East Lansing and Mason. Mr. Williams also has experience before the Ingham County Probate Court.

Mr. Williams was graduated from Eastern High School, in the City of Lansing, was graduated from the University of Michigan with a Bachelor of Arts Degree, with a major in English, and was graduated from the University of Toledo, College of Law, with a Juris Doctorate Degree, which exceeds the average requirements for a law degree.

Mr. Williams has experience in the Public Defender Program and has served as a Law Clerk and Research Assistant in the field of private employment.

While a student at the University of Michigan, he was a member of the Baseball Team, and held a number of part-time jobs which enabled him to earn his tuition and costs. He is presently a member of the State Bar of Michigan, Ingham County Bar Association, and the Young Lawyer's Division of the American Bar Association.

Mr. Williams is 29 years of age, in excellent health, is married and has one child. He resides at 3218 Stonewood Drive, Lansing, and attends St. Thomas Aquinas Church in East Lansing and Resurrection Church in Lansing. He is a registered voter of the City of Lansing.

During my search for a prospective City Attorney, I sought out the advice of people in the legal profession. Of the Judicial, I asked for recommendations of the "most brilliant young attorney in the area." Without fail, four Judges listed Kenneth B. Williams as that individual. In my interviews with this young gentleman, and with other applicants, I found the young man truly to be so. In reply to my questions pertaining to your recently approved Affirmative Action Program, Mr. Williams advised several days later that he had made contact with two minorities, one which has already passed his Bar exam and is a practicing attorney, and another who is Spanish speaking, who would come into the Office of the City Attorney as a Legal Intern. And what of the desire of some of you for what is termed "continuity in the Office of the City Attorney"? This has not been fact in the past. Commencing in the early 1960's and ending with the confirmation of a new City Attorney, the City of Lansing will have had approximately nine different City Attorneys, with a turn-over of staff probably between 30-40 assistants. As Mayor of the City of Lansing, I have in the past named one City Attorney from outside the City staff and two from within.

Mr. Williams meets the needs of the office. He has the stature and the experience and he presently is a resident of the City. This latter is within the requirements of Section 4.2 of the City Charter which reads as follows:

"Except as otherwise provided in this charter, a person is eligible to hold a city office if he has been a registered elector of the city, or of territory annexed to the city, or both, and in the case of a Councilman elected from a ward, a resident of the ward from which he is elected, for at least one year immediately preceding his election or appointment. . . ."

Before you is a major decision, as there has been in the past for me. My research, and interviews, lead me to Mr. Kenneth B. Williams, an individual whom I had no association with in the past.

I trust you will confirm this young man, so that he can proceed with the organization of the Office of the City Attorney, and that we can proceed in an uninterrupted fashion with the affairs of the City of Lansing.

Sincerely,

GERALD W. GRAVES,  
Mayor.

Referred to Committee of the Whole.

December 13, 1976

Honorable Mayor Pro-Tem and Members  
of the Lansing City Council  
City Hall

Lansing, Michigan

Dear Mayor Pro-Tem and Council Members:

Verbally in the past, the Attorney General of the State of Michigan had advised that certain elected officials, i.e., Council members, County Commissioners, etc., were not eligible to serve on certain development authorities. Attached is a copy of Opinion Number 5087, dated December 6, 1976, which now spells out the Opinion of the Attorney General.

It is clear that a City Council member may not serve as a member of the Downtown Development Authority. Be advised that I will in the near future name a replacement for Councilman Lucile Belen, who has tendered her resignation.

Sincerely,

GERALD W. GRAVES,  
Mayor.

Referred to Committee of the Whole.

## RESOLUTIONS

By Buildings and Properties Committee—

Resolved by the City Council of the City of Lansing:

That the City Assessor be, and he is hereby directed to spread on the July 1977 tax rolls (U-12), the cost of correcting the hazardous and unsanitary conditions of properties in the year 1976, in the amount of \$1,099.42, as reported this date by the Building Commissioner, and as per attached list.

Adopted by the following vote:

Unanimously.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

That the appointment of Ms. Barbara Martin to the Board of Appeals (Zoning Ordinance) to a term expiring June 3, 1979, be confirmed.

Adopted by the following vote:

Unanimously.

By Committee on Personnel—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing and the Lansing Tri-County Regional Manpower Consortium have entered into an agreement to provide for the planning and delivery of manpower services pursuant to the Public Works and Economic Development Act of 1965, Title X, Contract No. 896.01; and

Whereas, the Department of Labor has granted an extension of Title X through February 28, 1977, in order that any residual funds accumulated may be expended; and

Whereas, due to job vacancies, residual funds have accumulated; and

Whereas, these residual funds have been reprogrammed to extend four (4) positions through January 31, 1977, and one (1) position through January 20, 1977; and

Whereas, the City has modified Contract No. 896.01, Title X, to reflect the extension of the above stated five (5) positions, the effective date of this modification being January 1, 1977;

Now Therefore Be It Resolved, that the City Council approve said modification and direct the Mayor and City Clerk to sign said modified contract.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, Irene C. Koenig deeded to the City of Lansing by quit claim deed the north 20 feet of Lot No. 4 of North Highland Subdivision and the north 20 feet of the south 23½ feet of Lot No. 3 of Rose-dale Park Subdivision in the City of Lansing, which deed was recorded September 12, 1951 at Liber 647, Page 344, with the Register of Deeds of Ingham County; and

Whereas, the City of Lansing intended to use the property for alley purposes; and

Whereas, the property was not a dedicated alley; and

Whereas, the deed recorded September 12, 1951 does not contain a reverter clause; and

Whereas, the City of Lansing has not used the property for alley purposes nor for any other purposes; and

Whereas, the City of Lansing no longer wishes to retain ownership of the property; now, therefore, be it

Resolved, that the north 20 feet of Lot 4 of North Highland Subdivision be sold by quit claim deed to either adjacent property owner, whichever is the higher bidder; and be it

Further Resolved, that the north 20 feet of the south 23½ feet of Lot No. 3 of Rose-dale Park Subdivision be sold by quit claim deed to either adjacent property owner, whichever is the higher bidder.

Adopted by the following vote:

Unanimously.

By Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

Whereas, a one story block building was constructed more than fifteen years ago on Lots 5 and 6 of Supervisors Plat of Hillcrest Farms, City of Lansing, and

Whereas, said building encroaches upon the public right of way of Eaton Court by 1.3 feet; and

Whereas, the owner of said premises can not obtain a mortgage on the property until the block building is removed or until an easement therefore is obtained; and

Whereas, no substantial harm will result to the City if an easement is given to the title holder provided that the City reserves a right of way for street, alley, or public utility purposes; now, therefore, be it

Resolved, that an easement be given to the title holder for that portion of the right of way upon which said block building encroaches and more particularly described as:

The North two (2) feet of the South Seventeen (17) feet of the East Ninety Three (93) feet of Lot 5 except the East Seventeen (17) feet thereof, Supervisors Plat of Hillcrest Farms.

Said easement to terminate upon removal or destruction of the block building and to be subject to a right of way of the City of Lansing for street, alley or public utility purposes.

By Councilman Baker:

That the report be amended to include the commonly known address "Northeast corner of Eaton Ct. and Logan St." to be inserted after the description.

Carried.

The resolution as amended was adopted by the following vote:

Unanimously.

By Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

Whereas, the Michigan Department of Natural Resources has given notice of a plan of study area for the City of Lansing and vicinity, and

Whereas, the City of Lansing has been designated as the lead applicant for a Step I wastewater facilities Grant, and

Whereas, the City of Lansing has submitted an application to the Michigan Department of Natural Resources and the United States Environmental Protection Agency for said Grant, and

Whereas, the City of Lansing has received a Federal Grant Offer in the amount of \$450,000.00, which represents 75% of the project cost of \$601,200.00, and

Whereas, the City of Lansing has received a State of Michigan Grant Offer in the amount of \$30,060.00, which represents 5% of the project cost of \$601,200.00.

Now Therefore Be It Resolved that the City of Lansing hereby accepts the Federal Grant Offer and the State of Michigan Grant Offer in the amounts stated above, and that Robert R. Backus, Director of Public Service is authorized to sign the acceptance on behalf of the City of Lansing.

Adopted by the following vote:

Yeas: Councilmen Belen, Blair, Brenke, Gunther, Hull, McKane—6.

Nay: Councilman Baker—1.

Councilman Jack Gunther  
Tenth Floor—City Hall  
Lansing, Michigan 48933

Dear Councilman Gunther:

Attached is a copy of a communication received by this office from Mr. Richard Christmas, 1735 Boston Blvd., Lansing, requesting a parade on July 20, 1977.

Inasmuch as you have assumed the role of Parade Chairman for the City of Lansing, I felt that you would like to give this request every possible consideration.

Thanking you in advance for your cooperation, I remain

Sincerely,

ROBERT B. BLACK,  
Executive Assistant.

Referred to Committee on Ordinance and  
Contracts and City Affairs.

December 16, 1976

Honorable Mayor and  
Members of City Council  
Gentlemen:

The Park Board of the City of Lansing has received and reviewed thirty-two applications for the position of Director of Parks and Recreation.

As the first step of selecting a Director we have evaluated applicants based on their experience in the administration of municipal park and recreation services. An interview schedule was established and during the first round of these interviews Mr. Douglas Finley was selected for the Director's position.

It is our sincere hope you will actively support Mr. Finley in the administering of his new responsibilities.

Thank you.

Sincerely,

JUSTIN G. ENGLISH,  
President,  
Lansing Park Board.

Received and placed on file.

December 16, 1976

Honorable Gerald W. Graves and  
Members of the City Council  
City Hall  
Lansing, Michigan 48933

Dear Mayor Graves and Council Members:

This is to serve notice that the regularly scheduled meeting of the Planning Board for December 21, 1976 has been cancelled. The next Planning Board meeting will take place on January 4, 1977.

Sincerely,

ALAN E. TUBBS,  
Planning Director,  
City of Lansing Planning  
Department.

Received and placed on file.

December 9, 1976

BP-3-76  
2300 East Michigan Avenue  
Honorable Mayor and  
Members of City Council

The Planning Board, at their December 7, 1976 meeting, considered the request by

the Buildings and Properties Committee of City Council to investigate desirable future uses of the fire station site located at 2300 East Michigan Avenue.

Upon examining the location and existing development along East Michigan Avenue, it is considered most desirable to keep this property in a commercial or office use. There is great concern expressed over the availability of off-street parking spaces for the site, which may place a limitation on the type of use of the site.

A site plan should be submitted for review and approval by the Planning Department, Traffic Engineer, Fire Marshal and Public Service Department prior to final sale of the property.

If we can be of further assistance in this matter, please contact this office.

Sincerely,

ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

Referred to Committee on Buildings and Properties.

Honorable Mayor Graves and  
Members of City Council:

Re: Proposed Holly Park Act 285 Review  
(Act-6-76)

The Planning Board, at their regular meeting of December 7, 1976, voted to advise the City Council not to purchase the five acres for Holly Park. The vote was 7-0. The reasons given for this action were:

1) There are numerous local parks in the vicinity of this neighborhood (including Ingham, Risdale, Elmhurst, etcetera).

2) Park development in this area would be more desirable adjacent to Pleasant Grove School.

3) The people in the area did not indicate interest in establishing a City Park.

4) There would be no access from the west, south, or from the Pleasant Grove School.

5) The Planning Board believes that parkland can be provided through dedication when platting or development occurs.

If you should have any questions, please feel free to call me or Mr. Acheson of my staff.

Sincerely,

ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

Referred to Committee on Buildings and Properties.

December 10, 1976

ACT-9-76

808 West Holmes Road

Honorable Mayor and

Members of City Council:

This is to inform you of action taken by the Lansing Planning Board in regard to a request by Danford Cleaners to purchase City property. At their regular meeting of December 7, 1976, the Board approved a modified form of that request by a vote of 7 yeas, 0 nays.

The parcel approved for sale is the 40 feet by 113.25 feet piece of property immediately adjacent to, and to the west of, the Danford property. This eliminates the southern 86.25 feet by 40 feet part of their request. The reason for this is to protect residential properties adjacent to that southern portion of the property.

With this approval the City Council should now initiate rezoning proceedings to insure the proper use of the property. The Planning Department will not allow any construction on the property until it is rezoned.

If there should be any questions, please feel free to contact me or Mr. Acheson of my staff.

Sincerely,

ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

Referred to Committee on Buildings and Properties.

Members of City Council:

Re: Act 285 Review—Improvements to Hunter Park (Act 7, 1976)

This is to inform you of action taken by the Lansing Planning Board at their regular meeting on Tuesday, December 7, 1976. By a vote of six to one the Board approved the proposed purchase of the property at 627 Holmes Street for the purpose of installing a westerly vehicular access to Hunter Park and a new parking lot in the southwest part of the park.

In addition to the above approval, the Planning Board made the following stipulations which are recommended to be included in the Hunter Park improvements:

1. That existing equipment within the park be improved and new equipment be added. Namely a picnic shelter, children's toys, shuffle board courts, and other equipment as the neighborhood sees fit.
2. That the parking lot at the end of Marcus Street be improved and screened appropriately from residential development adjacent to it. It was further recommended that this parking lot allow for a 25 foot set back from the residential properties to the north and south.
3. That the proposed parking in the new parking lot on the west side of the park have a total of 20 paved parking spaces.
4. That parking on the Fuller Street lot be eliminated.

If you should have any questions on this, please feel free to contact Mr. Acheson or myself.

Sincerely,

ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

Act-8-76

704 Regent Street

Mayor Gerald W. Graves and

Members of City Council

City Hall

Lansing, Michigan 48933

Honorable Mayor Graves and

Members of City Council:

The Lansing Planning Board, at their meeting of December 7, 1976, reviewed your offer to sell 704 Regent Street, parcel number 3301-22-228-091, Lot 38 of Assessor's Plat No. 49, for \$500 and found that the retention of the lot in its natural state would be desirable and would also provide additional space for a future east side park.

The Board recommends that the City acquire this property. The Board further recommends that funds be sought for additional land acquisition along both sides of Regent Street. This recommendation received unanimous support from the Board.

Sincerely,

ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

Referred to Committee on Buildings and Properties and Committee on Parks and Recreation.

December 16, 1976

Honorable Gerald W. Graves and

Members of the City Council

City Hall

Lansing, Michigan 48933

Dear Mayor Graves and Council Members:

The Lansing Planning Board wholeheartedly endorses the development plan for the 100 block of North Washington Square. The development plan is consistent with our recommendations forwarded to you on October 25, 1976, to make Lansing a convention center by 1980. In addition, the project is in conformity with the Urban Renewal No. 1 Development Plan and the Zoning Code of the City of Lansing.

The Planning Board is convinced that this development will serve as a catalyst for renewed interest and development in downtown Lansing and is ready to assist wherever appropriate to ensure that this project becomes a reality.

Sincerely,

GORDON CORNWELL,  
Chairman,  
Lansing Planning Board.

Members of the City Council

City Hall

Lansing, Michigan 48933

Dear Mayor Graves and Council Members:

The Planning Board is requesting your approval of a contract between the Lansing Planning Department and Lansing Community College for the Work-Study Program. The contract is almost identical to the contract between the City of Lansing and Michigan State University with regard to Work-Study students.

We have in our budget \$1000 for Part-Time help, which will enable us to receive an additional \$4000 for part-time students.

The contract is already before the Personnel Committee. We request your endorsement of this contract.

Sincerely,

ALAN E. TUBBS,  
Secretary,  
Lansing Planning Board.

Referred to Committee on Planning and Committee on Personnel.

Honorable Mayor Pro-Tem McKane and

Members of City Council

Tenth Floor—City Hall

Lansing, Michigan 48933

Dear Mayor Pro-Tem and

Council Members:

In accordance with the Fiscal Year 1978 Community Development Management and Decision Making Process Schedule, dated September 9, 1976, I have attached hereto my recommendations concerning the proposed Community Development projects and budgets for the third program year of the Community Development Program. If you desire more detailed information on how the figures were arrived at in the proposed budget, or the projects involved, please contact the Office of Community Development and this information will be provided to you. Detailed information will be provided to the City Council Committee on Community Development during its first meeting scheduled after referral of this matter to that committee.

For your information, the next step in the Community Development Management and Decision Making Process Schedule is that of the City Council submitting its Proposed Community Development Application to the City Clerk and scheduling a public hearing for January 17, 1977.

Sincerely,

GERALD W. GRAVES,  
Mayor.

Referred to Committee on Community Development.

Hon. Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan 48933

Dear Mayor Pro-Tem and Council Members:

Please be advised that the employment rolls in the City of Lansing will be in-

creased by 100 new positions, shortly. Mr. Donald Hale, President, Service Fabrication, Inc., has advised that the company will move 95% of its operations from Mulliken to the City of Lansing and specifically into the John Bean Building.

This expansion by Service Fabrication, Inc., and Purvis Brothers, both subsidiaries of Jacklin Steel, has resulted in the leasing of 36,984 square feet in the John Bean Building for a period of 5 years, with an additional 5 year option to renew. Mr. Hale has also requested the optioning of 20,000 more square feet of space for approximately 4 months, commencing in early January.

I commend Mr. Hale for his decision and I express my sincere "thanks" to the members of the Board of Directors of the Economic Development Corporation for the role the Board played in assisting the success of this project.

With this new development, close to 50% of the 450,000 square feet of useable space in the once idle John Bean Plant, will now be put to use. I have every hope that the building will be completely occupied within the next 12-18 months.

Sincerely,

GERALD W. GRAVES,  
Mayor.

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan 48933

Dear Mayor Pro-Tem and Council Members:

This office was recently advised by Oscar Wade, a member of the Civic Center Board, that he desires to resign from said Board. Therefore, I am submitting the name of Rex Sessions to fill the vacancy, which term expires in June of 1979.

Mr. Sessions was graduated from UCLA with a Bachelor of Arts Degree in Political Science. He is a veteran of the U.S. Navy, having served during WW II. Mr. Sessions has been employed for the past 23 years at the Oldsmobile Division of General Motors Corporation and is presently Senior Divisional Buyer in the Purchasing Department. He is a Past President of the Ingham County Cancer Society and past Fund Drive Chairman; past Chairman of the Board of Directors and member of the Plymouth Congregational Church, past Vice-President and present Finance Committee member of the Fine Arts Council, a member of the Board of Directors of the Lansing Country Club, and a member of the Greater Lansing Chamber of Commerce.

Mr. Sessions and his family reside at 1329 Cambridge Road in the City of Lansing.

Trusting this recommendation meets your approval for confirmation, I remain

Sincerely,

GERALD W. GRAVES,  
Mayor.

December 20, 1976

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, MI

Dear Mayor Pro-Tem and Council Members:

The Lansing Tri-County Regional Manpower Consortium has received funding to renew the Title VI program under the Comprehensive Employment and Training Act of 1973 (CETA). The Department of Labor has scheduled both the Title VI and the Title II programs to continue through September 30, 1977.

At the present time, all personnel employed under Lansing's CETA contract with the Lansing Tri-County Regional Manpower Consortium are employed in the Title II program. By February 1, 1977, the large majority (approximately 80%) of CETA personnel will be transferred to the Title VI program. Although neither program is legislated to continue beyond September 30, 1977, since Title VI is classified an Emergency Employment program, the chances for continued funding beyond September 30, 1977, are greater for the Title II program.

For this reason, Col. Gordon F. Goyt, Executive Director of the Lansing Tri-County Regional Manpower Administration, had requested that a priority list of CETA personnel scheduled for retention in the Title II program be submitted to his office no later than December 15, 1976.

A priority list was prepared by the Manpower Director from priorities set by department and division heads. (CETA positions among agencies that have sub-contracts with the City will be put under Title VI.) My staff having favorably reviewed the priority list, I forwarded the list to Col. Goyt on Wednesday, December 15, 1976. A copy of the list is enclosed for your information.

Sincerely,

GERALD W. GRAVES,  
Mayor.

Honorable Mayor Pro-Tem and Members  
of the Lansing City Council

City Hall

Lansing, Michigan 48933

Dear Mayor Pro-Tem and Council Members:

This office has been recently advised by Leslie B. Butler, a member of the Police and Fire Retirement Board, that he finds it necessary to resign from said Board. Therefore, I am submitting to you for your consideration and confirmation the name of Stephen VanNote, to fill the vacancy with the term expiring December 31, 1977.

Mr. VanNote is a lifelong resident of Lansing and was graduated from Michigan State University with a Bachelor of Arts in Economics. He is a veteran of the U.S. Army and served during the Korean conflict. Mr. VanNote has served with the State of Michigan, Bureau of Retirement Systems for the past 18 years and is presently Director of that Bureau. His department is responsible for the pension systems of the out-State teachers, Detroit teachers, State employees, municipal employees, and Judges. He is a member of the Municipal Finance Officers Association, State Association of Public Retirement Administrators, State Association of Public Employee Social Security Administrators, Elks Club, and St. Casimir Church.

Mr. VanNote and his wife, Pat, have 3 children and reside at 2223 Wellesley in the City of Lansing.

Trusting this recommendation meets your approval, I remain

Sincerely,

GERALD W. GRAVES,  
Mayor.

Referred to Committee on Finance.

Hon. Mayor Pro-Tem and Members  
of the Lansing City Council

City Hall

Lansing, Michigan 48933

Dear Mayor Pro-Tem and Council Members:

In a communication to you, dated November 5, 1976, I advised of the approval of an Economic Adjustment Assistance Grant in the amount of \$50,000 from the U.S. Department of Commerce, under Title IX of the Public Works and Economic Development Grant of 1965, as amended. It was the response to my communication to you of February 5, 1976, and your approval of my recommendation. You did not direct me to sign the necessary papers to receive those

funds, even though approved, but instead, recently requested my advice regarding the administration of the Title IX Planning Grant, to prepare an Economic Development Strategy for the City of Lansing.

During the recent past, I met with members of the Planning Department, headed by Planning Director Alan Tubbs. The recommendations of the group are attached, and after reviewing the response, I am submitting the following to you:

1. That the City Council immediately accept the Title IX Grant on behalf of the City.
2. That the Planning Department have responsibility for the administration and staffing of the Grant.
3. That a Policy Committee be created to work with the consultant and project technicians to develop an economic strategy for the City. This Committee should be composed of the following:
  - a. The Mayor of the City of Lansing as Chairman
  - b. The Mayor Pro-Tem
  - c. The Chairman of the Economic Development Authority
  - d. The Chairman of the Downtown Development Authority
  - e. The President of the Chamber of Commerce
  - f. The President of the Lansing Metropolitan Development Authority
  - g. The Chairman of the Lansing Planning Board
4. That a Technical Committee be created to oversee technical aspects of the study and be composed of the following:
  - a. The Planning Director for the City of Lansing as Chairman
  - b. The Executive Assistant to the Mayor
  - c. The Federal Program Coordinator
  - d. The Director of the Economic Development Corporation and the Downtown Development Authority
  - e. The Executive Director of the Greater Lansing Regional Chamber of Commerce
  - f. The Executive Director of the Lansing Metropolitan Development Authority

I have contacted the economic development organizations recommended above and they have indicated a willingness to participate.

Trusting that you will act immediately, so that we will not lose the Grant in question, I remain

Sincerely,

GERALD W. GRAVES,  
Mayor.

Referred to Committee on Planning.

December 17, 1976

Honorable Mayor Pro-Tem and Members  
of the Lansing City Council

City Hall

Lansing, Michigan 48933

Dear Mayor Pro-Tem and Council Members:

On December 31, 1976, the Bicentennial Office will close. Various successful activities this office was engaged in during the past year enabled the City to provide its citizens a most successful Bicentennial Year. I believe that the Bicentennial activities should be continued. And, the citizens' groups that were organized in support of the Bicentennial, should, where possible, be preserved to permit us to develop similar activities during the ensuing years. Recent contact with the Office of the Lt. Governor, James Dammon, has indicated that the State of Michigan is interested in continuing the citizen volunteer concepts that were employed during our Bicentennial Year.

The kinds of activities that the Bicentennial Office coordinated provided some very inexpensive entertainment, education and human understanding for families. These activities permitted the active involvement of all segments of our community to include minorities and low-income groups. The efforts and activities during our past Bicentennial Year encouraged community unity and pride. It would appear appropriate that we maintain the continuation of that movement.

It is my recommendation that the functions of the Bicentennial Office and existing staff, which now consists of Ms. Barbara Israel, be transferred to the Parks and Recreation Department. The funding for Ms. Israel will be accomplished through CETA. Secretarial and other administrative support will be provided by the Parks and Recreation Department. I have discussed this matter with the Parks and Recreation Director and he has confirmed that, in his opinion, the functions performed by the Bicentennial Office could logically be assigned to his department, and he is willing to provide the necessary space for Ms. Israel who will be assigned to an appropriate division within his department.

It has also been brought to my attention that certain VISTA volunteers may be available to the City of Lansing to work on special event projects that the Parks and Recreation Office will subsequently develop. These VISTA volunteers will be paid \$50.00 per week for a period of 52 weeks and then receive a severance pay of a little over \$600.00. The only cost to the City would be an estimated \$260.00 per volun-

teer. This is the cost estimated by the State which is incidental to the City's management of the payroll and other administrative matters pertaining to these volunteers and is considered to be an indirect cost. Conversations with the Lt. Governor's Michigan Bicentennial Volunteer Project staff indicate that we could qualify for from 2-5 volunteers.

The activities that the Parks and Recreation Department, utilizing the services of Ms. Israel and VISTA volunteers, would coordinate, could be:

1. Ethnic Festival
2. River race on the Grand
3. Arts Festival
4. Fourth of July activities
5. Oktoberfest
6. Other events as determined by the Parks and Recreation Department, this office and City Council.

VISTA volunteers would be available to work on specific projects for 40 hours a week in conjunction with the City Coordinator located in the Parks and Recreation Department. Additionally, it would be possible (if the Parks and Recreation Department determined) to utilize one or more of the VISTA volunteers in our community centers such as Kingsley Place and Gier Park.

I, therefore, recommend that you approve the transfer of Ms. Israel's Office to include all existing furniture and equipment, to the Parks and Recreation Department effective January 1, 1977. I further recommend that Mr. Houldsworth and the Personnel Committee immediately accomplish the necessary authorization to continue funding Ms. Israel from CETA funds and that the Parks and Recreation Director be authorized to prepare the necessary papers to procure VISTA volunteers.

Finally, after discussion with the Parks and Recreation Director of the preceding concepts, I believe that the activities that we may conduct during the year such as Ethnic Festival, etc., should be self-supporting and at no cost to the City, and that the Parks and Recreation Director organize the special activities outline and be authorized to establish fees, etc., and solicit contributions, so that no cost, or at the very least a minimum cost, to the City, will be incurred.

Sincerely,

GERALD W. GRAVES,  
Mayor.

Referred to Committee on Personnel.

## RESOLUTIONS

By Committee on Buildings and  
Properties—

Resolved by the City Council of the City of Lansing:

Whereas, the Building and Properties Committee has charged the Property Management Division with the responsibility for setting a new base rate for rental or leasing of City office space at the Civic Center; and

Whereas, the Building and Properties Committee has directed the Council staff to construct a new office rental lease to be used at the Civic Center; and

Whereas, the Civic Center Manager has been directed to tender all leases after receiving proposals to lease and conducting preliminary lease negotiations, to the Building and Properties Committee for final approval;

Now, Therefore, Be It Resolved that the Civic Center Manager will execute no further office rental leases, and that no such leases will be consummated for such space until a new lease and new base rate have been approved by the Building and Properties Committee and City Council.

Adopted by the following vote:

Unanimously.

#### By Committee on Finance—

Resolved by the City Council of the City of Lansing:

Whereas, the federal government in its regulations has allowed for the implementation of indirect cost plans to reimburse local governments for administrative expenses incurred in the operation of federal grants, and

Whereas, the City of Lansing has incurred, and will continue to incur, expenses within the general fund in support of federal grants and other operations not included in general fund, and

Whereas, the City of Lansing desires to allocate its administrative costs fairly to all federal grants and other operations, and

Whereas, the City of Lansing has considered alternative methods for the development of an indirect cost plan to achieve this more equitable distribution of administrative costs, and has solicited proposals from various professional firms, and

Whereas, after consideration of alternative methods and review of the proposals submitted, the Finance Committee has recommended the award of a contract to Touche Ross and Co. for the development of an indirect cost plan,

Now Therefore Be It Resolved, that the City Council of the City of Lansing authorizes the Finance Director to transfer from the Emergency Fund, account number 101-941-000-963 to Contractual Services, account number 101-201-000-801, in the amount of \$31,000, to fund the preparation of an indirect cost plan, and

Be It Further Resolved, that the Mayor and the City Clerk are hereby directed to sign a contract with Touche Ross and Co. in accordance with their proposal, subject to the approval as to form by the City Attorney and certification of availability of funds by the Controller.

Adopted by the following vote:

Unanimously.

#### By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the City Council resolved on March 17, 1975 to concur in the use of Michigan Act 344 of P.A. of 1945 as the guideline for Citizens' Participation under the Community Development Program; and

Whereas, said act stipulates that Citizens' District Councils are to be formed for each district area and that all members must be either elected by residents of the area or appointed by the Mayor with confirmation by the chief legislative body; and

Whereas, the City Council resolved that the number of elected and appointed persons would be as follows:

- elected from the Development Area 6
- appointed from the Development Area 2
- elected from the Peripheral Area 4
- appointed from the Peripheral Area 3

and

Whereas, the City Council resolved to hold the elections for Citizens' District Council No. 3 on December 21, 1976 and the notices for said elections have been disseminated to the proposed residents and homeowners of the District and Development Area No. 3; and

Whereas, the number of candidates for the office of Citizens' District Council representative is insufficient at this time to conduct an election;

Now Be It, Therefore, resolved that the elections of Citizens' District Council No. 3 be postponed until January 18, 1977.

Adopted by the following vote:

Unanimously.

#### By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing and the United States of America have entered into an Agreement providing the City of Lansing with a grant to plan and implement a Community Development Program; and

Whereas, the City of Lansing through the Human Resources Department, desires to engage Cristo Rey Community Center to perform various services and activities, and to accomplish certain objectives, in connection with said Community Development Program; and

Whereas, a proposed Contract has been developed by and between the City of Lansing, through the Human Resources Department, and Cristo Rey Community Center to provide a mental health program; and

Whereas, said proposed Contract (effective from December 1, 1976 through June 30, 1977) for a total compensation not to exceed Seventeen Thousand, Three Hundred Seventy-Seven and 00/100 (\$17,377.00) Dollars is hereby approved by the City Council of the City of Lansing; and

Whereas, approval of this Contract is subject to the Department of Housing and Urban Development (H.U.D.) approval of the proposed activities in the Lansing Community Development application, as well as, the availability of funds; now, therefore, be it

Resolved, that the Mayor and the City Clerk are hereby directed to sign said proposed Contract on behalf of the City of Lansing, after approval as to form by the City Attorney and after certification as to the availability of funds by the Director of Finance.

Adopted by the following vote:

Unanimously.

By Community Development Committee—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing and the United States of America have entered into an Agreement providing the City of Lansing with a Grant to plan and implement a Community Development Program; and

Whereas, the City of Lansing, through the Human Resources Department, desires to engage the National Council on Alcoholism—Lansing Regional Area, Inc. to perform various services and activities, and accomplish certain objectives, in connection with said Community Development Program; and

Whereas, a proposed Contract has been developed by and between the City of Lansing through the Human Resources Department and the National Council on Alcoholism—Lansing Regional Area, Inc. (PN-275) to provide alcohol abuse and prevention services; and

Whereas, said proposed Contract, effective through June 30, 1977, for a total compensation not to exceed Eighteen Thousand Five Hundred Seventy and 00/100 (\$18,570) Dollars is hereby approved by the City Council of the City of Lansing; and

Whereas, approval of this Contract is subject to H.U.D. approval of the proposed activities in the Lansing Community Development application, as well as the availability of funds; now, therefore, be it

Resolved, that the Mayor and the City Clerk are hereby directed to sign said proposed Contract on behalf of the City of Lansing, after approval as to form by the City Attorney and after certification as to the availability of funds by the Director of Finance.

By Councilman Baker—

That Councilman Blair be allowed to abstain from voting.

Carried.

Adopted by the following vote:

Unanimously.

By Community Development Committee and Finance Committee—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing and the United States of America have entered into an Agreement providing the City of Lansing with a Grant to plan and implement a Community Development program; and

Whereas, the City of Lansing, through the Human Resources Department, did engage the Community Mental Health Board, Clinton—Eaton—Ingham, to perform various services and activities, and to accomplish certain objectives in connection with said Community Development Program; and

Whereas, a Contract was developed effective July 1, 1976 through June 30, 1977 by and between the City of Lansing, through the Human Resources Department and the Community Mental Health Board to provide for the Comprehensive Substance Abuse Treatment Program (PN-118); and

Whereas, as a result of the cutbacks in State funding, the Comprehensive Substance Abuse Treatment Program had to curtail certain operations and modify certain services beginning at the start of the State fiscal year (October 1, 1976); and

Whereas, the City of Lansing, through the Human Resources Department, and the Community Mental Health Board, now desire to amend said Contract to reflect changes in one of the components of the Comprehensive Substance Abuse Treatment Program; now, therefore, be it

Resolved, that the Mayor and the City Clerk are hereby directed to sign said proposed Contract Amendment on behalf of the City of Lansing, after approval as to form by the City Attorney.

Adopted by the following vote:

Unanimously.

By Community Development Committee and Finance Committee—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing and the United States of America have entered into an Agreement providing the City of Lansing with a Grant to plan and implement a Community Development Program; and

Whereas, the City of Lansing, through the Human Resources Department did engage New Way In, Incorporated to perform various services and activities, and to accomplish certain objectives, in connection with said Community Development Program; and

Whereas, a Contract was developed effective July 1, 1976 through September 30, 1977 by and between the City of Lansing, through the Human Resources Department, and New Way In, Incorporated to provide a crime prevention program (PN-142); and

Whereas, the City of Lansing, through the Human Resources Department and the New Way In, Incorporated, entered into an Agreement with the State of Michigan Law Enforcement Assistance Administration (L.E.A.A.) to provide matching funds to administer and maintain the Young Offender Treatment Residence; and

Whereas, the effective dates of this Contract were from July 1, 1976 through June 30, 1977 at a 90%—10% L.E.A.A.—Community Development match; and continuously from July 1, 1977 through September 30, 1977 at a 50%—50% L.E.A.A.—Community Development match; and

Whereas, the L.E.A.A. Grant was awarded effective July 1, 1976 through September 30, 1977 (15 months) at a 82%—18% L.E.A.A.—Community Development match; and

Whereas, the City of Lansing through the Human Resources Department and New Way In, Incorporated now mutually desire to amend said Contract to coincide with the L.E.A.A. Grant and further desire to revise the budget of this contract to transfer the \$233.00 excess from the "Young Offender Treatment Resident" budget, created by the above changes into the "Service Center and Adult Offender Re-Entry House" budget; now, therefore, be it

Resolved, that the Mayor and the City Clerk are hereby directed to sign said Contract on behalf of the City of Lansing, after approval as to form by the City Attorney.

Adopted by the following vote:

Unanimously.

By Community Development, and Finance Committees—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing and the United States of America have entered into an Agreement to plan and develop a community Development Program; and

Whereas, the Lansing Community Development plan provides for a delinquency prevention program through the Youth Development Corporation (PN-131); and

Whereas, the City of Lansing, through the Human Resources Department, entered into a Contract (PN-131) with the Youth Development Corporation, Incorporated, effective from July 1, 1976 through June 30, 1977 in the amount of One Hundred Ninety-Eight Thousand, Four Hundred Nine and 00/100 (\$198,409.00) Dollars; and

Whereas, the City of Lansing, through the Human Resources Department and the Youth Development Corporation, Incorporated, mutually desire to revise the budget of said contract as follows:

By Committees on Planning, and Public Service and Highways—

Resolved by the City Council of the City of Lansing:

P-3-76

Lancan Village No. 2 and No. 3

Preliminary Plat

Whereas application has been made for final approval of the preliminary plat of Lancan Village No. 2 and No. 3; and

Whereas the Planning Department, in accordance with Section 37-38 of the Subdivision Control Ordinance has reviewed this application and recommended approval thereof; and

Whereas the Planning Committee of City Council and Public Service and Highways Committee of City Council have reviewed this application and the report of the Planning Department and concur therewith;

Now, Therefore, Be It Resolved that the preliminary plat of Lancan Village No. 2 and No. 3 be approved, subject however, to all conditions as set forth by City Council at the time of tentative preliminary approval; and

Be It Further Resolved that this subdivision development requires special attention as it relates to storm sewer facilities and, therefore, the above approval is subject to approval by the Public Service Department of an adequate drainage system serving

those lots fronting on Northrup Street; and further, that the developer, in conjunction with the Public Service Department, establish the final grade for those lots fronting on Northrup Street to assure proper drainage both now and in the future when Northrup Street is fully improved.

Adopted by the following vote:

Unanimously.

By Committees on Planning, and Public Service and Highways—

Resolved by the City Council of the City of Lansing:

P-6-76

Concord Village No. 4

Preliminary Plat

Whereas the preliminary plat of Concord Village No. 4 has been submitted for tentative approval; and

Whereas the Planning Board, pursuant to Act 285, P.A. 1931, has approved and recommended that the City Council tentatively approve the preliminary plat subject to the following conditions:

- 1) That the final plat be developed with all public improvements as required by the Lansing Subdivision Regulations and the Michigan State Plat Act,
- 2) That all lots shall be graded so surface water will drain therefrom so as not to adversely affect adjacent properties.
- 3) That the developer utilize an underground electrical distribution system as specified in Section 37-33.1 of the Lansing Subdivision Regulations,
- 4) That the necessary easements be shown on the plat in accord with the requirements of the Board of Water and Light and other public utilities,
- 5) That vehicular access from all lots with frontage on the proposed Miller Road extension (Lots 49 through 63) be prohibited and that a restriction be placed on the face of the final plat.
- 6) That a three feet (3') high rolling earth berm be constructed in the southerly ten feet (10') of all lots with frontage on the proposed Miller Road extension (Lots 49 through 63),
- 7) That street trees be planted on all public streets and a permit therefor be obtained from the Department of Parks and Recreation prior to the planting,
- 8) That the 50 feet between the southerly lot lines of the plat and the center line of the proposed Miller Road extension be included in the plat and dedicated for street purposes,
- 9) That fire hydrants be placed as directed by the Fire Marshal,
- 10) That all structures constructed on all lots with frontage on the proposed Miller Road extension (Lots 49 through 63) be oriented to Truxton Lane,
- 11) That the joint lot line between Lots 85 and 72 be altered to reflect a direct line from the east property line of Lot 72 to the west property line of Lot 72,
- 12) That cul-de-sacs be paved to a minimum radius of 45 feet, and
- 13) That this is a tentative approval and shall expire after a period of twelve (12) months; and

Whereas the Planning Committee of City Council reviewed the report of the Planning Board and concur therewith;

Now, Therefore, Be It Resolved that the preliminary plat of Concord Village No. 4 Subdivision is hereby tentatively approved subject to the conditions, numbers one through thirteen, as set forth above; and

Be It Further Resolved that the City Clerk be, and she is hereby, directed to attach this approval to the Plat and return it to the Proprietor.

Adopted by the following vote:

By Committee on Planning and Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

ROW-11-76

3104 South Cedar Street

Whereas Robert W. Boettger, in his letter to City Council dated September 7, 1976, has requested that the City of Lansing deed to him a parcel of land, more particularly described as:

The west 20 feet of the east 141.5 feet of the south 150.125 feet, Lot 1, Block 1, Oak Crest Subdivision, City of Lansing, Ingham County, Michigan;

and

Whereas the above described property was deeded to the City of Lansing in 1956 for alley purposes; and

Whereas said parcel has not developed as a public alley; and

Whereas this request was referred to the Public Service Department and the Planning Board for review and report; and

Whereas it has been determined that there is no longer a need to hold this subject property for alley purposes or in public ownership;

Now, Therefore, Be It Resolved that all of the above described property be fully

and completely discontinued and vacated subject to the City Attorney reviewing and approving the final documents prior to them being forwarded to the Registrar of Deeds for recording; and

Be It Further Resolved that the City Clerk of the City of Lansing, within thirty (30) days hereinafter shall forward a certified copy of this resolution to the State Treasurer of the State of Michigan and a certified copy of this resolution to the Registrar of Deeds of Ingham County, Michigan for recording.

December 22, 1976

Chairman Lucile Belen  
City Affairs Committee  
Lansing City Council

Dear Councilman Belen:

Attached is an application for a parade permit for the United Pentecostal Church, scheduled for 10:15 A.M. on Wednesday, December 29, 1976.

This application has been approved by all necessary department heads. Our Traffic Bureau estimates this parade will cost the City a total of \$59.24, which represents two officers and two patrol cars for two hours.

This is being forwarded to your committee for final action.

Respectfully yours,

RICHARD A. GLEASON,  
Chief of Police.

Referred to Committee on Ordinance and Contracts and City Affairs.

**REPORT OF COMMITTEE**

The Committee on ORDINANCE AND CONTRACTS AND CITY AFFAIRS, to whom was referred the request of United Pentecostal Church for permission to parade on December 29, 1976, starting at 10:15 a.m., reports as follows:

The Committee recommends permission be granted inasmuch as the permit has been signed by the necessary Department heads, and the Committee recommends further that the parade be under supervision of the Lansing Police Department.

Members of Lansing City Council  
City Hall

Lansing, Michigan

Dear Fellow Councilmen:

As your outgoing Mayor Pro Tem, I wish to express my thanks to you for placing your confidence in me last January and for continuing your support and cooperation throughout this Bicentennial Year. It has been a great privilege to serve you and the people of Lansing, and I assure you that we can point to a number of solid and positive accomplishments as we look back over the Council's record in 1976.

We made the first attempts to provide the Mayor with budget policy guidance prior to his deliberations on the current budget. A Council-appointed committee under my chairmanship is attempting to expand on that process for the next budget. We held more than sixty hours of open budget hearings in March and April. We made over one hundred changes totalling roughly \$500,000 and learned more about our City budget and departmental operations than we ever knew in the past. The Finance Director has commented several times in our Finance Committee meetings that our current budget is the best that we have ever had. I do think, however, that we learned a few lessons from this experiment. As the chairman of the Council's Finance Committee, I shall make specific recommendations to the next Mayor Pro Tem for a streamlining of the budget hearing procedure.

I requested that our Human Relations Director, Richard Letts, appoint an advisory committee to make recommendations to me regarding a revised Affirmative Action Plan for the City along with guidelines for implementation. I presented these recommendations to the Council, and you passed them unanimously. Since then, other cities have requested copies to use as a guideline. We

have received great praise for our actions in this regard.

We took action to improve the Capital Improvements Program planning process, which is now working smoothly. We improved the process for interviewing and confirming mayoral board appointments, thereby fulfilling our Charter responsibility in a much more efficient and open manner. This action was also one of several decisions that served to strengthen our standing committee system.

I requested that a new Zoning Code be presented to the Council for our consideration. We were told that we must have a new Master Plan first, because our present plan is outdated and should be used as a basis for a new Zoning Code. As a result of our inquiry, we appropriated money for the preparation of a new Master Plan. Hopefully, our 1943 Zoning Code will be replaced in a couple of years.

I appointed a Council ad hoc rules committee to revise our Council Rules. After discussion, we approved these revised rules, the first such major revision in a number of years. Among other things, these rules provided for earlier and more extensive public input at our Council meetings. By directive, I decreased the number of department heads attending Monday afternoon Committee of the Whole meetings. Eventually, we did away with these regular meetings and started our Monday evening Council meetings one-half hour earlier. On the other side of the coin, I used special Committee of the Whole meetings to their fullest advantage in order to allow for additional discussion on particular issues. You supported me in this by attending some thirty-five special meetings in addition to our budget hearings. I thank you for such unselfish giving of your time.

In January, I requested that the attorney for the then-owners of the John Bean plant make a new offer to the City regarding that property. They did, and we responded positively after much necessary study. We then transferred the plant to our Economic Development Corporation who is now finding new uses for that property.

I did my best to expedite the resolution of two nagging problems which had floated around for months, namely, the question of a location for a senior citizen center and the question of funding and locations for future community and recreation centers. Concerning the senior citizen center, the Committee of the Whole requested and received a recommendation from the Mayor and established the location within the Civic Center. The Council also passed my resolution on community centers, and the appointed committee shall be making a recommendation to the Council in 1977.

It has been my belief for some time now that the Council should use the Mayor's administrative function more effectively in our broad decision-making process. You agreed with this philosophy and referred several items to the Mayor for his recommendation and/or action, such as the future use of the building then used by HAF and BILD,

the space study for the moving of departments within City Hall and the Washington Square Annex, the location of the senior citizen center, and the level allowed for Fire Department overtime. At my request, the Committee of the Whole agreed that the City needs a policy for the planning, financing and building of bicycle paths. We assigned the Program Coordinator the task of composing a resolution which we may pass early in 1977, requesting the Mayor to coordinate an administrative plan for future bicycle paths.

A member of our staff chaired the Mayor's staff advisory committee on the "100 Block." The Council accepted the recommendations of that committee and took action to encourage the speedy development of that critical block. The Council continued to appropriate necessary funds for the further development of the Riverfront Park and the hiking-biking path along the river bank between Saginaw Street and Kalamazoo Street.

Regarding the State Capitol Complex, the Council pressured the Legislature and the Governor for the development in the area west of the Capitol Building. As a result, the Governor appointed a Capitol Complex Advisory Committee which included the Mayor, one of you, and myself. The committee met several times and made several sound recommendations to the Governor for the future use of the Capitol Complex and Secondary Complex. The Governor responded very positively. Among other things, we now have a Councilman on the State Building Commission, and we have formal staff liaison with the Governor.

I spearheaded the planning of a dinner with our local legislators this past year at which many mutual problems were discussed and also a reception for the legislature next month for the express purpose of welcoming the new legislators to Lansing. Our Council-Legislature Liaison Committee has met as the situation required.

The Council-County Liaison Committee worked out contracts for the care of prisoners and the maintenance of police radios, contracts which had not been revised for many years. The Council-Board of Education Liaison Committee worked out the details for our new leisure center recreational concept that worked very well this past summer and should be expanded in the future.

Realizing that our Legislative Coordinator was not being put to good use by working directly under the Council, I unilaterally transferred her to the Program Coordinator's supervision, to their mutual benefit and ultimately to ours. More recently, I have made a detailed recommendation to you for the total reorganization of the tenth floor staff. I hope that some changes are made in 1977.

The Council acted many times to improve the safety, health, and environmental conditions for our citizens. To include such things as improved traffic signal systems, changes in parking and speed regulations, building demolitions, weed cutting, trash

removal, housing rehabilitations, street and sidewalk improvements, sewer replacements, human service extensions, a new fire station, good re-zonings, the purchase of new park lands and the improvement of existing parks, completion of the new artificial ice skating rink-tennis court complex, further progress on the Kingsley Place complex, and so on.

Although we appear to be somewhat divided philosophically, I feel that we can look back to a large number of important accomplishments this past year. Let us de-emphasize our differences in this coming year and place new emphasis on a unity of purpose so that we may accomplish even more. Thank you again for your support and hard work.

Sincerely,

TERRY J. MCKANE,  
Mayor Pro Tem.

Received and placed on file.

December 22, 1976

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan 48933

Dear Mayor Pro-Tem and

Council Members:

You have before you a proposal from Councilman Robert Hull to purchase the property at 627 S. Holmes Street for the purpose of constructing a road into Hunter Park and to build a parking lot inside of the Park. The proposal has been forwarded to both the Buildings and Properties Committee, as chaired by Councilman Hull, and the Committee on Parks and Recreation. I expect, therefore, that the matter will be reported out of Committee for the purpose of passage.

So that you are fully aware that many residents in the immediate vicinity are NOT in favor of the proposal, I am forwarding to you a communication from one Rev. Roland F. Coon, 413 S. Holmes, together with 158 signatures from people in the immediate area. The communication from the Rev. Coon has merit; those others opposing the purchase of land and parking lot proposal, if you will note, reside in the 100, 200, 300, 400, 500 and 600 blocks of S. Holmes, and very close proximity, such as Bement Street, Euclid, Larned, E. Kalamazoo and Hickory.

I trust you will give the expressed opinions of these opponents of the proposal your most serious consideration.

Sincerely,

GERALD W. GRAVES,  
Mayor.

Referred to Committee on Buildings and Properties and Committee on Parks and Recreation.

## RESOLUTIONS

By Buildings and Properties Committee—

Resolved by the City Council of the City of Lansing:

That the City Assessor be, and he is hereby directed to spread on the July 1977 tax rolls (U-12), the cost of correcting the hazardous and unsanitary conditions of properties in the year 1976, in the amount of \$960.50 as reported this date by the Building Commissioner, and as per attached list.

Adopted by the following vote:

Unanimously.

By Committee on Community Development—

Resolved by the City Council of the City of Lansing:

That the appointment of Mrs. Betty Cowan to the Eastside Citizen's District Council for Community Development (NDA No. 2), be confirmed.

Adopted by the following vote:

Unanimously.

By the Committee on Personnel—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing has entered into an agreement with the Lansing Tri-County Regional Manpower Consortium to provide for the delivery of public service employment services in accordance with Title II of the Comprehensive Employment and Training Act of 1973, as amended, under Contract 892.19; and

Whereas, all public service employment positions under said contract have been budgeted through January 6, 1977; and

Whereas, the contract duration period is June 1, 1976, to January 31, 1977; and

Whereas, there are sufficient residual funds to extend all currently filled positions to January 31, 1977; and

Whereas, the above stated contract has been amended to extend all currently filled positions through January 31, 1977;

Now Therefore Be It Resolved that the Mayor and City Clerk be authorized to sign the amendment to Contract No. 892.19 between the City of Lansing and the Lansing Tri-County Regional Manpower Consortium

after approval as to form by the City Attorney.

Adopted by the following vote:

Unanimously.

By Planning Committee—

Resolved by the City Council of the City of Lansing:

Whereas on June 7, 1976, Lansing City Council approved an Industrial Facility Exemption Certificate for Cutler Plastics Corporation of 5511 Enterprise Drive, and

Whereas on the approved application the estimated investment cost was \$800,000, and

Whereas Mr. Gary Cutler, President of Cutler Plastics Corporation has requested by letter that the investment cost be revised upward to \$1,000,000,

Now Therefore be it resolved that Lansing City Council concurs with the recommendation of the Planning Committee and approves the request, and amend the original certificate to read \$1,000,000 estimated investment cost.

Adopted by the following vote:

Unanimously.

By Planning Committee—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing recognizes the necessity of providing land for residential-development supportive of Lansing's central city and upgrading and expanding housing opportunities for residents and employees of central Lansing; and,

Whereas, the City of Lansing has committed funds in excess of 1.5 million dollars towards the development of Capitol Commons and wishes to have this project successfully completed; and,

Whereas, the development of Capitol Commons was an essential component of the Lansing Model Cities Comprehensive Plan and is thus eligible for assistance under Community Development Urgent Needs funding from the Department of Housing and Urban Development;

Now, Therefore, Be It Resolved that the Office of Program Coordinator is authorized to submit, on behalf of the City of Lansing, a grant application for Community Development Urgent Needs funds to the Department of Housing and Urban Development for the purpose of completing land acquisition in Capitol Commons and making those public improvements necessary for the initiation of development in Capitol Commons; and,

Be It Further Resolved that all City Departments provide the Program Coordinator

with assistance in assembling the necessary supportive material for this grant application; and,

Be It Further Resolved that the City Planning Department, in particular, shall provide the necessary graphic presentation and other data as required by the Program Coordinator; and,

Be It Finally Resolved that the appropriate departments of the City of Lansing shall initiate the A-95 Review Process and Environmental Review.

Adopted by the following vote:

Unanimously.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

ACT-9-76

809 West Holmes Road

Whereas Danford Cleaners has requested to purchase the east 40 feet of the property described as:

Commencing 291 feet west and 33 feet south of the northeast corner, Section 32; thence south 200 feet; thence west 164 feet; thence north 200 feet; thence east 164 feet to the point of beginning, Section 32, T4N, R2W, City of Lansing, Ingham County, Michigan; and

Whereas this request was referred to the Planning Board for review and report in accord with Act 285, Public Acts of 1931; and

Whereas the Planning Board, in conjunction with other public agencies, reviewed this matter and recommended that the request be denied as filed, and further recommended that the east 40 feet of the south 113.25 feet of the above described property be approved for sale to the owners of Danford Cleaners for the purpose of allowing them to expand their existing commercial business; and

Whereas the Planning Committee of Council, to whom was referred the report of the Planning Board, concurs therewith;

Now, Therefore, Be It Resolved that the Council of the City of Lansing authorizes the sale of the east 40 feet of the south 113.25 feet of the above described property to the owners of Danford Cleaners for the purpose of expanding their existing commercial use; and

Be It Further Resolved that upon passage of this resolution the City Council shall initiate a zoning application for this property which will rezone it from its present "A-1" residential district classification, to "F" Commercial District.

By Councilman Baker (Adado)—

That this be referred to the Committee on Buildings and Properties.

Carried.

By Councilman Richard Baker, Planning Committee—

Resolved by the City Council of the City of Lansing:

Whereas, the City has been awarded a Title IX Grant from the United States Economic Development Administration to develop an Economic Strategy for the City of Lansing, and

Whereas, the City Council requested the Mayor to recommend administrative procedures to be utilized in carrying out this grant, and

Whereas, the Planning Committee has reviewed the recommendations of the Mayor and concurs with the exception of one amendment to the membership of the Policy Committee,

Now, Therefore, Be It Resolved that the Council of the City of Lansing authorizes the following actions to implement the Title IX Grant:

1. The Mayor and City Clerk are directed to sign the Title IX Contract Agreement upon approval as to form by the City Attorney.
2. That the Planning Department have responsibility for the administration and staffing of the Grant.
3. That a policy Committee be created to work with the consultant and project technicians to develop an economic strategy for the City. This Committee should be composed of the following:

**Sec. 36-114. Neighborhood District Area No. 3 Citizens' District Council — Created, Appointment of Members, Powers and Duties.**

There shall be created a Citizens' District Council for Neighborhood District Area No. 3, pursuant to Act No. 344 of the Public Acts of 1945, as amended by Act 189 of the Public Acts of 1968 and Act 173 of the Public Acts of 1969 of the State of Michigan. The Citizens' District Council shall consist of fifteen (15) members with the combination of elected and appointed members as follows: six (6) members elected from the Development Area; two (2) members appointed from the Development Area; four (4) members elected from the balance of the District Area, excluding the Development Area; and three (3) members appointed from the District Area, excluding the Development Area. The members of the Citizens' District Council appointed by the Mayor of the City of Lansing shall be selected in a manner that insures that the Citizens' District Council is, to the maximum extent possible, representative of the residents of the area and other persons with a demonstrable and substantial interest in the area. The term of office on the Citizens' District Council shall be for three (3) years.

The rights, duties and functions of the Citizens' District Council shall be the same as set forth in Act 189 of the Public Acts of 1968 and Act 173 of the Public Acts of 1969 of the State of Michigan, including other amendments to this Act as they may affect those rights, duties and functions.

All vacancies occurring for elected members of the Citizens' District Council shall be filled by the unsuccessful candidates in line of succession by the highest vote count received in the last election. If such successors are unavailable, the remaining members of the Committee, both elected and appointed, shall meet to elect, by a majority vote of the total membership of the Council, an individual for the position to serve through the duration of the unexpired term of office.

All vacancies occurring for appointed members shall be filled by reappointment by the Mayor of the City of Lansing, in accordance with the same procedure used for the initial appointments.

**Sec. 36-115. Authorization to Elect Officers and Draft Bylaws, Etc.**

The Citizens' District Council, for the purposes of organizing and functioning, may elect officers, adopt any reasonable rules of procedure and draft bylaws, and do such acts as may be required for its organization and conduct of its business, insofar as they do not conflict with the provisions of Act 344 of the Public Acts of 1945, as amended, or the Charter of the City of Lansing.

DATE: Dec. 27, 1976

TO: The Honorable Mayor and  
Lansing City Council

FROM: D. Daniel McLellan,  
Assistant City Attorney

SUBJECT: Necessity for appointing and confirming an interim city attorney

At today's Committee of the Whole, I was instructed to research the possible effects of failing to nominate, confirm and qualify a permanent or acting city attorney. The current city attorney, Peter Houk, has resigned his City office effective December 31, 1976. At this writing, no one has been confirmed or qualified to succeed Mr. Houk to the office of city attorney on either a temporary or permanent basis.

The city attorney is an appointive officer of the city. Lansing Charter, §4.1 (c), §7.3. A city office may be vacated by resignation. Lansing Charter, §4.10. In section 4.4 (b), the Charter contemplates, but obviously cannot require, that an incumbent officer remain in office until his or her

successor has been appointed and qualified. The Charter also provides for appointment of an interim city attorney to perform the duties of that office in the event the city attorney is unable to perform his or her duties. Lansing Charter, §7.3. An interim appointment is to be made in the same manner as a permanent appointment; namely, appointment by the Mayor and confirmation by the City Council. I am unable to find any other Charter or Code provision which provides for any alternative method of either temporary or automatic succession to the office of city attorney.

By virtue of the state enabling legislation and the City Charter, §7.7, the city attorney is invested with full prosecutorial powers with regard to violations of city ordinances. The very personal nature of this vast prosecutorial power is attested to by the totality of requirements which the city attorney must meet: (1) appointment by the elected Mayor; (2) confirmation by the elected City Council; (3) the nonwaivable durational residency requirement; and (4) necessity of taking the Constitutional oath of office [Charter, §4.7; Mich. Const 1963, art 11, §11].

Of course, the city attorney may authorize assistant city attorneys and legal interns to exercise certain prosecutorial power at his direction. Such assistants are exercising the delegated power invested in the city attorney. However, if there is no person in whom the power of the city attorney has been formally invested by virtue of appointment, confirmation, qualification and oath, it would appear that such power temporarily ceases to exist. It does not appear that any mechanism for informally or temporarily passing on the power of the city attorney now exists.

The standard criminal law treatise for Michigan [Gillespie, Michigan Criminal Law and Procedure, 2nd, §581] notes that:

"[w]hile prosecutions for violations of city or village ordinances are in the nature or criminal proceedings, and may be prosecuted in the name of the people, the city or village attorney or any other attorney duly authorized may prosecute such causes [emphasis added]."

I draw your attention to the Michigan Supreme Court's decision in *People v. Veenstra*, 337 Mich 427 (1953). The prosecution of a township ordinance violation was undertaken by a private attorney in the presence of an assistant prosecutor but without the formal authorization of the prosecuting attorney responsible for prosecuting ordinance violations. The Supreme Court reversed the conviction because the attorney prosecuting the case was not formally authorized to do so. The Court noted:

"The [People of the State of Michigan have], by the State Constitution and by acts of the State legislature designated certain officers in certain cases to represent [the People], but [have] nowhere indicated that an attorney merely in private practice, who is not such designated officer nor properly appointed as such, may represent the [People] in any

criminal case. . . . An attorney is not privileged to take upon himself merely at his own will, the functions of prosecutor of a crime in the name of the people. The public must be protected against unauthorized prosecutions."

By the reasoning of the Court, prosecutions for criminal violations of city ordinances may be undertaken only upon the direction of an attorney who is properly clothed in the appointive robes of office by the elected officials charged with that responsibility. It is my opinion that any ordinance prosecution which is undertaken at any time when no permanent or interim city attorney has been appointed, confirmed and qualified would be subject to termination upon a properly made defense motion and would be subject to reversal upon appeal. The criminally accused, of course, are accorded great protection against the abuse of power and the Charter provisions cited here are clearly designed to provide that protection.

Referred to Mayor's Office.

Lansing, Michigan 48912

Dear Mr. Williams:

You are cordially invited to attend a meeting of the City Council's Committee of the Whole on Tuesday, January 4, 1977, at 4 p.m., in the 10th Floor Council Conference Room. The purpose of this meeting is to interview you regarding your appointment by the Mayor as a potential City Attorney.

If you cannot attend at this time, please contact me at my home as soon as possible. My telephone number is 394-4996.

Sincerely,

TERRY J. McKANE,  
Mayor Pro Tem.

Received and placed on file.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, Senator Philip A. Hart brought great credit to his State and Nation throughout his years of dedicated service as a citizen, public official, Lieutenant Governor and Senator; and,

Whereas, Senator Hart, because of his compassion, gentleness, kindness and his deep understanding of people was considered by all who knew him to exemplify

those characteristics of leadership most valued by the American people; and,

Whereas, this gentlemen, whether acting in his roll as a public official, Senator or father always placed the needs of the nation and its people before state and family; and,

Whereas, the leadership roll that Senator Hart assumed within the Senate of the United States caused, in no small degree, that legislative body to pass laws which permitted all the citizens of these United States to have a greater share in the rights and benefits that people of every race, creed, color and economic class were entitled to in accordance with the provisions of the United State Constitution under which this great Legislator and American served in his various capacities;

Now, Therefore, Be It Resolved that in this moment of great bereavement by this nation upon the death of Senator Philip A. Hart that the Mayor and City Council of the City of Lansing on behalf of its citizens do hereby pay our respects to Senator Philip A. Hart and his wonderfully supportive family, and,

Be It Finally Resolved that this resolution be forwarded to the family of Michigan's distinguished Senator Philip A. Hart as evidence of the high regard in which his memory is held by the people of the City of Lansing.

Adopted by the following vote:

Unanimously.

#### By Committee on Finance—

Resolved by the City Council of the City of Lansing:

Whereas the Cemetery Perpetual Care Fund exists to provide operating revenues for the Cemetery System, and

Whereas the securities held in this Fund are of low coupon, insufficient to provide the necessary revenues, and

Whereas, it is possible to obtain higher coupon issues,

Now Therefore Be It Resolved, that the Director of Finance, and the City Treasurer, are hereby authorized to sell and dispose of securities held in the Cemetery Perpetual Care Fund and to reinvest in higher yielding issues, and

Be It Further Resolved, that James W. Dowsett and Hugo J. Hufnagel, incumbents of the respective offices herein named, are authorized to sign, on behalf of the Parks Board and/or the Cemetery Perpetual Care Fund, the legal papers necessary to complete this investment program.

Adopted by the following vote:

Unanimously.

#### By Committee on Personnel—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing has entered into an agreement with the U.S. Depart-

ment of Housing and Urban Development to develop recreational facilities, make public improvements, and provide administration pursuant to the Title X Community Development Block Grant, No. E-75-MC-26-0025; and

Whereas, the City of Lansing and the Tri-County Regional Manpower Consortium have entered into an agreement to provide for the planning and delivery of manpower services pursuant to the Public Works and Economic Development Act of 1956, Title X, Contract No. 896.01; and

Whereas, the Department of Housing and Urban Development has yet to specify a completion date for Title X Grant No. E-75-MC-26-0025 and the Department of Labor has extended Title X Contract No. 896.01 to February 28, 1977; and

Whereas, the City Council has approved the extension of four (4) Title X positions to January 31, 1977 and one Title X position to January 20, 1977 using residual funds from the Department of Labor Grant, Contract No. 896.01; and

Whereas, the City Council has resolved that the Mayor's Assistant for Community Development is charged with the overall administrative coordination of the activities pertaining to the expenditure of the Title X funds to insure that all actions taken are in accordance with the City's Community Development policies and the policies of those Federal and State agencies participating; and

Whereas, the City Council has approved the position of Project Coordinator VI within the Community Development Management for the purpose of administrative coordination of Title X activities; and

Whereas, residual funds have accumulated in the administrative accounts of the Housing and Urban Development grant to fund an extension of the Title X Project Coordinator VI position, for continued coordination of these grants, to January 31, 1977;

Now Therefore Be It Resolved, that the City Council approve the extension of Title X Project Coordinator to January 31, 1977 and direct the Finance Department to make the necessary transfer of funds to finance said extension.

Adopted by the following vote:

Unanimously.

Councilman Brenke spoke about the four areas that Christmas trees could be taken to until the 15th of January, 1977 (Groesbeck Park, West Side Park, No. 10 Fire Station and Sycamore Park).

# OFFICIAL PROCEEDINGS OF THE CITY COUNCIL OF THE CITY OF LANSING

## Special Meeting, December 30, 1976

### CITY COUNCIL ROOMS

Lansing, Michigan  
December 30, 1976

The City Council of the City of Lansing, Michigan, met in special session and was called to order by Mayor Graves on Thursday, December 30, 1976 at 12:00 o'clock noon.

Present: Councilmen Adado, Baker, Belen, Blair, Brenke, Gunther, Hull, McKane—8.

Absent: None.

The Clerk announced that a quorum of the Council was present.

Invocation was given by Councilman Gunther.

Pledge of Allegiance was given.

December 28, 1976

Miss Theo Fulton

Lansing City Clerk

9th Floor, City Hall

Lansing, Michigan 48933

Dear Miss Fulton:

At 6:51 p.m., or approximately 9 minutes before the start of the Council Session of Monday, December 27, 1976, Daniel McLellan, Assistant City Attorney, provided me with a Letter Opinion, titled: **Necessity for appointing and confirming an interim city attorney.** The Letter Opinion was the result of a short discussion during the Council Committee of the Whole Session, held in the afternoon of the aforementioned date, in which Mr. McLellan suggested that minus an Interim City Attorney the City of Lansing very likely could lose a major law suit scheduled for January 3, 1977, which could involve substantial amounts of money.

At the time of the afternoon discussion, Councilman Richard Baker fully supported the view of Assistant City Attorney McLellan, and advised that "it behooves the Mayor to call a Special Session of the Council so that an Acting City Attorney, or Interim City Attorney, could be confirmed." During the evening session, Councilman Baker advised that if the Mayor desired, he would be willing to sign the necessary letter to call a Special Council Meeting. On Tuesday morning, December 28, 1976, I requested of Assistant City Attorney McLellan the type of case in which the City was to be involved next Monday. Actually, not one case is involved but three, namely, an "Illegal Left

Turn"; "Speeding"; and, "Running a Red Light." My question to Assistant City Attorney McLellan centered around why a postponement of these cases wasn't sought until such time as the City Council resolved the problem of a permanent City Attorney—in effect, the reply was that "I guess that would be possible."

Because of the late hour of the Letter Opinion from Assistant City Attorney McLellan, the Council's failure to interview my nominee for the position of City Attorney, Kenneth Williams, as scheduled, and because of the "declared need" of an Interim City Attorney, I am calling a Special Meeting of the City Council in accordance with Section 5.5 (b) of the City Charter for 12:00 o'clock noon on Thursday, December 30, 1976, in the Lansing City Council Chambers. The purpose of this meeting is to present to the City Council the Mayor's nominee for confirmation as Acting City Attorney, or Interim City Attorney.

In accordance with the City Charter please have this notice served personally on each member of the Council, or left at his, or her, usual place of residence. Too, at the time of sending out or the delivery of the notices for this Special Meeting of the City Council, send a copy of the notice of such meeting, or delivery of same, to the office of the State Journal. Finally, please provide a notarized copy of the proof of the service of the aforementioned notice for the purpose of entering same in the Proceedings of the Special Meeting of the City Council.

Respectfully,

GERALD W. GRAVES,  
Mayor.

Filed at 8:52 on Tuesday, December 28, 1976.

Received and placed on file.

December 30, 1976

Honorable Mayor and Members

of the Lansing City Council

City Hall

Lansing, Michigan 48933

Gentlemen:

This is to certify to this Honorable Body that pursuant to the request of Mayor Gerald W. Graves directing me and dated December 29, 1976, written notice of a special City Council meeting requested therein was served in full compliance with the requirements of Section 5.5 (b) of the Lansing City Charter.

Sincerely,

(Miss) THEO FULTON,  
City Clerk.

Received and placed on file.

December 29, 1976

Honorable Mayor Pro-Tem and Members  
of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem and Council Members:

At 6:51 p.m., or approximately 9 minutes before the start of the Council Session of Monday, December 27, 1976, Daniel McLellan, Assistant City Attorney, provided me with a Letter Opinion, titled: Necessity for appointing and confirming an interim city attorney. The Letter Opinion was the result of a short discussion during the Council Committee of the Whole Session, held in the afternoon of the aforementioned date, in which Mr. McLellan suggested that minus an Interim City Attorney the City of Lansing very likely could lose a major lawsuit scheduled for January 8, 1977, which could involve substantial amounts of money.

At the time of the afternoon discussion, Councilman Richard Baker fully supported the view of Assistant City Attorney McLellan, and advised that "it behooves the Mayor to call a Special Session of the Council so that an Acting City Attorney, or Interim City Attorney, could be confirmed." During the evening session, Councilman Baker advised that if the Mayor desired, he would be willing to sign the necessary letter to call a Special Council Meeting. Basically, you seem to be in accord, and the Mayor Pro-Tem even took time to support the approach in radio interviews.

Because of the late hour of the Letter Opinion from Assistant City Attorney McLellan, the Council's failure to interview my nominee for the position of City Attorney, Kenneth Williams, as scheduled, and because of the declared need for an Interim City Attorney, I called a Special Meeting of the City Council in accordance with Section 5.5 (b) of the Lansing City Charter for 12:00 o'clock noon on Thursday, December 30, 1976, here, in the Lansing City Council Chambers. I advised the City Clerk that the purpose of the meeting was to present to you my nominee for confirmation as Acting City Attorney, or Interim City Attorney. Further, I requested the City Clerk to have a notice served personally on each member of the Council, or left at his, or her, usual place of residence, and that at the time the City Clerk was to send a copy of the notice of this Special Meeting of the City Council, or to deliver same, to the office of the State Journal.

I am, therefore, submitting to you at this time for confirmation, the name of Frederick L. Stackable, 624 Isbell, Lansing, Michigan. Mr. Stackable's office address is The Grand Building, 300 N. Grand Avenue, Lansing, Michigan. Mr. Stackable is willing to serve as the Acting City Attorney or Interim City Attorney. He meets all the qualifications definitely required to serve in this position, suggested or implied. He has been a resident of the City of Lansing for approximately 37 years, is a registered voter, and a practicing attorney. Mr. Stack-

able was graduated from Michigan State University in 1959 with a Bachelor of Arts Degree and from Wayne State University Law School in 1962 with a Juris Doctorate.

The job specifications for which he is being nominated list as "desirable," the following:

Extensive legal experience, including some involving local government and graduation from a recognized college or university with a degree in law. Admission to practice law in the courts of this state.

He has extensive legal experience having been a practicing attorney since 1962. Regarding the desirability of having had some involvement in local government, please be advised that Mr. Stackable served as an Assistant City Attorney, doing trial work for the City of Lansing, having been appointed in 1965. He also has experience as a Circuit Court Commissioner for Ingham County. In addition, he was:

—Admitted to practice before the Supreme Court for the State of Michigan on December 17, 1962;

—Admitted to practice before the U.S. District Court for the Western District of Michigan on February 14, 1964;

—Admitted to practice before the U.S. District Court for the Eastern District of Michigan on March 24, 1964;

—Admitted to practice before the U.S. Court of Appeals, Sixth Circuit on June 19, 1964;

—Admitted to practice before the Tax Court of the United States on April 13, 1968; and

—Admitted to practice before the Supreme Court of the United States on May 6, 1968.

He has an excellent knowledge of the functions of State government having been employed in the past by the Legislative Service Bureau of the State of Michigan to write legislation for the Legislature, and from having served as a member of the Michigan House of Representatives.

For your consideration, I am attaching a Resolution, as prepared by Assistant City Attorney Daniel McLellan, which if approved, will confirm my nominee for Interim City Attorney. The salary included in the Resolution was furnished to my office by Personnel Director Daniel Bodwin.

Trusting this meets your immediate approval, I remain

Sincerely,

GERALD W. GRAVES,  
Mayor.

Referred to Committee of the Whole.

The City Clerk announced that signed receipts as to proof of service on each councilman and the State Journal are on file in the City Clerk's office.
